Department of Planning - Agreement

ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize execution of an Agreement with the B&O Railroad Museum, Inc. The period of the agreement is effective upon Board approval for six months.

AMOUNT OF MONEY AND SOURCE:

$30,220.00 - 6000-609315-1873-187500-603018

BACKGROUND/EXPLANATION:

The City is the owner of the H.L. Mencken House (House) located at 1524 Hollins Street and is holding a legacy gift of just under $3 million for the restoration, refurbishing, exhibition, interpretation and re-opening of the House. Multiple organizations, with varying levels of expertise in running a museum facility and associated programs have expressed interest in operating the facility and directing the programming.

Therefore, the Department of Planning desires to engage the assistance of the B&O Railroad Museum as a consultant to conduct an organizational capacity study and make recommendations for the City of options to preserve the House as an historical and cultural amenity.

The B&O Railroad Museum, Inc. was selected because it is a mature, private non-profit history museum with a solid track record and expert staff versed in non-profit historic property, collections, fund raising, preservation, and financial and governance management.

Office of the President - Governmental/Charitable Solicitation Application

ACTION REQUESTED OF B/E:

The Board is requested to endorse a governmental/charitable solicitation application for the President to solicit donations for recreational and instructional programs offered to the Baltimore City youth and seniors through his Productive Lives Active Youth (P.L.A.Y.) Campaign. The period of solicitation is effective upon Board approval through June 30, 2015.

AMOUNT OF MONEY AND SOURCE:

No general funds are involved in this transaction.

Donations will be solicited from Baltimore-area business and civic leaders. A potential donor list will be comprised of individuals and corporate entities that contribute to the cultural vitality of Baltimore City such as restaurants, arts and music venues, universities, etc. Most of the individuals and corporate entities fitting that description are not controlled donors. However, those potential donors who are controlled donors with respect to, the City Council or the Board of Estimates will not be targeted or singled-out in any way and will be solicited, if at all, in the same manner as all other potential donors.

BACKGROUND/EXPLANATION:

In order to adequately prepare City youth to thrive academically, socially, and emotionally in the future, the City must provide them with a wide range of opportunities to strengthen their self-confidence, develop latent leadership skills, and to learn from positive role models.

Due to current budget restraints, the Department of Recreation and Parks and the Health Department are limited in the diversity and scope of services they can provide to City youths and seniors. These constituency groups require social, recreational, and rehabilitative programs that should not be reduced or eliminated because of a limited City budget. So, the City Council President’s goal is to solicit private donations to increase and enhance the selection of recreational and instructional programs offered to these individuals.
Office of the President – cont’d

The P.L.A.Y. Campaign seeks to enhance the recreational experience through beautification of centers and the development of program offerings including but not limited to team and individual sports, swimming, movie screenings, cooking classes, talent/variety shows, theatre productions, academic monitoring, issue forums/senior symposiums, and arts and crafts activities.

In most instances, the recreational programming supported by the P.L.A.Y Campaign is offered by local non-profit organizations. However, all solicitation campaigns for specific purposes/programs intended to be carried out by either the Department of Recreation & Parks or the Baltimore City Health Department must be first approved in writing by the Director or Acting Directors of the affected Department and coordinated with any other ongoing campaigns in support of the Department’s programs. No donation may be accepted with the conditions as to its use unless that donation and any conditions have been approved in writing by the Director or Acting Director of the Department of Recreation & Parks or Baltimore City Health Department. The periodic reports required to be filed with the Ethics Commission will be simultaneously provided to the Director of Recreation & Parks and the Baltimore Health Department, when specific fundraising efforts have been approved by the respective Directors.

The Baltimore City Code Article 8, Section 6-26, prohibits solicitation or facilitating the solicitation of a gift. An exception was enacted in 2005 to permit certain solicitations that are for the benefit of an official governmental program or activity, or a City-endorsed charitable function or activity that has been pre-approved by the Ethics Board. Ethics Regulation 96.26B sets out the standards for approval, which includes the requirement that the program, function, or activity to be benefited and proposed solicitation campaign must be endorsed by the Board of Estimates or its designee.

Office of the President - Governmental/Charitable Solicitation Application

ACTION REQUESTED OF B/E:

The Board is requested to endorse a governmental/charitable solicitation application for Mr. Damion Cooper, Office of the President, to solicit donations for Beat the Streets, a 501 (c)(3) non-profit organization. The period of the solicitation is effective upon Board approval through June 30, 2015.

AMOUNT OF MONEY AND SOURCE:

No general funds are involved in this transaction.

The donations will be solicited from friends, family members and colleagues.

BACKGROUND/EXPLANATION:

The Beat the Streets wrestling program of Baltimore is committed to providing a positive environment that nurtures physical and mental development through wrestling, mentoring, and tutoring programs. Its goal is to develop a network of Beat the Streets programs throughout the Greater Baltimore area’s schools and communities.

Beat the Streets endeavors to teach its participants the values of Honor, Pride, Dignity, Discipline, Selfless-service, and Perseverance in their daily practice. With the support of family, community, and sponsorship, Beat the Streets hopes to create a system that teaches positive life values through positive life lessons.

ACTION REQUESTED OF B/E:

The Board is requested to endorse a governmental/charitable solicitation application for Ms. Cailin Benson, Office of the President, to solicit donations for Waverly Main Street, a 501 (c)(3) non-profit organization. The period of the solicitation is effective upon Board approval through June 30, 2015.

AMOUNT OF MONEY AND SOURCE:

No general funds are involved in this transaction.

BACKGROUND/EXPLANATION:

As a volunteer on the Organization Promotion Committee, Ms. Benson will work as the Executive Director of Waverly Main Streets throughout 2014-2015 to identify potential donors to support events and activities in the district. An annual fundraising plan is being developed. The organization expects the plan will include soliciting sponsors, auction items, and vendors for events. Tickets may be sold for events. In that instance, Ms. Benson will directly solicit friends, family, and colleagues. All other solicitation will be made in person, by telephone, in writing and e-mail.

Waverly Main Street plays an important role in strengthening neighborhoods, by applying the Main Street approach to promote economic development and community revitalization. The volunteer-driven program is facilitated with assistance from Baltimore Development Corporation in efforts to improve safety, sanitation and code enforcement, as well as funding and design services for building renovations in Waverly’s commercial district.

Baltimore City Code Article 8, Section 6-26, prohibits solicitation or facilitating the solicitation of a gift. An exception was enacted in 2005 to permit certain solicitations that are for the benefit of an official governmental program or activity, or a City-endorsed charitable function or activity that has been pre-approved by the Ethics Board. Ethics
Office of the President—cont’d

Regulation 96.26B sets out the standards for approval, which includes the requirement that the program, function, or activity to be benefited and proposed solicitation campaign must be endorsed by the Board of Estimates or its designee.

**MBE/WBE PARTICIPATION:**

MBE/WBE is not applicable to the acceptance of grant awards.

UPON MOTION duly made and seconded, the Board endorsed the governmental/charitable solicitation application for Ms. Cailin Benson, Office of the President, to solicit donations for Waverly Main Street, a 501 (c)(3) non-profit organization. The President *ABSTAINED.*
Department of Housing and Land Disposition and Acquisition Community Development Agreement

ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize execution of a Land Disposition and Acquisition Agreement with Live It Up, LLC, Developer, for the exchange of one property owned by Live It Up, LLC with one comparable City-owned property, as follows:

Live It Up, LLC 1933 Ridgehill Ave. Block 3210, Lot 045

In exchange for:

City-owned 1816 N. Collington Ave. Block 1450, Lot 052

AMOUNT OF MONEY AND SOURCE:

$600.00 - 9910-908044-9588-900000-704044 (Not to exceed) - for settlement costs related to property acquired by the City

BACKGROUND/EXPLANATION:

The DHCD’s Land Resources Division, on behalf of the City, strategically acquires, and manages vacant or abandoned properties, ultimately enabling these properties to be returned to productive use and improving Baltimore’s neighborhoods.

Live It Up, LLC received notice of the City’s intent to demolish the property known as 1933 Ridgehill Avenue. Because the entity intended to rehabilitate this property, a “swap” was proposed of 1933 Ridgehill Avenue with a comparable City-owned property that is located in an area better suited for redevelopment. The Developer will deliver good and marketable title and as a condition of the exchange has agreed to rehabilitate the property it is receiving within 12 months from the date of settlement.
DHCD – cont’d

With the Board’s approval of the Land Disposition and Acquisition Agreement, the City will receive clear and marketable title to the Developer property, subject to any municipal liens, in exchange for a comparable City-owned property.

The liens for 1933 Ridgehill Avenue total approximately $0.00.

The determination of comparability is based on a valuation for both properties, 1816 N. Collington Avenue and 1933 Ridgehill Avenue, which determined that the properties are valued at $4,000.00 each.

This exchange will allow the City to more expeditiously demolish the hazardous structure and take title to the property for a redevelopment project. The property exchange is less costly than acquiring the property through tax sale foreclosure or eminent domain. This action will further the City’s effort to eliminate blight and protect the health and safety of its citizens. As such, the City has agreed to pay for all title work and associated settlement costs, on the property the City is receiving, not to exceed $600.00.

**STATEMENT OF PURPOSE AND RATIONALE FOR TRANSFER OF PROPERTY BY MEANS OF COMPARABLE EXCHANGE:**

The rationale behind the exchange of properties was to ensure the severity of blight at 1933 Ridgehill Avenue could be successfully eliminated while simultaneously ensuring that a willing and able developer could contribute to the revitalization of Baltimore City in an area better suited and poised for rehabilitation.

Pursuant to Article 13, Section 2-7, of the Baltimore City Code (2009 Edition), all terms and conditions of this Land Disposition and Acquisition Agreement are approved.
DHCD - cont’d

UPON MOTION duly made and seconded, the Board approved and authorized execution of the Land Disposition and Acquisition Agreement with Live It Up, LLC, Developer, for the exchange of one property owned by Live It Up, LLC with one comparable City-owned property, as follows: Live It Up, LLC, property located at 1933 Ridgehill Ave., Block 3210, Lot 045 in exchange for the City-owned property located at 1816 N. Collington, Block 1450, Lot 052.

ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize execution of Amendment #1 to the Grant Agreement with East Baltimore Development, Inc. (EBDI).

AMOUNT OF MONEY AND SOURCE:

N/A

BACKGROUND/EXPLANATION:

In May 2013, the Board approved the original Grant Agreement, which made available $5,000,000.00 in Fiscal Year 2014 State Capital funds (Legislative Year 2013).

The approved Agreement included a Project Budget detailing how funds would be spent. Under the terms of the Agreement, the EBDI can reallocate funds but is required to seek Board approval if the amount of funds being reallocated is greater than thirty percent of the original budgeted amount. The reallocation includes increasing funds for the acquisition of approximately fourteen properties, and twenty-eight ground rents and site work for the area generally bounded by Ashland Avenue, East Eager Street, North Wolfe Street, North Washington Street, Rutland Avenue and McDonough Avenue and infrastructure to support 1812 Ashland Avenue, a laboratory and commercial project.

The Amendment #1 to the Grant Agreement includes a revised budget and scope of work. All other terms of the Agreement remain in effect.

ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize execution of a Grant Agreement with East Baltimore Development, Inc. (EBDI). The period of the Grant Agreement is effective upon Board approval through June 04, 2021.

AMOUNT OF MONEY AND SOURCE:

$5,000,000.00 – 9914-919410-9588
(2014 State of Maryland Revitalization Funds)

BACKGROUND/EXPLANATION:

East Baltimore Development Inc. is managing the redevelopment of an 88-acre site in East Baltimore that includes new biotech space, commercial and retail space, and over 2,100 units of mixed-income housing. The State of Maryland has approved State Revitalization Funds, which support the acquisition of properties and ground rents by the DHCD, demolitions and site and infrastructure improvements that are necessary for redevelopment to occur. The State Revitalization Funds are granted to the City which, in turn, makes monies available to the EBDI.

The 2014 General Assembly approved $5,000,000.00 to support acquisition, demolition, and site improvements in the project area. The Board of Public Works approved the State Capital Grant Agreement between the State and the City at its December 3, 2014 meeting. This Agreement will allow State Capital Funds to be used for demolition and site improvements for the 7-acre Eager

ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize execution of Amendment #1 to Agreement and an Assignment & Assumption Agreement among the City, LSH Gateway LLC, and East Baltimore Development, Inc. (EBDI).

AMOUNT OF MONEY AND SOURCE:

N/A

BACKGROUND/EXPLANATION:

On December 18, 2013, the Board approved a Grant Agreement among the City, LSH Gateway LLC and the EBDI to provide $1,350,000.00 in State Capital Funds for predevelopment costs associated with the development of a hotel in the EBDI project area.

Since the Agreement was approved, a new laboratory located at 1812 Ashland Avenue is under development. Funds are needed to complete the infrastructure and public open space necessary for the building to open. The EBDI has requested that funds be reallocated to provide the necessary improvements, and the LSH Gateway, LLC has agreed to this reallocation.

The Amendatory Agreement removes LSH Gateway LLC as the grantee and assigns the EBDI as the new grantee. The Amendatory Agreement also includes a revised budget and scope of work.

The Board is also being requested to approve the execution of an Assignment and Assumption Agreement in which LSH Gateway, LLC legally assigns its rights to the grant funds to the EBDI and in which the EBDI accepts the grant funds.

Department of Housing and Community Development - Community Development Block Grant Agreement

**ACTION REQUESTED OF B/E:**

The Board is requested to approve and authorize execution of a Community Development Block Grant Agreement with Baltimore Green Space: A Land Trust for Community-Managed Open Space, Inc. (BGS). The period of the agreement is October 01, 2014 through September 30, 2015.

**AMOUNT OF MONEY AND SOURCE:**

$25,000.00 - 2089-208915-5930-705980-603051

**BACKGROUND/EXPLANATION:**

The purpose of this Agreement is to provide Community Development Block Grant funds to subsidize BGS’s operating expenses for one year beginning October 1, 2014 and ending September 30, 2015.

BGS will maintain a database of vacant lots and community-managed open spaces (CMOS) in the City to assist in planning and policy efforts to increase the number of sustainable CMOS in the City such as coordinating with the Mayor’s Power in Dirt Initiative. BGS will also provide technical assistance and educational workshops for community greeners and organizations that wish to develop and maintain a CMOS.

This agreement was delayed due to final negotiations and processing.

The transfers will provide funds to DGS for the replacement and upgrade of elevators in the Abel Wolman Municipal Building, to bring them into current code compliance. The replacements and upgrades will include renovation of the elevator machine room, new cab interiors, hoist way, doors, ADA compliance, controls and all associated in-house costs.

The elevators in the Abel Wolman Municipal Building have a high priority status for the importance of service provided to both the public and other City agencies. The elevators break down on a weekly basis and have reached the stage where parts for maintenance and repair are no longer being manufactured.

On December 15, 2011, the Board approved the initial award in the amount of $57,204.00. The award contained nine 1-year renewal options. On March 5, 2014, the Board approved the first renewal in the amount of $114,408.00. This second renewal in the amount of $57,204.00 is for the period December 21, 2014 through December 20, 2015, with seven 1-year renewal options remaining. The above amount is the City’s estimated requirement.

21. SIEMENS INDUSTRY, INC. | $73,860.00 | Agreement |

The Board is requested to approve and authorize execution of an Agreement with Siemens Industry, Inc. The period of the agreement is December 17, 2014 through December 16, 2015, with two 1-year renewal options.

The vendor installed the original equipment and is the sole provider of the proprietary software that is used for traffic management at the Baltimore Traffic Management Center. The above amount is the City’s estimated requirement.

It is hereby certified, that the above procurement is of such a nature that no advantage will result in seeking nor would it be practical to obtain competitive bids. Therefore, pursuant to Article VI, Section 11 (e)(i) of the City Charter, the procurement of the equipment and/or service is recommended.

22. INTERGRAPH CORPORATION $948,940.00 Agreement
   Contract No. 08000 – Maintenance Services and Proprietary
   Software – Police Department – Req. No. R684177

The Board is requested to approve and authorize execution of an Agreement with Intergraph Corporation. The period of the agreement is December 17, 2014 through December 31, 2017 with two additional 1-year renewal options.

The Police Department utilizes licenses for Field Based Reporting System and Record Management System which are software products owned, developed, and maintained by Intergraph Corporation. These products were previously known as In Pursuit and have been in use since 1999. Intergraph Corporation is the sole source of licenses, maintenance and support services for these products.

This Agreement will allow the Police Department to continue access to the products. The above amount is the City’s estimated requirement.

It is hereby certified, that the above procurement is of such a nature that no advantage will result in seeking nor would it be practical to obtain competitive bids. Therefore, pursuant to Article VI, Section 11 (e)(i) of the City Charter, the procurement of the equipment and/or service is recommended.

23. IT-CNP                  $149,859.00     Agreement

The Board is requested to approve and authorize execution of an Agreement with IT-CNP. The period of the agreement is effective upon Board approval for one year.

The contractor has completed the work associated with "Strategic Goals and Tasks for Network Optimization" project, which documented the network, reviewed the firewall configuration, developed the plan for mitigation to Dynamic routing, and developed the matrix for software upgrades required to meet government standards. As a result, the Contractor has the unique position of familiarity with the information technology components of the City and strategy associated with both wireless and wired (fiber) communications. The agreement will provide a network optimization assessment of City networks (the “Services”) to ensure compliance with State Senate Bill 676 (“SB 676”). Effective July 2014, SB676 established for units of local and State government (not including legislative or judicial agencies), specified requirements with regard to the protection of an individual’s private information from unauthorized access. The above amount is the City’s estimated requirement.

It is hereby certified, that the above procurement is of such a nature that no advantage will result in seeking nor would it be practical to obtain competitive bids. Therefore, pursuant to Article VI, Section 11 (e)(i) of the City Charter, the procurement of the equipment and/or service is recommended.

26. ATLANTIC EMERGENCY SOLUTIONS, INC. $243,000.00 Increase

On November 26, 2014, the Board approved the initial award in the amount of $6,551,322.00 for ten pieces of fire apparatus. Three pumper trucks included as part of the initial award were inadvertently calculated at a cost of $409,966.00 each. However, the correct price for these trucks is $490,966.00 each. Therefore, the Board is requested to approve an increase for the amount of $243,000.00, the difference in the actual cost for the three pumper trucks.

27. ARROW INTERNATIONAL, INC. N/A Assignment Agreement
Contract No. 08000 – IO Needles – Fire Department – P.O. P528348

The Board is requested to approve and authorize execution of the Consent to Assignment between Vidacare Corporation and Arrow International, Inc.

On August 13, 2014, the Board approved an award in the amount of $120,000.00 for IO Needles for one year with five one-year renewals available at the discretion of the City. Arrow International Inc. has purchased the rights, title, obligations, conditions, assets, and interests of Vidacare Corporation and is requesting assignment of Contract #08000 – Purchase Order P528348.
UPON MOTION duly made and seconded, the Board approved the Informal Awards, Renewals, Increases to Contracts and Extensions. The Board also approved and authorized execution of the Agreement with Board USA, Inc. (item no. 6), Siemens Industry, Inc. (item no. 21), Intergraph Corporation (item no. 22), and It-CNP, and Arrow International, Inc. (item no. 27.). The Board DEFERRED item no. 19 for one week. The Comptroller voted NO on item no. 6. The President voted NO on item no. 6.
Department of Finance – Authorization of Recompense Payments

**ACTION REQUESTED OF B/E:**

The Board is requested to approve the disbursement of $95,217.00 among forty-four property owners offered recompense by the CHAP Tax Credit Recompense Committee.

**AMOUNT OF MONEY AND SOURCE:**

$95,217.00 – 1001-000000-1220-728700-607004

**BACKGROUND/EXPLANATION:**

In May of 2014, the City approved CCB 14-3012, for the purpose of “providing a Supplementary General Fund Operating Appropriation in the amount of $3,000,000” to fund a Recompense program which would remedy any inconsistencies in the prior processing of the Historic Tax Credit by SDAT and ensure that taxpayers are treated in a fair and equitable manner.

A mailing provided 1,245 taxpayers with an application and instructions to apply for the program along with a letter from the Mayor. The letter was sent to taxpayers who received a Historic Tax Credit for their property in either FY2013 or FY2014. Applicants were provided with 60 days to apply. Only 123 applications were received and those were bundled into a total of eleven batches for review.

A CHAP Tax Credit Recompense Committee (Committee) was created to formalize the process of making recompense decisions. Membership of the Committee was designed to stress its impartiality and independence from the Administration. The formal process ensured that 1) all applicants were treated alike using the same criteria, 2) there was broad consensus on those entitled to recompense and 3) the process was transparent to taxpayers. The CHAP Tax Credit Recompense Committee was comprised of a retired Circuit Court Judge, the City Auditor, and the City Solicitor.
Following a review and discussion of the relevant merits of each application, the Committee rendered a decision on the eligibility for and the amount of any recompense. Forty-four applications were approved for recompense totaling $95,217.00 correcting the errors of the State Department of Assessment and Taxation.

The requested action is to permit the disbursement of those funds.

APPROVED FOR FUNDS BY FINANCE

A PROTEST WAS RECEIVED FROM MS. KIM TRUEHEART.

The Board of Estimates received and reviewed Ms. Trueheart’s protest. As Ms. Trueheart does not have a specific interest that is different from that of the general public, the Board will not hear her protest. Her correspondence has been sent to the appropriate agency and/or committee which will respond directly to Ms. Trueheart.

UPON MOTION duly made and seconded, the Board approved the disbursement of $95,217.00 among forty-four property owners offered recompense by the CHAP Tax Credit Recompense Committee.

Board of Estimates
Attn: Clerk
City Hall, Room 204
100 N. Holliday Street,
Baltimore, Maryland 21202

Dear Ms. Taylor:

Herein is my written protest on behalf of the underserved and disparately treated citizens of the Baltimore City who appear to be victims of a lack of vision, poor fiscal planning and management and failure to engage with the average citizen in meaningful and beneficial ways by the Mayor of Baltimore City and the various Departments and Agencies.

The following details are provided to initiate this action as required by the Board of Estimates:

1. **Whom you represent:** Self
2. **What the issues are:**
   a. Pages 46 - Department of Finance – Authorization of Recompense Payments, if approved:
      i. Fails to demonstrate that citizens were sufficiently engaged to make them aware of this recompense initiative;
      ii. Fails to disclose whether acknowledge that the outreach attempt only resulted in 10% of the potentially eligible homeowners responding to this anemic effort by this administration to inform them;
      iii. Fails to disclose whether homeowners will be afforded future opportunities to apply for this recompense opportunity;
3. **How the protestant will be harmed by the proposed Board of Estimates’ action:** While this initiative was intended to correct an error it appears to be a half-hearted attempt to engage homeowners to make them aware of the opportunity. This feeble attempt directly contributes to the pervasive distrust citizens have of this administration in managing the scarce resources entrusted in it. As a citizen I am significantly impacted by less than open and transparent actions undertaken by this administration and this is another example that breeds more mistrust.
4. **The remedy I seek and respectfully request is that this action be delayed and another outreach initiative be initiated to engage again with potentially eligible homeowners to ensure they are aware of this opportunity using multiple methods of outreach.**

I look forward to the opportunity to address this matter in person at your upcoming meeting of the Board of Estimates on December 17, 2014.

If you have any questions regarding this request, please telephone me at (410) 205-5114.

Sincerely, Kim Trueheart, Citizen & Resident

Health Department – Agreements

The Board is requested to approve and authorize execution of the various Agreements. The period of the agreement is November 1, 2014 through June 30, 2015, unless otherwise indicated.

CASE MONITORING SERVICES AGREEMENTS

The Maryland State Department of Health and Mental Hygiene (DHMH) is designated as the single State agency to administer all aspects of the Maryland Medical Assistance Program. The Health Department has an agreement with the DHMH to participate in the program as the case monitoring agency and to contract with Medical Assistance Personal Care (MAPC) Case Monitors who will supervise personal care services to eligible recipients.

The Case Monitor will exercise independent professional judgment and carry professional liability insurance. Each case monitor will be an independent contractor and not an employee of the City.

The Case Monitor will be responsible for establishing a plan of personal care for each eligible recipient assigned to him/her, unless otherwise indicated. They will make home visits at least once every 90 days, maintain clinical records, and consult with each client’s personal physician and other providers in order to develop a care plan.

In addition, the Case Monitor will conduct an InterRAI comprehensive evaluation on each MAPC recipient and inform them about participation in the Community First Choice (CFC) Program, which allows states to offer the option of certain community-based services as a state plan benefit to individuals who meet an institutional level of care. The Case Monitor must offer the CFC option of community services to older adults and people with disabilities to enable them to live in their own homes.

Incident Communications would like to protest the recommendation to award this bid to Contemporary Motor Cars in Little Silver NJ.

**Section DS6:** States that a full parts and service facility located within a 25 mile distance from the City of Baltimore Garage shall be available to perform service and warranty work. The bidding dealer in New Jersey is far outside of this distance requirement and does not meet the criteria of the specification. Incident Communication is within the 25 mile range and meets the requirement.

Incident communications has completed many projects for law enforcement agencies nationally and in the area including Baltimore and Baltimore County Police and we feel that we are the lowest qualified bidder in the best interest of the Baltimore Police Department and the City of Baltimore.

**P., Interior Upfit, #13:** The published specifications were missing detail on specific parts of the conversion and were brought to the attention of the purchasing department. Some of the questions were addressed in the addendum but the construction features of the weapons storage cabinet construction specifications that were not addressed. As a result ICS submitted a detailed response addressing every item in the specification which could affect the price outcome. We question if the low bidder did the same and if it compares to the detail that ICS submitted. In the best interest of the city and the department we feel that we are the best candidate for the award.

The form of relief being requested is a rebid or re-evaluate the responses based on distance and full response to the requirements making sure that the bidders met all of the requirements.

We look forward to hearing from you soon.

Thank you

Director of Specialty Vehicle Sales.

Re: Protest of Award of Bid Solicitation Number: B50003859, Buyer: Kristi Hammerbacher

Office of the Comptroller,

Harbor Truck Sales and Service, Inc, t/a Baltimore Freightliner, would like to protest the award of Bid Solicitation Number B50003859, Sprinter Cargo Van, Upfitted Police SWAT Vehicle, to “Contemporary Motor Cars, Inc.” They are a Mercedes-Benz Car Dealer, located at 100 Oceanport Ave, Little Silver, NJ, 07739, which is 165 miles from the Baltimore City Garage. Page B-5 of the Bid specifically states “Parts and Service: Shall be available within a twenty-five (25) radius of Central Garage.” They also do not have a Maryland Dealer’s Sales License. According to Maryland Vehicle Law, an out of state dealer may not solicit for business in the State of Maryland unless they also have a Maryland dealer’s license.

The SWAT Team Members worked very closely with Quality Vans & Specialty Vehicles on the SWAT Van upfit equipment that was included in our bid. I know that Contemporary Motor Cars, Inc. did not use Quality Vans & Specialty Vehicles for their upfit equipment.

Harbor Truck Sales and Service, Inc. is a business located in Baltimore City and employs citizens of Baltimore City. We also worked very closely with the SWAT Team members Officer Stephen Coughlan and Officer Justin Merson on this project.

For the reasons stated above I am asking that Bid Solicitation Number B50003859, Sprinter Cargo Van, Upfitted Police SWAT Vehicle be awarded to Harbor Truck Sales and Service, Inc.

Sincerely,

Chuck Kilduff
Sales Representative,
Harbor Truck Sales and Service, Inc.

Department of Transportation – Second Amendment to License Agreement

ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize the Second Amendment to License Agreement with Merritt Canton BP, LLC. The period of the Second Amendment to License Agreement extends the period of the agreement from December 01, 2014 through November 30, 2016.

AMOUNT OF MONEY AND SOURCE:

$38,840.00 – 2075-000000-2320-502400-402530

BACKGROUND/EXPLANATION:

On May 18, 2011, the Board approved a License Agreement with Merritt Canton BP, LLC. On June 19, 2013, the Board approved the First Amendment to the License Agreement to extend the term for an additional 18 months, which the agreement expired November 30, 2014. The Department of Transportation now requests to amend the agreement to extend the term for an additional two years.

Under the terms of the extended License Agreement, the City will license portions of the public right-of-way along the 1400 and 1500 blocks of Bayliss Street and the east side of the 1400 and 1500 blocks of South Highland Avenue to Merritt Canton BP, LLC.

The licensed right-of-way will consist of approximately 24,560 square feet in area, and will be utilized for surface automobile parking for patrons of the Merritt Athletic Club located at 3401 Boston Street. Merritt Canton BP, LLC will pay the City an annual License Fee of $19,420.00.

APPROVED FOR FUNDS BY FINANCE

UPON MOTION duly made and seconded, the Board approved and authorized the Second Amendment to License Agreement with Merritt Canton BP, LLC.
Department of Transportation - Expenditure of Funds

ACTION REQUESTED OF B/E:

The Board is requested to approve the Expenditure of Funds to pay M. Luis Construction Co., Inc., under Contract TR 11300, Resurfacing Highways at Various Locations, Northeast - Sector I.

AMOUNT OF MONEY AND SOURCE:

$135,971.85 - 9950-905841-9514-900020-702064

BACKGROUND/EXPLANATION:

On Wednesday, August 10, 2010, the Board approved the award of TR 11300, Resurfacing Highways at Various Locations, Northeast - Sector I with an expiration date of June 5, 2012. During the course of construction, this project experienced several unforeseen project management issues which adversely impacted handling of outstanding extra work orders.

Final review of the construction documents revealed the need for additional funding to close out the contract and reimburse the contractor of unpaid quantities. The Department is requesting additional funding of outstanding contractual issues.

DBE PARTICIPATION:

The contractor exceeded the established 30% DBE goal, which was verified by the Department of Transportation.

AUDITS REVIEWED AND HAD NO OBJECTION.

The Transfer of Funds was approved, SUBJECT to the receipt of a favorable report from the Planning Commission, the Director of Finance having reported favorably thereon, in accordance with the provisions of the City Charter.
Department of Transportation – Expenditure of Funds

ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize payment to Machado Construction Co., Inc. in connection with TR 10317, Safe Routes to School.

AMOUNT OF MONEY AND SOURCE:

$265,477.93 - 9950-913702-9506-900010-706063

BACKGROUND/EXPLANATION:

On November 09, 2011, the Board awarded contract TR 10317, Safe Routes to School Grant Year A, B, C, & D, with a duration of 240 consecutive calendar days, resulting in an expiration date of September 04, 2012. During construction, it was revealed that several needed bid items were not included in the original contract specification, and the inspection of the proposed and added locations took longer than anticipated, causing a delay in the project.

Final review of construction documents revealed the need for additional funding to close out the contract and pay the contractor for verified completed work. Due to an administrative error, formal approval was not requested. The Department apologizes for this oversight.

DBE PARTICIPATION:

The contractor exceeded the established 30% DBE goals, which was verified by the Department of Transportation.

A PROTEST WAS RECEIVED FROM MS. KIM TRUEHEART.

The Board of Estimates received and reviewed Ms. Trueheart’s protest. As Ms. Trueheart does not have a specific interest that is different from that of the general public, the Board will not hear her protest. Her correspondence has been sent to the appropriate agency and/or committee which will respond directly to Ms. Trueheart.

UPON MOTION duly made and seconded, the Board approved and authorized payment to Machado Construction Co., Inc. in connection with TR 10317, Safe Routes to School. The Transfer of Funds was approved, SUBJECT to the receipt of a favorable report from the Planning Commission, the Director of Finance having reported favorably thereon, in accordance with the provisions of the City Charter.

Board of Estimates
Attn: Clerk
City Hall, Room 204
100 N. Holliday Street,
Baltimore, Maryland 21202

Dear Ms. Taylor:

Herein is my written protest on behalf of the underserved and disparately treated citizens of the Baltimore City who appear to be victims of a lack of vision, poor fiscal planning and management and failure to capitalize on strategic investment opportunities that support our youth by the Mayor of Baltimore City and the various Departments and Agencies under her leadership and direction.

The following details are provided to initiate this action as required by the Board of Estimates:

1. **Whom you represent:** Self
2. **What the issues are:**
   a. Page 59, Department of Transportation – Expenditure of Funds, if approved:
      i. Fails to disclose the outcomes from the approximate $3 million dollars paid to this contractor;
      ii. Fails to disclose the deliverables that were intended to help communities make it safer for students to walk and bike to school and to promote the safety, health, and general welfare of the citizens of Baltimore through the installation of crosswalks, school zone signs, flashing school beacons, bike racks, ADA compliant ramps and pedestrian countdowns in the vicinity of targeted schools.
      iii. Fails to disclose the locations of the improvements intended to provide safe routes to school for our students throughout Baltimore City; Allocates millions of our scarce municipal funds for seemingly frivolous wants;
   b. Please provide access to the list of locations improvements were completed as a result of this contract for inspection.
3. **How the protestant will be harmed by the proposed Board of Estimates’ action:** The funds proposed to close out this contract will exacerbate an already untenable DISS-Investment in Baltimore’s most precious resource, our youth. As a citizen I am deeply concerned about the lack of smart investments in the positive development and welfare of our youth and these funds do NOT appear to have been a fruitful investment towards that end which adversely impacts the quality of life for me and my community.
4. **The remedy I seek and respectfully request is that this action be delayed until the outcomes are presented for the public’s awareness and benefit of our youth.**

UPON MOTION duly made and seconded, the Board approved an Expenditure of Funds to pay the August and September 2014 rent for the lease agreement for the DPW, Safety & Training Division, tenant, at 3000 Druid Park Drive.
Department of Public Works/ - Agreement for Sanitary Water & Wastewater Contract No. 926

ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize execution of an Agreement with Sidhu Associates, Inc. for SC 926 – Design of Electrical Distribution System Reliability Improvements, Physical Security Upgrades, and On-Site Power Generation at the Patapsco Wastewater Treatment Plant. The period of the Agreement is effective upon Board approval for four years, or until the upset limit is reached, whichever occurs first.

AMOUNT OF MONEY AND SOURCE:

$  864,000.00 – Baltimore City
1,835,999.99 – Baltimore County
$2,699,999.99

BACKGROUND/EXPLANATION:

A vulnerability assessment was performed to analyze the vulnerability of the power coming into the plant and the existing electrical distribution system. Based on the recommendation of the vulnerability assessment, the Consultant, Sidhu Associates, Inc., will design improvements to the electrical distribution system. The scope of the work includes coordinating with the BGE to provide separation between redundant 33KV feeders from the BGE substation to the plant and provide new underground duct bank system with separate manholes for running feeders to the plant main substation.

The Consultant will also design a system for monitoring of power at each substation, evaluate location and elevation of electrical equipment throughout the plant, and consider design modifications as necessary to protect equipment from flood waters. In addition, the Consultant will design separation of power feeders in separate duct banks and manholes, design video monitoring for plant manholes, and design emergency power distribution to supply emergency power to all facilities.
The Consultant will also investigate existing standby generators and design additional generators as required, evaluate and select optimal fuel for each generator. The Consultant will also evaluate the benefits of modification and/or replacement of the existing generators to use natural gas instead of/or in addition to diesel.

The Consultant was approved by the Office of Boards and Commissions and the Architectural and Engineering Awards Commission.

Department of Public Works (DPW) – Amendment No. 3 to Agreement

ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize execution of Amendment No. 3 to Agreement with SYNAGRO-WWT, Inc. The Amendment No. 3 extends the period of the agreement for 90 days.

AMOUNT OF MONEY AND SOURCE:

$0.00

BACKGROUND/EXPLANATION:

On September 18, 1991, the City and Bio-Gro/Clay Joint Venture entered into a services agreement concerning Privatization of Heat Drying for Sludge Processing and Disposal and Other Work at Back River Wastewater Treatment Plant, for the construction, ownership and operation of a dewatering, heat drying facility (the Facility) to receive and process a part of the sewage sludge generated by operations at the Back River Wastewater Treatment Plant (the Original Agreement).

By virtue of an Assignment and Assumption Agreement, dated August 14, 2000, and approved by the Board on November 15, 2000, SYNAGRO-WWT, Inc., (Synagro) assumed all of the rights, title, interests, and obligations under the Original Agreement.

The term of the Original Agreement expires on December 31, 2014. Synagro wishes to extend the term of the Original Agreement for 90 days only to allow negotiations to continue in an effort for an agreement to be reached.

The Original Agreement is an unusual contract in that it was solicited by means of an RFP issued by the DPW and did not require the City to perform any construction activities. It is not clear to the DPW whether the Original Agreement is one for professional services, not requiring that public bids be issued to amend the agreement.
DPW – cont’d

Rather than amending the Original Agreement as a professional services agreement, the DPW requests the Board to extend the Original Agreement without public bidding pursuant to Article VI of the City Charter. Article VI, §11(e)(i) allows an exception to formal advertisement when, “no advantage will result in seeking, or it is not practical to obtain competitive bids.”

The purpose of the present 90-day extension is to permit the DPW and Synagro to attempt to reach agreement on a lengthier extension that would be in the best interest of the City. The DPW is not now seeking approval of any lengthier extension as no agreement has been reached. It is anticipated that should agreement be reached, the DPW will seek the Board’s approval of a longer term extension pursuant to Article VI, §11(e)(i).

The DPW has certified to the Director of Finance, and now certifies to Board, that no advantage will result in seeking, nor it is not practical to obtain competitive bids.

The Facility was designed and built by Synagro’s predecessors. The Facility is owned by Synagro, situated on City property and the real property subject to a long-term lease with the City. Synagro has maintained and operated the Facility continuously for 20 years. In the event that the Original Agreement is not extended, Synagro will continue to own the Facility and the City will lose the ability to process sludge through the Facility.

The term of the lease between the City and Synagro does not expire when the Original Agreement expires. It continues until 2030. The City has no viable alternative means of processing and disposing of sludge generated by operations at the Back River plant. Given these facts, and in accordance with Article VI, §11(e)(i) of the Charter, the DPW has requested that the Director of Finance recommend to the Board that the Original Agreement be extended for 90 days without the need for competitive bidding. The Director of Finance agreed with the DPW’s recommendation.

AUDITS NOTED THE TIME EXTENSION.
UPON MOTION duly made and seconded, the Board approved and authorized execution of Amendment No. 3 to Agreement with SYNAGRO-WWT, Inc.
Department of Public Works - Proposed Amendments to the Rules and Guidelines Regarding Prequalification Process and Contractor/Consultant Performance Reviews

**ACTION REQUESTED OF B/E:**

The Department of Public Works respectfully requests that the Honorable President and Members of the Board of Estimates approve certain proposed amendments to the City of Baltimore Rules for Qualification of Contractors (the Rules) and the Guidelines for the Performance Evaluation of Design Consultants and Construction Contractors (the Guidelines) regarding prequalification and contractor/consultant performance reviews.

**BACKGROUND/EXPLANATION:**

On October 30, 1991, the Board approved Rules, which provided regulations, standards, and procedures for the prequalification, requalification, and disqualification of contractors who do business with the City. Rule 1.1 creates a Contractor Qualification Committee (the Committee) which oversees the qualification of contractors and is comprised of six persons. At present, all six positions on the Committee are vacant and the tasks assigned to the Committee have been performed by the Office of Boards and Commissions (OBC). Therefore, it is requested that the Board of Estimates affirm all actions taken to date by OBC, acting as the Committee.

In an effort to develop a more efficient prequalification process, the OBC proposes that the Committee be replaced with an Evaluation Committee comprised of the five existing members of the Design Build Committee plus one representative each from the City Council President’s Office and the Office of the Comptroller.

The Chair of the Evaluation Committee will be the same individual serving in that capacity on the Design Build Committee. All powers and responsibilities that the Rules delegated to the Committee will henceforth be assigned to the Evaluation Committee.
The Evaluation Committee will have the authority, subject to Board review and approval, to amend and enact such further rules and procedures as may be necessary to its administration and internal operation, specifically including amending and revising the existing Guidelines. In the event a new member of the Design Build Committee replaces an outgoing member of that committee, the new member(s) of the Design Build Committee will also replace the same member(s) on the Evaluation Committee. The members of the Evaluation Committee may designate an individual within their Department to serve on the Evaluation Committee in their place with full powers and authority to act on behalf of the member.

Finally, it is noted that any Rule or Guideline not expressly changed or modified herein remains in full force and effect and the modifications requested herein will not negate, change, or alter any prior action taken by the City under the Rules or the Guidelines.

A PROTEST WAS RECEIVED FROM MS. KIM TRUEHEART.

The Board of Estimates received and reviewed Ms. Trueheart’s protest. As Ms. Trueheart does not have a specific interest that is different from that of the general public, the Board will not hear her protest. Her correspondence has been sent to the appropriate agency and/or committee which will respond directly to Ms. Trueheart.

UPON MOTION duly made and seconded, the Board approved certain proposed amendments to the City of Baltimore Rules for Qualification of Contractors and the Guidelines for the Performance Evaluation of Design Consultants and Construction Contractors regarding prequalification and contractor/consultant performance reviews.

Board of Estimates  
Attn: Clerk  
City Hall, Room 204  
100 N. Holliday Street,  
Baltimore, Maryland 21202  

Dear Ms. Taylor:  

Herein is my written protest on behalf of the underserved and disparately treated citizens of the Baltimore City who appear to be victims of a lack of vision, poor fiscal planning and management and a complete failure to provide transparent communications about business processes, priorities and outcomes.

The following details are provided to initiate this action as required by the Board of Estimates:

1. Whom you represent: Self
2. What the issues are:  
   a. Page 80, Department of Public Works – Proposed Amendments to the Rules and Guidelines Regarding Prequalification Process and Contractor/Consultant Performance Reviews, if approved:  
      i. This action demonstrates the clear need for cogent, value-based decision criteria in conducting reviews;  
      ii. This request demonstrates this administration’s disregard for the current policy and willful intent to conduct public business in a less than transparent manner;  
   b. Please provide access to the document approved on October 30, 1991 by the Board which provided regulations, standards, and procedures for the prequalification, requalification, and disqualification of contractors who do business with the City for inspection;
3. How the protestant will be harmed by the proposed Board of Estimates’ action: This action presents an opportunity for the City to provide a fair and equitable opportunity for small and minority businesses to benefit from municipal expenditures; however those responsible continue to fail to make the appropriate decisions to achieve that end. The continued mismanagement of major projects by City agencies is disgracefully wasteful and lacking innovative outcomes that generate equity for small and minority businesses.
4. The remedy I seek and respectfully request is that a public hearing be scheduled to allow for public review and comment on this proposed rule change prior to adoption by this board.

I look forward to the opportunity to address this matter in person at your upcoming meeting of the Board of Estimates on December 17, 2014.

If you have any questions regarding this request, please telephone me at (410) 205-5114.

Sincerely, Kim Trueheart, Citizen & Resident

Department of Recreation and Parks - Environmental Covenant

**ACTION REQUESTED OF B/E:**

The Board is requested to approve and authorize execution of an Environmental Covenant with the Maryland Department of the Environment (MDE). The term of the Covenant is perpetual, beginning upon approval by the Board of Estimates.

**AMOUNT OF MONEY AND SOURCE:**

N/A

**BACKGROUND/EXPLANATION:**

The Covenant will regulate use or transfer of a portion of Middle Branch Park, located at 2913 Waterview Avenue (the Property). A portion of the property was used as a salvage yard from at least 1966 to 1975; while MDE’s preliminary assessment of the property concluded that no further investigation is needed, MDE recommends that the Covenant be put in place to restrict excavation without proper contingency for dealing with waste. The Covenant will impose health and safety restrictions on the excavation and handling of all soil and groundwater at the Property and the City will be required to notify all future successors in interest of the restrictions and the language of the Covenant.

**APPROVED FOR FUNDS BY FINANCE**

UPON MOTION duly made and seconded, the Board approved and authorized execution of an Environmental Covenant with the Maryland Department of the Environment.
Department of Real Estate – Lease Agreement Renewals

The Board is requested to approve the renewal option of the Lease Agreement between the City, Landlord and below-listed Tenants for a portion of rental space of the City-owned property located at 3301 Waterview Avenue (Block 7610, Lot 15). The period of the renewal is January 1, 2015 through June 30, 2015.

The Board approved the original Lease Agreements for six months beginning July 1, 2014 and terminating on December 31, 2014. The approved lease contained a renewal option for one additional six month term. All other terms and conditions of the Lease will remain unchanged.

UPON MOTION duly made and seconded, the Board approved the renewal option of the Lease Agreements with the aforementioned tenants for a portion of rental space of the City-owned property located at 3301 Waterview Avenue (Block 7610, Lot 15).
Action Requested of B/E:

The Board is requested to approve and authorize execution of the Settlement and Release Agreement with Neubrain, LLC (Neubrain). The agreement is effective upon Board approval.

Amount of Money and Source:

$150,000.00 - 1001-000000-1411-160400-605008

Background/Explanation:

On February 1, 2012, the Board approved the initial award of this contract B50002146, Integrated Financial Budget System. Under Contract B50002146, Neubrain was retained to customize and integrate budgeting software developed by BOARD International, S.A., Inc., for use by the Bureau of the Budget and Management Research (BBMR).

Neubrain and the City now desire to mutually terminate Contract B50002146 for convenience and to resolve all outstanding disputes relating to this contract. The termination will enable the City to re-evaluate the scope of its budgeting software and obtain the customization of the BOARD software. The City will also separately obtain a perpetual license to the BOARD software directly from BOARD USA, Inc. at no additional costs to the City. Neubrain has agreed to accept $150,000.00 to carry out this mutually-agreed termination, and to resolve any outstanding disputes relating to the matter between the parties.

Approved for Funds by Finance.

Upon Motion duly made and seconded, the Board approved and authorized execution of the Settlement and Release Agreement with Neubrain, LLC. The President voted NO. The Comptroller voted NO.
ACTION REQUESTED OF B/E:

The Board is requested to NOTE the price to be paid by the City for the purchase of the Lexington Market Arcade Building located at 130 North Eutaw Street (the “Building”) pursuant to the option as contained in a certain Ground and Building Lease dated November 1, 1984 and as amended in December 1, 1992 by and between the City and Arcade Limited Partnership (collectively the “Lease”). The purchase option includes the assignment of Arcade Limited Partnership’s interest in the underlying Ground Lease.

AMOUNT OF MONEY AND SOURCE:

$2,862,500.00 - 2073-0000000-1424-160800-603013

BACKGROUND/EXPLANATION:

On June 4, 2014, the Board authorized the Director of Finance, in consultation with the Law Department, to exercise the purchase option set forth in the Lease for the purchase of the Building and the underlying Ground Lease, with the further stipulation that once the purchase price for the acquisition of the aforementioned interests is determined, the Board is to be advised of such amount. The Director exercised that option which initiated an appraisal process, as mandated by the Lease, to determine the purchase price. That process has been completed and resulted in a purchase price of $2,862,500.00.

UPON MOTION duly made and seconded, the Board NOTED the price to be paid by the City for the purchase of the Lexington Market Arcade Building located at 130 North Eutaw Street pursuant to the option as contained in a certain Ground and Building Lease dated November 1, 1984 and as amended December 1, 1992 by and between the City and Arcade Limited Partnership. The purchase option includes the assignment of Arcade Limited Partnership’s interest in the underlying Ground Lease.

The subsistence for this location is $163.00 per night. The hotel cost was $159.00 per night, plus occupancy tax of $24.00 per night.

The Board is requested to approve the expenditure for additional subsistence of $123.37 for food and incidentals.

Mr. Mayfield traveled to Sacramento, CA to accompany the Mayor for security purposes. The Police Department paid the hotel, airfare, food, and a rental car on a credit card assigned to Mr. Derrick Mayfield.

If official City business at the event site will require extensive inspection trips, tours, or other unusual but necessary land travel, the Board of Estimates must approve funds for such expenses in advance of the trip. (AM-240-8)

The travel approval is late due to a delay in the administrative process. The Police Department was unable to meet the requirements of travel procedures outlined in the Administrative Manuel, Section 240 and regrets the late submission of this request and asks the Board’s indulgence.

Board of Estimates
Attn: Clerk
City Hall, Room 204
100 N. Holliday Street,
Baltimore, Maryland 21202

Dear Ms. Taylor:

Herein is my written protest on behalf of the underserved and disparately treated citizens of the Baltimore City who appear to be victims of questionable management and administration within the various boards, commissions, agencies and departments of the Baltimore City municipal government.

The following details are provided to initiate this action as required by the Board of Estimates:

1. **Whom you represent:** Self
2. **What the issues are:**
   a. Pages 1 - 87, City Council President and members of the Board of Estimates, BOE Agenda dated December 17, 2014, if acted upon:
      i. The proceedings of this board often renew business agreements without benefit of clear measures of effectiveness to validate the board’s decision to continue funding the provider of the city service being procured;
      ii. The Baltimore City School Board of Commissioners routinely requires submissions for board consideration to include details of the provider’s success in meeting the objectives and/or desired outcomes delineated in the previously awarded agreement;
      iii. The members of this board continue to fail to provide good stewardship of taxpayers funds as noted by the lack of concrete justification to substantiate approval of actions presented in each weekly agenda;
      iv. This board should immediately adjust the board’s policy to ensure submissions to the board include measures of effectiveness in each instance where taxpayer funds have already been expended for city services;
      v. In the interest of promoting greater transparency with the public this board should willing begin to include in the weekly agenda more details which it discusses in closed sessions without benefit of public participation.
      vi. Lastly this board should explain to the public how, without violating the open meeting act, a consent agenda is published outlining the protocols for each week’s meeting prior to the board opening its public meeting.
3. **How the protestant will be harmed by the proposed Board of Estimates’ action:** As a citizen I have witnessed what appears to be a significant dearth in responsible and accountable leadership, management and cogent decision making within the various
agencies and departments of the Baltimore City municipal government which potentially cost myself and my fellow citizens excessive amounts of money in cost over-runs and wasteful spending.

4. **Remedy I desire:** The Board of Estimates should immediately direct each agency to include measures of effectiveness in any future submissions for the board’s consideration.

I look forward to the opportunity to address this matter in person at your upcoming meeting of the Board of Estimates on December 17, 2014.

If you have any questions regarding this request, please telephone me at (410) 205-5114.

Sincerely,
