The Board is requested to approve and authorize execution of the Settlement Agreement and Release to settle the Equal Employment Opportunity Charge brought by Ms. Chiquita White against the Baltimore Department of Transportation (the Department) for alleged violations of the Federal Title VII of the Civil Rights Acts of 1964, as amended.

AMOUNT OF MONEY AND SOURCE:

\$50,000.00 - 2044-000000-1450-803800-603070

BACKGROUND/EXPLANATION:

Ms. Chiquita White, a current Transportation Enforcement Supervisor I at the Department, filed a charge of employment discrimination with the Equal Employment Opportunity Commission alleging that she had been sexually harassed and subjected to offensive unwanted touching by a supervisor. That supervisor is no longer employed with the City.

While the City disputes its liability, many of the alleged facts are concerning to the City. Accordingly, to avoid the time, expense, and uncertainty of further administrative agency action and potential litigation and appeals, the parties have agreed to settle this matter for a total sum of \$50,000.00. In return, Ms. White has agreed to withdraw the Charge and executed a general release of all related claims and a covenant not to sue. The Department concurs with the settlement.

Based on a review of the legal and factual issues specific to this particular claim, the Settlement Committee of the Law Department recommends that the Board of Estimates approve the settlement of this case as set forth above.

Parking Authority of - <u>Parking Facility Rate Adjustment</u> Baltimore City (PABC)

ACTION REQUESTED OF B/E:

The Board is requested to approve an adjustment to the monthly rate at the City-owned Baltimore Street Garage that is managed by the PABC. The Parking Facility Rate Adjustment is effective upon Board approval.

AMOUNT OF MONEY AND SOURCE:

N/A

BACKGROUND/EXPLANATION:

The PABC is charged with managing the City of Baltimore's parking assets. Proper stewardship of those assets requires that the PABC realize the best possible return on the City's parking investments.

Pursuant to Article 31, §13(f)(2) of the Baltimore City Code, subject to the approval of the Board of Estimates, the PABC may set the rates for any parking project. The PABC believes that a rate adjustment at this parking facility is warranted at this time.

To bring the monthly rate charged at Baltimore Street Garage in line with its surrounding facilities, the PABC staff developed the rate adjustment recommendation submitted hereto. This rate adjustment was unanimously approved by the PABC Board of Directors.

Department of Real Estate/Dept. of Transportation - Deed

ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize execution of a Deed to the Housing Authority of Baltimore City (HABC) to convey a part of the bed of Sinclair Lane and Clareway Road (the Street Beds), which have been legally closed.

AMOUNT OF MONEY AND SOURCE:

\$0.00

BACKGROUND/EXPLANATION:

The HABC owns certain land (HABC Land) abutting on both sides of the Street Beds and has entered into a ground lease with Orchard Ridge Rental V, LLC (the Developer) to construct 65 rental housing units comprised of 58 affordable units and seven market rate units (the Current Project) on the HABC Land and the Street Beds. Earlier phases of the project have constructed 313 units of which 278 were affordable and 35 were market rate.

In the 1950's, the site of the overall project, which has now been developed in five phases including the Current Project, was developed for public housing. At the time of the construction of the public housing, a number of Street Beds were sold by the HABC to the City for dedication as public roads. When the initial phase of the new project was developed in 2007 and 2008, certain Street Beds were closed but were not conveyed to the HABC because it was believed, based on an erroneous title report received by the City, that the HABC owned all of the necessary street beds. In order to correct the error, the City passed Sales Ordinance No. 16-694, approved on June 23, 2016, to sell the Street Beds to the HABC.

UPON MOTION duly made and seconded, the Board approved and authorized execution of the Deed to the Housing Authority of Baltimore City to convey a part of the bed of Sinclair Lane and Clareway Road, which have been legally closed.

The Board is requested to approve and authorize execution of Amendment No. 1 to Agreements with the below listed organizations.

On March 15, 2017, the Board approved the original agreement with the organization to provide funding for their permanent housing project, for the period of April 1, 2017 through March 31, 2018. Re: Supplemental Protest by UnitedHealthcare Services, Inc. / B50004890

Dear Honorable Board Members:

On August 29, 2017, a protest was submitted on behalf of UnitedHealthcare Services, Inc. ("UHC") (the "Protest"). Co-Counsel at Jackson Walker ably demonstrated that a number of inconsistencies and misunderstandings relating to the Request for Proposals (RFP) likely resulted in UHC's proposal not having been scored among the top three proposals submitted. The purpose of this letter is to supplement the Protest.

The City Department of Human Resources (DHR), Employee Benefits Division (EBD), is responsible for administering a comprehensive, competitive and cost-effective medical program for eligible City of Baltimore (City) employees, retirees, and their dependents. The City requested medical administrative services be based on the proposed and current Aetna, CareFirst and UnitedHealthcare (UHC) plan designs. The City currently offers 2 PPO plans, 2 POS plans, 1 HMO plan and 1 staff model HMO plan to its active employees. The active POS and HMO plans are managed by UnitedHealthcare and Aetna. The staff model HMO is managed by Kaiser. The City currently offers two PPO plans and a staff model HMO to all its non-Medicare retirees. The City currently offers a Medicare supplement plan and a staff model HMO to its Medicare eligible participants. UHC was one of the proposers whose proposal received a sufficiently high and acceptable overall proposal evaluation score to be eligible for possible award, and to be invited to submit a "best and final offer".

When the Protest was drafted UHC was unaware of the fact that neither of the firms recommended for contract award submitted a proposal that met the City's goals for minority and women's business participation. UHC, on the other hand, demonstrated full compliance with the M/WBE participation goals set forth in the RFP. (A copy of UHC's M/WBE package is attached as Exhibit 1.) Moreover, as shown in Exhibit 2, the Best and Final Offer submitted by UHC would likely result in a 3 year savings to the City of \$16,122,797.28 in administrative fees alone!

For the above reasons we submit that UHC, alone, should be awarded a contract.

Verx-truly yours,

Robert Fulton Dashiell

As part of the UnitedHealthcare RFP response, we treated each requested product as a separate response. Therefore, we completed duplicate bid forms if we intended to use a vendor for more than one product (HMO/PPO, Vision or Medicare Advantage). At The City of Baltimore's discretion, any product combination within the bid could be selected, therefore, we felt addressing each product on its own was the only way to accurately reflect our MBE/WBE commitment within the constraints of the bid forms provided.

By product, our MBE breakdown is as follows.

HMO/PPO

- Camera Ready (MBE): 9.4%
- Walker Benefit Services LLC (MBE): 1%
- A. Thompson & Associates (MBE): .7%
- MBE Total: 11.1% (exceeds goal)

Medicare Advantage

- Camera Ready (MBE): 3.7%
- A. Thompson & Associates (MBE): 7.3%
- MBE Total 11% (meets goal)

Vision

- Camera Ready (MBE) 16%
- MBE Total: 16% (exceeds goal)

By product, our WBE breakdown is as follows:

HMO/PPO

- Mary Kraft Associates Inc. (WBE): 2%
- The Well Workplace, LLC dba Well Advantage (WBE): 2.2%
- WBE Total: 4.2% (exceed goal)

Medicare Advantage

- The Well Workplace, LLC (WBE): 4%
- WBE Total: 4% (meets goal)

Vision

- The Well Workplace, LLC dba Well Advantage (WBE): 4%
- WBE Total: 4% (meets goal)

Because there are variations and overlap in the MBE/WBE vendors we would use for the 3 products included in the bid, the percentages reported the Part B MBE/WBE and Prime Contractor's State of Intent forms are misaligned when based on the total cumulative contract amount. We attempted to clarify our intentions by completing multiple Part B MBE/WBE and Prime Contractor's State of Intent forms. It was not our intention that these bid forms be additive. As an example, we included two Part B forms for Camera Ready both at 8.2%, one for HMO/PPO administration and one for vision administration. It was not our intention to apply 16.4% to Camera Ready, but 8.2% for each of the product.

Please accept this letter as our formal request to utilize the percentages by product noted above which meet or exceed The City of Baltimore's MBE/WBE requirements

Bid must include a commitment to utilize MBEs and WBEs at a percentage that equals or exceeds the contract goals indicated in the contract specifications. Bidder must submit the following completed documents WITH THE BID:

Part B: Statement of Intent Form(s) – to be signed by Bidder and MBE or WBE Part C: Statement of Self-Performance – if applicable, to be signed by Bidder Part D: MBE/WBE Participation Affidavit – to be completed and signed by Bidder Part E: MBE/WBE Participation Waiver Request – to be completed and submitted by Bidder if unable to meet the participation goals

Any bid that does not include signed Statement of Intent Form(s) and the MBE/WBE Participation Affidavit is non-responsive and will be rejected.

Bidder must keep a record of its efforts to obtain MBE and WBE participation.

2. VERIFYING CERTIFICATION

Bidder is responsible for verifying that each MBE and WBE to be used on a contract is certified by the Minority and Women's Business Opportunity Office (MWBOO) at bid opening. The MBEs and WBEs named must be certified to provide the services that they are listed to perform, and the services must be required as part of the work on this contract. A directory of certified MBEs and WBEs is available online at <u>http://cityservices.baltimorecity.gov/law/mwboo</u> or at the offices of MWBOO. (Art. 5, §28-48(d))

3. COUNTING MBE AND WBE PARTICIPATION

a) Participation of M/WBE's

A business enterprise that is certified as both an MBE and WBE (M/WBE) may not be counted toward both the MBE and WBE goals for the same project. The bidder must select the goal to which the business enterprise is to be counted. (Art. 5, §28-31(b) and §28-35))

b) Credit for Self-Performance

A bidder that is an MBE or WBE may count up to 50% of the dollar value of the work it intends to perform with its own forces toward the applicable MBE or WBE goal. The amount of credit may not exceed the MBE's or WBE's available work capacity as calculated with the Contractor Prequalification rules. Intentions to count self-performance toward the MBE or WBE goal must be indicated on Part C: Statement of Intent to Self-Perform. (Art 5, §28-31(d)).

c) Commercially Useful Function

The bidder may count toward the contract goals only expenditures to MBEs and WBEs that perform a commercially useful function in the execution of the contract. Commercially useful function means the performance of real and distinct work for which the business enterprise has the skill, expertise and actual responsibility to perform, manage and supervise. (Art. 5, §28-32)

d) Joint Ventures

A bidder may count toward the contract goal the portion of its expenditure to a joint venture that is equal to the percentage of the MBE or WBE participation in the joint venture. The MBE or WBE member of the joint venture must have an interest in the control, management, risks and operation of the joint venture commensurate with the member's percentage of ownership. The MBE or WBE member of the joint venture must be responsible for a clearly defined portion of the work to be performed, equal to its share in the ownership, control and management of the joint venture. (Art. 5, §28-33)

e) Subcontracting by MBE or WBE

A bidder may not count toward its contract goal any agreement with a certified MBE or WBE subcontractor who intends to subcontract more than 10% of the dollar amount of the services to be performed under its agreement with the bidder. This restriction does not apply to an MBE's or WBE's contracts for the purchase of materials, equipment or supplies that are incidental to the performance of services under its agreement with the bidder. (Art. 5, §28-34)

f) Manufacturers and Suppliers

Manufacturers – A bidder may count toward the contract goal its entire expenditure to a certified MBE or WBE that manufactures the goods supplied. (Art. 5, §28-36)

Non-Manufacturers – Only 25% of each contract goal may be attained by expenditures to MBEs and WBEs that are non-manufacturing suppliers. (Art. 5, §28-37)

Example: If the bid amount is \$100,000 and the MBE or WBE goal is 15% or \$15,000; then the limit for the MBE or WBE suppliers that are non-manufacturers is \$3,750 or 25% of the 15% goal.

g) Insurance Companies and Travel Agents

A bidder may count toward the contract goals only the fees or commissions charged by an MBE or WBE insurance company or travel agent (Art. 5, §28-38)

h) Financial Institutions

A bidder may count toward the contract goals only the fees charged and earned by an MBE or WBE financial institution. (Art. 5, §28-39)

i) Non Affiliation

A bidder may not use an MBE or WBE to meet a contract goal if the bidder has a financial interest in, has an interest in the ownership or control of, or is significantly involved in the operation of the MBE or WBE. (Art. 5, §28-41)

4. WAIVER REQUESTS

If a bidder is unable to comply with a contract goal, the bidder may submit a waiver request with the bid. The waiver request must be made on the MBE/WBE Participation Waiver Request Form. A waiver will not be granted unless the waiver request includes documentation that demonstrates good faith efforts to meet the goals. (Art. 5, §28-62)

5. SUBSTITUTION OF MBE OR WBE

The Minority and Women's Business Opportunity Office must approve substitution of an MBE or WBE specified at bid opening. Any unjustified failure to comply with this requirement is a material breach of contract. (Art. 5, §28-63(a))

6. **CONTRACT REQUIREMENTS**

During the term of the contract, any unjustified failure to comply with the levels of MBE and WBE participation identified in the bid is a material breach of contract. (Art. 5, §28-48 (e))

Before final payment, the contractor must submit the Subcontractor Utilization Form with its final payment request. The Subcontractor Utilization Form will include a list of the names of all subcontractors utilized on the contract, both MBE/WBE and non-MBE/WBE, the total amount paid to each subcontractor, and the owner's race/ethnicity and gender.

RE: **Notice of Protest:** UHC's Protest of the Bureau of Purchases' Recommendation of Award in Connection with Solicitation No. B50004890 – Medical Administration Services for HMO & PPO Plans, and Vision Plan.

Dear Sir/Madam:

The undersigned represents UnitedHealthcare Services, Inc. ("UHC"). Pursuant to the policies and procedures of the Board of Estimates ("BOE"), UHC files this Notice of Protest ("Protest") of the recommended contract award in connection with the Request for Proposal, Solicitation Number B50004890 by the Department of Finance, Bureau of Purchases ("BOP") for a service contract relating to administration of health benefits (the "RFP"),¹ and specifically the decision to recommend that the HMO Plan be given to Aetna Life Insurance Company ("Aetna"), the PPO Plan be given to Carefirst of Maryland, Inc. d/b/a Carefirst Blue Cross Blue Shield ("BCBS"), and the Vision Plan be given to National Vision Administrators, LLC ("NVA"). UHC's offer for the HMO, PPO, and Vision plans was not accepted and hence UHC is entitled to file this protest with the BOE as an aggrieved entity.

UHC files this Protest on August 28, 2017, well before the Tuesday preceding the Wednesday meeting of the Board of Estimates at which the recommended award will be considered. Accordingly, this Protest is timely. See Ex. 2, RFP Part 2 (Terms and Conditions) at GC46(A), p. 16. Additionally, UHC notes that the BOE has not yet produced documents in response to UHC's outstanding request under the Maryland

¹ See Ex. 1, RFP Part 1.

Public Information Act ("PIA"), and thus UHC reserves the right to supplement this Protest once it receives and has adequate time to review responsive documents.²

I. <u>RELEVANT FACTS</u>

The BOP, on behalf of the Department of Human Resources, Employee Benefits Division ("DHR"), issued the RFP in order to "procure the best value for the City of Baltimore" in connection with "Medical Administration Services for HMO & PPO Plans." Ex. 1, RFP Part 1 at 4. Mr. Kyle Parry was the BOP's listed buyer.

More specifically, the RFP sought proposals for the following plans to be effective January 1, 2018:

- 1. Medical Administration Services
- 2. Insured Staff Model HMO
- 3. Insured Medicare Advantage (Medical Only)
- 4. Insured Vision Benefits.

See *id.* The first item was composed of two separate plans – a PPO plan and an HMO plan. The third item was removed from the procurement. UHC submitted a proposal in response to both the first item (for both PPO and HMO) and the fourth item (Vision).

Under the RFP, the award was to be made to "the responsive and responsible Proposer(s) for each plan (PPO Standard, PPO High, HMO) meeting the specifications, terms and conditions and *that receives the highest combined evaluation score* for Technical Scoring and Price Scoring, as determined by the Evaluation Committee (Committee) and approved by the Board." *Id.* at 5 (emphasis added). As to Technical Scoring, a combined numerical value of 3,000 points was available for various criteria. *See id.* at 5-6. As to Price Scoring, a total of 1,000 points were available, with each proposer's price score calculated according to the following formula: "Lowest Price (/) Each Higher Price (X) 1000 (=) Points Earned." *Id.* at 7. Points earned for Price would be added to Technical Scoring "for a combined total score." *Id.*

As to Technical Scoring, the 3,000 available points were awarded based on various criteria, including "Network Access," for each of the four plans. See Ex. 1, RFP at 6-7. Network Access counted for 15% of the Technical Scoring for the PPO plan; 25% of the Technical Scoring for the HMO plan; 25% of the Technical Scoring for the

² On August 8, 2017, UHC, through its employee Christopher Mullins, served a PIA request on the BOE seeking access to specific categories of documents relevant to this procurement. As of the date of this Protest, UHC has not received any document.s Once documents have been provided, and UHC has a reasonable opportunity to analyze the documents, UHC may assert additional factual details regarding the grounds for protest asserted herein. Accordingly, UHC reserves its rights to timely file a supplement or amended Protest upon learning of additional facts once documents are produced as requested.

Medicare Advantage plan; and 35% of the Technical Scoring for the Vision Benefits plan. See id.

Importantly, a bidder's score for the Network Access component was based on the bidder's response to a disruption report spreadsheet provided by the BOP, which listed various providers and asked the bidder to specify whether each provider was a "participating provider." However, **BOP erroneously listed numerous providers more than once on the spreadsheet, the effect of which was to artificially overstate or understate the breadth of a bidder's network** (depending on whether the duplicated providers were in or out of the bidder's network). For example, if a duplicated provider was outside a bidder's network, that provider would count twice against that bidder as an out-of-network provider. If the same provider was inside another bidder's network, that provider would count twice *in favor of* that bidder as an in-network provider. There were also other errors with the spreadsheet. For example, many providers did not have addresses listed, and some tax ID numbers were incorrect. The foregoing errors are reflected in the attached Exhibit 3, examples of which are highlighted in orange. See Ex. 3, Disruption Report (highlighted).

On March 9, 2017, UHC notified the BOP via email of these issues. See Ex. 4, Email from M. Sacca (UHC) to K. Parry (BOP) (Mar. 9, 2017). Despite being advised of the issues, the BOP responded that UHC should "complete the file as it was provided." *Id.* at Email from K. Parry (BOP) to M. Sacca (UHC) (Mar. 9, 2017).

The problems with the Network Analysis did not end with duplication and incorrect/missing information. The disruption report also combined both PPO and HMO data to conduct an analysis on each product individually. Since the providers were not listed as PPO or HMO providers on the report, the Evaluation Committee could not have known which network a bidder was responding with when the bidder indicated whether a provider was in or out of network.

The evaluation was also flawed when it came to considering higher claim costs. In response to a question from BCBS during the procurement, the BOP stated that bidders were to "match the current plan designs," although the BOP would consider "alternative plan designs proposed." Ex. 5, Q&A from Feb. 14, 2017. The "current plan design" includes a Point of Service plan, *which is going to be eliminated.* The Point of Service plan is considered middle-cost when compared to PPO (higher) and HMO (lower). When the BOP asked bidders, including UHC, to provide a Best and Final Offer for the PPO and HMO plans, the BOP did not take into account where current Point of Service members would ultimately end up. Since, under the new arrangement, there will be no Point of Service plan, many members of the Point of Service plan will need to be moved to the PPO plan, resulting in higher claim costs – a fact that was not considered by the BOP.

The BOP notified UHC by email dated August 1, 2017 that it intended to recommend awards to the following bidders for each of the four plans:

Aetna – HMO Plan BCBS – PPO Plan Kaiser – Staff HMO Plan NVA – Vision Plan

Ex. 6, Email from D. Adams (BOP) to M. Sacca (UHC), et al. (Aug. 1, 2017). Consequently, UHC has been harmed by the BOP's decision not to recommend selection of UHC's proposals for the HMO, PPO, and Vision plans.

By this Protest, UHC seeks to reverse the recommendation and/or award that does not provide the best value to the City and was made arbitrarily, capriciously, and in disregard of the published RFP process and standards.

II. BASIS AND GROUNDS FOR PROTEST

A. <u>Specific Grounds for Protest</u>

Under the Baltimore City Charter, "[a]fter opening the bids, the Board of Estimates shall award the contract, as an entirety to the lowest responsive and responsible bidder or by items to the respective lowest responsive and responsible bidders, or in the case of Requests for Proposals to the highest scoring responsive and responsible bidder, or shall reject all bids." Baltimore City Charter, Art. VI, § 11(h)(1)(ii). The RFP itself made clear that the BOP sought to "procure the best value for the City of Baltimore" Ex. 1, RFP Part 1 at 4. A procuring authority's decision may be overturned if it acted "arbitrarily as to have abused its discretion." *C.N. Robinson Lighting Supply Co. v. Bd. of Educ. of Howard Cty.*, 90 Md. App. 515, 523, 602 A.2d 195, 199 (1992).

Here, the awards of HMO and PPO plans to Aetna and BCBS, respectively, are not made to the bidders who offered the best value to the City; are arbitrary, capricious, and an abuse of discretion; and are not in compliance with the RFP. As noted, Network Access counted for 15% of the Technical Scoring for the PPO plan, and 25% of the Technical Scoring for the HMO plan. Technical Scoring constituted the vast majority of available points (3,000 of the total 4,000 available points). The analysis of Network Access was fundamentally flawed because the disruption spreadsheet erroneously listed numerous providers more than once, the effect of which was to artificially overstate or understate the breadth of a bidder's network. The BOP's decision to proceed – despite being informed of this – was arbitrary and capricious. The Network Access component was also fundamentally flawed because many providers did not even have addresses listed, and some tax ID numbers were incorrect.

Further, the Network Access component was fundamentally flawed because the disruption report combined both PPO and HMO data to conduct an analysis on each product individually. The providers were not listed as PPO or HMO providers on the

report. Consequently, the Evaluation Committee could not have known which network a bidder was responding with when indicating whether a provider was in or out of network.

Finally, the BOP's recommendation results from a process of not taking into account potentially higher claim costs. Specifically, when seeking best and final offers, the BOP did not state where the existing Point of Service members would be taken into account, such as whether they would be moved into the PPO plan (resulting in higher claim costs).

For the foregoing reasons, the BOP's scoring and analysis was fatally flawed, arbitrary, capricious, and not consistent with selecting the proposal that would provide the best value to the City.

B. <u>Reservation of Rights</u>

As referenced earlier, UHC previously submitted a request to the BOE for documents relating to the evaluation and scoring of proposals under the RFP pursuant to Maryland's PIA. To date, UHC has not received responsive documents. It is manifestly unfair to require a bidder to protest without disclosure of information and documents to the protestor required to be made available under the PIA. Accordingly, UHC specifically reserves the right to supplement the factual details for the grounds of this Protest once it has received all documents responsive to its PIA request.

III. REQUEST FOR STAY

UHC requests that the procurement process be stayed because proceeding with contract implementation will impose enormous costs on the BOP and DHR once the decision to grant the HMO, PPO, and Vision plans portion of the award to Aetna, BCBS, and NVA, respectively, is reversed, either through this Protest or through judicial relief. Further, UHC alternatively requests that the decision to award any contract be stayed until at least September 13, 2017 (the first BOE meeting after the meeting on August 30, 2017) so that all parties (including the BOE) have a chance to review relevant documents. As noted, UHC has not even received documents in response to its PIA request. A stay of the decision to award any contract will not prejudice the City or its employees and can only to serve to ensure that the BOE has all necessary information when deciding this protest.

IV. REQUEST FOR RELIEF

UHC requests the following relief:

- (a) An immediate stay of any award(s);
- (b) Rescission of the portion of the award granting the HMO plan to Aetna, the PPO plan to BCBS, and the Vision plan to NVA, and instead granting the HMO, PPO, and Vision plans to UHC;

- (c) Alternatively, rescission of the portion of the award granting the HMO plan to Aetna, the PPO plan to BCBS, and the Vision plan to NVA, and cancellation of the RFP; or rescission of the portion of the award granting the HMO plan to Aetna, the PPO plan to BCBS, and the Vision plan to NVA, cancellation of the RFP, and reissuance of the RFP with a proper review and evaluation process per the requirements of the RFP; and
- (d) Such other relief to which UHC may justly be entitled.

B. A Bidder is considered 'Responsible' if it has the experience, and the capability, integrity and commitment to provide all resources, including financial and technical, necessary

for the complete and proper performance of the work specified herein, in accordance with all of the terms and conditions, as will be determined by the City.

2. The Proposer cannot use the presentation to change any portion of its proposal submission package, nor is this to be considered a negotiation session.

3. The Committee will not discuss or disclose other Proposer's submittals, but rather, will limit any subsequent discussion to that of the Proposer making the presentation.

4. If requested, the Proposer will be notified as to where and when to appear.

5. Presentation may be combined with negotiation if deemed appropriate at the Evaluation Committee's sole discretion.

6. Committee members reserve the right to amend their individual technical evaluation scores if deemed necessary after the presentation.

C. Negotiation

1. This solicitation will result in the submission of "Proposals" (not "Bids"), and the evaluation and award process will be based on overall Responsiveness, Technical and Fee Scoring, as indicated above, not just fee schedule.

2. Therefore, the Committee may, at its sole discretion and as part of the evaluation process, enter into negotiations with Proposers that received sufficiently high and acceptable overall proposal evaluation Scores that make them eligible for possible award, and to invite "best and final offers" as deemed to be in the best interest of the City.

3. However, the Committee is not obligated to negotiate, and may make award based on either the initial evaluation or negotiated "best and final offers" as determined by and at the Committee's sole discretion as being in the City's best interest.

4. Proposers are strongly advised to not prepare their proposal on any assumption, understanding or hope that negotiations will take place. It is the City's initial desire and intent to avoid negotiation if possible. Proposers are advised to respond fully at the time of proposal submission. To do otherwise risk having your proposal rejected!

D. Proposer Qualifications and Capacity:

1. The City may make such investigations as it deems necessary to determine the ability and responsiveness of the proposer to perform the work required by this solicitation, and the proposer shall furnish to the City all such information requested for this purpose.

a) However, failure by the City to discover, or even attempt to discover, any inability of the proposer shall in no way excuse poor/non-performance by the contractor, nor shall it diminish the City's right to find the contractor in breach of the contract due to poor/non-performance.

b) As specified elsewhere herein under Section GC32.

2. The City reserves the right, at its sole discretion, to contact all references offered by the proposer with no further permission from the proposer, and to follow-up on other reference leads generated.

4. The City reserves the right to reject the offer of any proposer that has a significant outstanding debt to the City.

5. The City reserves the right to reject all proposals and to cancel this Solicitation requirement, or to revise the detailed specifications and issue an addenda or a new solicitation if the City determines at its sole discretion that for any reason, rejection, amending, cancellation, or re-solicitation is in the City's best interest.

PART A: INSTRUCTIONS

The requirements of Article 5, Subtitle 28 of the Baltimore City Code (2014 Edition) – Minority and Women's Business Program are a part of this contract and are incorporated by reference. THE FAILURE OF ANY BIDDER, CONTRACTOR OR SUBCONTRACTOR TO COMPLY WITH ARTICLE 5, SUBTITLE 28 SHALL BE A BREACH OF CONTRACT.

Highlights of the City's MBE/WBE program are noted below. A complete copy of Article 5, Subtitle 28 of the Baltimore City Code (2014) is available on the website at: <u>www.baltimorecity.gov/Government/Citychartercodes.aspx</u> or at the Minority and Women's Business Opportunity Office.

1. **BID REQUIREMENTS**

Bid must include a commitment to utilize MBEs and WBEs at a percentage that equals or exceeds the contract goals indicated in the contract specifications. Bidder must submit the following completed documents WITH THE BID:

Part B: Statement of Intent Form(s) – to be signed by Bidder and MBE or WBE
Part C: Statement of Self-Performance – if applicable, to be signed by Bidder
Part D: MBE/WBE Participation Affidavit – to be completed and signed by Bidder
Part E: MBE/WBE Participation Waiver Request – to be completed and submitted
by Bidder if unable to meet the participation goals

Any bid that does not include signed Statement of Intent Form(s) and the MBE/WBE Participation Affidavit is non-responsive and will be rejected.

Bidder must keep a record of its efforts to obtain MBE and WBE participation.

2. VERIFYING CERTIFICATION

Bidder is responsible for verifying that each MBE and WBE to be used on a contract is certified by the Minority and Women's Business Opportunity Office (MWBOO) at bid opening. The MBEs and WBEs named must be certified to provide the services that they are listed to perform, and the services must be required as part of the work on this contract. A directory of certified MBEs and WBEs is available online at <u>http://cityservices.baltimorecity.gov/law/mwboo</u> or at the offices of MWBOO. (Art. 5, §28-48(d))

3. COUNTING MBE AND WBE PARTICIPATION

a) Participation of M/WBE's

A business enterprise that is certified as both an MBE and WBE (M/WBE) may not be counted toward both the MBE and WBE goals for the same project. The bidder must select the goal to which the business enterprise is to be counted. (Art. 5, §28-31(b) and §28-35))

b) Credit for Self-Performance

A bidder that is an MBE or WBE may count up to 50% of the dollar value of the work it intends to perform with its own forces toward the applicable MBE or WBE goal. The amount of credit may not exceed the MBE's or WBE's available work capacity as calculated with the Contractor Prequalification rules. Intentions to count self-performance toward the MBE or WBE goal must be indicated on Part C: Statement of Intent to Self-Perform. (Art 5, §28-31(d)).

c) <u>Commercially Useful Function</u>

The bidder may count toward the contract goals only expenditures to MBEs and WBEs that perform a commercially useful function in the execution of the contract. Commercially useful function means the performance of real and distinct work for which the business enterprise has the skill, expertise and actual responsibility to perform, manage and supervise. (Art. 5, §28-32)

d) Joint Ventures

A bidder may count toward the contract goal the portion of its expenditure to a joint venture that is equal to the percentage of the MBE or WBE participation in the joint venture. The MBE or WBE member of the joint venture must have an interest in the control, management, risks and operation of the joint venture commensurate with the member's percentage of ownership. The MBE or WBE member of the joint venture must be responsible for a clearly defined portion of the work to be performed, equal to its share in the ownership, control and management of the joint venture. (Art. 5, §28-33)

e) <u>Subcontracting by MBE or WBE</u>

A bidder may not count toward its contract goal any agreement with a certified MBE or WBE subcontractor who intends to subcontract more than 10% of the dollar amount of the services to be performed under its agreement with the bidder. This restriction does not apply to an MBE's or WBE's contracts for the purchase of materials, equipment or supplies that are incidental to the performance of services under its agreement with the bidder. (Art. 5, §28-34)

f) <u>Manufacturers and Suppliers</u>

Manufacturers – A bidder may count toward the contract goal its entire expenditure to a certified MBE or WBE that manufactures the goods supplied. (Art. 5, §28-36)

Non-Manufacturers – Only 25% of each contract goal may be attained by expenditures to MBEs and WBEs that are non-manufacturing suppliers. (Art. 5, §28-37)

Example: If the bid amount is \$100,000 and the MBE or WBE goal is 15% or \$15,000; then the limit for the MBE or WBE suppliers that are non-manufacturers is \$3,750 or 25% of the 15% goal.

g) Insurance Companies and Travel Agents

A bidder may count toward the contract goals only the fees or commissions charged by an MBE or WBE insurance company or travel agent (Art. 5, §28-38)

h) Financial Institutions

A bidder may count toward the contract goals only the fees charged and earned by an MBE or WBE financial institution. (Art. 5, §28-39)

i) Non Affiliation

A bidder may not use an MBE or WBE to meet a contract goal if the bidder has a financial interest in, has an interest in the ownership or control of, or is significantly involved in the operation of the MBE or WBE. (Art. 5, §28-41)

4. WAIVER REQUESTS

If a bidder is unable to comply with a contract goal, the bidder may submit a waiver request with the bid. The waiver request must be made on the MBE/WBE Participation Waiver Request Form. A waiver will not be granted unless the waiver request includes documentation that demonstrates good faith efforts to meet the goals. (Art. 5, §28-62)

5. SUBSTITUTION OF MBE OR WBE

The Minority and Women's Business Opportunity Office must approve substitution of an MBE or WBE specified at bid opening. Any unjustified failure to comply with this requirement is a material breach of contract. (Art. 5, §28-63(a))

6. **CONTRACT REQUIREMENTS**

During the term of the contract, any unjustified failure to comply with the levels of MBE and WBE participation identified in the bid is a material breach of contract. (Art. 5, §28-48 (e))

Before final payment, the contractor must submit the Subcontractor Utilization Form with its final payment request. The Subcontractor Utilization Form will include a list of the names of all subcontractors utilized on the contract, both MBE/WBE and non-MBE/WBE, the total amount paid to each subcontractor, and the owner's race/ethnicity and gender.

The Contractor understands that the phrase "segregated facilities" includes facilities, which are, in fact, segregated on the basis of race, color, sex, or national origin because of habit, local custom, or for any other reason.

(2) The Contractor also understands and agrees that maintaining or providing segregated facilities for his/her employees or permitting his/her employees to perform their services at any locations, under his/her control, where segregated facilities exist is a violation of the requirements appearing in Executive Order 11246 as amended by Executive Order 11375.

(3) The Contractor further understands and agrees that a breach of this Contract subjects him/her to the provisions of the rules and regulations issued by the Office of Federal Contract Compliance dated May 21, 1968, and the provisions of the Equal Opportunity Clause incorporated in the contract between Contractor and the City of Baltimore. Whoever knowingly and willfully makes any false, fictitious, or fraudulent representation may be liable to criminal prosecution under 18 USC, Item 1001.

GC57. PREVIOUS COMPLIANCE. If an Offeror failed to comply with all of the terms and conditions of a prior City contract, including but not limited to bid prices or failure to satisfy MBE/WBE participation goals, then the Board of Estimates may, in its discretion, reject his/her/its bid for this Contract.

GC58. CONTRACT DISCLOSURE REQUIREMENT. Upon the City's request, and only after filing a complaint against the Contractor pursuant to Article 5, Subtitle 29, of the Baltimore City Code, as amended from time to time, the Contractor agrees to provide the City within sixty (60) calendar days, a truthful and complete list of the names of all subcontractors, vendors, and suppliers that Contractor has used in the past four (4) years on any of its contracts that were undertaken with the Baltimore City Market Area as defined in Article 5, §28-1(d) of the Baltimore City Code, as amended from time to time, including the total dollar amount paid by the Contractor for each subcontract or supply contract. The Contractor agrees to fully cooperate in any investigation conducted by the City pursuant to the City's Commercial Non -Discrimination Policy, as contained in Article 5, Subtitle 29, of the Baltimore City Code as amended from time to time. The Contractor understands and agrees that violation of this clause is a material breach of this Contract and may result in Contract termination, debarment, and other sanctions.

From: Parry, Kyle [mailto:Kyle.Parry@baltimorecity.gov] Sent: Thursday, March 09, 2017 1:56 PM To: Sacca, Michael A Subject: RE: UHC - Disruption File

Hi Michael, DHR has advised that you complete the file as it was provided.

Kyle Parry Procurement Specialist II Baltimore City Bureau of Purchases www.BaltimoreCitiBuy.org 410-396-3002

From: Sacca, Michael A [mailto:michael sacca@uhc.com] Sent: Thursday, March 09, 2017 11:03 AM To: Parry, Kyle Subject: UHC - Disruption File

Hi Kyle,

We conducted a review of the disruption file and identified many providers are duplicated. As an example, a provider may be listed as Dr. John Smith, then on a subsequent line they're listed as Dr. John Smith MD (both data points have the same address, name, specialty and Tax ID #, the difference is the addition of "MD"). Additionally, the file has missing or invalid TAX ID numbers or other missing data elements. My concern is a carrier's disruption analysis will be over or under overstated, depending if the provider is in the network (since they're accounted for twice).

Is the city willing to allow carriers to use the repricing file (already provided within the bid) for the disruption analysis? This file is more accurate and will provide a fair analysis.

Thank you,

Michael Sacca

MOB - maintenance of benefits or also called Carve-out and Non-duplication - Calculates the plan?s payment as if there were no Medicare coverage, applies the deductibles, coinsurance and other plan limits and pays the remaining amount minus what Medicare pays. c. The Depart --The Department of Finance recommends approval of Solicitation B50004890, Medical Administration Services for HMO and PPO Plans, as designated by the Bureau of Purchases on page 41 item 4 of today's agenda. It is imperative that City employees and retirees have health and vision benefits plans beginning January 1, 2018. Therefore, I concur with the emergency declaration pursuant to Article VI, Section 11 (e)(i) of the Baltimore City Charter." President: "Okay."

Mr. Raymond: "Thank you."

is William Stowe, uh -- this is the uh -- the Counsel, Co-Counsel for United HealthCare. My name is Robert Fulton Dashiell, I represent United HealthCare. Beside Bill is uh -- Dean Destvar, whose an Associate General Counsel and to his immediate left is uh Mike Halton who is the Senior Vice President with the company. In deference to uh -- the President who has indicated the very tight schedule and of course everybody's time is important. But I understand that the President is attending the funeral of um -- my good friend, Delegate Branch's grandson. So, the presentation that we had intended to make through everyone here -- I am going to um -- I am going to um -- cut short and uh -- cut to the chase. The -- We oppose, that is to say that United Healthcare opposes the recommendation from my good friend, Mr. Ray, Mr. Henry because primarily cause neither of the firms that are recommended for award achieved the Minority Business Participation goals specified in the RFP. Uh, and we do not believe that this is a zero sum situation. We do not believe that the difference here is between City retirees and -- and -- and uh -- active enrollees having health and vision insurance or not having it. We understand how

3746

important it is for the 40,000 or so people in that group to have those benefits, we represent. We currently provide services to 8,000 of those - of those individuals. However, we -- we think that in a City that it currently prides itself on moving forward that moving forward is a straight line, it's not circular. In 1991, the late Jackie McLean sat in that chair Madam Comptroller, and she sponsored what was then Ordinance 790, the City's Minority Business Enterprise Law. The City over the 25 years since then, has become nationally renowned for having the best MBE Program of it's -- certainly of any local jurisdiction. In fact, it became the model for the State of Maryland and other jurisdictions around the country. We believe that uh -- I believe -- first of all I am happy to have participated in that process. But, I believe that an award as recommended would be an abomination to the hard work that has been achieved over that period of time. Neither -- let me just -- I am going to -- let me just talk about the package that was submitted by CareFirst, if I may. Uh, the agenda would have you to believe CareFirst achieved approximately that 11% MBE participation and 3.39% WBE participation. The fact of the matter

is, CareFirst has achieved no participation in either category. The fact is, that in their MBE package they put the word estimate beside every single entry. Estimate means maybe, that's not a commitment to do anything. Never, ever in the history of this Board have you accepted even in the requirements contract where we know the quantity is unknown."

Mayor: "Right."

<u>Mr. Dashiell:</u> "This Board has never ever accepted an estimated commitment because it's no commitment at all. It is no commitment at all. We don't - It's not zero sum. What -- what do we think you ought to do? What do I think you ought to do -- and I going to --I am going to quit because I know we don't have time. You really ought to start all over again. This is not a situation where the employees will be left without insurance. They have insurance. They have insurance now. I don't know whether it would take three months or six months to do it over but we spent 25 years getting it right. We spent 25 years getting the MBE Program right and to toss it aside -- toss it aside for expediency sake is wrong. That's all we have to say."

- Mayor: "Thank you."
- President: "Thanks."
- President: "Madam Mayor."

<u>Mayor:</u> "Mr. President, um -- Madam Comptroller, um -- Thank you for your uh - well, your words that you shared with us. I was going to say thank you for your protest but thank you for the words that you shared. But, let me just say this, we do take MBE, WBE very seriously. Uh -- in this administration it has -- as I said to folks, it's really not about continuing to ask folks to be compliant, it's about being normal. It should be the normal thing to do and so as a result uh -- what I would like to uh -- ask is that these companies do come into compliance within the next ten days and if they are not in compliance we will forbid them from bidding on any contract as it relates to the City. Ten days. I would like to put that in a form of a motion."

Comptroller: "Second."

President: "I entertain a motion."

City Solicitor: "Mr. President, I would um --"

Mayor: "Before you -- Go ahead."

President: "Go ahead, we have to -- I -- I rescind the Motion."

<u>Mayor:</u> "Before we um -- depart I think it is important that I introduce Andre Davis who is a former Federal Judge who is now a member of our staff, now, our City Solicitor and so now I ask you all to welcome him as this is his first meeting."

President: "Welcome."

City Solicitor: "Thank you very much."

(Applause)

President: "Uh -- I'll entertain a Motion."

<u>City Solicitor:</u> "I have a Motion, Mr. President uh -- with a full understanding of the gravity of the matter uh -- but because it is in the best interest of the City uh -- I move that the Board deny the protest and award the contract as recommended by the Bureau of Purchases. While doing so, I note that the failure as the Mayor has indicated of the awardees to come into compliance with the MBE and WBE goals may result in the vendors being disqualified from bidding on future proposals. I further note that these uh -contracts once the Board approves them, will be approved in accordance with the Charter, Article VI, Section 11 (e)(i), that is the emergency procurement provision under which we are proceeding today. That is my motion Mr. President."

Comptroller: "Second."

<u>President:</u> "All those in favor say AYE. All opposed NAY. The Motion carries."
