Law Department - Settlement Agreement and Release

ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize execution of the Settlement Agreement and Release for the action brought by Ryan Brown, Plaintiff, against Officers Steven Foster and Sufian Hassan for alleged assault, violation of Articles 24 and 26 of the Maryland Declaration of Rights, false arrest, false imprisonment, civil conspiracy, and battery.

AMOUNT OF MONEY AND SOURCE:

\$65,000.00 - 1001-000000-2041-716700-603070

BACKGROUND/EXPLANATION:

On May 18, 2016, Mr. Ryan Brown was walking in the area of 2300 Bryant Avenue and listening to music. Officers Foster and Hassan were assigned to the same area as part of the Pennsylvania Avenue Initiative focusing on drug and weapon suppression. Officer Foster observed the Plaintiff engage in what appeared to be a hand-to-hand exchange with another individual after being in the area of a property believed to be vacant. Officer Foster returned to his patrol vehicle where Officer Hassan was waiting for him. Officers Foster and Hassan then pulled up next to the Plaintiff and attempted to ask him a few questions. Plaintiff ignored the officers and continued on his walk home. Officer Foster stopped and exited the vehicle. The Plaintiff stopped and Officer Foster conducted a search based on the suspected controlled dangerous substance transaction. Plaintiff told Officer Foster that he did not consent to a search. Officer Foster said that he could check Mr. Brown for weapons and that Officer Foster was only keeping him from running away. Officer Foster felt something in the Plaintiff's waistband area. The Plaintiff was placed on the curb while Officers Foster and Hassan searched the surrounding area.

BOARD OF ESTIMATES

MINUTES

Law Department - cont'd

Officer Foster requested backup officers to the location. The Plaintiff claims he was then searched again in front of the other officers. No weapons, drugs, or other contraband was recovered from the search. A search of the immediate area also provided negative results. The Plaintiff was then placed in handcuffs and into the marked patrol vehicle. Officers Foster and Hassan transported Mr. Brown to the Western District Police Station. The Plaintiff states that while he was in the car, Officer Hassan questioned him about murders and shootings in the area. The Plaintiff stated that he had no information. The Plaintiff claims that once he was at the police station, he was stripped and searched again, but nothing was found. Officers Foster and Hassan deny conducting any strip search. After Officer Foster did not find anything, he removed the handcuffs and offered the Plaintiff a ride home. Mr. Brown declined and walked out of the police station.

As a result of the incident, the Plaintiff filed suit in State court seeking compensatory and punitive damages in an amount to be determined at trial. Because of concerns over the lawfulness of the searches, conflicting factual issues, and given the uncertainties and unpredictability of jury verdicts, the parties propose to settle the matter for a total sum of \$65,000.00 in return for a dismissal of the litigation.

Based on a review of the facts and legal issues specific to this case, the Settlement Committee of the Law Department recommends that the Board of Estimates approve the settlement of this case as set forth herein.

UPON MOTION duly made and seconded, the Board approved and authorized execution of the Settlement Agreement and Release for

RE: **Notice of Protest:** UHC's Protest of the Bureau of Purchases' Recommendation of Award in Connection with Solicitation No. B50004890 – Medical Administration Services for HMO & PPO Plans, and Vision Plan.

Dear Sir/Madam:

The undersigned represents UnitedHealthcare Services, Inc. ("UHC"). Pursuant to the policies and procedures of the Board of Estimates ("BOE"), UHC files this Notice of Protest ("Protest") of the recommended contract award in connection with the Request for Proposal, Solicitation Number B50004890 by the Department of Finance, Bureau of Purchases ("BOP") for a service contract relating to administration of health benefits (the "RFP"), and specifically the decision to recommend that the HMO Plan be given to Aetna Life Insurance Company ("Aetna"), the PPO Plan be given to Carefirst of Maryland, Inc. d/b/a Carefirst Blue Cross Blue Shield ("BCBS"), and the Vision Plan be given to National Vision Administrators, LLC ("NVA"). UHC's offer for the HMO, PPO, and Vision plans was not accepted and hence UHC is entitled to file this protest with the BOE as an aggrieved entity.

UHC files this Protest on August 28, 2017, well before the Tuesday preceding the Wednesday meeting of the Board of Estimates at which the recommended award will be considered. Accordingly, this Protest is timely. See Ex. 2, RFP Part 2 (Terms and Conditions) at GC46(A), p. 16. Additionally, UHC notes that the BOE has not yet produced documents in response to UHC's outstanding request under the Maryland

¹ See Ex. 1, RFP Part 1.

Public Information Act ("PIA"), and thus UHC reserves the right to supplement this Protest once it receives and has adequate time to review responsive documents.²

I. RELEVANT FACTS

The BOP, on behalf of the Department of Human Resources, Employee Benefits Division ("DHR"), issued the RFP in order to "procure the best value for the City of Baltimore" in connection with "Medical Administration Services for HMO & PPO Plans." Ex. 1, RFP Part 1 at 4. Mr. Kyle Parry was the BOP's listed buyer.

More specifically, the RFP sought proposals for the following plans to be effective January 1, 2018:

- 1. Medical Administration Services
- 2. Insured Staff Model HMO
- 3. Insured Medicare Advantage (Medical Only)
- 4. Insured Vision Benefits.

See id. The first item was composed of two separate plans – a PPO plan and an HMO plan. The third item was removed from the procurement. UHC submitted a proposal in response to both the first item (for both PPO and HMO) and the fourth item (Vision).

Under the RFP, the award was to be made to "the responsive and responsible Proposer(s) for each plan (PPO Standard, PPO High, HMO) meeting the specifications, terms and conditions and *that receives the highest combined evaluation score* for Technical Scoring and Price Scoring, as determined by the Evaluation Committee (Committee) and approved by the Board." *Id.* at 5 (emphasis added). As to Technical Scoring, a combined numerical value of 3,000 points was available for various criteria. *See id.* at 5-6. As to Price Scoring, a total of 1,000 points were available, with each proposer's price score calculated according to the following formula: "Lowest Price (/) Each Higher Price (X) 1000 (=) Points Earned." *Id.* at 7. Points earned for Price would be added to Technical Scoring "for a combined total score." *Id.*

As to Technical Scoring, the 3,000 available points were awarded based on various criteria, including "Network Access," for each of the four plans. See Ex. 1, RFP at 6-7. Network Access counted for 15% of the Technical Scoring for the PPO plan; 25% of the Technical Scoring for the

² On August 8, 2017, UHC, through its employee Christopher Mullins, served a PIA request on the BOE seeking access to specific categories of documents relevant to this procurement. As of the date of this Protest, UHC has not received any documents. Once documents have been provided, and UHC has a reasonable opportunity to analyze the documents, UHC may assert additional factual details regarding the grounds for protest asserted herein. Accordingly, UHC reserves its rights to timely file a supplement or amended Protest upon learning of additional facts once documents are produced as requested.

Medicare Advantage plan; and 35% of the Technical Scoring for the Vision Benefits plan. See id.

Importantly, a bidder's score for the Network Access component was based on the bidder's response to a disruption report spreadsheet provided by the BOP, which listed various providers and asked the bidder to specify whether each provider was a "participating provider." However, *BOP erroneously listed numerous providers more than once on the spreadsheet, the effect of which was to artificially overstate or understate the breadth of a bidder's network* (depending on whether the duplicated providers were in or out of the bidder's network). For example, if a duplicated provider was outside a bidder's network, that provider would count twice against that bidder as an out-of-network provider. If the same provider was inside another bidder's network, that provider would count twice *in favor of* that bidder as an in-network provider. There were also other errors with the spreadsheet. For example, many providers did not have addresses listed, and some tax ID numbers were incorrect. The foregoing errors are reflected in the attached Exhibit 3, examples of which are highlighted in orange. See Ex. 3, Disruption Report (highlighted).

On March 9, 2017, UHC notified the BOP via email of these issues. See Ex. 4, Email from M. Sacca (UHC) to K. Parry (BOP) (Mar. 9, 2017). Despite being advised of the issues, the BOP responded that UHC should "complete the file as it was provided." *Id.* at Email from K. Parry (BOP) to M. Sacca (UHC) (Mar. 9, 2017).

The problems with the Network Analysis did not end with duplication and incorrect/missing information. The disruption report also combined both PPO and HMO data to conduct an analysis on each product individually. Since the providers were not listed as PPO or HMO providers on the report, the Evaluation Committee could not have known which network a bidder was responding with when the bidder indicated whether a provider was in or out of network.

The evaluation was also flawed when it came to considering higher claim costs. In response to a question from BCBS during the procurement, the BOP stated that bidders were to "match the current plan designs," although the BOP would consider "alternative plan designs proposed." Ex. 5, Q&A from Feb. 14, 2017. The "current plan design" includes a Point of Service plan, which is going to be eliminated. The Point of Service plan is considered middle-cost when compared to PPO (higher) and HMO (lower). When the BOP asked bidders, including UHC, to provide a Best and Final Offer for the PPO and HMO plans, the BOP did not take into account where current Point of Service members would ultimately end up. Since, under the new arrangement, there will be no Point of Service plan, many members of the Point of Service plan will need to be moved to the PPO plan, resulting in higher claim costs – a fact that was not considered by the BOP.

The BOP notified UHC by email dated August 1, 2017 that it intended to recommend awards to the following bidders for each of the four plans:

Aetna – HMO Plan BCBS – PPO Plan Kaiser – Staff HMO Plan NVA – Vision Plan

Ex. 6, Email from D. Adams (BOP) to M. Sacca (UHC), et al. (Aug. 1, 2017). Consequently, UHC has been harmed by the BOP's decision not to recommend selection of UHC's proposals for the HMO, PPO, and Vision plans.

By this Protest, UHC seeks to reverse the recommendation and/or award that does not provide the best value to the City and was made arbitrarily, capriciously, and in disregard of the published RFP process and standards.

II. BASIS AND GROUNDS FOR PROTEST

A. Specific Grounds for Protest

Under the Baltimore City Charter, "[a]fter opening the bids, the Board of Estimates shall award the contract, as an entirety to the lowest responsive and responsible bidder or by items to the respective lowest responsive and responsible bidders, or in the case of Requests for Proposals to the highest scoring responsive and responsible bidder, or shall reject all bids." Baltimore City Charter, Art. VI, § 11(h)(1)(ii). The RFP itself made clear that the BOP sought to "procure the best value for the City of Baltimore" Ex. 1, RFP Part 1 at 4. A procuring authority's decision may be overturned if it acted "arbitrarily as to have abused its discretion." *C.N. Robinson Lighting Supply Co. v. Bd. of Educ. of Howard Cty.*, 90 Md. App. 515, 523, 602 A.2d 195, 199 (1992).

Here, the awards of HMO and PPO plans to Aetna and BCBS, respectively, are not made to the bidders who offered the best value to the City; are arbitrary, capricious, and an abuse of discretion; and are not in compliance with the RFP. As noted, Network Access counted for 15% of the Technical Scoring for the PPO plan, and 25% of the Technical Scoring for the PPO plan, and 25% of the Technical Scoring constituted the vast majority of available points (3,000 of the total 4,000 available points). The analysis of Network Access was fundamentally flawed because the disruption spreadsheet erroneously listed numerous providers more than once, the effect of which was to artificially overstate or understate the breadth of a bidder's network. The BOP's decision to proceed – despite being informed of this – was arbitrary and capricious. The Network Access component was also fundamentally flawed because many providers did not even have addresses listed, and some tax ID numbers were incorrect.

Further, the Network Access component was fundamentally flawed because the disruption report combined both PPO and HMO data to conduct an analysis on each product individually. The providers were not listed as PPO or HMO providers on the

report. Consequently, the Evaluation Committee could not have known which network a bidder was responding with when indicating whether a provider was in or out of network.

Finally, the BOP's recommendation results from a process of not taking into account potentially higher claim costs. Specifically, when seeking best and final offers, the BOP did not state where the existing Point of Service members would be taken into account, such as whether they would be moved into the PPO plan (resulting in higher claim costs).

For the foregoing reasons, the BOP's scoring and analysis was fatally flawed, arbitrary, capricious, and not consistent with selecting the proposal that would provide the best value to the City.

B. Reservation of Rights

As referenced earlier, UHC previously submitted a request to the BOE for documents relating to the evaluation and scoring of proposals under the RFP pursuant to Maryland's PIA. To date, UHC has not received responsive documents. It is manifestly unfair to require a bidder to protest without disclosure of information and documents to the protestor required to be made available under the PIA. Accordingly, UHC specifically reserves the right to supplement the factual details for the grounds of this Protest once it has received all documents responsive to its PIA request.

III. REQUEST FOR STAY

UHC requests that the procurement process be stayed because proceeding with contract implementation will impose enormous costs on the BOP and DHR once the decision to grant the HMO, PPO, and Vision plans portion of the award to Aetna, BCBS, and NVA, respectively, is reversed, either through this Protest or through judicial relief. Further, UHC alternatively requests that the decision to award any contract be stayed until at least September 13, 2017 (the first BOE meeting after the meeting on August 30, 2017) so that all parties (including the BOE) have a chance to review relevant documents. As noted, UHC has not even received documents in response to its PIA request. A stay of the decision to award any contract will not prejudice the City or its employees and can only to serve to ensure that the BOE has all necessary information when deciding this protest.

IV. REQUEST FOR RELIEF

UHC requests the following relief:

- (a) An immediate stay of any award(s);
- (b) Rescission of the portion of the award granting the HMO plan to Aetna, the PPO plan to BCBS, and the Vision plan to NVA, and instead granting the HMO, PPO, and Vision plans to UHC;

- (c) Alternatively, rescission of the portion of the award granting the HMO plan to Aetna, the PPO plan to BCBS, and the Vision plan to NVA, and cancellation of the RFP; or rescission of the portion of the award granting the HMO plan to Aetna, the PPO plan to BCBS, and the Vision plan to NVA, cancellation of the RFP, and reissuance of the RFP with a proper review and evaluation process per the requirements of the RFP; and
- (d) Such other relief to which UHC may justly be entitled.

- 6. Committee members reserve the right to amend their individual technical evaluation scores if deemed necessary after the presentation.

 - b) As specified elsewhere herein under Section GC32.
- 2. The City reserves the right, at its sole discretion, to contact all references offered by the proposer with no further permission from the proposer, and to follow-up on other reference leads generated.

- L. Contractor agrees to mitigate, to the extent practicable, any harmful effect that is known to Contractor of a use or disclosure of PHI by Contractor in violation of the requirements of this Agreement.

IV. TERM AND TERMINATION

- A. This Agreement shall remain in effect unless otherwise terminated for the entire term of the Primary Contract including any extensions, options or modifications, or, as appropriate, in accordance with the requirements of paragraph (C) of this subsection.
- B. Upon the Department's knowledge of a material breach by Contractor, the Department will either.

- D. The obligations of Contractor under this Section shall survive the termination of this Agreement.
- E. If Contractor breaches any of the covenants and assurance in this Agreement, the Department will suffer irreparable harm. Consequently, Contractor agrees that the Department may enjoin and restrain Contractor from any continued violation of this Agreement, and to reimburse and indemnify the Department for its reasonable attorney's fees and expenses and costs reasonably incurred as a proximate result of Contractor's breach. These remedies are in addition to and do not supersede any action for damages and/or any other remedy.
- F. This Agreement may only be modified or amended through a writing signed by the Parties and, thus, no oral modification or amendment hereof shall be permitted. The Parties agree to take such action as is necessary to amend this Agreement from time to time as is necessary for the Department to comply with the requirements of the HIPAA Regulations and any other applicable law.

V. INTERPRETATION OF THIS AGREEMENT IN RELATION TO OTHER AGREEMENTS BETWEEN THE PARTIES

Should there be any conflict between the language of this Agreement and any other contract entered into between the Parties (either previous or subsequent to the date of this Agreement), the language and provisions of this Agreement shall control and prevail unless the parties specifically refer in a subsequent written agreement to this Agreement by its title and date and specifically state that the provisions of the later written agreement shall control over this Agreement.

THE FAILURE OF ANY BIDDER, CONTRACTOR OR SUBCONTRACTOR TO COMPLY WITH ARTICLE 5, SUBTITLE 28 SHALL BE A BREACH OF CONTRACT.

Highlights of the City's MBE/WBE program are noted below. A complete copy of Article 5, Subtitle 28 of the Baltimore City Code (2014) is available on the website at: www.baltimorecity.gov/Government/Citychartercodes.aspx or at the Minority and Women's Business Opportunity Office.

1. **BID REQUIREMENTS**

Bid must include a commitment to utilize MBEs and WBEs at a percentage that equals or exceeds the contract goals indicated in the contract specifications. Bidder must submit the following completed documents WITH THE BID:

Part B: Statement of Intent Form(s) – to be signed by Bidder and MBE or WBE

Part C: Statement of Self-Performance – if applicable, to be signed by Bidder

Part D: MBE/WBE Participation Affidavit – to be completed and signed by Bidder

Part E: MBE/WBE Participation Waiver Request— to be completed and submitted

by Bidder if unable to meet the participation goals

Any bid that does not include signed Statement of Intent Form(s) and the MBE/WBE Participation Affidavit is non-responsive and will be rejected.

Bidder must keep a record of its efforts to obtain MBE and WBE participation.

2. VERIFYING CERTIFICATION

Bidder is responsible for verifying that each MBE and WBE to be used on a contract is certified by the Minority and Women's Business Opportunity Office (MWBOO) at bid opening. The MBEs and WBEs named must be certified to provide the services that they are listed to perform, and the services must be required as part of the work on this contract. A directory of certified MBEs and WBEs is available online at http://cityservices.baltimorecity.gov/law/mwboo or at the offices of MWBOO. (Art. 5, §28-48(d))

3. COUNTING MBE AND WBE PARTICIPATION

a) Participation of M/WBE's

A business enterprise that is certified as both an MBE and WBE (M/WBE) may not be counted toward both the MBE and WBE goals for the same project. The bidder must select the goal to which the business enterprise is to be counted. (Art. 5, §28-31(b) and §28-35))

b) Credit for Self-Performance

A bidder that is an MBE or WBE may count up to 50% of the dollar value of the work it intends to perform with its own forces toward the applicable MBE or WBE goal. The amount of credit may not exceed the MBE's or WBE's available work capacity as calculated with the Contractor Prequalification rules. **Intentions to count self-performance toward the MBE or WBE goal must be indicated on Part C: Statement of Intent to Self-Perform**. (Art 5, §28-31(d)).

c) <u>Commercially Useful Function</u>

The bidder may count toward the contract goals only expenditures to MBEs and WBEs that perform a commercially useful function in the execution of the contract. Commercially useful function means the performance of real and distinct work for which the business enterprise has the skill, expertise and actual responsibility to perform, manage and supervise. (Art. 5, §28-32)

d) Joint Ventures

A bidder may count toward the contract goal the portion of its expenditure to a joint venture that is equal to the percentage of the MBE or WBE participation in the joint venture. The MBE or WBE member of the joint venture must have an interest in the control, management, risks and operation of the joint venture commensurate with the member's percentage of ownership. The MBE or WBE member of the joint venture must be responsible for a clearly defined portion of the work to be performed, equal to its share in the ownership, control and management of the joint venture. (Art. 5, §28-33)

e) Subcontracting by MBE or WBE

A bidder may not count toward its contract goal any agreement with a certified MBE or WBE subcontractor who intends to subcontract more than 10% of the dollar amount of the services to be performed under its agreement with the bidder. This restriction does not apply to an MBE's or WBE's contracts for the purchase of materials, equipment or supplies that are incidental to the performance of services under its agreement with the bidder. (Art. 5, §28-34)

f) Manufacturers and Suppliers

Manufacturers – A bidder may count toward the contract goal its entire expenditure to a certified MBE or WBE that manufactures the goods supplied. (Art. 5, §28-36)

Non-Manufacturers – Only 25% of each contract goal may be attained by expenditures to MBEs and WBEs that are non-manufacturing suppliers. (Art. 5, §28-37)

Example: If the bid amount is \$100,000 and the MBE or WBE goal is 15% or \$15,000; then the limit for the MBE or WBE suppliers that are non-manufacturers is \$3,750 or 25% of the 15% goal.

g) <u>Insurance Companies and Travel Agents</u>

A bidder may count toward the contract goals only the fees or commissions charged by an MBE or WBE insurance company or travel agent (Art. 5, §28-38)

h) Financial Institutions

A bidder may count toward the contract goals only the fees charged and earned by an MBE or WBE financial institution. (Art. 5, §28-39)

i) Non Affiliation

A bidder may not use an MBE or WBE to meet a contract goal if the bidder has a financial interest in, has an interest in the ownership or control of, or is significantly involved in the operation of the MBE or WBE. (Art. 5, §28-41)

4. WAIVER REQUESTS

If a bidder is unable to comply with a contract goal, the bidder may submit a waiver request with the bid. The waiver request must be made on the MBE/WBE Participation Waiver Request Form. A waiver will not be granted unless the waiver request includes documentation that demonstrates good faith efforts to meet the goals. (Art. 5, §28-62)

5. **SUBSTITUTION OF MBE OR WBE**

The Minority and Women's Business Opportunity Office must approve substitution of an MBE or WBE specified at bid opening. Any unjustified failure to comply with this requirement is a material breach of contract. (Art. 5, §28-63(a))

6. **CONTRACT REQUIREMENTS**

During the term of the contract, any unjustified failure to comply with the levels of MBE and WBE participation identified in the bid is a material breach of contract. (Art. 5, §28-48 (e))

Before final payment, the contractor must submit the Subcontractor Utilization Form with its final payment request. The Subcontractor Utilization Form will include a list of the names of all subcontractors utilized on the contract, both MBE/WBE and non-MBE/WBE, the total amount paid to each subcontractor, and the owner's race/ethnicity and gender.

- B. The Contractor shall, at any time upon request, provide to the City copies of all licenses or certificates required for the performance of the work referred to herein.
- C. In the event the Scope of Work requires that a permit(s) be obtained, the Contractor shall be responsible for obtaining any/all permits and providing copies to the City, prior to the commencement of work.
- D. The Contractor shall inform the City Purchasing Agent, in writing, of any and all circumstances which may impede the progress of the work or inhibit the performance of this Contract including, but not limited to: replacement of key personnel named in the Offer, or assigned responsibility for the Contractor's performance under this Contract, bankruptcy, dissolution or liquidation, merger, sale of business and/or assignment. The Contractor's failure to

do so may be considered a material default under this Contract.

- E. The Contractor is responsible for ensuring that all subcontractor payments are shown on the Purchase Order(s), and that its subcontractors acknowledge all payments in CitiBuy, in a timely fashion, in the event that subcontractor payments are tracked in CitiBuy.
- F. The signatory for the Contractor certifies and warrants that the Contractor's name in the Offer and the one-page agreement incorporating this Contract is its full legal name, as designated in its corporate charter or other organizational document, that he/she is empowered to act and contract for the Contractor, and that this Contract has been approved by the board of directors or other governing body of the Contractor.
- GC34. CONTRACTOR'S SUPERVISION. The Contractor shall be fully responsible for supervision and the actions of its officers, directors, employees, agents, volunteers, and subcontractors. The City shall exercise no supervision or control over the Contractor's officers, directors, employees, agents, volunteers, or subcontractors.

GC35. CONTRACTOR IS NOT AN AGENT OR EMPLOYEE OF THE CITY.

- No language or wording contained in this Contract shall be used to construe the Contractor as an agent or employee of the City, nor shall any such language or wording be used to construe the City as an agent or employer of the Contractor, any of the Contractor's employees, subcontractors, subcontractors' employees. - B. It is understood and agreed that the Contractor is an independent contractor, and shall not be entitled to any City benefits. Additionally, the Contractor shall not be covered under any insurance coverage maintained by the City. The terms and conditions of this Contract shall not be deemed or construed in any way to create or constitute a general partnership, joint venture, or other such entity between the City and the Contractor.

GC36. CHANGES TO CONTRACT.

- After the Contract award, the City will have the unilateral right to order changes to this Contract and the Contractor may request changes to this Contract. In either case, the City Purchasing Agent shall have the undisputed right to decide on such changes provided the Contractor provides the City Purchasing Agent with a careful lump sum estimate made under generally accepted accounting principles of the cost effect of proposed additions or deductions, schedule changes, and a written proposal submitted by the Contractor. If the proposal is accepted, the changes must be by written change order of the City Purchasing Agent. No variations from this Contract price and/or schedule either by addition or deduction shall be made without this written order. Should a change become necessary and the Contractor and City Purchasing Agent fail to agree upon a lump sum, the City Purchasing Agent shall have the right to issue an order for the work to be changed, and a correct account kept of the actual cost thereof, and an amount not exceeding fifteen percent (15%) shall be added to cover the Contractor's overhead and profit, which total amount shall stand as the price to be deducted or added for changes. No such changes shall invalidate this Contract. Unless an extension of time for completion is specifically stated in such order, it shall be considered that no additional time is to be allowed.
- B. Notwithstanding the foregoing, material modifications, alterations, or amendments to the provisions of this Contract must be by means of a written amendment that refers to and incorporates this Contract, is duly executed by an authorized representative of each party, and is approved by the Board of Estimates, if necessary.
- C. The parties agree that they will, from time to time, execute and deliver, or cause to be delivered, such amendments hereto and such further instruments as may be required by Federal or State law to comply with any existing or future Federal or State regulations, directives, policies, procedures, and other requirements, or to further the general purposes of this Contract.

GC37. GUARANTEE / WARRANTY.

- A. Unless indicated otherwise by another provision of this Contract, all work, supplies, materials and requirements described in the specifications, including any modifications thereto, shall be guaranteed/warrantied for a period of one (1) year from the date of delivery and/or final acceptance by the City. Such guarantee/warranty shall include, but not be limited to the following:
- (1) Against any and all material and/or equipment damage; or imperfect, careless or

unskilled workmanship, as determined by the City Purchasing Agent; and/or

- B. The Contractor shall remove and replace with proper materials, equipment or services and shall re-execute, correct or repair without cost to the City, any materials, equipment or services found to be improper, imperfect, defective or unable to perform as specified, and shall repair all damages caused by any such removal, replacement or repair.
- C. Any warranties, whether expressed or implied, shall not reduce the Contractor's, seller's, and/or manufacturer's obligations to the City against any latent defect which may be found during the rated life of the supplies and/or materials and requirements described in the specifications, including improved modifications.

GC38. TERMINATION FOR DEFAULT / CONVENIENCE.

- A. Upon recommendation of the City Purchasing Agent, the Board of Estimates reserves the right to terminate any contract, if in its opinion there shall be a failure at any time, to promptly and faithfully perform any of its terms or in case of any willful attempt to impose upon the City materials, services, products and/or workmanship inferior to that required by the contract. Any action taken by the Board of Estimates shall not affect or impair any rights or claims of the City to damages for the breach of any requirements or terms of the contract by the Contractor.
- B. Any cost and/or expense incurred under the section above shall be deducted from and paid by the City out of such monies as may be due or become due to the Contractor. In the event said expenses shall exceed the amount which would have been payable under this Contract, if the same had been completed by the Contractor, it or its surety shall pay the amount of any excess to the City. In the event that a Contractor exempted from posting a bid or performance guarantee fails to execute and perform any Contract, it shall forfeit the right to bid on any future City contract(s) for a period of time determined by the Board of Estimates and shall be liable for any costs incurred by the City as a result of its default.
- C. The City in accordance with this clause may terminate the performance of work under this Contract, in whole or in part, whenever the City Purchasing Agent shall determine that such termination is in the best interest of the City. The City shall mail to the Contractor a Notice of Termination specifying the

extent and conditions under which performance of work under this Contract is terminated and the date upon which such termination becomes effective. Upon termination of this Contract in accordance with this section, the Contractor is entitled to an equitable adjustment hereunder. Said equitable adjustment may include any costs reasonably incurred by the Contractor as a direct result of early termination, but shall not include, under any circumstance, anticipated but unearned profits.

unilateral right, during the contract period, to contract directly with the Contractor to place orders, arrange deliveries, reconcile discrepancies and invoices and issue payments.

B. The Contractor's willingness to participate will not affect consideration of its Offer.

GC41. ACCESS AND RETENTION OF RECORDS.

- At any time during business hours, and as often as the City may deem necessary, there shall be made available to the City for examination, the Contractor's records with respect to the Contractor's services under the Offer and any ensuing contract, and the Contractor's compliance with any City programs, regulations or laws. The Contractor shall permit the City to audit, examine, and make copies, excerpts or transcripts from such records, and make audits of data relating to matters covered by the Offer and this Contract. The Contractor shall maintain and retain all records and other documents related to this Contract for a period of three (3) years from the date of the final payment, except in cases where unresolved audit questions require a longer period of time for resolution, as determined by the City.
- B. The Contractor shall be responsible for repayment of any and all applicable audit exceptions, including any City expenses related thereto, which the City, State or Federal auditors or their designated representatives may identify and are material and adverse in nature to the City as to create an audit disallowance. The City will bill the Contractor for the amount of such audit disallowance, including any City expenses related thereto, and the Contractor shall promptly pay such stated amount.
- **QUALITY ASSURANCE.** The supplies, materials, work and services shall be of the best quality of the kinds herein specified. Should any supplies, materials, work and services other than those specified be substituted, the City Purchasing Agent and/or his/her authorized representative shall have full power to reject them, and the substituted supplies, materials, work and services shall be removed from the premises by the Contractor within twenty-four (24) hours after notification. Should the Contractor continue utilizing defective and inferior workmanship or utilizing rejected materials which may cause rejection and remove of same, the City Purchasing Agent shall have full power and authority to employ a superintendent or inspector at the Contractor's sole expense to ensure compliance. Said superintendent or inspector shall be paid from time to time out of any money due or becoming due to the Contractor. The City Purchasing Agent shall have the power to continue the employment of said superintendent or inspector until final completion and

acceptance of all work under this Contract or to take any other legal remedies under this Contract.

GC43. AUTHORITY OF THE CITY PURCHASING AGENT.

- A. The parties to this contract agree that the City Purchasing Agent is hereby vested with the power and authority to determine the amount and quantity, quality and acceptability of the work, materials, supplies and services provided under this Contract. The City Purchasing Agent shall decide any and all questions that may arise regarding the Contractor's obligations and the fulfillment of the Contract terms.
- B. The City Purchasing Agent shall act as the referee if any dispute arises between the Contractor and the City regarding this contract. The determination of the City Purchasing Agent may be appealed to Board of Estimates in writing, and further appealed on the record to a court of competent jurisdiction in the City. The Contractor may appeal any adverse determination of the City Purchasing Agent in writing within ten (10) calendar days of the determination, or it is forever waived. Final payment by the City will not be made unless and until all issues in dispute have been fully and finally settled and/or adjudicated.

- B. All requests by a Contractor for prior approval to allow the Contractor to require a Performance Bond from a subcontractor shall be made in writing to the City Purchasing Agent. In such a request, the Contractor shall particularize the reasons supporting the request and shall explain why there are not options other than requiring the Performance Bond to protect its interests.
- C. The City Purchasing Agent, and if concurrence is required, the Chief of the MWBOO have the sole discretion to determine whether a request by a Contractor for prior approval to authorize the Contractor to require a Performance Bond from a subcontractor will be granted and concurred in, and their decisions shall be final.

A. When a contract is to be awarded on some basis other than price alone, unsuccessful Offeror(s) shall be debriefed upon written request submitted to the City Purchasing Agent within a reasonable time. Debriefings shall be provided at the earliest feasible time after contract award and shall be conducted by a procurement official familiar with the rationale for the selection decision and contract award.

B. Debriefing will:

- (1) Be limited to discussion of the unsuccessful Offeror's proposal and may not include specific discussion of a competing Offeror's proposal;

- (3) Provide information on areas in which the unsuccessful Offeror's technical proposal was deemed weak or deficient.
- C. Debriefing will not include discussion or dissemination of the notes or rankings of individual members of an evaluation committee, but may include a summary of the procurement officer's rationale for the selection decision and recommended contract award.
- D. A summary of the debriefing shall be made a part of this Contract's file.

GC46. PROTESTS.

- A. The Board of Estimates approves all contracts over \$25,000 in value and is the final contracting authority for the City. GC50. GOVERNING LAW AND VENUE. This Contract and all documents related thereto shall be governed by and construed under the laws of the State of Maryland. Furthermore, the parties agree that any suits or actions brought by either party against the other shall be brought in a court of competent jurisdiction in Baltimore City.

APPROPRIATION OF FUNDS. This Contract is contingent upon the proper appropriation of funds by the Baltimore City Council in accordance with the Baltimore City Charter and Code, as amended. If the terms of this Contract exceed a budget as adopted by the Baltimore City Council, then that portion of this Contract which exceeds a properly adopted budget shall be contingent upon further appropriation by the City. In the event of such non-appropriation of funds at any time during the term of this Contract as would prevent the City from making payment under the terms and conditions of this Contract, the City may terminate this Contract without the assessment of any termination charges or financial penalties against the City by providing written notice of intent to terminate to the Contractor. If the City terminates this Contract due to the non-appropriation of funds, the City will pay the Contractor for work currently in progress, and the Contractor shall not begin any additional work on the effected contract upon receipt of notification of intent to terminate by the City.

FORCE MAJEURE. Neither party will be liable for its non-performance or delayed performance if caused by a "Force Majeure" which means an event, circumstance, or act of a third party that is beyond a party's reasonable control, such as an act of God, an act of the public enemy, an act of a government entity, strikes or other labor disturbances, hurricanes, earthquakes, fires, floods, epidemics, embargoes, war, or any other similar cause, but in no event shall include riots, protests, or acts of public unrest. Subject: UHC - Disruption File

Hi Kyle,

We conducted a review of the disruption file and identified many providers are duplicated. As an example, a provider may be listed as Dr. John Smith, then on a subsequent line they're listed as Dr. John Smith MD (both data points have the same address, name, specialty and Tax ID #, the difference is the addition of "MD"). Additionally, the file has missing or invalid TAX ID numbers or other missing data elements. My concern is a carrier's disruption analysis will be over or under overstated, depending if the provider is in the network (since they're accounted for twice).

Is the city willing to allow carriers to use the repricing file (already provided within the bid) for the disruption analysis? This file is more accurate and will provide a fair analysis.

Thank you,

Michael Sacca

MOB - maintenance of benefits or also called Carve-out and Non-duplication - Calculates the plan?s payment as if there were no Medicare coverage, applies the deductibles, coinsurance and other plan limits and pays the remaining amount minus what Medicare pays. c. Government Exclusion (also called Medicare exclusion) - Determines the total expenses covered under the plan, reduces them by Medicare benefits and then applies the deductibles, coinsurance and other plan limits.
