1. Patrani Vega 3121 Virginia Avenue L/H $11,300.00

Funds will be drawn from account no. 9910-903183-9588-900000-704040, Park Heights Redevelopment Area Complete Project.

On July 9, 2019, the City filed a condemnation action to acquire the leasehold interest in the real property located at 3121 Virginia Avenue in the amount of $23,200.00, based upon the highest of two independent appraisals. The Defendant contested the City’s value and countered with a fair market value of $40,000.00. The parties settled on a fair market value of $34,500.00. Thus, the Board is requested to approve an additional $11,300.00 ($34,500.00 less the previous approved amount of $23,200.00).

UPON MOTION duly made and seconded, the Board approved the above Payment of Settlement.
Department of Finance – Payment in Lieu of Taxes Agreement

ACTION REQUESTED OF B/E:

The Board is requested to approve the Payment in Lieu of Taxes (PILOT) Agreement template for the Hollander Ridge project (the “Hollander Project”), an affordable housing project required to be developed under the Settlement Agreement for Thompson, et al. v. United States Department of Housing and Urban Development (“HUD”), et al. (“Thompson Settlement Agreement”) to which the Housing Authority of Baltimore City (“The HABC”) and the City are parties.

The Board is further requested to authorize the Director of Finance to execute the Hollander PILOT Agreement in the form of the template with Hollander Ridge Investor, LLC (the “Owner”), subject to review and approval for form and legal sufficiency by the City Solicitor’s Office.

AMOUNT OF MONEY AND SOURCE:

No City funds are requested at this time. The PILOT will have no impact on City revenue for the reasons discussed below.

BACKGROUND/EXPLANATION:

Previously, the Board approved the form of PILOT Agreement to be used for phases one and two of public housing units sold by the HABC to private entities so that the properties could be renovated and upgraded under HUD’s Rental Assistance Demonstration (RAD). RAD Phases I and II involved the conversion under RAD of public housing units in 23 public housing projects.

In 1996, the HABC was awarded $20,000,000.00, under a HOPE VI grant to redevelop the former Hollander Ridge public housing site. All residents were relocated and the site was cleared. However, community opposition and subsequent litigation in connection with the Thompson, et al. v. HUD, et al. lawsuit prohibited the redevelopment of housing onsite using the HOPE VI funds. In 2012, the parties signed the Thompson Settlement Agreement, which required the HABC to develop up to 100 public housing units in certain communities in Baltimore City.
Due to capital financing impediments in developing and maintaining the Hollander units as public housing, in October 2015, the parties agreed to amend the Thompson Settlement Agreement to allow the units to be converted under RAD.

In May 2016, HUD approved the revised Hollander development proposal, providing for the units to be initially developed as public housing and then converted under RAD project based rental assistance. The RAD conversion to project based rental assistance allows the HABC to attract millions of dollars in new capital for the rehabilitation and maintenance of the Hollander properties. Ninety-four Hollander properties were acquired by June 30, 2019.

The Hollander properties are currently governed by a Cooperation Agreement between the City and the HABC which, among other things, allows for a Payment in Lieu of Taxes by the HABC for its properties. The HABC PILOT under the Cooperation Agreement calls for a payment of ten percent of the shelter rents collected by the HABC, which is, ten percent of the rents collected directly from the tenants, minus utilities. Due to the financing structure that will be necessary to support the rehabilitation work in the Hollander properties, the entity that the HABC controls and wholly owns (the “Baltimore Housing Authority entity”) will ground lease the land under the buildings and sell its ownership interest in the buildings to a new owner entity that will be partly owned by it. The effect of this ownership will be that the properties will no longer be covered by the Cooperation Agreement. In order to maintain the existing property tax status the HABC has requested and the Finance Department supports a new PILOT Agreement for the Owner for which the payment will be 10% of the rents collected from the residents. Based on the ownership structure, which will include a Baltimore Housing Authority entity, the Owner will be eligible to receive a PILOT under Section 12-104 of the Housing and Community Development Article of the Annotated Code of the State of Maryland.

The PILOT is necessary to preserve the properties’ present tax levels, which are in turn necessary to raise sufficient capital for rehabilitation. Without the PILOT these properties would not
Department of Finance – cont’d

be financeable, would not benefit from RAD, and the necessary
capital resources to complete the rehabilitation of the properties
could not be attained.

The Hollander Project is in the final stage of financing approvals
and an executed PILOT is necessary for financing to be approved by
HUD and the State in connection with the four percent Low Income
Housing Tax Credits and tax-exempt bonds awarded to the project.
The executed PILOT Agreement must be provided before the project
financing can close.

**MBE/WBE PARTICIPATION:**

Per HUD Federal Section 3 guidelines, the Developer will adhere to
the 20% MBE/WBE goals (HABC to monitor).

UPON MOTION duly made and seconded, the Board DEFERRED the
Payment in Lieu of Taxes Agreement template until February 26,
2020.

Department of Recreation and Parks – Second Amendment to Non-Construction Consultant Agreement

**ACTION REQUESTED OF B/E:**

The Board is requested to approve and authorize execution of the Second Amendment to the Non-Construction Consultant Agreement between the City, South Baltimore Gateway Community Impact District Management Authority d/b/a South Baltimore Gateway Partnership (SBGP), and Parks & People Foundation (P&PF), who is serving as Project Manager for Stakeholder Engagement and Design Team Selection on the Middle Branch Waterfront Vision and Implementation Plan. The Second Amendment to the Non-Construction Consultant Agreement extends the period of the agreement through March 31, 2020.

**AMOUNT OF MONEY AND SOURCE:**

$30,000.00 - 2026-000000-4781-783301-603026

This increases the total compensation from City sources to $228,775.00.

**BACKGROUND/EXPLANATION:**

In 2018, the City engaged P&PF to serve as Project Manager in its effort to create a Middle Branch Waterfront Vision and Implementation Plan (the Plan), toward the ultimate goal of improving and constructing a network of publicly accessible parks and trails along 11 miles of shoreline of the Middle Branch of the Patapsco in South Baltimore.

The original Agreement engaged P&PF and its sub-consultants to assist with Stakeholder Engagement and Design Team Selection, representing Phase 1 in the creation of the Plan. Under the Scope of Services, P&PF facilitated an invited design competition, from
Department of Recreation and Parks – cont’d

which an expert jury recommended that the City engage the team led by West 8 Landscape Architecture & Urban Design P.C. for the actual creation of the Plan itself. P&PF continues to assist the City in communications with stakeholders, seeking funding for the Plan, and developing the scope of work for West 8’s services.

On December 12, 2018, the Board approved the original Agreement for the period ending on June 30, 2019, and awarded P&PF compensation that included $198,775.00 from City/Casino Local Impact Grant funds and $58,671.79 from the SBGP, who is serving as the Fiscal Agent, for a total of $257,446.79 due to P&PF.

On August 21, 2019, the Board approved the First Amendment to the Agreement which extended the period of the Agreement through December 31, 2019, and authorized an additional $50,000.00 in compensation from the SBGP (with no additional funds from the City), for a total of $307,446.79 due to P&PF.

The Second Amendment to the Agreement extends the period of the Agreement through March 31, 2020, and authorizes an additional $30,000.00 in compensation from City/Casino Local Impact Grant funds, for a total of $228,775.00 from the City and a combined total of $337,446.79 in City and SBGP funds.

The Second Amendment to the Agreement is late because of administration delays.

The Department is requesting a rental car due to the 2.7 mile distance between the conference and the hotel, there is no accessible shuttle between the two locations.

Pursuant to AM-240-8 if official City business at the event site will require extensive inspection trips, tours, or other unusual but necessary land travel, the Board must approve funds for such expenses in advance of the trip.

Pursuant to AM 240-3, the Board of Estimates must take action on a Travel Request if the City representative's absence will exceed five work days or if it involves one or both weekend days. The source or type of funds used to pay for the travel has no bearing upon the requirement of approval.
