NOTICE:

1. On January 22, 2014, the Board of Estimates approved the Resolution on the Regulation of Board of Estimates Meetings and Protests, effective February 05, 2014. Pursuant to the Resolution:

   a. Anyone wishing to speak before the Board, whether individually or as the spokesperson of an entity must notify the Clerk of the Board in writing no later than noon on the Tuesday preceding any Board meeting, or by an alternative date and time specified in the agenda for the next scheduled meeting. The written protest must state (1) whom you represent and the entity that authorized the representation; (2) what the issues are and the facts supporting your position; and (3) how the protestant will be harmed by the proposed Board action.

   b. Matters may be protested by a person or any entity directly and specifically affected by a pending matter or decision of the Board. In order for a protest to be considered, the protestant must be present at the Board of Estimates meeting at 9:00 A.M., in Room 215, City Hall.

   c. A Procurement Lobbyist, as defined by Part II, Sec. 8-8 (c) of The City Ethics Code must register with the Board of Ethics as a Procurement Lobbyist in accordance with Section 8-12 of The City Ethics Code.

The full text of the Resolution is posted in the Department of Legislative Reference, the President of the Board’s web site, (http://www.baltimorecitycouncil.com/boe_agenda.htm) and the Secretary to the Board’s web site (http://www.comptroller.baltimorecity.gov/BOE.html).

Submit Protests to:
Attn: Clerk,

Law Department – Settlement Agreement and Release

**ACTION REQUESTED OF B/E:**

The Board is requested to approve and authorize execution of the Settlement Agreement and Release of the claim of Mr. Yaakov Abergel, Plaintiff, against the Mayor and City Council of Baltimore.

**AMOUNT OF MONEY AND SOURCE:**

$47,500.00 – 2044-000000-1450-703800-603070

**BACKGROUND/EXPLANATION:**

The Plaintiff alleges that on or about September 2, 2014, at 3729/31 Clarinth Rd., he stepped on a water meter cover which flipped over and caused him serious injuries. This included a large complex lateral meniscus tear to the right knee, and trauma to his hip and right shoulder. He was 24 years old at the time and contends, with supporting expert evidence that he has permanent injuries.

Based on a review of the legal and factual issues presented by this claim, the Settlement Committee of the Law Department recommends that the Board of Estimates approve the proposed settlement of this claim.

**APPROVED FOR FUNDS BY FINANCE**

(The Settlement Agreement and Release has been approved by the Law Department as to form and legal sufficiency.)

Mayor’s Office of Criminal Justice – Agreement

ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize execution of an Agreement with the House of Ruth Maryland, Inc. The period of the agreement is July 1, 2018 through June 30, 2019.

AMOUNT OF MONEY AND SOURCE:

$499,950.00 - 6000-613116-2252-247800-600000

BACKGROUND/EXPLANATION:

Baltimore City Code, Article 5, §48-1 (2014 Edition) requires the Clerk of the Circuit Court of Baltimore City to collect an additional $75.00 for the issuance of marriage licenses in Baltimore City and to transfer the proceeds from this additional fee to the City on a monthly basis into a special fund (up to a maximum of $500,000.00). Monies collected benefit domestic violence shelter programs and are distributed to the House of Ruth Maryland, Inc., in proportion to the number of domestic violence victims it serves. The Baltimore City Police Department is the City agency designated to administer and distribute the funds.

Health Department – Revised Notice of Award

ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize acceptance of the Revised Notice of Award (NOA) from the Department of Health and Human Services (HHS), Substance Abuse and Mental Health Services Administration (SAMHSA), for the project titled, Resiliency in Communities to Heal from Trauma (ReCAST) West Baltimore: Empowering Communities to Heal from Trauma.

AMOUNT OF MONEY AND SOURCE:

$25,000.00 - 4000-483519-3080-294600-603051

BACKGROUND/EXPLANATION:

On October 12, 2016, the Board approved the initial NOA in the amount of $3,000,000.00 for the period of September 30, 2016 through September 29, 2021. The initial award contained special terms for multi-year funding. A total of three 12-month incremental spending periods, and restricted expenditures to $1,000,000.00 during the following periods: September 30, 2016 through September 29, 2017, September 30, 2017 through September 29, 2018, and September 30, 2018 through September 29, 2019.

On December 30, 2017, the Department requested approval from the grantor to carryover unobligated funds in the amount of $445,103.00 from the first 12-month spending period of September 30, 2016 through September 29, 2017, to the second 12-month spending period of September 30, 2017 through September 29, 2018.

On March 14, 2018, the Board approved the amended NOA dated January 22, 2018 for the carryover of funds. This revised NOA provides supplemental funding in the amount of $25,000.00 for the purchase of Technical Assistance or for other allowable activities under the grant. This makes the total award amount $3,025,000.00.

Department of Housing and Community Development

ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize execution of the Memorandum of Agreement (MOA) between the Housing Authority of Baltimore City (HABC) and the Maryland State Historic Preservation Officer. This MOA will expire on September 8, 2021.

AMOUNT OF MONEY AND SOURCE:

N/A

BACKGROUND/EXPLANATION:

In 2016, the City and the State of Maryland entered into Project CORE (Creating Opportunities for Renewal and Enterprise), a joint initiative to devote significant resources to the transformation and redevelopment of Baltimore City, while providing workforce development and job creation. As part of this initiative, many vacant and deteriorating structures are being demolished.

Because much of this demolition is occurring within historic areas of Baltimore, and because the State of Maryland is funding much of the demolition, the undertaking is subject to review and consultation under the terms of the Maryland Historical Trust Act of 1985, as amended. Therefore, on September 8, 2016, the Maryland Department of Housing and Community Development, the Maryland Historical Trust, and the City entered into a Programmatic Agreement (PA) pursuant to the Act, to resolve the adverse effects of Project CORE on historic properties. Pursuant to that agreement, the parties consulted and arrived at agreed-upon measures to mitigate the adverse effects of the demolition on historic resources. Those mitigating measures were satisfactorily completed.

However, it has emerged that thirteen of the affected properties are in fact owned by the HABC, a body funded by and representing the United States Department of Housing and Urban Development.
Thus, the transfer of title of those properties to the City for the purpose of demolition constitutes a federal undertaking subject to Section 106 ("Section 106") of the National Historic Preservation Act ("NHPA"). Until the review requirements of Section 106 are satisfied (meaning the execution of this MOA), the demolition of the thirteen properties, as well as the rows and groups of which they are parts (totaling ninety-seven properties) cannot proceed.

The consultation and mitigation requirements of Federal Section 106 are materially the same as those of the Maryland Historical Trust Act. Therefore, rather than repeat the consultation and mitigation process already completed under the state law, the most efficient course is to enter into a Memorandum of Agreement under the terms of the NHPA that stipulates that the consultation and mitigation measures already completed under the state law are deemed to satisfy the requirements of the Federal NHPA as well. To that end, the HABC, the City and the Maryland Historical Trust, acting in its federal capacity as the State Historic Preservation Officer for Maryland, have entered into this Memorandum of Agreement, which the Department respectfully requests the Board to approve.

Prior to such time, the HABC may consult with the other Signatories to reconsider the terms of the MOA and amend it in accordance with the MOA.

AUDITS REVIEWED AND HAD NO OBJECTION.

(The Memorandum of Agreement has been approved by the Law Department as to form and legal sufficiency.)
ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize execution of the Land Disposition Agreement with Dreamhouse, LLC, Developer, for the sale of the City-owned property located at 802 Whitmore Avenue.

AMOUNT OF MONEY AND SOURCE:

$9,500.00

BACKGROUND/EXPLANATION:

The project will involve the complete rehabilitation of the vacant building into a single family home, which will be sold to a homebuyer at market rate.

The authority to sell the property is given under Baltimore City Code, Article 13, § 2-7(h) of Baltimore City Code.

STATEMENT OF PURPOSE AND RATIONALE FOR SALE BELOW THE PRICE DETERMINED BY THE WAIVER VALUATION PROCESS:

In accordance with the Waiver Valuation Process in the City’s Appraisal Policy, the DHCD has determined the property located at 802 Whitmore Avenue, to be valued at $9,500.00 and will be sold for $9,500.00. Therefore, this section is not applicable.

MBE/WBE PARTICIPATION:

The Developer will purchase the properties for a price that is less than $50,000.00 and will receive no City funds or incentives for the purchase or rehabilitation; therefore, MBE/WBE is not applicable.

(The Land Disposition Agreement has been approved by the Law Department as to form and legal sufficiency.)
ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize execution of the Land Disposition Agreement with Eugene L. Ringgold, Developer, for the sale of the City-owned properties located at 1622 and 1624 E. Chase Street.

AMOUNT OF MONEY AND SOURCE:

$1,000.00 - 1622 E. Chase Street
7,500.00 - 1624 E. Chase Street
$8,500.00

BACKGROUND/EXPLANATION:

The property located at 1624 E. Chase Street is a boarded vacant three-story row house that is in need of rehabilitation. The Developer’s plan is to reside in the property once renovations are completed. The vacant lot at 1622 E. Chase Street will be used as a green space.

The City is authorized to dispose of the properties by virtue of Article 13 2-7(h)(2)(ii)(c), and Article 28, Subtitle 8 of the Baltimore City Code.

1622 E. Chase Street was journalized and approved for sale on December 6, 2012.

A good faith deposit in the amount of $850.00 will be made prior to closing and the remaining balance of $7,650.00, will be paid in full at closing.

The project will be privately funded by the Developer.

STATEMENT OF PURPOSE AND RATIONALE FOR SALE BELOW THE PRICE DETERMINED BY THE WAIVER VALUATION PROCESS:

The property known as 1624 E. Chase Street was priced pursuant to the appraisal policy of Baltimore City. The Waiver Valuation
DHCD - cont’d

Process was used in determining its price at $7,500.00.

Also, pursuant to the Appraisal Policy of Baltimore City, properties assessed below $2,500.00, by the State Department of Assessments and Taxation do not have to be appraised to determine their value. The property known as 1622 E. Chase Street assessed at $1,000.00 and will be sold for $1,000.00.

The properties will be sold below the Waiver Valuation Price for the following reasons:

- stabilization of the immediate area,
- the elimination of blight,
- the sale will provide economic development,
- the generation of real estate and other taxes, and
- the Developer plans to reside in the property as a homeowner

**MBE/WBE PARTICIPATION:**

The Developer will purchase the properties for a price that is less than $50,000.00 and will receive no City funds or incentives for the purchase or rehabilitation; therefore, MBE/WBE is not applicable.

(The Land Disposition Agreement has been approved by the Law Department as to form and legal sufficiency.)
ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize execution of the Community Development Block Grant Agreement (CDBG Agreement) with Liberty’s Promise, Inc. The period of the agreement is July 1, 2018 through June 30, 2019.

AMOUNT OF MONEY AND SOURCE:

$48,000.00 - 2089-208919-5930-791830-603051

BACKGROUND/EXPLANATION:

The CDBG Agreement will provide operating support for an after-school program on civics and citizenship and paid internships for low-to moderate-income immigrant and refugee youth between the ages of 15 - 19 that attend Patterson High School in the Bayview-Hopkins area and the Benjamin Franklin High School in the Brooklyn area of the City.

On August 8, 2018, the Board approved the Resolution authorizing the Commissioner of the Department of Housing and Community Development (DHCD), on behalf of the Mayor and City Council, to file a Federal FY 2018 Annual Action Plan for the following formula programs:

1. Community Development Block Grant (CDBG)
2. HOME Investment Partnership Act (HOME)
3. Emergency Shelter Grant Entitlement (ESG)
4. Housing Opportunity for People with AIDS (HOPWA)

The Department began negotiating and processing the CDBG agreements effective July 1, 2018 and beyond, as outlined in the Plan, pending approval of the Resolution. Consequently, the agreements were delayed due to final negotiations and processing.

The proceeds of the City’s loans will be restricted solely to finance a portion of the hard construction costs of the construction.
BACKGROUND/EXPLANATION:

CASA is a community organization that was founded in 1985 in a church basement by Central American refugees and North Americans. CASA was created in response to the human needs of the thousands of Central Americans arriving to the Maryland/District of Columbia area after fleeing wars and civil strife in the countries of origin.

CASA, is one of the foremost Latino and immigrant organizations in the Mid-Atlantic region and a national leader in building and improving the quality of life in low-income immigrant communities. Its vision is for a future in which diverse and thriving communities live free from discrimination and fear and work together with mutual respect to achieve full human rights for all. CASA’s primary mission is to work with the community to improve the quality of life and fight for equal treatment and full access to resources and opportunities for low-income Latinos and their families.

CASA offers health assistance, medical interpretations, English classes, financial literacy classes, vocational training, social services, leadership development, legal services, and placement for low-income Latino and other immigrant families. For the past 10 years, CASA has operated a center in southeast Baltimore, renting 3,000 square feet of space to provide employment, placement, and support services.

To establish a permanent and expanded space for its programming, CASA conducted a comprehensive search of more than 20 potential properties, and purchased a 16,000 square-foot building located in the Library Square area of Baltimore City, located at 2706 Pulaski Highway (the Property). The building, formerly a historic theater, has been unoccupied following the closure of a discount furniture store in April 2015. Following the planned renovation, the property
DHCD - cont’d

will contain 16,000 square feet of rentable area to be used for expanded programs in order to grow workforce development programs to include job placement services; on-site vocational training courses, offered in partnership with community colleges; an on-site vocational training lab; an incubation center for housing and economic development opportunities; and English for Speakers of Other Languages Classes (the Project).

Because of the complicated financing structure that is required by Historic Tax Credits and New Market Tax Credits, the City Loan proceeds (the City Loan Proceeds) will be disbursed in total to the Borrower. The amounts equal to the City Loan Proceeds will be leveraged through the New Markets Tax Credit structure as follows: there will be a loan from the Borrower to a joint venture (the Joint Venture) of PNC Bank, National Association, and two leverage funds (collectively, the Leveraged Funds), one associated with the Reinvestment Fund, Inc. and one associated with Raza Development Fund, Inc.; there will be a qualified equity investment from the Joint Venture into two community development entities (collectively, the “CDEs”); and there will be a qualified low-income community investment (QLICI) loan from the CDEs into CASA Baltimore Neighborhood Center, LLC (the Owner), an affiliate of CASA de Maryland, Inc., and the owner of the Property.

A regulatory agreement ensuring that the Owner complies with the Project Restrictions and other requirements of the City Loan will be recorded and run with the land but will be subordinate to liens associated with the project financing. At the end of the compliance period of the New Market Tax Credits that are being used to finance in part the redevelopment of the Property (the Compliance Period), the Borrower will arrange to have the City Loan secured by a lien on real property or other collateral whose appraised value is not less than the outstanding principal and interest of the City Loan, or which is otherwise satisfactory to the City. The City agrees that to the extent the Borrower arranges
DHCD – cont’d

for permanent financing of the Project at the end of the Compliance period, the payment of the City Loan and terms, conditions, and lien of the City’s mortgage, if any, will be subordinate to the terms, conditions, and lien of any mortgage securing any component of such financing, and the City agrees to enter into a commercially reasonable subordination and standstill agreement with any such permanent lender.

The Borrower will represent and warrant that the City Loan Proceeds will be used solely for hard costs of constructing the Project (Approved Construction Costs) in accordance with an approved development budget and draw schedule, both to be reviewed and approved by the City prior to closing of the City Loan. The Borrower will submit draw requests, or a copy thereof, to the City showing that the proceeds of the City Loan are being used to reimburse expenditures for hard costs. Following the completion of construction, the Borrower will submit a written certification as to the final hard costs funded by the City Loan Proceeds.

An appraisal was prepared on July 10, 2018, by Cushman & Wakefield. The prospective market value, upon completion, was determined to be $2,800,000.00.

The infusion of Historic Tax Credits and New Market Tax Credits provides roughly $8,000,000.00 of equity to assist with the rehabilitation of dilapidated commercial structures such as the Project. The combination of these tax credits will encourage investment in projects such as this. Because of tight market conditions, the reluctance of financial institutions to lend funds, and an unproven commercial market, the appraised value of the building is less than optimal. In addition, the commercial rents achievable by developer may limit the projected cash flow and appraised value. The Developer’s intention is that by rehabilitating a long, vacant structure, it will breathe new
DHCD – cont’d

life into the neighborhood and encourage other development that will in turn further increase the value of the project.

PARTICIPATING PARTIES:

A. Borrower, Developer, and Tenant: CASA de Maryland, Inc. (the Borrower) will be the Borrower with respect to the City Loan. The Borrower will be the Developer of the Project and the Tenant at the Property.

B. Owner: CASA Baltimore Neighborhood Center, LLC will be the Owner.

C. General Contractor/Architect: The general contractor will be Hamel Commercial, Inc., which will post a 100% Payment and Performance Bond. Architectural services will be provided by JRS Architects, Inc.

D. Participating Financing Agencies:

(1) Leverage Funds: The Joint Venture will be an entity controlled by the Reinvestment Fund, Inc. and Raza Development Fund, Inc. The Joint Venture leverages the various tax credit equity payments and makes a capital contribution to two sub-CDEs who make the QLICI loan to the Owner.

(2) CDEs: The CDEs are Raza Development, Fund, Inc. and the Reinvestment Fund, Inc. The CDEs receive the allocation of the tax credits that were made available to the Joint Venture to sell to PNC as the New Markets Tax Credit Investor.
E. City Loans: The City will make available Community Development Block Grant funds in the amount of $750,000.00 and general funds in the amount of $500,000.00 in one or more loans (collectively, the City Loan). The City Loan will have a term of 20 years following construction completion (the Maturity Date); interest will accrue at the rate of 1% per year; no payments will be due during the term; and provided that no event of default has occurred and is continuing, the principal of and all outstanding interest on the City Loan will be forgiven on the Maturity Date. Following the completion of construction, the Borrower will submit written certification as to the final hard costs funded by the City Loan Proceeds.

The City Loan will be secured primarily by the corporate pledge of the Borrower. The Borrower has agreed that at the end of the period in which the new market tax credits may be subject to recapture (expected to be seven years), the Borrower will secure the City Loan by either granting the City’s subordinate lien on the property or providing other collateral, such as a Letter of Credit. The City will record a Regulatory Agreement on the property that will require the Owner to comply with restrictions and certain other requirements of the City Loan.

The sale or refinancing of the Development without the consent of the City will be an event of default and the principal amount of the City Loan plus any and all outstanding interest owed will be immediately due.

Department of Housing and Community Development (DHCD) - HOME Investment Partnerships Program Loan Extension, Intercreditor and Subordination Agreement

**ACTION REQUESTED OF B/E:**

The Board is requested to approve (i) the extension of the existing maturity date of the HOME Loan from November 1, 2049, to March 1, 2054, and (ii) and an Intercreditor and Subordination Agreement for the Cherrydale Apartments located at 1118 Cherry Hill Road between the Mayor and City Council of Baltimore, acting by and through the Department of Housing and Community Development and AGM Financial Services, Inc., the FHA 223(f) lender.

The Board is further requested to authorize the Commissioner of the Department of Housing and Community Development to execute any and all documents to effectuate this transaction subject to review and approval for form and legal sufficiency by the Department of Law.

**AMOUNT OF MONEY AND SOURCE:**

No additional City funds are required at this time.

**BACKGROUND/EXPLANATION:**

On May 29, 2008 the Board approved a HOME Investment Partnerships’ Program loan (The HOME Loan) in the amount of $2,090,000.00 to Cherrydale Limited Partnership (the Borrower), a Maryland Limited Partnership which is an affiliate of Enterprise Homes, Inc. (Enterprise). The proceeds of the HOME Loan (the HOME Loan Proceeds) were used to assist with a portion of the acquisition, and substantial rehabilitation of 18 three-story apartment buildings which consist of 186 residential rental units. One hundred fifty of the rental units are affordable to persons or families with incomes at or below 60% of the area median income (AMI), adjusted for family size. The remaining 36 units are subject to income levels established under the Federal Low-Income Housing Preservation and Resident Homeownership Act.
DHCD – cont’d

The HOME Loan is currently secured by a third lien Deed of Trust on the property and accrues interest at 3.95% per annum for a permanent loan period of 40 years. Repayment of principal and interest are due from available surplus cash. No payments have been received to date by the City. All unpaid principal and accrued interest are currently due on November 1, 2049. As of December 31, 2017, the outstanding principal balance amounted to $2,090,000.00, and interest on the HOME Loan accrues in an amount equal to $82,555.00 per year. Accrued interest payable as of December 31, 2017, was $680,796.00 and as of December 31, 2016, was $598,241.00.

The HOME Loan is currently subordinate to the existing first-priority loan (the “Existing First Loan”) held by Wells Fargo Bank, National Association (the “Existing First Lender”) and a second-priority Maryland Housing and Rehabilitation Program loan (the “State Loan”) from the State of Maryland. The Existing First Loan has a current outstanding balance of approximately $3,487,655.00, bears interest at the rate of 6.19%, is scheduled to mature on September 1, 2049, and is insured by HUD through its 221(d)(4) program.

Recently, the Borrower has received a more favorable commitment and loan restructuring to refinance the Existing First Loan. The Borrower’s refinancing plan contemplates a new first lien HUD-insured 223(f) first mortgage originated by AGM Financial (the New First Lender) in the approximate principal amount of $4,832,800.00 (the New First Loan). The New First Loan will have an interest rate of approximately 4.25%, so the debt service payment is forecasted to increase by less than $1,000.00 per month despite the higher principal amount.

With respect to the proposed refinancing, the proceeds of the approximately $1,350,000.00 increase in the amount of the first lien will be used to: (a) cure deferred maintenance (approximately $122,000.00); (b) increase the current replacement reserves (approximately $330,000.00); (c) pay for third party costs related to the refinancing (approximately $222,000.00); (d) as further
DHCD – cont’d

described below, pay back a portion of the deferred development fee to Enterprise (approximately $527,000.00); (e) make partial payment of accrued interest on the HOME Loan; and (f) make a partial payment of the State Loan (approximately $29,000.00).

A deferred development fee totaling approximately $793,924.00 is owed by the Borrower to Enterprise pursuant to a development fee agreement between Enterprise and the Borrower, which agreement obligates the Borrower to pay the balance of the deferred fee no later than December 21, 2020, in order that the partnership avoid tax credit recapture.

In connection with the refinancing, the Borrower is requesting the following changes to the terms of the HOME Loan: (i) extend the maturity date of the HOME Loan from November 1, 2049, to March 1, 2054, and (ii) subordinate the HOME Loan to the New First Loan. HUD policy requires subordinate loans to mature no earlier than the maturity date of any HUD-insured first mortgage. As a condition of the Department’s recommendation to the Board, the Borrower has agreed to pay a subordination fee in the amount of $5,000.00 plus a payment (to be applied to accrued and unpaid interest on the HOME Loan) of approximately $124,645.00.

An appraisal prepared by Principle Real Estates Consultants, dated August 11, 2018, determined that the Market Value at Fee Simple and meeting the income restrictions, is $9,900,000.00.

All other terms and conditions of the original HOME Investment Partnerships’ Program loan remain unchanged.

**MBE/WBE PARTICIPATION:**

**THE DIRECTOR OF FINANCE REVIEWED AND RECOMMENDED APPROVAL.**
ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize execution of the Contract for Loan Guarantee Assistance under Section 108 of the Housing and Community Development Act of 1974 for Fixed Rate Notes #B-02-MC-24-0010-A (i.e. East Baltimore Development, Inc.) and Fixed Rate Note #B-03-MC-24-0010 (i.e. Acme Warner) in the amounts of $7,483,000.00 and $7,059,000.00, respectively.

AMOUNT OF MONEY AND SOURCE:

No additional City funds are required at this time. However, the City will have to pay a one-time issuance cost on each of the new notes which is expected to be .05% of the loan amount.

BACKGROUND/EXPLANATION:

On July 7, 2004, the Board approved a loan in the amount of $21,200,000.00 from the United States Department of Housing and Urban Development ("HUD") to the City to finance the acquisition, demolition and relocation of certain properties associated with Phase I of the East Baltimore Development project (Note Number: B-02-MC-24-0010-A) redevelopment site. Concurrently, the City issued a fixed rate note to evidence this loan.

The HUD 108 Loan was for a term of 20 years. Payments are interest only for the first three years, which lowered the initial costs of repayment of the loan from Community Development Block Grant ("CDBG") funds. Interest only payments were set at a rate equal to the three-month LIBOR ("London Interbank Offering Rate") plus 20 basis points. In year 4, the loan was converted to a fixed rate loan pegged to yields on Treasury obligations of similar maturity set at the time of the HUD note sale.

On October 12, 2005, the Board approved a second Section 108 loan in the amount of $13,275,000.00 from HUD to the City to finance
Department of Housing and – cont’d
Community Development

the acquisition and redevelopment of Gateway South (formerly known as the Warner Street Corridor). Number: B-03-MC-24-0010). Funds were used to acquire properties, relocate tenants and demolish existing structures. Concurrently, the City issued a fixed rate note to evidence this loan.

The HUD 108 loan had a term of 20 years. Payments were interest only for the first three years, and the interest rate during the period was no greater than the three-month LIBOR ("London Interbank Offering Rate") offered plus 30 basis points. The permanent rate was tied to yields on Treasury obligations of similar maturity and set at the time of the HUD note sale in year 4. Real property tax increment payments captured by the existing TIF District were used to pay debt service payments.

The current outstanding balance on each of the notes is $7,483,000.00 and $7,059,000.00, respectively.

The Department was recently contacted by HUD regarding an upcoming public offering for the Section 108 Loan Guarantee Program and was offered the opportunity to participate in this offering. The City stands to save a substantial amount of money should it opt to refinance each of the notes.

By participating in the public offering, it is estimated that the City will save a total of $888,546.00 by the refinancing of both notes at a lower rate. This will significantly reduce the amount of interest to be paid on the outstanding balance of each of the notes.

The current EBDI 108 is anticipated to be paid off in August of 2024 and the Acme Warner 108 is scheduled to be paid off in August of 2025. The proposed refinancing will extend the repayment periods of each of the notes to August of 2028.
The public offering is tentatively scheduled for February 13, 2019. To participate in the HUD refinance, all executed documents must be returned to HUD Central by close of business on January 16, 2019.

The issuance costs for the East Baltimore Development Section 108 are estimated to be $37,415.00. The Department has agreed to pay this cost.

The issuance costs for the Acme Warner Section 108 are estimated to be $35,295.00 and will be paid by the City’s Department of Finance.

DIRECTOR OF FINANCE RECOMMENDS APPROVAL.

(The Contract for Loan Guarantee Assistance has been approved by the Law Department as to form and legal sufficiency.)
ACTION REQUESTED OF B/E:

The Board is requested to approve the acquisition of the leasehold interest in the property located at 1046 N. Milton Avenue, Block 1572, Lot 022, by gift from Ms. Silvia Vesperoni, Owner, SUBJECT to municipal liens, interest, and penalties, other than water bills.

AMOUNT OF MONEY AND SOURCE:

The Owner agrees to pay for any title work and all associated settlement costs, not to exceed $600.00 total. Therefore, no City funds will be expended.

BACKGROUND/EXPLANATION:

The DHCD, Land Resources Division strategically acquires and manages vacant or abandoned properties, which enables these properties to be returned to productive use and improve neighborhoods in Baltimore City.

The Owner has offered to donate to the City, title to the property located at 1046 N. Milton Avenue. With the Board’s approval, the City will receive clear and marketable title to the property, subject only to certain City liens. The City’s acceptance of this donation is less costly than acquiring the property by tax sale foreclosure or eminent domain.

The Owner will pay all current water bills up through the date of settlement. The DHCD will acquire the property subject to all municipal liens, and all interest and penalties that may accrue prior to recording a deed. The water bills must be paid as part of the transaction. A list of open municipal liens accrued through September 25, 2018, other than water bills, are as follows:

Department of Housing and Community Development (DHCD)

**ACTION REQUESTED OF B/E:**

The Board is requested to approve the acquisition of the leasehold interest in the property located at 1513 Rutland Avenue by gift from Mr. Samuel Twene, Owner, SUBJECT to municipal liens, interest, and penalties, other than water bills.

**AMOUNT OF MONEY AND SOURCE:**

The Owner agrees to pay for any title work and all associated settlement costs, not to exceed $600.00 total. Therefore, no City funds will be expended.

**BACKGROUND/EXPLANATION:**

The DHCD, Land Resources Division strategically acquires and manages vacant or abandoned properties, which enables these properties to be returned to productive use and improve neighborhoods in Baltimore City.

The Owner has offered to donate to the City, title to the property located at 1513 Rutland Avenue. With the Board’s approval, the City will receive clear and marketable title to the property, subject only to certain City liens. The City’s acceptance of this donation is less costly than acquiring the property by tax sale foreclosure or eminent domain.

The Owner will pay all current water bills up through the date of settlement. The DHCD will acquire the property subject to all municipal liens, and all interest and penalties that may accrue prior to recording a deed. The water bills must be paid as part of the transaction. A list of open municipal liens accrued through October 22, 2018, other than water bills, are as follows:

On November 9, 2011, the Board approved the third maintenance agreement with S&B that was in effect for two years (terminating October 30, 2013) and covered the revenue control equipment that was installed at the time at 16 facilities.

On October 30, 2013, the Board approved the fourth Maintenance Agreement with S&B and covered the revenue control equipment installed at 17 facilities for two years, terminating October 30, 2015.

On November 18, 2015, the Board approved the fifth Maintenance Agreement with S&B and covered the revenue control equipment installed at 17 facilities for two years, terminating October 30, 2017.

On November 22, 2017, the Board approved the sixth Maintenance agreement with S&B that covered the revenue control equipment installed at 17 facilities for one year, terminating October 30, 2018.

The PABC now requests approval of a two-year Maintenance Agreement with S&B for the equipment installed at 14 facilities because 3 facilities were leased long-term to MEDCO.

This equipment has made a significant contribution to the substantial increases in revenue that the PABC has experienced during the past nine years. The PABC is pleased with the functioning of the equipment and the service provided by S&B to date. This Maintenance Agreement will ensure the continued functioning of the equipment.

ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize execution of the Agreement with Johnson, Mirmiran & Thompson, Inc. under Project 1805, On-Call Mechanical/Electrical/Plumbing Design Services. The period of the agreement is four years or until the upset limit is reached.

AMOUNT OF MONEY AND SOURCE:

$2,000,000.00 - Upset limit

BACKGROUND/EXPLANATION:

Various City agencies on a continuing basis require mechanical/engineering/plumbing design services to modify, upgrade, or repair their facilities. Typically the work is limited in scope and/or of an urgent nature, which in either case should not be postponed until the customary engineering selection process can be executed.

Under this agreement these services will be provided as needs are identified. The costs of services rendered will be negotiated at a not-to-exceed price for each task assigned. Fees will be based on actual payroll rates. The payroll rate and multiplier have been reviewed by the Department of Audits.

The initial contract period will be four years, however projects started within the initial four year period may continue beyond the four-year time frame until completion.

The total fee for this agreement will not exceed $2,000,000.00 without a formal amendment. The Consultant was selected pursuant to the Architectural and Engineering Awards Commission procedures.

ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize execution of an agreement with Dewberry Engineers, Inc., under SC 948, Post Award Services (PAS) Brooklyn Wastewater Pumping Station Rehabilitation and Thioguard Chemical Feed Facility at Baltimore Street. The period of the Agreement is effective upon Board approval for three years or until the upset limit is reached, whichever occurs first.

AMOUNT OF MONEY AND SOURCE:

$394,236.45 - 9956-902547-9551-900020-703032

BACKGROUND/EXPLANATION:

The Office of Engineering and Construction is requesting the approval of SC 948, PAS for Brooklyn Wastewater Pumping Station Rehabilitation and Thioguard Chemical Feed Facility at Baltimore Street. This project is intended to provide engineering and technical services to support construction of SC 948.

The Consultant will assist the City in maintaining overall management of the project by providing coordination of all engineering disciplines and sub-consultants required to perform the scope of work by preparing monthly progress reports for this work to be attached to the monthly invoice, and managing the sub-consultants through monitoring of progress. In addition, the Consultant will monitor budgets and attend construction progress meetings, provide reviews of documents submitted by the contractor, and provide technical support to the City staff through construction and close-out of the construction project.

The scope of the original agreement includes On-Call Civil Engineering Services for various water and wastewater facilities’ projects including treatment plants, pumping stations and utilities which may include planning, design, and construction

AMOUNT OF MONEY AND SOURCE:

$144,610.63 - 9956-902943-9551-900020-705032

BACKGROUND/EXPLANATION:

The Office of Engineering & Construction has requested Dewberry Consultants, LLC to carry out a study to develop a Preliminary Design Report for each of the following four Wastewater Pumping Stations: McComas Street, Westport, Fort McHenry, and Locust Point. The Preliminary Design Report will assess current pumping station conditions, identify major deficiencies, and provide rehabilitation recommendations for each station.

The project consists of on-call consulting for various tasks assigned by the Office of Engineering & Construction on an as needed basis. The scope involves civil/structural consulting services for various water and wastewater facilities including treatment plants, pumping stations and utilities and may include planning, design, and construction phase services.

MBE/WBE PARTICIPATION:

The Consultant will comply with Article 5, Subtitle 28 of the Baltimore City Code and the MBE and WBE goals assigned to the original agreement of MBE: 27% and WBE: 10%.

MWBOO approved the request on 10/29/2018.

Contract No. 08000 - GoSection8-HOPWA Program - Mayor’s Office of Human Services - Req. No. R807386

The Board is requested to approve and authorize execution of the Purchase and License Agreement with Affordable Housing Network, LLC. The period of the agreement is January 23, 2019 through January 22, 2024.
Affordable Housing Network, LLC (d/b/a GoSection8.com) will provide reasonable rent determination software services that are customizable to meet the needs of the Mayor’s Office of Human Services (MOHS) and all of HUD funded rental assistance units. The MOHS must replace the current product with a web-based product that utilizes current rent reasonableness standards of HUD.

GoSection8.com’s web-based solution was chosen because the vendor’s software complied with all of HUD’s rent reasonableness requirements to produce reports and analysis of units. The vendor will also provide training to the staff members. The vendor is the owner and sole provider of this software.

It is hereby certified that the above procurement is of such a nature that no advantage will result in seeking nor would it be practicable to obtain competitive bids. On October 1, 2012, the City Purchasing Agent approved the initial award in the amount of $4,800.00. The award contained four renewal options. Subsequent actions have been approved. All renewal options have been exercised. The bid was competitively bid by the Maryland State Department of Budget and Management. The City of Baltimore is currently utilizing the Maryland State Contract for the services listed under the scope of work. The State has extended its contract through February 28, 2019. An extension is necessary to continue translation services for various City agencies until new contract is awarded by the State. The period of the extension is January 1, 2019 through February 28, 2019. The above amount is the City’s estimated requirement.

**MBE/WBE PARTICIPATION:**

Not applicable. Initial award was below the MBE/WBE subcontracting threshold of $50,000.00.

Department of Transportation – Amendment No. 2 to Agreement

ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize execution of Amendment No. 2 to Agreement with Whitman, Requardt & Associates, LLP, under project No. 1208, On-Call Transportation Planning/Policy/Feasibility. The Amendment No. 2 to Agreement will extend the period of the Agreement through January 13, 2022 or until the upset limit is reached, whichever occurs first.

AMOUNT OF MONEY AND SOURCE:

$1,000,000.00 – Increase in upset limit

BACKGROUND/EXPLANATION:

On January 14, 2015, the Board approved the original three-year Agreement, in the amount of $1,500,000.00, with Whitman, Requardt & Associates, LLP to assist the Planning Division in managing various tasks.

The scope of services includes, but is not limited to developing strategies to maximize State and Federal funding of transportation projects and identifying and capturing funding opportunities that include grant writing and grant administration.

On January 31, 2018, the Board approved Amendment No. 1 to allow for a one year time extension and an increase to the upset limit by $1,000,000.00 to continue design services for various projects.

Amendment No. 2 will extend the period of the Agreement through January 13, 2022 and increase the upset limit by $1,000,000.00 to continue design services for various projects. This will make the total upset limit $3,500,000.00.
MBE/WBE PARTICIPATION:

The Consultant will comply with Article 5, Subtitle 28 of the Baltimore City Code and the 23% MBE and 10% WBE goals established in the original agreement.

AUDITS NOTED THE TIME EXTENSION AND INCREASE IN THE UPSET LIMIT AND WILL REVIEW TASK ASSIGNMENTS.

(The Amendment No. 2 to Agreement has been approved by the Law Department as to form and legal sufficiency.)
