Department of Planning – Capital Projects Grant Agreement

**ACTION REQUESTED OF B/E:**

The Board is requested to approve and authorize acceptance of a Capital Projects Grant Agreement from the State of Maryland authorized by the General Assembly for the planning and design related to improvements to Middle Branch Park. The Enabling Act’s authorization automatically terminates for any grant funds that are unexpended or unencumbered by June 1, 2027.

**AMOUNT OF MONEY AND SOURCE:**

$500,000.00 - 9904-912091-9129

The Enabling Act requires no specific amount of matching funds.

**BACKGROUND/EXPLANATION:**

The Department collaborated with Mayor’s Office, South Baltimore Gateway Partnership (SBGP) and Parks & People Foundation to secure a 2020 Maryland capital grant for continuing work on “Phase 2” of the Middle Branch Waterfront Vision & Implementation Plan.

The Department intends to combine these funds with the City’s casino Local Impact Grant (LIG) funds appropriated for this purpose, and with LIG funds separately administered by SBGP, in order to engage James Corner Field Operations (JCFO) to lead the process of updating the Master Plan for Middle Branch Park and environs.

Under a prior agreement, the City and SBGP contracted with Parks & People to conduct Stakeholder Engagement and Design Team Selection during “Phase 1” of this process. Phase 1 culminated in an invited design competition of consultant teams led by landscape architecture firms experienced in large-scale, public waterfront projects. This resulted in JCFO being among firms recommended for their qualifications and proposals.

The City and SBGP contracted with West 8 Landscape Architecture, P.C., for “Task 1” of the Master Plan in an Agreement approved by the Board on May 6, 2020. West 8 performed a portion of Task 1 before resigning July 3, 2020. SBGP and the Department then engaged Mahan Rykiel Associates to finish Task 1, which is now complete.

The City and SBGP negotiated a scope of work with JCFO and its sub consultants, which
include Mahan Rykiel Associates, to undertake Tasks 2-4 of the Master Plan. The City and SBGP will combine the grant funds with LIG funds for fees and expenses related to JCFO’s work on Tasks 2-4 under an agreement approved June 9, 2021.

Department of Housing and Community Development (DHCD) – Intergovernmental Agreement for Land Disposition

ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize execution of the Intergovernmental Agreement for Land Disposition with the Housing Authority of Baltimore City (HABC) for the sale of the City-owned vacant building located at 502-504 E. North Avenue.

AMOUNT OF MONEY AND SOURCE:

$1.00 – Purchase Price

BACKGROUND/EXPLANATION:

The City will convey all of its rights, title, and interest in 502-504 E. North Avenue to the HABC for the price of $1.00, which will be paid to the City of Baltimore at the time of settlement.

The HABC previously conveyed 502-504 E. North Avenue to the City by Deed, dated March 19, 2013, and recorded among the Land Records of Baltimore City in Liber FMC 15094, folio 003 for $1.00. The disposition approval from the United States Department of Housing and Urban Development (HUD) for said conveyance required the City to re-convey the property to a specified grantee for redevelopment into a transitional housing facility (the Disposition Purpose).

The specified grantee was unable to take title to the property and undertake the specified development project. The specificity of the HUD approval remains in place, thereby limiting the ability of the City to re-convey the property for other possible redevelopment efforts. In accordance with the HUD approval, the disposition documents conveying the property to the City include a clause requiring the title to revert to the HABC if the property is not used for the Disposition Purpose.

A new development project has emerged with the Central Baltimore Future Fund (CBFF). Both the City and the HABC wish to contribute the property to the project. Therefore, the DHCD is seeking the Board’s approval to re-convey the property to the HABC so that the HABC may convey it to the CBFF for the new development project.

The authority to sell this property is within Article 13, § 2-7 (h) (2) (ii) (C) of the Baltimore City Code.
DHCD – cont’d

STATEMENT OF PURPOSE AND RATIONALE FOR SALE BELOW THE APPRAISED VALUE:

Not applicable because this property is reverting to the HABC for the same price it was purchased for, therefore, the appraisal policy does not apply.

MBE/WBE PARTICIPATION:

The HABC will purchase the property for a price that is less than $50,000.00 and will receive no City funds or incentives for the purchase or rehabilitation; therefore, MBE/WBE is not applicable.

(The Intergovernmental Agreement for Land Disposition has been approved by the Law Department as to form and legal sufficiency.)
ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize execution of the Land Disposition Agreement with Deoraj Virsawmi, Developer, for the sale of the City-owned property located at 2546 Oswego Avenue.

AMOUNT OF MONEY AND SOURCE:

$6,000.00 – Purchase Price

BACKGROUND/EXPLANATION:

The City will convey all its rights, title, and interest in 2546 Oswego Avenue to Deoraj Virsawmi for the price of $6,000.00, which will be paid to the City of Baltimore at the time of settlement.

Deoraj Virsawmi will purchase 2546 Oswego Avenue, a vacant house, from the City of Baltimore and rehabilitate the property for sale or lease as single-family home. The purchase price and improvements to the site will be financed through private sources.

The provisions of Article II, Section 15 of the Charter, Article 13 of the Baltimore City Code which established the Department of Housing and Community Development, and Article 28, Section 8-3 of the Baltimore City Code, authorize the City to sell this property.

STATEMENT OF PURPOSE AND RATIONALE FOR THE PRICE DETERMINED BY THE WAIVER VALUATION PROCESS:

In accordance with the City’s Appraisal Policy, a Waiver Valuation was prepared by the DHCD, which determined the market price of this property to be $6,000.00. The property will be sold for $6,000.00.
DHCD – cont’d

**MBE/WBE PARTICIPATION:**

The property is being purchased by the Developer for rehabilitation for a price that is less than $50,000.00 and the Developer will receive no city funds or incentives for the purchase or rehabilitation, therefore MBE/WBE is not applicable.

(The Land Disposition Agreement has been approved by the Law Department as to form and legal sufficiency.)

Mr. Conaway will use the premises for an administrative office and for no other purpose.

The Lease Agreement is late because of delays in the administrative process.

MBE/WBE PARTICIPATION:

(The Lease Agreement has been approved by the Law Department as to form and legal sufficiency.)
ACTION REQUESTED OF B/E:

The Board is requested to endorse a Governmental/Charitable Solicitation Application for submission to the Board of Ethics of Baltimore City to allow the Baltimore City Council President Nick J. Mosby and City Council staff to solicit donations from individuals, organizations, businesses, and foundations who have an interest in supporting Baltimore City families during the Holiday Season. The period of the campaign will be effective upon Board approval through December 30, 2021.

AMOUNT OF MONEY AND SOURCE:

No general funds are involved in this transaction.

BACKGROUND/EXPLANATION:

Donations will be solicited from businesses, civic leaders, corporate entities, faith-based institutions, and the general population in the Baltimore region, the state of Maryland generally, and nationwide. A potential donor list will be comprised of individuals, organizations, businesses, and foundations who want to support Baltimore City families. The vast majority of these individual and corporate donors will not be controlled donors as defined in the Baltimore City Ethics Code. However, those potential donors who are controlled donors will not be targeted or singled out in any way. They will only receive solicitations as part of the general public in the same manner as other potential donors. Further, any controlled donors who participate in this campaign will continue to be treated as all other organizations and individuals and they will not receive any preferential treatment.

Council President Mosby wishes to carry on the tradition of City Council Presidents supporting a Holiday Toy Drive for Baltimore City families. Baltimore City Code Article 8, Section 6-26 generally prohibits solicitation of gifts, but the Board of Ethics regulations provides an exception to that general prohibition when:

(1) the solicitation is for the exclusive benefit of a governmental or charitable function, program, or activity;

(2) the program, function, or activity to be benefitted and the proposed solicitation campaign must have been endorsed by the Board of Estimates or its designee(s);
(3) the solicitation is directed at a broad range of potential donors rather than targeted towards controlled donors;

(4) the campaign is designed and conducted so as to avoid any suggestion that contributors might receive special access or favored treatment from any City agency or public servant;

(5) the proposed solicitation must have been approved in advance by the Ethics Board, on written request of the sponsoring agency; and

(6) the solicitation is conducted in accordance with the terms and conditions of the Ethics Board’s approval.

When those conditions are met, a sponsoring agency may undertake a solicitation campaign under Ethics Regulation 96.26B. Accordingly, Council President Mosby requests the Board of Estimates’ endorsement for him and City Council staff to engage in a charitable solicitation campaign to support The Movement Team, Inc. 2021 Holiday Toy Drive. The Holiday Toy Drive will use locations in City Hall as drop off areas for toys and gifts to benefit The Movement Team, Inc. The Movement Team, Inc. will catalogue the donations as the fiscal sponsor for the campaign and they will distribute toys to Baltimore City families on or around December 19, 2021.
ACTION REQUESTED OF B/E:

The Board is requested to NOTE a report on an emergency procurement for an Emergency Non-Construction Consultant Agreement (Agreement) with Caber Resource Group.

The Board is also requested to approve and authorize execution of the Agreement with Caber Resource Group. The period of the Agreement is July 1, 2021 through June 30, 2022.

AMOUNT OF MONEY AND SOURCE:

BACKGROUND/EXPLANATION:

Currently, citizens are impacted by the present inefficiencies of the City's financial system. This emergency is of such nature that the public welfare would be adversely affected by further delaying the implementation and putting the City at risk if we are not able to successfully implement the new system. On June 23, 2021, BCIT communicated the urgency to engage Caber Resource Group to provide Workday professional support in implementing the financial modules to ensure the success of the Workday system.

On June 23, 2021, pursuant to the Baltimore City Charter, Article VI §11(e)(ii), the Director of Finance provided a written formal approval authorizing BCIT to obtain, through emergency procurement, the required services.

On June 28, 2021, BCIT entered into an Agreement with Caber Resource Group, effective July 1, 2021.

The urgency to act for the public welfare/public safety and the on-going nature of the events described above have been the reasons for the delay in issuing this report.
The Agreement is late because of delays in the administrative process.

MBE/WBE PARTICIPATION:

A waiver was requested from MWBOO for the contract procured via emergency procurement, in accordance with Art. 5, § 28-64(c) of the Baltimore City Code:

1. an emergency exists that requires goods or services to be provided with such an immediacy that the agency is unable to comply with this Chapter; and
