UPON MOTION duly made and seconded, the Board approved and authorized execution of the First Modification to Memorandum of Understanding for Demolition and Stabilization between the Maryland Department of Housing and Community Development and the Maryland Stadium Authority.

**AMOUNT OF MONEY AND SOURCE:**

$3,500.00

**BACKGROUND/EXPLANATION:**

The project will involve the complete rehabilitation and extension of the vacant building as a Violence Prevention Youth Center with a structured After School Academic program. The property is located in the Penn-North neighborhood.

The authority to sell the property is given under Baltimore City Code, Article 13, §2-7 (h).

**STATEMENT OF PURPOSE AND RATIONALE FOR SALE BELOW THE PRICE DETERMINED BY THE WAIVER VALUATION PROCESS:**

The property was valued pursuant to the Appraisal Policy of Baltimore City through the Waiver Valuation Process. The Waiver Valuation price for 2517-2521 Woodbrook Avenue is $6,500.00 and the purchase price is $3,500.00.

The property is being sold to Unified Efforts, Inc. below the price determined by the Waiver Valuation Process because of the following reasons:

- the sale will continue the elimination of blight, and
- it will also eliminate the structural deterioration of the property which occurred prior to the waiver valuation.
MBE/WBE PARTICIPATION:

The Developer will purchase the property for a price that is less than $50,000.00 and will receive no City funds or incentives for the purchase or rehabilitation; therefore, MBE/WBE is not applicable.

UPON MOTION duly made and seconded, the Board approved and authorized execution of the Land Disposition Agreement with Unified Efforts, Inc., Developer, for the sale of the City-owned property located at 2517-2521 Woodbrook Avenue.
ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize execution of the Land Disposition Agreement with Utopia Properties, LLC, Developer, for the sale of the City-owned property located at 3912 Park Heights Avenue.

AMOUNT OF MONEY AND SOURCE:

$4,500.00

BACKGROUND/EXPLANATION:

The property is being sold to Utopia Properties, LLC below the price determined by the Waiver Valuation Process because of the following reasons:

- the sale will continue the elimination of blight,
- the renovations will be to the specific benefit to the immediate community, and
- this sale will return the vacant property to the tax rolls.
MBE/WBE PARTICIPATION:

The Developer will purchase the property for a price that is less than $50,000.00 and will receive no City funds or incentives for the purchase or rehabilitation; therefore, MBE/WBE is not applicable.

UPON MOTION duly made and seconded, the Board approved and authorized execution of the Land Disposition Agreement with Utopia Properties, LLC, Developer, for the sale of the City-owned property located at 3912 Park Heights Avenue.
Department of Housing and – Community Development – Land Disposition Agreement

**ACTION REQUESTED OF B/E:**

The Board is requested to approve and authorize execution of the Land Disposition Agreement with Jalala Faria, Developer, for the sale of the City-owned property located at 802 Whitmore Avenue (Block 2373, Lot 046).

**AMOUNT OF MONEY AND SOURCE:**

$3,500.00 – Purchase price

**BACKGROUND/EXPLANATION:**

The City will convey all of its rights, title, and interest to 802 Whitmore Avenue to Jalala Faria, for the total purchase price of $3,500.00, which will be paid to the City of Baltimore at the time of settlement.

The Developer wishes to purchase the vacant building located at 802 Whitmore Avenue for the purpose of a single family dwelling for sale or rental. The purchase and improvements to the site will be financed through private sources.

The City may dispose of the property by virtue of the following legal authorities: Article 28, Subtitle 8 of the Baltimore City Code. The property was journalized and approved for sale on April 30, 2009.

The property located at 802 Whitmore Avenue was priced pursuant to the Appraisal Policy of Baltimore City via the Waiver Valuation Process at $6,218.00 and will be sold for $3,500.00.
The rationale for the sale below the waiver valuation price is that the sale will:

- serve a specific benefit to the immediate community,
- eliminate blight, and
- return the property to the tax rolls.

**MBE/WBE PARTICIPATION:**

The Developer will purchase the property for a price that is less than $50,000.00 and will receive no city funds or incentives for the purchase or rehabilitation, therefore MBE/WBE is not applicable.

UPON MOTION duly made and seconded, the Board approved and authorized execution of the Land Disposition Agreement with Jalala Faria, Developer, for the sale of the City-owned property located at 802 Whitmore Avenue (Block 2373, Lot 046).
Department of Housing and – Land Disposition Agreement
Community Development

ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize execution of the Land Disposition Agreement with Unity Properties, Inc., Developer, for the sale of the City-owned properties located at 51, 105, 109, 111, and 121 S. Fulton Avenue.

$5,000.00 – 111 S. Fulton Avenue
$5,000.00 – 121 S. Fulton Avenue
$25,000.00 – Purchase price

BACKGROUND/EXPLANATION:

The project will be privately and publicly financed, including Low Income Housing Tax Credit.

The Developer proposes to invest approximately $250,000.00 in acquisition and renovation costs, per building, at a total investment of $1,250,000.00.

This is the first phase of a larger project that will consist of the acquisition and rehabilitation of approximately 25 properties on three blocks of Fulton Avenue with a total project cost of approximately $17,000,000.00.

The aforementioned properties have been journalized and approved for sale on December 22, 2010.
DHCD - cont’d

STATEMENT OF PURPOSE AND RATIONALE FOR SALE BELOW THE WAIVER VALUATION PRICE:

Each property was priced at $6,200.00 pursuant to the appraisal policy of Baltimore City using the Waiver Valuation process.

The properties will be sold to Unity Properties, Inc. for $5,000.00 each, which is below the waiver valuation price because of the following reasons:

- the sale will help to promote a specific benefit to the immediate community,
- the sale and rehabilitation will help to eliminate blight from the neighborhood, and
- the sale and rehabilitation will promote economic development through the placement of the subject properties on the City’s tax rolls.

MBE/WBE PARTICIPATION:

The Developer has signed the Commitment to Comply with the Minority and Women’s Business Enterprise Program of the City of Baltimore.

UPON MOTION duly made and seconded, the Board approved and authorized execution of the Land Disposition Agreement with Unity Properties, Inc., Developer, for the sale of the City-owned properties located at 51, 105, 109, 111, and 121 S. Fulton Avenue.
ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize execution of a Land Disposition and Acquisition Agreement, which outlines the exchange of the property, located at 2224 Druid Hill Avenue (Block 0303, Lot 034), owned by NR2C, LLC, Developer, for a comparable property, located at 1737 E. Oliver Street (Block 1494, Lot 037), owned by the Mayor and City Council.

AMOUNT OF MONEY AND SOURCE:

The City agrees to pay for all settlement costs associated with the property acquired by the City, not to exceed $600.00 total.

Account: 9910-906126-9588-900000-704040

BACKGROUND/EXPLANATION:

The DHCD Land Resources Division, on behalf of the Mayor and City Council, strategically acquires and manages vacant or abandoned properties, ultimately enabling these properties to be returned to productive use and improving Baltimore’s neighborhoods.

NR2C, LLC received notice of the City’s intent to demolish the property located at 2224 Druid Hill Avenue. Because the Developer intended to rehabilitate the property, a property exchange was proposed for a comparable Mayor and City Council-owned property in an area better suited for redevelopment. The Developer will deliver good and marketable title and as a condition of the exchange, has agreed to rehabilitate 1737 E. Oliver Street within 12 months from the date of settlement.

The City will receive clear and marketable title to 2224 Druid Hill Avenue, subject to any municipal liens, in exchange for a comparable Mayor and City Council property.
DHCD – cont’d

The determination of comparability is based on a valuation for both 2224 Druid Hill Avenue and 1737 E. Oliver Street, which determined that the property located at 2224 Druid Hill Avenue is valued at $16,000.00, while the property at 1737 E. Oliver Street is valued at $8,666.00.

The liens at 2224 Druid Hill Avenue total approximately $113.20 and are itemized as follows:

Real Property taxes 15/16 7/21/16 $ 40.00 PRTL
Property Registration #081730 73.20
**Total Liens** $113.20

This exchange will allow the City to more expeditiously demolish the hazardous structure and take title to the property for a redevelopment project. The property exchange is less costly than acquiring the property through tax sale foreclosure or eminent domain. This action will further the City’s effort to eliminate blight and protect the health and safety of its citizens. As such, the City has agreed to pay for all title work and associated settlement costs, on the properties the City is receiving, not to exceed $600.00.

**STATEMENT OF PURPOSE AND RATIONALE FOR TRANSFER OF PROPERTY BY MEANS OF COMPARABLE EXCHANGE:**

The rationale for the exchange of properties was to ensure that the severity of blight at 2224 Druid Hill Avenue would be successfully eliminated, while simultaneously ensuring that a willing and able Developer could contribute to the revitalization of Baltimore City in an area better suited and poised for rehabilitation.

Baltimore Development Corporation (BDC) - Fourth Amendment to Land Disposition Agreement

ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize execution of the Fourth Amendment to Land Disposition Agreement (Fourth Amendment to LDA) with CBAC Borrower, LLC. (Developer).

AMOUNT OF MONEY AND SOURCE:

N/A

BACKGROUND/EXPLANATION:

On October 31, 2012, the City entered into a Land Disposition Agreement (LDA) with CBAC Gaming, LLC for the sale of eight City-owned lots to be developed into a parking garage for the Horseshoe Casino VLT facility. As part of the LDA, CBAC Gaming, LLC also received an option to purchase two other parcels, 701 W. Ostend Street and 1411 Warner Street. On August 21, 2013, April 20, 2016 and June 28, 2017, the LDA was amended and the rights of CBAC Gaming, LLC have been assigned to CBAC Borrower, LLC. An amendment to the current LDA will set the terms for the delivery of an animal care replacement facility at a new location. The Third Amendment to the LDA included a third option parcel that is necessary in order to accommodate the Developer’s plans for a golf-related entertainment project. That third parcel is the site of the City’s existing animal shelter and rescue facility, which is operated by the Baltimore City Health Department and its contractor, Baltimore Animal Rescue and Care Shelter, Inc. The Third Amendment provided that the Developer is required to construct to City specifications with its own funds, a replacement animal care facility on private property at 2800 Wegworth Lane that the Developer at that time had under contract. On completion of the replacement facility, the City would swap, plus cash to equalize with the cost of the replacement facility, with the Developer such that the City would own the newly-constructed replacement facility and the Developer would acquire the existing
animal shelter site for its development project. Construction of the replacement facility on Wegworth Lane, being funded by private dollars on private property, would not constitute “public works” requiring compliance with the City Charter public bidding provisions (Article VI, Section 11).

The Developer’s contract to acquire the Wegworth Lane property was terminated because the seller of that property was unable to find a suitable site to relocate its business. Thus the transaction contemplated by the Third Amendment is in jeopardy of collapsing for lack of a site for an animal shelter replacement facility. The BDC has identified another site on Giles Road in Cherry Hill, however the property is owned by the City; constructing the animal shelter replacement facility on City-owned land would constitute “public works” requiring compliance with the public bidding requirements of the City Charter.

Article VI, §11(e)(i) of the City Charter describes the circumstances under which the public bidding process can be dispensed with when “...no advantage will result in seeking, or it is not practicable to obtain competitive bids.”

In this case, the Developer has an existing LDA with the City for the purchase of property on which there is currently a City facility. As part of the consideration under the LDA, the Developer is required to replace that facility. For the past 18 months, the Developer, in cooperation with the City, has invested substantial time and money with architects, engineers, and a contract to design and price the cost of the replacement facility on private property. Now, that private property is no longer available, the development that the City has sought under the LDA is in jeopardy of being abandoned unless another site for the replacement facility can be found. The Giles Road site is ideal for the replacement facility.

The terms of the Third Amendment require that the construction of the replacement facility be subject to competitive bidding for the
BDC – cont’d

major subcontractors pursuant to a contract and at a price approved by the Department of Housing and Community Development. Thus safeguards are in place regarding the construction cost of the replacement facility.

No advantage to the City will result from discarding all that has been done to date and putting this project out for public bid. The Department of Finance has reviewed this matter and has recommended that the Fourth Amendment to LDA, which substitutes the City-owned Giles Road site for the privately owned Wegworth Lane site, be approved and that the public bidding process for construction of the animal shelter replacement facility on Giles Road may be dispensed with for the reasons stated above.

MBE/WBE PARTICIPATION:

The Developer has agreed to comply with the MBE requirements as described in Title 14, Subtitle 3 of the State Finance and Procurement Article in the Land Disposition Agreement.

IT IS HEREBY CERTIFIED, PURSUANT TO ARTICLE VI, SECTION 11 (e)(i) OF THE CITY CHARTER THAT THE ABOVE PROCUREMENT IS OF SUCH A NATURE THAT NO ADVANTAGE WILL RESULT IN SEEKING NOR WOULD IT BE PRACTICAL TO OBTAIN COMPETITIVE BIDS.

WRITTEN NOTICE WAS PROVIDED TO THE DIRECTOR OF FINANCE AND THE DIRECTOR OF FINANCE RECOMMENDED APPROVAL.

THE DIRECTOR OF FINANCE REVIEWED AND RECOMMENDED APPROVAL.

UPON MOTION duly made and seconded, the Board approved and authorized execution of the Fourth Amendment to Land Disposition Agreement with CBAC Borrower, LLC.

BACKGROUND/EXPLANATION:

In order to expedite the procurement of the mandatory regulatory compliance work at the Quarantine Road Landfill required by Maryland Department of Environment Refuse Disposal Permit No. 2014-WMF-0325, the Bureau of Solid Waste enlisted the aid of the NMWDA. Department of Audits - Audit Reports

The Board is requested to **NOTE** receipt of the following Audit Reports:

**President:** “The first item on the non-routine agenda can be found on Page 57, item 1, Fire Department Biennial Financial Report Fiscal Year Ended June 30, 2016 and 2015. Will the parties please come forward? Huh -- Okay. We’re -- we’re -- going to do um -- one and two together so that will be page um -- 57 item number 1 and item number 2. Independent Audit Report on Internal Control Over Financial Report and Compliance and Other Matters.”

**Acting City Auditor:** “Okay. Good morning members of the Board. My name is Audrey Askew Act -- Acting City Auditor. There was one Finding for the Fire Department Financial Audit. The Finding is incorrect accounting entry. The criteria Commission of Sponsoring
Organization, which is called COSO, requires entities to maintain a system of internal control that provides reasonable assurance that with transactions are properly recorded and accounted for to permit the preparation of reliable financial statements. During our 2016 testing of an expenditure of capital outlay, we noted an error in posting $353,000.00 as a result of BAPS correcting an entry that was originally posted in 2008. The posting was to the Capital Projects Clearing Account. BAPS cannot post entries from 8 years ago. This is an accounting error. The cause and effort to correct a prior period 2008 out of balance account, BAPS incorrectly prepared a journal entry in 2016 as an attempt to correct the account balance within the Fire Department. Expenditures were overstated in 2016. As a result, the City may be exposed to reputation risk. In addition we have no information on the magnitude of these types of errors within the Fire Department of accounts, and the reason we don’t is because we did not audit the entire accounts, which is selected as one, and noted that one issue in this particular iss – area, and we recommend the Fire Department perform periodic reviews of transactions posted to its
general ledger to ensure the accuracy and appropriateness of the accounting issue. If you turn to the last page, this is a summary of the Capital Projects Account. If you look at 2015, you will note there was no issues with that account. You had the Revenues coming at $246,000.00, expenditures of $111,000.00 you had a net excess of revenues over expenditures $134,000.00 that’s what you want to see in your accounts. But in ‘16, you see $125 for revenues. That $353,000.00, that’s in expenditures see the City Capital Outlay went to $456,000.00 that’s because of this error that is in there that made a deficit. A deficit is not of a true deficit um -- because it really should not have been there, but we could not correct it. So, we left it there. But, it is netted there -- it is noted that you have an error and that it is posted. Also, you had eight years of audits. So, those eight years -- years of audits did um -- have some journal entries to tell you to post, and um -- they were - prob -- more than I’m likely quite sure BAPS posted those entries from ‘08 to 16. So, in a sense you’re double counting this um -- If they were corrected in those -- within those prior years. That all I have to say.”
Mr. Jim Fisher: “Good morning. Jim Fisher from Baltimore City Fire Department. Um -- we ah -- assisted the Audit Department with their audit and we thank them for their time and effort for the two year biennial audit. Uh -- we’ve responded positively to this request. We don’t make these expenditures, the Finance Department through the Capital accounts do. We will review them on an annual basis and that’s been -- what our response will be. Any questions?”

President: “Any questions from anybody? Okay.”

Comptroller: “Been Noted.”

President: “This um -- the Audit have been Noted.”

Mr. Fisher: “Okay. Thank you.”

President: “Okay. There being no more business before this Board, we’ll recess until bid opening at twelve noon. Thank you.”
