President: “Good morning. Ah -- the April 22, 2020 meeting of the Board of Estimates is now called to order. In the interest of promoting and maintaining health and safety as we continue to deal with the COVID 19 pandemic, the Board of Estimates continues to be streamed virtually. Ah -- we hope that all of Baltimore is safe and that you’re all practicing social distancing and keeping your prayers and your thoughts with all our families and friends who have lost loved ones to COVID 19 and continue to lose them also unfortunately to the ongoing pandemic of gun violence in Baltimore City. Madam Comptroller, are there any corrections, additions or deferrals on the Agenda. I will direct the Board members attention to the memorandum from my office dated April 20, 2020 identifying matters to be considered as routine agenda items, together with any corrections, additions that have been noted by the Comptroller. I will entertain a motion to approve all of the items contained on the routine agenda.”
Acting City Solicitor: “Mr. President, I move approval of all of the items in the routine agenda.”

Comptroller: “I second. Mr. President, you know, I um -- I am voting -- I need to make reference that I am voting NO on pages 56 and 57. But I will approve the routine agenda, then I will comment.”

President: “Yes Ma’am. Ah -- all those in favor approving all of the items on the routine agenda say Aye. All opposed Nay. The motion carries. The routine agenda items have been adopted. Ah -- before we move any further, we have no business on the non-routine agenda, I will now turn the floor over to Comptroller Pratt for comment.”

Department of Law - Settlement Agreement and Release

ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize execution of a Settlement Agreement and Release of a litigation action brought by Garreth Parks against 17 police officers: Blane Vucci, Gordon Carew, Joseph Mueller, Kimberly Parks, Todd Tugya, Paul Dean, Barry Grant, Joseph Jefferson, Brian Horton, Tom Pfeiler, Brian Ford, Kevin Buie, John Riddick, Joseph Phelps, Ray Laslett, Donald Watson, Victor Hagee (collectively, "Defendant Officers"), Unknown Employees of the Baltimore Police Department, and the Baltimore Police Department (BPD). The Defendant Officers were involved in the investigation of a 1999 murder and non-fatal shooting wherein Plaintiff was accused and subsequently convicted of multiple offenses. Plaintiff alleges federal and state law claims against the Defendant Officers and Monell liability against BPD.

AMOUNT OF MONEY AND SOURCE:

$125,000.00 - 1001-000000-2041-716700-603070

BACKGROUND/EXPLANATION:

The Plaintiff alleges he was wrongfully convicted of the 1999 murder of Charles Hill ("Hill") and the non-fatal shooting of Anthony Burgess ("Burgess"). On July 16, 1999, Burgess took a gun from a teenager named Joseph Smith ("Smith"). Plaintiff knew both Burgess and Smith, so he went, unarmed, to Burgess’ house to resolve any disputes. Upon Plaintiff’s arrival, Burgess and a group of his friends, including the murder victim, Hill, pointed a loaded gun at Plaintiff and attempted to rob him. Plaintiff alleges that at some point, while Burgess and Hill were trying to rob him, Burgess and Hill were both shot; Hill died from his wounds. Plaintiff was stopped near the crime scene and searched by the some of the Defendant Officers and reported that he had been robbed. Plaintiff was charged with Hill’s murder, the assault and attempted murder of Burgess, and handgun violations, after multiple witnesses identified him as the murderer. On February 9, 2000, Plaintiff was convicted by a jury.
Department of Law - cont’d

On August 25, 2014, Plaintiff filed a Petition for Writ of Actual Innocence based on a report that he claimed contained exculpatory evidence that was not disclosed during his prosecution. The state court eventually vacated Plaintiff’s convictions on March 3, 2015, based on this exculpatory report. Although the State re-arraigned Plaintiff on the charges, a nolle prosequi subsequently was entered on or about October 9, 2015. Plaintiff filed the current lawsuit on October 8, 2018, alleging the Defendant Officers withheld exculpatory evidence and fabricated evidence to inculpate him for the murder of Hill. In order to economically resolve this complex, multi-defendant case, which will involve numerous experts, costly attorney’s fees and expenses, and voluminous discovery, and to avoid the expense, time, and uncertainties of further protracted litigation, the parties have agreed to offer Plaintiff payment of $125,000.00, for complete settlement of the case, including attorney’s fees and costs. In return, Plaintiff has agreed to dismiss all claims against the Defendant Officers, Unknown Employees of BPD, BPD, and their employees, agents and representatives. Based on a review by the Settlement Committee of the Law Department, a recommendation to settle is made to the Board of Estimates to approve the settlement of this case to avoid a potential adverse jury verdict.

January 17, 2020

VIA HAND DELIVERY

BID PROTEST

Protestor: Spiniello Companies ("Spiniello")
3500 East Biddle Street
Baltimore, MD 21213

Solicitation: City of Baltimore Department of Public Works ("City" or "DPW")
Sanitary Contract No. 997 On-Call Assessment & Repairs of Sanitary Sewer Mains & Laterals Citywide ("SC 997" or "Project")

Low Monetary Bidder: Midas Utilities LLC ("Midas")

Honorable President and Members of the Board of Estimates:

Spiniello submits this Bid Protest regarding the award of SC 997 to the apparent low monetary bidder, Midas, or any other bidder as Spiniello is the lowest price responsive and responsible bidder. Further, Spiniello intends to challenge the award of SC 997 to Midas or any bidder other than Spiniello before the Board of Estimates.
Aggrieved Party

Spiniello submitted a timely, responsive bid and is a responsible bidder for SC 997, and thus has standing to protest as an aggrieved party an award of SC 997 to Midas or any bidder other than Spiniello.

Timely Protest

Spiniello’s Bid Protest is timely filed with the Board of Estimates prior to contract award.

Grounds of Protest

It is Spiniello’s position, which will be presented to the Board of Estimates, that it is contrary to the best interests of the City, the taxpayers, Spiniello and the other bidders on this Project, if SC 997 is awarded to Midas for the following reasons:

1. It is Spiniello’s understanding that Midas has advised the City in writing that it is not ready or capable of completing the Project as bid.
2. Spiniello knows from attendance at the bid opening that Midas was unable to have issued a Performance Bond, and instead tendered a cashier’s check as part of its Bid package.
3. It is Spiniello’s understanding that Midas will not be able to have issued the requisite Performance Bond per the Baltimore Green Book within 10 days after an award of this Project.
4. In light of the above, Midas is neither a responsive nor responsible bidder, and cannot be considered for, or actually awarded, the Project.

A key element of a sealed bidding procurement is that non-responsive bids may not be considered for award. Nash & Cibinic, FORMATION OF GOVT. CONTRACTS, Third Ed., at 537 (“The purpose of [the responsiveness] requirement is to promote fairness and objectivity, and to encourage wide competition by requiring all bidders to bid on exactly the same work and to the same terms and conditions”); see also Nat’l Elevator Co., No. 1291, Oct. 1, 1986, 1 MSBCA ¶135.
Ruling and Relief Requested

Spiniello requests that the apparent lowest price Bid of Midas be found non-responsive, that Midas be found to be a non-responsible bidder, and that Midas not be recommended for, or awarded, SC 997. Spiniello further requests that the Board of Estimates award SC 997 to Spiniello as the lowest price, responsive, and responsible Bidder.

Respectfully submitted,

Mary Ellen Scalera

Re: Bid Protest of W.M. Schlosser Co., Inc.  
Police HQ and Annex Elevator Upgrade and Modernization

Dear Sir or Madam:

W.M. Schlosser Co., Inc. (“Schlosser”) protests award of the referenced contract to the apparent first and second low bidders on the project, Nichols Contracting (“Nichols”) and Chilmar Group (“Chilmar”). Schlosser was third low bidder on the Police HQ and Annex Elevator Upgrade and Modernization project (“the Contract”). However, both Nichols’ and Chilmar’s bids failed to satisfy the WBE participation requirements of the Contract. Therefore, Nichols’ and Chilmar’s bids are non-responsive and award should be made to Schlosser as the low responsive bidder.

Bid Breakdown

A breakdown of the 3 bids is as follows:

Nichols Contracting  
Base 3,026,995  
ALT 1,419,250  
Total: 4,446,245

Chilmar Corp  
Base 3,288,000  
Alt 1,081,000  
Total: 4,369,000

W M Schlosser Co Inc  
Base 3,488,000  
Alt 1,055,000  
Total 4,543,000
Failure to satisfy WBE Requirements

The contract set forth a WBE participation goal of 3 percent. Only 25% of this amount, however, could be met by non-manufacturing WBE suppliers. See Contract Section G, Subsection 3(f) Minority and Women’s Business Opportunity Requirements. This limitation is a matter of law as set forth in Article 5, Subtitle 28, Section (c)(2) of the Baltimore City Code. In all capital letters, the Contract further states that “THE FAILURE OF ANY BIDDER, CONTRACTOR OR SUBCONTRACTOR TO COMPLY WITH ARTICLE 5, SUBTITLES 28 SHALL BE A BREACH OF CONTRACT.” Both Nichols and Chilmar violated the Baltimore City Code and the Contract by using non-manufacturer suppliers to meet 100% of the WBE participation goals. Only 25% is permitted.

Specifically,

---Nichols Contracting (“Nichols”) listed Absolute Solutions, a non-manufacturer supplier for “Construction Supplies and Equipment” for the entire 3%. Nichols did not request a waiver.

----Chilmar Corp. (“Chilmar”) also used a non-manufacturer supplier, Tegeler Construction and Supply to meet the entire 3% goal. (Chilmar’s bid specified that Tegeler’s would furnish electrical and mechanical equipment, and elevator components.) Like Nichols, Chilmar did not request a waiver.

Unlike Nichols and Chilmar who relied upon suppliers, Schlosser met the goal using 2 subcontractors, Design Plus Sprinkler Systems (.5%) and Letke Security Contractors (2.5%) to perform actual contract work to meet the 3% goal.

Finally, it has come to Schlosser’s attention that its bid might be rejected because changes were made to Letke Security Contractors’ (“Letke”) MBE/WBE and Prime Contractor’s Statement of Intent because those changes were only initialed by Schlosser. However, Letke was aware of and agreed to the changes made to the form. As confirmed by the letter of Kim Letke attached hereto as Exhibit 1, both Letke and Schlosser were and considered themselves bound by the terms of the Statement of Intent as submitted. Accordingly, the lack of Letkes’ initials on the Statement of Intent is a waivable minor informality and Schlosser’s bid should not be rejected.

Conclusion

As explained above, Nichols’ and Chilmar’s bids do not meet the WBE participation goals of the Solicitation and are therefore non-responsive and must be rejected. Accordingly, award of the Contract should be made to Schlosser as the responsive low bidder.

Contract 19801

Letke respectfully request to be heard before the Board of estimates regarding contract 19801. Elevator repairs -.

1. I, Kim Letke signed the WBE form and am aware the dollar value numbers are written in at bid time - My verbal confirmation to agreeing to the change was provided to WM Schlosser at bid time.
The change was acceptable to Letke Security Contractors Inc- Kim Letke.
Verbal agreements happen all the time and are part of contracts.
Since I already signed the form and agreed to the changes. I find that WM Schlosser and Letke had a binding agreement.

2 WM Schlosser is the 3rd bidder. The 1, and 2nd have issues with their paper work where they did not included any woman or minorities.

Since the other 2 contractors had no WBE – MBE.
WM Schlosser does have WBE and MBE.
In addition WM Schlosser hires woman and minorities.

I would respectfully":
Request to be heard before the Board of Estimates as well as request WM Schlosser be awarded the contract since they have all their paper work in order.

Contract 19801

Letke respectfully request to be heard before the Board of estimates regarding contract 19801. Elevator repairs...

1. I, Kim Letke signed the WBE form and am aware the dollar value numbers are written in at bid time – My verbal confirmation to agreeing to the change was provided to WM Schlosser at bid time.

The change was acceptable to Letke Security Contractors Inc - Kim Letke.

Verbal agreements happen all the time and are part of contracts.
Since I already signed the form and agreed to the changes. I find that WM Schlosser and Letke had a binding agreement.

2 WM Schlosser is the 3rd bidder. The 1, and 2nd have issues with their paper work where they did not included any woman or minorities.

Since the other 2 contractors had no WBE – MBE.
WM Schlosser does have WBE and MBE.
In addition WM Schlosser hires woman and minorities.

I would respectfully:
Request to be heard before the Board of Estimates as well as request
WM Schlosser be awarded the contract since they have all their paper work in order.

Respectfully
Kim Letke

BACKGROUND/EXPLANATION:

Councilman Henry’s Office plans to participate in the solicitation of food donations and funds in support of the GEDCO CARES Food Pantry. During this unprecedented pandemic, food pantries and community kitchens are experiencing strain trying to meet the needs of residents. As residents lose their jobs or run through their savings, GEDCO CARES is supporting those who are experiencing food insecurity.

A potential donor list will be comprised of individuals that follow the “Councilman Bill Henry” account on social media or subscribe to his weekly newsletters. Most of the individual and corporate entities fitting this description are not controlled donors. However, those potential donors who are controlled donors with respect to the City Council and Board of Estimates will not be targeted or singled out in any way and will be solicited, if at all, in the same manner as other perspective donors.
Baltimore City Code, Article 8, §6-26 prohibits solicitation or facilitating the solicitation of a gift. An exception was enacted in 2005 to permit certain solicitations that are for the benefit of an official governmental program or activity, or a City-endorsed charitable function or activity. Ethics regulation 96.26B sets out the standards for approval, which includes the requirement that the program, function or activity to benefit from the proposed solicitation must be endorsed by the BOE or its designee.

Office of the City Council - Governmental/Charitable Solicitation Application

ACTION REQUESTED OF B/E:

The Board is requested to endorse a Governmental/Charitable Solicitation Application for submission to the Board of Ethics of Baltimore City to allow Councilman Eric Costello to provide meals to nurses at hospitals in the 11th Council District, specifically Mercy Hospital and University of Maryland Medical Center (UMMC) Downtown and Midtown campuses during the COVID-19 pandemic. The period of the campaign is effective upon Board approval through June 15, 2020.

AMOUNT OF MONEY AND SOURCE:

No general funds are involved in this transaction.

BACKGROUND/EXPLANATION:

Councilman Costello’s Office plans to solicit funds to purchase meals for nurses working at Mercy Hospital and UMMC’s Downtown and Midtown campuses, and to cover the cost of transporting the meals from local restaurants to the hospitals.

On March 19, 2020, Mayor Bernard C. “Jack” Young declared a State of Emergency in Baltimore City due to the public health threat posed by the novel corona virus, also known as COVID-19. Since then, nurses and other health care professionals have worked, often for extended hours and under challenging conditions, to treat City residents and other patients for COVID and to provide other essential medical services. Mr. Costello seeks to recognize the daily sacrifices made by hospital staff in the 11th District and simply to thank these dedicated workers for their service to the community during an unprecedented public health emergency.
Donations will be solicited through social medial (Facebook, Twitter, Instagram, LinkedIn, and Nextdoor), through an email distribution list of community and business leaders, and through postings on the Councilman’s website. Potential donors will consist of businesses and residents located in the 11th Council District. Most of the individual and corporate entities fitting this description who will be solicited are not controlled donors. However, those potential donors who are controlled donors with respect to the City Council and Board of Estimates will not be targeted or singled out in any way and will be solicited, if at all, in the same manner as other prospective donors.

Councilman Cohen wishes to solicit donations from local individuals, businesses and the general population. The period of the campaign is effective upon Board approval through April 30, 2021.

No general funds are involved in this transaction.

BACKGROUND/EXPLANATION:

Donations will be solicited from Baltimore businesses, civic leaders, the foundation community and the general population. Office of the City Council – cont’d

Despite governmental assistance programs and current food distribution efforts in Baltimore, members of our immigrant communities in Southeast Baltimore are struggling to maintain reliable food access to support their families during the COVID-19 crisis.

Many members of these communities have been laid off from work, which presents them with a significant financial burden. Additionally, local immigrant-owned businesses have either been forced to close or to continue to operate, but under challenging circumstances that contribute to stress, anxiety, and financial hardship. In this time, there is an opportunity to leverage the assets that are our local immigrant-owned food providers to help meet the food needs of our immigrant community members. Councilmember Cohen would like to establish a fund of up to $120,000.00 that would be held and managed by the Southeast Community Development Corporation to support and improve food access for immigrant communities in Southeast Baltimore and support local immigrant-owned food providers during the COVID-19 crisis.

**BACKGROUND/EXPLANATION:**

The leased premises known as the Sun Building will be used for the Baltimore Police Department, Fire Department and Emergency Management Services, and for other City purposes and agencies as deemed appropriate by the City. The Sun Building will primarily be used to provide space for the Baltimore Police Department Central District, as well as for medic units for the Fire Department-EMT.
The Lessor will be responsible for the common area and building systems maintenance, interior and exterior structure, lighting fixtures and ballasts, property taxes, Lessor’s insurance for the property, water, sewer, steam, and base building electric charges, snow removal, tenant improvements, and 50 unreserved parking spaces in the garage. Lessee will be responsible for all janitorial and security service, trash removal, utilities at the sub-meter, any parking spaces beyond the 50 provided by the Lessor, as well as be responsible for all equipment and furnishings not included in the tenant improvements.

In addition to the monthly rent, the Lessee will be responsible for reimbursing the Lessor for the tenant improvements, plus a management fee of 5%, not to exceed $61,750.00. Upon final agreement between Lessor and Lessee on the scope of the garage improvements and garage budget, Lessor will be responsible for the garage improvements, and Lessee will be responsible for reimbursing the Lessor for the cost of the improvements plus a management fee.

Beginning on the date which is 18 months following the commencement date and in addition to the Base Rent, and provided that the parties have not signed a new lease (or an amendment to this Lease, as the case may be) for the Lessee to lease the entire building, the Lessee will pay the additional monthly rent of $62,500.00.

The Space Utilization Committee approved this Lease Agreement on April 14, 2020.

APPROVED FOR FUNDS BY FINANCE
Comptroller: “Right. I would like to address the Lease Agreement on Pages 56 and 57 of this week’s Agenda. I support the efforts of the Baltimore Police Department to find a new location for its Central District headquarters. But at a time when the City of Baltimore is facing a $42 million dollar deficit for Fiscal 2020 and revenue loss of up to approximately $100 million in Fiscal 2021, I am concerned this lease is not a good value for the taxpayers. Over the three years, the City will pay $8.29 million dollars in rent. The City will also have to reimburse the landlord for improvements and pay a management fee based on the cost of the improvements. Finally, if the City does not enter into a lease for the entire building within 18 months of the start of the lease we are considering today, then we will be charged an additional monthly rent of $62,500.00. Currently, and going forward into the next fiscal year, City government will have to address an unprecedented loss in revenue. To me this is not the time for us
to be entering into a lease that imposes fees and additional charges on the City in the way that this agreement does. For all these reasons, I am voting NO on the lease with ATAPCO Baltimore I, LLC. Thank you.”

President: “Thank you. Thank you, Madam Comptroller.”

UPON MOTION duly made and seconded, the Board approved and authorized execution of the Lease Agreement with ATAPCO Baltimore I, LLC for the rental of the property known as the Sun Building at 401/501 N. Calvert Street, consisting of approximately 121,833 square feet. The Comptroller voted NO.
President: “I just want to inform the rest of the Board that this is Danielle from my office’s last day with us. After nearly ten years of service in the Council President’s office, she will be moving over to Information Technology. I want to say publicly thank you Danielle for all your hard work and service to the office both under now Mayor Young, then Council President Young and myself. You know that you will be missed here and your work here did not go unnoticed. Thank you for helping bring the Board of Estimates into the 21st Century by putting together these WebEx meetings for us and not only us but more importantly for the public and for everyday giving your all to the citizens of Baltimore. We know that you are not totally leaving us, but you will be missed here in City Hall each and every day. I wanted to say thank you for your service. Mr. Mayor, I didn’t know if you wanted to comment as well because I know Danielle worked for you as well. I guess not. I will thank you.”
Comptroller: “I’d like to say um --.”

President: “Yes Madam Comptroller.”

Comptroller: “I’d like to congratulate Danielle. Danielle, I just want to thank you for your effort and hard work for working with me and my staff --.”

Mayor: “I wasn’t even finished.”

Comptroller: “Oh I didn’t hear you.”

Mayor: “I was speaking but I guess someone muted me okay. But I want to thank Danielle for ---.”

President: “Danielle must have muted you. Mr. Mayor.”

Mayor: “Huh.”

President: “Danielle must have muted you.”

Mayor: “Okay. I want to thank Danielle for the years of service she performed while I was President. Ah -- Danielle during that whole time ah -- after work was going to college, got her degrees and came into my office and said I deserve a raise. I like somebody like that. Danielle I wish you the best. Where you going at?”
Comptroller: “BCIT.”

Mayor: “Danielle I wish you the best of luck at BCIT. I know you were trying to get out of there when I was President. You finally got out. But doing that kind of work is can be very hard. Danielle went to school for a lot of things that she wants to do and I know I begged her not to leave. Gave her a couple of raises to keep her there. So Mr. President, you should have given her all those raises she would still be there.”

President: “I tried, I tried over the last couple of weeks it didn’t work Mr. Mayor.”

Mayor: “Thank you Danielle. I know Danielle probably left ah -- ah -- a standard operating procedure for whom ever is going to fill in for her. She has some big shoes to fill. Danielle was looking at everything. And was pointing out everything that she thought I should have been aware of. I know she did the same thing for you Mr. President. Danielle good luck with your new job and I wish you the best. Thank you.”
President: “Madam Comptroller.”

Comptroller: “Again, I just want to congratulate Danielle for all of the hard work and working with me and my staff and making sure that everything ran smoothly at the Board of Estimates. I wish you the best and if there is anything that this office or I can ever do for you, please don’t hesitate to call upon us.”

President: “Thank you. Anyone else from the Board want to comment?”

Acting City Solicitor: “Sure. I would like to say something.”

President: “Madam City Solicitor.”

Acting City Solicitor: “Well Danielle um -- Danielle sent me a text just a few minutes before we went live saying this would be her last BOE. And I responded, how could you break up with me by text. I had no idea. But I will tell you publicly what I said to you privately Danielle. You have been an excellent, excellent addition to the President’s office and for the City of Baltimore. I was relieved when you told me that you would still be with us because you are going to BCIT you are not going away”
from the City. You are one of the people that has made my transition from private law practice to public law practice so much smoother. I have followed your lead and guidance in really just simply how to talk and socialize things with elected officials. You have been tremendous. BCIT is getting an excellent, excellent leader in you. Um - I’m going to miss you. I’m going to miss how you got us all connected with technology. And just good luck. Good luck. Stay close, stay in touch and stay well.”

President: “Thank you. Yes. Mr. Director.”

Acting Director of Public Works: “I just want to echo everything that has been said. Um -- I have been in various roles over the past few years. And I have been able to work with Danielle and it has always been with professionalism, class and just a respect for the process as well as the positions of all of the Board members, and the importance of the work that we do in the City. So, I just want to echo everyone and really thank Danielle and I’m so happy to hear that she will remain employed by the City of Baltimore.”
President: “Thank you. Thank you. Yes, we all know that Danielle will be missed. Danielle and I actually -- we started as staffers together and now we both have ascended to different roles. So Danielle, thank you for all your years of service and just know that if anything is wrong with anything in IT, I’m calling you directly.”

Danielle Laurenceau: “Thank you everyone. No problem Mr. President, I got you.”

President: “So before we end, I just want to remind everyone, the citizens of Baltimore that we are still going through this COVID-19 process. And we have to continue to take it very seriously. We know that we seeing some good signs. We know that everyone is working hard. But please be mindful. Make sure that you’re looking out for your neighbors. Make sure that you’re practicing social distancing. Make sure that you’re adhering to the advice of public health professionals in everything that you do so that we can make it through this together. As there is no more business before the Board, we will recess until bid opening at twelve noon.”
