REGULAR MEETING

Honorable Bernard C. “Jack” Young, President
Honorable Catherine E. Pugh, Mayor - ABSENT
Honorable Joan M. Pratt, Comptroller and Secretary
Rudolph S. Chow, Director of Public Works
Andre M. Davis, City Solicitor
S. Dale Thompson, Deputy Director of Public Works
Bernice H. Taylor, Deputy Comptroller and Clerk
Peter Hammen, Chief of Operations

Pursuant to Article VI, Section 1(c) of the revised City Charter effective July 1, 1996, the Honorable Mayor, Catherine E. Pugh, in her absence during the meeting, designated Mr. Peter Hammen, Chief of Operations for the Mayor’s Office to represent the Mayor and exercise her power at this Board meeting.

President: “Good -- is this on? Good morning. The January 24, 2018, meeting of the Board of Estimates is now called to order. In the interest of promoting the order and efficiencies of these hearings, persons who are disruptive to the hearing will be asked to leave the hearing room immediately. Meetings of the Board of Estimates
are open to the public for the duration of the meeting. The hearing room must be vacated at the conclusion of the meeting. Failure to comply may result in a charge of trespassing. I would direct the Board members’ attention to the memorandum from my office dated January 22, 2018, identifying matters to be considered as routine agenda items together with any corrections and additions that have been noted by the Deputy Comptroller. I will entertain a Motion to approve all of the items contained on the routine agenda.”

City Solicitor: “Mr. President, I move the Board’s approval of all the routine matters as revised.”

Comptroller: “Second.”

President: “All those in favor say AYE. All opposed, NAY. The Motion carries. The routine agenda has been adopted.”

There being no objections, the Board, UPON MOTION duly made and seconded, approved the prequalification of contractors and architects and engineers for the listed firms.
Parking Authority of - Parking Facility Rate Adjustment
Baltimore City (PABC)

ACTION REQUESTED OF B/E:

The Board is requested to approve an adjustment to the transient rate at the City-owned Fleet and Eden Garage that is managed by the PABC. The Parking Facility Rate Adjustment is effective upon Board approval.

AMOUNT OF MONEY AND SOURCE:

N/A

BACKGROUND/EXPLANATION:

The PABC is charged with managing the City of Baltimore’s parking assets. Proper stewardship of those assets requires that the PABC realize the best possible return on the City’s parking investments.

Pursuant to Article 31, §13(f)(2) of the Baltimore City Code, subject to the approval of the Board of Estimates, the PABC may set the rates for any parking project. The PABC believes that a rate adjustment at this parking facility is warranted at this time.

To bring the transient rate charged at Fleet and Eden Garage in line with its surrounding facilities, the PABC staff developed the rate adjustment recommendation submitted hereto. This rate adjustment was unanimously approved by the PABC Board of Directors.

Department of Finance - Parking Fines Amnesty

ACTION REQUESTED OF B/E:

The Board is requested to approve a Parking Fines Amnesty pursuant to Baltimore City Code, Art. 31, §36-23 (a).

AMOUNT OF MONEY AND SOURCE:

N/A

BACKGROUND/EXPLANATION:

The Director of Finance proposes to offer a two-day Parking Fines Amnesty on February 1, 2018 and February 2, 2018, for the abatement of penalties associate with unpaid parking citations. The City’s last Parking Fines Amnesty was in 2003 and resulted in payments of about $3,600,000.00. It is estimated that more than 500,000 parking citations owed by approximately 320,000 motorists, would be eligible for amnesty.

To qualify for the abatement, the full original fine amount would have to be paid. It is estimated that the total original fines amounts for all the eligible motorists to be $26,000,000.00. The Amnesty would waive all accumulated monthly penalty charges and the City’s $25.00 flag fee. Fees assessed for bad checks, towing, booting and lot storage of impounded vehicles, State flag fees, and court costs would not be waived. Motorists would be able to pay online, by telephone, by mail or in-person at the Wolman Building.

UPON MOTION duly made and seconded, the Board approved the Parking Fines Amnesty pursuant to Baltimore City Code, Art. 31, §36-23 (a).

supervisors as well as attend occasional meetings about case status and other center operational issues; and comply with all Visitation Center policies and procedures, including confidentiality and safety mandated reporting procedures.

This is a 33% increase in the hourly rate from the previous contract period. The rate increase for contractual employees of the Visitation Center is justified for the following reasons. The positions are grant funded and the grant afforded the flexibility to increase the salary. The contractual employees have not received a raise since they were hired in 2012-2013. The current rate of pay is below industry standards. Since 2012, contractual employees have earned between $15.00 - $26.00 per hour (based on job function), with a promise to increase wages in order to align with industry standards commensurate with their education and experience. This new award (2017-FJ-AX-0017) will allow for each contractual employee to receive a $5.00 per hour raise.

On December 17, 2014, the Board approved a Cooperative Agreement and Grant Award from the DOJ, in the amount of $20,000.00 for the period of October 1, 2014 to September 30, 2015.

On November 18, 2015, the Board approved the FY15 State and Community Development Invited Award and Cooperative Agreement from the DOJ in the amount of $278,000.00 for the period of October 1, 2014 through September 30, 2016.

On November 23, 2016, the Board approved the Cooperative Agreement and Grant Award from the DOJ, in the amount of $258,000.00 for the period October 1, 2014 through September 30, 2017.

Due to program administrative delays, the Department was unable to fully expend the grant funds and requested a no-cost time extension. On November 14, 2017, the DOJ approved a no-cost time extension of grant funding through September 30, 2018.
Health Department - cont’d

This GAN provides a no-cost extension through September 30, 2018, which will allow the Department to complete program services for Youth Violence Prevention Expansion Projects.

The GAN is late because the DOJ no longer provides formal approval letters for no-cost time extensions. After numerous requests, the Department received approval from the DOJ confirming the no-cost extension.

Department of Housing and Community Development Block Community Development Grant Agreements

The Board is requested to approve and authorize execution of the following Community Development Block Grant Agreements (CDBG).

1. **HABITAT FOR HUMANITY OF THE CHESAPEAKE, INC.**

   **$240,000.00**

   Account: 2089-208918-5930-431662-603051

   The organization will complete the rehabilitation, sale and settlement of 14 vacant properties for first-time, owner-occupancy by low-and moderate-income households with the Woodbourne-McCabe and Sandtown-Winchester areas. The CDBG funds will subsidize the organization’s operating costs. The period of the agreement is July 1, 2017 through June 30, 2018.

   **FOR FY 2018, MBE AND WBE PARTICIPATION GOALS FOR THE ORGANIZATION WERE SET ON THE AMOUNT OF $13,890.00, AS FOLLOWS:**
   
   **MBE:** $3,750.30
   **WBE:** $1,389.00

2. **GARWYN OAKS/NORTHWEST HOUSING RESOURCE CENTER, INC.**

   **$60,000.00**

   Accounts: 2089-208918-5930-437781-603051 $15,000.00

3. TRF DEVELOPMENT PARTNERS, INC. $50,000.00

Account: 2089-208918-5930-431162-603051

The organization will rehabilitate 32 properties within the East Baltimore Neighborhoods of Johnston Square and Oliver/Preston Place. The completion of these homes will create rental units for low and moderate income households at affordable rents. The CDBG funds will be used to subsidize the agency’s staff cost associated with the rehabilitation. The period of the agreement is July 1, 2017 through June 30, 2018.

FOR FY 2018, MBE AND WBE PARTICIPATION GOALS FOR THE ORGANIZATION WERE SET ON THE AMOUNT OF $254,735.00, AS FOLLOWS:

MBE: $68,778.45
WBE: $25,473.50

On June 28, 2017, the Board approved the Resolution authorizing the Commissioner of the Department of Housing and Community Development (DHCD), on behalf of the Mayor and City Council, to file a Federal FY 2017 Annual Action Plan for the following formula programs:

1. Community Development Block Grant (CDBG)
2. HOME
3. Emergency Solutions Grant (ESG)
4. Housing Opportunity for Persons with AIDS (HOPWA)

Department of Housing and - Lien Release
    Community Development

**ACTION REQUESTED OF B/E:**

The Board is requested to approve the release of liens, plus all accrued interest and/or penalties on the vacant property located at 2401 Annapolis Road for the Buyer/Transferee, S.G. Group, LLC/G. Gar Roberts, Authorized member.

**AMOUNT OF MONEY AND SOURCE:**

$23,498.42, plus all accrued interest and/or penalties

**BACKGROUND/EXPLANATION:**

Pursuant to the Annotated Code of Maryland, Tax Property 14-806, the Board has the authority to release liens against real property under certain circumstances. In this case, the property in question complies with all requirements under the lien release law:

- the property is a vacant building,
- the liens in the amount of $28,498.42 exceed the appraised value of the property in the amount of $5,000.00, and
- the property will be returned to productive use within a reasonable time, thus eliminating blighting conditions, and returned to the tax rolls of Baltimore City.

The Buyer/Transferee will rehabilitate the building for use as a residential single family home, which will be sold to a homeowner at market rate. The release of liens on the property will make it financially feasible for redevelopment and prevent tax abandonment. The Buyer/Transferee will be using private funds.

Prior to settlement, the Buyer/Transferee will pay the City $5,000.00, which is the assessed value of the property. The flat tax and water charge is $2,152.26. The Buyer/Transferee pays the
flat tax and water or assessed value, whichever is higher. The Buyer/Transferee will pay the assessed value of $5,000.00 to the City. The amount paid will be applied to satisfy the water bill, real estate taxes, and flat tax first, then any other liens that have accrued prior to the date of this lien release.

Any additional property tax assessments, water charges, and liens that accrue from the date of this lien release will be the responsibility of the transferee to pay prior to settlement. Failure to record the deed and pay the purchase price listed in the Agreement of Sale in the amount of $5,000.00, within 120 days from the date of approval by the Board, will void this release.

**MBE/WBE PARTICIPATION:**

The Buyer/Transferee will purchase this property for an amount that is less than $50,000.00 and will receive no City funds or incentives for the purchase or construction; therefore, MBE/WBE is not applicable.

**UPON MOTION** duly made and seconded, the Board approved the release of liens, plus all accrued interest and/or penalties on the vacant property located at 2401 Annapolis Road for the Buyer/Transferee, S.G. Group, LLC/G. Gar Roberts, Authorized member.
Department of Housing and Community Development - Memorandum of Understanding

ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize execution of the Memorandum of Understanding (MOU) with the University of Maryland, Baltimore (UMB). The period of the MOU is January 1, 2018 through December 31, 2018.

AMOUNT OF MONEY AND SOURCE:

$1,500,000.00 - 9910-906159-9588
232,500.00 - 9910-905290-9588
$1,732,500.00

BACKGROUND/EXPLANATION:

The City’s Department of Housing and Community Development, through its Office of Homeownership, runs the Live Near Your Work homeownership incentive program. This partnership between participating employers and the City of Baltimore is designed to encourage homeownership near place of employment. The City matches participating employers’ contributions from $1,000.00 to $2,500.00. Over 80 employers are currently enrolled in the program.

The UMB will become a participating employer, offering their employees an incentive up to $16,000.00 to purchase a home in any of the following neighborhoods of West Baltimore: Franklin Square, Union Square, Mount Clare, Poppleton, Hollins Market, Pigtown/Washington Village, and Barre Circle (“Eligible Neighborhoods”). The City will match UMB’s contribution of $16,000.00 by providing $2,500.00 of City Capital Improvement Program (CIP) funds to the buyer for the purchase of a property in an Eligible Neighborhood. This partnership will provide an employee of UMB with a total of $18,500.00 to use toward down payment and settlement expenses.
Department of Housing and Community Development

The UMB has allocated $1,500,000.00 to fund its UMB Live Near Your Work Program to be used to provide eligible home buyers with financial assistance for down payments and settlement expenses to purchase a home residence in the Eligible Neighborhoods. The UMB and the City intend to work collaboratively to revitalize West Baltimore to promote home ownership in the Eligible Neighborhoods by leveraging UMB’s Program funds, City funds and the City’s administrative resources.

The UMB will provide the City with an initial deposit of $500,000.00 to distribute on the UMB’s behalf to Eligible Buyers that are employees of the UMB. If the UMB’s account balance drops below $100,000.00 as a result of Program disbursements, the City will notify UMB in accordance with the Notice provisions of the need for an additional deposit. In that event, the UMB will provide an additional $500,000.00 within 21 business days to be deposited to the account (subject to the maximum commitment of UMB under the MOU and availability of funds).

Under the MOU, the UMB will be responsible for verifying that the home buyer and the home being purchased meet the eligibility requirements for the Program Grant. The City of Baltimore Office of Homeownership will be assisting the UMB with this program by processing the $16,000.00 incentive for the UMB and providing the check to the buyer and title company, along with the City’s $2,500.00 check at the time of settlement.

The City will be responsible for:

a) ensuring that the Eligible Buyer’s Program application is completed and processed,

b) providing documentation showing that the Eligible Buyer obtained from his or her mortgage lender a final mortgage approval to purchase the home,

c) producing a check referencing “University of Maryland, Baltimore Live Near Your Work” in the amount of the Program Grant, made jointly payable to the Eligible Buyer and the title company conducting the settlement on the home,
Department of Housing and Community Development - cont’d

  d) notifying the Eligible Buyer, the UMB, the title company, and the mortgage lender that the check is available to be sent to or picked up by the title company,

  e) ensuring: (1) that the check is duly received by the title company conducting the settlement on the home and utilized for down payment or settlement expenses on the home: (2) that the proper documents, including the Deed of Trust (in the form required by the UMB), are executed and recorded in the Land Records for Baltimore City by the title company; and (3) that the proper Program documents are executed, recorded, and returned to UMB for its records, and

  f) retrieving the Program Grant funds and crediting the full amount to the UMB’s account upon receipt of repayment from the Eligible Buyer and/or title company, in the event that the settlement does not occur.

Mayor’s Office of Employment Development – Data Sharing Agreement

ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize execution of a Data Sharing Agreement with the Maryland Department of Labor Licensing and Regulation, Division of Unemployment Insurance (DLLR/DUI). The period of the agreement is effective upon Board approval through June 30, 2018.

AMOUNT AND SOURCE OF FUNDS:

N/A

BACKGROUND/EXPLANATION:

The purpose of this Agreement is for DLLR/DUI to collect and maintain wage and other Unemployment Insurance (UI) data that pertains to the administration of the UI program, which data is confidential and for the exclusive use of DLLR/DUI in the administration of the UI program. These efforts will be used to establish performance accountability measures to assess effectiveness in achieving positive outcomes for individuals served by these core programs.

**ACTION REQUESTED OF B/E:**

The Board is requested to approve and authorize execution of an Agreement between the Mayor’s Office of Criminal Justice and the House of Ruth Maryland, Inc. (House of Ruth). The period of the Agreement is effective upon Board approval through September 30, 2020.

**AMOUNT OF MONEY AND SOURCE:**

$194,189.00 – 4000-401418-2254-785400-600000

**BACKGROUND/EXPLANATION:**

On October 11, 2017, the Board approved acceptance of a Grant Award for the “Baltimore City Visitation Center Continuation and Civil Legal Services Expansion Project.” The purpose of this grant is to address the persistent problem of domestic violence and child abuse in the metropolitan area.

The funds will be used for the continuation of a fully functional Supervised Visitation Center and legal services. These services will be provided by the House of Ruth. Specifically, the House of Ruth of Maryland, Inc. will help victims of domestic violence permanently establish safe and violence-free lives through the provision of legal representation in contested custody and divorce cases.

The Agreement is late due to the federal administrative process.

A RESPONSE TO THE PROTEST WAS RECEIVED FROM ECUBE LABS CO.

THE BUREAU OF PROCUREMENT SUBMITTED A RESPONSE TO THE PROTEST FILED BY BIGBELLY SOLAR, INC.
To The City Of Baltimore Board of Estimates:

My name is Robert Kutner and I represent Bigbelly Solar Inc., a Boston, MA based Smart-City applications company. Bigbelly has worked with the City of Baltimore since 2007 and currently have over 120 smart waste & recycling stations in the City. We are formally protesting “Solicitation Number - B50005128 – Solar Trash Compacting Stations and Companion Recycling Stations” on the following grounds:

Fundamental Harms to Bigbelly & Market:

1. Ecube Labs Co – The South Korean based Waste Management company is willfully infringing on Bigbelly’s intellectual property. [Patents 7,124,680 and 7,481,159] outlines Bigbelly’s proprietary technology for energy management. This technology enables solar powered compactors to operate 24 hours a day, 7 days a week and 365 days in the year. Without the use of our technology, solar-powered compactors will not operate year round. Northern latitudes, urban canyons where direct sunlight is not available, and snow fall will all pose challenges to operating uptime. The award of this bid to Ecube harms Bigbelly since Ecube unfairly benefits from our research and development and Bigbelly will lose sales and profits because of their unfair business practices. It is important to note that an infringement lawsuit is pending.

2. Ecube Labs Co does not comply with self-certifying safety directives (such as CE marking) that mandate that no single fault could result in a hazardous situation. Public space waste bins are for use by anyone, which necessitates they include industry standard safety measures. Of key concern is access to the compaction mechanism, which has the capability to cause loss of limb or severe bodily harm – a significant liability to the City of Baltimore. A failure of Ecube’s CPU or waste entry sensor or motor circuit could result in the compaction mechanism continuing to operate when a person’s hand or arm is located in the waste deposit area. Also, due to the fundamental design of the Ecube compactor, the compaction mechanism can be operated when the front door is open, exposing the collection crews and public (if door is left open) to bodily harm risk if any of the above issues occur. Bigbelly employs the requisite dual safety measures and CPU fault tolerance used by public accessible equipment, such as elevators. Bigbelly complies with the CE safety directives and is proud of our safety record: over 40,000 components deployed - zero safety incidents. We believe the market for solar-powered compactors, and Bigbelly’s business, stand to be negatively harmed and impacted by equipment in the field that does not comply with “no single fault” or "CPU fault tolerant" safety standards that could result in injury. Both Bigbelly and the City of Baltimore stand to be harmed by the strong potential for negative public reaction and associated liability from inadequate safety protocols and workmanship. It should also be noted that the City of Baltimore would be the first significant US deployment for Ecube Labs Co, furthering our concern for their lack of industry accepted safety standards.
3. The City of Baltimore worked in partnership with Bigbelly to assess their needs and develop a comprehensive plan and map of the deployment areas in an effort to frame the best solution for the city. This information was then made public to our competition and was included in the IFB posting. By making this information public, the city allowed our competition to underbid having not spent any time, money, or effort in educating or providing a solution to the city. This has directly harmed Bigbelly and created an unfair bidding opportunity.

**IFB response omissions and inconsistencies:**

1. ECube Labs Co was not wholly responsive and responsible in their bid based on the requirements on page B-1 “Prepare and submit one complete “original”, and three complete “duplicates” which shall include all of the forms and/or information identified in section B.” Omitted were:
   a. Bid document affidavit signature page was not signed or submitted. This is a required bid document binding ECube Labs to their submission.
   b. Certificate of Good Standing in Maryland - They included California and Canada but not Maryland
   c. Certificate of Good Standing for Contractors
   d. MBE & WBE Forms – They did not include any MBE & WBE Forms. Without these forms, they aren’t meeting the requirement and do not have proof of an agreement with either of the subcontractors they list in their cover letter.
      i. MBE and WBE Commitment Form
      ii. MBE and WBE Statement of Intent Form
      iii. MBE and WBE Participation Affidavit
   e. Addendum No. 1 – Issued Sept. 29, 2017 was not signed and included with response.

2. **Creative Proposal** - E-cube took “creative” liberties with their proposal. In both cases, they are not meeting the exact specification. Given that this was an IFB not an RFP, vendors are not permitted to include anything in their proposal that is outside of the spec.
   f. **Wheeled Carts (Lift Bins)** – In their cover letter, E-Cube is trying to position their Wheeled Carts as a better option than a standard waste bin and this is a deviation from the product spec in the IFB. If the spec included wheeled bins, we would have quoted it as well. We too offer wheeled bins but remained responsive to the IFB spec.
   g. **CleanCAP** – E-Cube is proposing giving the City three free CleanCaps for every single station purchased. The Spec doesn’t include a sensor only solution
requirement. The spec didn’t call for pucks, so a winning bid that includes free pucks should be considered unfair.

h. Remote Lock — Selling their remote lock option in cover letter “for times when Homeland Security wants the bins secured for public events”.

i. Predictive Analytics — Selling their predictive capability in the cover letter.

Sincerely,

[Signature]

To the City of Baltimore Board of Estimate,

In response to Big Belly's protest lodged at last week's Board of Estimates meeting, Ecube Labs would like to make the following statement as the awardee of the tender. Please note that we will only be addressing item 1 in the protest as all other points are either based on incorrect information or have already been evaluated by the Bureau of Procurement.

Ecube Labs has had several law firms review the issue of patent infringement and they have all unanimously concluded that our products do not infringe upon any valid claim of BigBelly patents 7,124,680 or 7,481,159.

Our US lawyers at Nixon Peabody have drafted and issued a legal opinion that clearly and unequivocally states that, after exhaustive review of the product, its technical documents, firmware, and other information, in their professional legal opinion Ecube Labs would have no liability to BigBelly under patents 7,124,680 and 7,481,159.

Big Belly's request to the Board neglected to mention that Ecube Labs has a pending infringement lawsuit against Big Belly. As a result of Big Belly's infringement allegations and subsequent legal action against Ecube, it also came to light that they infringe upon our patent 9,821,955. We have filed a counterclaim on the grounds of their infringement of our patented technology, seeking an injunction to stop Big Belly from making or selling any products in the United States covered by our patent.

Finally, Ecube Labs reiterates that the ongoing legal action between Big Belly Solar and ourselves would have no bearing whatsoever on our ability to deliver as outlined in our bid proposal. The City of Baltimore is fully indemnified of any and all potential liability arising from current or future litigation (as required by the tender).

Honorable President and Members
of the Board of Estimates

Dear President and Members:

The Bureau of Procurement has submitted to the Board of Estimates a recommendation of award of Solicitation B50005128 to Ecube Labs Co. as the lowest priced responsive and responsible bidder of a pre-qualified product. The next lowest bidder, Bigbelly Solar Inc. has submitted a protest to the Board of Estimates. The Bureau of Procurement disagrees with the statements made in the protest and responds to each point in the protest as follows:

A.

1. The City is unable to determine disputes between vendors regarding intellectual property infringement claims. In the event a vendor files a claim for infringement against a current contractor, regarding the products utilized by the City, and receives a judgement or injunction that impacts the City’s use of those products, or names the City as a party, the terms and conditions of the solicitation require the awarded contractor to indemnify and defend the City. At this point, the City cannot modify its award recommendation based on a claim of infringement, to which Ecube has filed a counterclaim, neither of which has been decided by the courts.

2. Ecube Labs has provided CE certification regarding the safety of its products. Bigbelly’s statement regarding the specifications of the products offered by vendors are subjective, and are at odds with the City’s pre-qualification determination in advance of the solicitation process, and the CE certificate submitted by Ecube, indicating that that Ecube’s products were acceptable, and meet safety certifications.

3. Bigbelly has previously claimed that it is a sole source of solar compacting trashcans, claiming that no other vendor was able to provide similar equipment. The City disagreed, and received three bids for similar solar compacting trashcans, which will result in a savings of almost 4 million dollars. Such efforts to circumvent the competitive procurement process may result in the disqualification of the vendor, but cannot result in a disqualification of the other bidders without that advantage. The City will make its own location selections, and is required to provide all bidders with the same information. Bigbelly is urging the City to use basic location information as its own confidential information, which it is not.

B.

1. Bigbelly’s claims of missing documents are false. Those documents were submitted by Ecube and were reviewed for responsiveness and MWBOO reviewed them for compliance. Addendum No. 1 was not included, though as it was only to change the location of the non-mandatory pre-bid conference, failure to include it is not material.

2. Ecube submitted a responsive bid. Offering add-on items is not prohibited, as long as the base price is sufficient clear to compare with the other vendors’ base prices. No other factors were considered in the award other than the total price of the required items.

We respectfully request that the Board of Estimates deny the protest and award the contract as recommended.

ESS
President: “The first item on the non-routine agenda can be found on Page 60 item 9, Bureau of Procurement, Solicitation No. B50005128, Solar Trash Compacting Stations and Companion Recycling Stations. Will the parties please come forward? Good morning.”

Ms. Erin Sher Smyth: “Good morning. Erin Sher Smyth, Department of Finance, Bureau of Procurement. Good morning Madam Comptroller, Council President, Honorable members of the Board. The Bureau of Procurement disagrees with the statements and the protest submitted by Bigbelly, and ah -- requests that the Board deny the protest and award as recommended to Ecube Labs. Ah -- the ah -- recommended awardee is here as well to address any concerns that you have and I would just like to point out that other than the very first point in the protest, all of the other statements are actually not true. Ah -- all of the documents we requested were included in the bid. Ah -- and most particularly the CE certification which was required was submitted with the bid. The -- I have a copy for you if you would like to see it. Um -- and additional I’d like to point out that the recommended awardee, Ecube, as this would be their first East Coast presence, does plan
to open a facility in Baltimore to assist in the ah -- long term installation and maintenance as this is a three -- ah project.”

Mr. Kutner: “Goo -- Good morning and thank you ah -- for having me here. I’m --”

Director of Public Works: “State your name.”

Mr. Kutner: “I’m Rob Kutner, I represent ah -- Bigbelly. I’m the senior Vice President. Um -- it’s our belief that ah -- Ecube Labs is an infringing company and product and achieved the lowest bid in this by leveraging Bigbelly’s years of research uh -- and our IP. There is a pending lawsuit that was filed in July of last year. That -- that is a pending lawsuit. Um -- more pertinent here is that we believe that this is an inferior product and that the IP that we are suing um -- is very important to the ability for these compactors to perform in Baltimore. We believe there will be significant energy management, durability, and safety issues that will pop up in an environment like Baltimore and based on our findings, up to 60% of the locations will not be operational
um -- in the City of Baltimore. Ah -- I -- I approach the Board mainly as a consultant and an industry leader here. Ah – Bigbelly’s provided a number of U.S. references. Ecube was not able to produce any U.S. references as they do not have a significant presence and this would be the most significant deployment ah -- in their North American operation. Ah -- we felt this was important as we are US-based and industry leader in this area. Ah -- I’d love to answer any questions, if I could.”

President: “Um -- so you’re saying you’re US-based and they’re not US-based?”

Mr. Kutner: “That’s correct.”

City Purchasing Agent: “The -- they are based in Boston. However, um -- Ecube will open up a facility in Baltimore as they don’t have an east coast presence.”

Mr. Kutner: “This is a South Korean-based company. They produce all of their products and parts in South Korea. We produce everything in Detroit, Michigan. We are a Boston-based company and have been for the last 14 years.”
President: “Okay. So, the -- they’re looking to open up a company in Baltimore?”

City Purchasing Agent: “So, they have a west coast facility um -- as well as they’re opening a facility in Baltimore for their east coast operations. They are a growing company um -- yes Bigbelly may be the industry leader, but there are other technologies coming up and this would save us $4,000,000.00 over the life of the three-phase project, which is significant.”

President: “Right, and -- and most of the things that are being manufactured will be manufactured in the US?”

City Purchasing Agent: “Ah -- I don’t believe it’s a manufacturing facility, but we can um -- ask the vendor to comment on that, if you’d like.”

President: “I’d like to ask that --”

City Purchasing Agent: “Introduce yourself.”

President: “-- for him to answer that question.”

Mr. Son: “Uh -- my name is Michael Son. I’m the CFO for Ecube Labs. Ah -- we do manufacture in South Korea. Um -- we have an office presence in Los Angeles and we do work with major
metropolitan cities in the U.S. as well. Um -- so for this project as um -- for the sole project itself, our intention is to open a um -- operations here in Baltimore where we can have full control and full um -- training and technical training and ah -- and ah -- employment, as well, here in Baltimore.”

President: “Okay, so -- so everything will be manufactured in South Korea?”

Mr. Son: “Yes.”

Comptroller: “Is it possible to manufacture -- how -- how big is your operation? How complex is it?”

Mr. Son: “We are still growing and the whole -- and the intention is for the demand to grow for us to start manufac -- start a manufacturing facility here in the US, as well.”

Mr. Kutner: “I would -- I would again point out that Bigbelly provided three major references, the City of Philadelphia, the City of Atlanta, and the City of New York, could provide thousands of others in the U.S. Ecube Labs provided references for Ghent, Belgium, and Seoul, South Korea. Um -- I don’t know if any of those references were actually contacted.”
City Purchasing Agent: “So, they were all very positive and they are also major cities. Ghent is the second largest city in Belgium and ah -- Seoul as you know is ah -- the capital of Korea.”

President: “So, how many um -- workers will be um -- employed on this contract?”

Mr. Son: “We are partnering with local ah -- local partners here with that ah -- satisfied the -- the -- the minority as well as the women ah -- business. Uh -- we are partnering up with Job -- with Green Job Works, as well as um --”

Comptroller: “Peer Consultants.”

Mr. Son: “Peer Consultants.”

Mr. Kutner: “We also filled uh -- filled the requirement for the local MBE and WBE. But, as I mentioned we also have a manufacturing facility in Detroit, Michigan, and Boston, and Baltimore-based employees that would be affected by the decision of the Board here.”

City Purchasing Agent: “I would just like to comment that it was not required that they be manufactured in the United States or that they be a US-based company. That was not required in the solicitation.”
President: “I would definitely prefer a US -- a US-based manufacturer over having it in some other country.”

Comptroller: “How soon will you open up an office in Baltimore City?”

Mr. Son: “Um -- within this month.”

City Purchasing Agent: “It is a tight ah -- timeline that we’ve requested that they meet.”

President: “Any more questions? I’ll entertain a Motion.”

City Solicitor: “Mr. President ah -- I would move that the bid protest be rejected as not sound, and that the award be made in accordance with Procurement’s recommendation.”

Comptroller: “Second.”

President: “All those in favor say AYE. All those opposed NAY. Please NOTE Council President as a NO Vote.”

Mr. Kutner: “Thank you for your time.”

City Purchasing Agent: “Thank you.”

UPON MOTION duly made and seconded, the Board approved the foregoing Informal Awards and Increases and Extensions to Contracts. The President voted NO on item no. 9 (B50005128 - Solar Trash Compacting Stations and Companion Recycling Stations).
ACTION REQUESTED BY B/E:

The Board is requested to approve: (a) City funding of a $500,000.00 loan to Union Craft Brewing Company, LLC, (Union) for the relocation of its manufacturing facility from 1700 Union Ave. to 1700 West 41st Street, (b) the Resolution in support of the Maryland Economic Development Assistance Authority Fund (MEDAAF) loan application to the Maryland Department of Commerce submitted by BDC, which is required by the State, and (c) authorize the Director of Finance to execute any and all documents to effectuate this transaction subject to review and approval for form and legal sufficiency by the Department of Law.

AMOUNT OF MONEY AND SOURCE:

$500,000.00 - 9910-923100-9601-900000-709099

BACKGROUND/EXPLANATION:

Union was founded in the fall of 2011 by Kevin Blodger, Adam Benesch and Jon Zerivitz, and brewing operations officially began in the spring of 2012 with the installation of a 20 barrel brew house and the initial launch of Duckpin Pale Ale & the German-style Bait Aitbier.

Situated along the Jones Falls River, in the historic Woodberry neighborhood of Baltimore, the Union Craft Brewery has been brewing beer for the last five years. With reverence for tradition and place, they brew beers that unite old and new ideas, the science, and craft of brewing, and boldness and balance of flavor.

Today, the company brews 10,000 barrels of more than 40 varieties of craft beer, with an ever-increasing focus on supporting the community that supports the brewery. Through raising money for local non-profits, working with new and up and coming businesses
BDC - cont’d

via collaborations, and introducing the community members to local art and music, Union routinely uses the brewery as a community gathering center rather than just a manufacturing space.

Union currently has 21 employees with 58% being city residents. Its beers are distributed across every county in Maryland, Washington DC and Northern Virginia.

Financial Assistance:

BDC is recommending financial assistance in the form of a conditional loan in an amount of $500,000.00 to Union for specialized brewing equipment. $250,000.00 of the $500,000.00 proposed loan will amortize at 3.0% fixed over 15 years from the date of closing. The loan will be structured with interest only payments monthly for the first 24 months, followed by monthly principal and interest payments for 156 months. The remaining $250,000.00 will be deferred until December 31, 2024. If the Company has a total of 115 Employees at the Project Site on December 31, 2024, $250,000.00 will be forgiven. Any number less than 115 Employees at the Project Site as of December 31, 2024, will require the company to pay a pro rata share of $2,173 per employee, under the number of 115. The funds would be remitted to BDC by June 30, 2025.

THE DIRECTOR OF FINANCE RECOMMENDED APPROVAL.
RESOLUTION

WHEREAS, Union Craft Brewing Company, LLC (the “Company”), (the “Borrower”) has submitted an application to receive a loan from the DEPARTMENT OF COMMERCE of the State of Maryland (the “Department”) from the MARYLAND ECONOMIC DEVELOPMENT ASSISTANCE AUTHORITY and FUND (“MEDAAF”) in an amount up to $300,000.00 (the “Commerce Loan”), to use such funds for the purpose of expansion of its current operations by relocating its beverage manufacturing facility to 1700 West 41st Street, Baltimore, MD 21211 in Baltimore City (the “Project”).

WHEREAS, the Commerce Loan will be used in accordance with Maryland law relating to MEDAAF, namely, Economic Development Article, Sections 5-301 through 5-349, Annotated Code of Maryland, for the purposes set forth in the application described above; and

WHEREAS, The Mayor and City Council of Baltimore will make a loan to the Borrower in the amount of $500,000.00 (the “City Loan”) for the Project.

WHEREAS, the City has determined that it is in the best interests of the citizens of Baltimore City, Maryland that the City: (i) Endorse the Department’s Loan to the Borrower for the Project, and (ii) Make the City Loan to the Borrower for the Project.

NOW, THEREFORE, BE IT RESOLVED BY THE MAYOR AND CITY COUNCIL OF BALTIMORE THAT:

1. The Mayor and City Council of Baltimore endorse the Commerce Loan to the Borrower.

2. The Mayor and City Council of Baltimore make the City Loan to the Borrower.

3. This Resolution will be effective upon its adoption in accordance with applicable law.

Department of Public Works – Right-of-Entry Agreement

**ACTION REQUESTED OF B/E:**

The Board is requested to approve and authorize execution of a Right-of-Entry Agreement with Gilman School, Inc. The period of the agreement is one year from the actual physical entry onto the property.

**AMOUNT OF MONEY AND SOURCE:**

N/A

**BACKGROUND/EXPLANATION:**

The City is proposing a stream restoration project, Project No. ER-4036R. As part of this project, construction access to the Upper Stoney Run Stream will be needed through a portion of the property owned by Gilman School, Inc., located at 5309-5407 Roland Avenue and 501-517 West Northern Parkway.

The agreement will allow the City’s contractor to perform repair improvements to existing stream structures.

UPON MOTION duly made and seconded, the Board approved and authorized execution of the Right-of-Entry Agreement with Gilman School, Inc.
Department of Public Works - Employee Expense Statement

ACTION REQUESTED OF B/E:

The Board is requested to approve an Employee Expense Statement to reimburse Mr. Milton Weisenburg for expenses incurred during the month of October 2017.

AMOUNT OF MONEY AND SOURCE:

$50.00 - 2071-000000-5521-630200-603020

BACKGROUND/EXPLANATION:

Mr. Weisenburg’s paperwork was not submitted because the Department inadvertently omitted forwarding his license along with his expense statement in a timely manner.

The Administrative Manual, Section 240-11, states the Employee Expense Reports that are submitted more than 40 work days after the calendar day of the month in which the expenses were incurred require the Board’s approval.

The Department apologizes for the lateness.

Department of Public Works/Office – Amendment No. 2 to Agreement of Engineering and Construction for Project No. 1185.6 (WC 1314 & WC 1315)

ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize execution of Amendment No. 2 to Agreement with Transviron, Inc., under Project No. 1185.6 (WC 1314 & 1315), Small Water Main Replacement and Rehabilitation Design at Various Locations FY 2014. The Amendment No. 2 extends the period of the original Agreement for three months through March 19, 2018.

AMOUNT OF MONEY AND SOURCE:

$0.00

BACKGROUND/EXPLANATION:

The scope of the original Agreement consisted of providing engineering services necessary for the development of the contract documents for the replacement and rehabilitation of small diameter water distribution mains and appurtenances in areas identified by the City.

The Office of Engineering and Construction is requesting a time extension for Amendment No. 2 to Agreement for three months through March 19, 2018 in order to complete the design and prepare the bid-ready documents due to revision of the shutoff plans. The Amendment No. 1 to Agreement expired on December 18, 2017.

MBE/WBE PARTICIPATION:

The Vendor will comply with Article 5, Subtitle 28 of the Baltimore City Code and the MBE goals of 26.95% and the WBE goals of 10% assigned to the original agreement.
This Amendment No. 2 to Agreement contains participation goals of 0% for MBE and 0% for WBE.

Department of Public Works/Office - Full Release of Retainage of Engineering and Construction Agreement

ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize execution of the Full Release of Retainage Agreement with R.E. Harrington Plumbing & Heating Co., Inc.

AMOUNT OF MONEY AND SOURCE:

$95,897.54 - 9960-908604-9557-000000-200001

BACKGROUND/EXPLANATION:

As of August 4, 2017, R.E. Harrington Plumbing & Heating Co., Inc. completed 100% of all work for WC 1346, Elm Ave Emergency Joint Repair for 48” Water Main. The contractor has requested a full release of retainage in the amount of $95,897.54. Currently, the City is holding $95,897.54 in retainage for the referenced project and the contractor is requesting to reduce the amount of retainage to $0.00.

Department of Public Works/Office – Amendment No. 8 to Agreement of Engineering and Construction for Project No. 111

**ACTION REQUESTED OF B/E:**

The Board is requested to approve and authorize execution of Amendment No. 8 to Agreement with KCI Technologies, Inc., under Project No. 1118, Improvements to the Wastewater Collections System for Consent Decree Wet Weather Compliance.

**AMOUNT OF MONEY AND SOURCE:**

$994,707.77 – 2070-000000-5501-600300-603026

**BACKGROUND/EXPLANATION:**

The scope of the original agreement under Project No. 1118, which was awarded to KCI Technologies, Inc., was to provide engineering services related to project management, GIS & Data Management and Reporting, and implementation of Operational Dashboard, etc., among other tasks. Numerous preventive maintenance programs designed to eliminate sanitary sewer overflows have been developed and implemented under this project (e.g. root control, FOG abatement, food service establishment inspections, and Closed Circuit Television analysis/root cause analysis). As the PM programs have matured, the focus has shifted from understanding the system needs to managing the work and the associated data.

The Office of Asset Management/Information Technology Division is requesting approval of Amendment No. 8, under Project No. 1118, for the increased amount of $994,707.77, to continue to provide services related to the DPW’s network and system administration support. KCI Technologies, Inc. will develop and implement an interface between the City’s new 311 vendor solution and Cityworks to seamlessly sync information in either system, application/system development and maintenance services to support Geographic Information System, DPW’s desktop, mobile, and web

applications, data migration, and interface development tasks in support of customer information system implementation for County water accounts. In addition, the DPW will provide documentation of all application and software developed and/or administered by KCI Technologies, Inc., as well as schedule knowledge transfer work sessions for the City staff.

**MBE/WBE PARTICIPATION:**

The Vendor will comply with Article 5, Subtitle 28 of the Baltimore City Code and the MBE goals of 27% and the WBE goals of 10% assigned to the original agreement.

This Amendment No. 8 to Agreement contains the following participation:

**MBE:** ECO Integration, Inc. $268,803.63 27.0%

**WBE:** Ross Technical Service, Inc. $117,810.11 11.8%

UPON MOTION duly made and seconded, the Board approved and authorized execution of Amendment No. 8 to Agreement with KCI Technologies, Inc., under Project No. 1118, Improvements to the Wastewater Collections System for Consent Decree Wet Weather Compliance.
Department of Public Works/Office – Agreement of Engineering and Construction

ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize execution of the Agreement with Hill International, Inc., under Project No. 961, Urgent Needs Construction Project Management and Inspection Services. The period of the Agreement is effective upon Board approval for 18 months or until the upset limit is reached, whichever occurs first.

AMOUNT OF MONEY AND SOURCE:

$244,021.81 - 9956-903554-9551-900020-703032

BACKGROUND/EXPLANATION:

Under the terms of this Agreement, the Patapsco Enhanced Nutrient Removal Projects (ENR Projects) SC 845R and 852R are subject to a Consent Decree Order from the Maryland Department of the Environment, which required the projects to be completed by December 31, 2015.

The projects have been delayed by disputes with the existing contractor which prompted the Emergency Declaration of July 6, 2016. The result of that approval was the establishment of an Emergency Construction Services Agreement with Whiting Turner Contracting, Inc., under SC 961, which was approved by the Board of Estimates on May 31, 2017. The Certified Welding Inspector, who has been conducting the inspections of the welding since November of 2014, is from the On–Call Contract 1404 and Task Order No. 6, which expired November 23, 2017. Losing the current inspector would jeopardize the City’s ability to continue to employ consistent and defensible inspections of the welding rework. The DPW has determined that the importance of the welding rework is paramount to the new ENR Facility’s service life.
Department of Public Works/Office – cont’d

of Engineering and Construction

The welds being replaced have been determined to have a substandard service life of only two - five years. Therefore, it is imperative that the City retain the services of the current consulting company in order to maintain continuity of the welding inspections.

Hill International, Inc. is the consulting company who provided the current Certified Welding Inspector through November 23, 2017. Pursuant to Article VI, Section 11 (e)(i) of the Baltimore City Charter, it is hereby certified that expiration of Contract 1404 without recourse for a follow-on task jeopardizes the City’s liability to correct the deficient welds in a manner that is technically correct and defensible at a later time. In addition, given the nature of the ongoing Emergency Construction Services Agreement under SC 961, there is insufficient time to procure the necessary inspections through the normal competitive bidding process. This has created a situation where no advantage will result in seeking, nor is it practicable to obtain competitive bids for the Consultant Inspection Services.

MBE/WBE PARTICIPATION:

The Vendor will comply with Article 5, Subtitle 28 of the Baltimore City Code and the MBE goals of 0% and the WBE goals of 0% assigned to this Agreement.

Employees’ Retirement – Investment Management Agreement
System (ERS)

ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize execution of an Investment Management Agreement acting as fiduciaries for the Retiree Benefit Trust of the City of Baltimore (the OPEB Trust) with Earnest Partners, LLC.

AMOUNT OF MONEY AND SOURCE:

$20,000,000.00 – OPEB Trust Assets

Annual fees will be approximately $116,000.00.

No General Fund monies are involved in this transaction.

BACKGROUND/EXPLANATION:

The ERS Board of Trustees conducted a search for a large-cap international equities manager for the OPEB, and as a result of that search, interviewed four finalists. Following those interviews the Board unanimously selected Earnest Partners, LLC. The search and selection was conducted with the assistance and advice of the OPEB Trust’s investment advisor, Marquette Associates.

UPON MOTION duly made and seconded, the Board approved and authorized execution of the Investment Management Agreement Partners, LLC. The President voted NO. The Comptroller ABSTAINED.
ACTION REQUESTED OF B/E:

The Board is requested to approve acceptance of a Grant Award from the Governor’s Office of Crime Control and Prevention. The period of the Grant Award is January 1, 2018 through September 30, 2018.

The Board is further requested to approve the Appropriation Adjustment Order No. 45 to transfer unallocated State grant funds within the Baltimore City Police Department from Service 621: Administration, to Service 623: Crime Investigation.

AMOUNT OF MONEY AND SOURCE:

$180,000.00 – From: 5000-500018-2041 (Service 621)
To: 5000-507718-2021 (Service 623)

BACKGROUND/EXPLANATION:

The Grant Award requires an in-kind matching component of $45,000.00. This will come from general funds in Service 623: Crime Investigation, Activity 5: Homicide Section. The budget account number for these already budgeted funds is 1001-000000-2021-213000-600000 for a total of $225,000.00.

The Governor’s Office of Crime Control and Prevention has awarded the grant funds to the Baltimore City Police Department for the Law Enforcement Advocacy Project. This project will assist in developing and implementing strategies specifically intended to provide assistance to victims of crimes in the City of Baltimore.

The program aims to provide swift and comprehensive services to victims of the following crimes: non-fatal shootings, robberies, homicides, and burglaries, in addition to relocation services. The program funds will provide for personnel.

UPON MOTION duly made and seconded, the Board approved and authorized execution of the Community Services Block Grant Agreement with the Maryland State Department of Housing and Community Development.
ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize acceptance of a Grant Award and authorize execution of the Grant Agreement with the Bloomberg Family Foundation. The period of the Grant Award is effective upon Board approval through December 31, 2019.

The Board is further requested to approve the Appropriation Adjustment Order No. 55 to transfer Grant Funds within the Mayor’s Office of Criminal Justice for $2,000,000.00 in unallocated grant funds from Service 617: Victim Services and Service 758: Coordination of Public Safety Strategy, to Service 757: CitiWatch.

Service 617: Victim Service
To: 6000-607118-2251
Service 757: CitiWatch

$ 250,000.00 - From: 4000-400018-2254
617: Victim Service
To: 6000-607118-2251
Service 757: CitiWatch

In Fiscal 2018 only $2,000,000.00 requires an appropriation adjustment order.
BACKGROUND/EXPLANATION:

The full amount of the grant is $5,000,000.00. In Fiscal 2018 only $2,000,000.00 is being repurposed through an Appropriation Adjustment Order to align with anticipated spending. The budget will be appropriated in Fiscal 2019 to accommodate the balance of spending from the grant in the amount of $3,000,000.00.

The Bloomberg Family Foundation wishes to make a $5,000,000.00 grant to the Mayor’s Office of Criminal Justice to support violence reduction strategies. The City will significantly expand technologies used by the Baltimore Police Department to address, prevent, and solve crimes, particularly those involving gun violence. The technologies will bolster Baltimore’s CitiWatch program, expand license plate readers, and increase areas of the city in which technology will detect gunshots and alert the BPD in real-time. These new investments are in technologies that have demonstrated an impact on reducing crime, in Baltimore and cities around the country. In order to maximize impact, the new technology will be targeted to areas with documented violent crime where there are clear gaps in technology coverage. Specifically, 60 additional CCTV cameras will be installed on light poles, 25 additional mobile license plate readers will be installed on patrol cars, and 10 additional square-miles of gunshot detention coverage will be deployed. Additional work may include system updates to enable field reporting from laptops and/or real-time alerting of 911 dispatch data to patrol officers in the field.

MBE/WBE PARTICIPATION:

These are private grant funds being provided to the City. As such, MBE/WBE participation is not applicable.
