1. EWO #002, $0.00 - TR 11319, Jones Falls Trail - Phase V
   $9,442,752.00 $0.00 Allied Contractors, 139 - Inc. days

This authorization provides for a 139-day non-compensable CCD time extension due to the recent unusually severe weather related impacts on the projects. The lost days were either impacted by rain, snow, or ice events since the beginning of the contract. Weather related data was compared against inspector and superintendent daily reports. Inclement weather days in excess of the State Highway Administration weather related working day chart were reviewed. Weather data and documentation of record-breaking precipitation from reporting authorities such as NOAA and local news outlets were reviewed. Additionally, impacts to the project schedule caused by the aftermath of any such weather event were reviewed. Such impacts would be the delayed start of scheduled activities, incomplete activities, storm or flooding cleanup and/or activities to restore areas back to their working conditions, and/inability to perform weather sensitive activities.

The Department of Recreation and Parks has performed a review of this 139-day non-compensable time extension request and finds it reasonable and acceptable due to schedule impacts caused by the unusually severe and record setting weather events.

BACKGROUND/EXPLANATION:

On July 14, 2010 the Board of Estimates approved the Agreement for seven years ending on June 30, 2017, and on June 21, 2017 the Board approved a one-year extension through June 30, 2018.

The Board again approved a one-year extension on June 13, 2018. This Agreement provides credit card processing services for all of the PABC’s revenue collecting functions. The Parking Authority accepts credit card payments at parking garages, at parking meters, at the PABC walk-in office, and at the Residential Permit Parking website (together “PABC Programs”). Accepting credit card payments has facilitated many of the revenue controls implemented by the PABC while providing convenience to customers of the PABC/City’s various programs.

In 2003, the PABC began installing parking access and revenue control equipment in City-owned off-street parking facilities (completed in 2006) to: provide better cash management; allow for credit card acceptance; and to make overall operations more efficient. In 2003, The Parking Authority began accepting credit card payments online and at the PABC office for Residential Parking Permits. Beginning in 2004, the PABC began upgrading the City’s on-street parking meters to, among other things, allow for credit card acceptance. Much of the success of the PABC’s revenue collection duties can be attributed to credit card acceptance.

The number and value of credit card transactions has more than doubled over the past several years and will continue to grow as additional meters and programs are added to the PABC’s services. The increased volume of transactions has correspondingly increased credit card fees substantially. The PABC currently averages 338,370 transactions per month, generating approximately $1,833,511 in credit card sales per month for all PABC Programs, with associated credit card processing fees averaging $238,970 per month. The Parking Authority processed these transactions using multiple credit card processors at multiple points of sale with varying associated fees, prior to this Agreement with Global. The PABC has realized substantial savings in consolidating credit card processing with Global.
Parking Authority of Baltimore City - cont’d

The Card Services Agreement will continue to:

- provide debit and credit card processing services, along with other related merchant services to multiple PABC Programs with varying requirements;
- secure economies of scale to improve pricing;
- ensure timely and reliable authorization of credit/debit transactions;
- provide reporting products that meet the requirements of individual PABC Programs and PABC;
- consolidates processing
- establish a single point of contact for coordination of all activities, including adding new PABC Programs, problem resolution (settlement, billing, reporting, etc.), adapting to and incorporating new technologies, etc.

The PABC has realized hundreds of thousands in savings annually as a result of consolidation of merchant services under this Agreement. The PABC issued a Request for Proposals (RFP) on May 15, 2019 that will attempt to further reduce merchant service fees in the future. The result of that RFP will be coming to the Board of Estimates in the next year. Therefore, the PABC requests approval from the Board of Estimates of this extension of the Agreement.

Re: Bid Protest/Appeal for B50005554 - Management of Parking Garages Group IV

Dear Board Members:

This letter serves as Danas Enterprise Inc's bid protest as to B50005554 - Management of Parking Garages Group IV. It has come to our attention that the Baltimore City Bureau of Purchases is recommending awarding the above contract award to another organization The potential awardee.

The Danas organization is submitting this letter to protest the bid as nonresponsive. According to the RFP, bids which are submitted with the price of less than one dollar ($1.00) will be deemed nonresponsive. Predatory pricing is illegal which is setting prices low in an attempt to eliminate the competition. We are requesting the Board of Estimates members defer this matter indefinitely while the Parking Authority of Baltimore City (PABC), CityBuy (City purchasing), and Bureau of Purchases review of the procurement process carefully.

Shown below are the following sections of the Request for Proposal (RFP).

**SW3 - Method of Award**

1. A bid is submitted with the Price less than one dollar ($1.00) will be deemed nonresponsive. (Page 4)

2. Paragraph E5 on page 7 states “All Bids that are submitted shall not have a price less than $1.00. Prices less than $1.00 shall be deemed non-responsive.”
The proposed bidder submitted less than a one-dollar management fee for each of the garages as shown below and attached in Exhibit A, the potential awardee's bidder management fee proposal.

A. Lexington Street Garage 33 cents
B. Arena Garage 34 cents
C. Baltimore Street Garage 33 cents

The potential awardee offered a total monthly management fee of 33 pennies for Baltimore Street Garage, 33 pennies for Lexington Garage and 34 pennies for Arena Garage which are three premium garages with more than 2,057 Parking spaces and more than five million dollars $5,000,000.00 revenue. This type of abnormal pricing based on unreasonable management cost analysis is completely unfeasible and grounds for predatory pricing.

3. The contract addendum shown on page 3 of 10 states Quote should ONLY be on the management of all services? "As this is a fully reimbursable contract, your Quote would be for any profit and administrative fees by you that are not reimbursed"

Management fees at a minimum include:

<table>
<thead>
<tr>
<th>Off-site Supervision</th>
<th>Bookkeeping and Accounting</th>
<th>Human Resources Support for new employees</th>
</tr>
</thead>
<tbody>
<tr>
<td>Background Checks</td>
<td>Random Drug Testing</td>
<td>Employee Training</td>
</tr>
<tr>
<td>Marketing/Advertising</td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

In 2017, as shown in Exhibit 2, Management and Incentive Fees paid by the City, alone the monthly management fee for the same garages were over 3,438 % times The potential awardee proposal and their 3-year management fee at $36.00 versus the current management fee worth $193,389.34.

   Price Scoring will be as follows.

   A. "The Committee will determine if the price is considered fair and reasonable."

As shown in Parking Today's article, Results of Competing on Management Fees, low management fees often negatively affect the performance and quality of services. During our past 25 years of managing garages, our stellar performance and commitment to optimizing safety and customer have been our utmost priority.
By accepting this abnormally low bid, the CityBuy (City purchasing) is dictating that management companies bid for garages at a rate at which it is impossible to run a garage, let alone make a profit. $1.00 a month per garage with more than 2,057 spaces is unreasonable. Additionally, accepting these low bids will require businesses to spend money to obtain the contract; however necessary operations will exceed traditional reimbursement. Lastly, these types of bids is also a tsunami for small, local parking companies as it will not only destroy them, it will also wipe them out from the City and low management fee often negatively affects the performance of the operation.

For all the reasons mentioned above Danas strongly recommend that CitiBuy (city Purchasing) rejects the potential awardee proposal and allow for the consideration of a more carefully constructed bid.

Results of Competing on Management Fees

The positive aspect of the change to competition on management fees was that owners often paid less for what was identified as "Parking Management Fees." The negative aspect was that parking operators ran management fees "into the ditch," bidding increasingly low fees to get the business. The difficulties with these low management fees include the following:

Often the low management fees are accompanied by higher insurance rates, benefit rates, and other costs. These higher costs often are not allocated as labeled, since the excess amounts go to the operator in lieu of higher management fees. For instance, the cost of unemployment compensation or liability insurance may not be appropriate for a specific garage location, but is averaged across the entire company or is a percentage of the entire cost paid by the company. What is not actually spent on specific operations becomes, by default, part of the management fee. The larger the operation, the more profitable these hidden charges become to the operator.

Another example is that payroll processing costs and earned paid time off may not be calculated just for the on-site staff at a facility. The costs might also include accrued paid time off of an employee who was transferred to a new facility, and the new facility is charged when the time is taken. Other activities that may become cost items are human resources processing of new employees, background and drug testing, driver's license record review, and initial training. How those costs are attributed to a specific facility is a difficult issue to analyze.

If the management fee is low, operating companies often do not devote a significant amount of off-site management to overseeing the on-site manager, the budget, compliance with the contract, or operations. Since operations in any city depend primarily on the quality, experience, ethics, and work habits of the on-site manager, strong oversight by representatives of the company is essential to the client receiving proper on-site management. When the management fee is low, the company may not devote resources to monitoring and mentoring of the on-site manager to achieve a high quality of service.

These characteristics associated with low management fees often negatively affect the performance of the operator, and thus the incentive fees may not be gained either – depending upon how they are calculated.

The truth of the matter is best expressed by the old saying, "You get what you pay for." When bids or RFPs are judged primarily by which operator proposes the lower management fee, the owner is more likely to receive lower quality performance. Operating parking garages and lots depends upon, at a minimum:

- a quality on-site manager that will remain for the length of the contract, or at least for a minimum number of required years;
- good standard operating procedures for each management and operating position;
- an appropriate strategy for ensuring compliance with the management agreement;
- excellent reporting on transactions, trends in occupancy and use, revenues, expenses, and ideas for optimizing revenue and customer service;
- a suitable plan for oversight/evaluation of employee performance;
- strong internal financial analysis and controls, in addition to the owner's financial oversight;
- a desire to exceed expectations by the on-site manager; and

Honorable Members of the Baltimore City Board of Estimates -

RE: Parking Authority of Baltimore City Recommendation of Contract Award for Management of the Arena Garage, Baltimore Street Garage, and Lexington Garage

RFP- B50005554 AWARD PROTEST

Dear Board Members:

I represent the joint venture of Impark and Danas Parking, an offeror who submitted a proposal to manage the above referenced parking facilities, pursuant to RPF - B50005554. It has come to our attention that the Parking Authority of Baltimore City is recommending an award of a management contract to an offeror that does not qualify under the requirements of the issued RFP. Therefore, Impark/Danas is submitting this letter of protest and is respectfully requesting the members of the Board of estimates defer this matter indefinitely while the PABC and Bureau of Purchase review of this procurement process.

Our protest is based on the following sections of the RFP.

Bid Qualification Requirements

Page 47 "Section A. All Proposers must be registered in CitiBuy and must download the solicitation, before bidding. This is to ensure that proposers receive all subsequent information and addenda related to this solicitation."

Page 2 "Important notice to Vendors, Regarding Registration as Requirement for Proposing: To be added to the Bidder list you must register in CitiBuy and then download the solicitation. Bids/Proposal submitted who are not on the official bidder list will be returned as non-responsive."
impark
The proposed awardee did not acknowledge the bid and was not added to the bidder list. Attached you will find the attached bidders/solicitation holder list for This Bid (RFP-B50005554) Baltimore City Purchasing (CitiBuy) Site.

Per the aforementioned requirement this would qualify them as unresponsive, and per the clearly stated requirements, should disqualify them from any rights to being awarded RFP – B50005554 (Management of Parking Garages Group IV)

Best Interest of City

We believe that in this case selection of the lowest bidder is not in the best interest of the City of Baltimore. The proposed awardee will be tasked for managing millions of dollars for the City, priced at a cost that clearly will not provide them any incentivize to do so on a consistent basis during the three year term of this contract.

The quoted fee of the proposed awardee totaled $36 over the entire three years term, or 33 cents per garage per month over the three year period.

The RFP also states –

SW3. METHOD OF AWARD:

A. Award, if made, will be made to the responsive and responsible Proposer meeting the specifications, terms and conditions and that receives the highest combined evaluation score for Technical Scoring and Price Scoring, as determined by the Evaluation Committee (Committee) and approved by the Board of Estimates. Bids that are submitted with a price of less than one dollar ($1.00) will be deemed non-responsive.

Although the requirement doesn’t state what period of time the minimum fee structure falls within, monthly or annually, it clearly was put in place and is intended to protect the City of Baltimore from proposals that reasonable people would understand as “to good to be true”, and therefore should be scrutinized as likely to create future potential issues.

We respectfully request that the Board of Estimates reject the PABC’s award recommendation. Thank you for your consideration.

Sincerely,

Christopher Johnson
Executive Vice President

President: “The first item on the non-routine agenda can be found on pages 81 through 82 item 2, Recommendations for Contract Awards/Rejections: item 2, Management of Parking Garages Group IV. Will the parties please come forward. Ma’am?”

Erin Sher Smyth, City Purchasing Agent: “Good morning, Mayor Young, Honorable Comptroller and Honorable members of the Board. Erin Sher Smyth, City Purchased Agent for a Department of Finance, Bureau of Procurement. We have received a -- excuse me a protest from Impark and from Danas. However uh -- the protest from Danas um -- they are not a bidder on this and I'm not sure if the Board would like to um -- he -- hear the protest -- from Danas --”

President: “We will.”

City Purchasing Agent: “Oh -- I just wanted to check, thank you. So the -- the gist of the argument in this protest is that uh -- the recommended awardee, SP Plus was not on the bidders list and therefore didn't comply with the submission instructions. However, there's two problems with that argument. One is they were actually on the bidders list. They received all of the documents, including all the addenda and then the second issue is that we have actually never thrown out a bid for failure to be on the bidders list. That is to protect the bidders to make sure they have all of the
documents. And in this case they were on the bidders list and they did receive all of the documents. And the other issue is the -- the question about the price. The documents very clearly noted that and price submitted below one dollar would be considered unreasonable and therefore the opposite clearly is true; anything a dollar and over would be considered reasonable. We were very clear about that and this price was considered reasonable and this vendor received the highest overall score as required by the solicitation.”

President: “Thank you. Gentlemen we just want to say before you go for the record that's you are not a bidder on this process and this is something we're doing -- hearing you out for a one-time thing, okay. Yeah, go ahead.”

Martin Mwangi: Good morning, Honorable members. My name is Martin Mwangi on behalf of Impark Danas. We actually part of the -- of the bid process, we did comply with uh -- what the requirements of this bid. I just wanted to make that uh -- for the record. Uh -- Honorable Members we are protesting the award of the RFP B50005554, due to the following. The proposed awardee did not acknowledge the bid and was not added to the bidder list, as far as the uh -- information that we have provided with the protest. Uh -- we also
believe that the case -- a selection of the lowest bidder is not to the best interest of -- of the City of Baltimore. Uh -- the proposed awardee will be tasked to managing millions of dollars to the City -- on behalf of the City -- priced at a cost that clearly will not provide them with an incentive to do so on a consistent basis during the three term of this contract. Uh -- If you look at the requirem -- requirements of the price uh -- it's a bit vague and therefore it -- it does not clearly uh -- uh -- state uh -- if the entire award of the bid was going to be more than one dollar or was it an individual uh -- parking facility. Uh -- if you look at the requirement of the -- of the bid you will see also that they are -- they have provided -- although it was provided three different uh -- uh -- budgets uh -- for these facilities. Meaning that they were being treated as individual locations. According to the information or the bid from SP Plus uh -- they provided, I believe it was almost uh -- I think it was 33 cents, per garage, per month for three years. And therefore our protest is also based on uh -- that they did not comply uh -- because they obviously bidded or their bid was based on less than one dollar per facility. Thank you."
President: “Ms. Sher, um -- just for -- clarifying the question. One is this a time-sensitive issue.”

City Purchasing Agent: “I believe it is time sensitive um -- I can let Mr. Little speak to that. However this will reflect a considerable savings for the City to award it now and additionally, there are no open issues that I am aware of that we would need to consider. But I will let Mr. Little speak.”

President: “Mr. Little, tell us why this is a time-sensitive issue.”

Peter Little, Parking Authority: “Uh -- the contract on two of the garages actually ends at the end of this month uh -- we were going to extend for another month uh -- those two facilities uh -- in order to award this contract. So, yes it is.”

President: “Thank you. Board members hearing the information and hearing that the contractors isn’t up until the end of the month I would like to make a motion to defer this one, one week.”

City Solicitor: I second the motion.”

President: “All in favor say aye. Those opposed nay. We’re going to defer this item for one week. Thank you.”

RECOMMENDATIONS FOR CONTRACT AWARDS/REJECTIONS

Bureau of Procurement

3. B50005619, City of Baltimore “City” and Housing Authority of Baltimore City “HABC” Disparity Study

REJECTION: The technical evaluation criteria was not clear and concise. The solicitation stated that the technical criteria had a numerical value of 1000 points. However, it did not allocate points to each category to clarify importance of each section. This information is necessary to proposers as it identifies the importance of each category by the amount of points allotted per section. Therefore, the Board is requested to reject all proposals to allow an opportunity for the Department to rewrite an improved solicitation that may enhance competition and also clarify the weight of the technical evaluation categories to the vendors.
ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize execution of the Land Disposition Agreement with 417 N. Howard Properties, LLC, (Developer) for the property located at 417 N. Howard Street.

AMOUNT OF MONEY AND SOURCE:

$1.00 to be paid in cash at settlement.

BACKGROUND/EXPLANATION:

On June 28, 2017, the City entered a Land Disposition Agreement with Current Forever Space LLC for the properties located at 417 and 419-421 N. Howard Street (the “Current Gallery Project”). After completing due diligence on 417 N. Howard Street, it was determined that the cost of improvements was higher than anticipated. The current Gallery Project is being amended to remove 417 N. Howard Street from the project scope.

On October 4, 2017, the City entered a separate Land Disposition Agreement with Howard Row LLC for the development of a mixed-use project at 407-415 N. Howard Street (the “Howard Row Project”). The development will include 39 market-rate apartments and five retail storefronts. Development of this project has proceeded in accordance with the LDA, and the project is expected to open beginning in June 2019. With the abandonment of 417 N. Howard Street as part of the Current Gallery Project, the Developer expressed a willingness to add the property to the Howard Row Project, expanding the retail and residential square footage of the Project.

STATEMENT OF PURPOSE AND RATIONALE FOR SALE BELOW THE PRICE DETERMINED BY THE APPRAISAL:

The property was valued pursuant to the Appraisal Policy of Baltimore City through an appraisal. The appraisal was conducted by Valbridge Property Advisors on April 12, 2016, and estimated
an As-Is market value for 417 N. Howard Street of $44,300.00. The purchase price for the property $1.00. The property is being sold to the Developer below the appraised value for the following reasons:

- The initial appraisal assumes a stabilization cost of $230,700.00 to bring the property to shell condition. The Housing Authority of Baltimore City’s Office of Construction Services assumes that it will cost at least $1,300,000.00 to bring the property into stable shell condition;
- The project has an economic benefit that will return the property to the tax rolls and add multiple new businesses, residents, and jobs to the neighborhood.

The Board is requested to waive its twelve-month appraisal requirement, and to consider the purchase price of this property as equal to appraised value.

**MBE/WBE PARTICIPATION:**

The Developer has signed a commitment to comply.

**UPON MOTION** duly made and seconded, the Board approved and authorized execution of the Land Disposition Agreement with 417 N. Howard Properties, LLC, for the property located at 417 N. Howard Street.
ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize execution of First Amendment to Land Disposition Agreement with Current Forever Space LLC, for the Sale of the City-owned property located at 417 and 419-421 N. Howard Street.

AMOUNT OF MONEY AND SOURCE:

$50,000.00 - Purchase Price

BACKGROUND/EXPLANATION:

On June 28, 2017, the City entered a Land Disposition Agreement with the Developer for the properties located at 417 and 419-421 N. Howard Street. The Developer currently rents the space at 419-421 N. Howard Street from the City for use as a Gallery and Studio space. Per the terms of the original LDA, the Developer would undertake improvements to the 419-421 N. Howard Street property, while also expanding their activities by developing a ground level beer garden and live entertainment space at 417 N. Howard Street. As the Developer conducted their due diligence on 417 N. Howard Street it was discovered that the projected cost to stabilize and improve the existing structure was far higher than originally estimated. Therefore, the Developer and the City have agreed to scale down the project and remove 417 N. Howard Street from the project scope, retaining only the 419-421 N. Howard Street component. The Developer will still implement stabilization and facility improvements at 419-421 N. Howard Street.

MBE/WBE PARTICIPATION:

The Developer has signed a commitment to comply.

48. SC B&B #2 Ltd 2123 Boyd Street L/H $1,433.00

Funds will be transferred prior to condemnation into account no. 9904-912058-9127-900000-704040, Boyd-Booth Project.

On January 23, 2019, the Board approved the acquisition of the $4,933.00 leasehold interest, by condemnation, in the property located at 2123 Boyd Street. Unfortunately, an error was made during the inspection and the wrong property was appraised. Therefore, the Board is requested to rescind the prior condemnation approval and approve the option agreement for 2123 Boyd Street in the amount of $1,433.00.

49. Alice Hill Hines 2792½ Tivoly Avenue G/R $ 825.00 $90.00

Funds are available in account 9910-904326-9588-900000-704040, CHM Project.

On November 3, 2010, the Board approved the acquisition of the $90.00 ground rent interest, by condemnation, in the property located at 2792½ Tivoly Avenue for the amount of $825.00. Since the original Board approval, the owner has agreed to the sale price and would like to proceed with a voluntary settlement. Therefore, the Board is requested to rescind the prior condemnation approval and approve the option agreement for 2792½ Tivoly Avenue in the amount of $825.00.

On January 9, 2019, the Board approved the acquisition of the $24,000.00 fee simple interest, by condemnation, in the property located at 900 N. Gilmor Street. Since the original Board approval, the owners have agreed to accept the offer price plus an additional 10% and would like to proceed with a voluntary settlement. Therefore, the Board is requested to rescind the prior condemnation approval and approve the option agreement for 900 N. Gilmor Street in the amount of $26,400.00.

In the event that the option agreement/s fail/s and settlement cannot be achieved, the Department requests the Board’s approval to purchase the interest in the above property/ies by condemnation proceedings for an amount equal to or lesser than the option amount/s.

UPON MOTION duly made and seconded, the Board approved and authorized the above-listed Options, Condemnations, Condemnations or Redemptions, Condemnation or Extinguishments, and Rescission of Condemnation/Approval of Option.
Department of Housing and Community Development (DHCD)

ACTION REQUESTED OF B/E:

The Board is requested to approve the acquisition of the fee simple interest in the property located at 2111 Christian Street, Block 0697, Lot 043 by gift from Brij and Usha Sharma Owners, SUBJECT to municipal liens, interest, and penalties, other than water bills.

AMOUNT OF MONEY AND SOURCE:

The Owners agree to pay for any title work and all associated settlement costs, not to exceed $600.00 total. Therefore, no City funds will be expended.

BACKGROUND/EXPLANATION:

The DHCD, Land Resources Division strategically acquires and manages vacant or abandoned properties, which enables these properties to be returned to productive use and improve neighborhoods in Baltimore City.

The Owners have offered to donate to the City, title to the property at 2111 Christian Street. With the Board’s approval, the City will receive clear and marketable title to the properties, subject only to certain City liens. The City’s acceptance of this donation is less costly than acquiring the property by tax sale foreclosure or eminent domain.

The Owner will pay all current water bills up through the date of settlement. The DHCD will acquire the properties subject to all municipal liens, and all interest and penalties that may accrue prior to recording a deed. The water bills must be paid as part of the transaction. ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize execution to dispose of Mayor and City Council owned property located at 4826, 4830, 4834 Pimlico Road through the conventional market using a standard sales contract after establishing a mutually agree upon sales price.

AMOUNT OF MONEY AND SOURCE:

N/A

BACKGROUND/EXPLANATION:

DHCD on behalf of the Mayor and City Council of Baltimore City has piloted an initiative on the 4800 block of Pimlico where it completed a full renovation of three buildings in support of the new 21st century school across the street, Pimlico Elementary and Middle School. With the renovations complete, the Department is requesting to participate in the private market by being given the authority to negotiate and execute sales contracts presented by prospective purchasers of 4826, 4830 and 4834 Pimlico Road. This authority will enable us to close in a timely fashion.

The purchase price of the property will be the fair market value as determined by what the buyer’s lender has committed to lend based on the lender’s independent appraisal.

The sales price for the properties will be financed through private sources.

MBE/WBE PARTICIPATION:

N/A

UPON MOTION duly made and seconded, the Board DEFERRED the Land Management for one week.
Department of Housing and Community Development (DHCD)

ACTION REQUESTED OF B/E:

The Board is requested to approve the Amendment to HOME Loan to 1234 McElderry LLC; the amendment will (i) as explained below, reduce the number of HOME assisted units for the project, and (ii) make a minor correction to the terms of one of the subordinate loans.

The Board is also requested to authorize the Commissioner of the Department of Housing and Community Development to execute any and all legal documents to effectuate this transaction subject to review for form and legal sufficiency by the Department of Law.

AMOUNT OF FUNDS AND SOURCE:

No additional funds are required.

BACKGROUND/EXPLANATION:

Mission First Housing Development Corporation (“MFHDC”), in conjunction with The Henson Development Company, Inc. (“THDC”), is expecting to construct a four-story mixed-use building containing 104 units and first floor retail (collectively, “1234 McElderry Apartments”) on the site of the former public housing development known as “Somerset Homes”), which is currently vacant and owned by the Housing Authority of Baltimore City (“HABC”).

On April 17, 2019 (copy attached) (the “April 17, 2019 Approval”), the Board approved a HOME loan in an amount not to exceed $1,500,000.00 (the “HOME Loan”) to 1234 McElderry LLC, a joint venture consisting of MFHDC and THDC. As previously approved, the proceeds of the HOME Loan were intended to be used to support a portion of the new construction of eighty-four (84) rental units (the “Original Affordable Units”), within a larger development consisting of one hundred and four (104) mixed-income, rental units and retail space on the first floor, and with respect to the Original Affordable Units, fifty (50) units were to be at or below 30% area median income, adjusted for family size (“AMI”) and the remaining thirty-four (34) units were to be at or below 80% AMI.
DHCD – cont’d

While conducting due diligence for the HOME Loan closing, it was discovered that while the HOME program does allow tenants to be at 80% or below AMI, the maximum rents allowed by the HOME program are insufficient to support these 80% AMI units. Therefore, in order to make the cash flows work, the developer has requested, and DHCD has agreed, to reduce total number of HOME units from 84 units to 73 units (the “New Affordable Units”). The per unit HOME subsidy has now increased from $17,857.00 per unit to $20,547.00 per unit, which still remains within range of the Department’s internal subsidy cap of $30,000.00 per unit.

The revised income-targeting breakdown of the New Affordable Units is as follows:

<table>
<thead>
<tr>
<th>AMI Levels</th>
<th>Units</th>
</tr>
</thead>
<tbody>
<tr>
<td>60% AMI Units (High Home)</td>
<td>23</td>
</tr>
<tr>
<td>50% AMI Units</td>
<td>50</td>
</tr>
<tr>
<td><strong>Total:</strong></td>
<td><strong>73</strong></td>
</tr>
</tbody>
</table>

With respect to the 31 units of the development that are not HOME units, 20 will remain market-rate while the other 11 units will be restricted to households earning 80% or less AMI.

In addition to this change, one of the subordinate loans described in the April 17, 2019 Approval, was a loan of $400,000.00 from MFHDC. This loan was described as unsecured but after underwriting, MFHDC has requested that this loan be secured by a deed of trust. This change will not have any material effect on the City’s position, as it is deeply subordinate to the HOME Loan.

All other terms and conditions of the Board’s April 17, 2019, remain in effect.

**THE DIRECTOR OF FINANCE HAS REVIEWED AND RECOMMENDED APPROVAL.**

$100,000.00 - 2028-000000-4803-776800-600005

BACKGROUND/EXPLANATION:

The transfer of funds will be used to assist with various expenses for the African American Festival (AFRAM) which will be held in Druid Hill Park on August 10 – 11, 2019.

The transfer of funds to the Baltimore City Foundation will be used to support the costs for services, equipment rentals, talent booking, and other expenses related to hosting the AFRAM festival for 2019.

The Department is requesting permission to allow the transferred funds to be deposited directly in the Baltimore City Foundation’s account and draw down as needed.

APPROVED FOR FUNDS BY FINANCE

UPON MOTION duly made and seconded, the Board approved the transfer of funds to the Baltimore City Foundation.
Department of Law - Settlement Agreement and Release

**ACTION REQUESTED OF B/E:**

The Board is requested to approve and authorize execution of the Settlement Agreement and Release of a lawsuit with Ms. Sheila Wiley v. the Mayor and City Council, arising out of a personal injury accident that occurred at 1376 Pentwood Road, Baltimore, Maryland on or about May 5, 2015.

**AMOUNT OF MONEY AND SOURCE:**

$85,000.00 - 2071-000000-5531-398600-603070

**BACKGROUND/EXPLANATION:**

The Plaintiff, Sheila Wiley alleges that on or about May 5, 2015, she stepped on a water meter cover which flipped and caused her serious injuries, including a broken right tibia. She was 58 years old at the time and contends that she has permanent injuries.

Based on a review by the Settlement Committee of the Law Department of the legal and factual issues specific to this case, the Law Department recommends that the Board approve the settlement in the amount of $85,000.00.

**APPROVED FOR FUNDS BY FINANCE**

UPON MOTION duly made and seconded, the Board approved and authorized execution of the Settlement Agreement and Release of the lawsuit with Ms. Sheila Wiley v. the Mayor and City Council, arising out of a personal injury accident that occurred at 1376 Pentwood Road, Baltimore, Maryland on or about May 5, 2015.
Department of Finance – Targeted Homeowners Tax Credit Fiscal Year 2020

ACTION REQUESTED OF B/E:

The Board is requested to authorize the Department to set up the Fiscal Year 2020 Targeted Homeowners Tax Credit rate at $2.048 per $100.00 of improved assessed value pursuant to Article 28 § 10-16 of the Baltimore City Code. The Targeted Homeowners Tax Credit is limited to the City tax liability, excluding Special Benefit districts.

AMOUNT OF MONEY AND SOURCE:

The Targeted Homeowners Tax Credit will result in a reduction of an estimated $35,885,725.00 from the City’s property tax collection.

BACKGROUND/EXPLANATION:

The Targeted Homeowners Tax Credit is available to all owner occupied homes in Baltimore City that qualify for the Homestead Exemption under the Property Tax Article §9-105 of the State Code. The tax credit is calculated by multiplying the Targeted Homeowners Tax Credit rate by the eligible property’s improved assessment. The credit when taken singularly or with other credits will be limited to the City tax liability and will not cause a refund to any tax paper.

UPON MOTION duly made and seconded, the Board authorized the Department to set up the Fiscal Year 2020 Targeted Homeowners Tax Credit rate at $2.048 per $100.00 of improved assessed value pursuant to Article 28 § 10-16 of the Baltimore City Code.

ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize execution of a Group Sales Agreement with OTO Development LLC dba Hampton Inn & Suites Baltimore Inner Harbor for the Fire Captain and Fire Lieutenant Oral Promotional Examinations. The period of the Group Sales Agreement is June 02, 2019 through June 08, 2019.

AMOUNT OF MONEY AND SOURCE:

$72,604.81 - 1001-000000-1603-172500-603206

BACKGROUND/EXPLANATION:

The Fire Captain and Fire Lieutenant examinations are presently scheduled to occur once every two years. The examinations include written and oral components and are scheduled to take place June 1, and June 3, through June 7 respectively. Thirty-eight rooms will be necessary to administer the exam.

Twenty-six rooms will be rented for overnight accommodations for the Twenty-four examiners and two assessment administrators.

Twelve rooms will be rented for administration of the examinations. The rooms will be utilized as candidate interview preparation rooms, for candidates to prepare responses to interview questions and to conduct panel interviews. The number of candidates who will be scheduled for the oral component of the examinations will not be available until after the candidates report for the multiple choice examinations on June 1, 2019. The multiple choice examinations will be administered at the Frank J. Trenner Baltimore Fire Training Academy. To ensure adequate accommodations are available, rooms must be secured well in advance.

Mayor’s Office of Criminal Justice – Agreement

**ACTION REQUESTED OF B/E:**

The Board is requested to approve and authorize execution of the Agreement with Bon Secours of Maryland Foundation, Inc. (Bon Secours) for the Safe Street Site Implementation. The Agreement will be effective upon Board approval and will terminate on June 30, 2019.

**AMOUNT OF MONEY AND SOURCE:**

$118,800.00 – 5000-511019-2255-702300-603051

**BACKGROUND/EXPLANATION:**

On December 12, 2018, the Board approved and authorized acceptance of a grant award from the Governor’s Office of Crime Control and Prevention (GOCCP) to fund one year of the Safe Streets Baltimore program expansion from four communities to ten. The expansion into six new communities will require training of all new and existing personnel at all the sites to ensure conformity with the Cure Violence model on which Safe Streets is based. As such, it is the only training and technical assistance provider available.

The funds will support travel, lodging, salaries, and training materials for Cure Violence staff to facilitate the training and provide support to Safe Streets site as they implement the model. The model focuses on eradicating violence by: 1) identifying and detecting potential shooting events, 2) identifying and detecting individuals and groups at highest risk of involvement of shootings or killing, 3) interrupting potential violence by mediating conflicts and preventing retaliation, 4) changing behaviors and norms of those at highest risk of involvement of shooting or killing, and 5) using data to inform daily efforts and make necessary changes to interruption strategies.

The agreement is late because of the administrative process.

ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize execution of the Agreement with Sinai Hospital of Baltimore, Inc. for the Safe Streets Site Implementation. The agreement will be effective upon Board approval and will terminate on June 30, 2019.

AMOUNT OF MONEY AND SOURCE:

$129,837.00 - 5000-511019-2255-702300-603051

BACKGROUND/EXPLANATION:

On December 12, 2018, the Board approved and authorized acceptance of a grant award from the Governor’s Office of Crime Control and Prevention (GOCCP) to fund one year of the Safe Streets Baltimore program expansion from four communities to ten. Sinai Hospital of Baltimore, Inc. (Sinai) was selected as a vendor to operate one of the six new expansion areas in the Park Heights Community.

Since the initial award, Sinai has been actively establishing the Safe Streets Baltimore office in Park Heights. The funds will support hiring seven personnel to eradicate violence by implementing the Cure Violence model. All staff, equipment, supplies, furniture, etc. required to establish the site has been identified and awaits approval of this contract.

The General Assembly passed a bill in 2018 to provide Baltimore City with state funding to support the Safe Streets Program implementation. Through the Governor’s Office of Crime Control and Prevention MOCJ will receive $3.6 million on July 1, 2019 for the six additional staff streets sites. Approval of this Agreement will allow Sinai to hire and train staff, secure community space, and begin the process of implementing the model.

The agreement is late because of the vendor’s administrative process.

This request is late because the Board of Liquor License Commissioners did not have the hotel information until after the event occurred.

The Board approved the above-listed Travel Request and Retroactive Travel Reimbursements. The President ABSTAINED on item no. 1.
President: “Before we end I want to give a special and great and hearty thanks to the staff at the Comptroller’s Office who spent the weekend uh -- typing on typewriters the agendas for the Board of Estimates. So, I just think that we have to appreciate them from their work (applause) in the City's efforts of turning back the clock.
