BACKGROUND/EXPLANATION:

The Preventing Substance-Exposed Pregnancies (PSEP) Collaborative is an initiative of Baltimore's B'more for Healthy Babies strategies that aims to improve access to, quality of and demand for reproductive and behavioral health services among women of reproductive age who use drugs and alcohol. The Department seeks to learn the community's perceived barriers to accessing care and will conduct interviews with women in the community about their experience related to using substances during pregnancy or while parenting and how this impacted their seeking or receiving of care. One Safeway or Target gift card will be given to each participant who completes an interview. The interviews are for B'more for Healthy Babies in understanding crucial individuals with substance use disorders' perspectives on obtaining healthcare for themselves, their children and improving care quality to ensure infant health and survival.

The Health Department adopted a consolidated policy for the purchase, distribution, and documentation of all incentive cards. The central tenets of this policy account for: 1) a single means of procuring all incentive cards through the Board of Estimates; 2) the documentation of each incentive card and its recipient; 3) a monthly reconciliation for all purchases

Baltimore City Health Department - Agreements

The Board is requested to approve and authorize execution of the Agreements. The period of the Agreement is July 1, 2015 through June 30, 2016, unless otherwise indicated.

1. THE JOHNS HOPKINS UNIVERSITY (JHU) \$200,000.00

Account: 5000-569716-3023-274441-603051

The JHU, School of Medicine (JHU/SOM), AIDS Psychiatry Services (APS) will provide ongoing care for patients currently in treatment and new patients for whom services are not available. Ryan White Part B funding provides support for the JHU/SOM APS to provide comprehensive mental health services for 300 HIV infected patients at one primary care site Moore Clinic, in the eligible metropolitan area.

The agreement is late because the State of Maryland Department of Health and Mental Hygiene's Prevention and Health Promotion Administration programmatically manages Ryan White State Special services. The providers are asked to submit a budget, budget narrative, and scope of services. The Department thoroughly reviews the entire package before preparing a contract and submitting it to the Board. These budgets are many times revised because of inadequate information from the providers. This review is required to comply with grant requirements.

Account: 4000-484816-3023-513200-603026

Implementation of the Patient Protection and Affordable Care Act (ACA) and federal and state budget cuts are driving dramatic changes at the Baltimore City Health Department clinics. Federal grant funds previously designated for clinical services are being reallocated to other healthcare initiatives or are disappearing. Billing public and private insurance providers for reimbursable services, such as HIV/sexually transmitted infections (STI) tests, will allow the Baltimore City Health Department to sustain services without being a burden on the City general funds.

Health Department - cont'd

SHR Associates, Inc. will evaluate the current internal environment and capacity of each of the Department's programs and clinical service areas, develop customized work plans for all clinic programs, assist with identifying billing software, and negotiate contracts with health insurance carriers to ensure optimal reimbursement for services. The period of the agreement is September 30, 2015 through March 30, 2017.

The agreement is late because of revisions to the template and the budget delayed processing.

Space Utilization Committee - Lease Agreement

ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize execution of a Lease Agreement with Michelle Feeney, Lessee, for the rental of property located at 1427 Light Street known as School 33, Studio #107, first floor. The period of the agreement is January 1, 2016 through December 31, 2016 with the option to renew for 2 one-year terms.

AMOUNT OF MONEY AND SOURCE:

Annual Rent Monthly Installments

\$4,800.00 \$400.00

BACKGROUND/EXPLANATION:

The demised premises will be used as an artist's studio for the Lessee. The lease may be terminated by the Lessor during the original term and renewal terms by giving a 60-day notice to the Lessee. The Lessor is responsible for heat, electricity, and water. The Lessee is responsible for content insurance, janitorial, trash receptacles, and security.

The lease agreement is late because of the administrative process of the Baltimore Office of Promotion and Arts and the Tenant signing the lease.

The Space Utilization Committee approved this Lease Agreement on June 14, 2016.

Estimated monthly charge

BACKGROUND/EXPLANATION:

A Request for Proposal for improved telephone service for the City of Baltimore to replace the current Centrex service was issued and a contract awarded to Arrow Systems Integration, (Arrow SI) on March 30, 2016, for a three year VoIP implementation. Because of the large number of Centrex phone lines the City currently has, Arrow SI would need approximately 6 months to commence full implementation from Centrex service to a new technology. The new technology would be phased-in over time. Therefore, to assure continuity of telecommunication services it is necessary to continue some Centrex service during this implementation.

ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize execution of a Deed with 1400 Hull Street, LLC, Purchaser.

AMOUNT OF MONEY AND SOURCE:

\$27,500.00 - Purchase Price

BACKGROUND/EXPLANATION:

On March 12, 2015, the City entered into a closing agreement with Purchaser. The Purchaser would like to acquire the former bed of Worcester Street and incorporate it with other properties to be used for parking for its business, Len The Plumber, Inc., which is located at 1552 Ridgely Street. The deed conveys a portion of Worcester Street, extending from the CSX Transportation right-of-way southeasterly 301.6 feet, more or less, towards Ridgely Street. The former bed of Worcester is located in the Carroll-Camden Industrial Area.

The sale was authorized by Ordinance No. 15-415, approved on October 24, 2015. The street closing process is intricate and involves public notice and other procedures before the deed can be prepared for submission to the Board for approval.

UPON MOTION duly made and seconded, the Board approved and

authorized execution of the Deed with 1400 Hull Street, LLC,

Department of Housing and - <u>Side Yard Land Disposition Agreement</u> Community Development

ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize execution of the Side Yard Land Disposition Agreement (LDA) with Ms. Rose Wright-Marcus and Mr. William Marcus, Purchasers, for the sale of the City-owned property located at 229 S. Bethel Street.

AMOUNT OF MONEY AND SOURCE:

\$500.00 - Sale price

BACKGROUND/EXPLANATION:

The property will be sold under the City's Side Yard Policy approved by the Board on August 17, 2011.

The lot will be sold for \$500.00, of which \$400.00 will be held in escrow by the City for the benefit of the Purchasers to be applied at settlement for closing costs, including transfer taxes, recordation fees, taxes, and associated title services. The Purchasers will be using private funds to pay for the acquisition and maintenance of the property.

The Department's Land Resources Division, on behalf of the Mayor and City Council, strategically acquires, and manages vacant or abandoned properties, ultimately enabling these properties to be returned to productive use and improving Baltimore's neighborhoods.

The City has agreed to convey the property known as 229 S. Bethel Street, to the adjacent property owner. As a condition of conveyance, the Purchasers have agreed to the terms of the Side Yard LDA, which prohibits development of the parcel for a minimum of ten years.

DHCD - cont'd

The City may dispose of the property by virtue of the following legal authorities: Article 28, Subtitle 8 of the Baltimore City Code (2011 Edition), Article II, Section 15 of the Baltimore City Charter, 2011 Edition; and Article 13 of the City Code.

STATEMENT OF PURPOSE AND RATIONALE FOR SALE OF THE PROPERTY:

The property is being sold for \$500.00, as the Purchasers hold title to the adjacent property as owner-occupied. The rationale for the conveyance of the property is that the sale will serve a specific benefit to the immediate community, eliminate blight, and return the property to the tax rolls.

MBE/WBE PARTICIPATION:

Ms. Wright-Marcus and Mr. Marcus will purchase this property for a price that is less than \$50,000.00 and will receive no City funds or incentives for the purchase or rehabilitation. Therefore, Minority and Women's Business Enterprise participation is not applicable.

UPON MOTION duly made and seconded, the Board approved and authorized execution of the Side Yard Land Disposition Agreement with Ms. Rose Wright-Marcus and Mr. William Marcus, Purchasers, for the sale of the City-owned property located at 229 S. Bethel Street.

AMOUNT OF MONEY AND SOURCE:

\$1,000.00

BACKGROUND/EXPLANATION:

The Developer will purchase the vacant building known as 1232 E. Lafayette Avenue for rehabilitation as a give-away. The purchase price and improvements to the site will be funded through private funds.

STATEMENT OF PURPOSE AND RATIONALE FOR SALE BELOW THE PRICE DETERMINED BY THE WAIVER VALUATION PROCESS:

The vacant building at 1232 E. Lafayette Avenue is being sold for \$1,000.00. The Waiver Valuation Process determined the price for the property as follows:

Property Address Waiver Valuation Price

1232 E. Lafayette Avenue \$2,833.00

The property is being sold to Adopt A Block, Inc. for less than the waiver valuation price because of the following reasons:

- the renovation will be to the specific benefit to the immediate community,
- this transaction will eliminate blight from the block, and thus eliminate blight from the neighborhood,

AMOUNT OF MONEY AND SOURCE:

\$2,500.00 - Purchase price

BACKGROUND/EXPLANATION:

The project will involve the rehabilitation of the vacant building which the Purchaser plans to rehabilitate for his primary residence. The property is in the Middle East neighborhood.

STATEMENT OF PURPOSE AND RATIONALE FOR SALE BELOW THE PRICE DETERMINED BY THE WAIVER VALUATION PROCESS:

The property was valued pursuant to the Appraisal Policy of Baltimore City through the Waiver Valuation Process. The Waiver Valuation price for 1000 N. Patterson Park Avenue is \$5,000.00 and the purchase price is \$2,500.00.

Department of Housing and - cont'd Community Development

The property is being sold to Munir Bahar below the price determined by the Waiver Valuation Process because of the following reasons:

- the sale and the rehabilitation will help to promote a specific benefit to the immediate community, and
- the sale and rehabilitation will continue the elimination of blight, create jobs during reconstruction and the property will be returned to the tax rolls.

MBE/WBE PARTICIPATION:

The Purchaser will purchase the property for a price that is less than \$50,000.00 and will receive no City funds or incentives for the purchase or rehabilitation; therefore, MBE/WBE is not applicable.

The Board is requested to approve and authorize execution of the Land Disposition Agreement with St. Francis Neighborhood Center Corporation, Developer, for the sale of the City-owned property located at 2401 Linden Avenue.

AMOUNT OF MONEY AND SOURCE:

\$4,250.00 - Purchase price

BACKGROUND/EXPLANATION:

The City will convey all of its rights, title, and interest in 2401 Linden Avenue to the Developer for the price of \$4,250.00, which will be paid to the City at the time of settlement.

The Developer wishes to purchase the vacant lot located at 2401 Linden Avenue to continue to maintain the lot as green space and create a memorial garden. The Developer will eventually use a portion of the lot to expand its community service facility located on the adjacent lot (known as 2405 Linden Avenue) for the purpose of providing additional and improved services to the community.

The purchase and improvements to the site will be financed through private sources. The Developer has maintained the subject property since the 1990s through the Baltimore City Adopt-A-Lot Program.

STATEMENT OF PURPOSE AND RATIONALE FOR SALE BELOW THE PRICE DETERMINED BY THE APPRAISAL PROCESS:

Pursuant to the City of Baltimore Appraisal Policy, an appraisal was commissioned to determine a fair market value of the property. The approved appraisal placed a fair market value of

DHCD - cont'd

\$10,050.00 on the property. The property is being sold to the Developer below its value because the renovations will be a specific benefit to the immediate community.

Department of Housing and - <u>Acquisition by Gift</u> Community Development (DHCD)

ACTION REQUESTED OF B/E:

The Board is requested to approve the acquisition of the leasehold interest in the property located at 2023 E. Biddle Street, (Block 1551, Lot 015) by gift from Nathan C. Irby, Jr., Owner, **SUBJECT** to municipal liens, interest, and penalties, other than water bills.

AMOUNT OF MONEY AND SOURCE:

Mr. Irby, Owner, agrees to pay for any title work and all associated settlement costs, not to exceed \$600.00 total. Therefore, no City funds will be expended.

BACKGROUND/EXPLANATION:

The DHCD, Land Resources Division strategically acquires and manages vacant or abandoned properties, which enables these properties to be returned to productive use and improve neighborhoods in Baltimore City.

Mr. Irby has offered to donate to the City, title to the property located at 2023 E. Biddle Street. With the Board's approval, the City will receive clear and marketable title to the property, subject only to certain City liens. The City's acceptance of this donation is less costly than acquiring the property by tax sale foreclosure or eminent domain.

The DHCD will acquire the property subject to all municipal liens, other than water bills, and all interest and penalties that may accrue prior to recording a deed. A list of open municipal liens accrued through April 27, 2016, other than water bills, (which must be paid as part of the transaction) is as follows:

| Department of Housing and | - Two Subordination Agreements, |

| | Restrictions for Rental Units |

ACTION REQUESTED OF B/E:

The Board is requested to approve two Subordination Agreements, with the Department of Housing and Community Development (the City), Astor Court, LLC, a Maryland limited liability corporation (the Borrower), and M&T Bank Realty Capital Corporation (M&T RCC). The Board is also requested to approve the release of income restrictions for the rental units with respect to the Project. The Board is further requested to authorize the Commissioner of the Department of Housing and Community Development to execute any and all documents to effectuate this transaction SUBJECT to review and approval for form and legal sufficiency by the Department of Law.

AMOUNT OF MONEY AND SOURCE:

N/A

BACKGROUND/EXPLANATION:

On July 23, 2003, and on October 22, 2003, the Board approved a \$350,000.00 Community Development Bond Fund (the \$350,000.00 Bond Loan) and a \$300,000.00 City Lead Paint deferred loan (the \$300,000.00 Lead Paint Loan) to support a portion of the rehabilitation of two existing buildings located at 35-37 East 25th Street and 2432-2438 St. Paul Street. Upon completion, the buildings contained 36 residential rental units which were affordable to Baltimore City teachers and four commercial spaces (collectively, the Project). The 2003 Approval stated that the residential rental units were to be restricted to persons with incomes at or below 80% of the Area Median Income (the AMI) with an emphasis on leasing to Baltimore City teachers. After the approved subordinations, the \$350,000.00 Bond Loan is secured by a sixth priority lien and has an interest rate of 0% for a term of 20 years. The \$300,000.00 Lead Paint Loan is unsecured and mirrors the terms of the \$350,000.00 Bond Loan.

DHCD - cont'd

Recently the Borrower has received a more favorable commitment and loan restructuring to refinance the existing first debt that is held by M&T RCC (which is expected to assign the loan to Fannie Mae). The existing first lien has an unpaid principal balance of \$1,121,246.00 that was scheduled to mature in May 2016, but has been extended.

The Borrower's refinancing request contemplates a new first lien mortgage loan in the amount of \$2,560,000.00 (the New First Loan) with a 10-year term amortized on a 30-year schedule and will require the Borrower to make annual principal and interest payments in the approximate amount of \$153,667.00. The annual debt service under the current financing structure is \$175,056.00 per year.

The current financing structure contains 6 secured loans and 3 unsecured loans, the details of which are as described in the following table.

| Lender | Lien | Maturity Date | Interest Rate | Original | Outstanding | Monthly |

In addition to the foregoing, the construction of the Project was also financed by: 1) owner cash in the approximate amount

DHCD - cont'd

of \$77,000.00; 2) deferred developer fee in the approximate amount of \$714,000.00; 3) equity from the syndication of historic tax credits in the approximate amount of \$1,569,866.00; and 4) other income in the approximate amount of \$230,119.00.

The terms of the \$350,000.00 Bond Loan as initially approved by the Board was as a deferred loan with an interest rate of zero percent forgiven at the end of a twenty year term and secured by a sixth lien on the real estate. As a requirement of the historic tax credit syndication, the repayment terms were restructured at zero percent interest rate with principal due and payable at the end of 30 year term.

With respect to the refinancing, based on a new loan amount of \$2,560,000.00, proceeds will be used to pay in full the current M&T RCC/Fannie Mae first lien loan, the Abell second lien loan, the MHT third lien loan; the MD NDBP fourth lien loan; the Abell fifth lien loan, and the Abell unsecured loan that has an outstanding principal balance of \$100,000.00. In addition, approximately \$304,306.00 of the new loan amount will be used to pay down the Abell unsecured loan that had an original principal balance of \$1,261,883.00, and Abell has agreed to forgive approximately \$1.35 million of outstanding interest. The total amount of debt to be repaid is approximately \$2,483,200.00 and the remainder of the loan proceeds will be used to pay closing costs. The proceeds of the new financing will not result in cash back to the Borrower and therefore they are not in violation of the terms of the existing loan documents with respect to the \$350,000.00 Bond Loan.

Upon the Board's approval and the closing of the new loan, the Abell Foundation has agreed to:

• Extend the maturity date of its remaining existing loan, which will have an estimated principal balance of \$957,847.00 (the Abell Continuing Loan) for a minimum of

DHCD - cont'd

10-years to ensure a maturity date of at least 90 days beyond the maturity date of proposed New First Loan, which will be November 1, 2026;

- Forgive all accrued interest on this loan, which as of December 31, 2014, was in the approximate amount of \$1,153,189.00; and
- Reduce the aggregate interest rate on the Abell Continuing Loan from 10% to 5%.

Based on the proposed new debt structure, the \$350,000.00 Bond Loan will go from the 6th lien position to 2nd lien position. The \$300,000.00 Lead Paint Loan will remain unsecured.

As contemplated in the Board's 2003 approval, the residential units were to be restricted to persons with incomes at 80% or less of AMI with an emphasis to leasing to Baltimore City teachers. As of April 2015, 80% AMI for a one-person household is \$46,100.00. Research indicates that every new Baltimore City Public School teacher comes in under a current starting salary of approximately \$48,430.00. Increases from the starting base salary are reasonably expected to exceed the annual Consumer Price Index (the CPI) due to performance-based incentives. Accordingly, teacher compensation metrics that reward performance appear to be uncorrelated to AMI. Therefore, the Department recommends that the Board approve the lifting of the income restrictions for the residential rental units.

An appraisal was completed by M&T RCC and shows a market value of \$3,200,000.00 based on the current contract rents.

The Law Department will review and approve all documents as to form and legal sufficiency. It is requested that the Law

DHCD - cont'd

Department be permitted to make final changes to the documents with the concurrence of the Commissioner of the Department of Housing and Community Development.

MBE/WBE PARTICIPATION:

No new City funds will be utilized for this project; therefore, Article 5, Subtitle 28 of the Baltimore City Code Minority and Women's Business Programs is not applicable.

THE DEPARTMENT OF FINANCE REVIEWED AND RECOMMENDED APPROVAL.

UPON MOTION duly made and seconded, the Board approved and authorized execution of two Subordination Agreements, with the Department of Housing and Community Development, Astor Court, LLC, a Maryland limited liability corporation, and M&T Bank Realty Capital Corporation. In addition, the Board approved the release of income restrictions for the rental units with respect to the Project. The Board further authorized the Commissioner of the Department of Housing and Community Development to execute any and all documents to effectuate this transaction SUBJECT to review and approval for form and legal sufficiency by the Department of Law. 2259

Department of Housing and - First Amendment to Community Development (DHCD)Grant Agreement

ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize execution of the First Amendment to Grant Agreement with Park Heights Renaissance (PHR).

AMOUNT OF MONEY AND SOURCE:

BACKGROUND/EXPLANATION:

The City has provided funds to support the PHR's operations since it was established. The Fiscal Year 2016 Video Lottery Terminal Spending Plan approved \$500,000.00 of slot funds to support PHR's operations. On May 18, 2016, the Board approved a grant agreement in the amount of \$430,570.54 to support critical personnel and consultant costs that are necessary for PHR to provide programs and services.

This First Amendment will add an additional \$137,962.74. This amount includes \$68,524.25 that is being carried-over from the PHR's Fiscal Year 2015 allocation of Slots Revenue. The Fiscal Year 2015 funds of \$47,600.00 will be used to reimburse the PHR for last year's neighborhood-based small grants program. The remaining \$20,942.25 will be used to increase the amount of funds available for Fiscal Year 2016 small grants program from \$8,075.75 to \$29,000.00.

Of the \$69,438.49 available from the FY16 Slots Revenue, \$8,075.75 is for the PHR's small grants program as described above.

DHCD - cont'd

The remaining \$61,362.74 will be used to support the Arlington Elementary/Middle Community School program, the Home Instruction for Parents of Preschool Youngsters (HIPPY) and a community cleanup program.

The Amendment also modifies the reimbursement request process for programs by enabling the PHR to summarize expenditures rather than submit individual documentation as invoices, contracts, proof of payment and documentation of projects. The DHCD will review files to ensure that information is complete. All other terms and conditions of the Agreement remain in effect.

MBE/WBE PARTICIPATION:

The PHR will continue to comply with the MBE/WBE goals established in the original agreement.

Department of Transportation - Traffic Mitigation Agreement

ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize execution of a Traffic Mitigation Agreement with Central Avenue, LLC. The period of the agreement will commence upon Board approval and termination will be deemed in writing by the Department of Transportation.

AMOUNT OF MONEY AND SOURCE:

\$194,381.95 - 9950-903085-9512-000000-490375

BACKGROUND/EXPLANATION:

Baltimore City Ordinance 11-529, approved on May 9, 2012, determined that a Traffic Impact Study was required for the development. The Developer proposes to perform the scope of work for Central Avenue, LLC located at 711 S. Central Avenue constructing 485,176 sq. ft. consisting of 351,839 sq. ft. of 282 high-rise apartments, 89,037 sq. ft. of 35 high-rise residential condominiums, 40,835 sq. ft. of supermarket space, and 3,465 sq. ft. of specialty retail and service. The Developer agrees to make a one-time contribution in the amount of \$194,381.95 to fund the City's multimodal transportation improvements in the project's vicinity.

UPON MOTION duly made and seconded, the Board approved and authorized execution of the Traffic Mitigation Agreement with Central Avenue, LLC.

Department of Transportation - Developer's Agreement

ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize execution of Developer's Agreement No. 1457 with 605 Park Apartments, LLC, Developer.

AMOUNT OF MONEY AND SOURCE:

\$29,243.00

BACKGROUND/EXPLANATION:

605 Park Apartments, LLC would like to install new water to its proposed construction located at 605 Park Avenue. This Developer's Agreement will allow the organization to do its own installation in accordance with Baltimore City Standards.

A Letter of Credit in the amount of \$29,243.00 has been issued to 605 Park Apartments, LLC, which assumes 100% of the financial responsibility.

MBE/WBE PARTICIPATION:

City funds will not be utilized for this project; therefore, MBE/WBE participation is not applicable.

UPON MOTION duly made and seconded, the Board approved and authorized execution of Developer's Agreement No. 1457 with 605 Park Apartments, LLC, Developer.

> Solicitation No.: Water Contract No. WC1278 Project: Old York Road and Replacement at Various Locations, Re: BID PROTEST

To the Honorable Members:

Thank you for your letter of May 16, 2016 in reference to the above captioned solicitation. As you are aware, RE Harrington is the low bidder for this Project. RE Harrington's bid - 6,374,320 - is 308,980 less than the next low bidder, at 6,683,300. Pursuant to Article VI of the City Charter, the Board of Estimates is to "award the contract, as an entirety to the lowest responsive and responsible bidder..." Charter, Article VI, 1(h)(1)(ii).

A typographical error was made within the Part C Statement of Intent to Self-Perform – R.E. Harrington will in fact be self-performing \$5,928,117.60 of the instant contract, not the \$254,972.80 wrongly indicated on Part C. In addition, \$2,964,058.80 of RE Harrington's self-performed work will count toward the MBE goal on this solicitation, for a total MBE participation of 51.5%. Enclosed is a corrected Part C: Statement of Intent to Self Perform and corrected Part D: MBE/WBE Participation Affidavit.

ι

We ask that this matter be re-evaluated in light of the correctly filled out form. It is long-standing City procurement practice to allow for the correction of a bid when a mistake is evident on its face. The City Code expressly provides that the Board of Estimates may waive minor defects and errors in a bidder's MBE or WBE submission. Art. 5, § 28-16, Baltimore City Code. And indeed, just this past November, the City waived a near identical mistake in regard to the Part C Statement of Intent to Self Perform when it awarded B50004150, Baltimore City Building Demolition to K&K Adams, Inc., despite the notation that it "failed to properly fill out the Statement of Intent to Self Perform."¹

RE Harrington has performed City water contracts for the last 10 years. Indeed, the Part C: Statement of Intent to Self Perform states expressly that RE Harrington performs "underground utilities", which is the near entirety of this water main replacement Project. As such, the indication that RE Harrington can only self-perform \$254,972.80 of its \$6,374,320 bid – or 4% of the contract – is a mistake which is self-evident directly on the face of Part C. Water main replacement is the bread and butter of RE Harrington's work, which is self-evident based upon its MBE certification to perform water and sewer line construction, specifically underground utility work, as set forth expressly on Part C, as well as RE Harrington's very name – RE Harrington <u>Plumbing</u> and Heating Co. Inc.

Accordingly, we respectfully request that RE Harrington be awarded the contract in question, being the lowest responsive and responsible bidder. In doing so, the City would not only be faithfully conducting its duty under the Charter to "award the contract, as an entirety to the lowest responsive and responsible bidder..." but would also be realizing a savings to the City and taxpayers of Baltimore of \$308,980, the difference between RE Harrington's bid and the next low bid.

Respectfully submitted,

Robert E. Harrington, President

¹ This matter is part of the public record, and can be found within the meeting minutes of the November 4, 2015 Board of Estimates meeting.

PART D: MBE/WBE PARTICIPATION AFFIDAVIT

The Undersigned authorized representative of Contractor does hereby make the following Affidavit: Contractor has read the Bidder Information and Instructions regarding the MBE/WBE Program. Contractor acknowledges the MBE goal of 9% and the WBE goal of 2% for this contract. Contractor has achieved the following participation:

MBE-\$ 3,282,774,50 or 51.5 % and WBE-\$ 127,486.40 or 2 % of the total contract amount which is $\frac{6}{374,370.00}$

My firm has made good faith efforts to achieve the MBE and WBE participation goals for this contract. I understand that, if awarded the contract, my firm must submit to the Minority and Women's Business Opportunity Office (MWBOO) copies of all executed agreements with the MBE and WBE firms being utilized to achieve the participation goals and other requirements of Article 5, Subtitle 28 of the Baltimore City Code (2014 Edition). I understand that these documents must be submitted prior to the issuance of a notice to proceed.

I understand that, if awarded the contract, my firm must submit to the MWBOO canceled checks and any other documentation and reports required by MWBOO verifying payments to the MBE and WBE firms utilized on the contract.

I understand that, if awarded this contract and I find that I am unable to utilize the MBEs or WBEs identified in my Statements of Intent, I must substitute other certified MBE and WBE firms to meet the participation goals. I understand that I may not make a substitution until I have obtained the written approval of MWBOO.

I understand that, if awarded this contract, authorized representatives of the City of Baltimore may examine, from time to time, the books, records and files of my firm to the extent that such material is relevant to a determination of whether my firm is complying with the MBE and WBE participation requirements of this contract.

I do solemnly declare and affirm under the penalty of perjury that the contents of the foregoing Affidavit are true and correct to the best of my knowledge, information and belief.

Re: SUPPLEMENTAL BID PROTEST

To the Honorable Members:

This letter is intended as a supplement to my earlier letter dated May 20, 2016 in regard to WC 1278 and my letters of June 6, 2016 in regard to WC 1343 and 1345. As indicated in those letters, a typographical error was made within "Part C Statement of Intent to Self-Perform" – R.E. Harrington will in fact be self-performing over 90% of each contract, for a total MBE participation of over 50% for each project. If ever there was a model example of when Art. 5, § 28-16 of the Baltimore City Code should be utilized (providing for the waiver of minor defects and errors in a bidder's MBE submission), this would be it. Award of these contracts to R.E. Harrington will both save the City nearly \$1,000,000, as well as realize near-100% MBE participation, over 50% of which will accrue to the State MBE goal requirements. No other bidder can match either R.E. Harrington's price, nor its MBE participation percentage.

Moreover, that fact that RE Harrington can self-perform the vast majority of the contracts in question is self-evident. R.E. Harrington is certified by the MDOT MBE program to perform water and sewer line construction, specifically underground utility work. See, attached MBE Directory print-out. Here, the minimum R.E. Harrington would need to self-perform to be able to *itself* meet the 9% and 13% MBE goals on the WC1278 and WC1343 and 1345 contracts, respectively, would be 18% (WC 1278) and 26% (WC1343 and 1345). That R.E. Harrington, a certified MBE in the area of water and sewer line construction, specifically underground utility work, can perform 18% and 26% of a water main replacement project with its own forces, is self-evident.

However, there is even more reason to deem this error self-evident on the face of the bid. For each solicitation, R.E. Harrington included a range of other MBE subcontractors within its bid, thereby minimizing even further the percentage it would need to self-perform to be deemed compliant with the MBE goals. For WC1278, R.E. Harrington listed 7% MBE participation by others, meaning it would need to self-perform just 8% of the contract with its own forces to complete the final 4% MBE participation requirement. For WC1343 and WC1345, R.E. Harrington listed 8% MBE participation by others, meaning it would need to self-perform just 10% of the contract with its own forces to complete the final 5% MBE participation requirement. That R.E. Harrington, a certified MBE in the area of water and sewer line construction, specifically underground utility work, can perform 8% and 10% of a water main replacement project with its own forces, is most certainly self-evident. Accordingly, the error found within R.E. Harrington's Part C forms constitute clear errors on the face of the bid and are appropriately waived, in the best interests of the City and its taxpayers both on account of the nearly \$1,000,000 in savings which will be realized if R.E. Harrington was permitted to perform this work, as well as the high, 50% MBE goal participation R.E. Harrington has promised on these contracts.

Furthermore, award of these contracts to R.E. Harrington under condition that R.E. Harrington bring its MBE participation schedules into compliance within 10 days is supported by nearly 20 other decisions of the Board of Estimates in the last 24 months alone. A selection of such precedent is listed as follows:

| Contract No. | Department | Awardee D | Date | BOE notes |
|--------------|---------------------------|--------------------------------------|---------|---|
| B50003985 | Bureau of Purchasing | Arrow Systems 3 Integration, Inc. | 3/30/16 | Bidder did not commit to any MBE goal - BOE granted 10 days to come into compliance; there were other bidder's but only awardee's price was deemed "fair and reasonable" |
| B50004346 | Bureau of Purchasing | National Fire 12 Protection, LLC | | MWBOO found vendor in non-compliance - BOE granted vendor 10 days to come into Compliance |
| B50004150 | Bureau of Purchasing | K&K Adams, 1 Inc. | 1/4/15 | MWBOO found vendor in non-compliance for failure to properly fill out the statement of intent to self-perform; BOE awarded to vendor with 10 days to come into compliance |
| B50004207 | Bureau of Purchasing | Aspen Building Products, Inc. | 9/23/15 | MWBOO found vendor in non-compliance - BOE granted 10 days to "engage MWBO to come into compliance" |
| TR15013 | Dept. of Transportatio | P. Flanigan 6/ n & Sons, Inc. | /10/15 | MWBOO found vendor in non-compliance – City Council President Young motioned to award the contract to P. Flanigan "simply because this seems like an honest mistake to me" and the motion was seconded by the mayor, which carried. |

As can be seen from the above sampling, the Board has routinely exercised its inherent discretion to waive minor defects and errors in a bidder's MBE or WBE submission. Art. 5, § 28-16, Baltimore City Code. Moreover, the Board has correctly considered the best interests of the City, as it is duty-bound to do, in "award[ing] the contract, as an entirety to the lowest responsive and responsible bidder..." Charter, Article VI, \$11 (h)(1)(ii).

.

We ask that this Board again act in the best interests of the City of Baltimore, whose citizens and taxpayers will realize a nearly \$1,000,000 savings by this Board simply exercising the authority granted to it by the City Code to waive the minor errors in R.E. Harrington's bid submission, subject to coming into full compliance within 10 days. Moreover, the nearly \$15,000,000 work of these contracts will be performed by a local firm, who pays Baltimore City property taxes, employs exclusively Baltimore City residents, and takes a leadership role in the economic revitalization of this great City.

I implore this Board to do the right thing – for the City, for the taxpayers, for R.E. Harrington, and for my employees, all of whom are your constituents.

Respectfully submitted, Libert

Dear Honorable Members of the Board:

Please be advised that the undersigned represents R.E. Harrington Plumbing and Heating Co., Inc. (hereinafter "R.E. Harrington") with regard to the bid protest over Water Contract 1278, Old York Road and Vicinity Water Main Replacement (hereinafter the "Contract").

The purpose of this letter is to file formal protest of the rejection of R.E. Harrington's bid for the Contract. R.E. Harrington protests the award of this Contract to any party *other than* R.E. Harrington, and specifically protests award to Spiniello Companies (hereinafter "Spiniello") at a price of \$6,683,300, which is \$308,980 *higher than* R.E. Third Supplemental Bid Protest of R.E. Harrington Plumbing & Heating Co., Inc. W.C. 1278 June 21, 2016 Page 2 of 9

For the below reasons, R.E. Harrington formally protests the rejection of its bid, and the recommendation of the Department of Public Works to award the Contract to Spiniello.

Executive Summary

R.E. Harrington's bid contains a minor irregularity in the numbers, circled below, in an MBE Form.

| Total Dollar Amount of Work/Services to be Self-Performed by the Prime Contractor on this Contract: \$ 554,972.80 |
|--|
| Total Dollar Amount of Self-Performed Work to be counted toward the MBE or WBE Goal: (May count up to 50% of the total dollar amount of self-performed work): S_254.972.80 |
| If this is a Requirements Contract, you may omit the Dollar Amount; however, the Percentage must be included. |
| Total Percentage of Total Contract to be Self-Performed by Prime Contractor on this Contract: |
| Percentage of Self-Performed Work to be counted toward the MBE or WBE Goal: (May count-up to 50% of the total percentage of self-performed work): |

Figure 1

The Form called on MBE prime contractors to fill in the "Total Dollar Amount of Work/Services to be Self-Performed by the Prime Contractor on this Contract." R.E. Harrington understated the amount \$254,972 as the Total Dollar Amount of Work.

The total amount of Contract is \$6,374,320 and this is shown as the bottom line price on the Bid Form. R.E. Harrington is obligated to self-perform at least 51% of the work, which means, R.E. Harrington must self-perform at least \$3 million of the total \$6 million Contract. While this calculation is easily done by reading the bid as a whole, it is more convenient for the MWBOO professional staff if the bidder fills in the information along with the other MBE forms.

The Total Percentage of Total Contract to be Self-Performed by Prime Contractor on this Contract is 4%; that is, 4% of the actual \$6 million Contract but it is not 4% of the mistaken \$254,972 amount.

The result is, R.E. Harrington promises to meet the full 9% goal. R.E. Harrington requests the Board of Estimates to treat the mistakes as a minor irregularity. Corrections to these mistaken figures will not affect price, quality of work, quantity of work, or time of delivery of construction work.

The thing that really counts is that 4% is Total Percentage of Self-Performed Work to be counted toward the MBE or WBE goal. Award to Harrington will save \$308,980 over the

Third Supplemental Bid Protest of R.E. Harrington Plumbing & Heating Co., Inc. W.C. 1278 June 21, 2016 Page 3 of 9

second low bidder. It is not worth \$308,980 to withhold forgiveness of these honest mistakes in filling out the form.

Background Facts

1. R.E. Harrington is a certified Minority Business Enterprise (hereinafter "MBE") by the City of Baltimore Minority and Women's Business Opportunity Office (hereinafter "MWBOO") MBE program. R.E. Harrington is certified for, *inter alia*, the following service: underground utilities, concrete construction, demolition, curbs, gutters and sidewalks, drainage structures, earthwork and site preparation, fencing and guardrails, erosion control, insulation, grading, concrete finishing, and repair and replace underground utility structures. A copy of R.E. Harrington's profile as listed in MWBOO's MBE Directory is attached hereto as **EXHIBIT 1**.

2. The Contract contained an MBE goal of 9%, and a WBE goal of 2%.

3. Seven (7) bids were received in response to the Contract. R.E. Harrington was the low bidder by \$308,980. The bids, as opened on April 27, 2016, were as follows:

| R.E. Harrington | \$6,374,320.00 |

4. R.E. Harrington's MBE goal of 9% was achieved using three subcontractors for an aggregate 5% contract percentage, and the final 4% was made up of a self-performance value of at least \$254,972.80.

5. R.E. Harrington was notified by letter dated May 17, 2016 that MWBOO found its bid submission package for the Contract to be non-compliant. The letter further indicated:

The reason stated was: Bidder did not achieve the MBE goals. *indicates Self-Performing. Bidder did not meet the MBE goal. Bidder failed to properly execute the Statement of Intent to Self-Perform. The Department does not recommend contract awards to firms whose bids do not comply with Article 5, Section 28 of the Baltimore City Code.

6. The "failure to properly execute the Statement of Intent to Self-Perform" as referenced by MWBOO referred to the identical dollar amount being filled in on both the "total dollar amount of work/services to be self-performed" and the "total dollar amount of self-performed work to be counted toward the MBE or WBE goal" lines as set forth within Part C: Statement of Intent to Self-Perform, as well as the identical percentage being filled in on both the

Third Supplemental Bid Protest of R.E. Harrington Plumbing & Heating Co., Inc. W.C. 1278 June 21, 2016 Page 4 of 9

"total percentage of total contract to be self-performed" and "total percentage of self-performed work to be counted toward the MBE or WBE goal" lines. A copy of R.E. Harrington's Part C form is attached hereto as **EXHIBIT 2**.

7. The circled figures below represent the purported basis for MWBOO's finding of non-compliance:

| Total Dollar Amount of Work/Services to be Self-Performed by the Prime Contractor on this Contract: \$ 354, 472,80 |

Figure 1

8. Baltimore City Code, Article 5, § 28-31(d)(1) provides the following with regard to MBE/WBE credit for self-performance by a certified MBE or WBE prime contractor:

Subject to limitation in paragraph (2) of this subsection,¹ a certified MBE or WBE that has been awarded a contract as a prime contractor may count up to 50% of the dollar value of the work it intends to self perform with its own forces toward the applicable MBE or WBE goal.

Grounds of Protest

A. R.E. HARRINGTON'S BID IS FULLY COMPLIANT WITH THE MBE GOAL REQUIREMENTS, AS IT IS COUNTING LESS THAN 50% OF THE DOLLAR VALUE OF THE WORK IT INTENDS TO SELF-PERFORM WITH ITS OWN FORCES.

R.E. Harrington will fully abide by Baltimore City Code, Article 5, § 28-31(d)(1), and will not credit more than 50% of the work it self-performs toward the applicable MBE goal requirement if awarded the Contract. In this regard, the material portions of R.E. Harrington's Part C form –

¹ Section (2) provides that the credit for self-performance may not exceed the contractor's available work capacity.

Third Supplemental Bid Protest of R.E. Harrington Plumbing & Heating Co., Inc. W.C. 1278 June 21, 2016 Page 5 of 9

the representations as to the dollar amount of self-performed work to be counted toward the MBE goal (\$254,972.80) and the percentage of self-performed work to be counted toward the MBE goal (4%) - were correctly completed.

Specifically, the second and fourth lines set forth in Figure 1 above - the entries which are not circled - were correctly completed. The first and third lines - the circled entries - were incorrectly completed. However, those parts which were incorrectly completed were simply a clerical error, and are not material to R.E. Harrington's bid. At all times, the material portion as required by Baltimore City Code, Article 5, § 28-31(d)(1) remains accurate – R.E. Harrington will be counting \$254,972.80 of self-performed work toward the MBE goal, which is 4% of R.E. Harrington's bid. As such, it is the lowest responsible and responsive bidder, and this Board is duty-bound to award the Contract to R.E. Harrington.

i. <u>The errors within R.E. Harrington's Part C form are clerical in nature and pose no</u> prejudice to other bidders.

Concededly, R.E. Harrington's Part C form contained an error, in that it misstated the total amount of work to be self-performed, and the total percentage of work to be self-performed. However, this error is clerical in nature, and is immaterial to R.E. Harrington's bid. The only relevant question before this Board with respect to self-performance of MBE goals is whether R.E. Harrington will abide by Baltimore City Code, Article 5, § 28-31(d)(1) if awarded this Contract. Its submitted Part C form indicated it will, as illustrated below:

| • | Total Dollar Amount of Work/Services to be Self-Performed by the Prime Contractor on this Contract: \$ 354,972.80 |
|---|---|
| < | Total Dollar Amount of Self-Performed Work to be counted toward the MBE or WBE Goal: (May count up to 50% of the total dollar amount of self-performed work): 5_254.972.80 |
| | If this is a Requirements Contract, you may omit the Dollar Amount; however, the Percentage must be included. Total Percentage of Total Contract to be Self-Performed by Prime Contractor on this Contract: |
| | Percentage of Self-Performed Work |
| | to be counted toward the MBE or WIE Goal; |
| | (May count-up to 50% of the total percentage of self-performed work): 4/1/2/2/2/2/2/2/2/2/2/2/2/2/2/2/2/2/2/2/ |
| | (If MBE sub-goals apply, please indicate the sub-goal covered by this Statement of latent.) |
| | Figure 2 |

As indicated above, R.E. Harrington committed to count no more than 50% of the total dollar amount and percentage of self-performed work toward the MBE goal. On its face, therefore, R.E. Harrington's bid is compliant with the self-performance requirements set forth in Article 5, § 28-31(d)(1). Consequently, as the lowest responsive and responsible bidder, R.E. Harrington is appropriately awarded the Contract. See Baltimore City Charter, Article VI, §11 (h)(1)(ii)

Third Supplemental Bid Protest of R.E. Harrington Plumbing & Heating Co., Inc. W.C. 1278 June 21, 2016 Page 6 of 9

(providing that the Board of Estimates is to "award the contract, as an entirety to the lowest responsive and responsible bidder..."); *also see, e.g., Packard v. Hayes*, 94 Md. 233, 51 A. 32 (1902) (holding that award to the second low bidder is *ultra vires* and void, in that "[t]he one single thing to be done is that the Board [of Estimates] shall open the bids and declare who has offered to furnish the materials or do the work, as the case may be, for the lowest price, subject only to seeing that the bidder is responsible.....For the reasons given we are constrained to hold the action of The Board of Awards in awarding the contract in question to the [second low bidder] to be *ultra vires* and void, and we think its execution should have been enjoined by the trial Court.")

Here, the errors contained within the Part C form – lines items 1 and 3 as circled in Figure 1 above - are clerical in nature. R.E. Harrington will, in fact, be self-performing at least \$509,945.60 of the total amount of its bid, being at least 8%. Significantly, Baltimore City Code, Article 5, § 28-31(d)(1) does not require a bidder to represent either its total dollar value of self-performance, or its total percentage of self-performance. As such, this information cannot possibly be deemed material to the bid. Stated otherwise, it is presumptively improper to penalize R.E. Harrington on account of additional, erroneous information it was not required to supply under the City Code and which poses no prejudice to either the City or other bidders.

ii. <u>R.E. Harrington committed to self-perform at least fifty one percent of its bid with its</u> own forces.

Pursuant to Baltimore City Specification 00 51 00.8.B, R.E. Harrington committed to selfperform at least fifty one percent (51%) of the contract bid with its own forces. A copy of Specification 00 51 00.8.B is attached hereto as **EXHIBIT 3**. On its cover page as well as elsewhere throughout its bid, R.E. Harrington certified that it familiarized itself with the requirements and stipulations of the contract documents, and committed to achieve the same. Accordingly, the portions of the Part C form which indicate \$254,972.80 and 4% as the total amount of self-performance by R.E. Harrington are self-evident as a clerical error on the face of the bid, as R.E. Harrington committed within the bid documents to self-perform at least 51% of its contract bid with its own forces. This commitment is evident through an examination of the entire bid documents, which include the requirements of Specification 00 51 00.8.B, to which R.E. Harrington committed to abide.

It is well-settled that in Maryland, contracts are construed as a whole to determine the parties' intentions. See, e.g., Sullivan v. Allstate Ins. Co., 340 Md. 503, 508, 667 A.2d 617 (1995). Indeed, the Maryland State Board of Contract Appeals has long held that in determining whether a bidder has committed itself to the minimum affirmative action requirements, the entire contents of the bid must be scrutinized to determine whether the required commitment has been met. See, Rommel Engineering & Construction, MSBCA 2398, MSBCA ¶ (2004) (citing Track Materials, MSBCA 1097, 1 MSBCA ¶30 (1982) for the proposition that "the responsiveness of

Third Supplemental Bid Protest of R.E. Harrington Plumbing & Heating Co., Inc. W.C. 1278 June 21, 2016 Page 7 of 9

the low bid must be measured not by IFB language warning against a determination of nonresponsiveness in the event of a failure to sign an affirmative action form, but rather by the presence or absence in the bid package of a bidder's commitment to the affirmative action plan" or to "otherwise demonstrate the bidder's intent to pursue the required level of minority business participation under an awarded contract.")

B. THE REJECTION OF R.E. HARRINGTON'S BID IN FAVOR OF SPINIELLO'S BID IS ARBITRARY AND CAPRICIOUS.

Baltimore City Code, Article 5, § 28-14(b) provides as follows:

At its discretion, the Board of Estimates may waive minor defects and errors in a bidder's MBE or WBE submission.

Here, as set forth above, the "error" in R.E. Harrington's MBE submission affects only that portion of the work R.E. Harrington is performing *which does not count toward its MBE goal* – the dollar amount and percentage of self-performance R.E. Harrington indicated it <u>will</u> be counting toward its MBE goal remains unchanged. As such, the error is minor, as it is immaterial to R.E. Harrington's price, quantity or quality, and poses no prejudice to other bidders. Moreover, as demonstrated within R.E. Harrington's Supplemental Protest dated June 17, 2016, this Board has routinely permitted non-compliant bidders to come into compliance within 10 days. At minimum, R.E. Harrington is entitled to equal treatment by this Board, and should be provided 10 days to appropriately correct the clerical errors within its Part C form.

By way of example, C.O.M.A.R. 21.06.02.04 provides as follows with regard to minor irregularities in bids or proposals (emphasis supplied):

A. A minor irregularity is one which is merely a matter of form and not of substance or pertains to some immaterial or inconsequential defect or variation in a bid or proposal from the exact requirement of the solicitation, <u>the correction or waiver of which would not be</u> <u>prejudicial to other bidders or offerors</u>.

B. The defect or variation in the bid or proposal is immaterial and inconsequential when its significance as to price, quantity, quality, or delivery is trivial or negligible when contrasted with the total cost or scope of the procurement.

C. The procurement officer shall either give the bidder or offeror an opportunity to cure any deficiency resulting from a minor

Third Supplemental Bid Protest of R.E. Harrington Plumbing & Heating Co., Inc. W.C. 1278 June 21, 2016 Page 8 of 9

informality or irregularity in a bid or proposal or waive the deficiency, whichever is to the advantage of the State.

Significantly, Department of Public Works acknowledges that "Shekinah Group, LLC" is not in good standing with the State Department of Assessments and Taxation, but indicated that Spiniello "will be allowed to substitute an approved MBE if Shekinah Group, LLC is not in good standing at the time of award."

The Department of Public Work's recommendation to reject R.E. Harrington's bid without any provision of time to come into compliance, while favoring Spiniello's bid and providing it an opportunity to substitute its MBE subcontractor, is disparate treatment. R.E. Harrington is entitled, at minimum, to equal protection under the law, and its low bid should not be passed over in favor of a higher bid which is facially non-compliant.

In Maryland, even when a tribunal is permitted to act at its discretion, its conduct must still be in accordance with the correct legal standard. *See, e.g., LeJeune v. Coin Acceptors, Inc.*, 381 Md. 288, 301, 849 A.2d 451 (2004). Similarly, "arbitrary" is defined as, *inter alia*, a failure to be governed by any fixed rules or standard. *See, Harvey v. Marshall*, 389 Md. 243, 884 A.2d 1171 (2005) (also defining "arbitrary and capricious as, *inter alia*, "without determining principle").

The Department of Public Work's harsh treatment of R.E. Harrington, the low bidder, and its favorable treatment of Spiniello, an out-of-state firm whose bid is over \$300,000 higher than R.E. Harrington, is arbitrary and capricious. This treatment is particularly disparate in light of the Mayor's recent executive order to increase procurement from small business by 5% over the current year, together with proposed policies which would give preference in awarding contracts to firms who can demonstrate local economic impact. Indeed, the Department of Public Works' recommendation of award to Spiniello is not governed by any fixed rule or standard, and is in clear contravention of the Mayor's "determining principle." We believe that rejection of R.E. Harrington's bid and award by this Board to Spiniello would constitute as an abuse of the discretion provided this Board to waive minor defects and errors in a bidder's MBE submission by Baltimore City Code, Article 5, § 28-14(b), and accordingly, would be subject to injunctive and other relief.

Conclusion

R.E. Harrington's bid is fully compliant with the MBE goal requirements, as it is counting less than 50% of the dollar value of the work it will self-perform with its own forces toward the 9% MBE goal. The errors within R.E. Harrington's Part C form are clerical in nature, and apply only to those portions not counting toward the MBE goal. As such, they are immaterial, and pose no prejudice. Moreover, R.E. Harrington committed to self-perform at least 51% of its contract bid with its own forces pursuant to Specification 00 51 00.8.B – as such, that portion of the Part C form which indicates otherwise is a clear error, self-evident on the face of the bid. Furthermore, the Board can correctly substitute 51% percent in its place, as inferable from Specification 00 51

Third Supplemental Bid Protest of R.E. Harrington Plumbing & Heating Co., Inc. W.C. 1278 June 21, 2016 Page 9 of 9

00.8.B. Finally, the rejection of R.E. Harrington's bid for non-compliance with the MBE requirements but the acceptance of Spiniello's bid while providing Spiniello an opportunity to substitute its MBE subcontractor is arbitrary, capricious and if so voted by this Board, would constitute an abuse of discretion.

For all of the above reasons, R.E. Harrington protests the award of W.C. 1278 to any bidder other than R.E. Harrington, and requests that it be awarded the Contract as the lowest responsive and responsible bidder.

It is understood and agreed that in the event of annulment of the Award, the Bidder shall immediately forfeit, to the use of the City, the amount of the certified check and/or Bid bond deposited with its Proposal, not as penalty, but as liquidated damages. As an alternative remedy, the City may elect to start the running of the Contract time (without allowing the Contractor to start work) or to pursue any other remedy allowed to the City under the law or equity.

00 51 00.08 SUBMISSIONS PRIOR TO AWARD

- A. Prior to award, the Bidder must submit a Work capacity statement, under oath. These forms must be fully completed and returned within five (5) days after the date of receipt of those forms by the Contractor. The Work capacity statement shall show the volume of Work actually being performed for the City and for others as of the date Bid. The total dollar volume will be a charge against the Contractor's Work capacity after credit for Work performed has been allowed.
- B. Subletting will be permitted within the limits of the Specifications when prequalified Subcontractors are proposed following the opening of Bids. Request for subletting by a Contractor must be accompanied by a Work capacity statement and consent of Surety for each Subcontractor requested. The Prime Contractor must perform at least fifty one percent (51%) of the Contract Bid total with its own forces.
- C. Only prequalified Subcontractors will be approved to perform subcontract Work.

Mr. Livingston: "Oh, you have that. Okay. The actual bid was not \$254,000.00. The bid is expressed in the bid when you look at the bottom line of the bid sheet. The bid is expressed correctly in the bid that we submitted and the bid that was submitted shows that we bid \$6.3 million dollars. So, that was a clerical error but it's not a harmful area -- error, it's more of a harmless error cause after all, if the bid is taken as a whole, you would find the \$6.3 million dollar bid at the bid page. But as a clerical matter, the -- these documents prefer to have that written down correctly and it was incorrect. But our bid is at 6.3 million, so is our bid bond. The next thing is that the other 4% -- 4% of the \$6.3 million is \$259,000.00. But, 4% is not um -- but the -- the amount of 259 multiply times 4% is not the tiny little bit of MBE participation. But, it could have elected, like I said, to reach all of the MBE goals itself, but it did not do so. It recognizes that spirit of the MBE program which it's been a beneficiary of for some time. There's a requirement in Baltimore City that all prime contractors self-perform 51% of the work. R.E. Harrington has committed in signing the bid, to comply with the contract, the specifications, and all the requirements. So, Honorable Members, you can substitute the correct numbers because you have them in front of you, 51% of the \$6,683,300 -- 300 \$6,683,300.00 at minimum will be self-performed by R.E. Harrington. You know that because they committed to meet the requirements of the contract which include 51% self-performance. So, this error is clear on its face, it's -- it -- it can be calculated by the members and corrected in that sense because you have it in other places of the bid. I ask you to exercise your discretion to waive minor errors particularly because you know what the numbers at minimal will be, 51% self-performance. R.E. Harrington is, from my understanding, perhaps the only minority prime-contractor performing capital construction work for the Department of Public Works.

To act otherwise would be arbitrary and capricious to the extent that the determining principle of this administration has been made clear and any vote contrary to that determining principle, more local economic growth particularly when that -- when that bidder is the low bidder and it's only a minor error that is re-calculable on its face within the bid book. We ask that this Board utilize its discretion to waive the error and award this contract to the low bidder, R.E. Harrington."

On Wednesday, March 30, 2016, the Board approved the award of TR 12317 to Allan Meyers-MD. The Design Build Resolution approved by the Board on November 12, 2011 and the Special Provisions of the contract documents, Section TC-2.13 Stipend, authorizes a stipend to the above-listed prime contractors for the work product they submitted for the technical and price proposal.

Department of Transportation - cont'd

Section TC-2.13 Stipend, in the contract documents informed bidders that Baltimore City understands that firms invited to submit price proposals on Design-Build projects may incur higher than normal bid preparation costs in the engineering effort to submit responsive bids for the project. A stipend in the amount of \$35,000.00 will be made available to proposers who submit an acceptable proposal and are not selected for award of the contract.

The above-listed prime contractors submitted all materials, electronic files, marked-up drawings, cross sections, quantity list, and other materials used in the development and submission of the price proposals, which are now the property of the City. The Contractors have agreed to distribute the stipend to their subcontractors.

Bureau of the Budget & - FY 2017 Budget & Property <u>Management Research (BBMR)</u> Tax Surcharge Rate - Midtown Community Benefits District

ACTION REQUESTED OF B/E:

The Board is requested to approve the Midtown Community Benefits District (MCBD) FY 2017 budget and property tax surcharge rate.

AMOUNT OF MONEY AND SOURCE:

The proposed FY 2017 property tax surcharge rate is \$0.132 per \$100.00 of assessable value. The surcharge rate is the same as it was for FY 2016.

BACKGROUND/EXPLANATION:

The Board of Estimates has the authority to approve the annual financial plans and surcharge tax rate for the Midtown Community Benefits District. The MCBD has submitted its plan for Fiscal 2017. Property owners in the District will pay the same surcharge rate on their property taxes in Fiscal 2017 as in Fiscal 2016. The rate is set at \$0.132/\$100.00 of assessable value.

The Fiscal 2017 estimated surcharge tax revenues have decreased 1.79% or \$55,771.00 to \$1,183,710.00 compared to \$1,205,239.00 in Fiscal 2016. The budget includes a \$59,186.00 allowance of over-estimated surcharge tax revenue, resulting in a net income of \$1,124,525.00. The MCBD will augment this revenue with additional grant contributions and service fees. The MCBD has also corrected the budgeted allowance for uncollectable surcharge tax revenue from 10% to 5% of total projected revenue, a change from \$120,524.00 in Fiscal 2016 to \$59,186.00 in Fiscal 2017. This reduction, based on a study of historic actuals over the last 5 fiscal years, nullifies the dip in anticipated revenue for Fiscal 2017. As of April 30, 2016, the total cash reserves for the MCBD were \$422,874.00. This represents approximately three-months of operating expenses.

2315

BBMR - cont'd

The MCBD provides the Bolton Hill, Charles North, Madison Park, and Mount Vernon neighborhoods with enhanced cleaning, safety, and maintenance services, including: daily sidewalk cleaning; alley trash collection and weeding; leaf collection; public green space maintenance and; increased safety patrols.

The management team for the MCBD has been a positive force in the Midtown area since it began operations. The BBMR recommends that the Board approve the budget plan and surcharge tax rate.

Bureau of the Budget & - FY 2017 Budget and Property <u>Management Research (BBMR)</u> Tax Surcharge Rate - Waterfront Management District

ACTION REQUESTED OF B/E:

The Board is requested to approve the Waterfront Management District (District) FY 2017 budget and property tax surcharge rate.

AMOUNT OF MONEY AND SOURCE:

The proposed FY 2017 surcharge rate is set at 0.17 per 100.00 of assessable value. The surcharge rate is the same as it was for FY 2016.

BACKGROUND/EXPLANATION:

The Board of Estimates has the authority to approve the annual financial plans and surcharge tax rate for the Waterfront Management District. The District has submitted its plan for Fiscal Year 2017. Property owners in the District will pay the same surcharge rate on their property taxes in Fiscal 2017 as in Fiscal 2016. The rate is set at \$0.17 per \$100.00 of assessable value. Surcharge fee revenues have increased 13.2% or \$228,910.00 from \$1,731,264.00 in Fiscal 2016 to \$1,960,174.00 in Fiscal 2017. The increased surcharge revenue reflects the additional expansion area that was approved during Fiscal 2016.

Revenue from the surcharge tax collections represents 66.5% of the District's total \$2,948,270.00 budget. The District will also receive \$356,663.00 in funding from the City of Baltimore as a grant payment from the Baltimore Development Corporation. As of May 13, 2016, the Waterfront Management District has \$716,095.00 in reserve funding, which represents a total value of three months of its annual budget.

BBMR - cont'd

The District has continued to provide services of significant value to the City and citizens of Baltimore, including: performing safety and hospitality services; landscaping; cleaning; creation of family friendly events; marketing the waterfront to local residents; and more recently, creating new attractions and adding amenities to existing Park areas. All services provided are intended to attract and retain local families to the area.

The District's fiscal management is a positive force in the Waterfront area. The BBMR recommends that the Board approve the proposed budget plan and surcharge tax rate.

Bureau of the Budget & - FY 2017 Budget & Property Tax <u>Management Research (BBMR)</u> Benefits District

ACTION REQUESTED OF B/E:

The Board is requested to approve the Charles Village Community Benefits District (CVCBD) FY 2017 budget and property tax surcharge rate.

AMOUNT OF MONEY AND SOURCE:

The proposed FY 2017 property tax surcharge rate is \$0.12 per \$100.00 of assessable value. The surcharge rate is the same as it was for FY 2016.

BACKGROUND/EXPLANATION:

The Board of Estimates has the authority to approve the annual financial plans and surcharge tax rate for the Charles Village Benefits District. The CVCBD has submitted its plan for Fiscal 2017. Property owners in the CVCBD will pay the same surcharge rate on their property taxes in Fiscal 2017 as in Fiscal 2016. The rate is set at \$0.12 per \$100.00 of assessable value.

The Fiscal 2017 estimated surcharge tax revenues have decreased 1% or \$6,980.00 to \$719,804.00 compared to Fiscal 2016. The CVCBD will augment this revenue with funding from an existing contract with Johns Hopkins University and an existing grant from the Goldseker Foundation both of which will continue in Fiscal 2017. Under these agreements, the CVCBD will provide enhanced safety services including safety patrols (increased to 132 hours per week from 130 in Fiscal 2016) and safety-related support services for residents and businesses including neighborhood walkers on patrol, safety audits, victims' assistance and court watch. The CVCBD will provide sanitation services, which will include sweeping sidewalks and gutters, maintaining 91 CVCBD trash cans, removing bulk trash, and monitoring its Rat Abatement project contractor.

2323

BBMR - cont'd

The CVCBD outreach services will include issuing a weekly crime alert, a monthly sanitation alert and an Annual Report, and regularly maintaining a website that includes minutes of Board meetings, financial statements, Executive Director's Reports and safety and sanitation services data.

The CVCBD has taken positive steps to assure a sound financial operation. As of mid-April 2016, the organization's reserve balance has increased from last year by 3.5% to \$151,178.00, which represents 2 months of expenditures. At this time last year, the CVCBD's reserve balance was \$142,075.00. The Budget Bureau encourages the Charles Village Benefits District to work towards building a reserve fund at a minimum of 25% of its annual budget (or approximately three months of the annual operating budget).

Bureau of the Budget & - FY 2017 Budget & Property <u>Management Research (BBMR)</u> Management Authority

ACTION REQUESTED OF B/E:

The Board is requested to approve the Downtown Benefits District the approval of the Downtown Management Authority (DMA) FY 2017 budget and property tax surcharge rate.

AMOUNT OF MONEY AND SOURCE:

The proposed FY 2017 property tax surcharge rate is \$22.39 per \$100.00 of assessable value. This a 1.0 cent increase per \$100 assessable value from FY 2016.

BACKGROUND/EXPLANATION:

The Board of Estimates has the authority to approve the annual financial plans and surcharge tax rate for the Downtown Management Authority (DMA). The DMA's proposed Fiscal 2017 budget includes a 1.0 cent increase per \$100.00 assessed value to the Fiscal 2017 special benefits district surcharge tax rate for all properties located within DMA's property tax system. This is a change from 21.39 cents to 22.39 cents per \$100.00 of assessed value. In Fiscal 2016, the DMA's assessable tax base was set at \$2,900,180,008.00 in Fiscal 2017, the projected assessable tax base has increased by \$102,665,425.00 to \$3,002,845,433.00. Based on the Fiscal 2017 assessed rate, the proposed rate increase would result in total property surcharge revenue of \$6,700,371.00 (less \$23K surcharge discount allowance) versus the Fiscal 2016 budgeted amount of \$6,203,485.00.

2327

BBMR - cont'd

In addition to the property surcharge tax, DMA is authorized to impose a surcharge on public utilities. For public utilities, the Fiscal 2016 surcharge was set at 53.47 cents per \$100.00 of assessed value. The Fiscal 2017 proposal will increase the rate to 55.97 cents per \$100.00 of assessed value, which is 2.5 times the real property tax rate set by Maryland Code 6-302.

The total Fiscal 2017 budgeted surcharge revenue for DMA is \$6,906,419.00. This is a proposed increase of 9.6% or \$607,185.00 over the Fiscal 2016 budget of \$6,299,234.00. After the unrest of April 2015, the DMA's Board of Directors created a

Task Force to consider an increase in the DMA's surcharge in order to empower the Downtown Partnership to direct more money into its community outreach programs. The Task Force came back with a recommendation to increase the surcharge by one cent, which, in Fiscal 2017, would generate approximately \$300,000.00 in additional funds. The funding will be used to support the following programs: 1) Employment of Ex-Offenders, Homeless, City Residents; 2) Employment skills training; 3) Internships, Youthworks, and Hire One Youth; 4) Grants to local businesses (Operation: Storefront, façade grants); 5) Assistance to homeless individuals (housing, transit); 6) Support for substance abuse outreach; 7) Inner Harbor Project - teen ambassadors; 8) Vendor opportunities - locally owned businesses, and; 9) Use of MBE/WBE contractors.

Estimated property tax surcharge revenue for Fiscal 2016 had previously increased \$236,342.00 or 3.90% to \$6,299,234.00, compared to \$6,062,892.00 for Fiscal 2015. In addition to property surcharge revenue, the proposed budget includes \$1,106,312.00 in budgeted revenue from other sources, including a \$350,000.00 grant from the City's Department of Public Works.

BBMR - cont'd

Per the June 2015 audit report, DMA held \$871,136.00 in the Management Restricted Operating Reserve fund, which is equal to approximately two months of operating expenses. At this time last year, the Reserve fund held a balance of \$1,016,624.00 this amounts to a current decrease from Fiscal 2015 of \$145,488.00. The current Reserve fund represents a total value of 10.87% of the DMA's annual budget. The Budget Bureau encourages the DMA to work towards building a reserve fund at a minimum of at least 25% of its annual budget (or approximately three months of the annual operating budget).

The Downtown Management Authority's fiscal management has been sound and it has been a positive force in the Downtown area since it began operations. The Finance Department recommends that the Board approve the budget plan and surcharge tax rate.
