AMOUNT OF MONEY AND SOURCE:

$20,000.00 – Purchase Price

BACKGROUND/EXPLANATION:

The City will convey all of its rights, title, and interest in 2904 Hilldale Avenue for the total price of $20,000.00. The Developer will be using private funds for the project.

The authority to sell the property is given under Baltimore City Code, Article 13, § 2-7(h).

STATEMENT OF PURPOSE AND RATIONALE FOR SALE BELOW THE PRICE DETERMINED BY THE WAIVER VALUATION PROCESS:

Not applicable. Pursuant to the Appraisal Policy of Baltimore City, a Waiver Valuation determined 2904 Hilldale Avenue to be valued at $18,200.00, and it will be sold for $20,000.00. The property is being sold above the Waiver Value price.

MBE/WBE PARTICIPATION:

The Developer will purchase the property for a price that is less than $50,000.00 and will receive no City funds or incentives for the purchase or rehabilitation; therefore, MBE/WBE participation is not applicable.

**ACTION REQUESTED OF B/E:**

The Board is requested to approve and authorize execution of the Land Disposition Agreement for the sale of the City-owned property located at 4914 Palmer Avenue (Blk 4612/ Lot 022A) to CR of Maryland I, LLC, Developer.

**AMOUNT OF MONEY AND SOURCE:**

$12,000.00 – Purchase Price

**BACKGROUND/EXPLANATION:**

The City will convey all its rights, title, and interest in 4914 Palmer Avenue for a total purchase price of $12,000.00, which will be paid to the City at the time of settlement. The purchase price and improvements to the site will be funded through private sources.

CR of Maryland I, LLC proposes to purchase and rehabilitate 4914 Palmer Avenue and sell to a homeowner. The rehabilitation will consist of both interior and exterior improvements.

The City is authorized to dispose of the property by virtue of Article II, Section 15 of the Baltimore City Charter, and Article 13, § 2-7 (h) of the Baltimore City Code. The property located at 4914 Palmer Avenue was acquired via tax sale foreclosure, journalized, and approved for sale on December 6, 2012.

**STATEMENT OF PURPOSE AND RATIONALE FOR SALE BELOW THE PRICE DETERMINED BY THE WAIVER VALUATION PROCESS:**

Pursuant to the Appraisal Policy of Baltimore City, a Waiver Valuation determined the value of the property to be $15,600.00, and it will be sold for $12,000.00, which is below the price determined by the Waiver Valuation Process for the following reasons:

- the sale will serve a specific benefit to the immediate community,
- the sale will help to eliminate blight,
DHCD – cont’d

- the sale will return the property to the City’s tax rolls.

**MBE/WBE PARTICIPATION:**

The Developer will purchase the property for a price that is less than $50,000.00 and will receive no City funds or incentives for the purchase or rehabilitation; therefore, MBE/WBE participation is not applicable.

ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize execution of the Land Disposition Agreement for the sale of the City-owned property located at 719 N. Fulton Avenue (Block 0097, Lot 042) to Dare Development LLC, Developer.

AMOUNT OF MONEY AND SOURCE:

$2,000.00 – Purchase Price

BACKGROUND/EXPLANATION:

The City will convey all of its rights, title, and interest in 719 N. Fulton Avenue to Dare Development, LLC for the price of $2,000.00, which will be paid to the City at the time of settlement.

The property is a three-story vacant and partially boarded structure in the Harlem Park Community that requires work. The Developer wants to purchase the vacant property located at 719 N. Fulton Avenue to rehabilitate as two rental units and a first-floor in-law apartment. The purchase and improvements to the site will be financed through a private source.

STATEMENT OF PURPOSE AND RATIONALE FOR THE SALE BELOW THE PRICE DETERMINED BY THE WAIVER VALUATION PROCESS:

The property was priced pursuant to the Appraisal Policy of Baltimore City. The Waiver Valuation Policy was used to determine its price at $4,000.00. However, due to the deteriorated condition of the property and the fact that the Developer is donating four properties to the City in another real estate transaction, it was determined that the property be sold for $2,000.00 for the following reasons:

- the sale will stabilize the immediate area,
- the sale will eliminate blight from the neighborhood,
- the sale will promote economic development, and
DHCD – cont’d

- the sale will generate real estate and other taxes through the placement of the subject property on the City’s tax rolls.

**AMOUNT OF MONEY AND SOURCE:**

The lot will be sold for $500.00, of which $400.00 will be held in escrow by the City for the benefit of the Purchaser to be applied at settlement for closing costs, including transfer taxes, recordation fees, taxes, and associated title services.

**BACKGROUND/EXPLANATION:**

The Purchaser will be using private funds to pay for the acquisition and maintenance of the property.

The DHCD’s Development Division, on behalf of the Mayor and City Council, strategically acquires and manages vacant or abandoned properties, ultimately enabling these properties to be returned to productive use and improving Baltimore’s neighborhoods.

The City has agreed to convey the property known as 1126 W. Lombard Street to the adjacent property owner. As a condition of conveyance, the Purchaser has agreed to the terms of the Side Yard Land Disposition Agreement, which prohibits the development of the parcel for a minimum of ten years.

The DHCD’s Land Resources Division, on behalf of the Mayor and City Council, strategically acquires and manages vacant or abandoned properties, ultimately enabling
these properties to be returned to productive use and improving Baltimore’s neighborhoods.

Ms. Leo received notice of the City’s intent to demolish the properties known as 506 and 508 N. Carrollton Avenue, 1515 W. Lexington Street, and 1202 Harlem Avenue. Because the Developer was involved in the ongoing rehabilitation of these properties, a property exchange was proposed with comparable M&CC-owned properties that are located in an area better suited for redevelopment. The Developer will deliver good and marketable title, and as a condition of the exchange, has agreed to rehab the property it is receiving within the timeline outlined in the Agreement.

With the Board’s approval of the Land Disposition and Acquisition Agreement, the City will receive clear and marketable title to the Developer’s properties, subject to any municipal liens, in exchange for a comparable M&CC property.

Determination of comparability is based on a valuation for the properties to be as follows:

<table>
<thead>
<tr>
<th>M&amp;CC Properties</th>
<th>Leo et al. Properties</th>
<th></th>
</tr>
</thead>
<tbody>

</tbody>
</table>

Approval of this exchange will allow the City to more expeditiously demolish the hazardous structure and take title to the property for a redevelopment project. The property exchange is less costly than acquiring the properties through tax sale foreclosure or eminent domain. This action will further the City’s effort to eliminate blight and protect the health and safety of its citizens. As such, the City has agreed to pay for all title work and associated settlement costs on the properties the City is receiving, not to exceed $600.00 per property. The Developer will be using private funds for this project.

STATEMENT OF PURPOSE AND RATIONALE FOR SALE BELOW THE VALUE DETERMINED BY THE WAIVER VALUATION PROCESS:

The rationale behind the exchange of properties was to ensure the severity of blight at 506, and 508 N. Carrollton Avenue, 1515 W. Lexington Street, and 1202 Harlem Avenue could be successfully eliminated while simultaneously ensuring that a willing and able
DHCD – cont’d

developer could contribute to the revitalization of Baltimore City in an area better suited and poised for rehabilitation.

By virtue of the power conferred by Article 13, Section 2-7, of the Baltimore City Code, the Department has approved all the terms and conditions of this Land Disposition and Acquisition Agreement.

**MBE/WBE PARTICIPATION:**

The Developer will purchase the properties for a price that is less than $50,000.00 and will receive no City funds or incentives for the purchase or rehabilitation; therefore, MBE/WBE is not applicable.

BACKGROUND/EXPLANATION:

On June 23, 2021, the Board of Estimates approved and authorized acceptance of the FY20 EMPG-S award of $66,744.21 and required match of $66,744.21 for a total of $133,488.42. The Emergency Management Performance Grant Program- COVID-19 Supplemental grant requires a 100% match with local in-kind funds that will be provided from service 608 (general fund 1001-000000-2131-228200-600000).

Through the events which have occurred related to COVID-19, the Baltimore City Office of Emergency Management (MOEM) has identified two primary needs for the EMPG-S funding: Personal Protective Equipment (PPE) and a planner responsible for COVID-specific work. The Planner would help to work on citywide occupational and health programs, the elimination of potential risk via protocol compliance (PPE, cleaning and disinfection, distancing, etc.), and administrative controls.

ACTION REQUESTED OF B/E:

The Board is requested to ratify a Grant Agreement (Agreement) with the Tree House Project, Inc. The period of the Agreement was September 30, 2020 through September 29, 2021.

AMOUNT OF MONEY AND SOURCE:

BACKGROUND/EXPLANATION:

On August 12, 2020, the Board approved the Notice of Award in the amount of $1,000,000.00 for the period September 30, 2020 through September 29, 2021, for the Resilience in Communities After Stress and Trauma (ReCAST) program.

The goal of the ReCAST program is to reduce the impact of trauma and build resilience in Central West Baltimore communities adversely impacted by the April 2015 unrest. The program empowers organizations from West Baltimore to implement high-quality, trauma-informed services to promote connectedness and resilience in youth.

On December 7, 2020, the Department advertised a Request for Proposal (RFP) for community organizations to create and build sustainable, trauma-informed behavioral health solutions for young people in Central West Baltimore. Grant recipients organized and provided activities for youth (e.g., mentoring, tutoring, out-of-school-time programming). On January 4, 2021, grants were awarded to selected grantees. Because of the COVID-19 emergency, the awards to the grantees were delayed.

The Tree House Project’s mission is to support disconnected youth in securing vital resources needed for a fundamental transition into adulthood by assisting in achieving their individual goals. The services included programs for youth 13 – 24 years of age. It offered six programs with the common goal of increasing middle and high school graduation rates; decreasing the stigma of health care services, including mental health; increasing support in transiting into adulthood/self-sufficiency; and increasing youth civic engagement.

ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize execution of a Settlement Agreement and Release for a litigation action brought by Marie Duffy against the Mayor and City Council of Baltimore. Plaintiff alleges that a sidewalk crack caused her to trip and fall, causing serious injuries.

AMOUNT OF MONEY AND SOURCE:

$95,000.00 – 2044-000000-1450-703800-603070

BACKGROUND/EXPLANATION:

On March 30, 2017, Plaintiff was walking to the Baltimore Convention Center. As she was walking, she tripped and fell when her foot was caught in a sidewalk crack adjacent to the Baltimore Convention Center. Plaintiff suffered serious injuries, including cuts to her face and lip, a chipped tooth, a broken nose, and, most significantly, ligament tears in both her knees for which she had surgeries and subsequent physical therapy.

In order to resolve this litigation economically and to avoid the expense, time, and uncertainties of further protracted litigation, the parties have agreed to offer Plaintiff payment of $95,000.00, for complete settlement of the case, including attorney’s fees. In return, Plaintiff has agreed to dismiss against the City and its employees, agents and representatives. Based on a review by the Settlement Committee of the Law Department, a recommendation to settle is made to the Board to approve the settlement of this case to avoid a potential adverse jury verdict.

APPROVED FOR FUNDS BY FINANCE

(The Settlement Agreement and Release has been approved by the Law Department as to form and legal sufficiency.)

On November 6, 2013, the Board approved a cooperative purchasing agreement under the Maryland State DOIT Solicitation No. 060B2490024 – Microsoft Software and Services Large Account Reseller Contract to provide Microsoft enterprise and select software licenses. Although the State contract does include software support coordinated through Microsoft, the City opted to establish the support agreement separately in an attempt to segment those services that could be provided by Microsoft certified MBEs and WBEs. Goals were set on the contract at 6% for MBE and 2% for WBE.

On August 14, 2020, an MWBOO compliance review (for an extension) was completed, and the Microsoft Corporation exceeded the established goals on the contract 9.56% for the MBE and 2.43% for the WBE. The MWBOO compliance review referenced inaccurate goals listed under the commitment column, the established goals are 6% for MBE and 2% for WBE. Due to a miscommunication between Microsoft and BCIT, the previous extension accidentally removed the support agreement which allowed for the segmentation of services. With the removal of the support agreement, there was no MBE or WBE participation during the current review period because the services rendered were proprietary.

Moving forward, MWBOO seeks to set MBE and WBE goals on the next contract that is inclusive of consulting services.

MWBOO FOUND VENDOR IN NON-COMPLIANCE ON SEPTEMBER 7, 2021.

   On October 28, 2015, the Board approved the initial award in the amount of
   $20,000,000.00. The award contained three renewal options. Subsequent actions
   have been approved and all renewals have been exercised. Due to the global
   component shortages substantially driving up computer costs, the current market is
   not advantageous for the City to advertise bids to establish new contracts for
   personal computer hardware. The requested extension will ensure the necessary
   provision of computer desktops, laptops, and tablets, for various end user agencies.
   This increase in the amount of $5,000,000.00 will make the award amount
   $30,000,000.00. The period of the extension is October 28, 2021 through October
   27, 2022.

   MBE/WBE PARTICIPATION:

   On June 5, 2015, MWBOO determined that no goals would be set because of no
   opportunity to segment the contract.

   MWBOO GRANTED A WAIVER ON JUNE 3, 2015.
ACTION REQUESTED OF B/E:

AMOUNT OF MONEY AND SOURCE:
$30,080.80 – 1001-000000-2142-229400-604009

BACKGROUND/EXPLANATION:
The requested action is an approval to pay an outstanding invoice for shipment received without a valid contract. The vendor provided Lytx DriveCam equipment used in BCFD vehicles to monitor driving. No. 545034 expired on June 30, 2021. Authority is requested to pay the outstanding invoice incurred without a valid contract.

It is hereby certified that the above procurement is of such a nature that no advantage will result in seeking, nor would it be practical to obtain competitive bids. Therefore, pursuant to Article VI, Section 11 (e) (i) of the City Charter, payment of the invoice is recommended.

ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize execution of a Second Amendment to the Lease Agreement with The Peale Center for Baltimore History and Architecture, Inc., Tenant, for the rental of the premises located at 223-225 N. Holliday Street, known as the Peale Museum. The amendment is effective upon Board approval and extends the period of the Lease Agreement an additional 13 years through October 7, 2077.

AMOUNT OF MONEY AND SOURCE:

N/A

BACKGROUND/EXPLANATION:

The Peale Museum, operated by The Peale Center for Baltimore History and Architecture, Inc., is an arts and humanities organization for Baltimore stories and studies, based in the first purpose-built museum building in the U.S. It is the only museum dedicated to Baltimore City’s intangible cultural heritage and hosts the world’s largest collection of digital recordings of Baltimore stories, as well as live performances and in-person experiences by Baltimore creatives. Working with hundreds of local creatives, the Peale has published more than 1,650 authentic cultural stories on a wide range of digital platforms, from social media and Sound Cloud to location-aware and augmented reality apps, and has provided over $120,000.00 in microgrants and related support to Baltimore’s storytellers to date.

The existing Lease Agreement, which was divided into an “Initial Term” and “Extension Term,” was approved by the Board of Estimates on October 8, 2014. In the Initial Term (October 8, 2014 to October 7, 2017), the Tenant completed a comprehensive study and design for the renovations of the then-vacant building.

To finance capital improvements to the building, the Tenant has been awarded competitive state and federal historic preservation tax credits from the State of Maryland and the National Park Service of approximately $1,200,000.00. To fully utilize the tax credits, the Lease Agreement must comply with U.S. federal income tax regulations relating to the issuance of the tax credits for leased premises. The Internal Revenue Service requires that the Lease Agreement be extended for the Tenant to claim the historic tax credits. The Lease Agreement must be for a term that is beyond the economic life of the improvements that are funded by the tax credits.
Without the extension of the lease term, the value of the credits and their investment into a City building will be lost. There is no cost to the City as a result of the amendment to the Lease Agreement. All other rentals, provisions, conditions, and terms of the original Lease Agreement will remain in full force and effect.

The cost of the Peale renovation project is approximately $3,500,000.00, which consists of replacement of windows, elevator installation, new HVAC system, bathroom updates, sprinkler system, updating floodproofing codes, historical finishes (paint, plaster, and flooring), updates to offices and exhibit rooms and a café. Renovations will be completed by December 31, 2022.

Per the original Lease, the Tenant is required to comply with the requirements for participation of MBE/WBE, as directed by the Minority and Women’s Business Opportunity Office.

The Space Utilization Committee approved this Second Amendment to Lease Agreement on October 8, 2021.

(The Second Amendment to Lease Agreement have been approved by the Law Department as to form and legal sufficiency.)

Department of Finance – Charles Village Community Benefits District Bylaw Changes

ACTION REQUESTED OF B/E:

The Board is requested to approve proposed changes to the Charles Village Community Benefits District (CVCBD) Bylaws.

AMOUNT OF MONEY AND SOURCE:

N/A

BACKGROUND AND EXPLANATION:

The Board has the authority to approve any bylaw changes for the CVCBD. The district has submitted proposed changes which will have no impact to its budget and will not require changes to its annual surcharge tax rate.

The CVCBD Board of Directors met several times to review and propose changes to its bylaws most recently in effect as of March 2018. The full Board voted and accepted the proposed changes at the April 2021 board meeting.

It is recommended that the Board approve the CVCBD bylaw changes.

CVCBD Proposed Bylaw Changes

In reviewing the current bylaws for the Charles Village Community Benefits District (CVCBD), the board agreed to make the proposed changes below. **The key change to the bylaws is shifting the term start date to July 1 from January 1.** This change allows new board members the opportunity to participate in preliminary conversations regarding the upcoming fiscal year budget and the evaluation of program services. As it stands now, board members onboarding in January miss relevant discussions and opportunities to receive critical feedback from their constituencies. Additional changes reflected are to correct for the term start date or to correct misspellings or duplicate language.

The CVCBD Governance Committee recommended the following Bylaw Amendments for approval by the CVCBD Board at its April 2021 Board Meeting:

1. Article III, Officers, Sec 1. Officers, page 2 of 13:

Subsection C. @ line 70: **Change** “moneys” to “monies”

Subsection D. @ line 78: **Change** “of” to “on”

2. Article III, Officers, Sec. 2. Term of Office, page 2 of 13: @ lines 87-88:

Original Statement: “An officer’s term shall be for one year, beginning January 1. If an office becomes vacant, the Board may elect a member to serve the remainder of the term.”

**Recommended Change:** An officer’s term shall be for one year, beginning July 1. If an office becomes vacant, the Board may elect a member to serve the remainder of the term.

**Notes: a)** This change requires a change to Art. IV Sec. 5 – Term of Office. See Recommended Change #4 below. **b)** Quad elections must be held by April 30th instead of October to give Quad Reps an opportunity to be considered as Officers and to have an appropriate training period. See Recommended Change #6 below.

3. Article IV, Board of Directors. Sec. 2. Representation on Board, pages 3-4 of 13 @ lines 131-134:

Original Statement: The Board may have up to 27 maximum members by law, but these Bylaws are intended to restrict the membership to 25 total members. Of those 25 members, 23 are voting members. Two of these 23 voting members must be Baltimore City Councilmembers. In addition to these 23 voting members, the Board may have up to two non-voting members.

**Recommended Change:** The Board may have up to 27 maximum members by law. Of those 27 members, 23 are voting members. Two of these 23 voting members must be Baltimore City Councilmembers. In addition to these 23 voting members, the Board may have up to two non-voting members.

4. Article IV, Board of Directors. Sec. 5. Term of Office. Page 6 of 13 @ line 224: Recommended Change: Delete “January” and replace with “July” per Recommended Change #2 above.

6. Article V. Meetings, Sec 2. Spring and Fall Meetings, page 7 of 13, @ lines 270-278 to conform to Recommended Change #2 above:

Original Statement: The Board shall hold the following public meetings each year:

A. The Spring Public Meeting shall be held in the spring on or before April 30 and shall include the presentation of the financial plan.

B. The Fall Public Meeting shall be held in the fall on or before October 31 and shall include the election of the quadrant representatives.

B. The Fall Public Meeting shall be held in the fall on or before October 31.

7. Article V. Meetings, Sec 6. Meetings by Conference Telephone, page 8 of 13, lines 315-320:

**Recommended Change:** At line 318, add “video conference” between “conference telephone” and “or similar communication equipment”.

8. Article VI. Committees, pages 8-9 of 136, line 353:

**Recommended Change:** Add a new Section as follows: “Section 5. Additional Committees. The Board of Directors, by resolution adopted by a majority of the full Board of Directors, may establish such other standing and ad hoc committees as it deems appropriate to discharge its responsibilities.”

In reviewing the current bylaws for the Charles Village Community Benefits District (CVCBD), the board agreed to make the proposed changes below.
