THE BOARD RECEIVED A NOTICE OF WITHDRAWAL OF BID FROM AM LINER EAST, INC.
February 2, 2016

VIA HAND DELIVERY, FEDEX, AND ELECTRONIC TRANSMISSION

Board of Estimates, City of Baltimore
c/o Office of the Comptroller
City Hall Room 204
100 Holliday Street
Baltimore, MD 21202

Re: SC 914: Improvements to Sanitary Sewers in Low Level Sewershed
NOTICE OF WITHDRAWAL OF BID

Honorable President and Members of the Board of Estimates:

AM-Liner East, Inc. ("AM-Liner") hereby withdraws its bid (the "Bid") on the project formally advertised as SC 914 Improvements to Sanitary Sewers in Low Level Sewershed (the "Project").

AM-Liner's Bid was submitted, and bids were opened, on July 29, 2015. One hundred ninety (190) days have passed since that date without a contract award. This delay has prejudiced AM-Liner.

The Invitation to Bid incorporated Maryland State Procurement Regulations. Section 21.05.02.19 of the Code of Maryland Regulations states that bid prices are irrevocable for a period of only ninety days following bid opening unless the procurement officer has asked bidders to extend the time during which the bids may be accepted. That ninety-day irrevocable period expired on October 27, 2015 and no such requests were made.

Accordingly, AM-Liner hereby provides the Board of Estimates with notice of its withdrawal of its Bid on the foregoing Project. Please let me know at your earliest convenience if you have any questions or concern with this withdrawal of our Bid.

Sincerely,

M. M. Willett
Vice President
AM-Liner East, Inc.

Keep your city moving.
Health Department – Employee Expense Statement

ACTION REQUESTED OF B/E:

The Board is requested to approve the Employee Expense Statement for Karen Payne for the month of October 2015.

AMOUNT OF MONEY AND SOURCE:

$ 4.60 – 1001-000000-3100-295900-603002

BACKGROUND/EXPLANATION:

Ms. Payne submitted her expense statement within the required time frame, however it was misplaced.

The Administrative Manual, in Section 240-11, states that Employee Expense Reports that are submitted more than 40 workdays after the last calendar day of the month in which the expenses were incurred require Board of Estimates approval.

APPROVED FOR FUNDS BY FINANCE

AUDITS REVIEWED AND HAD NO OBJECTION.

UPON MOTION duly made and seconded, the Board approved the Employee Expense Statement for Karen Payne for the month of October 2015.

   AIDS Interfaith Residential Services, Inc., will provide clients with services to learn how to navigate systems that promote HIV education, positive HIV health outcomes, self-sufficiency, and connections to ensure medical care.

   The Agreement is late because the Prevention and Health Promotion Administration programmatically manages Ryan White – 2016 State Special services. The providers are asked to submit a budget, budget narrative, and scope of services. The BCHD thoroughly reviews the entire package before preparing a contract and submitting it to the Board of Estimates. These budgets are many times revised because of inadequate information from the providers. The review process is required to confirm with the grant requirements.

Retirement Savings Plan – Amendment to the City of Baltimore 457(b) Deferred Compensation Plan Document

**ACTION REQUESTED OF B/E:**

The Board is requested to approve the Amendment to the City of Baltimore (City) 457(b) Deferred Compensation Plan (DCP) Document.

**AMOUNT OF MONEY AND SOURCE:**

N/A

**BACKGROUND/EXPLANATION:**

The Amendment will enable the public safety unions to have a single (1) Trustee with voting rights on the Retirement Savings Plan of the City of Baltimore (RSP) Board of Trustees (which has purview over the City’s 457(b) DCP).

Legislation enacted on May 5, 2014 established the RSP. The legislation provides for a Board of Trustees to administer and oversee the RSP, as well as the City’s 457(b) DCP. As only newly hired or rehired civilian employees are covered by the RSP, the legislation did not provide for a Trustee to represent the City’s public safety unions. However, public safety employees participate in the City’s 457(b) DCP.

Prior to the establishment of the RSP, there was a 457(b) DCP committee that was responsible for the administration and operation of the 457(b) DCP. The City’s public safety unions had a representative with full voting rights on that committee.
Retirement Savings Plan – cont’d

This Amendment to the City’s 457(b) DCP Document will allow for the City’s public safety unions to designate a representative to serve on the RSP Board of Trustees with voting rights only on those matters that pertain to the 457(b) DCP. The public safety representative will not be able to vote on motions that pertain to the 401(a) RSP. It will be up to the public safety unions to determine the process for selecting the Trustee.

February 2, 2016

Board of Estimates
Attn: Clerk
City Hall, Room 204
100 N. Holliday Street,
Baltimore, Maryland 21202

Dear Ms. Taylor:

Herein is my written protest on behalf of the underserved and disparately treated citizens of the Baltimore City who appear to be victims of questionable management and administration within the various boards, commissions, agencies and departments of the Baltimore City municipal government.

The following details are provided to initiate this action as required by the Board of Estimates:

1. Whom you represent: Self
2. What the issues are:
   a. Pages 1 - 32, City Council President and members of the Board of Estimates, BOE Agenda dated February 3, 2016, if acted upon:
   b. The proceedings of this board often renew business agreements without benefit of clear measures of effectiveness to validate the board’s decision to continue funding the provider of the city service being procured;
   c. The Baltimore City School Board of Commissioners routinely requires submissions for board consideration to include details of the provider’s success in meeting the objectives and/or desired outcomes delineated in the previously awarded agreement;
   d. The members of this board continue to fail to provide good stewardship of taxpayers’ funds as noted by the lack of concrete justification to substantiate approval of actions presented in each weekly agenda;
   e. This board should immediately adjust the board’s policy to ensure submissions to the board include measures of effectiveness in each instance where taxpayer funds have already been expended for city services;
   f. In the interest of promoting greater transparency with the public this board should willing begin to include in the weekly agenda more details which it discusses in closed sessions without benefit of public participation.

Email: kimtrueheart@gmail.com

5519 Belleville Ave
Baltimore, MD 21207
Lastly this board should explain to the public how, without violating the open meeting act, a consent agenda is published outlining the protocols for each week’s meeting prior to the board opening its public meeting.

3. How the protestant will be harmed by the proposed Board of Estimates’ action: As a citizen I have witnessed what appears to be a significant dearth in responsible and accountable leadership, management and cogent decision making within the various agencies and departments of the Baltimore City municipal government which potentially cost myself and my fellow citizens excessive amounts of money in cost over-runs and wasteful spending.

4. Remedy I desire: The Board of Estimates should immediately direct each agency to include measures of effectiveness in any future submissions for the board’s consideration.

I look forward to the opportunity to address this matter in person at your upcoming meeting of the Board of Estimates on February 3, 2016.

If you have any questions regarding this request, please telephone me at (410) 205-5114.

Sincerely,
Kim Trueheart, Citizen & Resident
President: “There being no more business before the Board, the meeting will recess until bid opening at 12 noon. Thank you.”
