Bernice H. Taylor, Deputy Comptroller and Clerk

Glen Armstrong: “Good morning. Because Baltimore City offices were closed in observance of MLK Day, protests are being accepted up until 8:45 today. If there is anyone who would like to submit a protest at this time, please step forward. Let the record reflect that no response was heard.”

President: “Good morning. The January 17, 2018 meeting of the Board of Estimates is now called to order. In the interest of promoting the order and efficiencies of these hearings, persons who are disruptive to the hearing will be asked to leave the hearing room immediately. Meetings of the Board of Estimates are open to the public for the duration of the meeting. The hearing
room must be vacated at the conclusion of the hear -- hearing. Failure to comply may result in a charge of trespassing. I would to direct the Board members attention to the memorandum from my office dated January 16, 2018, identifying matters to be considered as routine agenda items together with any corrections and additions that have been noted by the Deputy Comptroller. I will entertain a Motion to approve all of the items contained on the routine agenda.”

City Solicitor: “Mr. President, I so move.”

Comptroller: “Second.”

President: “All those in favor say AYE. All opposed, NAY. The Motion carries. The routine agenda has been adopted.”

Re: PROTEST - PRIME AE Group, Inc.
Prequalification of Rivus Consulting, LLC

Dear Clerk, Board of Estimates:

PRIME AE Group, Inc. (PRIME) submitted a request, under the Maryland Public Information Act found in Sections 4-101 through 4-601 of the General Provisions Article of the Code of Maryland enacted to provide public access to records maintained by local governments, to review the Consultant Application Information (Pre-Qualifications Documents) submitted by Rivus Consulting LLC. (This request includes both 2017 and 2016 submittals). On December 29, 2017, Brent M. Clemmens, Staff Attorney for DPW acknowledged receipt of our request and assured that it would be processed promptly. Mr. Clemmens stated that it could take up to thirty (30) days to provide the requested information.

PRIME respectfully requests that the Board delay action on the approval of the prequalification of Rivus Consulting, LLC until after the prequalification package previously requested can be provided to PRIME for review. Thank you for your consideration. You may contact me at 410.262.8359 or kumarb@primeeng.com or Maureen Cassel at 443.624.5308 or mcissel@primeeng.com.

Sincerely,

Kumar Buvanendran, PE
President and Chief Executive Officer
Department of Real Estate – Lease Agreement

**ACTION REQUESTED OF B/E:**

The Board is requested to approve and authorize execution of a Lease Agreement with Harford County Government, Maryland, lessee, for the rental of the basement of the premises known as 88 State Circle (City’s legislative liaison building). The space consists of 423.6 sq. ft. The period of the lease agreement is December 1, 2017 through November 30, 2018, with the option to renew for three one-year periods.

**AMOUNT OF MONEY AND SOURCE:**

$10,127.00 – The annual rent will be payable in monthly installments of $843.92

**BACKGROUND/EXPLANATION:**

The demised premises will be used for office and storage. The annual rent for renewal periods shall be negotiated prior to renewal. Lessor shall provide all utilities to the Leased Premises, including heat and air conditioning as required, water, gas, and electricity. Lessee shall be responsible for janitorial, insurance, and minor repairs. The Lease Agreement is late because of administrative review.

The Space Utilization Committee approved this Lease Agreement at its meeting December 12, 2017.
UPON MOTION duly made and seconded, the Board approved and authorized execution of the Lease Agreement with Harford County Government, Maryland, lessee, for the rental of the basement of the premises known as 88 State Circle (City’s legislative liaison building).
Department of Real Estate - Assignment of Tax Sale Certificate

**ACTION REQUESTED OF B/E:**

The Board is requested to approve the assignment of a Tax Sale Certificate for the property located at Block 5551, Lot 071 (descriptively known as SWS 22-9 Ft. alley, 1ST SW of Woodhome Avenue, 147 Ft. SE of Harford Rd.) to Mr. Terry Nesmith.

Circuit Court for Baltimore City – Addictions Assessment Unit Grant Contract

ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize execution of an Addictions Assessment Unit Grant Contract with Behavioral Health Systems Baltimore, Inc. The period of the Addictions Assessment Unit Grant Contract is July 1, 2017 through June 30, 2018.

AMOUNT OF MONEY AND SOURCE:

$468,867.00 – 4000-400618-1100-119600-404001

BACKGROUND/EXPLANATION:

Under the terms of the Addictions Assessment Unit Grant Contract, the funds will be utilized to pay for personnel costs and other operating costs associated with the Addictions Assessment Unit. The program provides substance abuse assessments ordered by the Court for released defendants to determine their substance abuse and educational needs.

The Addictions Assessment Unit Grant Contract is late because it was received from the grantor in November of 2017 and because of delays in the administrative review process.

Department of General Services (DGS)/Mayor’s – Agreement
Office of Information Technology

ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize execution of an Agreement with Code In The Schools, Inc. (CITS). The period of the agreement is effective upon Board approval for one year, unless terminated earlier in accordance with the provisions.

AMOUNT OF MONEY AND SOURCE:

$30,000.00 – 1001-000000-1981-194700-603026

BACKGROUND/EXPLANATION:

Each agency that engages with CITS through this agreement will provide a cost based on the estimated scope of work. Each agency will provide agency specific budget account numbers.

The Mayor’s Office of Information Technology (MOIT) and the Department of General Services (DGS) have a human capital and process improvement long term strategy that is threefold:

1) investing in the capacity of front line and supervisory level staff to identify and fulfill opportunities for task automation, greater utilization of technology to streamline processes, data analysis and program development,

2) leveraging the ecosystem of civic technology organizations, individuals and interested staff in local technology firms to work side-by-side with City staff to code, teach, scope and develop solutions and facilitate the necessary transfer of skills and knowledge between the private and public sector; and

3) developing more meaningful opportunities and experiences for talented local youth to re-think public service and participate in practical real world and project specific curriculum around coding for improving government service.
DGS/MOIT - cont’d

CITS is a local organization expanding access to quality computer science education programs for Baltimore City youth to prepare them to participate fully in the 21st century economy. CITS will work with the DGS to develop a computer-programming-for-government-process-solutions based curriculum for high school students on the Python programming language to support a DGS internship program for skilled Python programmers that complete the CITS program.

The agreement establishes a framework for all available City agencies to establish a Youth Pipeline Partnership for coding jobs in local government to help build a competitive labor force and pathways for coding careers in local government. The Department of General Services will serve as the first pilot agency under the agreement and will assist high school students to build their computer science foundation skills in Python (a computer coding language) through secondary education computer science courses at CITS and on problem statements provided by the Department of General Services. The students will use these skills to work with the Department of General Services staff on real service delivery and process challenges that can be solved with the critical thinking and computer programming skills developed in their training.

Under the pilot scope, the program will culminate with students showcasing their applications to the Department of General Services and other Baltimore City agency leaders, during which time, one or more of the students will be offered an internship opportunity with the Department of General Services.

Department of Public Works – Employee Expense Statement

ACTION REQUESTED OF B/E:

The Board is requested to approve an Employee Expense Statement for Mr. Michael Harvey for the month of August 2017.

AMOUNT OF MONEY AND SOURCE:

$50.00 - 2071-000000-5521-632440-603020

BACKGROUND/EXPLANATION:

Mr. Harvey is entitled to reimbursement for his application for Operator’s Water Distribution License D-1. His paper work was not submitted to this office in a timely manner as he was unaware of the 40-day time requirement to the submit license of certification receipts.

Mr. Harvey’s expense statement is being submitted to the Board for approval because it had exceeded the 40 work day period allowed for reimbursement submittals to Accounts Payable per AM-240-11. Mr. Harvey has now been made aware of the proper procedures for submitting reimbursements and other eligible activities.

UPON MOTION duly made and seconded, the Board approved the Employee Expense Statement for Mr. Michael Harvey for the month of August 2017.
Department of Public Works – Memorandum of Understanding

ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize execution of a Memorandum of Understanding with the Coppermine Fieldhouse LLC (Coppermine).

AMOUNT OF MONEY AND SOURCE:

N/A

BACKGROUND/EXPLANATION:

Coppermine desires to install an artificial turf field, composed of a gravel base covered by a rubberized backed carpet substrate surface for athletics over the City’s right-of-way at 5731 Cottonworth Avenue, Baltimore, Maryland 21209. The City desires to permit Coppermine to install the turf field, subject to the agreement that Coppermine will be responsible for repairing any damage to the utilities caused by the installation of the turf field.

Additionally, the City may continue to perform any necessary work on the utilities at any time, and the City will not be liable for any damage to the turf field caused by the utilities or by the City’ work on repairing or replacing the utilities.

UPON MOTION duly made and seconded, the Board approved and authorized execution of the Memorandum of Understanding with the Coppermine Fieldhouse LLC.
Mayor’s Office of Employment – Memorandum of Understanding Development (MOED)

ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize execution of the First Amendment to Customized Training Agreement with Second Chance, Inc. for Professional Services. The First Amendment to Customized Training Agreement will extend the period of the agreement through June 30, 2018.

AMOUNT OF MONEY AND SOURCE:

No Additional Cost

BACKGROUND/EXPLANATION:

On August 9, 2017, the Board approved the Original Agreement with Second Chance, Inc. This Customized Training Agreement authorizes Second Chance to provide deconstruction worker training for 15 eligible Baltimore City residents enrolled in an on-the-job, employer based, customized training program.

This First Amendment to Customized Training Agreement will extend the term of the original agreement six months to fill vacant slots with a new cohort and modify the budget to redirect vendor services and associated costs. There is no change in MOED’s maximum reimbursement amount.

The amount of this Agreement is not over $300,000.00 and the City subsidy is not more than $5,000,000.00. Therefore, the Local Hiring law does not apply.

This Agreement was late because additional time was necessary to reach a comprehensive understanding that was agreeable to both parties.

ACTION REQUESTED OF B/E:

The Board is requested to ratify an Inter-governmental Agreement with the Maryland State Department of Human Services, Baltimore City Department of Social Services. The period of the Intergovernmental Agreement was June 26, 2017 through August 11, 2017.

AMOUNT OF MONEY AND SOURCE:

$2,250,000.00 – 4000-809617-6397-456000-404001

BACKGROUND/EXPLANATION:

The purpose of this Inter-governmental Agreement was to provide funding for the 2017 YouthWorks Summer Jobs Program. The program provided summer employment and training opportunities to eligible Baltimore City residents 14 – 21 years of age. These opportunities included work experiences with the private sector, non-profits, and City and State governmental employers throughout Baltimore City.

The Inter-governmental Agreement is late because additional time was necessary to reach a comprehensive understanding between the parties.

ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize execution of the First Amendment to Agreement with Central Baltimore Partnership, Inc. (Grantee). This First Amendment to Agreement extends the term of the agreement through March 31, 2018.

AMOUNT OF MONEY AND SOURCE:

N/A

BACKGROUND/EXPLANATION:

On November 30, 2016 the Board approved a grant agreement in the amount of $100,000.00 with Central Baltimore Partnership, Inc. to establish a Strategic Acquisition Fund (Fund). The Fund is intended to facilitate redevelopment of vacant properties in commercial corridors that support existing redevelopment efforts or can attract additional investment and development.

Since this agreement was approved, the Grantee has utilized funds to fund support the acquisition and or stabilization of the following properties: 3302 Greenmount Avenue, 401-03 Venable Avenue, 19-21 East North Avenue and 226 East Lafayette Avenue.

This First Amendment to Agreement will provide sufficient time to compile the documentation necessary to submit a Request for Reimbursement.

health codes. The HR2H Project pairs tenants facing eviction and/or living in substandard housing with well-trained volunteer advocates and attorneys who will counsel or represent them during summary eviction and rent escrow proceedings.

On June 28, 2017, the Board approved the Resolution authorizing the Commissioner of the Department of Housing and Community Development (DHCD), on behalf of the Mayor and City Council, to file a Federal FY 2017 Annual Action Plan for the following formula programs:

1. Community Development Block Grant (CDBG)
2. HOME
3. Emergency Solutions Grant (ESG)
4. Housing Opportunity for Persons with AIDS (HOPWA)

The DHCD began negotiating and processing the CDBG agreements effective July 1, 2017 and beyond, as outlined in the Plan, pending approval of the Resolution. Consequently, these agreements were delayed due to final negotiations and processing.

of this vacant property at a price below the waiver valuation price will be a specific benefit to the block and the community, aid in the elimination of blight on the block, create jobs during reconstruction, and return of property to the tax rolls.

**MBE/WBE PARTICIPATION:**

The Developer will purchase the properties for a price that is less than $50,000.00 and will receive no City funds or incentives for the purchase or rehabilitation, therefore, MBE/WBE is not applicable.

UPON MOTION duly made and seconded, the Board approved and authorized execution of the Land Disposition Agreement with D AND C, LLC for the sale of the City-owned property in the Arlington neighborhood located at 5517 Gist Avenue.

ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize execution of a Second Amendment to the EmPOWER Weatherization Assistance Program (WAP) Grant Agreement with the Maryland Department of Housing and Community Development (Second Amendment). The Second Amendment extends the period of the grant agreement to July 15, 2018.

AMOUNT OF MONEY AND SOURCE:

N/A

BACKGROUND/EXPLANATION:

The State of Maryland Department of Housing and Community Development has designated Baltimore City as a principal partner in the EmPOWER program governed by the Maryland Public Service Commission. EmPOWER program funding provides energy conservation services and weatherization to low-income families at or below 200% of poverty within the City of Baltimore. City staff conducts energy audits of homes to be served, and contractors working for the City provide the energy home improvements – insulation, air sealing, heating system maintenance, and appliance replacement. From 2009 through 2017, Baltimore City has weatherized over 10,000 housing units since 2009, utilizing EmPOWER, Department of Energy, and Customer Investment funds.

On February 9, 2016, the State and the City entered into a Grant Agreement with an end date of December 31, 2017, which allocated up to $5,000,000.00 of EmPOWER funds to the City of Baltimore to operate a weatherization assistance program with the funding
Department of Housing and – cont’d

provided under EmPOWER. On August 10, 2016, the Board approved the First Amendment to Agreement which changed two items between the original grant agreement and the First Amendment. Those changes included the State having the right to increase or decrease the EmPOWER funds at its discretion and if the rate of expenditure or production was inconsistent with the proposed rate of expenditure or production if the City failed to perform. The other item that was changed by the First Amendment was the City agreed that the EmPOWER funds may be increased or decreased in accordance with the terms of the First Amendment by letter or written communication and that the State could establish future program guidelines, requirements and schedules to ensure timely use of funds, and that the City would agree to fully comply with any and all such guidelines, requirements and schedules.

The change of the term of the agreement and the performance period are necessary for the State to align the program dates with the Federal Department of Energy weatherization grant that they administer and the Maryland Public Service Commission has to issue an order regarding EmPOWER Program Cycle 2018-2021 funds and timing of the availability of those funds.

AUDITS REVIEWED AND HAD NO OBJECTION.

UPON MOTION duly made and seconded, the Board approved and authorized execution of the Second Amendment to the EmPOWER Weatherization Assistance Program Grant Agreement with the Maryland Department of Housing and Community Development.

**ACTION REQUESTED OF B/E:**

The Board is requested to approve and authorize execution of the Land Disposition Agreement with PenCor 09, LLC, Developer, for the sale of the City-owned properties located at 1410 and 1412 Druid Hill Avenue.

**AMOUNT OF MONEY AND SOURCE:**

- $266.67 - 1410 Druid Hill Avenue
- 266.67 - 1412 Druid Hill Avenue
- $533.34 - Purchase price

**BACKGROUND/EXPLANATION:**

The City will convey all of its rights, title, and interest in the properties located at 1410 and 1412 Druid Hill Avenue to PenCor 09, LLC for the purchase price of $533.34.

PenCor 09, LLC, will purchase the vacant buildings known as 1410 and 1412 Druid Hill Avenue from the City of Baltimore for rehabilitation and market-rate sale. The provisions of Article 13, §2-7(h)(2)(ii)(C) of the Baltimore City Code authorize the City to sell these properties.

The purchase price and improvements to the site will be financed with private funds and C.O.R.E. funds from the State of Maryland.
STATEMENT OF PURPOSE AND RATIONALE FOR SALE BELOW THE PRICE DETERMINED BY THE WAIVER VALUATION PROCESS:

In accordance with the City’s appraisal policy, a Waiver Valuation determined the market value of these vacant buildings to be $4,500.00 each.

The project is receiving C.O.R.E. financing from the State of Maryland, which requires the City to sell the properties at the nominal value of $266.67 each. The difference between the price and the Waiver Valuation is the City’s contribution to the project.

These vacant buildings will be sold for less than the Waiver Valuation price because the poor condition of the properties require extensive and immediate remediation, the rehabilitation will be a specific benefit to the community, eliminate blight, and return the vacant buildings to the tax rolls.

MBE/WBE PARTICIPATION:

The Developer will purchase the properties for a price that is less than $50,000.00 and will receive no City funds or incentives for the purchase or rehabilitation; therefore, MBE/WBE is not applicable.
UPON MOTION duly made and seconded, the Board approved and authorized execution of the Land Disposition Agreement with PenCor 09, LLC, Developer, for the sale of the City-owned properties located at 1410 and 1412 Druid Hill Avenue.

through the planning and development efforts of the Department of Housing and Community Development.

Pursuant to the provisions of Article 13, § 2-7 of the Baltimore City Code and subject to the prior approval of the Board of Estimates, the Department of Housing and Community Development may acquire, for and on behalf of the Mayor and City Council of Baltimore, any single-family or multiple-family dwelling unit or other structure or lot within the City, for development and redevelopment. The Commissioner of Housing has made the required determination with regard to these properties and these properties will be redeveloped.

The Board of Commissioners of HABC and the U.S. Department of Housing and Urban Development have approved the disposition in accordance with 24 CFR, Part 970.

Also requested is approval to acquire these properties subject to all municipal liens, other than water bills, and all interest and penalties that may accrue prior to recording a deed. A list of open municipal liens other than water bills, accrued through December 28, 2017, follows. The HABC is exempt from Real Estate Taxes; therefore no taxes are included in these figures. Water bills will be paid and are not listed.

First Amendment to the Maryland Energy Assistance Program Subgrant Agreement

**ACTION REQUESTED OF B/E:**

The Board is requested to approve and authorize execution of the First Amendment to the Maryland Energy Assistance Program (MEAP) Subgrant Agreement (First Amendment) with the Maryland Department of Housing and Community Development (MD-DHCD). The First Amendment extends the period of the MEAP Subgrant Agreement through October 31, 2018.

**AMOUNT OF MONEY AND SOURCE:**

$50,000.00 – 5000-585917-5971-439500-603051

**BACKGROUND/EXPLANATION:**

On January 18, 2017, the Board approved the original MEAP Grant Agreement with the MD-DHCD in the amount of $100,000.00 for the period January 18, 2017 through September 30, 2018 to provide funding for emergency heating system repair and replacement services to low-income families.

This First Amendment to the MEAP Subgrant Agreement increases the funding by $50,000.00 and extends the period of the MEAP Subgrant Agreement through October 31, 2018. This increase makes the total award amount $150,000.00 to allow for minor adjustments to disbursements and reimbursement of funds, and reporting and recording requirements.

Department of Recreation and Parks - Expenditure of Funds

**ACTION REQUESTED OF B/E:**

The Board is requested to approve an expenditure of funds to pay the final invoice due to the University of Maryland (University).

**AMOUNT OF MONEY AND SOURCE:**

$7,413.34 - 9938-914085-9475

**BACKGROUND/EXPLANATION:**

This expenditure of funds will pay the final invoice due to the University to close out the grant award and the execution of a grant agreement between the Department and the University.

The Department of Recreation and Parks undertook an update to the 1998 Master Plan for Patterson Park to guide the Department’s future capital and programmatic investments. The plan was completed and formally approved by the Planning Commission in April 2016.

As part of the plan, the University evaluated public use and perception of Patterson Park. The University assisted in this endeavor by establishing a graduate internship position that was supervised by a Professor at the University’s School of Architecture, Planning and Preservation. The project included surveying users of the park, collecting and analyzing data, arranging meetings with focus groups, writing reports and making presentations. These activities informed the update to the Patterson Park Master Plan and assisted the Department in making improvements to the park.

This request is late because the project was completed in 2015, however, the final invoice, through inadvertence and oversight was not submitted by the University.

Health Department – Notice of Award

ACTION REQUESTED OF B/E:

The Board is requested to approve acceptance and authorize execution of the Notice of Award (NOA) from the Department of Health and Human Services, Centers for Disease Control and Prevention for the Tuberculosis Elimination Project. The period of the award/agreement is January 1, 2018 through December 31, 2018.

AMOUNT OF MONEY AND SOURCE:

$45,419.00 - 4000-422118-3030-271400-404000

BACKGROUND/EXPLANATION:

Approval of this Notice of Award will allow the Department’s Tuberculosis (TB) Prevention Program to use funds to support the City’s TB control efforts, to provide medical care and treatment for active and latent TB patients, and to conduct contact investigations. Funds are used for staff, radiology services, and clinician salaries.

Health Department – Letter of Agreement, Grant Award, and Carry Forward

ACTION REQUESTED OF B/E:

The Board is requested to approve a Letter of Agreement (LOA), acceptance of a Grant Award, and Carry Forward from the Annie E. Casey Foundation (AECF) for the Youth Health and Wellness (YHW) Plan for Baltimore City. The period of the Grant Award is August 1, 2017 through July 31, 2018.

AMOUNT OF MONEY AND SOURCE:

$ 19,930.00 - 6000-622516-3080-293601-406001
120,000.00 - 6000-622517-3080-293601-406001
$139,930.00

BACKGROUND/EXPLANATION:

This LOA and Grant Award from the AECF provides funding in the amount of $120,000.00 for the 2017 YHW implementation, plus a carryover amount of $19,930.00 from the 2015 Grant Award for the period of December 1, 2015 through July 31, 2017. This makes the total Grant Award amount $139,930.00, for the continued support of the YHW Plan for Baltimore City.

The LOA is late because the AECF grant process has gone paperless. The electronic LOA was listed online, but had to be revised to include the approved carryover amount.

Health Department – Amendment to Agreement

**ACTION REQUESTED OF B/E:**

The Board is requested to approve and authorize execution of the Amendment to Agreement with Mr. James Morlick, Consultant. The Amendment will extend the period of the Agreement through June 30, 2018.

**AMOUNT OF MONEY AND SOURCE:**

$15,312.00 – 1001-000000-32528000-603018 ($58.00/hour)

**BACKGROUND/EXPLANATION:**

On August 09, 2017, the Board approved the original Agreement with Mr. Morlick in the amount of $15,312.00 for the period July 1, 2017 through December 31, 2017.

The Amendment to Agreement extends the period of the Agreement through June 30, 2018 and increases the amount of the Agreement by $15,312.00, making the total Agreement amount $30,624.00.

Mr. Morlick will continue to assist the Department’s CARE Services management and staff in the aspects of the Agency Information Manager web-based client services database and the collection of data and report preparation of the federal fiscal year-end National Aging Program Information System report. The Agreement is late because the Department was waiting for the Consultant’s signature.

Mayor’s Office on Criminal Justice – Third Amendment to Intergovernmental Agreement

ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize execution of the Third Amendment to Intergovernmental Agreement with the Housing Authority of Baltimore City (HABC).

AMOUNT OF MONEY AND SOURCE:

$250,000.00 - 1001-000000-2251-247700-603026

BACKGROUND/EXPLANATION:

On May 27, 2015, the Board approved the original Intergovernmental Agreement with the HABC in the amount of $400,000.00, for the period July 1, 2014 through June 30, 2015. The purpose of the Intergovernmental Agreement was for the maintenance and upgrading to the HABC security cameras and associated equipment. On August 26, 2015, the Board approved the extension to the period of the Intergovernmental Agreement through June 30, 2016.

On February 10, 2016, the Board approved the First Amendment to the Intergovernmental Agreement for the addition of 12 new cameras at Poe Homes and the elimination of 21 cameras at Pleasant View Gardens. On July 13, 2016, the Board approved the extension to the period of the Intergovernmental Agreement through June 30, 2017.

On January 25, 2017, the Board approved the Second Amendment to the Intergovernmental Agreement to decrease the number of cameras at Poe Homes from 12 to 11 and increase the number of cameras at Gilmor Homes from 32 to 33. On July 19, 2017, the

A PROTEST WAS RECEIVED FROM BIGBELLY SOLAR, INC.
To The City Of Baltimore Board of Estimates:

My name is Robert Kutner and I represent Bigbelly Solar Inc., a Boston, MA based Smart-City applications company. Bigbelly has worked with the City of Baltimore since 2007 and currently have over 120 smart waste & recycling stations in the City. We are formally protesting “Solicitation Number - B50005128 – Solar Trash Compacting Stations and Companion Recycling Stations” on the following grounds:

**Fundamental Harms to Bigbelly & Market:**

1. **Ecube Labs Co –** The South Korean based Waste Management company is willfully infringing on Bigbelly’s intellectual property. [Patents 7,124,680 and 7,481,159] outlines Bigbelly’s proprietary technology for energy management. This technology enables solar powered compactors to operate 24 hours a day, 7 days a week and 365 days in the year. Without the use of our technology, solar-powered compactors will not operate year round. Northern latitudes, urban canyons where direct sunlight is not available, and snow fall will all pose challenges to operating uptime. The award of this bid to Ecube harms Bigbelly since Ecube unfairly benefits from our research and development and Bigbelly will lose sales and profits because of their unfair business practices. It is important to note that an infringement lawsuit is pending.

2. **Ecube Labs Co does not comply with self-certifying safety directives (such as CE marking) that mandate that no single fault could result in a hazardous situation. Public space waste bins are for use by anyone, which necessitates they include industry standard safety measures. Of key concern is access to the compaction mechanism, which has the capability to cause loss of limb or severe bodily harm – a significant liability to the City of Baltimore. A failure of Ecube’s CPU or waste entry sensor or motor circuit could result in the compaction mechanism continuing to operate when a person’s hand or arm is located in the waste deposit area. Also, due to the fundamental design of the Ecube compactor, the compaction mechanism can be operated when the front door is open, exposing the collection crews and public (if door is left open) to bodily harm risk if any of the above issues occur. Bigbelly employs the requisite dual safety measures and CPU fault tolerance used by public accessible equipment, such as elevators. Bigbelly complies with the CE safety directives and is proud of our safety record: over 40,000 components deployed - zero safety incidents. We believe the market for solar-powered compactors, and Bigbelly’s business, stand to be negatively harmed and impacted by equipment in the field that does not comply with “no single fault” or "CPU fault tolerant" safety standards that could result in injury. Both Bigbelly and the City of Baltimore stand to be harmed by the strong potential for negative public reaction and associated liability from inadequate safety protocols and workmanship. It should also be noted that the City of Baltimore would be the first significant US deployment for Ecube Labs Co, furthering our concern for their lack of industry accepted safety standards.
3. The City of Baltimore worked in partnership with Bigbelly to assess their needs and develop a comprehensive plan and map of the deployment areas in an effort to frame the best solution for the city. This information was then made public to our competition and was included in the IFB posting. By making this information public, the city allowed our competition to underbid having not spent any time, money, or effort in educating or providing a solution to the city. This has directly harmed Bigbelly and created an unfair bidding opportunity.

**IFB response omissions and inconsistencies:**

1. ECube Labs Co was not wholly responsive and responsible in their bid based on the requirements on page B-1 “Prepare and submit one complete “original”, and three complete “duplicates” which shall include all of the forms and/or information identified in section B.” Omitted were:
   a. *Bid document affidavit signature page was not signed or submitted. This is a required bid document binding ECube Labs to their submission.*
   b. *Certificate of Good Standing in Maryland* - They included California and Canada but not Maryland
   c. *Certificate of Good Standing for Contractors*
   d. *MBE & WBE Forms* – They did not include any MBE & WBE Forms. Without these forms, they aren’t meeting the requirement and do not have proof of an agreement with either of the subcontractors they list in their cover letter.
      i. *MBE and WBE Commitment Form*
      ii. *MBE and WBE Statement of Intent Form*
      iii. *MBE and WBE Participation Affidavit*
   e. *Addendum No. 1 – Issued Sept. 29, 2017* was not signed and included with response.

2. **Creative Proposal** - E-cube took “creative” liberties with their proposal. In both cases, they are not meeting the exact specification. Given that this was an IFB not an RFP, vendors are not permitted to include anything in their proposal that is outside of the spec.

   f. *Wheeled Carts (Lift Bins)* – In their cover letter, E-Cube is trying to position their Wheeled Carts as a better option than a standard waste bin and this is a deviation from the product spec in the IFB. If the spec included wheeled bins, we would have quoted it as well. We too offer wheeled bins but remained responsive to the IFB spec.
   g. *CleanCAP* – E-Cube is proposing giving the City three free CleanCaps for every single station purchased. The Spec doesn’t include a sensor only solution
requirement. The spec didn’t call for pucks, so a winning bid that includes free pucks should be considered unfair.

h. **Remote Lock** – Selling their remote lock option in cover letter “for times when Homeland Security wants the bins secured for public events”.

i. **Predictive Analytics** – Selling their predictive capability in the cover letter.

Sincerely,

Robert Kutner  
Vice President

The Board is requested to NOTE receipt of the following Audit Report and Related Audit Digest:

1. Performance Audit Report Department of Housing and Community Development Audit to Promote Homeownership Program for Fiscal Years ended June 30, 2016 and 2015.

President: “Ah -- the first item on the non-routine agenda can be found on page 83, Department of Audits, Audit Reports and Related Audit Digest. Will the parties please come forward?”

Mr. Bob McCarty: “Good morning Mr. President.”

President: “Good morning.”

Mr. Bob McCarthy: “I’m Bob McCarty, City Auditor. I’m not sure if anybody from HCD is here, I don’t see --”

Comptroller: “She’s here.”

City Auditor: “Oh, I’m sorry, there she is. Okay. Okay. Um -- we did a Performance Audit of HCD, um -- Audit to Promote the Homeownership Program, and um -- Deputy City Auditor, Audrey Askew will be presenting it.”
Deputy City Auditor: “Okay. Good morning Honorable Board members, Audrey Askew, Deputy City Auditor. Ah -- we performed two ah -- Performance Audit on two programs for the Department of Housing and Community Dev -- Development. Audit of Housing Code Enforcement Program and the Audit of the Promote Home -- Homeownership Program. The first one is on the audit of House -- Housing Code Enforcement Program. It was to examine the general administration of the program in order to determine whether the agency met its target for the number of vacant unsafe structures and targeted areas made habitable or razed as a result of Code Enforcement. The second was to determine whether the agencies reported number of vacant unsafe structures and targeted areas made habitable and razed as a result of the Code Enforcement, was adequately supported by DHCD records. Both targets were not met. Um -- the first one, if um -- targets for 2016 and 2015 were 1,200. Actual vacant unsafe structures made habit -- habitable or razed in 2016 was 8-8-8 and in 2015, 740. We recommend DHCD review and evaluate prior year’s actual
Department of Audits – Audit Report and Related Audit Digest

performance target set each year. For the second one, the budget book target for 2016 was 888. In 2015, it was 740. DHCD uh -- their database reported 884 and 737 as margins. In addition, three structures were included twice in 2016 and six structures were included twice in 2015. 2015 database one structure uh -- was without an address and resulted in audit actual number of vacant unsafe structures for 2016 was 881 in 2015 was 730. We recommend DHCD develop procedures to monitor the database for accuracy and accountability. The second audit was to the um -- Audit to Promote Home -- Homeownership Program. It was to examine the general administration of the program in order to determine whether the agency met its target for the number of homeowners assisted. To -- also was to determine whether the agency uh -- reported number of homeowner assisted was adequately supported by DHCD records. In here we had nine findings. The first finding was to um -- was -- related to promote homeownership program’s 2015 performance measure target. It changed in the 2017 budget book. We reco -- we recommend revised performance measures to include justification of changes. For findings, two, three, four, and six, we have the
same recommendations. So, I am going to read them real quick and then we can -- I’ll tell you about the recommendation. Actual number of new homeowners assisted in fiscal years 2016 and 2015 was not supported by the records maintained by DHCD and did not agree with the audit’s calculations. Finding three, fiscal years 2016 and 2015 databases of actual homeowners assisted included 45 homeowners that were not actually assisted in the fiscal years reported. Finding four, fiscal years -- fiscal -- FY’15 database of actual homeowners assisted included ten homeowners without settlement dates. Finding number six, one homeowner reported as assisted in fiscal year 2016, was actually assisted in 20 -- in fiscal year 2015, and two homeowners reported as assisted in 2015 were actually assisted in fiscal year 2014. For each of these findings we recommended monitoring of the database for accuracy and completeness. Finding number five, fiscal years 2015 -- 2016 and 2015 database used to support the reported actual number of homeowners assisted included homeowners counted multiple times. This
Department of Audits – Audit Report and Related Audit Digest

resulted in the reported actual number of homeowners assisted being overstated in 2016 and 2015, by the amounts of 106 and 105 respectively. We recommend DHCD record each homeowner only once without regard for number of incentives the homeowner has received. Finding number seven, 16 of 25 files tested for homeowner’s assistance in fiscal year did not include HUD One settlement sheets. We recommend DHCD develop procedures to ensure all documents to support number of homeowners assisted are properly filed and a periodic review of these files. Finding seven and eight, again they have the same recommendations so I will read them together. DHCD did not provide a homeowner file for support to support its fiscal year 2015 database of homeowners assisted. Finding number eight, DHCD did not consistently maintain homeownership counseling certificates in Fiscal Year 16’s homeowner files. For both of these, we recommend that they implement procedures to ensure the databases are supported by homeowner’s files and periodic reviews are performed. And on the last page um -- prior

years findings we will not discuss, but they were performed by Hamilton Enterprises, LLC and the only audit that had the prior findings was the audit of Housing Code Enforcement Program and they are updated in the audit report.”

Ms. Julie Day: “Good morning. My name is Julie Day, I’m the Acting Chief of Staff for the Department of Housing and Community Development. Um -- I appreciate the opportunity to respond to this um -- the staff and the leadership of HCD have taken this process seriously and respectfully accept the recommendations with note to several the first couple that regarded Code Enforcement. Truthfully, I think those are kind of within the margin of error. I mean, we have taken steps, we’ve reviewed the files, we have um -- doubled down on our data systems to make sure that they acc -- accurately reflect the work being done, which is tremendous and also that to -- to eliminate the duplications. So the Code Enforcement piece is well underway. With regard to the Office of Homeownership, nine findings is not something that we take lightly or you know with
Department of Audits – Audit Report and Related Audit Digest

any great sense of pride. There is -- there has been however a -- a leadership change in that Division that has kind of revamped all of the operations there. We expect that in the next Biennial process we will find very few if any audit findings related to these events. One that I would note um -- where there is kind of a double counting of homeowners’ help and incentives offered, um -- they’re counting two different things. So to have a finding because one, you can have more than one incentive. You can get the CDBG incentive, you can get the Vacants to Value incentive, and you can get the employer incentive, that’s three for one person. So we were count -- we’re counting apples and oranges. So to have that as a finding -- we have to -- we will find we have worked on a way to keep them or discreetly counted. But I think it’s important to count both. So, in -- in closing I would thank you for the opportunity to respond and tell you that we do take our work, our commitment to the citizens and the neighborhoods of Baltimore seriously and -- and welcome these findings so that we can make our work even better.”
President: “Okay.”

Ms. Day: “Thank you.”

President: “Um -- because that homeownership piece is very important to us--”

Ms. Day: “Sure.”

President: “In the City of Baltimore, and we have to make sure that it's up and running and doing what it’s supposed to do. So, um -- that’s the only comment I have and as we looked at the target for 2016 and 15 for um -- unsafe structures made habitable, razed um -- I -- I can understand um -- why some of that happened, but now we have the CORE money so we should be able to move forward. So, I know that was funding thing in terms um -- of getting houses.”

Ms. Day: “And you know, we ambitiously, so you know --”

President: “Right, I understand. We have a lot of you know um -- vacant structures.”
Department of Audits – Audit Report and Related Audit Digest

Ms. Day: “Yes sir.”

President: “And lots of them are given to us by default because of um -- property owners walking away from their properties and eventually the City has to own --”

Ms. Day: “Right.”

President: “and you’ll take the responsibility of them that makes us look like we’re the bad guys, but um -- I’m hoping that we can work with the Housing Department to see how we can tighten it up and make them more accountable for their properties that they own in the City of Baltimore while they live in California and different places around the country and have Baltimore looking like we don’t care and we can’t address our vacant property um -- problems that we have because of absentee homeowners. Thank you. Alright.”

Mayor: “Mr. President.”

President: “Madam Mayor.”

Mayor: “I just wanted to echo um -- the same sentiments and also to say that I think that splitting HCD from HABC helps us
Department of Audits - Audit Report and Related Audit Digest

really to focus on these particular issues, because often times
ah -- when you’re dealing on both sides of the aisle its -- its
difficult.”

Ms. Day: “That’s correct.”

Mayor: “We know you take it seriously, so we look forward to
continue to work with you.”

Ms. Day: “Thank you.”

President: “Thank you.”

President: “So, Noted. The Audit has been NOTED.”
