The period of the Grant Agreement is July 1, 2018, through June 30, 2019, with the option to renew for four additional 1-year periods.

$14,385.97 - 1001-000000-1250-775200-603050

BACKGROUND/EXPLANATION:

The BSCI was incorporated in December 2015 to establish, foster, and administer “sister city” relationships between Baltimore and international cities in accordance with the policies of Sister Cities International (SCI) and the Mayor’s Office, to establish committees charged with the day-to-day management of individual sister city relationships, and to appoint individuals to be members of the committees.

Collectively, these activities represent the “Program” of the BSCI that will be supported with the grant. The BSCI is the successor to Baltimore Sister City Committees (BSCC), a program through which volunteers promoted mutual economic development, educational, cultural, health, environmental, and other exchanges between Baltimore and international sister cities in the SCI network, which started in 1974, during the administration of Mayor William Donald Schaefer.
The purpose of this Grant Agreement is twofold: 1) to reimburse expenses, in the amount of $4,385.97, related to the BSCI’s costs for administering the program in FY’18 and 2) to provide operating support up to $10,000.00 in FY’19.

This request is late because of administrative delays.

**MBE/WBE PARTICIPATION:**

Law Department – Fee Settlement Agreement and Release

ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize execution of the Fee Settlement Agreement and Release with the prevailing plaintiff, Greater Baltimore Center for Pregnancy Concerns, Inc. Plaintiff challenged the City’s limited Services Pregnancy Ordinance prior to its enforcement in 2010; the Law Department defended the constitutionality of the Ordinance. Ultimately, the United States Court of Appeals for the Fourth Circuit ruled that the Ordinance violated the Plaintiff’s right to freedom of speech. Plaintiff is legally entitled to an award of reasonable attorney’s fees and costs.

AMOUNT OF MONEY AND SOURCE:

$1,126,469.60 - 2044-000000-1450-703800-603070

BACKGROUND/EXPLANATION:

In December 2009, the City Council enacted Ordinance 09-252, codified at Baltimore City Health Code Sections 3-501 to 3-506 and Baltimore City Code Art. I, Sections 4-14, 41-14. The Ordinance sought to protect consumers by requiring each pregnancy center to post a notice in their waiting room disclosing that it does not provide abortion services or certain types of birth-control services. After initial success in the Fourth Circuit in 2013, when the case returned to that court in 2017, it ruled that the evidence that Plaintiff’s own advertising offering “Abortion Alternatives” and their reliance upon third party internet referral services that advertise “Abortion” Medical Services” and Morning After Pill” did not provide justification for compelling Plaintiff to post the
Law Department – cont’d

disclosure on its waiting room wall. The Court ruled that the Ordinance violated Plaintiff’s First Amendment right to free speech and the United States Supreme Court refused to grant certiorari to review that decision. There was a split among circuit courts on this issue until June of this year when the United States Supreme Court ruled in the case, *NIFLA v. Becerra*, that such disclosure ordinance violates free speech rights.

As the prevailing party in a constitutional rights case, Plaintiff is legally entitled to a reasonable fee and reimbursement of the reasonable costs of litigation. The City’s interest would not be served by further litigation and the amount requested reflects a considerable discount in compromise of Plaintiff’s fee claim.

The Settlement Committee of the Law Department recommends that the Board of Estimates approve this request to pay $1,126,469.90 as requested.

The City Solicitor is recused from this case because he was a member of the United States Court of Appeals Fourth Circuit when this case was pending there.

UPON MOTION duly made and seconded, the Board approved and authorized execution of the Fee Settlement Agreement and Release with the prevailing plaintiff, Greater Baltimore Center for Pregnancy Concerns, Inc. The City Solicitor **RECUSED** himself on this item. The President voted **NO**.
