The solicitation will be conducted by mail and will be for the exclusive benefit of this educational program. Potential donors will be identified based on past participation in the conference and prior solicitations made by other cities hosting the conference, which has been held annually for over 15 years. The solicitation will be directed at a broad range of potential donors and will not specifically target controlled donors or suggest that contributors might receive special access or favored treatment from the BCFD or any of its members. The solicitation will be administered with the oversight of the Fire Department’s legal counsel and only after approval of the City’s Ethics Board.

Baltimore City Code Article 8, Section 6-26, prohibits solicitation or facilitating the solicitation of a gift. An exception was enacted in 2005 to permit certain solicitations that are for the benefit of an official governmental program or activity, or a City-endorsed charitable function or activity that has been pre-approved by the Ethics Board. Ethics Regulation 96.26B sets out the standards for approval, which includes the requirement that the program, function, or activity to be benefited and the proposed solicitation campaign must be endorsed by the Board of Estimates or its designee.

UPON MOTION duly made and seconded, the Board ENDORSED the governmental/charitable solicitation application for submission to the Board of Ethics of Baltimore City for the solicitation of donations for the annual Metro Fire Chiefs Conference.

ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize execution of a master custody agreement with The Bank of New York Mellon (BNY Mellon) for custodian services for assets of the Fire & Police Employees’ Retirement System (F&P). The period of the master custody agreement is July 1, 2013 through June 30, 2018.

AMOUNT OF MONEY AND SOURCE:

No general funds are involved in this transaction. Custody fees, fees for related services and related expenses will be expended from F&P assets. The annual fee for basic custody services is $150,000.00.

BACKGROUND/EXPLANATION:

The BNY Mellon currently serves as custodian of Employees’ Retirement System (ERS), Fire & Police, Elected Officials’ Retirement System (EOS), and Retiree Benefits Trust assets. On March 1, 2006, the Board approved the current Retirement Systems’ custody agreements with BNY Mellon. On June 27, 2007, the Board approved the current custody agreement for the Retiree Benefits Trust.

Over the last several months, the F&P Board, with the assistance of its investment consultant, conducted a nationwide search for a firm to provide global custodial services for F&P assets. The ERS Board of Trustees, with the assistance of its investment consultants, conducted a similar, independent search for a global custodian of ERS, EOS, and Retiree Benefits Trust assets. The ERS and the F&P Boards have each independently recommended that the City retain BNY Mellon.

The Director of Finance is the proper signatory for the custody agreements in his capacity as custodian of all moneys and securities of the Retirement Systems and Retiree Benefits Trust under Article VII, Section 18(a) of the Baltimore City Charter, which authorizes the Director of Finance to contract with banks to perform his custodial responsibilities.

An annual flat fee of $125,000.00 covers basic custody services for the Employees’ Retirement System (ERS), the Elected Officials’ Retirement System (EOS), and the RBT.

BACKGROUND/EXPLANATION:

The BNY Mellon currently serves as custodian of ERS, Fire & Police Employees’ Retirement System (F&P), EOS, and the RBT assets. On March 1, 2006, the Board approved the current Retirement Systems’ custody agreements with BNY Mellon. On June 27, 2007, the Board approved the current custody agreement for the RBT.

Over the last several months, the ERS Board, with the assistance of its investment consultant, conducted a nationwide search for a firm to provide global custodial services for ERS, EOS, and the RBT assets. The F&P Board of Trustees, with the assistance of its investment consultants, conducted a similar, independent search for a global custodian of its assets. The ERS and the F&P Boards have each independently recommended that the City retain BNY Mellon.

The Director of Finance is the proper signatory for the custody agreements in his capacity as custodian of all moneys and securities of the Retirement Systems and Retiree Benefits Trust under Article VII, Section 18(a) of the Baltimore City Charter, which authorizes the Director of Finance to contract with banks to perform his custodial responsibilities.

Honorable Bernard “Jack” Young
President, Baltimore City Board of Estimates
City Hall-Room 204
Baltimore, MD 21202
ATTN: Ms. Bernice Taylor, Esquire, Clerk to the Board

Dear Mr. President:

I represent the Maryland Minority Contractors Association (“MMCA”), its members, clients and constituents.

We wish to protest item No. 1, page 68 of Your Honorable Board’s 06/05/2013 public meeting Agenda, which is a proposed contract award of Bureau of Purchases Solicitation No. B50002831-Providing Enterprise Technology Staffing Support for the City’s MOIT, BCPD, HCD DOT, PW, etc.

Our complaint is that the proposed contract award evidences all of the relevant factors which the City’s competitive bidding process was designed to prevent, i.e., (1) favoritism; (2) extravagance; and (3) collusion. The facts show that the Bureau of Purchases possessed a pre-bid desire to award the subject contract to Telecommunication Systems, Inc., and the relevant bid proposal evaluation criteria were “massaged” and manipulated” to arbitrarily make Telecommunication Systems, Inc. the “highest scoring responsive and responsible bidder,” within the meaning of Article VI, § 11 (h0 (1) (ii), of the City charter,

More disturbing is the fact that the bid notice of the subject contract was never sent to the various M-WBE trade associations as was required by the City’s M-WBE Ordinance. Additionally, there is no evidence that the subject contract was ever publicly advertised in two (2) local daily newspapers as specifically required by Article VI, § 11 et seq., of the City Charter.

The City’s MWBOO specifically found the proposed awardee to be in non-compliance with the contract set WBE goal. This fact would ordinarily render the proposed awardee ineligible for contract award based upon past decisions of this Honorable Board.

Page 1 of 2
CONCLUSION

Accordingly, for the above stated reasons, we respectfully request that Your Honorable Board reject the Bureau of Purchases recommendation to award the contract to Telecommunication Systems, Inc. Having not complied with the contract set WBE goal at bid time, the proposed awardee is clearly ineligible for the contract award based on many past decisions of this Honorable Board.

Respectfully Submitted,

Arnold M. Jolivet

2. B50002823, Prescription Drug Program for Active Employees and Retirees (Pharmacy Benefit Manager)

The proposals submitted by Aetna Life Insurance Company, Caremark PCS Health, LLC; Express Scripts, Inc. and Catamaran PBM of Illinois, Inc., were each deemed non-responsive by MWBOO. In addition, the proposal submitted by Caremark PCS Health, LLC was deemed non-responsive by the Law Department for exceptions materially modifying the terms of the solicitation. The proposal by OptumRx, Inc. was deemed non-responsive by the Law Department for failure to include the required bid guarantee. The proposal by Express Scripts, Inc. was deemed non-responsive by the Bureau of Purchases for failure to provide clear pricing. Therefore, it is recommended to be in the best interest of the City to reject all proposals. The Bureau of Purchases will shortly recommend exercising the last renewal period for the current contract. The Department of Human Resources concurs in this recommendation.

UPON MOTION duly made and seconded, the Board approved the travel requests, travel approval, and travel reimbursement.
ACTION REQUESTED OF B/E:

The Board is requested to approve the FY 2014 budget and property tax surcharge rate for the Downtown Management District (DMD).

AMOUNT OF MONEY AND SOURCE:

$6,636,119.00 – Estimated Revenue

The proposed FY 2014 property tax surcharge rate is $0.2139 per $100.00 of assessed property value. The surcharge rate is exactly the same as it was for FY 2013. The surcharge rate was changed in Fiscal 2011 to 0.2139 per $100 of assessed value and remains the same for Fiscal 2014.

BACKGROUND/EXPLANATION:

The DMD submitted its request for FY 2014 to the Bureau of the Budget and Management Research.

The total Fiscal 2014 revenues decreased 2.13% or $144,544.00 to $6,636,119.00. The property tax surcharge estimated revenue decreased by $142,173.00 or 2.31% to $6,000,107.00. This decrease is due to lower property assessments. Other Grants and Fees revenue has decreased by $2,371.00 or 0.371% to $636,012.00 due primarily to decreased contribution from tax exempt properties and from State agencies. The budget for FY 2014 includes the following personnel changes: FTE allocation change, the reduction of 5.5 downtown Baltimore Guide positions, the reduction of 3 Clean Sweep Ambassador positions, and the addition of six (3 part-time and 3 full-time) from the Civic Works Team in the Beautification Department. The budget includes new funds for the Work Downtown Campaign, and the Live Downtown Campaign.
The DMD is continuing the reorganization of its Operations Department to increase productivity and reduce overhead expenses. Routes have changed, special detail crews have been created, and the addition of a trash compactor enables the crews to remove garbage more efficiently. As a result of these improvements, the DMD will be able to operate with the above-mentioned reduction of 5.5 Downtown Management Guide positions and 3 Clean Sweep Ambassador positions with little-to-no negative impact on service.

As of the June 2012 audit report, the DMD had $1,536,633.00 in reserve. The budget reserve represents a total value of 23% of its annual budget. The BBMR encourages the District to work towards building a reserve fund at a minimum of at least 25% of its annual budget or approximately three months of its annual budget.

The DMD’s fiscal management has been sound and it has been a positive force in the Downtown area since it began its operations. The Finance Department recommends that the Board approve this budget and surcharge tax rate.

A PROTEST WAS RECEIVED FROM MS. KIM TRUEHEART.

The Board of Estimates received and reviewed Ms. Trueheart’s protest. As Ms. Trueheart does not have a specific interest that is different from that of the general public, the Board will not hear her protest. Her correspondence has been sent to the appropriate agency and/or committee which will respond directly to Ms. Trueheart.

UPON MOTION duly made and seconded, the Board approved the FY 2014 budget and property tax surcharge rate for the Downtown Management District. Mr. Harry Black, acting on behalf of the Mayor ABSTAINED.
June 4, 2013

Board of Estimates
Attn: Clerk
City Hall, Room 204
100 N. Holliday Street,
Baltimore, Maryland 21202

Dear Ms. Taylor:

Herein is my written protest on behalf of the underserved and disparately treated citizens of the Baltimore City who appear to be victims of a lack of vision, poor fiscal planning and management and failure to capitalize on strategic investment opportunities in our youth by the Mayor of Baltimore City and the various Departments and Agencies.

The following details are provided to initiate this action as required by the Board of Estimates:

1. **Whom you represent:** Self
2. **What the issues are:**
   a. Pages 86, Bureau of the Budget and Management Research - FY 2014 Budget and Property Tax Surcharge Rate – Downtown Management District, if approved:
      i. Fails to follow the precedent of propping up budgets of entities that have been traditionally funded with general funds, as in the case of the BDC during slow economic times;
      ii. Inexplicably eliminates low skilled, low burden jobs, when our Mayor and City Council have declared that job creation is one of their TOP priorities;
      iii. Fails to disclose whether municipal officials undertook efforts to challenge/contest the lower property assessments that contributed to the reduced revenue projections for FY 2014;
      iv. Discloses what appears to be an inequitable and disparate budget item that includes new funds for the Work Downtown Campaign and the Live Downtown Campaign neither of which have been employed in neighborhoods.
      v. Fails to outline the steps municipal officials undertook to recoup funds from tax exempt properties and/or state agencies.
         “Other Grants and Fees revenue has decreased by $2,371.00 or 0.371% to $636,012.00 due primarily to decreased contribution from tax exempt properties and from State agencies.”
3. **How the protestant will be harmed by the proposed Board of Estimates’ action:** As a citizen I am experiencing a significant financial burden with annual tax increases, sewer and water service increases, user fee increases, parking meter rate increases and significantly reduce services as a resident. This onerous burden can only be relieved when the cost saving business practices are consistently applied to all budgetary actions. Poor business policy and practices have resulted in workforce reductions in several agencies across the City including, Health, Mayor’s Office of Employment Development.

5519 Belleville Ave
Baltimore, MD 21207
and the Downtown Management District without any official announcements or communications.

4. The Remedy I Seek: This Property Tax Rate Change should NOT be approved until the barriers and inconsistencies discussed herein have been re-assessed.

I look forward to the opportunity to address this matter in person at your upcoming meeting of the Board of Estimates on June 5, 2013.

If you have any questions regarding this request, please telephone me at (410) 205-5114.

Sincerely,
Kim Trueheart, Citizen & Resident

2012 Annual Report

keeping up with demand

Currently, more than two-thirds of the U.S. population lives in urban areas, and that number is increasing. In this region, Downtown Baltimore is leading the way with the fastest-growing residential neighborhoods and a stable employment base that ranks 15th in the nation for job density.

We know from surveys that Downtown residents are here because they want to live in diverse, transit-connected communities. They want to be able to roll out of bed and hit the gym before walking to work. They want cool architecture, bustling sidewalks, retail choices, and lots to do on the weekends. And, they want to have plenty of dining options when they meet up with friends after work.

Interestingly, companies that could do business anywhere in the world locate Downtown for the same reasons. Blue chip financial houses, cutting edge biotech labs, marketing creatives, and law firms all tell us that this is where they have to be if they want the best and brightest employees.

Strong demand for Downtown living has sent the apartment occupancy rate to 97%, and Downtown Partnership’s recently-released housing demand study, Outlook 2017, shows the marketplace can absorb an additional 5,800 new residential units over the next five years. Such a large influx of residents will increase demand for retail and entertainment businesses, for public transit, and for high quality public spaces. Having more residents will also mean more activity on the streets at all hours, not to mention a stronger tax base for the city.

Downtown Partnership is working hard on the kinds of projects that make Downtown Baltimore better for residents, employees, and visitors. As you’ll see in this report, the depth and breadth of our initiatives is large because a community as dynamic as ours deserves nothing but the best.

HOPKINS PLAZA: Over the past year we've been significantly remaking Hopkins Plaza with changes (rendering, inset) that demolished the skywalk, will improve entrances to the garage underneath, and add to the landscaping we've already put in place. We also commissioned a sculpture by the artist Wendy Ross that sits inside the fountain and creates a focal point even when the water isn't running.
DOWNTOWN PARTNERSHIP EMPLOYEES OF THE YEAR: Downtown Baltimore Guide, Patricia Pittman, and Clean Sweep Ambassador, Arvel Williams, are part of the hard-working teams of men and women who make Downtown Baltimore cleaner and friendlier every day.
BUSINESS & ECONOMIC DEVELOPMENT - Downtown Partnership of Baltimore markets Downtown Baltimore to
existing and potential businesses, engages public and private institutions on Downtown’s behalf, and conducts
small and minority business outreach. We also create transportation and parking improvement strategies, public
arts initiatives, and a variety of reports, including: the State of Downtown Report – an annual economic analysis of
Downtown Baltimore; the Downtown Baltimore Development Report; and timely monthly business development and
investment updates.

MARKETING, COMMUNICATIONS & EVENTS - The Partnership promotes Downtown as the region’s top business,
residential, cultural, and entertainment destination through business networking events, marketing and
 informational publications, media relations, and retention programs. We reach out to individual consumers with
advertising and public relations campaigns, and through special events and promotions like First Thursdays in Hop-
kins Plaza, Kids Month, and Baltimore’s Summer and Winter Restaurant Weeks. We support these efforts with websites,
such as GoDowntownBaltimore.com and GetAroundDowntown.com, an active social media presence, and
traditional advertising.

HOSPITALITY & OUTREACH - Within the 106-block Downtown Management Authority (DMA) district, we provide
a range of services that create a more comfortable and inviting environment for Downtown employees, visitors,
and residents. Our efforts include deployment of Downtown Baltimore Guides, Courtesy Escorts, the Video Patrol
network, the Public Safety Coalition, the Street Smart awareness campaign, outreach to the homeless, and
panhandling deterrence. These services were just renewed by Downtown property owners for another five years.

IMPROVING THE EXTERIOR ENVIRONMENT - We also provide cleaning, maintenance, and landscaping services
within the DMA with the goal of keeping Downtown clean, attractive, and well-maintained. Our Clean Sweep
Ambassadors remove litter and graffiti on a daily basis, and provide jobs to formerly homeless individuals who need
workforce training and a solid start to a new life. The Green Team deploys Park Stewards who landscape
Downtown’s parks and plazas and maintain the almost 400 flower pots we’ve placed throughout the area. We also
make capital improvements to Downtown’s open spaces through our Streetscape and Facade Improvement
Programs, and, with the help of our partners, we’ve deployed a wayfinding signage system to help everyone navi-
gate Downtown’s diverse neighborhoods.

about downtown baltimore

Downtown Baltimore is known for its iconic skyline and Inner Harbor, but it’s much more than that. It’s the economic center of Greater Baltimore and home to the city’s fastest-growing neighborhoods. Within a one-mile radius of Pratt and Light streets, there are 103,000 jobs, 42,000 residents, and 18,000 students. This area ranks 8th in the country for residential density — ahead of cities like Atlanta, Denver, Miami, and Washington, DC — and 15th in the country for employment density.

Within Baltimore, Downtown makes up just 3.8% of the city’s total land mass, but provides 17% of all businesses and 27% of all jobs. Downtown businesses generate $17 billion in direct economic output (30% of Baltimore’s total) and pay approximately $7.7 billion in wages. Combined, Downtown commercial and residential property owners pay $106 million in property taxes (13.5% of Baltimore’s entire tax yield) while Downtown residents pay $64 million in income taxes (24% of Baltimore’s total). Relative to its size, Downtown pays 3.7 times its weight in property taxes and more than six times its weight in income taxes – money that supports families and municipal services for neighborhoods across Baltimore.

But Downtown is more than just businesses. It’s the top residential destination in the region with entirely new neighborhoods and historic communities that are in high demand. Census Tract 401, which includes City Center skyscrapers and the Lexington Market area, is now the fastest-growing neighborhood in Baltimore. Residents are attracted by diverse, walkable communities with distinct architecture and easy access to jobs, shopping, restaurants, and cultural destinations.

Downtown is also the gathering spot for holiday celebrations, sporting events, when friends visit, or just a night on the town. That’s why, no matter where you live, Downtown Baltimore is your neighborhood, too.
business outreach

Every penny counts in a tough economy, whether you’re a family shopping for groceries or a business shopping for the best location. It’s no wonder Downtown Baltimore ranks 15th in the nation for employment density. Companies, large and small, are moving and expanding here and, in each instance, they are attracted by Downtown's strategic assets. They recognize that Downtown is the premier business location in the region with a talented workforce, central location, transit access, and amenities like shops, restaurants, sports venues, and cultural attractions that you won’t find anywhere else.

This past year, Downtown Partnership launched a business attraction and retention campaign, called Downtown Baltimore: The Center of My Universe, to spread the word about Downtown Baltimore’s many strategic advantages. A joint collaboration with the Mayor’s Office, Baltimore Development Corporation, and the Economic Alliance of Greater Baltimore, the initiative features market data, broker contacts, and CEOs explaining, in their own words, why they wouldn’t do business anywhere else.

Welcome to the center of it all.

Easy international access. Prime office space. A growing economy. These are just some of the many reasons Downtown Baltimore is the best place in the region to own a business. Ask any local business owner and they’ll tell you that being here isn’t just about work; it’s about the quality of life that working in Downtown Baltimore has to offer—world-class cuisine and upscale shopping, deluxe living space, a vibrant nightlife and an energy found nowhere else.

information you need

Our economic data, trend analyses, and area maps are invaluable tools used regularly by commercial real estate professionals, urban planners, visitors, and the news media. In the past two years we have released a Strategic Plan and Open Space Master Plan to guide Downtown development, we updated our annual State of Downtown and Downtown Development reports, and unveiled Outlook 2017, a housing demand study that predicts strong growth in the number of Downtown residents. We also contribute to key external reports, such as a study about how to improve Lexington Market that will be released by Mayor Stephanie Rawlings Blake through her Westside Task Force.

You can download all our reports online at GoDowntownBaltimore.com. Or, call us at 410.244.1030.
WILKES LANE: After installing new planters, tables, chairs, and hundreds of plants last year, The Partnership continued with planned improvements to Wilkes Lane by hiring a Park Steward to keep this important transit and business corridor at the Charles Center metro stop looking its best.
ADAPTIVE REUSE: Projects like 39 West Lexington (pictured) underscore the benefits of adapting old office space. We strongly support reuse to meet the growing demand for Downtown living and retail choices. When reuse is not feasible, as with the former Mechanic Theatre, (inset) we advocate for a fresh approach that will bring new opportunities to long-dormant parcels.
HOWARD STREET: Our Strategic Plan for Downtown highlights the importance of Howard Street and the area known as the Superblock that sits between Downtown’s east and west sides. The Partnership has worked hard to move forward Howard Street improvements, to support the Lexington Square portion of the Superblock, and to maintain properties until redevelopment can begin. We have stabilized facades, and added grass, trees, and streetscaping. And, we support commemoration of the historic sit-in that occurred at the former Read’s Drugstore — in conjunction with the Mayor, City Council, BDC, MTA, and a host of community partners.
OPERATION: STOREFRONT  Since we began Operation: Storefront two years ago, we have helped more than a dozen entrepreneurs and arts groups move into available street-level retail spaces, bringing new life and investment. Pictured is Royal Razor, which opened in the Summer of 2012.
MONUMENT LIGHTING: Along with our partners in City government and organizations like Visit Baltimore and the Baltimore Office of Promotion and the Arts, The Partnership creates some of the region's most popular events, including Baltimore Restaurant Week and the holiday lighting of the Washington Monument.

RESIDENTIAL OUTREACH: Downtown has more than 42,000 residents and, in the area known as THE401, the fastest-growing neighborhoods in Baltimore. Residents are diverse and include families with children, young professionals, and empty-nesters from a wide variety of backgrounds.

pictured: Yappy Hour for Downtown dog owners
OUTDOOR EVENTS: This year, we dramatically increased our schedule of events from a few each month to several each week. Through the changing seasons, people spent their lunch and evening hours practicing yoga, listening to music, taking dance lessons, attending poetry readings, learning how to fix their bicycles, and enjoying cocktail hours. We gave away food and threw a party with 39 W. Lexington just for dogs. We commissioned a chalk mural on Pratt Street and continued our lunchtime and evening concerts in Hopkins and Center Plazas. We also added seasonal craft fairs at Center Plaza for the holidays and early spring.
A NEW HOLIDAY TRADITION: Our first holiday craft market was such a hit we held a similar fair this past spring. They provided residents and employees the opportunity to buy unique gifts and are sure to become favorite annual events.

downtown management authority

Downtown Partnership’s operations programs include all our uniformed staff: the Downtown Baltimore Guides, Clean Sweep Ambassadors, and Green Team.

The operations teams work in the 106-block Downtown Management Authority (DMA) district and are funded by a surcharge on assessed property value within the DMA.

Since the DMA was created in 1992, property owners continuously reaffirm its value by reauthorizing its services every five years, including 2012 when our reauthorization received the total support of our stakeholders.

downtown baltimore guides

You’ll find Downtown Baltimore Guides throughout the DMA helping pedestrians, checking in on businesses, providing homeless outreach, and assisting the police. Last year, the Guides helped approximately 360,000 people and interacted with businesses 400,000 times.

outreach programs that work

The Partnership has an outreach worker dedicated to helping the homeless find permanent living space, and all Downtown Baltimore Guides receive special training from Baltimore Homeless Services and the Police Department through the Hands in Partnership program.

a success worth replicating

Downtown Partnership was one of the first organizations in the country to create a management authority district. Our programs have been studied and replicated by similar programs here in Baltimore and around the world.
Downtown Partnership’s Clean Sweep Ambassadors have a challenging job. Every day they’re out on the streets from before dawn until well after most people have gone to bed, picking up litter, removing graffiti, emptying Downtown’s public trash cans, and power washing sidewalks.

In the past year, the team has been more effective than ever, adding its own garbage truck and collecting more than 290 tons of garbage. The team also scrubbed graffiti and fielded a special unit to tackle jobs like refurbishing Downtown’s decorative trash cans.

**special operations**

In addition to their daily responsibilities, the Clean Sweep Ambassadors target problem areas or places that could use a little extra attention.

Each spring, *Operation Check-In* helps hotels prepare the areas around their buildings for the influx of seasonal tourists. The aptly named *Up Your Alley* initiative focuses on areas that are seldom seen but important to Downtown’s overall sanitation and appearance.

The CSAs also perform special clean–ups on the grounds of St. Vincent de Paul. The church allows the homeless to stay there but the area had, in the past, been unsightly and unsanitary. Our crews performed the initial clean–up and, under a special arrangement with the church, keep it clean and well–groomed on a daily basis.
green team

When people think about cities, they often think about the buildings that comprise the skyline. But cities are just as much about the spaces in between the buildings. Well-designed and nicely manicured public spaces pull people out of their apartment, office, or hotel, and are integral to a successful community.

Over the past several years, we’ve dramatically expanded our portfolio of exterior improvements by leading capital improvement projects in Center Plaza, Hopkins Plaza, and Preston Gardens; by creating the Green Team to improve and maintain open spaces; and by a continuing series of redesign projects along Pratt Street. Through these efforts, we are helping property owners change the way they think about the space that surrounds their buildings.

In the past year, the Green Team:

• provided constant care and water to Downtown street trees and more than 385 flower pots;
• added a Park Steward for Wilkes Lane and Courthouse Plaza to improve and maintain these important public spaces;
• mowed, mulched, leafed, weeded, cleared trash, and removed snow at Downtown public spaces;
• winterized parks and flower beds, and installed holiday lights;
• continued improvements and maintenance to the Downtown Dog Run;
• added landscaping and cobblestone edging to Centre Street and Upper St. Paul, turning an empty traffic median into a striking Downtown gateway.
You don’t have to be a large corporation to become a member of Downtown Partnership. Our members include restaurants, non-profits, flower shops, and attorneys offices as well as Fortune 500 companies. We reward our members by keeping them connected and ahead of the curve with insider access to the region’s top decision-makers through events like our *State of Downtown Breakfast*, *Developers’ Reception*, *Annual Meeting*, and targeted networking events.

Members may also receive special placements in our marketing and advertising campaigns, promotional emails and inclusion in our Member Directory. They can also receive mailing labels to communicate directly with other Downtown Partnership members.

If you are doing business Downtown, or thinking about doing business Downtown, you’ll definitely want to take advantage of our exclusive data, research, analysis, and maps. Our publications like the *State of Downtown* and *Downtown Development Report* are invaluable to real estate professionals, planning officials, and the business media. And, our customized walking tours give you a street-level view of the new developments that are shaping Downtown’s economy.

As a member, you get free access to our networking and speaker events, and you get preferred pricing and advance notice of our most popular ticketed events, like the *Annual Meeting*.

And here our headquarters have remained, even as we’ve grown to be a global enterprise of over 5,000 associates. We proudly serve the communities wherever we work and live through civic contributions and the volunteer efforts of our associates.

As we celebrate our 75th anniversary, we value our long-term relationship with our clients, associates, and the Baltimore community.

The Board is requested to approve the FY 2014 budget and property tax surcharge rate for the Midtown Community Benefits District (Midtown).

AMOUNT OF MONEY AND SOURCE:

$1,230,544.00 – Estimated Revenue

The proposed FY 2014 property tax surcharge rate is $0.132 per $100.00 of assessed property value. The surcharge rate is exactly the same as it was for FY 2013.

BACKGROUND/EXPLANATION:

The Midtown submitted its request for FY 2014 to the Bureau of the Budget and Management Research.

FY 2014 estimated revenues are up 3.3% or $39,376.00 to $1,230,544.00. The budget includes a $123,054.00 allowance of non-collected surtax and therefore, a net income of $1,107,489.00. The revenue from the tax surcharge represents 93% of the District’s Fiscal 2014 budget. Revenue from the nonprofit groups will increase from $60,000.00 in Fiscal 2013 to $75,000.00 Fiscal Year 2014.

The total unrestricted net assets (budget reserve) were $368,000.00, as of June 30, 2012, which represents a total value of three months of its annual budget.

The Midtown team has been a positive force in the Midtown area since it began its operations. It is recommended that the Board approve their budget plan and surcharge tax rate.
Estimated Income | Estimated Expenses
---|---
Property Tax Surcharge $1,230,543.68 | Clean $ 617,036.00
Allowance for non- | 
Collected surtax (123,054.00) | Green 161,990.00
| Safety 253,294.00
Net Income: $1,107,489.00 | Admin. 161,719.00
Contributions 75,000.00 | Total $1,194,039.00
Interest Earned 1,550.00
Miscellaneous 10,000.00
Total $1,194,039.00

UPON MOTION duly made and seconded, the Board approved the FY 2014 budget and property tax surcharge rate for the Midtown Community Benefits District (Midtown).
ACTION REQUESTED OF B/E:

The Board is requested to approve the FY 2014 budget and property tax surcharge rate for the Waterfront Management District (District).

AMOUNT OF MONEY AND SOURCE:

$1,642,096.00 – Estimated Revenue from Surcharge

The proposed FY 2014 property tax surcharge rate is $0.17 per $100.00 of assessable value.

BACKGROUND/EXPLANATION:

The Board has the authority to approve the annual financial plans and surcharge tax rate for the Waterfront Management District. The District has submitted its plan for FY 2014. Property owners in the District will pay the same surcharge rate on their property taxes in FY 2014 as in FY 2013. The rate is set at $0.17 per $100.00 of assessable value. Surcharge fee revenues have decreased from $1,710,000.00 in FY 2013 to $1,642,096.28 in FY 2014, which represents a decrease of 3.97% or $67,903.20 from FY 2013. Surcharge revenue continues to reflect the lowered assessments of the current assessment cycle.

Revenue from the surcharge represents 70.1% of the total budget. Other revenue decreased by $1,622,049.00 from FY 2013 primarily due to the expiration of a one-time grant from Constellation Energy. Currently, the District has $600,000.00 in reserve funding, which represents a total value of three months of its annual budget.

The District’s fiscal management has been sound and it has been a positive force in the Waterfront area since its inception.

It is recommended that the Board approve their budget plan and surcharge tax rate.
