Due to the lack of federal funding, Head Start services for more than 57,000 children were eliminated, which necessitated the closing of eight Head Start centers and the removal of office furniture, equipment and files. The agency procured the services directly, as they felt that it was an emergency, and that only one vendor was available to accommodate the agency’s immediate need. Services were provided by Allen & Son Moving/Storage, Inc. This price does not include relocating the stored items at the end of the term, nor for storage beyond November 30, 2014. A PROTEST WAS RECEIVED FROM MS. KIM TRUEHEART.

The Board of Estimates received and reviewed Ms. Trueheart’s protest. As Ms. Trueheart does not have a specific interest that is different from that of the general public, the Board will not hear her protest. Her correspondence has been sent to the appropriate agency and/or committee which will respond directly to Ms. Trueheart.

Board of Estimates
Attn: Clerk
City Hall, Room 204
100 N. Holliday Street,
Baltimore, Maryland 21202

Dear Ms. Taylor:

Herein is my written protest on behalf of the underserved and disparately treated citizens of the Baltimore City who appear to be victims of a lack of vision, poor fiscal planning and management and failure to capitalize on strategic investment opportunities in our youth by the Mayor of Baltimore City and the various Departments and Agencies under her leadership and direction.

The following details are provided to initiate this action as required by the Board of Estimates:

1. **Whom you represent:** Self

2. **What the issues are:**
   a. Page 11, Item #1, Bureau of Purchases, Solicitation No. 06000 – Storage Trailers for Head Start Locations – Mayor’s Office of Human Services, if approved:
      i. Demonstrates MOHS’s lack of a strategic plan to effectively manage resources and assets under its charge;
      ii. Demonstrates a lost opportunity to reallocate resources to meet the MOHS ongoing mission;
         1. Were remaining Head Start sites contacted to determine if these assets could be reallocated for their continued use serving those children and families remaining in the Head Start program?
      iii. Fails to engage the Head Start Policy Council in managing these scarce resources and assets to achieve better outcomes for children and families remaining in the program.

3. **How the protestant will be harmed by the proposed Board of Estimates’ action:** A comprehensive strategic plan which engages the Head Start Policy Council if well organized can lead the City in reforming city and state agencies to enhance early learning services for our underserved youth.

4. The remedy I seek and respectfully request is that this action be delayed until the MOHS presents for public review and comment, a strategic plan which addresses the management and reallocation of its resources and assets beyond November 2014.

I look forward to the opportunity to address this matter in person at your upcoming meeting of the Board of Estimates on September 3, 2014.

If you have any questions regarding this request, please telephone me at (410) 205-5114.

Sincerely,
Kim Trueheart, Citizen & Resident

APPROVED FOR FUNDS BY FINANCE

AUDITS REVIEWED THE SUBMITTED DOCUMENTATION AND FOUND THAT IT CONFIRMED THE GRANT AWARD.

UPON MOTION duly made and seconded, the Board approved acceptance of the Update to the Unified Grant Award for the period ending July 31, 2014.
Health Department – Agreements and Amendment to Agreement

The Board is requested to approve and authorize execution of the various Agreements and an Amendment to Agreement.

AGREEMENTS

1. THE JOHNS HOPKINS BAYVIEW MEDICAL CENTER, INC. (JHBMC) $ 50,000.00

Account: 4000-422514-3030-271500-603051

The JHBMC’s Community Care-A-Van targets uninsured individuals and provides free outreach medical services in Southeast Baltimore, including comprehensive medical care and health care education. The JHBMC will provide prevention, counseling, treatment, and referral services aboard the Care-A-Van to clients. Clients who test positive for HIV will be referred to either the JHBMC or other health care providers for treatment. The period of the Agreement is January 1, 2014 through December 31, 2014.

The Agreement is late because the request was received late in the grant year and also because of an oversight in processing by the Department.

MWBOO GRANTED A WAIVER.

2. GOVERNOR’S OFFICE OF CRIME CONTROL AND PREVENTION (GOCCP) $ 50,000.00

Account: 5000-518715-3160-308000-405001

Under the terms of this Grant Award Agreement received from the GOCCP, the funds will be used to provide salary support for the Department’s “Operation Safe Kids Court II (OSK)” Program. This problem solving court model targets Juvenile Justice System youth who are on probation and at-risk of out-of-home placement.
Health Department – cont’d

The OSK Court II Program provides accountability and immediate response to the highest-risk youth who continue to exhibit delinquent behavior within the Department of Juvenile Justice Services Violence Prevention Initiative. This is achieved through intensive monitoring, case management, and regular court reviews hearings on a separate docket within the Baltimore City Juvenile Court. The period of the Grant Award Agreement is July 1, 2014 through June 30, 2015.

The Grant Award Agreement is late because it was recently received.

AUDITS REVIEWED THE SUBMITTED DOCUMENTATION AND FOUND THAT IT CONFIRMED THE GRANT AWARD.

3. HOUSING AUTHORITY OF BALTIMORE CITY (HABC) $ 0.00

The HABC will serve as a Volunteer Station for the Senior Companion Program. Through a grant from the Corporation for National and Community Services, the Department sponsors the Senior Companion Program. The grant pays for 100% of the cost of Senior Companions to volunteer to assist special needs clients who want to remain in their homes. While the senior companions are on duty, the grant provides for their life insurance, transportation and other benefits. The period of the Agreement is July 1, 2014 through June 30, 2015.

The Agreement is late because of delays in the signatory process.

4. THE JOHNS HOPKINS UNIVERSITY (JHU) $327,689.00

Account: 4000-499014-3023-513200-603051

The JHU will provide HIV targeted outreach and linkages to care. Under the terms of this Agreement, the JHU will implement and maintain an HIV viral load testing protocol in conjunction with the Department.
Specifically, data will be used to target HIV testing efforts better, to areas with the highest viral loads in Baltimore City, thereby increasing the efficiency of the Department’s HIV testing efforts. A detailing kit will also be developed for private providers that will encourage routing testing and provide resources for referral to care. The period of the Agreement is January 1, 2014 through December 31, 2014.

5. **THE JOHNS HOPKINS UNIVERSITY (JHU)** $236,304.00

Account: 4000-499014-3023-513200-603051

The JHU will provide HIV Prevention and HIV Counseling services. These services will include high quality counseling and testing to reiterate the importance of HIV prevention and the confidentiality of counseling. The funds will be used to support a Nurse Practitioner and a Programmer, as well as a Sexual Health Innovation Specialist and two Outreach Workers. The period of the Agreement is January 1, 2014 through December 31, 2014.

The Agreements are late because the requests were received late in the grant year and there were delays in receiving an acceptable scope and budget.

**MWBOO GRANTED A WAIVER.**

6. **KENNEDY KRIEGER INSTITUTE, INC.** $ 53,204.00

Account: 4000-427115-3080-294310-603051

Kennedy Krieger Institute, Inc. will coordinate family support services with the Department’s Baltimore Infants and Toddlers Program. These services will include coordination of services to infants and toddlers and their families in the Hispanic/Latino and Orthodox Jewish communities. The period of the Agreement is July 1, 2014 through June 30, 2015.
Health Department – cont’d

The Agreement is late because of delays in the signatory process.

MWBOO GRANTED A WAIVER.

AMENDMENT TO AGREEMENT

7. **FOREST PARK SENIOR CENTER, INC.** $ 21,000.00

Account: 4000-433514-3024-295903-603051

On January 15, 2014, the Board approved the original agreement in the amount of $50,987.00 for the period of October 1, 2013 through September 30, 2014.

This Amendment to Agreement increases the award by $21,000.00 for additional services, making the total amount of the award $71,987.00. All other terms and conditions of the original agreement remain unchanged.

MWBOO GRANTED A WAIVER.

Baltimore City Fire Department – Agreement

ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize execution of an Agreement with HealthCare Access Maryland, Inc. (HCAM).

AMOUNT OF MONEY AND SOURCE:

$178,894.00 - 1001-000000-6100-618500-603026

BACKGROUND/EXPLANATION:

This agreement covers a project known as Operation Care, which was previously provided by then named Baltimore HealthCare Access, Maryland, Inc., (BHCA) in a pilot program in FY 2009 in collaboration with the Baltimore City Health Department that continued through FY 13.

Operation Care personnel follow high risk patients who call frequently for 911 services and are then matched to health services providers. The expected outcomes of this program are that patients who frequently call 911 will be properly matched with the services that best address their needs and secondarily realize a reduction in the number of calls for emergency medical service. The BCFD provides the patient data to HCAM and HCAM staff follow-up with the patients. The program is staffed with a Project Coordinator and an Outreach Case Manager by HCAM.

Operation Care is a solely unique collaboration between HCAM and the BCFD. This program resolves a Fire Department EMS dilemma of frequent low acuity 911 callers. The Department uses a great deal of resources to meet the demands of these callers but cannot reduce their impact. There is no way to codify a general approach to this problem for competitive bidding.
Baltimore City Fire Department – cont’d

The collaboration with HCAM allows each person identified as a high volume caller to be greeted and given compassionate cost effective medical care thus reducing the 911 burden.

UPON MOTION duly made and seconded, the Board approved and authorized execution of the Agreement with HealthCare Access Maryland, Inc.
Fire Department – Donation of Equipment

ACTION OF REQUESTED OF B/E:

The Board is requested to approve acceptance of a response unit from the United States Capital Police.

AMOUNT OF MONEY AND SOURCE:

$200,000.00 – value of donated equipment

BACKGROUND/EXPLANATION:

The City and the Fire Department would like to acknowledge this donation and thank the United States Capital Police. The Fire Department will be able to use this vehicle as a replacement unit in the Department’s current HAZMAT response fleet.

APPROVED FOR FUNDS BY FINANCE.

UPON MOTION duly made and seconded, the Board approved acceptance of a response unit from the United States Capital Police.
Fire Department – Memorandum of Understanding

ACTION OF REQUESTED OF B/E:

The Board is requested to approve and authorize execution of a Memorandum of Understanding with the Johns Hopkins Center for Injury Research and Policy (JHCIRP). The MOU is for the period August 8, 2013 through February 7, 2015.

AMOUNT OF MONEY AND SOURCE:

$140,022.00 – 4000-417814-2132-228200-603026

BACKGROUND/EXPLANATION:

On September 25, 2013, the Board approved the FFY 2012 Assistance to Firefighters Grant.

The MOU authorizes the release of $140,022.00 to the JHCIRP as a subgrantee in order to perform services authorized under the Federal Emergency Agency’s (FEMA) Fire Prevention and Safety Grant. The MOU also describes the scope of work that will be performed under the grant, which will be performed by the JHCIRP.

The Fire Department and the JHCIRP jointly responded to a Request for Proposals from the FEMA Fire Prevention and Safety grants in May 2012. The Fire Department, the lead agency, received notice that the proposal was accepted. Using the FEMA grant funds pursuant to the MOU, the JHCIRP will measure the impact of the existing 311 smoke alarm distribution program. The JHCIRP will measure smoke alarm installation in Baltimore City and increase demand for smoke alarm installation through community promotion, of the 311 program. The JHCIRP will compare the impact of the current 311 program to the enhanced 311 program that includes community promotion and the Fire Department door-to-door smoke alarm distribution program.

Fire Department – Employee Expense Statement

ACTION REQUESTED OF B/E:

The Board is requested to approve the expense statement for Chi-Poe S. Hsai for the month of March 2014.

AMOUNT OF MONEY AND SOURCE:

$53.11 – Mileage (March 2014)
7.00 - Parking
$60.11 – 1001-000000-2131-228200-603001

BACKGROUND/EXPLANATION:

Mr. Hsai is a Contract Service Specialist II with the Mayor’s Office of Emergency Management. He used his personal vehicle to conduct City business and incurred expenses for mileage and parking. The initial request for this reimbursement was submitted past the time limit.

The Administrative Manual, in Section 240-11, states that Employee Expense Reports that are submitted more than 40 work days after the last calendar day of the month in which the expenses were incurred require Board of Estimates approval.

Law Department – Settlement and Consent Decree

ACTION REQUESTED OF B/E:

The Board is requested to approve a Settlement and Consent Decree between the City and the U.S. Department of Justice (DOJ).

AMOUNT OF MONEY AND SOURCE:

$65,000.00 – 2036-000000-1752-175200-603070

BACKGROUND/EXPLANATION:

This Settlement and Consent Decree is regarding the Americans with Disabilities Act (ADA).

In 2008, an applicant for a fire dispatcher position was not hired as a result of a medical exam conducted at Mercy Medical Center’s Public Safety Infirmary. The applicant subsequently filed a complaint of disability discrimination with the Equal Employment Opportunity Commission that was eventually forwarded to the DOJ, Civil Right Division, Disability Rights Section. As a result of the investigation, the DOJ alleged that the Fire Department subjected the applicant and other applicants to medical exams prior to making a conditional offer of employment, in violation of the ADA.

In lieu of litigation, and because the City agrees, in compliance with the ADA, the DOJ offered the City the opportunity to enter into a Consent Decree. The Consent Decree requires the Fire Department to conduct training for certain personnel on ADA requirements, amend its policies regarding hiring, and to submit periodic reports to the DOJ. It also includes a payment in the amount of $65,000.00 to the applicant in exchange for a full waiver of any and all claims against the City.
Law Department – cont’d

The Fire Department agrees with the proposed resolution. The Law Department’s Settlement Committee has reviewed this matter and recommends that the Board approve this settlement.

UPON MOTION duly made and seconded, the Board approved the Settlement and Consent Decree between the City and the U.S. Department of Justice.
Board of Estimates – Community Energy Savers Loan Program Grant Agreement

Action Requested of B/E:

The Board is requested to approve and authorize execution of the Community Energy Savers Loan Program Grant Agreement with The Reinvestment Fund, Inc. The period of the agreement is effective upon Board approval for three years, with annual extensions of the initial phase at the discretion of the City.

Amount of Money and Source:

$5,000,000.00 - 5000-594014-1981-718400-603050
Customer Investment Fund

Background/Explanation:

The Department of General Services, Energy Office was awarded $10,000,000.00 in Customer Investment Funds as a result of the Exelon Corporation settlement. The Customer Investment Funds will be used towards grants and loans to assist energy conservation activities in nonprofits and small businesses, particularly those serving the disadvantaged in the City.

The Energy Office has partnered with The Reinvestment Fund, Inc. to select and administer loans of $150,000.00 or more, and grants to nonprofits for energy audits or when given explicit approval from the Energy Office. The Reinvestment Fund, Inc. was selected for this role by the Department of General Services, Energy Office, as a professional service, pursuant to City Charter Article VI §11, and guidance of the City Solicitor.

The Reinvestment Fund will receive its initial grant disbursement of $1,000,000.00 within 60 days of Board approval, with the availability to receive an additional up to $4,000,000.00 for a three year period, with optional annual extensions, at the discretion of the Energy Office. The Reinvestment Fund will use $10,000.00 of the initial $1,000,000.00 payment for front end, startup costs, and marketing.

Department of General Services – Ratification of Services and Expenditure of Funds

**ACTION REQUESTED OF B/E:**

The Board is requested to ratify services provided by Stratos Elevator, Inc. and authorize payment for services related to PB 09829R, Elevator Upgrade and Modernization at Court House East.

**AMOUNT OF MONEY AND SOURCE:**

$ 61,527.57 – 9916-909740-9197-000000-702064

**BACKGROUND/EXPLANATION:**

Stratos Elevator, Inc. was awarded PB 09829R, Elevator Upgrade and Modernization at Court House East on April 25, 2011, in the amount of $1,818,000.00. In a proposal dated September 13, 2013, Stratos Elevator, Inc. (Stratos) proposed to furnish materials, equipment, and labor to repair damage to Elevator #4 caused by the failure of an existing building water line (PCO-007) for the lump sum of $64,912.47. The DGS review of applicable markups resulted in an amount of $61,527.57.

This work was necessary to return Elevator #4 to service after being damaged by a water line break. On the weekend of April 1, 2013, an old galvanized domestic water pipe ruptured behind the wall of Room/Office 403. It had been abandoned/capped-off after the removal of the wall mounted sink that it formerly supplied. The water caused major flooding and damages to the Courtrooms below the 4th Floor and the damages were not discovered until the beginning of the next business day, Monday April 1st.

All costs above the agency’s share of the damages ($5,000.00 deductible), will be covered by the Office of Risk Management under the City’s Self-Insurance Program. The original Contract scope included the renovation of all six passenger elevators in Courthouse East. The Contract Warranty on that work continues through October 17, 2014 and Stratos performance of this work was necessary to ensure that the City’s investment in that warranty was not compromised.
Department of General Services - cont’d

Further, by utilizing Stratos the City is assured that the work was performed by a trusted Contractor who already possessed intimate knowledge of the installed equipment and who could affect the needed repairs in a timely manner.

Bureau of Water and - Montebello Consent Agreement and Wastewater Final Order

ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize execution of a Consent Agreement and Final Order with the U.S. Environmental Protection Agency (EPA) concerning: 1) Montebello Water Treatment Plant’s alleged failure to establish a system to address hazard analysis team’s findings and recommendations as required by 40 C.F.R. §68.67(e), and 2) in settlement of the alleged violation, EPA proposes a civil penalty of $25,337.00.

AMOUNT OF MONEY AND SOURCE:

$25,337.00 – 2071-000000-5541-398601-603070

BACKGROUND/EXPLANATION:

The EPA conducted an inspection of the Montebello Water Treatment Plant (the Facility) on November 15, 2012. The inspectors determined that the Facility properly conducted a 5-year process hazard analysis in 2012, but neglected to establish a system to address the recommendations of the City’s internal process hazard analysis team. These recommendations were issued pursuant to regulations (codified at 40 C.F.R. §68.67(e) promulgated under 42 U.S.C. §7412(r)(7). The applicable regulations require the owner or operator of a stationary source at which a regulated substance is present in more than a threshold quantity to implement the team’s recommendations promptly. Though the recommendations were reviewed by Facility management, management failed to notify EPA of the revised recommendations. The Montebello Water Treatment Plant is a stationary source. The Facility contains sufficient quantities of chlorine to be regulated under 42 U.S.C. §7412(r).

On April 24, 2014, EPA notified the Facility of its alleged failure to implement the process hazard analysis team’s recommendations promptly. The Facility responded to EPA’s letter on May 16, 2014.
BW&WW – cont’d

The response letter demonstrated compliance with the process hazard analysis recommendations, and the Facility will implement future recommendations promptly. The EPA claims that the City did not implement the process hazard analysis team’s recommendations with sufficient speed. In exchange for a full and final settlement of EPA’s civil and administrative allegations related to implementation of the process hazard analysis team’s recommendations, the EPA has proposed a civil penalty of $25,337.00 pursuant to penalty criteria in 42 U.S.C. §7413(e) and 40 C.F.R. Parts 19 and 68. The City does not confess liability for the EPA’s civil claims, but the City waives its right to contest the EPA’s allegations. The Board is requested to approve the proposed settlement and civil penalty of $25,337.00 to settle all civil and administrative claims and causes of action under 42 U.S.C. §7412(r)(7).

Board of Estimates
Attn: Clerk
City Hall, Room 204
100 N. Holliday Street,
Baltimore, Maryland 21202

Dear Ms. Taylor:

Herein is my written protest on behalf of the underserved and disparately treated citizens of the Baltimore City who appear to be victims of a lack of vision, poor fiscal planning and management and failure to capitalize on strategic investment opportunities by the Mayor of Baltimore City and the various Departments and Agencies that more appropriately should strive to end homelessness, instead of the current goal to make homelessness “rare and brief”, which is absolutely a misguided and flawed strategy.

The following details are provided to initiate this action as required by the Board of Estimates:

1. **Whom you represent:** Self
2. **What the issues are:**
   a. Page 47, Item #5, Mayor’s Office of Human Services (MOHS) Amendments to
   b. Agreements and Agreements - FUSION PARTNERSHIPS, INC. $ 99,800.00, if approved:
      i. Fails to provide details of the Y.E.S. drop-in center’s outcomes for the previous contract period of July 1, 2012 through June 30, 2013;
      ii. Fails to disclose the number of youth to be served if the contract is renewed;
   c. Please provide access to the final report(s) submitted at the end of the period of performance under the previous contract with Y.E.S. for inspection.
3. **How the protestant will be harmed by the proposed Board of Estimates’ action:** The MOHS continues to demonstrate an inability to administer the City’s Homeless Services Program and based on the BAD outcomes that continue to be produced by this office this action should NOT be approved. The critical need being filled by this funding demands the utmost scrutiny by this board.
4. **The remedy I seek and respectfully request is that this action be delayed until MOHS presents the improved management strategies, practices and procedures implemented as a result of the HUD audit. This item should be moved to the non-routine agenda and the MOHS should orally make a presentation with details about this action and the proposed measures of effectiveness and desired outcomes.

I look forward to the opportunity to address this matter in person at your upcoming meeting of the Board of Estimates on September 3, 2014.

If you have any questions regarding this request, please telephone me at (410) 205-5114.

BACKGROUND/EXPLANATION:

Proceeds of the HOME Loan will be used to support a portion of the construction and construction related costs for 61 residential units known as The Fulton-Gethsemane Village Apartments (a.k.a. “Penn Square II”) located in the 2600 block of Pennsylvania Avenue (the “Project”).
DHCD – cont’d

From its inception, the Penn Square project was envisioned to consist of two phases of development. Penn Square’s first phase, The Penn Square Apartments was a 91-unit new construction project for families located in the 2600 block of Pennsylvania Avenue. The first phase was placed in service in March 2011 and is fully occupied.

The second phase will be owned by Penn Square II Limited Partnership (the “Borrower”), whose general partner is a wholly owned subsidiary of the Woda Group, Inc. (“Woda”). Woda has proposed to construct and develop the second phase as a family rental housing development which will be comprised of an additional 61 apartment units. Woda, and its affiliates, are nationally recognized and experienced developers, general contractors, and property managers.

Upon completion of the construction, the second phase will be known as Fulton-Gethsemane Village Apartments (a.k.a. “Penn Square II”) and will contain 49 one-bedrooms, eight 2-bedroom units and four 3-bedroom units (the “Project”). All of the units will be restricted to persons whose incomes are 30% to 50% of the area median income, adjusted for family size (“AMI”). The Housing Authority of Baltimore City (“HABC”) intends to support the Project by providing Project-Based Section 8 subsidies for 15 units. The building will offer a number of on-site amenities including a community center, exercise room, arts and crafts room, TV lounge, and laundry. The project will be built in conformance with Baltimore City Green Building Standards, which will create a healthier and more energy efficient environment for the residents.

As a condition for receiving the HOME Loan, the Borrower agrees to provide not less than 12 of the one-bedroom units targeted and restricted to non-elderly disabled residents (“NEDs”) earning 30% or less of the AMI. The Borrower has further agreed to provide an additional three units as Long Term Bailey UFAS Units which will be restricted to households earning 30% or less of the AMI. A “Long Term Bailey UFAS Unit” means a unit that contains accessible features and is certified by an architect designated by HABC as compliant with the Uniform Federal Accessibility Standards adopted by HUD.
The City and HABC will require the three Long Term Bailey UFAS units to be restricted for exclusive use for at least 40 years in accordance with the requirements of the Bailey Consent Decree. The NEDs units will be restricted for at least 15 years in accordance with and the requirement of the Bailey Consent Decree. The term “NEDs” means a household that meets the following criteria: (i) whose sole member, head of household, or head of household’s spouse has a disability and is under age 62, (ii) which is eligible for a one-bedroom public housing unit or for a two-bedroom public housing unit because a second bedroom is needed for disability-related reasons; and (iii) which is on the HABC waiting list for public or Section 8 subsidized housing.

The HOME Loan will be used solely to finance a portion of the hard construction costs of the Project.

Integra Realty Resources prepared an appraisal for the permanent lender dated May 20, 2014. The estimated market value of the subject property as if completed and stabilized at restricted rents with consideration to the tax credits is $12,500,000.00.

The appraised value is below the total development cost of the Project which is common for transactions involving LIHTCs, subsidized rents and preferred governmental financing. The LIHTCs provide equity and are not considered as long-term debt to the property. The rents are considered “restricted” because they are supported with financing that requires long-term income and rent restrictions. As a result, the rent levels are set below the market rate thereby decreasing the property’s appraised value. Gap financing, such as the HOME Loan and the other governmental sources are in place in order to allow for continuing affordability. The appraised value meets the underwriting standards for the must-pay permanent superior lender. The Department is comfortable with recommending the HOME Loan as described under these circumstances.
PARTICIPATING PARTIES:

A. The Borrower and the Developer - The borrower of record is the Penn Square II Limited Partnership, a newly created single purpose entity that is an affiliate of Woda. The developer will be Woda, or an affiliate thereof.

B. General Contractor - Harkins Builders, Inc. will act as the general contractor and post a payment and performance bond. Marks, Thomas Architects will provide architectural services.

C. Participating Lenders

Bank of America/Merrill Lynch - 1st Lien construction loan

Bank of America Merrill Lynch, or its affiliate (the “Bank of America”), will provide a construction loan in first-lien position in an approximate amount of $8,932,278.00 (the “Bank of America Construction Loan”). The Bank of America Construction Loan will have a term of 24 months. The interest rate will be the 30-Day LIBOR Market Index Rate plus approximately 275 basis points. The Bank of America Construction Loan will be repaid from installments of tax credit equity. Interest only payments will be required.

Following repayment of the Bank of America Construction Loan, Bank of America will provide a permanent loan in the amount of $735,000.00 (the “Bank of America Permanent Loan”). The Bank of America Permanent Loan will be in first-lien position, accrue interest at a rate of approximately 6.5%, and will have a term of 18 years with principal amortizing over 30 years.

Baltimore City HOME Program – 2nd Lien construction loan

The City is making a construction/permanent loan from amounts available under the HOME Program in the principal amount not to exceed $1,590,000.00 (the “HOME Loan”). During the construction loan period, which will be for a term not to exceed 24 months from the date of closing (the “HOME Loan Construction Loan Period”), interest will accrue at the rate of two percent (2%) per annum on sums advanced.
DHCD – cont’d

The permanent loan period will be 20 years commencing at the end of the HOME Loan Construction Loan Period (the “HOME Loan Permanent Loan Period”), the interest rate charged will be two percent.

The day after the final day of the Permanent Loan Period is the “HOME Loan Maturity Date.” No payments on the HOME Loan will be required during construction, but during the HOME Loan Permanent Loan Period, annual payments of principal and interest will be due from 75% of the available cash flow generated by the Project. To the extent such cash flow is not available, required payments due and owing will be deferred. The outstanding principal balance, plus any deferred and accrued payments, will be due and payable on the HOME Loan Maturity Date. The HOME loan will be long-term, subordinate, non-recourse debt.

BALTIMORE CITY PURCHASE MONEY MORTGAGE LOAN – 3rd Lien
Construction/Permanent

The City is making a purchase money mortgage loan in a principal amount of approximately $100,000.00 (the “City Purchase Money Loan”). During the construction loan period, which will be for a term not to exceed 24 months from the date of closing (the “City Construction Loan Period”), interest will accrue at the rate of two percent per annum. During the permanent loan period, which will be that 20 year period commencing at the end of the City Construction Loan Period (the “City Permanent Loan Period”), the interest rate charged will be four percent. The day after the final day of the City Permanent Loan Period is the “City PMM Loan Maturity Date.” No payments on the City Purchase Money Loan will be required during construction, but following completion of construction, annual payments of principal and interest will be due from the Borrower from the remaining 25% of cash flow generated by the Project after payment of the HOME Loan. To the extent such cash flow is not available, required payments due and owing will be deferred.
DHCD – cont’d

The outstanding principal balance, plus any deferred and accrued payments will be due and payable on the maturity date. The City’s Purchase Money Loan will be long-term, subordinate, non-recourse debt.

**AHP Loan – 4th Lien Construction/Permanent**

A deferred loan in the fourth-lien position in an amount not to exceed $500,000.00 (the “AHP Loan”) with proceeds from the Federal Home Loan Bank of Atlanta’s Affordable Housing Program. During the construction loan period of the AHP Loan, no interest will be charged on the outstanding principal balance of the AHP Loan. The permanent loan period of the AHP Loan will be 40 years commencing at construction completion and during such period, interest on the AHP Loan will accrue at 0.25% simple interest per annum. Principal and interest will be payable at the maturity date of the AHP Loan.

**MBE/WBE Participation**

Article 5, Subtitle 28 of the Baltimore City Code Minority and Women's Business Program is fully applicable and no request for a waiver or exception has been made.

Community Development Block Grant

Deferred Loan

**ACTION REQUESTED OF B/E:**

The Board is requested to approve a Community Development Block Grant deferred loan to Empire Homes of Maryland, Inc. The Board is further requested to authorize the Commissioner of the Department of Housing and Community Development to execute all legal documents to effectuate this transaction Subject to review and approval for form and legal sufficiency by the Department of Law.

**AMOUNT OF FUNDS AND SOURCE:**

$55,000.00 - 9981-908095-9593
(not-to-exceed)

**BACKGROUND/EXPLANATION:**

The CDBG Loan will be used to cover the cost of replacing the roof of an 11-unit multifamily rental property located at 3016-3018 DuPont Avenue in the Park Heights neighborhood of Baltimore City.

Empire Homes of Maryland, Inc. ("the EHM") is a non-profit community housing development organization whose mission is to develop, manage, and maintain affordable residential properties for low-income individuals with disabilities. From 2009-2011, Empire Homes of Maryland, Inc. developed 66 affordable rental units in Baltimore City and County valued at approximately $8.5M using Neighborhood Stabilization Program ("NSP") funds. In an effort to maximize impact, the resources that were available Empire strategically identified properties in areas with the greatest need. One of those projects was EHM at DuPont, located at 3016-3018 DuPont Avenue (the "DuPont Project").

The DuPont Project consists of 11 two-bedroom apartments and these units are currently being used to provide housing and supportive services to families with children who are Non-Elderly Persons with Disabilities (the “NED Units”) with incomes at or below 30% of the AMI. Tenants living in the units are actively participating in the supportive services. Tenants are required to pay 30% of their income towards rent and Shelter Plus Care, HOPA, SHP and other federal housing subsidies, subsidize the remaining rent.
In April 2010, the Board approved Neighborhood Stabilization Program (“NSP”) funding to Empire Homes for $1,350,000.00 for two projects: EHM at Madison and the DuPont Project. At the time of loan closing for the DuPont Project, the project had a total development cost of $923,207.00 of which $416,000.00 was for construction. At a cost of approximately $84,000.00 per unit, the project was completed significantly below the typical development costs of $140,000.00 per unit. Following several property inspections, engineering and environmental reports, and the project was valued engineered to fit the budget of the single NSP funding source available and a small contractor was selected. When the scope of work was finalized, the determination was made to complete roof repairs and upgrades as opposed to a full replacement of the roof. At the project’s completion, it met the approvals of the project-funding source that resulted in the issuance of the Use and Occupancy permit.

Within nine months of the project’s completion, the buildings began to experience issues with leaking ceilings that resulted from pooling water on the buildings flat roof. Initially, the project contractor was responsive to warranty calls and addressing the issues as they arose. Soon after that, calls from the maintenance staff to the contractor were not returned. Further inquiry revealed that the contractor had gone out of business. Upon learning this, the developer contacted the roofing product manufacturer to learn that repairs made by the contractor after the installation negated the warranty. Furthermore, the NSP budget did not allow for replacement or operating reserves as are standard in most all other development projects.

Currently, whenever there is inclement weather, water penetrates the building envelope either in the public hallways or at various locations throughout the top floor units. Because the developer has been unable to fund a permanent fix to the roof, they have elected to take the top floor units offline until the roof can be fully replaced. Tri County Roofing & Sheet Metal, Inc. inspected the roof and has provided a budget that will include contingencies for unknown conditions that may exist once the existing roof is removed as well as costs associated with the roof top HVAC unit inspections and interior ceiling repairs.
DHCD - cont’d

The Department will provide a CDBG Deferred loan in an amount not to exceed $55,000.00. During the Construction Loan Period, interest will be at the rate of zero percent per annum on sums advanced. During the Permanent Loan Period (defined herein), the interest rate charged would be at the rate of zero percent per annum for a term not to exceed 10 years. The construction phase will be for a period not to exceed 3 months from the date of closing. The Permanent Loan Period will be no less than 10 years commencing at conversion of the Construction Loan Period (the “Permanent Loan Period”). It is intended that if the Borrower complies with all applicable terms and covenants of the deferred loan documents for 10 years, the payment of the outstanding principal will be forgiven. The entire principal and any interest will be due and payable in the event of a refinancing, sale, transfer, conveyance or any encumbrance of the Project or portion thereof without the prior written consent of DHCD. Should an event of default occur, interest will accrue from the date of the default at the prime rate of interest plus four percent. The date of the final principal payment during the Permanent Loan Period will constitute the “Maturity Date.” The City’s CDBG Deferred Loan will be long-term, subordinate, non-recourse debt.

To protect the Department’s investment, a third party independent inspector will inspect the property to determine if there are any other major deficiencies. In addition, the borrower will be required to execute standard deferred loan documents, which may include a regulatory agreement. The Regulatory Agreement will be recorded against the land.

**BACKGROUND/EXPLANATION:**

Proceeds of the Bond Funds Loan will be used to support a portion of the construction and construction related costs for 61 residential units known as The Mary Harvin Center Senior Apartments located at 1600 North Chester Street (Project).
The Borrower, the Mary Harvin Center Limited Partnership, whose general partner is a wholly-owned subsidiary of the Woda Group, Inc., has proposed to construct and operate a senior rental housing development comprised of 61 apartment units. Upon completion of the construction, there will be 61 one-bedroom units. Eight units will be rented to individuals with incomes at or below 30% Area Median Income (AMI), 21 units will be rented to individuals with incomes at 40% of the AMI and 32 units will be rented to individuals with incomes at 50% of the AMI, adjusted for family size.

The Woda Group, Inc., and Mr. Kevin Bell have extensive experience developing and building affordable housing projects in Baltimore City. Some of the recently completed projects include: Columbus School Apartments – a 50-unit family historic renovation of School 99 in East Baltimore; North Avenue Gateway I – a 64-unit family new construction project located in the 3000 block of West North Avenue; Penn Square Apartments I – a 91-unit new construction project for families located in the 2600 block of Pennsylvania Avenue; Collington Commons – a 80-unit family building located in East Baltimore; and Edmondson Commons – a 74-unit family building located on Edmondson Avenue in West Baltimore.

The project will feature community space, tenant services space, tenant storage areas, laundry facilities, a computer lab, and social services space. The nonprofit tenant service provider will be Southern Baptist Church. The project will be built in conformance with Baltimore City Green Building Standards, creating a healthier and more energy efficient environment for the residents.

The Mary Harvin Center Apartments will have eight one-bedroom units targeted and restricted to elderly residents earning 30% or less of the AMI. The Housing Authority of Baltimore City (HABC) intends to support the Project by providing Project-Based Section 8 subsidies for these eight units. These units will be restricted for at least 15 years, in accordance with the requirements of the Bailey Consent Decree.
The Bond Funds Loan will be used to finance a portion of the hard construction costs of the project.

Karen H. Belinko Appraisals, LLC has prepared an appraisal for the permanent lender dated July 18, 2014. The estimated market value of the subject property, as if completed and stabilized at restricted rents with consideration to the tax credits, is $13,000,000.00. The appraised value is below the total development costs of the Project, which is common for transactions involving Low Income Housing Tax Credits (LIHTCs), subsidized rents, and preferred governmental financing. The LIHTCs provide equity and are not considered as long-term debt to the property. The rents are considered “restricted” because they are supported with financing that requires long-term income and rent restrictions. As a result, the rent levels are set below the market rate, thereby decreasing the property’s appraised value. Gap financing, such as the Bond Funds Loan and the other governmental sources are in place in order to allow for continuing affordability.

The appraised value meets the underwriting standards for the must-pay permanent superior lender. The DHCD is comfortable with recommending the Bond Funds Loan as described under these circumstances.

PARTICIPATING PARTIES:

A. Developer - The borrower of record is the Mary Harvin Center Limited Partnership, a newly-created single purpose entity that is an affiliate of The Woda Group, Inc. The Woda Group, Inc., or an affiliate thereof, will serve as the developer.

B. General Contractor - Harkins Builders, Inc. will act as the general contractor and post a payment and performance bond. Marks, Thomas Architects will provide architectural services.
C. Participating Lenders

**CAPITAL ONE, N.A. - 1st lien construction/permanent**

For the construction phase, Capital One, N.A., or its affiliate (Capital One), will provide a construction loan in a first lien position in an approximate amount estimated to be $7,928,000.00 (Capital One Construction Loan). The Capital One Construction Loan will have a term of 18 months. Interest will accrue at a variable rate, which will be determined using a spread of 3% over the one-month LIBOR with a floor of 3.5%. The Capital One Construction Loan will be repaid from installments of tax credit equity. Interest only payments will be required.

Following repayment of the Capital One Construction Loan, Capital One will provide a permanent loan in the amount of $525,000.00 (Capital One Permanent Loan). The Capital One Permanent Loan will be in first-lien position, accrue interest at a rate of approximately 5.40%, and will have a term of 15 years with principal amortizing over 30 years.

**MD DHCD AND CDA - 2nd lien construction/permanent**

With respect to the Maryland Department of Housing and Community Development (MD DHCD) and the Community Development Administration (CDA), a unit of the Division of Development Finance of the MD DHCD Elderly Rental Housing Program Funds (ERHP Loan) in an amount not to exceed $950,000.00 will be provided. Interest on the ERHP Loan will accrue on sums advanced at the rate of 0% during construction and a rate of 2% during a 40-year permanent loan period. The Borrower will make annual payments of principal and interest out of 75% of available cash flow following payment of all project expenses, including superior loan payments so as to fully amortize the principal sum by the maturity date. Any interest and principal not paid because of insufficient surplus cash will accrue and defer and be paid each subsequent payment date there is sufficient surplus cash. The State debt will be long-term, subordinate, non-recourse debt.
DHCD - cont’d

Baltimore City Bond Funds - 3rd lien construction/permanent

During the construction phase, interest will accrue on sums advanced at the rate of 0% during construction and a rate of 2% during a 40-year permanent loan period. The Borrower will make annual payments of principal and interest out of 25% of available cash flow following payment of all project expenses, including superior loan payments so as to fully amortize the principal sum by the maturity date. The entire principal balance and any accrued interest will be due and payable in the event of a refinancing, sale, transfer, conveyance or any encumbrance of the Project or portion thereof without the prior written consent of the DHCD. Should an event of default occur, interest will accrue from the date of the default at the prime rate of interest plus four percent (P+ 4%). The Bond Loan will be long-term, subordinate, non-recourse debt.

The DHCD’s Bond Funds Loan will be in third-lien position and will be in an aggregate principal amount not to exceed $865,000.00. During the construction loan period, which will not exceed 15 months from the date of closing, no interest will be charged on the outstanding principal balance of the loan. The permanent loan period of the Bond Funds Loan will be 40- years commencing at construction completion. The Bond Funds Loan will be non-recourse debt.

This transfer will provide City Bond Funds to the Mary Harvin Center Limited Partnership to support the construction of 61 affordable elderly rental units known as the Mary Harvin Transformation Center.

UPON MOTION duly made and seconded, the Board approved and authorized execution of the Community Development Bond Funds Loan to the Mary Harvin Center Limited Partnership. The Board further authorized the Commissioner of the Department of Housing and Community Development to execute any and all documents to effectuate this transaction subject to review and approval for form and legal sufficiency by the Department of Law. The Transfer of Funds was approved, SUBJECT to receipt of a favorable report from the Planning Commission, the Director of Finance having reported favorably thereon, in accordance with the provisions of the City Charter.
Department of Planning - Agreements

The Board is requested to approve and authorize execution of the various agreements. The period of the agreement is effective upon Board approval for one year, unless otherwise indicated.

The funds for these programs are drawn from the City’s Critical Area Management Program offset fee funds which developers pay into when they disturb land close to the waterfront and cannot meet mitigation requirements on site.

1. **BLUE WATER BALTIMORE, INC. (BWB)** $42,270.00

   Account: 9905-926005-9188-900000-703032

   Under this agreement, Blue Water Baltimore, Inc. will operate a City Schools Depaving Program to remove asphalt, install gardens and trees, and provide education and maintenance plans at three city public schools. Blue Water Baltimore, Inc. will work with the Baltimore City School System at Mergenthaler Vocational Technical High School, Guilford Elementary/Middle School, and Baltimore International Academy to remove a total of 0.9 acres of impervious surface, plant approximately 1,200 native plants and 18 trees, and educate at least 300 students.

2. **BLUE WATER BALTIMORE, INC. (BWB)** $26,000.00

   Account: 9905-926005-9188-900000-703032

   Under this agreement, Blue Water Baltimore, Inc. will operate a Bacterial Monitoring Program to monitor water quality in Baltimore City’s streams and the Inner Harbor at 22 sites, by taking samples and having them analyzed at a State lab and report the results to the City and the public. The resultant data will be shared property with the Department of Public Works (DPW). Additionally, Blue Water Baltimore, Inc. will maintain a website to communicate information about water quality with the public and work with the DPW as necessary to post Water Contact Advisory signs.
3. **BLUE WATER BALTIMORE, INC. (BWB)** $31,306.00

Account: 9905-922004-9188-900000-703032

Under this agreement, Blue Water Baltimore, Inc. will operate Growing our Forest and Future Citizen Stewards Program. The program will employ youth to maintain trees previously planted on public land and will recruit volunteers to assist with planting new trees. Blue Water Baltimore, Inc. will employ seven youth workers, two coordinators, one team leader, and two landscape technicians to water, mulch and otherwise maintain 2,000 trees planted on public land in the last two years, and will recruit 250 volunteers to assist with planting 300 new trees at Baltimore City Public Schools.

Blue Water Baltimore, Inc. is uniquely positioned to do this work because of their long history working with schools and with water quality in Baltimore City, and their trusted status as public educators and ambassadors between residents and government. Blue Water Baltimore, Inc. is a non-profit comprised of four former watershed associations plus the Harbor Water keeper.

4. **BALTIMORE GREEN SPACE (BGS)** $39,272.00

Account: 9905-922004-9188-900000-703032

Under this agreement, BGS will operate the Forest Invasive Program to clear invasive plants from forest patches in Baltimore City and create an ongoing program to work with city residents to do the same. The BGS will work between two and four community-managed forest patches in Baltimore City, depending on the intensity of work needed at each site, to clear invasive plants and put in place management practices to prevent their return. The organization will also educate at least 30 residents on forest management practices to develop a program proposal for on-going education and employment initiative to pay stipends to local residents for invasive plant management.
Dept. of Planning – cont’d

The BGS is uniquely positioned to do this work because of their excellent track record and reputation at fostering citizen stewardship of community-managed green spaces. The BGS is a non-profit organization created in 2007 to preserve and support community-managed open spaces in Baltimore City. The period of the agreement is effective upon Board approval for 18 months.

5. PARKS AND PEOPLE FOUNDATION, INC.  $ 17,107.00
(PPF)

Account: 9905-922004-9188-900000-703032

The PPF will operate an Urban Forestry Team Program to employ youth to maintain trees previously planted on public land and to teach youth nursery management skills. The PPF will employ ten youth workers and two team leaders to water, mulch, and otherwise maintain 2,000 trees planted on public land in the last two years, and will also provide training on nursery management services to youth employed through the program. In addition, PPF will recruit and educate volunteers to assist with this work and will remove trash and debris from tree planting sites. The PPF is uniquely positioned to do this work because of their long history of success in Baltimore City working on urban forestry, youth green jobs and training programs, public engagement and environmental improvement. The PPF is a non-profit organization formed in 1984 to improve the physical and social environment in Baltimore City.

6. CIVIC WORKS, INC.  $ 30,000.00

Accounts: 9905-922004-9188-900000-703032  $ 15,000.00
9905-926005-9188-900000-703032  $ 15,000.00

Under this agreement, Civic Works, Inc. will operate a Tree Planting and Stormwater Remediation Program in Clifton Park.
Dept. of Planning – cont’d

The program will train and employ youth to improve the environment in Clifton Park by installing a demonstration food forest and improving the stormwater management system at Real Food Farm and at the Lake Clifton High School complex. Civic Works, Inc. will employ seven youth workers and two team leaders, and will also recruit and train at least 50 volunteers for this program. Outcomes will include the planting of at least 80 trees and shrubs and 150 perennials, educating approximately 500 additional city youth about stormwater management. Civic Works, Inc. is uniquely positioned to do this work because of their long history of success particularly in Clifton Park, working on community service, green jobs, food issues, stormwater issues, and public engagement. Civic Works, Inc. is a non-profit organization formed in 1993 to strengthen Baltimore’s communities through education, skills development, and community service.

Grantees are chosen via an open application process, with the goals of improving water quality by reducing stormwater pollution, conserving, and protecting wildlife habitat, and improving quality of life for the citizens of Baltimore. All grant allocations are pre-approved by the State’s Critical Area Commission.

BACKGROUND/EXPLANATION:

Baltimore Growing Green Design Competition: Vacant Lots Transformed is a partnership between the City of Baltimore, U.S. Environmental Protection Agency (EPA), and the Chesapeake Bay Trust. Teams of community groups, City agencies, designers, and technical experts will use the Green Pattern Book to develop creative greening projects for vacant land in their communities as well as reduce and treat stormwater runoff. The top ideas will be selected as winners, and all winners will be provided with the resources to fully design and construct their winning ideas. The maximum funding to be expended through the competition is a total of $300,000.00. The EPA, The Department of Planning, and the Department of Public Works have each contributed $100,000.00 for the competition. The Department of Planning funding source is Whole Block Demolition for the Growing Green Initiative. The Department of Public Works’ funding source is the Watershed Protection and Restoration Fund, also known as the stormwater utility.

The EPA has transferred their $100,000.00 contribution to the Chesapeake Bay Trust for administration. The Chesapeake Bay Trust will compile the additional $200,000.00 from the

A PROTEST WAS RECEIVED FROM MS. KIM TRUEHEART FOR ALL ITEMS ON THE AGENDA.
September 3, 2014

Kim A. Trueheart

Board of Estimates
Attn: Clerk
City Hall, Room 204
100 N. Holliday Street,
Baltimore, Maryland 21202

Dear Ms. Taylor:

Herein is my written protest on behalf of the underserved and disparately treated citizens of the Baltimore City who appear to be victims of questionable management and administration within the various boards, commissions, agencies and departments of the Baltimore City municipal government.

The following details are provided to initiate this action as required by the Board of Estimates:

1. **Whom you represent:** Self

2. **What the issues are:**
   a. Pages 1 - 89, City Council President and members of the Board of Estimates, BOE Agenda dated September 3, 2014, if acted upon:
      i. The proceedings of this board often renew business agreements without benefit of clear measures of effectiveness to validate the board’s decision to continue funding the provider of the city service being procured;
      ii. The Baltimore City School Board of Commissioners routinely requires submissions for board consideration to include details of the provider’s success in meeting the objectives and/or desired outcomes delineated in the previously awarded agreement;
      iii. The members of this board continue to fail to provide good stewardship of taxpayers funds as noted by the lack of concrete justification to substantiate approval of actions presented in each weekly agenda;
      iv. This board should immediately adjust the board’s policy to ensure submissions to the board include measures of effectiveness in each instance where taxpayer funds have already been expended for city services;
      v. In the interest of promoting greater transparency with the public this board should willingly begin to include in the weekly agenda more details which it discusses in closed sessions without benefit of public participation.
      vi. Lastly this board should explain to the public how, without violating the open meeting act, a consent agenda is published outlining the protocols for each week’s meeting prior to the board opening its public meeting.

3. **How the protestant will be harmed by the proposed Board of Estimates’ action:** As a citizen I have witnessed what appears to be a significant dearth in responsible and accountable leadership, management and cogent decision making within the various...
agencies and departments of the Baltimore City municipal government which potentially cost myself and my fellow citizens excessive amounts of money in cost over-runs and wasteful spending.

4. **Remedy I desire:** The Board of Estimates should immediately direct each agency to include measures of effectiveness in any future submissions for the board’s consideration.

I look forward to the opportunity to address this matter in person at your upcoming meeting of the Board of Estimates on September 3, 2014.

If you have any questions regarding this request, please telephone me at (410) 205-5114.

Sincerely,
Kim Trueheart, Citizen & Resident

5519 Belleville Ave
Baltimore, MD 21207
The Board of Estimates received and reviewed Ms. Trueheart’s protest. As Ms. Trueheart does not have a specific interest that is different from that of the general public, the Board will not hear her protest.
