Board of Estimates
Attn: Clerk
City Hall, Room 204
100 N. Holliday Street,
Baltimore, Maryland 21202

Dear Ms. Taylor:

Herein is my written protest on behalf of the underserved and disparately treated citizens of the Baltimore City who appear to be victims of a lack of vision, poor fiscal planning and management and failure to capitalize on strategic investment opportunities in our youth by the Mayor of Baltimore City and the various Departments and Agencies.

The following details are provided to initiate this action as required by the Board of Estimates:
1. **Whom you represent**: Self
2. **What the issues are**:
   a. Page 41, Mayor’s Office of Human Services (MOHS) – Agreements and Amendment to Agreement, if approved:
      i. This agreement states: “HealthCare Access Maryland, Inc. will use the funds to provide outreach for the homeless. The organization will serve 100 homeless persons living on the streets.”
      ii. This action appears to lack specific guidance outlining the required level of outreach to be performed nor does it provide the type of services to be performed,
3. **How the protestant will be harmed by the proposed Board of Estimates’ action**:
   MOHS continues to demonstrate an inability to administer the City’s Homeless Services Program towards ending homelessness in Baltimore City. Based on the BAD outcomes that continue to be produced by this office this action should NOT be approved. The critical need being filled by this funding demands the utmost scrutiny by this board. Proper administration of these funds allocated to organizations that successfully meet the critical service need to achieve the “Housing First” objective to end homelessness is necessary and strict internal management controls must be in place within the MOHS. MOHS has NOT demonstrated proper stewardship of scarce funds and has continued its flawed financial management practices that circumvent more fiscally sound procedures.
4. **The remedy I seek and respectfully request is**: This action be placed on the “Non-Routine” agenda and that the MOHS is requested to make an oral presentation, for public awareness, of its funding allocation formula for providing funds to homeless providers who deliver “housing assistance and support services”.

I look forward to the opportunity to address this matter in person at your upcoming meeting of the Board of Estimates on July 29, 2015.

Therefore, The Department of Human Resources respectfully requests the Board’s approval of the above-listed class and position actions. Department of Housing and Development: Request for an Extension to Submit Community Development Progress Report on the Audit Findings on the Low Income Home Energy Assistance Program

The Board is requested to grant a 60-day extension for the FY 13 Low Income Home Energy Assistance Program (LIHEAP) Audit - Progress Report that is due on July 29, 2015. The DHCD requests that the report due date be extended to the Board of Estimates’ meeting on September 30, 2015.

The DHCD is currently working with the Mayor’s Office of Human Services and the Department of Audits on various strategies and procedures, which address the progress to resolve the outstanding audit findings.

Because of the extensive research involved in this project, the DHCD is requesting that the Board grant an extension of 60-days for the DHCD report on resolution of the Audit Findings for the FY 13 LIHEAP Audit.

UPON MOTION duly made and seconded, the Board granted a 60-day extension for the FY 13 Low Income Home Energy Assistance Program (LIHEAP) Audit - Progress Report that is due on July 29, 2015. The Board also extended the report due date to the Board of Estimates’ meeting on September 30, 2015.

$3,000.00 – Purchase Price

BACKGROUND/EXPLANATION:

The Developer will rehabilitate the vacant property. Once rehabilitated, the property will be sold to a homeowner. The Developer plans to invest a total of $57,000.00 in rehabilitation costs for this project. The project will be privately financed.

The City may dispose of the property by virtue of Article II, Section 15 of the Baltimore City Charter (2010 Edition) and Article 13, 2-7 (h) (2)(ii) (c) of the City Code.

The property was priced pursuant to the Appraisal Policy of Baltimore City at $7,500.00 by using the Waiver Valuation Process. The property will be sold for $3,000.00.

The property will be sold below the price determined by the Waiver Valuation because of the following reasons:

1. the sale and rehabilitation will help to promote a specific benefit to the immediate community,
2. the sale and rehabilitation will continue the elimination of blight, and

3. the sale and rehabilitation will promote economic development through the placement of the subject properties on the City’s tax rolls.

Pursuant to the provisions under the Baltimore City Code, Article 13 § 2-(h) (2) (ii)(c), all terms and conditions of the agreement were approved.

**MBE/WBE PARTICIPATION:**

The Developer will purchase this property for a price that is less than $50,000.00 and will receive no funds or incentives for the purchase or rehabilitation; therefore, MBE/WBE is not applicable.

Dear Madam Clerk:

We represent MyOfficeProducts, Inc. (“MyOfficeProducts”) a bidder in connection with the above-referenced solicitation (the “RFP”). On behalf of MyOfficeProducts, we protest the proposed action by the Board of Estimates to award a contract to Rudolph’s Office Supply, Inc. (“Rudolph’s”) on grounds that the procurement office: (1) deviated from the RFP evaluation and award basis in selecting Rudolph’s for a contract award, (2) improperly evaluated Rudolph’s bid submission as responsive, (3) improperly found Rudolph’s to be a responsible bidder and (4) improperly eliminated MyOfficeProducts’ bid from this procurement. We ask the Board to consider the following key points prior to voting on this matter.
This procurement is subject to the competitive bidding requirements under Article IV, § 11 of the Baltimore City Charter. Pursuant to Baltimore City Charter Article IV, § 11(g)(1)(ii), the Board of Estimates is required to award this contract to “the lowest responsive and responsible bidder” responding to the RFP. The RFP provides that proposals are to be evaluated on the basis of certain required technical and price information.

The City sought competitive bids from interested vendors and received responses from a number of bidders. Of those bidders, MyOfficeProducts proposed the lowest overall price. Notwithstanding the fact that MyOfficeProducts was the lowest responsive and responsible bidder, the City notified MyOfficeProducts on July 24, 2015 that Rudolph’s was the presumptive contract awardee. As discussed in more detail below, the City failed to adhere to the RFP evaluation and award requirements in selecting Rudolph’s as the contract awardee. Had the City followed the RFP requirements, MyOfficeProducts should have been the successful bidder, and Rudolph’s should have been eliminated from the competition as a result of material omissions and/or misstatements in its proposal documents. Moreover, the City’s decision to eliminate MyOfficeProducts from this procurement was improper and unsupported by the procurement record.

I. MyOfficeProducts Was the Lowest Priced, Responsive and Responsible Bidder

The RFP provides that bids are to be evaluated based on the Total Bid Price proposed by each bidder. The Total Bid Price is the sum of the extended prices for each line item in the RFP. Each line item contains a single product and establishes the number of units the City may purchase of that product. Bidders were required to provide per unit pricing within each line item, multiply the per unit price for each by the number of required units for each and display the total price for each contract line item.

Rudolph’s pricing worksheet reflects a Total Bid Price of $891,943.63. MyOfficeProducts submitted a Total Bid Price of $842,477.13, which is lower than Rudolph’s bid by approximately five point five percent (5.5%).

The City estimates the contract value for this procurement to be $1.2M per year. Over the six (6) year contract term, Rudolph’s will cost the City an estimated $296K more than MyOfficeProducts for the same products.

Simply put, the City failed to follow the RFP requirements, which contemplated award to the lowest-priced, responsive and responsible bidder. MyOfficeProducts proposed the lowest Total Bid Price and therefore is the lowest bidder. The City has not informed MyOfficeProducts that it was eliminated from the procurement, and has given MYOP no other explanation for its nonselection as the contract awardee. The City has no legitimate basis to award the contract to Rudolph’s; accordingly, MyOfficeProducts’ protest should be sustained.

II. Rudolph’s Proposal Should Have Been Eliminated As Nonresponsive
A “responsive bid” is a bid submitted in response to a solicitation that conforms in all material respects to the requirements contained in the solicitation. For the reasons discussed in more detail below, Rudolph’s, not MyOfficeProducts, should have been eliminated from the competition, because its bid package did not include key information expressly required by the RFP and therefore should have been deemed nonresponsive to the RFP requirements.

A. Rudolph’s Bid Does Not Meet the Insurance Requirements for this Procurement

RFP Section SW14, page B11, SW14 imposes an insurance requirement on bidders to maintain $3M in aggregate insurance coverage in order to comply with contract requirements. On RFP page B-41, bidders are required to complete a form that indicates the level of their current insurance coverage, and whether they will commit to increasing their coverage limits to meet the $3M contract requirement. On page B-41 of the Rudolph’s bid, Rudolph’s states that it only has a $1M insurance policy in effect, but does not indicate that it will increase its insurance coverage to the $3M required amount if it receives a contract award.

The City should have noted that on its face, Rudolph’s bid fails to meet the RFP insurance requirements and should have rejected the bid as non-responsive to the RFP.

B. Rudolph’s Did Not Certify Its Compliance With the RFP “Employ Baltimore” Requirements

Pursuant to RFP page B-25, Bid Checklist, item "d," bidders were required to sign and include with their bid a completed form for "Employ Baltimore," a public policy commitment on the part of the contractor that it will take steps to employ citizens of Baltimore in the performance of the contract requirements. Rudolph’s did not include this form in their bid package. The City should have eliminated Rudolph’s bid as nonresponsive on that basis.

C. Rudolph’s Bid Fails to Meet the MBE Requirements for this Procurement

Bidders for Baltimore City contracts are required to submit a Part B: MBE/WBE Participation Disclosure Form and a Part C: MBE/WBE and Prime Contractor's Statement of Intent Form. These two forms require a bidder to identify, among other things, each certified MBE/WBE to which it intends to award a subcontract, the dollar amount of the respective subcontracts, the percentage of the total contract amount that each subcontract represents, and the work/services to be performed or the materials/supplies to be furnished pursuant to each subcontract.

Rudolph’s proposal identifies Sue-Ann’s Office Supply (Sue-Ann’s) as an MBE from whom it would "purchase office supplies and toner” and obtain delivery services" to meet the

1 See RFP Section SW4(A).
RFP MBE participation requirement. However, Rudolph’s bid does not include a certification form for Sue-Ann’s as required by the RFP at pages B41-43 and further omits any substantive information about Sue-Ann’s. Rudolph’s bid does not describe what delivery services Sue-Ann’s will provide; instead, Rudolph’s bid describes its own delivery fleet. Toner is a blocked item on this bid (See RFP at B-19, D53, G), so this item could not be provided by Sue Ann’s either. Given the absence of even the most basic vendor information for Rudolph’s MBE, and the inconsistencies and omissions regarding what services and supplies, if any, Rudolph’s would procure from it MBE, the City should have raised concerns about whether Rudolph’s ever intended to meet the MBE requirements stated in the RFP. Had the procurement office properly taken these serious deficiencies in Rudolph’s bid submission into account, the City should have rejected Rudolph’s bid as non-responsive.

III. The City Should Have Rejected Rudolph’s as a Nonresponsible Bidder

Rudolph’s has made what appear to be a number of materially inaccurate statements in its bid which should have resulted in its elimination from consideration in this procurement.

A. Rudolph’s Bid Contains Material Misstatements

In its bid cover letter, Rudolph’s states that the company currently works with “PG County Government” and First Mariner Bank. Elsewhere in its bid, Rudolph’s states that it does high volume sales with Prince George’s County Government and First Mariner Bank. On information and belief, Rudolph’s does not hold contracts with either Prince George’s County Government or First Mariner Bank. Prince George’s County decertified Rudolph’s as an MBE prior to the deadline for submission of bids in this procurement and immediately thereafter canceled or terminated all of its contracts with Rudolph’s. At the time Rudolph’s submitted its bid here, the company was aware that it no longer held any of its contracts with Prince George’s County Government. Accordingly, Rudolph’s knowingly misrepresented its current business relationship with Prince George’s County Government in its bid.

Rudolph’s further states in its bid that it has contracts in place with "WSSC, Montgomery College, Prince George's County" to provide desktop services. Contrary to Rudolph’s representations in its bid, Rudolph’s does not hold contracts with the foregoing entities.

False statements about its business operations or past performance should bear negatively on Rudolph’s integrity and arguably should result in a determination that the company is non-responsible.

---

1 Rudolph’s does include an MBE certification form for another MBE firm, RGH Enterprises. However, there is no mention of this firm in the Rudolph’s bid response.

2 Washington Suburban Sanitary Commission
IV. The City Appears to Have Improperly Eliminated MyOfficeProducts from this Procurement

Upon receipt of the City’s July 24, 2015 notice that it would recommend Rudolph’s for contract award, MyOfficeProducts attempted to contact the City procurement office to inquire why, as the lowest bidder, it had not been selected for award. The City refuses to provide any information regarding the disposition of MyOfficeProducts’ bid, except to state that the procurement office “turned over its findings to the City’s law department.” To date, the City has failed to provide any justification for its selection of Rudolph’s and its refusal to award a contract to MyOfficeProducts, the lowest bidder. To the extent that the City may take the position that it eliminated MyOfficeProducts or its bid as either nonresponsible or nonresponsive, there is no basis to support the City’s actions, and MyOfficeProducts’ protest should be sustained.

V. MyOfficeProducts Will Be Prejudiced By the Board of Estimates’ Proposed Action

As the lowest priced responsive and responsible bidder in this procurement, MyOfficeProducts should have been recommended for contract award. Should the Board of Estimates deny MyOfficeProducts’ protest and vote to confirm the award to Rudolph’s, MyOfficeProducts will have been unfairly and unlawfully deprived of this contract opportunity. Based on the foregoing, MyOfficeProducts can easily show that it will be harmed by the Board of Estimates’ proposed action in connection with this procurement.

MyOfficeProducts’ proposal represents the lowest price and best technical response to the RFP. It is in the best interest of the citizens of Baltimore to award this contract to MyOfficeProducts. Based on the foregoing, we request that the Board of Estimates vote accordingly to award the contract to MyOfficeProducts.

We look forward to the opportunity to address this matter in person at the meeting of the Board of Estimates on July 29, 2015.

Sincerely,

Thurman W. Zomicofer, Jr.

Health Department - Deed in Lieu of Foreclosure

**ACTION REQUEST OF B/E:**

The Board is requested to approve and authorize execution of a Deed in Lieu of Foreclosure from the surviving director of the Harford Center for Senior Citizens, Inc. (Harford).

**AMOUNT OF MONEY AND SOURCE:**

N/A

**BACKGROUND/EXPLANATION:**

Under the terms of the Deed in Lieu of Foreclosure, the City accepts fee simple title to the property located at 4920 Harford Road, in lieu of payment of outstanding debt, in order to allow the property to continue to operate as a Senior Citizens Center in the Harford Road corridor.

In October 1984, the City provided a Purchase Money Mortgage to Harford in the amount of $115,000.00 (the Loan) for a ten-year term. The Loan was modified to extend the term in 1988 and again in 1996. The Loan was modified a third time in April 2000. After the Board of Directors was reorganized, repairs were made to the building after paying off other debt to the State and federal government. The Volunteers of American Chesapeake, Inc., pursuant to a lease from Harford operated the Senior Citizens Center from approximately April 2000 to June 30, 2012.

Since then, Govans Ecumenical Development Corporation (GEDCO) has operated the facility with some grant assistance from the City, but without benefit of a lease or any money to make improvements to the property.

Harford went out of business and lost its Charter sometime around 2004. Under Maryland corporate law, a surviving director of the defunct corporation is authorized to take actions to wind up the affairs of the corporation. In this case, a Deed in Lieu of Foreclosure is submitted, whereby the surviving Director of the corporation has deeded fee simple interest to the City in exchange for the forgiveness of the outstanding Loan in the principal amount of $89,259.00.

The City, through funding provided by the Department of General Services in the amount of $100,000.00, intends to make certain repairs needed immediately to the center once it has title.

The Division of Aging and CARE Services is making application to the Maryland Department of Aging for Fiscal Year 2017 funding, in the amount of $800,000.00, to make extensive capital improvements to the building. In order to secure that funding and to use the value of the building as matching funds, the City must control the site which the Deed in Lieu of Foreclosure allows the City to do. GEDCO has indicated to the City that it can only continue to operate the Senior Citizens Center if the City can take ownership of the property.

**MBE/WBE PARTICIPATION:**

N/A

UPON MOTION duly made and seconded, the Board approved and authorized execution of the Deed in Lieu of Foreclosure from the surviving director of the Harford Center for Senior Citizens, Inc.

Board of Estimates
Attn: Clerk
City Hall, Room 204
100 N. Holliday Street,
Baltimore, Maryland 21202

Dear Ms. Taylor:

Herein is my written protest on behalf of the underserved and disparately treated citizens of the Baltimore City who appear to be victims of questionable management and administration within the various boards, commissions, agencies and departments of the Baltimore City municipal government.

The following details are provided to initiate this action as required by the Board of Estimates:
   1. Whom you represent: Self
   2. What the issues are:
      a. Pages 1 - 92, City Council President and members of the Board of Estimates, BOE Agenda dated July 29, 2015, if acted upon:
         i. The proceedings of this board often renew business agreements without benefit of clear measures of effectiveness to validate the board’s decision to continue funding the provider of the city service being procured;
         ii. The Baltimore City School Board of Commissioners routinely requires submissions for board consideration to include details of the provider’s success in meeting the objectives and/or desired outcomes delineated in the previously awarded agreement;
         iii. The members of this board continue to fail to provide good stewardship of taxpayers’ funds as noted by the lack of concrete justification to substantiate approval of actions presented in each weekly agenda;
         iv. This board should immediately adjust the board’s policy to ensure submissions to the board include measures of effectiveness in each instance where taxpayer funds have already been expended for city services;
         v. In the interest of promoting greater transparency with the public this board should willingly begin to include in the weekly agenda more details which it discusses in closed sessions without benefit of public participation.
         vi. Lastly this board should explain to the public how, without violating the open meeting act, a consent agenda is published outlining the protocols for each week’s meeting prior to the board opening its public meeting.

3. How the protestant will be harmed by the proposed Board of Estimates’ action: As a citizen I have witnessed what appears to be a significant dearth in responsible and accountable leadership, management and cogent decision making within the various agencies and

departments of the Baltimore City municipal government which potentially cost myself and my fellow citizens excessive amounts of money in cost over-runs and wasteful spending.

4. Remedy I desire: The Board of Estimates should immediately direct each agency to include measures of effectiveness in any future submissions for the board’s consideration.

I look forward to the opportunity to address this matter in person at your upcoming meeting of the Board of Estimates on July 29, 2015.

If you have any questions regarding this request, please telephone me at (410) 205-5114.

Sincerely,
Kim Trueheart, Citizen & Resident
President: “There being no more business before the Board, the Board will recess until bid opening at 12 noon. Thank you.”

Opening for Bid No. B50004162 - Fire Line Inc.

Deputy Comptroller: “We have one uh -- bid that we need to call back from last week. On July 22, 2015, the Board had before it for opening B50004162, Ammunition for Police and Sheriff’s Department. We received a bid from a company by the name of Fire Line Inc., the bid was received timely on July 22nd, at 8:00 am. However, the label on the outside of the bid read B50004032, Provide Food Service for Eating Together in Baltimore Program. Because of the mislabeling of the bid, this bid was not opened last week. The bid that was uh -- the label was the one that was included in the bid materials by the City. I have excuse me -- received excuse me -- an email -- I have received an email from Fire Line Inc., in reference to B50004162 which states, ‘My name is Gregory J. Isabella, Sales Manager for Fire Line Inc. We currently are a vendor for the City of Baltimore, providing ammunition for the City. I submitted Bid B50004162, Ammunition for Police and Sheriff’s Departments last week, but the label provided by the City was for Bid B50004032.’
Opening for Bid No. B50004162 – Fire Line Inc.

I therefore make a MOTION that we uh -- open the bid of Fire Line Inc., today, as it was received timely."

Deputy Director of Public Works: “I make a Motion to Second.”

Deputy City Solicitor: “I MOVE that the uh -- Bid B50004162 for Fire Line Inc., be opened. All those in favor say AYE. All those opposed, NAY, it’s opened.”

Deputy Comptroller: “Again, I apologize. B50004162, which was recalled uh – Ammunition for Police and Sherriff’s Office does not require a bid bond. Fire Line, Inc., $7,881.00.”

Deputy City Solicitor: “Refer this bid, with the other bid, to the Bureau of Purchases for tabulation and report.”

Deputy Comptroller: “There being no further business, we are adjourned. Thank you.”
