The Department adopted a consolidated policy for the purchase, distribution, and documentation of all incentive cards. The central tenants of this policy account for: 1) a single means of procuring all incentive cards through the Board of Estimates, 2) the documentation of each incentive card and its recipient, 3) a monthly reconciliation for all purchases that account for all distributed and non-distributed cards, and 4) periodic internal reviews of programs’ activity vis-à-vis the internal policy, which are to be shared with the Department of Audits.

Enoch Pratt Free Library - Increase in Imprest Fund Checking Account

ACTION REQUESTED OF B/E:

The Board is requested to approve an increase in the Enoch Pratt Free Library’s (Library) Imprest Fund Checking Account.

AMOUNT OF MONEY AND SOURCE:

$450,000.00 - G-100-010-100-02-000

BACKGROUND/EXPLANATION:

Pursuant to City Ordinance No. 184, the Library’s Imprest Fund Checking Account was established in 1982 to allow the Library to take discounts offered by publishers for timely payment of invoices.

The Library is requesting an increase in the fund in the amount of $450,000.00 from the present level of $300,000.00. This makes the total account level allowed for the Imprest Fund Checking Account $750,000.00.

The Library now purchases databases for customer use and it is not unusual for one or two of those invoices to completely deplete the fund. This then causes a delay in paying other invoices and possible loss of discounts.

Currently, many of the Library’s materials come pre-processed and shelf-ready. The latter factor increased the cost of each item by approximately $5.00. Finally the general inflation on books and materials and the need to make new purchases due to an increase in operating hours has made an increase in the fund more urgent.

THE DIRECTOR OF FINANCE REVIEWED AND RECOMMENDED APPROVAL.
UPON MOTION duly made and seconded, the Board approved the increase in the Enoch Pratt Free Library’s Imprest Fund Checking Account.

Circuit Court for Baltimore City - Grant Award

ACTION REQUESTED OF B/E:

The Board is requested to approve acceptance of a Grant Award from the Governor’s Office of Crime Control and Prevention (GOCCP). The period of the Grant Award is October 1, 2017 through September 30, 2018.

AMOUNT OF MONEY AND SOURCE:

$35,000.000 - 5004-500418-1100-109800-601001

BACKGROUND/EXPLANATION:

The Circuit Court for Baltimore City received a Byrne – Justice Assistance Grant (BJAG) Program Award from the GOCCP for the Community Services Program. This JAG grant will allow the Community Services Program to operate without interruption during FY 2018.

The Community Services Program is vital to Court operations because it enables the Judges of the Circuit Court for Baltimore City and the District Court to place defendants convicted of non-violent offenses into the program. This allows the Courts to conserve resources to cope with violent offenders. The defendants perform a specified term of volunteer service in lieu of incarceration. Baltimore City agencies, non-profit organizations, and over 50 neighborhood associations benefit from these services.

This request is late because the Grant Award was recently received from the GOCCP.

Department of Public Works – Agreement for Energy Performance Contracting Phase II

ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize execution of an Agreement for Energy Performance Contracting – Phase II with Johnson Controls, Inc. (JCI). The period of the agreement is effective upon Board approval for 15 years commencing after installation.

AMOUNT OF MONEY AND SOURCE:

$8,120,511.00 – 5000-505618-1981-194700-603051

BACKGROUND/EXPLANATION:

On January 20, 2016, the Board approved the Phase-I Energy Performance Contract with JCI in the amount of $247,600.00. The scope of work for JCI was to provide a detailed energy audit and guaranteed savings program to reduce the City’s energy consumption and maintenance costs at these City facilities: Ashburton Water Filtration Plant, Montebello Water Filtration Plant, Maryland Zoo/Recreation & Parks Building, Waxter Senior Center, 1 Safari Place, 1000 Cathedral Street, South East Anchor Library, 3601 Eastern Avenue, Callow Hill Aquatic Center, 2821 Oakley Avenue, Mounted Police Building 500 Fallsway, and the Old GBMC Building, 1200 E. Fayette Street. The Phase II Agreement will provide for the implementation for such energy savings measures, guarantee the resultant savings, and provide maintenance for all installed equipment for the life of the contract.

The total cost of the project is $9,120,511.00 (as a result of a $1,000,000.00 Energy Water Infrastructure Grant from the MDE) which includes construction, Energy Office project management, 15-year maintenance, and monitoring and verification costs. The project cost will be financed by the City’s Master Lease program, provided through the City’s Office of Treasury Management. Alternatively, the City will apply for a loan from the Maryland Department of the Environment (MDE).
Department of Public Works – cont’d

If the MDE loan is obtained, it will be used in lieu of the Master Lease. The MDE interest rate is 1% and the Master Lease rate is 3.5% resulting in a savings of $1.5 million in financing costs.

In addition, the Office of Sustainable Energy (OSE) successfully applied for and received a $1,000,000.00 Energy Water Infrastructure Grant from the MDE. The OSE will manage the grant, construction, implementation, and monitoring of the project. The MDE grant has strict time sensitive guidelines which must be met by the City in order to access this funding. The amount to be financed by the Master Lease is $6,463,186.00. Annual loan payments will be made by the City utilizing funds that will be saved by the reduction of energy consumption. In addition, the project will fund a 15-year maintenance services agreement totaling $1,104,007.00 and a monitoring and verification agreement for $553,318.00. The $12,107,688.00 of energy savings as related to the installation of the proposed Energy Conservation Measure is guaranteed for the life of the agreement which is 15 years after the completion of construction.

MBE/WBE PARTICIPATION:

The Consultant will comply with Article 5, Subtitle 28 of the Baltimore City Code and the 27% MBE 5% WBE goals established in the original agreement.
