President: “Good morning. The July 10, 2019 meeting of the Board of Estimates is now called to order. In the interest of promoting the order and efficiency of these hearings, persons who are disruptive to the hearing will be asked to leave the hearing room. Meetings of the Board of Estimates are open to the public for the duration of the meeting. The hearing room must be vacated at the conclusion of the meeting. Failure to comply may result in a charge of trespassing. I will direct the Board members attention to the Memorandum from my office dated July 08, 2019, identifying matters to be considered as routine agenda items together with any corrections and additions that have been noted by the Deputy Comptroller. I will entertain a Motion to approve all of the items contained on the routine agenda.”
City Solicitor: “I move approval, Mr. President.”

Comptroller: “Second.”

President: “All those in favor say AYE. All opposed, say NAY. The Motion carries. The routine agenda items have been adopted.”

$ 75,000.00 2076-000000-2321-254200-603026
   Snow Removal*

$305,880.00

*Snow Removal – this is an estimate – actual dollar amount required for snow removal will be determined by the amount of snowfall.

BACKGROUND/EXPLANATION:

The PABC was given the duties of management, maintenance, and control of the City’s parking lots through a Memorandum of Understanding approved on July 23, 2003 by the Board.

There are 23 parking lots that will be maintained by CMG under this agreement. The services that CMG will perform include emptying trash receptacles, power sweeping, trimming vegetation, and clearing snow and ice. The CMG will also clean the Farmer’s Market lot, prior to the market opening each Sunday from April through December.
PABC – cont’d

The PABC issued an RFP for the maintenance of the 23 parking facilities and received responses from two firms. The proposals were reviewed by a panel consisting of: John Genda, PABC, Assistant Manager of Off-Street Parking – Lots; Sam Hanson, Coordinator of the Farmer’s Market, Baltimore Office of Promotion and the Arts; and Johnny Williams, Baltimore Public Market Corporation.

The panel found that CMG’s proposal represented the best value to the PABC and recommended award of the contract to CMG. The PABC’s Board of Directors concurred with the recommendation and approved negotiation of a contract with CMG.

Department of Finance – Revised FY 2020 Targeted Homeowners Tax Credit

ACTION REQUESTED OF B/E:

The Board is requested to authorize a correction by the Department of Finance to set up the Fiscal 2020 Targeted Homeowners Tax Credit rate at $0.284 per $100 of improved assessed value pursuant to Article 28 § 10-16 of the Baltimore City Code. The Targeted Homeowners Tax Credit is limited to the City tax liability, excluding Special Benefit Districts.

AMOUNT OF MONEY AND SOURCE:

The Targeted Homeowners Tax Credit will result in a reduction of an estimated $35,855,725.00 from the City’s property tax collection.

BACKGROUND/EXPLANATION:

On May 29, 2019, the Board of Estimates approved the Fiscal 2020 Targeted Tax Credit rate at $2.048. The Department of Finance incorrectly specified this amount as the Targeted Homeowners Tax Credit rate on the memo submitted to the Board of Estimates on May 29, 2019, this amount represents the average effective rate for taxpayers who are eligible to receive the Credit.

The Targeted Homeowners Tax Credit is available to all owner-occupied homes in Baltimore City that qualify for the Homestead Exemption under the Property Tax Article §9-105 of the State Code. The Credit amount is calculated by multiplying the Targeted Homeowners Tax Credit rate by the eligible property’s improved assessment.
Dept. of Finance - cont’d

This correction presents no operational impact. The correct Targeted Homeowners Tax Credit rate has been communicated to Baltimore City Information Technology, which will move forward with uploading all rates into the billing system as planned. This will be accurately communicated to taxpayers when bills are mailed starting July 1, 2019.

**MBE/WBE PARTICIPATION:**

Department of Recreation and Parks – Donation Agreement

**ACTION REQUESTED OF B/E:**

The Board is requested to approve and authorize the execution of the Donation Agreement with the University of Maryland Medical Center, LLC (UMMC). The period of the Donation Agreement is effective upon Board approval will end upon final acceptance of the project by the City.

**AMOUNT OF MONEY AND SOURCE:**

No City funds will be used in association with this agreement.

**BACKGROUND/EXPLANATION:**

The UMMC is the academic flagship of the University of Maryland Medical System. Its mission is to provide health care services on its two campuses for the Baltimore community. The UMMC raised funds to renovate Harlem Park Community Center, which has been closed since 2011 and which will now be open for public recreational activities, health, and wellness programming in the community.

This project will cost $183,880.78 and will be performed by multiple contractors including Red Ink, Inc., Sherwin Williams, Carpet Works, Advanced Air Analysis, Fireline Corporation, Communications Electronics, Inc., Precision Plastics and Green Way Lighting, LLC., each with their own scope of work, insurance and budget.

The Transfer of Funds was approved, SUBJECT to the receipt of a favorable report from the Planning Commission, the Director of Finance having reported favorably thereon, in accordance with the provisions of the City Charter.
ACTION REQUESTED OF B/E:

The Board is requested to endorse a Governmental/Charitable Solicitation Application for submission to the Board of Ethics of Baltimore City to allow Mr. Zeke Cohen and staff to solicit donations for a Leadership for Educational Equity Public Policy Fellow for the First District City Council office. The period of the campaign is effective upon Board approval through June 27, 2020.

AMOUNT OF MONEY AND SOURCE:

No general funds are involved in this transaction.

BACKGROUND/EXPLANATION:

Donations will be solicited from Baltimore businesses, civic leaders, the foundation community, and the general population. A potential donor list will be comprised of individuals and corporate entities that contribute to the economic, social, and cultural vitality of Baltimore City. Most of the individual and corporate entities fitting that description are not controlled donors. However, those potential donors who are controlled donors, with respect to the City Council or the Board of Estimates, will not be targeted or singled out in any way and will be solicited, if at all, in the same manner as the other potential donors.

Leadership for Educational Equity’s mission is to end the injustice of educational inequity by inspiring and supporting a diverse set of leaders with classroom experience to engage civically and politically. Leadership for Educational Equity’s Public Policy Fellowship Program is a full-time program where a diverse group of exceptional Leadership for Educational Equity members work in policy roles for government entities and learn from policy and elected leaders.
Office of the City Council – cont’d

Mr. Cohen’s office provides a strategic and diverse platform for these talented individuals to work directly with local leaders in developing and advancing policy initiatives and fostering valuable relationships. This funding will explicitly fund one Public Policy Fellow for the First District City Council office. There is a need in the City Government to enlist such individuals into this office to promote a more equitable Baltimore.

Mr. Cohen chairs the Education and Youth Committee of the Baltimore City Council and serves on the Public Safety, Executive Appointments, and Housing and Urban Affairs Committees. Mr. Cohen’s office believes policy development should be guided by and carried out in partnership with the communities we serve. Since entering office, Mr. Cohen has sought to further increase the relevancy of the Education and Youth Committee by collaborating closely with youth and education advocates and using the committee as a platform for advocacy campaigns. Through these collaborations, students’ access to public transportation was protected from cuts and desperately needed funds were put into our public schools and after-school programs in the City’s 2017-18 budget.

A Public Policy Fellow would provide the office with greater capacity to research and propose local policy solutions that could increase youth access to yearlong employment, expand trauma-informed and restorative practices in all public facilities serving youth, and enhance protections for transgender students. The Fellow would be an essential resource for Mr. Cohen’s office to work and collaborate with various community stakeholders to expand opportunities for Baltimore’s youth.

Baltimore City Code Article 8, Section 6-26, prohibits solicitation or facilitating the solicitation of a gift. An exception was enacted in 2005 to permit certain solicitations that are for the benefit of an official governmental program or activity, or a City-endorsed charitable function or activity.

ACTION REQUESTED OF B/E:

The Board is requested to endorse a Governmental/Charitable Solicitation Application for submission to the Board of Ethics of Baltimore City for Mr. Kristerfer Burnett to solicit donations to benefit Local Progress. The campaign is effective upon Board approval through December 31, 2019.

AMOUNT OF MONEY AND SOURCE:

No general funds are involved in this transaction.

BACKGROUND/EXPLANATION:

Local Progress is a national network for progressive elected officials from cities and counties around the country, including over 900 members from 46 states. Hand-in-hand with community-based organizations and unions committed to advancing a social justice agenda, the elected officials and staff of Local Progress are building the network to facilitate a genuine “inside/outside” strategy to reforming municipal policy and politics.

Recently, Mr. Burnett was elected by his peers within Local Progress to serve on the National Executive Board. As part of his responsibilities, he will be required to fundraise on behalf of Local Progress, to support the organizations events. Founded in late 2012, and staffed out of the Center for Popular Democracy, Local Progress has built a powerful network of more than 900 local elected officials in 46 states who are committed to reclaiming the power that cities and counties have, and advancing their shared
vision of shared economic prosperity, equal justice under law, livable and sustainable communities and good government that serves the public interest. The network includes the progressive champion mayors of large cities like Newark, New Orleans, New York, Pittsburgh, and Philadelphia and the leading progressive councilmembers from cities as diverse as Austin, Baltimore, Dallas, Chicago, Denver, Miami, Nashville, Philadelphia, and San Diego.

The network also includes district attorneys, county commissioners, and elected officials representing small cities, rural towns, and school districts. Local Progress has three goals: 1) To replicate the best policy and governance practices across cities. This is done by sharing innovative ideas throughout the network, helping legislators and advocates tailor them to their legal and political environment, and together, designing strategies to win policy reforms. 2) To engage in strategic leadership development of elected officials. We work to build the substantive skill sets, strategic vision, and coalitions and networks needed to empower members to advance a progressive municipal agenda in their cities. We support their growth as they govern successfully and advance in their careers to higher levels of elected office. 3) To connect elected officials across cities to work collectively to impact state and federal policy. By coordinating campaigns trans-locally, we can influence state and federal policy and build a national movement of elected officials working in deep collaboration with progressive movement organizations.

Use of funds will include, but not be limited to payment for items related to program and event planning costs, trainings, conferences, supplies, printing, marketing materials, equipment and any other items related to the planning and implementation of the events and activities.

Department of Public Works – Modification No. 2 to Department of Natural Resources Chesapeake and Coastal Service Memorandum of Understanding

**ACTION REQUESTED OF B/E:**

The Board is requested to approve and authorize execution of Modification No. 2 to the Department of Natural Resources (DNR), Chesapeake and Coastal Service Memorandum of Understanding (MOU). Modification No. 2 extends the period of the MOU through December 31, 2019.

**AMOUNT OF MONEY AND SOURCE:**

$0.00 - 9958-911429-9525-900020-703032

**BACKGROUND/EXPLANATION:**

On October 4, 2017, the Board approved the original MOU for the period October 1, 2017 through December 31, 2018 in the amount of $200,000.00 to install at least three green infrastructure projects in the Cherry Hill neighborhood.

On January 30, 2019, the Board approved Modification No. 1 to the MOU to provide a no-cost time extension through June 30, 2019 and to modify the Scope of Work in the amount of $0.00.

The purpose of Modification No. 2 to the MOU is to provide a no-cost time extension through December 31, 2019 and to modify the Scope of Work. Cherry Hill has been experiencing flooding problems during heavy rains for over a decade. The City is addressing these problems and increasing the neighborhood’s resiliency.

The funding provided by this grant will increase the impact of this project by supporting green infrastructure projects that will
help to address both water quality and water quantity issues within the neighborhood. The requirement for a feasibility analysis by the Maryland Department of the Environment SRF to establish those practices to move forward to construction made it necessary to extend the original timeline for this project. Additional unforeseen delays were experienced due to the approval of City agency reviews of facility locations taking longer than anticipated. No work may be initiated under this Modification No. 2 until it has been fully executed by all parties.

Department of Public Works - Single Bond for Drain Layers No. 9271131

**ACTION REQUESTED OF B/E:**

The Board is requested to approve acceptance of the Single Bond for Drain Layers No. 9271131 for the firm, Comer Construction, Inc. The period of the bond will continue until either the firm or the surety gives notice of its termination.

**AMOUNT OF MONEY AND SOURCE:**

$10,000.00 - Bond No. 9271131

**BACKGROUND/EXPLANATION:**

The firm, Comer Construction, Inc. periodically obtains permits from the City to excavate in streets, alleys, lanes, footways, thoroughfares, highways, and City of Baltimore rights-of-way for which they are obligated to provide a bond. A PROTEST WAS RECEIVED FROM MS. KIM TRUEHEART.
July 9, 2019

Board of Estimates
Attn: Clerk
City Hall, Room 204
100 N. Holliday Street,
Baltimore, Maryland 21202

Dear Ms. Taylor:

Herein is my written protest on behalf of the underserved and disparately treated citizens of the Baltimore City who appear to be victims of a lack of vision, poor fiscal planning and management and failure to capitalize on strategic investment opportunities in our youth by the Mayor of Baltimore City and the various Departments and Agencies under the mayor's leadership and direction.

The following details are provided to initiate this action as required by the Board of Estimates:

1. **Whom you represent:** Self as Director of the Liberty Village Project of Baltimore City.

2. **What the issues are:**
   a. Page 72, Item 5. Bureau of Procurement B50005716, Mowing, Maintenance & Landscaping Services, Lorenz for Department of Public Works, if approved:
      i. Fails to provide youth workforce development opportunities for Squeegee Kids, YouthWorks participants, disengaged youth and returning citizens;
      ii. Fails to acknowledge and facilitate taxpayer funded, low-skill level jobs that can and should be targeted to employ persistently and chronically unemployed and underemployed city residents, when feasible;

3. **How the protestant will be harmed by the proposed Board of Estimates' action:** The expenditures approved by this board if strategically organized, could lead the City in transforming our workforce. Specifically, by reducing the taxpayer burden of unemployed and underemployed residents, which are at their highest levels in decades. Retarding these burdens could be of significant savings to taxpayers like myself.

4. **The remedy I seek and respectfully request is that this action be delayed until:**
   a. The contract value is reduced by $50,000.00 and reallocated to fund a pilot workforce development program that funds low-skilled youth (ages 16 to 24) to perform select functions outlined in this procurement;
   b. The Mayor and City Council immediately enact legislation to establish a pilot workforce development program for low-skilled city residents that provides training, equipment, uniforms and salaries for Mowing, Maintenance and Landscaping of City-owned properties.

I look forward to the opportunity to address this matter in person at your upcoming meeting of the Board of Estimates on July 10, 2019.

If you have any questions regarding this request, please telephone me at (443) 255-9413.

Sincerely,

Kim Trueheart, Citizen & Resident

RECOMMENDATIONS FOR CONTRACT AWARDS/REJECTIONS

Bureau of Procurement - B50005716 - cont’d

President: “The first item on the non-routine agenda can be found on page 72 - 73, no. 5, Mowing, Maintenance, and Landscaping Services for the Department of Public Works. Will the parties please come forward? Ma’am.”

City Purchasing Agent: “Good morning Mr. President, Madam Comptroller, Mayor Young, Honorable members of the Board, Erin Sher Smyth, City Purchasing Agent for the Department of Finance, Bureau of Procurement. I have reviewed the correspondence from Ms. Trueheart and her request cannot be considered as a protest as Ms. Trueheart is not recommending an award to a competing vendor, but is recommending specific programs. But, the Mayor’s Office of Employment Development has many employment programs including those for City youth and returning citizens. Any enhancements or additions to those programs should be thoughtfully planned for maximum success. The Mayor’s Office of Employment Development has stated that they fully appreciate the importance of helping Baltimore youth enter the workforce and advance their skills. The City’s Summer Jobs Program is one of the largest in the nation supporting over 8,000 young adults. The City is also in its second year of implementing Grads to Careers that provides free job
training programs in one of eight programs for graduating high school seniors who aren’t going to college. The City also operates youth opportunity centers, which offers a career pathway to several hundred young adults who are not in school or working. Finally, and perhaps most relevant, the Mayor’s Office of Employment Development has partnered with DPW in the Y-H-2-0 Program that has helped young adults under the age of 24 obtain the skills for a career in the water industry. The Mayor’s Office of Employment Development has stated that they welcome the opportunity to discuss these programs and consider other opportunities. The recommended Vendor is fully compliant with MBE/WBE goals, filled out all Employment -- Employ Baltimore forms and offered the lowest price. Therefore, I request that Ms. Trueheart’s correspondence be forwarded to the responsible agency, Executive Director, Jason Perkins Cohen for review and the award be approved as recommended.”
Ms. Kim Trueheart: “Good morning.”

President: “Good morning.”

Ms. Trueheart: “Um --”

Comptroller: “State your name, Ms. Trueheart.”

Ms. Trueheart: “My name is Kim Trueheart and I’m protesting this chiefly as a citizen, taxpayer, and youth advocate. I fully agree with the statements made by Ms. Sher. Uh -- the City does have a lot of existing programs. However comma, we have a group of young people who are not being served by those programs and they include the squeegee kids, they include um -- I -- it came to my attention recently there’s about 67 returning felons who are between the ages of 16 and 24 in this City who are so desperate for jobs and we’ve provided no pathway for those felons. It’s -- it’s uh -- unfortunate that we have felons at that age. But, we do and I think an opportunity uh -- exists in low-skilled kind of programs and uh -- work for that kind of person in this City and I don’t

Bureau of Procurement - B50005716 - cont’d

know that we have any programs that’s going to touch the lives of those squeegee kids, these returning felons, and another set of chronically, persistently unemployed citizens in that age group, and I’ve offered uh -- based on receiving some information from the Comptroller’s Office -- this is a list of 2,500 vacant properties owned by Baltimore City which need maintenance. And I think that this group of citizens, if we train them, we equip them, we put them in the right kind of clothing, that they can go out and they can maintain, mow these vacant properties -- 2,500. I don’t know that this particular contract addresses those 2,500 properties, but that’s a -- an additional question that I have. Uh -- I’ve costed out what a green crew would -- would take -- uh to equip them, to pay them salaries for a five-week period uh -- to train them and its approximately $20,000.00 per crew of six young people and a supervisor to go around to these vacant properties that are owned by City uh -- and maintain them. Cut them, clean them, do whatever is appropriate. Just coming here today, I passed over 15 vacant --”

President: “Ms. Trueheart, I’m going to ask you to wrap it up.”

Ms. Trueheat: “I don’t know that those properties were owned by the City, but nonetheless, they contribute to the blight. Uh -- I ask that the recommendation from Ms. Sher be taken seriously. I’d like to participate in whatever conversations take place.”

City Purchasing Agent: “-- And I’d like to just clarify that the grass cutting in this contract is purely at the reservoirs and pumping stations. We do have a separate contract for the vacant lot cleaning and mowing and I do believe that Solid Waste is actively working with ROCA who has programs for um -- the – the exact youth that um -- Ms. Trueheart is talking about, and I’m sure that that can be discussed as well.”

President: “And thank you. And I’d -- thank you Ms. Trueheart and I thank you for pointing out those points. They are very valid. We know that ah -- we have a lot of vacant lots in the City and we have lot of young people looking for work, and I think that you

both bring up very valid points. But I want to hear more discussion about this. Ah -- so I would ask that we defer this item. I make a Motion that we defer this one week.”

City Purchasing Agent: “So, I request that this item specifically be approved as in this is purely just for reservoir and pumping stations. However, it’s the -- the other um -- contracts that really have the room for this type of program.”

President: “I still make a Motion to see if this item can be deferred one week.”

City Solicitor: “There’s no second.”

President: “Alright. I entertain a Motion.”

City Solicitor: “Mr. President, this is not a proper protest. But, the Board has the discretion to treat it as same. Ah -- in that light ah -- I move that the protest be rejected but that Ms. Sher’s recommendation be adopted and that the Secretary to the Board be instructed to transmit Ms. Trueheart’s letter to the

Director of the Mayor’s Office of Employment for further action.”

President: “Second?”

Comptroller: “Second.”

President: “All those in favor say AYE. Those opposed say NAY. Please note that the President Abstains. Ah -- the Motion carries.”

City Purchasing Agent: “Thank you.”

Mayor: “Can I have a word?”

President: “Oh yes, Mr. Mayor.”

Mayor: “Thank you. Uh -- I just want uh -- Ms. Trueheart to know that I have instructed uh -- most of the agency that have contracts that can uh -- have youth added on it uh -- that we do such and uh -- Tisha Ed -- Edwards is charged with that and I think I spoke to you about that. Okay. Thank you.”

President: “Thank you Mr. Mayor.”

6. TR 19006, Urgent Need Contract Citywide

**REJECTION:** The Board is requested to reject the bids received. Vendors were solicited by posting on CitiBuy, eMaryland Marketplace, and in local newspapers. Three bids were received on May 29, 2019. Bids ranged from a low of $1,620,777.71 to a high of $2,210,331.00. The bids submitted exceeded the Department’s expected budget. It is recommended that the Board reject the bids received as being in the best interest of the City. The Department will re-advertise the project at a later date.
Office of the Mayor - Transfer of Funds

**ACTION REQUESTED OF B/E:**

The Board is requested to approve and authorize a Transfer of Funds from the General Fund to the Baltimore City Foundation for the 2019 African American Heritage Festival (AFRAM).

**AMOUNT OF MONEY AND SOURCE:**

FROM:

1001-000000-1220-709700-607001 - $285,869.00

TO:

Baltimore City Foundation - $285,869.00

**BACKGROUND/EXPLANATION:**

AFRAM celebrates African American culture with art, musical performances, vendors, and more. This community event is sponsored by the Office of the Mayor as well as private sponsors. To ensure that private sponsors can support this event, the Mayor’s Office will be using the Baltimore City Foundation to hold the funds.

This transfer of $285,869.00 is the City’s portion of the cost of AFRAM.

**APPROVED FOR FUNDS BY FINANCE**

UPON MOTION duly made and seconded, the Board approved and authorized the Transfer of Funds from the General Fund to the Baltimore City Foundation for the 2019 African American Heritage Festival.

ACTION REQUESTED BY B/E:

The Board is requested to approve the Guidance Memorandum pertaining to implementation of the Resolution of the Board of Estimates Relating to Non-Competitive Procurements dated March 20, 2019 (Resolution).

AMOUNT OF MONEY AND SOURCE:

There are no direct costs associated with this action.

BACKGROUND/EXPLANATION:

On March 20, 2019, the Board approved the Resolution, which has an effective date of July 1, 2019. The Resolution includes definitions for both “non-competitive procurement” and “emergency procurement”. Specifically, the definitions of both terms are as follows:

“Emergency Procurement” means a procurement in response to a dangerous condition of such a nature that public welfare would be adversely affected by awaiting the approval of the Board of Estimates.

“Non-Competitive Procurement” means a procurement of such a nature that no advantage will result in seeking, nor would it be practicable to obtain, competitive responses, or when the need for supplies, materials, equipment, services, or public works is of an emergency nature.
Office of the Mayor – cont’d

Non-competitive procurement is an official term for “sole source” or “selected source” procurements. Such procurements are often necessary to provide City services; however, they do inherently limit competition. The Board approved the Resolution as a way to better understand the reasoning and conditions for not competitively bidding certain contracts.

As the definition above states, there are three conditions for a non-competitive procurement. It need only meet one of the conditions. They are:

1. There will be no advantage in seeking competitive responses;
2. It would not be practicable to obtain competitive responses; or
3. The procurement is of an emergency nature (note this is not the same as an emergency procurement).

**EFFECTIVE JULY 1, 2019,** for all non-competitive procurements (i.e. sole or selected source procurements) that are not emergency procurements as defined above, when recommending award to the Board, agencies must include a written rationale for non-competitive procurement within the Board memorandum describing how the procurement meets one or more of the conditions for non-competitive procurements.

The rationale should be in a separate paragraph within the memorandum and be easily discernable from other text. The rationale must include the following:

1. An explanation of which the conditions apply; and
2. specific facts that support the conditions.
Office of the Mayor – cont’d

By March 1, 2020, an Evaluation Committee, the membership of which is listed in the Resolution, will meet and submit a report to the Board evaluating this process.

**MBE/WBE PARTICIPATION:**

UPON MOTION duly made and seconded, the Board approved the Guidance Memorandum pertaining to implementation of the Resolution of the Board of Estimates Relating to Non-Competitive Procurements dated March 20, 2019.

ACTION REQUESTED BY B/E:

The Board is requested to approve this Guidance Memorandum pertaining to implementation of the Resolution of the Board of Estimates Relating to Non-Architectural or Engineering Professional Services dated March 20, 2019 (Resolution).

The Board is also requested to approve and authorize the initial list of the de facto professional services to be automatically considered professional in nature.

AMOUNT OF MONEY AND SOURCE:

There are no direct costs associated with this action.

BACKGROUND/EXPLANATION:

On March 20, 2019, the Board approved the Resolution which has an effective date of July 1, 2019. The Resolution details the manner in which professional services are procured that are not architectural or engineering ("A & E"). Procurement of A & E professional services is covered by another resolution.

This Resolution includes a definition of “professional services.” Specifically, it states:

1. Professional services are services that are predominately mental or intellectual, rather than physical or manual, and require the application of special knowledge, technical skill, and the experience that comes from instruction, training and the exercise of mental facilities.
Office of the Mayor – cont’d

2. Professional services include services of attorneys, physicians, architects, engineers, consultants, and other recognized professional individuals, associations, corporations, and groups whose services are customarily negotiated instead of competitively procured because of the individuality of those services and level of expertise involved.

Professional services are unique among the services procured by the City. Such services are more intellectual or mental such as services for legal counsel or medical services, to name two examples. The fee for such services is generally negotiated and, therefore, does not go through a competitive bidding process. Competitively bidding such services is always encouraged, but is not required, as the level of knowledge and expertise may not be reflected in a competitive price. That being said, because professional services are not required to be competitively procured, the Board passed this Resolution to provide greater accountability to ensure that such services are truly professional in nature.

**EFFECTIVE JULY 1, 2019,** for all non-architectural or engineering professional services contracts subject to Board approval, agencies must obtain concurrence from both the Director of Finance (or designee) and a designee from the Comptroller’s Office that the service is professional in nature. If either the Comptroller’s designee or the Director of Finance (or designee) does not concur, the item will be presented to a Professional Services Review Committee (“Committee”). This Committee shall be comprised of representatives of the members of the Board who are not otherwise authorized to serve on the Board as designates.’ The Committee will decide by majority vote whether the contract should move forward as a professional service.
Functionally, there should be no major change or delay in the submission process for Board items. The agency must submit the request for concurrence that the service is professional in nature simultaneously to the Department of Finance and the Comptroller’s designee no later than the Monday preceding the Board of Estimates agenda submission deadline. Concurrence from the Department of Finance and the Comptroller’s designee may be in any reasonable form such as an email, memorandum, or signed statement attesting to the Director’s or Comptroller’s designee concurrence. A statement of such concurrence with support (i.e. memorandum, email, etc.) should be submitted with the item for placement on the Board’s agenda.

It is at the discretion of the agency to determine how much information should be submitted to justify the procurement moving forward as a professional service. Some contracts may be self-explanatory while others may need additional detail. Given that many professional services will be accepted as prima facie, the Committee shall maintain and periodically update a list of services that will be considered de facto professional. This de facto list is attached for approval by the Board. For services that fall on this list, no concurrence per this guidance is required, as these services would be automatically considered professional in nature. The Board memorandum need only reference the service and indicate the reference code and state what the service is.

Emergency procurements are not covered by this guidance. For urgently needed procurements, electronic or telephonic determinations by the Committee are authorized. The designee of the Mayor shall coordinate the Committee by: scheduling meetings, creating agenda, and recording actions taken by the Committee.
Office of the Mayor – cont’d

Any decision of the Committee may be overturned or reviewed by the Board.
