“BRNI” is the the Baltimore Regional Neighborhood Initiative program of the State.

BACKGROUND/EXPLANATION:

Founded in 1974, Druid Heights Community Development Corporation (“DHCDC”) is a resident-driven organization that works to foster community self-empowerment through the development of economic, educational, employment, and affordable housing opportunities. Its mission is to promote and encourage areas of community development and empowerment through various initiatives. The overall goal of the organization is to accelerate the revitalization of the neighborhood by preserving and improving existing housing and developing new affordable housing that will meet the needs of low-

Community Development

income families. To accomplish this goal, the DHCDC has implemented a number of community development initiatives that have proven to strengthen the fabric of the community all while creating a stable and safe community environment. The DHCDC is credited with developing 35 affordable new townhomes and rehabilitating 83 units of multi-family rental housing.

The Baker and Division Street homeownership project is a multiphase project that will locate—in the 500 block of Baker and Gold Streets, the 2200 and 2300 block of Division Street, 2200 and 2300 block of Etting Street, and the 2200 and 2300 block of Pennsylvania Avenue. The overall concept of the project consists of a development design to reduce the density from 200 units to 95 newly constructed townhouses with green spaces and parking. Phase I of the project included the development and new construction of seventeen townhomes that were completed and sold in the fall of 2011.

Since the completion of Phase I, rising construction costs and interest rates have impacted the development project, so that the current phase, Phase II, must be split into two sub phases, Phase II-A and Phase II-B, in order to be financially feasible. The DHCDC has already acquired the land upon which the Phase II-A project will be constructed.

Phase II has been designed to continue to reduce the housing density from 39 lots to 14 newly constructed townhomes. As proposed, the townhomes will be 3-bedroom units totaling approximately 1,836 square feet. Finishes will be typical builder grade, new construction and include hardwood and ceramic floors of the first floor, central air conditioning and gas forced hot air. All the units will be sold to qualified buyers who earn 80% to 110% of the area median income, adjusted for family size. It is projected that buyers will have first mortgages in the range of approximately $140,000 to $150,000, based on the current market conditions.
PARTICIPATING PARTIES:

A. DEVELOPER

B AND D Phase II LLC, a subsidiary of the Druid Heights Community Development Corporation will be the Developer of record.

B. GENERAL CONTRACTOR/ARCHITECT

A joint venture consisting of Commercial Contractors LLC and C.L. Myles Construction Co. will be the general contractors of record. Commercial Construction will assume the role as managing member of the partnership and will post a 100% Payment and Performance Bond. Architectural services will be provided by Philipsen Architects. Mr. Ernst Valery, co-managing Member of SAA/EVI, will be providing development management/consultant services to Druid Heights. (SAA/EVI) is a joint venture between SA+A Development, which has worked in affordable housing since 1976, and Ernst Valery Investments Corp., a private real estate investment firm established in 2001).

C. PARTICIPATING LENDERS:

COMMUNITY DEVELOPMENT BOND FUNDS - 1st construction/permanent

The Department is requesting approval of a Community Development Bond Fund deferred loan in an amount not to exceed $1,100,000.00 (the “Bond HO Loan”). Proceeds of Bond HO Loan will be used to support a portion of the hard construction costs of the project. The Bond HO Loan will be structured as a deferred loan that will provide for zero percent interest for a term not to exceed 12 months from loan closing (which term may be extended by consent of the Department). The Bond HO Loan will be evidenced by a note and will be secured by a first lien on the property. The Department’s total subsidy
amount for each of the six units will be $183,000.00 per unit, which will be used for hard costs of the project. Of the total subsidy amount, $150,000.00 will be a development subsidy (the “Development Subsidy”) $33,000.00 will be a homebuyer subsidy (the “Buyer Subsidy”). The Development Subsidy for each unit will be a permanent write down for the Project and will be forgiven upon the sale of each individual unit.

The Druid Heights community was one of the hardest hit Baltimore City communities throughout the civil unrest from the 1960’s through 2015. All subsidies pass through to the buyer. As a result of the subsidy, the buyer is given an opportunity to purchase an affordable quality home and further contribute to the revitalization of the community. All the homes will be sold to first-time home buyers who have low-to-moderate incomes and who would not otherwise have an opportunity to purchase their own home. The size of the total subsidy to each unit is an investment in both a traditionally overlooked and distressed community as well as the people currently living and who will live in the future in the community.

At the time each unit is sold to qualified buyers (individually the “Buyer” and collectively the “Buyers”), an amount equal to the Buyer Subsidy or $33,000.00 will be assumed by each Buyer (each, a “Buyer Loan”), which amount assists in the financing of the construction of the unit. Simultaneously, the Borrower’s obligation under the Bond Fund Homeownership Loan will be released by an amount equal to the Development Subsidy plus the Buyer Subsidy or $183,000.00.

Each Buyer Loan will be structured as a forgivable loan that will be reduced over time if the Buyer meets all the loan conditions. Upon the sale of a property to each Buyer, the restrictions applicable to such Buyer Loan will be evidenced by a Regulatory Agreement to the Buyer or covenants or deed restrictions that will run with the land and be binding on successors and assigns of the Buyer, which covenants or
restrictions shall restrict their sale of the unit. The Permanent Loan Period for each Buyer Loan will not exceed ten years commencing on the date of purchase of each unit.

MARYLAND REGIONAL NEIGHBORHOOD INITIATIVE PROGRAM FUNDS

The BRNI program of the State of Maryland’s Department of Housing and Community Development (“MD DHCD”), aims to demonstrate how strategic investment in local housing and businesses can lead to healthy, sustainable communities with a growing tax base and enhanced quality-of-life. The BRNI program attempts to focus on areas where modest investment and a coordinated strategy will have an appreciable neighborhood revitalization impact. The BRNI program is only open to community development organizations with an approved strategic neighborhood revitalization plan with projects located in Sustainable Community Areas in Baltimore City and the inner beltway of Baltimore and Anne Arundel counties.

In two separate awards, the MD DHCD has granted the DHCDC funds from the BRNI program in the amount $400,000.00 and $250,000.00 (collectively, the “BRNI Grant”) for the Phase II project.

Additional terms and conditions of the disbursement of BRNI Grant funds will be further defined in the Bond HO Loan security instruments and project draw schedule.

PRIVATE LOAN PROCEEDS

The DHCDC may obtain loans or other credit from Baltimore Community Lending or SAA/EVI to assist in the financing of Phase II-A. In each case, such loans will be secured by collateral other than the real estate. Any portion of the BRNI Grant not used for Phase II-A will be used for Phase II-B.
MBE/WBE PARTICIPATION:

The Developer will comply with Article 5, Subtitle 28 of the Baltimore City Code for Minority and Women’s Business Opportunity is fully applicable and no request for a waiver or exception has been made.

THE DIRECTOR OF FINANCE RECOMMENDED APPROVAL.

UPON MOTION duly made and seconded, the Board approved the Community Development Bond Fund Deferred Loan in an amount not to exceed $1,100,000.00 to B & D Phase III LLC, a subsidiary of the Druid Heights Community Development Corporation. **BACKGROUND/EXPLANATION:**

The project will involve the complete rehabilitation of three vacant buildings into three single-family homes, which will be rented to tenants at a subsidized rate. The four vacant lots will be converted into green space/Children’s playground. The properties are located in the Broadway-East neighborhood.

The project will be privately financed.

The City may dispose of the properties by virtue of Article 13, Section 2-7 (h) of the Baltimore City Code.
STATEMENT OF PURPOSE AND RATIONALE FOR SALE BELOW THE PRICE DETERMINED BY THE WAIVER VALUATION:

In accordance with the Waiver Valuation policy of Baltimore City, the DHCD has determined the three vacant buildings located at 2130, 2132, 2134 E. Federal Street were valued at $6,500.00 each and will be sold for $4,000.00 each.

In accordance with the Appraisal Policy of Baltimore City, unimproved property assessed below $2,500.00 does not require an appraisal. The four vacant lots located at 2138, 2140, 2142 & 2144 E. Federal Street are assessed at $1,000.00 each and will be sold for $1,000.00 each ($4,000.00 total).

The three vacant buildings located at 2130, 2132, 2134 E. Federal Street were valued at $6,500.00 each and will be sold for $4,000.00 each, which is below the price determined by the Waiver Valuation Process because of the following reasons:

- The sale and rehabilitation will help to promote a specific benefit to the community,
- the sale and rehabilitation will help to eliminate blight from the neighborhood, and
- the sale and rehabilitation will promote economic development through the placement of the subject properties on the City’s tax rolls.

MBE/WBE PARTICIPATION:

The Developer will purchase these properties for the total price that is less than $50,000.00 and will receive no City funds or incentives for the purchase or rehabilitation; therefore, MBE/WBE is not applicable.
UPON MOTION duly made and seconded, the Board approved and authorized execution of the Land Disposition Agreement with Superior Apartment Management, Developer, for the sale of the City-owned properties located at 2130, 2132, 2134, 2138, 2140, 2142, and 2144 E. Federal Street.

ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize execution of the Land Disposition Agreement with Baltimore Green Space: A Land Trust for Community-Managed Open Spaces (Land Trust), Developer, for the sale of the City-owned property located at 623 Homestead Street (Block 4075, Lot 008).

AMOUNT OF MONEY AND SOURCE:

$1.00

BACKGROUND/EXPLANATION:

DHCD’s Land Resources Division strategically acquires and manages vacant or abandoned properties, ultimately enabling these properties to be returned to productive use and improving Baltimore’s neighborhoods. In an effort to further the City’s Cleaner Greener initiative, as well as the new Sustainability Plan, which calls on the City to “develop and support a land trust to help communities retain control of appropriate open space upon their commitment to maintain the space,” the Department is seeking approval for the transfer of the Mayor and City Council owned lots within the community managed open space known as the Homestead Harvest located at 623 Homestead Street, which has been used by the Better Waverly community for the past ten years as a community garden.

The sale of the lot to the Land Trust represents a cost-effective way to provide neighborhoods with amenities such as community gardens and other beautification and recreational spaces. Through their own labor and investments, as well as outside funding, residents increase property values while creating social and environmental benefits.
By virtue of the power conferred upon the Director of the DHCD by Article 13 §2-7 of the Baltimore City Charter, the City is authorized to dispose of the property.

STATEMENT OF PURPOSE AND RATIONALE FOR SALE BELOW THE APPRAISED VALUE:

The assessed value of the lot is $5,700.00. Sale of the property to the Land Trust, which sole purpose is to ensure the preservation of the community managed open space, below the appraised value is reflective of the City’s understanding that community managed open spaces serve a specific benefit to the immediate community by elimination of blight and by providing the neighborhoods with amenities such as community gardens and other beautification and recreation spaces.

MBE/WBE PARTICIPATION:

AMOUNT OF MONEY AND SOURCE:

$747.50 - Purchase Price

$400.00 - will be held in escrow

BACKGROUND/EXPLANATION:

The Purchasers will use private funds to pay for the acquisition and maintenance of the property.

The Department’s Land Resources Division, on behalf of the Mayor and City Council, strategically acquires and manages vacant or abandoned properties, ultimately enabling these properties to be returned to productive use and improving Baltimore’s neighborhoods.

The City has agreed to convey the property known as 2333 Linden Avenue to Alexander Pio and Lydia Freeman. As a condition of conveyance, the Purchasers have agreed to the terms of the Side Yard Land Disposition Agreement, which prohibits development of the parcel for a minimum of ten years.

The City may dispose of the property by virtue of the following legal authorities: Article 28, Subtitle 8 of the Baltimore City Code.
Department of Housing and Community Development

STATEMENT OF PURPOSE AND RATIONALE FOR SALE BELOW THE WAIVER VALUATION VALUE:

The property is being sold for $747.50, as the Purchaser holds title on the adjacent property as owner-occupied.

The property will be sold below the Waiver Valuation for the following reasons:

Department of Housing and Land Disposition and Community Development Acquisition Agreement

ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize execution of a Land Disposition and Acquisition Agreement, which outlines the exchange of the property, located at 730 N. Gilmor Street (Block 0098, Lot 029), owned by Crossover Investment Group, LLC, Developer, for a comparable property, located at 716 E. 43rd Street (Block 5200, Lot 095), owned by the Mayor and City Council.

AMOUNT OF MONEY AND SOURCE:

The City agrees to pay for all settlement costs associated with the property acquired by the City, not to exceed $600.00 total.

Account: 9910-908044-9588-900000-704044

BACKGROUND/EXPLANATION:

The DHCD Land Resources Division, on behalf of the Mayor and City Council, strategically acquires and manages vacant or abandoned properties, ultimately enabling these properties to be returned to productive use and improving Baltimore’s neighborhoods.

Crossover Investment Group, LLC received notice of the City’s intent to demolish the property known as 730 N. Gilmor Street. Because the entity intended to rehab this property, a property exchange was proposed with a comparable Mayor and City Council-owned property that is located in an area better suited for redevelopment. The Developer will deliver good and marketable title and as a condition of the exchange has agreed to rehab the property it is receiving within 12 months from the date of settlement.

The City will receive clear and marketable title to the Developer property, subject to any municipal liens, in exchange for a comparable Mayor and City Council property.
Department of Housing and Community Development

The determination of comparability is based on a valuation for both 730 N. Gilmor Street and 716 E 43rd Street, which determined that the properties are each valued at $8,000.00. The liens on 730 N. Gilmor Street total approximately $2,561.02, and are itemized as follows:

<table>
<thead>

<tbody>
<tr>
<td>Tax Sale Certificate #309133 (Sale Date 5/16/16)</td>

<tr>

</tr>
<tr>
<td><strong>Total Liens</strong></td>
<td><strong>$2,561.02</strong></td>

</tbody>
</table>

Approval of this exchange will allow the City to more expeditiously demolish the hazardous structure and take title to the property for a redevelopment project. The property exchange is less costly than acquiring the properties through tax sale foreclosure or eminent domain. This action will further the City’s effort to eliminate blight and protect the health and safety of its citizens. As such, the City has agreed to pay for all title work and associated settlement costs, on the properties the City is receiving, not to exceed $600.00 per property.

The rationale behind the exchange of properties was to ensure the severity of blight at 730 N. Gilmor Street could be successfully eliminated while simultaneously ensuring that a willing and able developer could contribute to the revitalization of Baltimore City in an area better suited and poised for rehabilitation.

By virtue of the power conferred upon the Housing Commissioner by Article 13, Section 2-7, of the Baltimore City Code (2009 Edition), all the terms and conditions of this Land Disposition and Acquisition Agreement have been approved.
UPON MOTION duly made and seconded, the Board approved and authorized execution of the Land Disposition and Acquisition Agreement, which outlines the exchange of the property, located at 730 N. Gilmor Street (Block 0098, Lot 029), owned by Crossover Investment Group, LLC, Developer, for a comparable property, located at 716 E. 43rd Street (Block 5200, Lot 095), owned by the Mayor and City Council.
Department of Housing and Community Development (DHCD) – Amended and Restated Memorandum of Understanding

ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize execution of the Amended and Restated Memorandum of Understanding (MOU) with the Housing Authority of Baltimore City (HABC).

AMOUNT OF MONEY AND SOURCE:

No funds are involved in this request.

BACKGROUND/EXPLANATION:

On June 27, 2018, the Board approved the MOU with the HABC to donate 67 City-owned properties to the HABC that are needed as part of the Perkins/Somerset/Oldtown Transformation Initiative (Choice Neighborhoods). This Amended and Restated MOU modifies the requirements of the Status of Title/Reverter/Completion Dates.

The original MOU included a requirement that the Deed for each parcel conveyed by the City to the HABC, would include a right of reverter to be exercised by the City in the event that construction of the first phase of the Project is not commenced by December 31, 2019 and all phases of the Project are not completed by December 31, 2040.

This requirement impeded the Developers’ ability to obtain financing. Under this Amended and Restated MOU, each Deed to convey a parcel to the HABC may include, at the sole discretion of the Commissioner of the DHCD, a right of reverter to be exercised by the City in the event that construction on each parcel is not commenced within 24-months of the settlement on such parcel and the Commissioner may terminate any right of reverter in place.

BACKGROUND/EXPLANATION:

The St. Francis Neighborhood Center, (Center) located at 2405 Linden Avenue in the historic Reservoir Hill neighborhood, is a community institution committed to ending generational poverty through education, inspiring self-esteem, self-improvement and strengthening connections to the community by utilizing education, art, mentoring and tutoring.

To better serve its community, the Center has embarked on a plan to renovate and expand its facility. The construction is to be financed in part by a Federal Community Development Block Grant, administered by the City’s Department of Housing and Community Development. Because of federal funding, and because St. Francis’ facility is a contributing resource in a district listed on the National Register of Historic Places, federal law requires the SHPO make a determination as to whether the undertaking will have an adverse effect on the historic resource. The Maryland SHPO did determine that the undertaking would have an adverse effect and negotiated with the City and the Center to arrive at a set of measures designed to mitigate that adverse effect.

Baltimore Convention Center - Third Amendment to Master Agreement for a Chilled Water Facility in the Expansion Building of the Baltimore Convention Center

ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize execution of the Third Amendment to Master Agreement for a Chilled Water Facility in the Expansion Building of the Baltimore Convention Center between the City, the Maryland Stadium Authority (MSA) and Veolia Energy Baltimore Cooling, LLP (Veolia).

AMOUNT OF MONEY AND SOURCE:

($593,511.86) – 1001-000000-5311-391600-603087

BACKGROUND/EXPLANATION:

On August 18, 1993, the Board approved the Baltimore Convention Center (Convention Center) Construction, Operation, and Construction Agreement and Lease, by and between the City and the MSA, as amended by an amendment thereto, which was approved by the Board on February 4, 2009, which outlines the obligations of the City and the MSA in connection with the construction and maintenance of the expanded Convention Center facility (Convention Center Agreement).

On May 31, 1995, the Board approved a Master Agreement for a Chilled Water Facility in the Expansion Building of the Baltimore Convention Center by and between the City, the MSA, the Poole and Kent Company, and District Chilled Water Partnership, whereby the City leased space in the expanded Convention Center to construct a chilled water cooling facility to supply the air cooling needs of the Convention Center and other customers. According to Article 4.1(b)(iii), District Chilled Water Partnership, was obligated to reimburse the Convention Center for water consumed. District Chilled Water Partnership reimbursed the Convention Center by means of a credit on the monthly invoice. This agreement was for 20 years and took effect on April 1, 1997 until the Second Amendment was approved on September 21, 2016 in the amount of $6,033,514.
On November 21, 2007, the Board approved the First Amendment to the Master Agreement. The First Amendment authorized the following:

1) A one-time payment of $236,263.00, which represents the difference between the fuel rate charge per the original agreement and the system’s average cost of fuel calculated from the date when the Convention Center was directly connected to the general distribution.

2) The payment was made from the General Fund account 1001-531-014-00-387.

3) The Amendment also authorized the City to receive an annual rent of $52,000.00 for the lease of Plant 4 and $7,520.00 annually for the lease of pipes for the roofing connected to the Hilton Hotel.

In February 2009, Veolia purchased the rights to District Chilled Water Partnership, and began doing business under the name Veolia. From this point forward, Veolia did not provide the Convention Center with the credit on its monthly bill, nor did the Convention Center invoice Veolia for the water consumption. The reimbursement of the water bills is requested in this approval of the aforementioned Third Amendment.

On September 21, 2016, the Board approved the Second Amendment to the Master Agreement for a construction loan for $6,033,514.00, comprising of the principal for $4,326,306.00 and interest of $1,707,208 at a 7.2% interest rate. The Second Amendment authorizes the replacement of chillers and adds an additional component to its monthly charges to the City related to its costs to complete such major replacement per sections 4.1(b)(v) and 4.1(b)(vi) of the Master Agreement. These costs due from the Convention Center to Veolia would be $51,568.50 per month commencing July 1, 2017 through March 31, 2027.
The Third Amendment is for Veolia to reimburse the City for the money owed for water consumption between the periods of February 2009 to April 30, 2018. The total amount for reimbursement is $593,511.86 paid to the City via a credit to the aforementioned loan amount. This reduces the monthly bills from $51,568.50 to $40,476.82 for the entire 9.75 year period, thus providing a net savings to the City in the amount of $704,193.33.

The Amendment also states that the City will send Veolia a monthly invoice which must be paid within 45 days of receipt. Section 4 of the Third Amendment states that the Third Amendment will be dated and will be deemed to be effective upon the date which the last signatory has executed and delivered this Third Amendment, (which will not be prior to the date upon which both the Board of Estimates and the Board of the Maryland Stadium Authority have approved the Third Amendment). The last signatory for this document is the Maryland Stadium Authority.
