President: “Good morning. The October 3, 2018 meeting of the Board of Estimates is now called to order. In the interest of promoting the order in the efficiencies of these hearings, persons who are disruptive to the hearings will be asked to leave the hearing room immediately. Meetings of the Board of Estimates are open to the public for the duration of the meeting. The hearing room must be vacated at the conclusion of the meeting. Failure to comply may result in a charge of trespassing.”

President: “I will direct the Board Members to attention to the memorandum from my office dated October 1, 2018 identifying matters to be considered as routine agenda items together with any corrections and additions that have been noted by the Deputy Comptroller. I would entertain a Motion to approve all the items contained on the routine agenda.”
City Solicitor: “I so move Mr. President.”

Comptroller: “I Second.”

President: “All those in favor say AYE. All opposed say NAY. The motion carries. The routine agenda has been adopted.”

AMOUNT OF MONEY AND SOURCE:

$196,166.00 – 5000-577719-4781-363900-603026

BACKGROUND/EXPLANATION:

The term of the agreement retroactively commences as of June 27, 2018 and will terminate on December 29, 2018 upon the approval by the Board of Estimates.

The purpose of this MOU is to continue the collaboration established between the Department and MD-DNR to provide a summer of environmental enrichment which encourages urban youth to explore, conserve, and enjoy Baltimore’s urban natural environments.

Ninety participants comprised of Baltimore City youth (Youth Workers) will benefit from the Program. This year, the Department is partnering with the MD-DNR to make this experience even more beneficial for the youth by expanding their understanding of the biology and ecology of their work.

This value-added partnership will increase the level of learning and workforce development of the youth workers working in the parks with educational curricula in biology, ecology, stream ecology,

Action Requested by B/E:

The Board is requested to approve and authorize acceptance of a Grant Award from the State of Maryland, Governor’s Office of Crime Control and Prevention (GOCCP) entitled, AIM to B’More. The period of the Grant Award is July 1, 2018 through June 30, 2019.

Amount of Money and Source:

$87,176.00 - 5000-506419-1150-118000-607004

Background/Explanation

The SAO received a Grant Award from the GOCCP for Baltimore City’s AIM to B’More program, which is a crime intervention program serving felony drug offenders in Baltimore City.

The program equips first time, non-violent, felony drug offenders with jobs while simultaneously removing the burden of a criminal record and reduces their chances of reengaging in criminal behavior. The Grant Award supports the salary of one staff member in the amount of $80,389.00 and conference travel fees in the amount of $6,787.00 for a total award of $87,176.00.

The Grant Award is late because it was recently received from the GOCCP.

Office of the State’s Attorney – Intergovernmental Agreement for Baltimore City

ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize the Intergovernmental Agreement (Agreement) between The Baltimore City State’s Attorney’s Office (SAO) and the State of Maryland, Department of Juvenile Services (DJS). The period of the Intergovernmental Agreement is July 1, 2018 through October 14, 2018.

AMOUNT OF MONEY AND SOURCE:

$133,000.00 - 5000-504719-1150-118300-601001

BACKGROUND/EXPLANATION:

This intergovernmental agreement funds the Immediate Charging Project, which allows the SAO to expedite the charging process at the Baltimore Juvenile Justice Center. The primary goal is to reduce case processing time between arrest and final disposition for Baltimore City youth. Funding covers the salaries of three full-time attorneys, and three part-time attorneys for the time period of March 20, 2018 through June 30, 2018. The original award received by the SAO was for two years and approved by the Board on August 10, 2017 in the amount of $922,558.00. The grantor defunded the grant effective December 31, 2017. Subsequently, the DJS reauthorized funding for January 1, 2018 through March 18, 2018 in the amount of $99,843.46, which was approved by the Board on February 7, 2018. The DJS approved additional funding via a purchase order in the amount of $137,000.00 through June 30, 2018; which was approved by the Board on June 20, 2018. The DJS approved additional funding via a purchase order in the amount of $133,000.00 through October 14, 2018.

Re: Protest of W.M. Schlosser Co., Inc.
Contract No. RP17806
Cahill Fitness and Wellness Center

Dear Madam or Sir:

W. M. Schlosser Co., Inc., hereby protests the award of the referenced project to Dustin Construction Co., Inc. ("Dustin"). In support hereof, Schlosser states as follows.

A. Background

1. The protester is W.M. Schlosser Co., Inc. ("Schlosser"), 2400 51st Place, Hyattsville, Md. 20781.

2. The solicitation ("the Solicitation" or "Project") involved Contract No. RP17806 for the Cahill Fitness and Wellness Center.

3. Bids for the Solicitation were opened on May 30, 2018. Schlosser was the apparent second low bidder on the Solicitation.

B. Statement of Facts

1. The Project involves the construction of a new 29,256 SF recreation center at the Cahill Fitness and Wellness Center located at 4001 Clifton Ave, Baltimore, Maryland 21216.

2. Bids were submitted and opened on May 30, 2018. The abstract of bids was as follows:

   Dustin Construction Co., Inc.   $17,908,000
   W. M. Schlosser Co., Inc.      $20,488,000
3. The Solicitation required the submission of both MBE and WBE participation. The goal for MBE was 18% and WBE 4%. (Solicitation page 00300-13).

4. Solicitation page 00300-15 states in bold type: “Only 25% of each contract goal may be attained by expenditures to MBE’s and WBE’s that are non-manufacturing suppliers.”

5. Based upon (3) and (4) together, non-manufacturer suppliers can only account for 25% of the WBE goal. The remaining 75% of the WBE goal must be met through the use of WBE subcontractors.

6. Upon information and belief, Dustin used the following WBE’s:
   - Oelmann Supply $387,000 2.19% Non-manufacturer
   - K Supply $140,743 0.80% Non-manufacturer
   - American Asphalt $126,735 0.72% Subcontractor
   - M & B $1,051.50 0.01% Subcontractor
   - Solar Flooring Group $52,400 0.30% Subcontractor
   Total 4.02%

7. Oelmann’s letter of intent identifies its scope as “electrical supplies”.

8. K Supply’s letter of intent states identifies its scope as “material broker”.

9. Oelmann and K Supply clearly meet the definition of non-manufacturers as defined by the Solicitation page 00300-15.

10. Dustin has listed Oelmann and K Supply for a combined total of $527,743 toward the WBE participation requirement. This equates to 74% of its total WBE participation which is a clear violation of the Solicitation.

11. Dustin did not submit any requests for waiver of the goal.

C. Discussion

Solicitation page 00300-15 states in bold type: “Only 25% of each contract goal may be attained by expenditures to MBE’s and WBE’s that are non-manufacturing suppliers.” This is not only a contract requirement; it is a requirement of the Baltimore City Code. See Article 5, Subtitle 28, Baltimore City Code (2014). Accordingly, award of a contract based on WBE and/or MBE participation that does not meet or exceed contractual and/or code requirements would be illegal and void ab initio. Dustin listed Oelmann and K Supply for a combined total of $527,743 toward the WBE participation requirement. This equates to 74% of its total WBE participation which is a clear violation of the Solicitation.

Solicitation page 00300-14 further provides that any bid that does not include signed Statement of Intent Form(s) and the MBE/WBE Participation Affidavit “is non-responsive and will be rejected.” Implicit in this requirement is that to be responsive the bid forms must show the required participation levels. That non-responsive bids are to be rejected is in keeping with
longstanding government contract practice. See, generally, John Cibinic, Ralph Nash, and Christopher Yukins, *Administration of Government Contracts* 527 (4th Edition 2011) stating “A key element in the sealed bidding system is that nonresponsive bids may not be considered by contracting officers and must be rejected.” The same result obtains here.

**D. Conclusion**

For the foregoing reasons, Dustin’s bid should be rejected as nonresponsive and not in compliance with the terms of the Solicitation. Award should be made to Schlosser as the second apparent low bidder for the project.

*Very truly yours,*

Michael J. Cohen

MWBOO GRANTED A WAIVER.
Bureau of Procurement - Acceptance of Technical Proposal and Opening of Price Proposal

ACTION REQUESTED OF B/E:

The Board is requested to approve acceptance of the technical proposal for B50005249, Diversity and Labor Compliance System from AskReply, Inc. d/b/a B2Gnow, and open their package containing their price proposal.

The Board is further requested to authorize the return of the remaining price proposal to the proposer Early Morning Software d/b/a Prism Compliance Management found to be non-responsive by the Board.

AMOUNT OF MONEY AND SOURCE:

N/A

BACKGROUND/EXPLANATION:

On March 28, 2017, the Board opened two technical proposals for the Diversity and Labor Compliance System. Vendors were solicited by posting on CitiBuy, eMaryland Marketplace, and in local newspapers. One of the proposals received was found responsive and subsequently reviewed by the evaluation committee for technical scoring. The responsive proposal scored by the evaluation committee met the City’s minimum technical score requirements for price opening.

A PROTEST WAS RECEIVED FROM EARLY MORNING SOFTWARE DBA PRISM COMPLIANCE MANAGEMENT.

UPON MOTION duly made and seconded, the Board DEFERRED the item until October 24, 2018.
To the Honorable President and Members:

My company submitted a bid/proposal for the above contract. This solicitation had been issued previously and resulted in a recommendation for award to the same firm presently recommended for award. However, that solicitation was cancelled and rebid due a finding that the Bureau of Purchases had improperly permitted the proposed awardee to submit its bid guarantee after bid opening. The bid check submitted by the proposed awardee with its bid was not certified as required.

Bids for the current solicitation were submitted in two separate envelopes, one for price and the other technical. Bids were opened on March 28, 2018. By letter dated March 29, 2018, we were informed by the Comptroller’s office that our bid was considered non-responsive for failure to include the required bid guarantee. We were told to pick up our bid package by June 27, 2018, or risk that it would be discarded. A copy of that letter is attached as Exhibit 1.

On April 4, 2018, we sent a letter to the Comptroller advising that we had submitted the required bid guarantee in the form of bid bond in the envelope with our price proposal and we included a copy of the bond with our response. A copy of our letter and enclosure is attached as Exhibit 2. We were then told that the Purchasing Agent considered our bid non-responsive because the bid bond should have been included in the envelope with the technical proposal. The Comptroller stated that in similar situations in the past, the City would evaluate the technical proposals pending the opening of price proposals when it could be confirmed as to whether a bid bond had been submitted. We were told that the Purchasing Agent had been made aware of that history, but continued to maintain that our bid was non-responsive.

On June 18, 2018, I had an opportunity to discuss this situation directly with the Purchasing Agent. She indicated that she was upset that her recommendation for award in the first solicitation had been rejected because she continued to believe that it was within her discretion to permit acceptance of the post bid opening certified check. She acknowledged having been advised by the Comptroller’s office of the City’s policy, but because our proposal had been formally declared non-responsive and due to our successful protest of her decision in the first solicitation she lacked the discretion to follow the advice from the Comptroller. Unless directed otherwise by the Board of Estimates, she stated that our technical proposal would not be evaluated.
We then sent a letter to each member of your Honorable Board members seeking a determination that our technical proposal could be evaluated. Because we had not received a response from the other four Board members, the Comptroller having already stated her position, on June 27th, I visited the Comptroller’s office to retrieve our proposal because I believed that was the only way to preserve our work product. The Comptroller’s office did not have the envelope containing our technical proposal and did not know where it was, but did return our price proposal. Before leaving the office, I opened the price proposal envelope so that all could see the enclosed bid bond. I was told that once the bid envelope was returned to me I could not hand it back.

We maintain that we were confronted with this dilemma by the refusal of the Purchasing Agent to permit the evaluation of our technical proposal, in spite of the advice from the Comptroller. We believe that the Purchasing Agent’s stance was motivated not by the best interest of the city or fair and equitable treatment of bidders, but by continuing resentment over the rejection of her initial decision. We should never have been placed in a position where we had to choose between picking up our proposal or have it thrown away. Knowing that we did, in fact, submit a bid bond with our bid, it would be manifestly unfair to award this contract without even evaluating our proposal.

We urge you not to do so but, instead, unless our price proposal can be reinstated, to cancel this solicitation.

Respectfully submitted

Re: B50005249, Diversity and Labor Compliance System(s)

Dear Ms. Stevenson:

Please be advised that your bid, opened on March 28, 2018 on the above-mentioned contract, was considered NON-RESPONSIVE due to your company’s failure to proffer a bid guarantee as mandated by the solicitation instructions.

For this solicitation, bids must be accompanied by a bid bond, certified check, cashier check or other official bank check equal to $8,000.00. Your company failed to submit a bid guarantee for this contract. Since a bid guarantee was not received with your bid submission at the time of the bid opening as outlined in the solicitation instructions, the City will not accept your bid.

Please make arrangements to pick-up your bid package, which will be available in City Hall, Room 204, until June 27, 2018. Materials not picked up by this time will be discarded.

For complete information on all procedures to follow when submitting a contract for the Bureau of Procurement, please contact them at 410 396-5700. For contracts other than the Bureau of Procurement, please contact the appropriate City Agency.

Sincerely yours,

RE: RFP B50005249, Diversity and Labor Compliance System(s)

Dear Ms. Pratt:

Early Morning Software, Inc. dba PRiSM Compliance Management is in receipt of your letter indicating that our Proposal Response to the subject RFP was considered NON-RESPONSIVE due to our company’s failure to proffer a bid guarantee as mandated by the solicitation instructions.

I am writing to provide confirmation that PRiSM Compliance Management did submit a Bid Bond with its Proposal Response. We reviewed the electronic copy of the Financial/Cost Proposal and confirmed the Bid Bond was scanned in among the other Cost proposal submittals. Attached is a copy of the Bid Bond that is enclosed with our Financial/Cost Proposal.

Based upon this evidence, PRiSM Compliance Management respectfully request to have our Proposal be considered RESPONSIVE and transmitted for evaluation. If you have any questions, please contact me at 410.336.4127.

RE: RFP B50005249, Diversity and Labor Compliance System(s)

Dear Ms. Pratt:

On March 29th, 2018, Early Morning Software, Inc. dba PRiSM Compliance Management (PRiSM) received a letter indicating that our Proposal Response to the subject RFP was considered NON-RESPONSIVE due to our company’s failure to proffer a bid guarantee as mandated by the solicitation instructions.

On April 4, 2018, I submitted a letter to your office which provided confirmation that PRiSM Compliance Management did submit a Bid Bond with its Financial Proposal Response. We reviewed the electronic copy of the Financial/Cost Proposal and confirmed the Bid Bond was scanned in among the other Cost proposal submittals. Attached is a copy of the Bid Bond that is enclosed with our Financial/Cost Proposal.

On June 18, 2018, I contacted Erin Sher, the City Purchasing Agent, to ascertain the status of our Proposal being evaluated based upon this evidence. Ms. Sher informed me that she was aware of my letter siting the Bid Bond was submitted timely in the Financial/Cost Proposal. Sher reminded me that PRiSM Compliance Management had filed a protest in the prior solicitation where she had the latitude to allow the bidder to correct the format of their submission. In the case of PRiSM, Sher informed me that the Bureau of Purchases will proceed with the evaluation of the one RESPONSIVE proposal it received, and that PRiSM’s proposal would not be evaluated unless she received a directive from the Board of Estimates.

On behalf of PRiSM Compliance Management, I respectfully request you consider the following facts and request the City Solicitor to render an opinion of the PRiSM Proposal being RESPONSIVE, as the Board has done in the past for bids under similar circumstances.

- PRiSM submitted the Bid Bond on time with its submission of the Financial/Cost Proposal;
- The Bid Bond meets the required format and amount set forth in the RFP;
- It was not clear that the Bid Bond document had to be in Both Proposal Envelopes – Technical and Financial;
- Upon Notification from the Comptroller of the NON-RESPONSIVENESS, PRiSM immediately responded with evidence of the Bid Bond submission;
• There were two proposal submissions, including the one submitted by PRiSM. Evaluation of one proposal does not provide the City a competitive platform for selection of the best solution and pricing; and
• In the RFP, the City described the merit and economic benefit for proposer’s that are Local and/or Minority/Woman Owned Businesses. PRiSM Compliance Management is a Local AND Minority AND Woman-owned Business Enterprise. It is among a hand-full of African American, Woman-owned Software Manufacturers in the America. The other proposer is a white male-owned software company based in Arizona.

In consideration of the above facts, PRiSM Compliance Management request your support to issue a directive to the Bureau of Purchases for our Proposal to be considered conditionally RESPONSIVE and continue through the City’s full evaluation process unless at opening of the Financial/Cost Proposal PRiSM has failed to include the required Bid Bond. If you have any questions, please contact me at 410.336.4127.

Thank you in advance for your consideration and support.

Respectfully submitted,

Department of Law - Settlement Agreement and Release

ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize execution of the Settlement Agreement and Release of the action brought by Mercedes Kent (Plaintiff) against the City for injuries sustained as a result of a fall at or near the intersection of Virginia Avenue and Park Heights Avenue on April 16, 2016.

AMOUNT OF MONEY AND SOURCE:

$75,000.00 - 2044-000000-1450-703800-603070

BACKGROUND/EXPLANATION:

On or about April 16, 2016, at about 9:00 a.m. Plaintiff, Mercedes Kent, 61 years old, was walking on the sidewalk on Virginia Avenue, near its intersection with Park Heights Avenue, when she tripped on a piece of metal that was sticking out of the ground. The metal was the remnants of a street sign pole that had previously been removed. The Plaintiff contends that the City created and failed to repair this dangerous condition after receiving a compliant providing notice of the defect. As a result of the incident, the Plaintiff filed a suit in state court seeking in excess of $75,000.00 in compensatory damages for the injuries sustained to her right hand and wrist, which required surgical repair and are alleged to be permanent in nature. Because of conflicting factual issues and given the uncertainties and unpredictability of jury verdicts, the parties propose to settle the matter for a total sum of $75,000.00 in return for a dismissal of the litigation.

Based on a review of the facts and legal issues specific to this case, the Settlement Committee of the Law Department recommends that the Board approve the Settlement Agreement and Release, in this case as set forth herein.

APPROVED FOR FUNDS BY FINANCE
UPON MOTION duly made and seconded, the Board approved and authorized execution of the Settlement Agreement and Release of the action brought by Mercedes Kent against the City for injuries sustained as a result of a fall at or near the intersection of Virginia Avenue and Park Heights Avenue on April 16, 2016.

The Office of Engineering and Construction found an electric manhole in the footprint of the proposed retaining wall and the proposed generator building had to be relocated before construction of the retaining wall and the generator building begins. The design drawings identified the manhole at a different location. It was found that the Consultant’s Engineers overlooked the manhole during the design stage. The manhole conductors connects the control and power cables to the effluent vault and security cameras. It was agreed that the Contractor would relocate the manhole as described in the written Request for Information 008-1 response notes by Shah and Associates, Consultant Engineers Electric Subcontractor, dated June 16, 2016. The existing control valves must remain in operation until the new duct banks have been installed. The Office of Engineering & Construction is seeking Consultant liability.

The Board is requested to approve and authorize execution of an Agreement with the Baltimore Office of Promotion and the Arts (BOPA) to carry out work related to artist engagements for a Mural to be painted. The period of the agreement is June 7, 2018 through October 31, 2018.

AMOUNT OF MONEY AND SOURCE:

$30,000.00 - 2070-000000-5541-399300-603026

BACKGROUND/EXPLANATION:

DPW operates a summer Youth Worker Program for students in Baltimore City high schools that runs from June to August, annually. For this project, ten youth from the program, and their supervisors will paint an artist-designed mural with a DPW theme which will be further specified in the Scope of Work, on a building owned and operated by the DPW. The DPW would like BOPA, as the arts council of Baltimore, to facilitate the mural project, and manage the qualified community artist contracted to lead the project.

Although the Youth Workers ended their service in August, the program is running through October to complete a number of administrative activities associated with the project.

This agreement is late because of delays in the administrative review process.

**BACKGROUND/EXPLANATION:**

Several watersheds in the Baltimore region are mandated to reduce in polychlorinated biphenyls (PCBs) per total maximum daily loads (TMDLs) in tidal waters of the watersheds (MDE, 2011). These mandated reductions are the responsibility of the MS4 jurisdiction where the watershed is contained. This study will focus on the Back River watershed. This watershed was selected because many organizations are currently collecting data from the Back River watershed and its streams for other purposes and there are two existing stream flow-gaging stations in this watershed. The results of this study will be translatable to other watersheds with PCB TMDLs as well.

**APPROVED FOR FUNDS BY FINANCE**

**AUDITS REVIEWED AND HAD NO OBJECTION.**
UPON MOTION duly made and seconded, the Board approved and authorized execution of the Joint Funding Agreement with the United States Geological Survey to perform a two-year pilot study to demonstrate the use of innovative monitoring and analysis technique for polychlorinated biphenyls.

31. THE SHERWIN WILLIAMS COMPANY
   Contract No. B50005473 - Thermoplastic Pre-Melting Kettle Trailer - Department of General Services, Fleet Management - Req. No. R797845

On August 29, 2018, the Board approved the initial award in the amount of $114,256.10 for the period August 29, 2018 through August 28, 2018. The correct term is August 29, 2018 through August 28, 2019. The Board is requested to approve the correction of the initial term.

MBE/WBE PARTICIPATION:

On April 12, 2018, MWBOO determined that no goals would be set because of no opportunity to segment the contract. This is a commodity purchase from an authorized dealer who is required to provide associated pre-delivery inspection and warranty parts.

UPON MOTION duly made and seconded, the Board approved the Informal Awards, Renewals, Increases to the Contracts, Extensions, and the Correction to the award. The Board further approved and authorized execution of the Selected Source agreement with The Middleton & Meads Company (item no. 27).
ACTION REQUESTED OF B/E"

The Board is requested to ratify the First Amendment to the Individual Training Account (ITA) Agreement with TranZed Apprenticeship Services, LLC (Vendor). This First Amendment to the ITA Agreement will extend the period of the agreement through June 30, 2019.

4000-806718-6312-467253-603051

BACKGROUND/EXPLANATION:

On October 4, 2017, the Board approved the original agreement with TranZed Apprenticeship Services, LLC in the amount of $15,000.00 for the period June 1, 2017 through July 31, 2018. The agreement authorized the Vendor to provide Workforce Innovation and Opportunity Act (WIOA) approved training programs using ITA for qualified individuals.

This First Amendment to the ITA Agreement will extend the period of the original agreement through June 30, 2019 to allow the Vendor time to complete recruitment and qualification of participants.

The remaining funds will be drawn from two different accounts, FY18 WIOA Adult and FY18 WIOA Dislocated Worker. The FY17 WIOA accounts have been closed. All other terms and conditions of the original agreement remain unchanged.
MOED - cont’d

The First Amendment to the ITA Agreement is late because additional time was necessary to reach a comprehensive understanding between the parties.

Department of Transportation - Expenditure of Funds

ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize an expenditure of funds to pay the MTA for Task No. 32 under contract #MTA-1246D with Whitman Requardt & Associates, LLP (WRA). The period of the Task No. 32 is approximately 12 months.

AMOUNT OF MONEY AND SOURCE:

$71,958.61 - 9950-921038-9527-900010-703032

BACKGROUND/EXPLANATION:

On November 4, 2015, the Board approved a Capital Grant Agreement with the MTA (Mass Transit Administration) and the FTA (Federal Transit Administration) to build and operate an electric ferryboat. As a condition of the grant, the Department is required to utilize a federally funded contract to procure engineering services to develop a Request for Proposal (RFP) for performance and design specifications for the vessel, and support facilities in accordance with industry performance standards, and in compliance with the FTA and Coast Guard terms and conditions.

Task No. 32 references the Scope of Work submitted by the WRA dated May 2, 2018. Invoices under this Task Agreement will be sent to the Maryland Department of Transportation Maryland Transit Administration (MDOT MTA) for approval. The MDOT MTA will pay the WRA directly for approved invoices and will bill the City its local Share. The City will be responsible for paying the MDOT MTA payment requests within 30 days of receipt of the bill using its Local Share required by the grant.

The MTA currently has a FTA approved contract that the Department seeks to utilize to engage the consultant to develop PS&E (Plans, Specifications and Cost Estimates) in order to seek public bids to build and operate an electric ferryboat. The Task associated with this work is expected to take approximately 12 months. However, due to the detailed Federal requirements for such an RFP and the
Department of Transportation – cont’d

amount of time needed for this type of procurement the City accepted the MDOT MTA’s offer of technical assistance through the use of its contract authority with the WRA.

The delay in submitting this payment approval is due to delay in receiving documentation from the MTA.

MBE/WBE PARTICIPATION:

The Consultant will comply with title 49 of the Federal Regulations parts 26 (49CFR26) and the 27% DBE goal established in the original agreement.

Department of Transportation - Developer’s Agreement No. 1564

ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize execution of Developer’s Agreement No. 1564 with Avion Commercial Ventures LLC.

AMOUNT OF MONEY AND SOURCE:

$24,481.44

BACKGROUND/EXPLANATION:

Avion Commercial Ventures LLC desires to upgrade an existing water service in the vicinity of their renovation to the 426 West Franklin Street. This Developer’s Agreement will allow the organization to do its own installation in accordance with Baltimore City Standards.

An Irrevocable letter of credit in the amount of $24,481.44 has been issued to Avion Commercial Ventures LLC, which assumes 100% of the financial responsibility.

The Board is requested to approve and authorize acceptance of Grant Award No. MCIN-2019-0001 from the Governor’s Office of Crime Control and Prevention (GOCCP) for the Maryland Criminal Intelligence Network Program award. The period of the Grant Award is July 1, 2018 through June 30, 2019.

The Board is further requested to approve Appropriation Adjustment Order No. 20 grant fund transfer within the Police Department for $860,000.00 from Service 621: Administration and Information Technology to Service 626: Operational and Analytical Intelligence.

AMOUNT OF MONEY AND SOURCE:

$860,000.00 - From: 6000-600019-667600 (Service 621) Administration and Information Technology

To: 5000-510619-2023 (Service 626) Operational and Analytical Intelligence

BACKGROUND/EXPLANATION:

The grant award from the GOCCP is in the amount of $859,394.00.

The Baltimore City Police Department’s Maryland Criminal Intelligence Network Program will help to reduce existing gaps in services and foster collaboration and cooperation among partner agencies and stakeholders.

The program focuses on maximizing all available information and intelligence in order to identify, disrupt, and dismantle gangs and violent criminal networks responsible for the distribution of illegal drugs, firearm related violence, human trafficking,
and other forms of inherently violent criminal enterprises. The program funds provide personnel, equipment, contractual services and other expenses.

This request is late because the award documents were recently received.
