President: “Good morning. The October 14, 2020 meeting of the Board of Estimates is now called to order. In the interest of promoting and maintaining health and safety as we continue to deal with the COVID-19 pandemic the Board of Estimates continues to be a virtual meeting. I will direct the Board Member’s attention to the Memorandum from my office dated October 13, 2020, identifying matters to be considered as routine agenda items together with any corrections and additions that have been noted by the Comptroller. I will entertain a motion to approve all the items contained on the routine agenda.”

Acting City Solicitor: “Good morning everyone, I move approval of all of the items on the routine agenda.”

Comptroller: “I Second.”

President: “All those in favor say Aye. All opposed say, Nay. The motion carries. The routine agenda items have been adopted.”

The Board is requested to **NOTE** receipt of the following Audit Report:

**President:** “The first item on the non-routine agenda can be found on page 12 Department of Audits -- Audit report. We will now hear from the City Auditor.”

**Josh Pasch, Baltimore City Auditor:** “Good morning. Good morning Mr. President, Mr. Mayor, Madam Comptroller, members of the Board of Estimates. I am here to present the Biennial Performance Audit on the Department of Planning for Fiscal Years ended June 30, 2019 and 2018. The objectives of our audit were to determine whether the Department of Planning met its performance measures targets, evaluate whether the Department of Planning has adequately designed internal controls related to those selected performance measures and to follow up on the prior findings and recommendations included in the previous Biennial Performance Audit dated November
Department of Audits - cont’d

23, 2018. Our scope included service 763 Average Number of Days for Basic Permit Review and Service 765 Percent of Climate Action Plans recommended that were completed, and Service 761 Average number of site plan review committee meetings required for plan approval. According to the Budget Books all three selected performance measures met their targets in Fiscal years 2019 and 18. However, when we validated those results, we noted that two of the three selected measures were not reported correctly. We also evaluated the design of internal controls for the selected performance measures. We have two findings related to that for the current year. The first Finding for service 763 Comprehensive Planning and Resource Management Average Number of Days for Basic Permit Review, we noted that the calculation methodology and the data reliability controls impacted the performance measure reporting. We noted that the calculation method used resulted in understating the actual results reported in the budget book for the average number of days for basic permit review. When we looked into the controls and processes around calculating it, we noted
that the Planning Department uses the permit purchase date or when the permit is requested to create -- to calculate the number of average number of days, instead of using the date that the permit was approved. This resulted in when permits were assigned in one Fiscal year and approved in a subsequent Fiscal year, those were not correctly captured and calculated correctly. We specifically noted eight permits that were assigned in Fiscal year 2018, that averaged 230 business days to approve. They were incorrectly reported, in Fiscal year 18, as negative one day to approve, because they were not included in the calculation as they scanned multiple Fiscal years. We also noted that the calculation did not include urban renewal zone R44 which included 69 permits that averaged 26 days to approve was not included in the calculation. We also noted on the system, controls that the access rights for the construction enforcement system, which is used to gain data that the planning’s planners, had edit rights to change the approval dates. We also made -- it noted that the spreadsheet which details the output of assigned and approved permits provided by the DHCD did not have proper access controls and that anyone who
Department of Audits - cont’d

had to access to the network drive would have access to the report. The second Finding is on service 765 Planning for Sustainable Baltimore, Percent of Climate Action Plan Recommendations Completed. We noted that targets and goals are reported on a project-to-date basis and they do not have measurable and verifiable deliverables. What we did was -- most measures in the budget book are reported with an annual target or a target for that year and results for that year. For the CAP, it is reported on a cumulative basis, so we noted that in Fiscal Year 2018 they had a target of 19 percent however, the target in Fiscal 17 was 13 percent and that being cumulative the target was only to improve or increase the number of recommendations implemented by six percent. We noted the budget book stated that the target for um- - implementing recommendations was 21 percent however, that was only a 2 percent increase over the 2018. Our recommendation there was to add clarity to the budget book so that users of the budget book would have a clear understanding of what the targets are and what activity was completed in each of those Fiscal years. We also
Department of Audits – cont’d

reviewed the prior audit findings and recommendations. Of the 15 prior action plans that we followed up on, two of the action plans were fully implemented, eight of the action plans were partially implemented and five of the action plans were not implemented. The findings all related to documenting policies and procedures on data collection calculation validation methods used and having supporting documentation to support the actual results and -- and meeting the measures. The measures that were included in -- that were included from prior year includes, 761 Development Oversight and Project Support and the measure was percent of assigned building permits reviewed within 48 hours, Service 761 again, Development Oversight and Project Support Performance Measure percent of subdivision reviews receiving planning commission approval in less than 30 days and performance metric average number of day -- average number of site plan review community meetings required for plan approval and for Service Center 762 Historic Preservation number the service -- the performance measure was number of preliminary reviews completed for tax credit
Department of Audits – cont’d

applications within 30 days, and for service center for 2001 and 2014 Fiscal years under Service Center 762 Development Oversight and Project Support performance measure percent completed notice, to proceed permit applications review within 48 hours. We also noted in Fiscal years 2011 to 14 for Service Center 763 Comprehensive Planning and Resource Management, the average -- the measure average number of days for basic permit review and the percentage of Baltimore Sustainable Plan strategies initiated those were also -- had the same repeat findings which was again, um -- not having supporting documentation to support the numbers um -- stated in the budget book and documented policies and procedures to document the data collection, calculation and validation methods so that it can be recalculated and reported. That is all. If there's any questions?”

Mr. President: “Any questions from the Board members for the ah -- City Auditor uh -- Mr. Auditor stand by. Um -- uh -- Director Ryer would you like to address the Audit from Planning’s perspective?”
Mr. Chris Ryer, Director Department of Planning: “Yes. Mr. President, members of the Board, I would. Um -- as you may or may not know this is my first Audit. I've been in this position about a year and a half and we also have a brand new budget ah -- officer um -- I'd like to introduce Courtney Barbour, um -- who is on this call. We also have our two assistant Directors, Lori Feinberg and Stephanie Smith on the call and our Director of Policy and Data Analysis, Sarah Arnela. Um -- I would like to take a minute to um -- sort of challenge my idea of how we could do this audit in -- in the in the future. As -- as you will see today essentially what we have been measuring at the Department is our turnaround time on the various land use and historic ah -- permits that we oversee which is -- which is numerous and I -- I will say that since my time here I have never heard a complaint about this department from anyone in the development community about our timeliness. Um -- you'll also see some presentations about the sustainability plan and specific aspects of it and the implementation of that. And I would caution you that those are multi-year um -- large item
Department of Audits – cont’d

um – plans. They are not something that you can actually measure from month to month or quarter to quarter so I would like to work with the Finance Department and ultimately the Comptroller's Office on figuring out something that we do that's a little more meaningful -- a little more qualitative rather than quantitative. I -- I want to figure out how this department of 50 people actually helps the City get better. Ah -- you may or may not know that -- that we have rolled out a new community development plan in the city of Baltimore and I think it's going to have a big impact; I'd like to figure out how we can measure how that affects the quality of life for our citizens of Baltimore. So that's what I'm looking forward to in the next um -- audit to coming back to you with some qualitative measures that really ah -- try to show how much value the Planning Department adds to the government of the City of Baltimore. Thanks.”

President: “Thank you. Any further questions from any of the Board members? All right seeing none uh -- the Audit Report has been NOTED.”

Office of the State’s Attorney – Grant Award for Baltimore City (OSA)

ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize acceptance of the Grant Award from the State of Maryland – Governor’s Office of Crime Control and Prevention (GOCCP). The period of the Grant Award is of July 1, 2020 through June 30, 2021.

AMOUNT OF MONEY AND SOURCE:

$85,000.00 - 5000-506421-1150-118000-601001

BACKGROUND/EXPLANATION:

The GOCCP has awarded this grant for the OSA’s AIM to B’more program which is a crime intervention program serving felony drug offenders in the City. The program equips first-time non-violent, felony drug offenders with jobs while simultaneously removing the burden of a criminal record and reduces their chances of reengaging in criminal behavior. Grant funds support salary, participant supply needs and conference travel fees.

The Grant Award is late because of administrative delays.

ACTION REQUESTED OF B/E:

The Board is requested to approve the assignment of Task No. 022 to Rummel, Klepper & Kahl, LLP under Project No. 1504, On-Call Construction Management Assistance.

AMOUNT OF MONEY AND SOURCE:

($38,878.25) - 9956-906647-9551-900020-705032

BACKGROUND/EXPLANATION:

The Department was in need of Construction Management Assistance for various projects under Task 009. However, the project did not utilize all of the funds and is requesting a credit.

The scope of the original agreement included assisting the Construction Management Section with construction monitoring and inspection, preparation of daily reports, maintenance of project records and documentation, review of contractor’s application for payment, attendance at progress meetings, preparation of record drawings, review of contract claims and supports, estimating, scheduling, project engineering, constructability reviews, submittal reviews and responses, Request for Information reviews and responses, and construction contract administrative support.

MBE/WBE PARTICIPATION:

The Consultant will continue to comply with Article 5, Subtitle 28 of the Baltimore City Code and the 27% MBE and the 10% WBE goals established in the original agreement.

Currently, this on-call agreement is not in compliance because the tasks have not yet been completed or billed in its entirety. The

**ACTION REQUESTED OF B/E:**

The Board is requested to approve the assignment of Task No. 007 to AECOM Technical Services, Inc., under Project No. 1803, On-Call Project and Construction Management Services. The period of the task is approximately 12 months.

**AMOUNT OF MONEY AND SOURCE:**

$405,849.48 – 9956-906548-9551-90020-703032

**BACKGROUND/EXPLANATION:**

The Department is in need of Inspection Services for the ongoing emergency work on the Stony Run Wastewater Pumping Station Upgrade.

The work requested is within the original scope of original agreement which includes assisting the Construction Management Section with construction monitoring and inspection, preparation of daily reports, maintenance of project records and documentation, review of contractor’s application for payment, attendance at progress meetings, preparation of record drawings, review of contract claims and supports, estimating, scheduling, project engineering, constructability reviews, submittal reviews and responses, Request for Information reviews and responses, and construction contract administrative support.

The scope of the construction project includes the provision of new pumping units with closed-loop motor cooling; the relocation of the existing grinders, valves, and gates; Station by-pass during upgrade to the station, reconfiguration of suction and discharge piping; the replacement of the wet well sump pump, the replacement of the existing spray water system, increase in the line size of water service to the station, upgrades to the process control
Department of Public Works/Office – cont’d of Engineering and Construction

MBE/WBE PARTICIPATION:

System, automation of the pumping station to include station startup sequence, station wash down sequence, and equipment exercise sequence, refurbish the existing slide gates as determined by the engineer, miscellaneous work.

AECOM Technical Services, Inc. will continue to comply with Article 5, Subtitle 28 of the Baltimore City Code and the 29% MBE and the 10% WBE goals assigned to the original agreement.

Currently, this On-Call Agreement is not in compliance because only four tasks have been approved. The current status of the goals are MBE:21% and WBE:22%.

**ACTION REQUESTED OF B/E:**

The Board is requested to approve the acquisition of the Leasehold Interest in the property located at 1418 E. Preston Street (Block 1149B, Lot 003) by a gift from Charles H. Cotton, Jr. Owner, **SUBJECT to** municipal liens, interest, and penalties, other than water bills.

**AMOUNT OF MONEY AND SOURCE:**

The Owner agrees to pay for any title work and all associated settlement costs, not to exceed $600.00 total. Therefore, no City funds will be expended.

**BACKGROUND/EXPLANATION:**

The DHCD, Land Resources Division strategically acquires and manages vacant or abandoned properties, which enables these properties to be returned to productive use and improve neighborhoods in Baltimore City.

The Owner has offered to donate to the City title to the property at 1418 E. Preston Street. With the Board’s approval, the City will receive clear and marketable title to the property, subject only to certain City liens. The City’s acceptance of this donation is less costly than acquiring the property by tax sale foreclosure or eminent domain.

The Owner will pay all current water bills up through the date of settlement. The DHCD will acquire the properties subject to all municipal liens and all interest and penalties that may accrue prior to recording a deed. The water bills must be paid as part of the transaction. A list of open municipal liens accrued through April 26, 2020, other than water bills, are as follows:

**Land Disposition Agreement**

**ACTION REQUESTED OF B/E:**

The Board is requested to approve and authorize execution of a land disposition agreement with Adekoya Obayanju for the sale of a vacant City-Owned building located at 1316 Greenmount Avenue in the Johnston Square neighborhood.

**AMOUNT OF MONEY AND SOURCE:**

$5,000.00 - Private Funds

**BACKGROUND/EXPLANATION:**

The project will involve the complete rehabilitation of the vacant building which will be used as an extension to the buyer’s business at 1318-1320 Greenmount Avenue.

The authority to sell the property, is given under Baltimore City Code, Article 13, § 2-7(h) of the Baltimore City Code.

In accordance with the City’s Appraisal Policy, the Waiver Valuation Process determined the property located at 1316 Greenmount Avenue to be valued at $10,000.00, and the property will be sold for $5,000.00.

The sale of the vacant property at a price below the Waiver Valuation value will be a specific benefit to the immediate community, eliminate blight, and the property will be returned to the tax rolls.

Department of Housing and Community Development - Land Disposition Agreement

ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize execution of a Land Disposition Agreement with Zion Baptist Church, Inc. for the sale of four City-owned vacant lots located at 1503 E. Lanvale Street (Block 1117/Lot 022), 1505 E. Lanvale Street (Block 1117/Lot 023), 1627 N. Dallas Street (Block 1117/Lot 076), and 1706 N. Spring Street (Block 1107/Lot 064), in the Oliver Community.

AMOUNT OF MONEY AND SOURCE:

$1,000.00 - 1503 E. Lanvale Street
1,000.00 - 1505 E. Lanvale Street
500.00 - 1627 N. Dallas Street
1,000.00 - 1706 N. Spring Street
$3,500.00 - Private Funds

BACKGROUND/EXPLANATION:

Zion Baptist Church proposes to purchase the vacant lot at 1503 E. Lanvale Street, 1505 E. Lanvale Street, 1627 N. Dallas Street, and 1706 N. Spring Street to use with the Developer’s adjacent properties as parking.

STATEMENT OF PURPOSE AND RATIONALE FOR SALE BELOW THE APPRAISED VALUE:

Per the Appraisal Policy of Baltimore City, vacant lots assessed below $2,500.00 do not require an appraisal. The vacant lot at 1503 E. Lanvale Street is assessed for $1,000.00 by Maryland SDAT and will be sold for $1,000.00. The vacant lot at 1505 E. Lanvale Street is assessed for $1,000.00 by Maryland SDAT and will be sold for $1,000.00. The vacant lot at 1627 N. Dallas Street is assessed for $500.00 by Maryland SDAT and will be sold for $500.00.

Department of Housing and – HOME Loan
Community Development

ACTION REQUESTED OF B/E:

The Board is requested to approve, with respect to the Lakewood Apartments located at 1401 N. Lakewood Avenue, the following: (i) the payoff of the existing HOME Investments Partnerships Program Loan in the principal amount of $1,000,000.00, plus interest accrued to the date of payoff and (ii) the assumption of the HOME loan covenants to Hudson Valley Property Group, or any affiliate thereof (HVPG).

The Board is also requested to authorize the Commissioner of the Department of Housing and Community Development to execute any and all documents to effectuate this transaction after review and approval by the Department of Law.

AMOUNT OF MONEY AND SOURCE:

No additional City funds are required.

BACKGROUND/EXPLANATION:

On June 17, 2007, the City made a HOME Investment Partnerships Program Loan (the Original HOME Loan) in the principal amount of $1,500,000.00 to Lakewood Apartments Limited Partnership (the Original Borrower), a Maryland limited partnership for the purpose of acquiring, rehabilitating, and operating a rental housing project.

In connection with the Original HOME Loan, the Original Borrower executed or delivered a Note, a Deed of Trust, and other documents evidencing and securing such a loan. The proceeds of the Original HOME Loan were used to assist with a portion of the rehabilitating costs associated with the redevelopment of the Lakewood Apartments
DHCD – cont’d

(the Project), an existing four-story, 102 units of senior housing consisting of 26 studio units, 69 one-bedroom units, six two-bedroom units, and one management unit. All the units except for the management unit received a subsidy through a HUD project-based Section 8 Housing Assistance Payment (the HAP) contract.

The Original HOME Loan was secured by a subordinate second lien on the property, accrued interest at 3% per annum for a term of 30 years, and required amortizing payments of principal and interest to be made from Surplus Cash. On August 8, 2018 (the Prior Approval date), the Board approved the sale of the Project to Berea Housing Associates, Limited Partnership, a Massachusetts limited partnership (the Current Borrower), an affiliate of Weston Associates, Inc. (Weston), a Boston based real estate firm specializing in acquiring underperforming residential complexes in need of revitalization and transforming them into modern facilities and affordable to individuals and families.

The Current Borrower acquired the property for $8,100,000.00 (the Sales Price). The DHCD agreed to allow the Current Borrower to assume a portion of the Previous HOME Loan in the principal amount of $1,000,000.00 (the Current HOME Loan). As a condition precedent to the approval of such a sale, Weston and the Previous Borrower agreed that the Previous Borrower pay at closing the $500,000.00 outstanding principal amount of the Original HOME Loan plus the accrued interest out of sales proceeds. As a result, the Department received proceeds totaling $905,863.02.

In addition, the Board approved the following modifications to the terms of the loan: following closing, the interest rate on the Current HOME Loan would be increased to an amount that equals or exceeds the applicable federal rate, the term would be extended so that the maturity date would be coterminous with the New First Loan (as such term is defined in the Prior Approval), and the
DHCD – cont’d

Current Borrower would pay interest as set forth in the Prior Approval.

Weston has now agreed to sell the property to Hudson Valley Property Group, or an affiliate thereof (HVPG), a New York City-based owner and developer of affordable and workforce housing, in order to preserve the affordable housing at the Project. As part of such sale, the Current Borrower has agreed to repay, in full, the outstanding $1,000,000.00 principal and accrued interest on the Current HOME Loan, which amount is estimated to be $41,198.89 as of September 30, 2020. However, to ensure the long-term affordability of Lakewood Apartments, the HVPG will assume and maintain the existing 20-year term of the HAP contract, which runs through 2038, and will also assume the restrictive covenants required by the HOME Program that is set forth in the documents executed in connection with the Current HOME Loan (the Current HOME Loan Documents).

As currently set forth in the Current HOME Loan Documents, the restrictive covenants are required to be in effect through the “period of affordability,” which runs through June 18, 2037, the current maturity date of the Current HOME Loan.

The HVPG is planning a renovation of approximately $1,550,000.00 at the Lakewood Apartments, which will prioritize building modernization, energy efficiency upgrades, and resident quality of life improvements. Key capital needs to be addressed as part of the rehabilitation includes elevator modernization, roof replacement, common area and exterior lighting upgrades, security system improvements, including additional cameras and access control, unit HVAC/cabinetry/fixture replacements as needed, and new landscaping/site work.

The affordability requirements for all 102 rental units are to remain in place.

THE DIRECTOR OF FINANCE REVIEWED AND RECOMMENDED APPROVAL.

UPON MOTION duly made and seconded, the Board approved, with respect to the Lakewood Apartments located at 1401 N. Lakewood Avenue, the following: (i) the payoff of the existing HOME Investments Partnerships Program Loan in the principal amount of $1,000,000.00, plus interest accrued to the date of payoff and (ii) the assumption of the HOME loan covenants to Hudson Valley Property Group, or any affiliate thereof. ACTION REQUESTED OF B/E:

The Board is requested to approve the release of liens, plus all accrued interest and penalties, on the property located at 4921 Edgemere Avenue for the Transferee, West Baltimore Redevelopment Project One, LLC/Gar Roberts, Authorized Member (Developer).

AMOUNT OF MONEY AND SOURCE:

$77,125.72

BACKGROUND/EXPLANATION:

This is a request for the release of liens pursuant to the Annotated Code of Maryland, Tax Property 14-806, which gives the Board the authority to release liens against real property under certain circumstances.

In this case, the property in question complies with all requirements of the lien release law. The property is a vacant building, and the liens of $89,125.72 exceed its appraised value of $12,000.00. The Developer will rehabilitate the building as a single-family rental unit at the market rate. The property will be returned to productive use within a reasonable time, thus eliminate blighting conditions and returning it to the Tax rolls of Baltimore City. The release of liens on the property will make it financially feasible for redevelopment and prevent tax abandonment. The Developer will be using private funds.

At the settlement, the Transferee will pay the City $12,000.00 (the appraised value), which is higher than the combination of the flat tax and water charges ($5,288.48). The amount paid will be applied to satisfy the water bill, real estate taxes, and flat tax first, then any other liens, including a purchase money mortgage that has accrued prior to the date of this lien release.
Any additional property tax assessments, water charges, and liens that accrue from the date of this lien release will be the responsibility of the Transferee to pay prior to settlement. Failure to record the deed and pay the purchase price listed in the Agreement of Sale in the amount of $12,000.00 within 120 days from the date of approval by the Board will void this release.

MBE/WBE PARTICIPATION:

The Developer will purchase this property for a price that is less than $50,000.00 and will receive no City funds or incentives for the purchase or construction; therefore, MBE/WBE is not applicable.

UPON MOTION duly made and seconded, the Board approved the release of liens, plus all accrued interest and penalties, on the property located at 4921 Edgemere Avenue for the Transferee, West Baltimore Redevelopment Project One, LLC/Gar Roberts, Authorized Member.

**Land Disposition Agreement**

**ACTION REQUESTED OF B/E:**

The Board is requested to approve and authorize execution of the Land Disposition Agreement with The Westmore Corporation for the sale of the City-owned property located at 1804 Harlem Avenue (Block 00096/Lot 072) and 1805 Rayner Avenue (Block 0096/Lot 074).

**AMOUNT OF MONEY AND SOURCE:**

$10,000.00 - Private Funds

**BACKGROUND/EXPLANATION:**

The City will convey all its rights, title, and interest in 1804 Harlem Avenue and 1805 Rayner Avenue to The Westmore Corporation for the price of $4,500.00 for 1804 Harlem Avenue and $5,500.00 for 1805 Rayner Avenue, for a total of $10,000.00 which will be paid to the City at the time of settlement.

The Developer will be using private funds for this project.

The Developer will rehabilitate the vacant building at 1804 Harlem Avenue for use as a health and wellness store and one dwelling unit. The vacant lot at 1805 Rayner Avenue will be used as a garden/greenspace.

The provisions of Article 13, §2-7 (h) (2) (ii)(c) of the Baltimore City Code authorize the City to sell these properties.

**STATEMENT OF PURPOSE AND RATIONALE FOR SALE BELOW THE PRICE DETERMINED BY THE WAIVER VALUATION PROCESS:**

In accordance with the City’s Appraisal Policy, the Waiver Valuation Process determined the value of these properties to be $6,000.00 for 1804 Harlem Avenue and $8,600.00 for 1805 Rayner Avenue for a total of $14,600.00. Both properties will be sold for a total of $10,000.00.
Department of Housing and Community Development

The properties will be sold below the Waiver Valuation Price for the following reasons:

- the sale will be a specific benefit to the community,
- the sale will eliminate blight, and
- the sale will return the properties to the City’s tax rolls.

MBE/WBE PARTICIPATION:

The Developer will purchase this property for a price that is less than $50,000.00 and will receive no City funds or incentives for the purchase or rehabilitation; therefore, MBE/WBE is not applicable.

ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize execution of a Grant Agreement with Heritage Crossing Resident Association, Inc. and their fiscal agent, Fusion Partnerships Inc. The period of the Grant Agreement is effective upon Board approval for 24 months effective from the date of approval.

AMOUNT AND SOURCE OF FUNDS:

$40,000.00 - 9910-903241-9588 (Neighborhood Bldg. and Market Support)

BACKGROUND/EXPLANATION:

The DHCD’s community development strategies focus resources in disinvested and overlooked communities where City funds will spur growth and transformation and additional investment. DHCD created the Community Catalyst Grants Program (CCG), a $5,000,000.00 initiative to leverage assets and support community-led efforts that are essential to a neighborhood’s viability.

In January 2019, the DHCD released the CCG Capital Grant Guidelines and Application. On August 28, 2019, the City awarded 25 organizations a total of $3,093,668.00.

Through the CCG Capital program, Heritage Crossing Resident Association, Inc. and its fiscal agent, Fusion Partnerships Inc., will make $40,000.00 available for pre-development costs associated with the fabrication and installation of a new Heritage Crossing Gateway entrance.

This extra work order will authorize a 200-day non-compensable time extension. The Notice to Proceed was issued on August 26, 2019, with a completion date of August 25, 2020, which will result in a new completion date of March 12, 2021. The additional time is needed to complete various repair work for contract TR 19009 - Structural Repairs Citywide JOC 1.

During the summer of 2020, approximately 120 feet of Franklintown Road has been washing out, caused by the Dead Run Stream. The erosion has become progressively worse, exacerbated by recent heavy rainstorms. The erosion reached the edge of the pavement in July. As a result, Franklintown Road was closed to westbound traffic, and jersey barriers were installed to keep traffic away from the edge of the roadway. Since that time, the erosion has started taking the pavement and eroding the roadway base, creating an undermining condition. The jersey barriers have not fallen into the stream. DOT responded by closing Franklintown Road completely. Continued erosion will wash away the roadway base and undermine the storm drain, water main, and other utilities.

It is recommended that the emergency repairs to the roadway be performed as soon as possible to avoid utility failure and increased repair costs. This work involves working in the U.S. water (Dead Run), and a permit from the Maryland Department of Environment (MDE) is necessary. The permit process is lengthy.

and may take up to 6 months. However, since the needed repairs are an emergency, MDE will waive the normal permit process, and the City is required to submit the details of the repairs after the completion of the work. Additionally, the City will coordinate with MDE during the repairs.

The estimated cost associated with the repairs is $189,216.00 and will be administered as an extra work order under contract TR19009 Structural Repairs Citywide JOC 1 with Allied Contractors.

IT IS HEREBY CERTIFIED THAT PURSUANT TO ARTICLE VI, §11(e)(ii) OF THE CHARTER, THE EMERGENCY WAS OF SUCH A NATURE THAT THE PUBLIC WELFARE WOULD BE ADVERSELY AFFECTED BY AWAITING THE APPROVAL OF THE BOARD OF ESTIMATES PRIOR TO OBTAINING THE SUPPLIES, MATERIALS, SERVICES, OR PUBLIC WORK. entered the sanitary sewer system and caused overflow to enter Gwynn Falls. Investigations revealed that material (other than construction material) had entered an open manhole and caused the line to be clogged and had to be located and removed (Item 354). Changes were required to proposed drainage run from a manhole (MH 103) to inlet (18) and inlet (19). It was discovered that the proposed inlets were in conflict with an existing gas line and had to be redesigned along with the associated 15” pipe (Item 355).

Off-site drainage caused material placed in the area of the east abutment approach to be continually washed out, which required replacement and repair (Item 356). During the course of construction, requirements for non-compressed coping filler necessary to transfer load from arch facia walls (Item 423) was required. $ 1,250,000.00 $ 10,827.04 C&N Associates, LLC - 92.12%

This authorization request is necessary for additional slab work and grinder pumps. Subsequent to the award of this contract, during the construction phase of the project, a site visit was conducted by the Consultant Structural Engineer, ReStl. They observed several improperly made saw cuts in the locker room areas of the Mt. Pleasant Ice Arena. ReStl Designers, Inc. (ReStl) recommended that C&N, the Prime Contractor, provide new saw cuts, and provided a diagram for C&N to use to make the cuts. Those new cuts revealed that the existing gravel base below the slab was only 2" thick. That discovery generated RFI #34, and the associated response provided by the structural consultant. The response instructed the contractor to replace any gravel that was less than 4", with 6" of compacted gravel.

That same site visit also revealed to ReStl the fact that the concrete slabs in the main bathrooms were only 2” to 3” thick, instead of the 4” minimum thickness required. ReStl recommended the complete removal and replacement of the slab. During the construction phase of the project, while excavating for the installation of the concrete ramp, stairs, and entry-way to the main entrance, the presence of multiple underground

cement structures was revealed. There was a 12” wide x 24” high concrete beam on top of a 36” wide x 16” thick concrete footing; as well as 38” thick concrete slab that was 155” x 25”. This discovery generated RFI #53 and the associated response from the structural consultant. The response instructed C&N to remove the existing concrete slab in its entirety. During the testing phase of the Sewage System, it was discovered that the installed Sewage Ejector Pump was not sufficient in removing solids from the domestic sewage line. The pump that was originally installed did not contain a grinder feature to address solids. It was agreed by the BCRP Design Team that two grinder pumps should be installed to replace the “clean” pump, to allow for solid waste to be ground and ejected to the sewer mains outside of the Ice Arena. C&N’s cost proposals were reviewed by BCRP’s Project Engineer and found to be reasonable and acceptable for this type of work.

9. **ACME AUTO LEASING, LLC**  
   Contract No. B50001886 - Vehicle Leasing - Baltimore Police Department - P.O. No.: P519341

On January 18, 2012, the Board approved the initial award in the amount of $372,018.00. The award contained two renewal options. Subsequent actions have been approved, and two renewals have been exercised. An extension is necessary to continue vehicle leasing services for various City agencies while a new Solicitation B50005715 is awarded. The period of the extension is June 30, 2020 through December 31, 2020.

It is hereby certified that the above procurement is of such a nature that no advantage will result in seeking nor would it be practicable to obtain competitive bids. Therefore, pursuant to Article VI, Section 11 (e)(i) of the City Charter, the procurement of the equipment and/or service is recommended.

**MBE/WBE PARTICIPATION:**

On March 25, 2011, it was determined that no goals would be set because of no opportunity to segment the contract. This contract requires that vehicles are serviced under current Fleet maintenance/repair contracts.

**MWBOO GRANTED A WAIVER ON MARCH 25, 2011.**

**UPON MOTION** duly made and seconded, the Board approved the foregoing Informal Awards, Renewals, Increases to Contracts and Extensions. Item no. 9 was **DEFERRED** to October 21, 2020.
Department of Finance – 2020 Bulk Tax Sale

**ACTION REQUESTED OF B/E:**

The Board is requested to approve the 2020 Bulk Tax Sale.

**AMOUNT OF MONEY AND SOURCE:**

N/A

**BACKGROUND/EXPLANATION:**

The Department of Finance, Bureau of Revenue Collections, will conduct the Bulk Tax Sale on October 28, 2020.

The Bulk Tax Sale takes place every year in October. Sealed bids are due by 11:00 a.m. on the day of Bulk Tax Sale and are opened at 12:00 noon.

Bids will be received in the Office of the City Comptroller, Room 204, City Hall, 100 N. Holliday Street, Baltimore, Maryland, 21202. Bids must be received no later than 11:00 a.m. on Wednesday, October 28, 2020, and will be opened in Room 215, City Hall at 12:00 noon. **Late bids will not be accepted.** Bids may be submitted by mail, overnight delivery, or in person. Faxed bids will not be accepted. All bids are final.

**MBE/WBE PARTICIPATION:**

N/A

UPON MOTION duly made and seconded, the Board approved the 2020 Bulk Tax Sale.
Department of Law – Settlement Agreement and Release

**ACTION REQUESTED OF B/E:**

The Board is requested to approve and authorize execution of the settlement of a claim brought by Officer Luis Garcia against the Baltimore Police Department (BPD). The Plaintiff asserts federal claims against the Baltimore Police Department.

**AMOUNT OF MONEY AND SOURCE:**

$62,000.00 – 1001-000000-2041-716700-603070

**BACKGROUND/EXPLANATION**

The Plaintiff asserts claims of sexual harassment by supervisors and co-workers within the BPD. He asserts that the harassment included the spreading of false rumors regarding his personal life, unwanted sexual comments, and harassment based on his race. Last, he claims that supervisors showed favoritism to Caucasian officers. The Plaintiff filed his lawsuit on October 2, 2019, alleging violations of Title VII of the Civil Rights Act of 1964, 42 U.S.C. § 2000 et seq. (Title VII) and the Civil Rights Act of 1866, Section 1981(a) (Section 1981) for the alleged unlawful harassment, discrimination based on race (Hispanic), sex (male), sexual harassment, and retaliation he faced.

In order to economically resolve this complex case, which will involve experts, fees and expenses, and voluminous discovery, and to avoid the expense, time, and uncertainties of further protracted litigation, the parties have agreed to offer the Plaintiff payment of $62,000.00, for complete settlement of the case, including attorney’s fees and costs. In return, the Plaintiff has agreed to dismiss all claims against the BPD, its employees, agents, and representatives.
Department of Law - cont’d

Based on a review by the Settlement Committee of the Law Department, a recommendation to settle is made to the Board of Estimates to approve the settlement of this case to avoid a potential adverse jury verdict.

APPROVED FOR FUNDS BY FINANCE

UPON MOTION duly made and seconded, the Board approved and authorized execution of the settlement of a claim brought by Officer Luis Garcia against the Baltimore Police Department.
UPON MOTION duly made and seconded, the Board approved the Transfers of Funds listed on the following pages: 4044 – 4045

SUBJECT to receipt of favorable reports from the Planning Commission, the Director of Finance having reported favorably thereon, as required by the provisions of the City Charter.

Vendors were solicited by posting on CitiBuy, eMaryland Marketplace, and in local newspapers. The five bids received were opened on October 30, 2019. The bid submitted by Amazing Healthcare Services LLC was found non-responsive. The bid submitted by Dependable Services was found non-compliant by MWBOO. Award is recommended to be made to the responsive bidders.

MBE/WBE PARTICIPATION:

On October 4, 2018, MWBOO set goals of 13% MBE and 10% WBE. Trustworthy Staffing Solutions, LLC, and Vitalis HealthCare Services, LLC, and Elizabeth Cooney Personal Care, LLC were found compliant on October 8, 2020. Elizabeth Cooney Personal Care, LLC, was found compliant on September 23, 2020. Dependable Services Group, LLC, was found non-compliant on October 8, 2020.

Sir,

Re- LETTER OF PROTEST

SOLICITATION NUMBER B50005924-PERSONAL CARE AND HOMEMAKER SERVICES

Thank you for giving us the opportunity to voice our protest to the Board of Estimates today October 14, 2020.

We respectfully disagree with the Board’s Decision.

Our Reason:

The recommended Awardees on this contract are NON-COMPLIANT according to the evaluation sheet from Baltimore City, Bureau of Procurement. (see attached documents)

THE THREE AWARDED VENDORS/AGENCIES:

1. Trustworthy – Considered Compliant: but their WBE: A Helping Hand Home Care Services agency – *is not a certified MBE or WBE with Baltimore City.

2. Elizabeth Cooney- Non-Compliant: Their WBE is an insurance company but does not perform said service.

3. Vitalis Healthcare- Non-Compliant: WBE – Change Resources is not in good standing with SDAT.

Dependable Services Group – Non-Compliant MBE: Global Medical agency * is not a certified MBE or WBE with Baltimore City.

Our Questions:
At what time/What Parameters did the Non-Compliant become Compliant and considered for award -
*see dates on documents from Baltimore City, Bureau of Procurement

Why would Trustworthy be considered in compliance when their WBE agency is not a certified MBE or
WBE with Baltimore City just as Dependable MBE agency is not a certified MBE or WBE with Baltimore
City.

Why would Elizabeth Cooney- Non-Compliant be considered for the award when their WBE choice is an
insurance company and does not perform said service.

Why would these agencies be awarded the contract, when they are non-compliant in one aspect or the
other just as Dependable Services Group, LLC.*

Should not all be given same consideration

Our Request:

That the determination for award be revisited.

We Trust in your fairness, facts, and correct judgement in this matter.

Thank you.

Respectfully submitted,

Ugboaku Esochaghi

Hi there. Thanks for speaking with us about your certification. We received the original documents you submitted with your proposal in October 2019. At this time, since the original forms were notarized and opened with the bid we will not be able to make any substitutions since this contract has not been awarded yet. Our office does not make the determination for award.

RECOMMENDATIONS FOR CONTRACT AWARDS/REJECTIONS

Bureau of Procurement cont’d

President: “The second item on the non-routine agenda can be found on pages seven through -- I mean 73 to 74 items one, B50005924 Personal Care and Homemaker Services. We will hear first from Dependable Services Group, LLC., and then from a representative of MWBOO. Ah -- please state your name and begin your protest.”

Ms. Ugboaku Ezinna Esochagi, Dependable Services, Group, LLC:

“Morning.”

President: “Good morning.”

Ms. Esochagi: “May I speak now?”

President: “Yes, ma'am.”

Ms. Esochagi: “Thank you very much. I respectfully want to say good morning to all the Board members and the representatives. I may not address everyone correctly please pardon me, but I just want to say thank you everyone. My name is Ugboaku Ezinna Esochagi and I represent Dependable Services Group, and I want to say thank you so much to the Bureau of Purchases and all concerned that have given us the opportunity to serve. We have been serving the city
of Baltimore especially our -- our seniors, our schools and we are very grateful. The reason why I am before you this morning is just as have been stated, the solicitation we were denied the opportunity to serve and we wanted to find out the reason and one of the main reasons is because we did not choose the proper MBE firm, and looking at these -- those that have been considered to have the -- the contract awarded we find out that we being non-compliant is also -- also applies to those firms that have been the -- that have been selected to be awarded the contract. So I am before you this morning to say if it's possible can we also be given that opportunity to remedy the need, so that we can also be able to serve our seniors? That is just the simple reason why I am before you and I respectfully thank you for giving us the audience. Thank you.”

President: “Thank you. Uh -- will someone who's on for MWBOO?”

Ms. Lashella Miller Acting Deputy Chief for MWBOO: “Good morning Council President uh -- Scott and members of the Board. This is Lashella Miller. I am um -- currently the Deputy Chief now serving as the Acting Chief for MWBOO and with regard to this compliance review that we conducted um -- the reasons that the vendor was
found non-compliant was due to the MBE selection not being um -- a certified business with the Baltimore City’s program. And so when we conducted the review of the actual forms that were submitted with the bid uh -- they were executed incorrectly and that is because they failed to list the percentages for both the MBE and WBE that they intended to use for the contract.”

President: “Thank you. Ah -- any questions from any Board members? All right seeing none. I will entertain a motion.”

Comptroller: “Mr. President before you call for the motion um -- please note that this item is on pages 72 and 73.”

President: “Okay. I’m sorry thank you, Madam Comptroller. Thank you uh -- I will ask for a motion.”

Comptroller: “I move -- I move that we accept the um -- award for uh -- Vitalis Healthcare LLC.”

Ms. Dana Moore, Acting City Solicitor: “Right and I -- I apologize this is um -- Solicitor Moore I was on -- on mute um -- I join in uh -- Madam Comptroller's uh – recommendation. And I want to formalize uh -- a motion. I move that the protest be denied and that the award be given uh -- as reflected in the Board of Estimates agenda on pages 72 and 73.”
Comptroller: “I second.”

President: “All those in favor say Aye. All opposed say Nay. Uh - - the motion is approved. The protest has been denied. The item has been approved.”

UPON MOTION duly made and seconded, the Board approved the Purchase of Flood Insurance for various properties owned by the City that will be insured through Wright National Flood Insurance Company.
ACTION REQUESTED OF B/E:

The Board is requested to approve a revised contribution schedule for Medicare retirees.

AMOUNT OF MONEY AND SOURCE:

N/A

BACKGROUND/EXPLANATION:

In 2004, the City Council approved the recreation of the Ad Hoc Task Force to Study Benefits (Task Force) for Active and Retired Employees of the City’s Retirement Systems and to propose changes to protect the benefits for these beneficiaries.

The Task Force issued a report in September 2004. One of the recommendations was that the City change its policy of giving the same healthcare and prescription benefits to all retirees regardless of years of service. The Task Force recommended that the City develop a service-based contribution schedule to reward employees with longer service to the City.

In July 2008, the Department of Human Resources implemented the recommendations for Graduated Retiree Benefits. The contribution schedule applies to any employee who retires on or after July 1, 2008, with the City’s contribution to retiree medical benefits based on years of pension service at retirement.

The contribution schedule developed in 2008 is as follows:

<table>
<thead>
<tr>
<th>Years of Service</th>
<th>Contribution % of Standard Premium for Medical</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td>City</td>
</tr>
<tr>
<td>With 15 or more years of service</td>
<td>50%</td>
</tr>
<tr>
<td>With 5 to 9 years of service</td>
<td>20%</td>
</tr>
<tr>
<td>With 0 to 5 years of service</td>
<td>0%</td>
</tr>
</tbody>
</table>
Historically the City has blended the self-insured medical rates for Active, Non-Medicare Retiree, and Medicare Retiree together. Over time, the blending methodology has led to higher health and prescription benefits costs for Medicare retirees. For FY 2021, the City requested Medicare Advantage quotes from all current medical providers in an effort to enact cost-saving measures due to the COVID-19 pandemic.

The City received favorable responses for the Medicare Advantage Plan and beginning in FY 2021, the City will replace the current CareFirst Medicare Supplement plan and Silver Script prescription drug plan with an Aetna Medicare Advantage Plan with Prescription Drugs (MAPD) and a Kaiser MAPD plan and no longer blend Medicare retiree rates with those of active and pre-Medicare retirees. Un-blending rates will result in a change to the existing contribution table and ultimately provide lower costs to Medicare retirees and savings to the City of Baltimore.

For all Medicare retirees with 15 or more years of service, the following contribution schedule for FY 2021 is proposed:

<table>
<thead>
<tr>
<th>Medicare Eligible Retiree Premium Contribution</th>
</tr>
</thead>
<tbody>
<tr>
<td>CareFirst Option</td>
</tr>
<tr>
<td>Standard</td>
</tr>
<tr>
<td>Medicare Eligible Retiree</td>
</tr>
<tr>
<td>2020</td>
</tr>
<tr>
<td>2021</td>
</tr>
</tbody>
</table>

* The CareFirst Medicare Retirees had only one plan option

NOTE: The Medicare-eligible retiree percentage under the Aetna plan is increasing but the actual monthly dollar amount is reducing by approximately 20%.

**APPROVED FOR FUNDS BY FINANCE**

UPON MOTION duly made and seconded, the Board approved the revised contribution schedule for Medicare retirees.

The Board is requested to approve and authorize execution of the First Amendment to Agreement with CareFirst of Maryland, Inc. dba CareFirst Blue Cross BlueShield, Kaiser Foundation Health Plan of the Mid-Atlantic States, Inc., and Aetna Life Insurance Company. The period of the renewal is January 1, 2021 through December 31, 2022, with two 1-year renewal options.

On September 13, 2017, the Board approved the initial award in the amount of $672,995,594.00. The award contained three 1-year renewal options. The City of Baltimore is adding a Medicare Advantage Plan (MAPD), which will include Medical and Prescription Drug benefits offered by Aetna and Kaiser. The new MAPD plan will provide benefits for City retirees and dependents who are eligible for Medicare.
The City is amending the current medical and prescription drug plans to add the MAPD plan to the Aetna and Kaiser coverage options. Additionally, the amendment will terminate the CareFirst Medicare Supplemental and Medicare Part D plans through SilverScript as a coverage option for Medicare Eligible retirees and dependents.

Aetna MAPD will be offered as a full replacement for CareFirst Medicare Supplement and Silver Scripts Prescription Drug plan effective January 1, 2021. All retirees enrolled in the CareFirst Medicare Supplement plan and Silver Scripts Prescription Drug Plan will be automatically enrolled in Aetna MAPD for January 1, 2021. The above amount is the City’s estimated requirement.

**MBE/WBE PARTICIPATION:**

On January 25, 2017, MWBOO set goals of 11% MBE and 4% WBE. On October 10, 2020, Aetna Life Insurance Company and Carefirst of Maryland, Inc. d/b/a Carefirst Blue Cross Blue Shield were found in compliance. On October 10, 2020, with a post-compliance plan for improvement to measure and improve MBE/WBE utilization, National Vision Administrators, LLC and Kaiser Foundation Health Plan were both found in non-compliance. The Board is requested to allow for provisions of a post-compliance plan for both companies to come into compliance.
