Department of Law – Settlement Agreement and Release

ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize execution of a Settlement Agreement brought by Larry Price against the Mayor and City Council of Baltimore. In the interest of transparency, in the above-captioned case, the Court ruled in favor of Respondent and against Petitioner Department of Public Works (“DPW”) and Baltimore City (“City”), as more fully explained below.

AMOUNT OF MONEY AND SOURCE:

\$130,000.00 – 2071-000000-5521-393200-603070 (Backpay)

\$ 40,000.00 – (Exchange for Resignation)

\$170,000.00

The amount of the settlement is \$170,000.00. This is comprised of backpay in the amount of \$130,000.00 and an additional settlement amount of \$40,000.00 in exchange for the resignation of the Appellant. Both the Civil Service Commission and the Circuit Court for Baltimore City ruled to reinstate the employee. The Agency is adamant about severing the employment relationship, and thorough settlement negotiations maintain the amount in exchange for the resignation is in the best interest of the City.

BACKGROUND/EXPLANATION:

The Appellant, a former Superintendent employee with over 26 years of employment, was terminated for performance and conduct in violation of several Civil Service Rules. The Department of Public Works charged that Appellant directed his subordinate to complete unauthorized ‘new’ water line installation. Appellant circumvented standard operating procedures in generating the work order and facilitating the project.

DPW determined Appellant’s actions would have resulted in unauthorized connection and water service. Given Appellant’s position and level of responsibility, the City could no longer trust his judgment and conduct. The Civil Service Commission and the Circuit Court for Baltimore City ruled to reinstate the employee. The facts of the case are hotly disputed, and unfortunately, several of the City’s fact witnesses are no longer employed by the City. In addition, the uncertainty of success at further appeal favors severing the employment relationship in the manner herein described eliminating the potential of reinstatement or an aberrant verdict.

ACTION REQUESTED OF B/E:

The Board is requested to accept and approve a Grant Award with The Maryland State Department of the Environment (“MDE”). The period of the Grant award is effective upon Board approval.

AMOUNT OF MONEY AND SOURCE:

\$1,790,000.00 – 5000-505619-1914-718200-405001

BACKGROUND/EXPLANATION:

On January 23, 2020, the City filed a condemnation action to acquire the leasehold interest in 319 N Carrollton Avenue, Baltimore, Maryland. The Board approved \$63,167.00 on January 8, 2020 to acquire the leasehold interest in the property based upon the highest of two appraisal reports from December 2018. The property owners contested the City’s value and provided an appraisal report valuing the property at \$210,000.00.

The City requested an updated appraisal resulting in a valuation of \$202,000.00. Prior to the trial, the parties were able to reach an agreement as to the fair market value in the amount of \$210,000.00 (i.e. 3.96% above the City’s updated fair market value). Therefore, the Board is requested to approve an additional \$146,833.00 (\$210,000.00 less the previous approval amount of \$63,167.00) previous Board approval date (\$63,167.00).

On September 30, 2020, the Board approved the purchase by condemnation, of the leasehold interest in 1204 Brentwood Avenue for \$11,600.00. This price was determined by the higher of two appraisals. The former owner agreed to settle the condemnation suit for \$18,000.00, a value of \$6,400.00 above the initial amount that was placed in the Court Registry. Therefore, the former owner, Zenovia McLaurin, is entitled to the balance of \$6,400.00

STATEMENT OF PURPOSE AND RATIONALE FOR NON-COMPETITIVE PROCUREMENT

On March 11, 2015, the Board approved the initial award in the amount of \$1,000,000.00. The award contained two renewal options. Two renewals have been exercised. On September 30, 2020, the Board approved an extension in the amount of \$0.00. This second extension is necessary as Regulatory restraints dictate that a contract must always be in place to respond to fuel emergencies. A cooperative contract with Fort Worth 53315 was approved on August 11, 2021. It will take several months to change over from the one vendor to another to comply with regulations. An extension is being requested to allow time for the change. The period of the award is October 1, 2021 through March 31, 2022. The above amount is the City's estimated requirement.

The City only credits participation when payments are made. A2Z Environmental Group has an unpaid invoice of \$2,721.25 (4.8%). Bay Associates has an unpaid invoice of \$1,000.00 (1.8%).

The previous MWBOO review resulted in a post-compliance letter advising continued utilization of all WBE's to show the fair distribution of work opportunities. There is no substantial time to increase utilization or improve goal participation for the six-month extension period. Therefore, MWBOO cannot render a conciliation plan.
