REGULAR MEETING

Honorable Brandon M. Scott, President
Honorable Bernard C. “Jack” Young, Mayor
Honorable Joan M. Pratt, Comptroller and Secretary
Matthew W. Garbark, Acting Director of Public Works
Dana P. Moore, Acting City Solicitor

President: “Good morning the October 7, 2020, meeting of the Board of Estimates is now called to order. In the interest of promoting and maintaining health and safety as we continue to deal with COVID-19, the Board of Estimates continues to be streamed virtually. I would direct the Board member’s attention to the memorandum from my office dated October 5, 2020, identifying matters to be considered as routine agenda items together with any corrections and additions that have been noted by the Comptroller. I will entertain a Motion to approve all the items contained on the routine agenda.”

Acting City Solicitor: “Mr. President, I move approval of all of the items on the routine agenda.”
Comptroller: “I second.”

President: “All those in favor say, Aye. All opposed say, Nay. The motion carries, the routine agenda items have been adopted. Ah -- Madame Comptroller, Mr. Mayor, Madame Solicitor, Mr. Director, do you guys have any remarks you would like to make today?”

Comptroller: “I do not. Thank you.”

President: “I actually today do have some. As everyone knows, yesterday was National Night Out Against Crime. Ah -- I just happened to be in the Allendale Community in Southwest Baltimore. Along with Councilman Burnett, the Major of Southwest District, and Police Commissioner Harrison. Ah -- and we ended up Ah -- around the corner on a scene of another homicide in Baltimore City. We are now at 257 people lost in our City through this violence epidemic. Despite the pandemic, we see, continue to see the violence, and countless more have been shot. We cannot accept this as normal. We have to, have to, and we will have a reinvigorated approach of dealing with violent repeat offenders. But also have a comprehensive approach to
how we are going to cure Baltimore of gun violence. We approved today in the Board Ah -- money related to the implementation of the consent decree and police reform efforts. We also approved funds for violence interrupters like Safe Streets and for harm reduction overdose prevention. All of which play into how we can remove ourselves from the situation we are continuously seeing sons, daughters, mothers, fathers, mothers, everybody in Baltimore be murdered and shot. This is not normal, and it cannot be accepted as normal. But we must recommit ourselves to focusing in on the people who continuously commit violence and disrupt the peace of our neighborhoods. We must focus on those who are bringing weapons into our City illegally to allow these things to happen while simultaneously building better neighborhoods and better people to begin with. We can do this in Baltimore. We all just have to recommit ourselves, just like you saw communities throughout the City last night in National Night Out, talk about how they want to be a part of making their neighborhoods and their city a safer and a better place.

Based on the work issued by the City, the Vendor could not utilize Horton Mechanical Contractors (MBE) or Whel-Tech (WBE). The distribution of work from the agency is typically given to the prime contractor based on the lowest bided prices.

Therefore, this has caused limitation with the prime receiving adequate work compared to the other awardee. The Vendor demonstrated good-faith efforts to utilize one of the MBE contractors when work opportunities were presented. MWBOO is working with vendor to ensure goals are being fulfilled and even recommended substitutions (if necessary) to maintain utilization of MBE/WBE subcontractors for the duration of the contract. A recommendation was also submitted to user agency suggesting there be a fair distribution of work to both awardees in order to meet adherence with Article 5 Subtitle § 28-66 through § 28-69.

**ACTION REQUESTED OF B/E:**

The Board is requested to approve a settlement of all pending matters between the City and Holabird Enterprises of Maryland, Inc. t/a Holabird Fleet Service; Trans-Tech Transmission Center and its principals Lawrence Ward and Daniel Foy (collectively “the Vendor”) on the following terms: the Vendor agrees that they will not bid, respond or seek to be considered for any award to perform, directly or indirectly, a contract with the City for a period of five (5) years effective October 1, 2020; the Vendor will repay the City the sum of $91,746.00; the Vendor will accept the return of 5 unused Henke snowplows from the City; the Vendor and City will dismiss all related litigation filed in the Circuit Court for Baltimore City; and the Vendor and City will execute mutual releases denying any liability or wrongdoing to effectuate full and final resolution of the above terms as soon as practicable. In addition to approving the settlement terms, the Board is further requested to dismiss the debarment action pending before the Board.

**AMOUNT OF MONEY AND SOURCE:**

No funds are requested or required.

**BACKGROUND EXPLANATION:**

On April 1, 2020, the Board instituted debarment proceedings against Holabird Enterprises of Maryland, Inc. t/a Holabird Fleet Service; Trans-Tech Transmission Center and its principals Lawrence Ward and Daniel Foy (collectively the “Vendor”) pursuant to Baltimore City Code Art. 5, § 40-17 and suspended the Vendor’s

performance under B50004770, B50004990, B50005058, B50005285, B50005755 and B50005812 pursuant to Art. 5, § 40-18. The Vendor timely objected to debarment and requested a hearing. The City filed litigation against the Vendor in the Circuit Court for Baltimore City (case no. 24-C-20-2075) alleging claims under Md. Code Ann. Gen Prov. § 8-103. The Vendor filed a declaratory judgment action (case no. 24-C-20-3660) challenging this Board’s extension of time to hold the debarment hearing. An evidentiary hearing before Judge Miller, as designee for this Board, was then scheduled to begin on October 6, 2020.

The integrity of the City’s procurement process will be protected by the Vendor’s consent to not entering into or performing under a contract with the City for a 5-year period.

Approval of the proposed agreement to settle all matters between the City and the Vendor and its principals is in the City’s best interests to avoid the uncertainties and risks of litigation and to protect the integrity of the City’s procurement process.
