The meeting was called to order by the President.

President: “The October 24, 2012 meeting of the Board of Estimates is now called to order. Today is the first day the Board of Estimates will be televised and I am extremely proud and pleased and relieved after two years of hard by me and my council colleagues will result in citizens having greater access to public information. One of my first actions as Council President in 2010 was to introduce a resolution calling for procedures from three of the City’s most influential decision making bodies to be broadcast to the general public. The Board of Estimates, Liquor Board and BMZA rule on everything from zoning challenges to awarding the multi-million dollar construction contracts. Citizens should not be shut out of these
meetings because of hectic work schedules or family obligations. So because of my efforts and those of the City Council, citizens will now be able to watch these procedures through the cable 25 station, and hopefully on line. For too long, citizens were kept in the dark about decisions made by these powerful boards, because they were not televised or streamlined -- or streamed on-line. I am thrilled that we have ushered in a new era of openness and accessibility and transparency.

President: “I will direct the Board members attention to the memorandum from my office dated October 22, 2012, identifying matters to be considered as routine agenda items together with any corrections and additions that have been noted by the Deputy Comptroller. I will entertain a Motion to approve all of the items contained on the routine agenda.”

City Solicitor: “Move approval of all items on the routine agenda.”

Comptroller: “Second.”

President: “All those in favor say AYE. All those opposed NAY. The routine agenda has been adopted.”

On July 25, 2012, the Board approved a condemnation to acquire the $42.00 ground rent interest in 2036 E. Federal Street. Since that approval, the previous owner agreed to the City’s offer price and would like to proceed with a voluntary sales agreement. Therefore, the Board is requested to rescind its prior approval and approve an option to acquire the $42.00 ground rent interest in 2036 E. Federal Street for $280.00.

Funds are available in account 9910-908087-9588-900000-704040, Miscellaneous Project.

In the event that the option agreement fails and settlement cannot be achieved, the Department requests the Board’s approval to purchase the interest in the above property by condemnation proceedings for an amount equal to or lesser than the option amount.

On May 11, 2012, the City filed a condemnation action to acquire the leasehold interest in the real property located at 4994 Denmore Avenue. On March 28, 2012, the Board approved $7,000.00 to acquire the subject property interest. The owner of the property interest valued it at $27,000.00. The parties agreed to settle the action for $15,000.00. Therefore, the City is requested to approve an additional $8,000.00.

Funds are available in account 9910-903187-9588-900000-704040.

Department of Planning - Agreement

ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize execution of an agreement with Blue Water Baltimore (BWB). The agreement is effective upon Board approval through December 31, 2012.

AMOUNT OF MONEY AND SOURCE:

$42,990.00 - 9905-926005-9188

BACKGROUND/EXPLANATION:

The BWB is a non-profit comprised of four watershed associations plus the Harbor Waterkeeper. Under this contract, using Critical Area offset fee mitigation funds, the BWB will collaborate with the Baltimore City Department of Recreation and Parks to administer a green jobs program for high school age youth in four work teams. The teams will work in City parks, schools and neighborhoods to plant 400 native trees, then water and maintain those trees through the first year. In addition, they will provide follow-up maintenance on trees planted in 2011.

Board of Estimates
Attn: Clerk
City Hall, Room 204
100 N. Holliday Street,
Baltimore, Maryland 21202

Dear Ms. Taylor:

Herein is my written protest on behalf of the underserved and disparately treated citizens of Baltimore City, of which I am a member, in good standing.

The following details are provided to initiate this action as required by the Board of Estimates:

1. **Whom you represent:** Self

2. **What the issues are:** Page 10, Department of Public Works – License Agreement, if approved:
   a. My home town was recently bestowed the honor of being one of the dirtiest cities in America and this purchase squarely reflects the sheer incompetence and borderline malfeasance of this administration to put money directly on the problem!
      i. A $7500.00 Song Jingle that DPW is promoting for the Fall Clean Up is outrageous considering neighborhoods need trash bags and brooms to actually get rid of the trash.
   b. Please provide access to the comprehensive Clean Up strategy which includes this song jingle for inspection.

3. **How the protestant will be harmed by the proposed Board of Estimates’ action:** As a citizen I am experiencing a significant financial burden with annual tax increases, sewer and water service increases, user fee increases, parking meter rate increases and significantly reduce services as a resident. This onerous burden can only be relieved when the cost saving business practices are consistently applied to all procurement actions. This award fails to accomplish that end and will be most costly to the citizens of Baltimore and myself.

4. **The Remedy I Seek:** This award should NOT be approved.

I look forward to the opportunity to address this matter in person at your upcoming meeting of the Board of Estimates on October 24, 2012.

If you have any questions regarding this request, please telephone me at (410) 205-5114.

Sincerely,
Kim Trueheart, Citizen

Baltimore, Maryland 21202

Dear Ms. Taylor:

Herein is my written protest on behalf of the underserved and disparately treated citizens of the Baltimore City who appear to be victims of questionable management and administration within the Department of Recreation and Parks.

The following details are provided to initiate this action as required by the Board of Estimates:

1. **Whom you represent:** Self
2. **What the issues are:**
   a. Page 11, Item #1, Department of Recreation and Parks - Animal Food for Carrie Murray Center – Req. No. R558789, if approved:

         1. Please provide access to the list of animals being fed and their food schedule for inspection.
3. **How the protestant will be harmed by the proposed Board of Estimates’ action:** As a citizen I have witnessed the continued disinvestment in municipal recreation facilities, programs and services. This action services to highlight what I perceive to be disparate policy and practices within the Department of Recreation and Parks which continue to diminish the quality and availability of recreational programs and services available to me and more importantly for our children!

I look forward to the opportunity to address this matter in person at your upcoming meeting of the Board of Estimates on October 24, 2012.

Board of Estimates
Attn: Clerk
City Hall, Room 204
100 N. Holliday Street,
Baltimore, Maryland 21202

Dear Ms. Taylor:

Herein is my written protest on behalf of the underserved and disparately treated citizens of the Baltimore City who appear to be victims of questionable management, oversight and administration of the Baltimore City Public School System under this administration.

The following details are provided to initiate this action as required by the Board of Estimates:

1. **Whom you represent:** Self
2. **What the issues are:**
   a. Page 22, Item 2, Law Department – MARK J. DIMENNA – Employment Contract, if approved:
      i. Mr. Dimenna appears to be unqualified based on very recent demonstrations of his legal knowledge and skills to perform as “Special Assistant Solicitor”.
      ii. Mr. Dimenna has demonstrated a clear lack of ability to interpret and apply the laws of the state of Maryland with respect to public information disclosure;
      iii. Mr. Dimenna has NOT demonstrated that he possesses the requisite knowledge or skills to provide training to City agencies on public information law and requests nor has he demonstrated the ability to advise City agencies on public information policies and assist in litigation involving the City.
   b. Please provide access to documentation demonstrating beyond a dusty law degree that Mr. Dimenna has obtained recent training and/or education regarding Maryland’s Public Information Act.

3. **How the protestant will be harmed by the proposed Board of Estimates’ action:** The effectiveness of any organization is generally a function of the competence of its workforce. The Baltimore City Law Department appears to be lacking in a skilled and capable workforce that can server effectively on behalf of the citizens of Baltimore City.

4. The remedy I seek and respectfully request is that this action is used as justification to stem the continued ineffectiveness of the Law Department and this opportunity be used to more clearly enhance the readiness of the workforce to perform and better serve the public good.

I look forward to the opportunity to address this matter in person at your upcoming meeting of the Board of Estimates on October 24, 2012.

5519 Belleville Ave
Baltimore, MD 21207
If you have any questions regarding this request, please telephone me at (410) 205-5114.

Sincerely,
Kim Trueheart, Citizen & Resident

Health Department – Agreement and Ratification of Agreement

The Board is requested to approve and authorize execution of an agreement and approve ratification of an agreement.

AGREEMENT

1. **AIDS ACTION BALTIMORE, INC.**
   
   **$ 13,500.00**

   Account: 4000-422313-3023-294204-603051

   The organization will use the Non-Radically Identified Rewiring Inner Scripts curriculum to assist men who have sex with men in making the connection between past oppression and current behavior and to better prepare them to participate and engage in other health programs. The period of the agreement is July 1, 2012 through December 31, 2012.

   The agreement is late because the request was received on August 7, 2012.

RATIFICATION OF AGREEMENT

2. **AIDS ACTION BALTIMORE, INC.**
   
   **$ 32,088.00**

   Account: 4000-418712-3080-274430-603051

   On September 20, 2011, the Health Department prepared the agreement in the amount of $32,500.00. Because of budget revisions the agreement was reduced by $412.00 making the total amount $32,088.00. The period of the agreement was July 1, 2011 through December 31, 2011.

   The agreement was signed on October 3, 2011, but was lost during the Department’s internal review.
Health Department - cont’d

The Department is requesting the Board to ratify the agreement and authorize and approve payment to the organization for services rendered.

Space Utilization Committee – Third Amendment to Lease Agreement

ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize execution of the third amendment to the lease agreement with APC Realty and Equipment Company, LLC., a Delaware Limited Liability Company, Lessee, for the rental of a portion of the tower and storage space located at 6201 E. Lombard Street.

AMOUNT OF MONEY AND SOURCE:

$5,400.00 – Annual Rent

BACKGROUND/EXPLANATION:

The lease agreement was entered into on April 17, 2002 to lease a portion of the tower and property located at 6201 E. Lombard Street. The first amendment to the lease was September 2, 2009 which allowed the lessee to add two microwave antennas not to exceed two feet in diameter in return for an additional yearly rent of $4,800.00. The lessor and lessee entered into a second amendment to the lease on March 17, 2010 which allowed the lessee to add one microwave antenna not to exceed two and one half feet in diameter in return for additional yearly rent of $4,200.00.

This third amendment to the lease agreement will allow for the addition of up to nine remote radio heads at an existing site. The lessee will be permitted to add up to nine remote radio heads, along with mounting hardware and coaxial cables (Collectively, the Remote Radio Head Equipment). During the period of the time Radio Head Equipment is installed on the tower lessee will pay the lessor additional rent of $5,400.00. All other terms and conditions of the lease will remain unchanged.
Space Utilization Committee – cont’d

The Space Utilization Committee approved this third amendment to the lease at its meeting of September 11, 2012.

(FILE NO. 55895)

UPON MOTION duly made and seconded, the Board approved and authorized execution of the third amendment to the lease agreement with APC Realty and Equipment Company, LLC.
On the recommendations of the City agency hereinafter named, the Board
UPON MOTION duly made and seconded, awarded the formally advertised contracts
listed on the following pages:

MWBOO FOUND VENDOR IN COMPLIANCE

PROTESTS WERE RECEIVED FROM WASTE MANAGEMENT OF MARYLAND, INC. AND LAWRENCE STREET INDUSTRY, LLC.
President: “The first item on the non-routine agenda can be found on page 39, item four, Trash Removal Services for Baltimore Convention Center. Protests have been received from Waste Management of Maryland and Lawrence Street Industry, LLC. Will the parties please come forward?”

Mr. Corey: “Good morning Mr. President--”

President: “Good morning.”

Mr. Corey: “-- and members of the Board, Thomas Corey, Chief of the Minority and Women’s Business Opportunity Office. Are we hearing Lawrence Waste Management first or Waste Management?”

Mayor: “Council President.”

Mr. Corey: “Are we hearing Lawrence first or Waste Management, there are two protests?”

President: “We’ll hear Waste Management first.”

Mr. Corey: “The Minority and Women’s Opportunity Office found Waste Management uh bid uh to be non-compliant because on their Statement of Intent Form, there is a requirement that you state the services that would be performed by your MBE and WBE and also state the amount or the percentage if it’s a requirements contractor must be on that form. On both the MBE and WBE
Statement of Intent Forms, Waste Management failed to provide this information. So, consequently it’s a material defect in their submission. We found them non-compliant.”

President: “Okay. Do you want speak for Waste Management?”

Mr. Hudnet: “Yes Sir. Good morning.”

President: “Lift the mic up.”

Mr. Hudnet: “Good morning. On that form --.”

President: “You have to state your name.”

Mr. Hudnet: “I’m sorry, Chris Hudnet. I’m the Area Sales Director for Waste Management of Maryland. On the form we completed it, executed it our minority partner signed and executed the document as well, and on the form that actually says percentage or dollar. We have the percentage circled. I would also state that out of the three bids, two were ruled non-conforming, therefore there was only one bid it’s a significant savings to the City almost $69,000.00. Also, I would also state that when you review the BFI bid, uh - it was also non-conforming. They changed on page let’s see, B4R they crossed out and made it a change to the bid form which should also be found non conforming. So we protest and feel that the whole bid should be kicked out and resubmitted.”
Mr. Corey:  “Mr. President, members of the Board, Mr. Hudnet said that he circled the percentage to be on the form. There’s no dollar amount, no percentage amount and nothing circled on the form. If you care to inspect it. On both their forms it’s the same way.”

Director of Public Works:  “Is this the percentage?”

Mr. Corey:  “Figures are supposed to be there. There’s no figure and nothing circled.”

Mr. Hudnet:  “So, we would still state that BFI’s bid is also non-conforming because they changed their bid on page B4R.”

President:  “Okay, next.”

Comptroller:  “Is that correct Mr. Corey?”

President:  “Is that correct?”

Mr. Corey:  “To what?”

Comptroller:  “Did he change his bid?”

Mr. Corey:  “With Law --?”

Comptroller:  “Four.”

Mr. Corey:  “Page four?”

Comptroller:  “The statement -- is it true?”

Mr. Hudnet:  “On BFI’s bid.”
Mr. Corey:  “Well let me look it Madam, (inaudible) said we didn’t see that.”

City Solicitor:  “Was that an item raised in the Written Bid Protest?”

Mr. Hudnet:  “Uh our bid protest was generic and stated that it was --.”

City Solicitor:  “I’m sorry it was generic.”

Mr. Hudnet:  “We were protesting the outcome in the --.”

City Solicitor:  “But did you specify the problem with the BFI in your bid protest materials?”

Mr. Hudnet:  “We did not specify that. We were unable to review the bids prior. We had made numerous requests from the City to allow us to come in review. We weren’t able to review them until 8:30 this morning.”

Mr. Corey:  “Well in answer to your question Madam Comptroller. There is nothing on the MBE submission forms that says that anything was changed by BFI.”

Mr. Hudnet:  “It’s not on the minority form it’s on the submission of the pricing form.”

Comptroller:  “Does that make a difference?”
Mr. Corey: “Not to us. I mean that’s not within our scope of duties. That would be with the Purchasing Department.”

City Solicitor: “And I’m sorry, to whom did you make a request to review the bids, and who denied you the opportunity to review until 8:30 this morning, if anyone?”

Mr. Hudnet: “We made numerous ah, Dale can you help out with some names here? We made numerous requests, numerous people within the City Purchasing Department. Finally ah --.”

Mayor: “Correct me if I’m wrong, but the Comptroller maintains those documents, correct?”

Mr. Krus: “That is correct. Tim Krus, Bureau of Purchases.”

Comptroller: “And Ms. Taylor --.”

Mr. Hudnet: “Mr. Krus was copied on these.”

Mr. Krus: “We also have here the price opening sheet, when the Comptroller opens the prices.”

Comptroller: “Yeah. And Ms. Taylor, I was in the office with her yesterday when she when you talked to her and she told you that you could review the bids.”

Mr. Hudnet: “Yes and she made them available to me this morning.”

Comptroller: “Right, but they were denied by Purchasing you said.”
Mr. Hudnet: “All of our requests were not responded to.”

Comptroller: “Right and then when you responded then when you called the Comptroller’s Office we responded?”

Mr. Hudnet: “That is correct.”

Comptroller: “Thank you.”

Mr. Hudnet: “I was told I could review them at 8:30 this morning.”

Mr. Krus: “The Bureau of Purchases typically refers bidders to the Comptroller’s Office to look at the public copy of the bid.”

Mayor: “That’s the job of the Comptroller, correct?”

Mr. Krus: “That is correct.”

Mayor: “To maintain the public records.”

Mr. Krus: “That is correct.”

Comptroller: “But, what you are saying is that you never got a response from the Purchasing Department, so you didn’t know that you that they referred you because they were non responsive.”

Mr. Hudnet: “That is correct.”

Mr. Krus: “Madam Comptroller that was also not part of this protest. So, there is no opportunity to investigate that either.”
President: “Mister are you from Lawrence?”

Mr. Evans: “Yes, sir.”

President: “You can come on up. Is yours different from his?”

Mr. Evans: “Yes, sir.”

Comptroller: “State your name?”

Mr. Evans: “Sam Evans, Projects Manager for Lawrence Street Industries. My protest this morning in reference to the above referenced bid is that we feel that the SW3 is a part of the bid package solicitation -- uh states the method of award and in that method of award it does not say anything about requirement or mandatory uh -- set aside for the MBE process. We took that to understand in our understanding that we had two options. We could choose the MBE or the WBE. We chose the higher of the two and did fill out the necessary forms to that effect and do understand that we are to abide by that according to GC18 which is the general conditions. Submission of Affidavits A -- part A through D refer to MBE/WBE participation as “or” order. So, it may be a misunderstanding on our part, but I would also mention that it’s conceivably should have been listed as a mandate or a requirement in a part of the evaluation factors as an item of
dismissal to not to abide by those. Also this morning as we reviewed the bids, we also noted that on the price sheet that there is a material defect on the addendum one, which is a modification to the pricing sheet, and on that modification, we see that the preferred vendor in this particular case did strike out items on the price sheet and did write in what they believed or to conceive that pricing document to convey. That’s a material defect to the pricing sheet.”

President: “Mr. Corey.”

Mr. Corey: “I can respond to the MBE/WBE portion as far as the pricing information I will defer to Mr. Krus. On the MBE/WBE portion of his bid, we found them non-compliant because under the MBE laws of the City of Baltimore, you must commit to trying to meet the MBE and the WBE goal. You cannot choose the higher one and not do the other. That’s the position he’s taken. Secondly on the form itself, the affidavit that he speaks of is very easy to word or that’s a misreading of the form. On that form you are required to put a dollar amount if it’s a flat fee type contract or a percentage if it’s a requirements contract, and in this instance he just put the MBE amount or percentage
for the uh -- on that form and he didn’t commit to achieving the WBE goal nor did they request a waiver of the WBE goal. So, we found them non compliant.”

President: “Okay.”

City Solicitor: “Mr. Krus is anything can say this morning to address the contention merely a notion from I gather from both protesters about the BFI.”

Mr. Krus: “Be more than I’ve already said that the prices were opened by the Board in its normal process. No material defect was seen by the Board at the time of price opening and a defect in the winning bidder’s price was not part of either of these protests. So, as far as we’re concerned we still recommend the award to BFI.”

President: “I entertain a Motion.”

City Solicitor: “Let me if it’s okay Mr. Council President.”

President: “Go ahead.”

City Solicitor: “Let me make two separate motions, because we have two bid protests. On the Waste Management protest I would move that we deny the protest and accept the recommendation and that communication snafu by Waste Management is a very large
sophisticated firm that’s done business with the City for years and years. In many respects I would expect them to know that if they wanted to examine bid materials they should be coming to the Comptroller’s Office because that’s where they are maintained and I think the issue is too late to be raised. So, I would move to deny that protest.”

Director of Public Works: “Second.”

President: “All those in favor say AYE. Please note that I vote NO.”

City Solicitor: “I entertain a second motion.”

President: “I entertain a second a Motion.”

City Solicitor: “In the second Motion I would move to deny the protest and confirm the recommendation for award. I think the misreading of the MBE/WBE form requirements is something that I’ve never seen any other vendor or bidder make and I think the forms are pretty clear. You have to reach out and deal with both the MBE and the WBE requirements. So, I would deny that protest and affirm the recommendation for the same reasons as BFI Waste Management case.”
Director of Public Works: “Second.”

President: “All those in favor say AYE. All opposed NAY. Please note that I vote NO.”

Attn: Clerk, Room 204 City Hall

Dear Clerk,

Re: Solicitation Number B50002400, Trash Removal Services for the Baltimore Convention Center

I am the Public Sector Manager of Waste Management of Maryland, Inc. ("WMMD"), which submitted a bid according to the above-referenced solicitation. I understand that the City of Baltimore, Bureau of Purchases, Department of Finance ("City"), intends to make an award of the contract under the above solicitation to a company other than WMMD, even though WMMD’s bid price of $357,607 was the lowest price offered by any bidder. As a responsible bidder submitting the lowest responsive bid to the solicitation, WMMD should be awarded the contract, and any failure by the City to award the contract to WMMD under such circumstances would create an irreparable injury to WMMD and to the taxpayers from which the contract funds are derived. I would appreciate the opportunity to meet with the City’s representatives as soon as possible to discuss this matter. WMMD reserves all rights and legal remedies in relation to this matter.

Very truly yours,

Christopher Hudnet

Police Department – Interagency Agreement

ACTION REQUESTED OF B/E:

The Board is requested to approve an interagency agreement with the Baltimore City Health Department (BCHD). The period of the agreement is July 01, 2012 through June 30, 2013.

AMOUNT OF MONEY AND SOURCE:

$90,700.00 - 4000-468311-2252-694201-600000

BACKGROUND/EXPLANATION:

The Baltimore City’s Juvenile Assistance Grant 6 Program supports “Safe Streets Strategy” to stop or reduce the shootings and killings occurring in Baltimore City. Among the objectives, one of them is to obtain the public’s trust through targeted enforcement, community engagement and building strong partnerships among criminal justice agencies.

This agreement with the BCHD will strengthen and allow for collaboration with city-wide community-based crime prevention programs.

APPROVED FOR FUNDS BY FINANCE

A PROTEST WAS RECEIVED FROM MS. KIM TRUEHEART.

The Board of Estimates received and reviewed Ms. Trueheart’s protest. As Ms. Trueheart does not have a specific interest that is different from that of the general public, the Board will not hear her protest. Her correspondence has been sent to the appropriate agency and/or committee which will respond directly to Ms. Trueheart.

UPON MOTION duly made and seconded, the Board approved the interagency agreement with the Baltimore City Health Department.

Board of Estimates
Attn: Clerk
City Hall, Room 204
100 N. Holliday Street,
Baltimore, Maryland 21202

Dear Ms. Taylor:

Herein is my written protest on behalf of the underserved and disparately treated citizens of the Baltimore City who appear to be victims of poor fiscal administration and management by the Mayor of Baltimore City and the various Departments and Agencies under our mayor’s leadership and direction.

The following details are provided to initiate this action as required by the Board of Estimates:

1. **Whom you represent:** Self

2. **What the issues are:**
   a. Pages 41, Health Department – Interagency Agreement - Police Department, if approved:
      i. The agreement appears to contradict one of the fundamental elements of the Chicago Safe Streets model which specifically distanced itself from overt associations with the Police Department.

3. **How the protestant will be harmed by the proposed Board of Estimates’ action:** This action commits $90,000.00 for services without specific measurable desired outcomes or goals. As a citizen I am significantly impacted by poor fiscal administration and management within my home town government. These details are important for the public to feel comfortable that our scarce tax dollars are NOT being haphazardly expended and thus potentially producing little or NO public benefit. The limited information provided appears to be worthy; however, I and the rest of the public deserve more insight and details about this expenditure.

4. **The remedy I seek and respectfully request is that this grant NOT be approved until the details about measurable goals are disclosed to the public.**

I look forward to the opportunity to address this matter in person at your upcoming meeting of the Board of Estimates on October 24, 2012.

If you have any questions regarding this request, please telephone me at (410) 205-5114.

Sincerely,
Kim Trueheart, Citizen & Resident

Bureau of Water and Wastewater – Payment of Outstanding Invoice for Southwest Transmission Main

ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize an expenditure of funds to pay the outstanding invoice for repairs to the Southwest Transmission Main under Water Contract 1080.

AMOUNT OF MONEY AND SOURCE:

$50,533.64 - 9960-903689 -9557-900020-703032

BACKGROUND/EXPLANATION:

This expenditure of funds will be used to pay the outstanding invoice for the City's portion of the costs to repair the 54" water transmission main repaired by Baltimore County. The City's total cost share of the project cost is $52,298.96. However, $1,765.32 was paid to Baltimore County on March 31, 2009.

AUDITS REVIEWED AND HAD NO OBJECTION.

UPON MOTION duly made and seconded, the Board approved and authorized the expenditure of funds to pay the outstanding invoice for repairs to the Southwest Transmission Main under Water Contract 1080. The President ABSTAINED.
Department of Transportation – Traffic Mitigation Agreement

**ACTION REQUESTED OF B/E:**

The Board is requested to approve and authorize execution of a traffic mitigation agreement with Fells Point Station, LLC. The period of the traffic mitigation agreement is effective upon Board approval and termination will be deemed in writing by the Department.

**AMOUNT OF MONEY AND SOURCE:**

$28,400.00 – 9950-902071-9514-000000-490375

**BACKGROUND/EXPLANATION:**

Fells Point Station, LLC proposes to construct 3,000 gross square feet of retail space and 47 apartments for Fells Point Station located at 1621 Bank Street.

Under the terms of this agreement, Fells Point Station, LLC. will make a one-time contribution in the amount of $28,400.00 to fund the City’s multimodal transportation improvements in the project’s vicinity.

**APPROVED FOR FUNDS BY FINANCE**

(FILE NO. 56537)

UPON MOTION duly made and seconded, the Board approved and authorized execution of the traffic mitigation agreement with Fells Point Station, LLC.
ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize execution of amendment no. 3 to agreement with Jacobs Engineering Group, Inc. The amendment no. 3 to the agreement extends the period of the agreement through October 11, 2014.

AMOUNT OF MONEY AND SOURCE:

N/A

BACKGROUND/EXPLANATION:

On October 11, 2006, the Board approved an agreement with Jacobs Engineering Group, Inc., formally known as Edward & Kelcey, Inc., to perform engineering design services in connection with Project 1007, Dundalk Avenue Streetscape. On September 10, 2008, the Board approved amendment no. 1 to the agreement for a two-year time extension to fully complete extra work. On November 24, 2010, the Board approved amendment no. 2 for a two-year time extension to finish the project and post award services. This additional request for a two year time extension is needed for services to be provided during the construction phase of the project.

MBE/WBE PARTICIPATION:

The consultant will continue to comply with Article V, Subtitle 28 of the Baltimore City Code and the MBE and WBE goals established in the original agreement.

AUDITS NOTED THE TIME EXTENSION.
Department of Transportation - cont’d

UPON MOTION duly made and seconded, the Board approved and authorized execution of the amendment no. 3 to agreement with Jacobs Engineering Group, Inc.
Department of Transportation - Memorandum of Understanding

ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize execution of a memorandum of understanding (MOU) with the Maryland Transit Administration (MTA).

AMOUNT OF MONEY AND SOURCE:

N/A

BACKGROUND/EXPLANATION:

The MOU outlines roles and responsibilities of both parties in the design and construction of the Red Line Transit project. The project is a 14.1 mile light rail system proposed to operate from Woodlawn to Bayview Medical Center via downtown Baltimore. The $2,500,000,000.00 project is to be owned and operated by the MTA, but the City plays a critical role in the development of the project.

The Red Line continues to move forward on an aggressive timetable to begin construction in late 2014 and open for service in 2021. President Obama has designated the Red Line as one of a dozen projects nationally for expedited environmental review under his “We Can’t Wait” initiative. The Federal Transit Administration (FTA) has granted Preliminary Engineering status to the project, which secures a spot in the federal funding when the project is ready for construction; and, by the end of this fiscal year, the State will have spent nearly $300,000,000.00 in planning, engineering and right-of-way acquisition costs for the project. In order to grant approval to the Final Environmental Impact Statement through a Record of Decision, the FTA has requested that the local government and other major stakeholders reach an agreement that confirms
various planning assumptions and confirms commitments from the City. The agreement provides for areas where the State will reimburse the City for certain activities.

Key provisions of the agreement include:

- a commitment by the City to relocate Department of General Services/Department of Public Works facilities at Calverton Road and Franklin Street at the City’s expense, except for that portion of the cost which is associated with either the water or wastewater utility fund,

- assignment of “prior rights” to the MTA for relocation of various utilities (gas, electric, telephone, etc.) so that the costs will be borne by the utility rather than the MTA (If the City were constructing the project, the utility would pay for relocation.),

- inclusion of additional width and loading capacity for light rail when the Edmondson Avenue bridge over CSX/Hilton Street is reconstructed next year,

- complete construction of the Boston-O’Donnell Connector Road (“Boh-Donnell Street”) prior to construction of the Red Line in this area,

- acquisition of land for and construction of a parking lot for the Red Line/Bayview MARC Station on Lombard Street (The new Bayview MARC station is in design and planned for opening by 2018.),
no cost acquisition of all City right-of-way needed for the project; additionally, the City will take the lead in private property acquisition, subject to full reimbursement by the MTA for the City’s staff, legal and real property costs,

a commitment to station design review by UDARP and the inclusion of public art in the project,

reimbursement by the MTA of specialty design review costs such as Fire Department life safety analysis, etc,

commitment for an aggressive local workforce and disadvantaged business enterprise program, and

subject to the approval of the General Assembly, the MTA has agreed that any unreimbursed City costs will be deducted from any financial contribution to the project which may be required in the final project financing package.

The MOU has been signed by the Director of Transportation and concurred with by the Directors of the Departments of Public Works, Recreation and Parks, General Services, Housing and Community Development, Planning and Law.

(FILE NO. 57223)

A PROTEST WAS RECEIVED FROM MS. KIM TRUEHEART.

The Board of Estimates received and reviewed Ms. Trueheart’s protest. As Ms. Trueheart does not have a specific interest that is different from that of the general public, the Board will not hear her protest. Her correspondence has been sent to the appropriate agency and/or committee which will respond directly to Ms. Trueheart.
Today there is one -- uh today one of the items is the approval of the Memorandum of Understanding the Red Line Transit projects. The agreement is with the uh -- Maryland Transit Administration. It outlines the City’s commitment in helping to get the Red Line Transit project under construction by late 2015. This major milestone exemplifies our commitment toward ensuring final approval of the Red Line project and securing the multitude of economic impact for Baltimore residents. The Red Line is so much more than a transportation project. It will be a driver for community development and neighborhood revitalization. To really improve the environment across the City and it’s a model for responsiveness and civic engagement. We know that the Red Line, will bring more employment opportunities, business ventures and local investment, things that we need to get our City growing again. The Red Line, a 14.1 mile east west transit line will connect the Woodlawn area of Baltimore County through west Baltimore, Downtown, southeast Baltimore and ending in the new east Bayview Marc station. The Red Line Transit project will build uh -- 19 conveniently located stations in communities in downtown Baltimore and near major attractions and employment centers. This $2.5 billion
A dollar project will serve more than 55,000 people per day and connect the existing Light Rail to Metro subway as well as the Marc train. Over the past year, the Red Line Project Office has been negotiating the framework agreement with MTA for the City’s participation in the final design and construction of the Red Line Transit Project. The agreement sets a high standard for local government commitment to the Red Line Transit Project. The Red Line MOU confirmed various planning assumptions and seeks various in-kind commitments from the City. Likewise, the agreement provides for areas where the State will reimburse the City for certain activities. The agreement commits the City to constructing projects necessary to building the Red Line such as widening up Edmondson Avenue Bridge over Gwynns Falls in west Baltimore during its planning reconstruction and the construction of the Boston Street O’Donnell Street Connector Road in southeast Baltimore. Another key provision in the Red Line MOU is the MTA’s commitment for an aggressive local workforce and disadvantaged business enterprise program. With this agreement, we are confident that Baltimore will continue to
collaborate with all of our partners to make the Red Line Project a reality for Baltimore and its citizens, and before I close I want to recognize our colleague in government Councilman Robert Curran for being here today. Thank you very much Mr. President.”

President: “Thank you.”

UPON MOTION duly made and seconded, the Board approved and authorized execution of the memorandum of understanding with the Maryland Transit Administration.

Board of Estimates
Attn: Clerk
City Hall, Room 204
100 N. Holliday Street,
Baltimore, Maryland 21202

Dear Ms. Taylor:

Herein is my written protest on behalf of the underserved and disparately treated citizens of the Baltimore City who appear to be victims of a lack of vision, poor fiscal planning and management and a complete failure to provide transparent communications about priorities and outcomes by the Mayor of Baltimore City and the various Departments and Agencies under her leadership and direction.

The following details are provided to initiate this action as required by the Board of Estimates:

1. Whom you represent: Self
2. What the issues are:
   a. Page 45, Department of Transportation - Memorandum of Understanding - MTA, if approved:
      i. Fails to provide the details of the “commitment for an aggressive local workforce and disadvantaged business enterprise program”;
      ii. Fails to note that at least ½ of 1% of the appropriated federal transportation funding will be expended on workforce development of local residents;
      iii. Fails to note that the MOU has been concurred with by the Director Mayor's Office of Minority and Women-Owned Business Development (MWBD);
      iv. Fails to note that the details of the commitment are in support of the MWBD strategic visioning.
3. How the protestant will be harmed by the proposed Board of Estimates’ action: The mere thought that a $2.5B federal transportation project beginning in 2014 does NOT include a significant minority and/or disadvantaged workforce engagement commitment is troubling. This MOU is the precise method to address JOBs for many underserved and unemployed BMore workers and ensure workforce training will be included in the project. When opportunities to bring services to the underserved go without local investment my community and I suffer needlessly because of the resulting bad outcomes.
4. The remedy I seek and respectfully request is that this action be delayed until the issues identified in paragraph 2, above are fully addressed.

On June 6, 2012, the Board approved the original travel request in the amount of $1,471.40.

It was necessary for Ms. Holton to extend her stay for one day because the conference ended later than anticipated, therefore ground transportation arrangements were delayed to allow for daytime travel. In addition she incurred costs for the membership fee and luncheon of $135.00 and $17.60 for cab fares making the total amount of the travel expenses $1,710.04.
On August 6, 2012 Ms. Holton submitted an expense statement for a portion of the additional expenses in the amount of $152.60 in expenses. The August 6, 2012, request was submitted without Board approval. Ms. Holton is requesting approval of the reimbursement of $152.60, already received and the remaining $86.04 in expenses.

**Land Disposition Agreement**

**ACTION REQUESTED OF B/E:**

The Board is requested to approve and authorize execution of a land disposition agreement with Church of God and Saints of Christ (Church) for the sale of a vacant lot located at 1608-1610 Ashland Avenue in the Gay Street I Urban Renewal Area.

**AMOUNT OF MONEY AND SOURCE:**

$1,000.00 – Sale Price

**BACKGROUND/EXPLANATION:**

Private owners in the City are given the opportunity to purchase City-owned vacant lots that are adjacent to their properties. The Church's property is located at 1606 Ashland Avenue, next to a City-owned lot at 1608 Ashland Avenue. The vacant lot will be converted into an "urban produce garden." The Church intends to grow and harvest its own locally produced produce that will be mostly vegetables, without spending a lot of money and energy expenditure that is required to import the same types of food from other parts of the country. The conversion of the lot will consist of five garden beds with raised frames of cement blocks. The garden will also be surrounded by a fence. The Church plans to invest approximately $1,750.00 into this project. Much of the labor will be provided by the Church’s members. Once transferred and redeveloped, the lot will be active and will no longer cost the City in maintenance. The redevelopment will also stop the blight influence in the community.

The Waiver Valuation process was used in lieu of an appraisal. The DHCD has determined the price of the lot using available real estate data. The vacant lot has been priced at $1,229.00.
STATEMENT OF PURPOSE AND RATIONALE FOR SALE BELOW THE VALUE DETERMINED BY THE WAIVER VALUATION PROCESS:

The property is being sold for less than the price determined by the Waiver Valuation Process because of these factors:

1. the lot has been vacant for a number of years and the Church has been maintaining it,

2. selling it will save the City the cost of removing the dumped materials on the lot,

3. the lot is located next to the church and creating a blight influence not only on the Church, but also on the community as a whole,

4. the developer is a non-profit organization and the project is one that will benefit the community, and

5. the developer's offer to purchase was the only response to the offer to sell and selling the lot will bring it to a productive use.

(FILE NO. 57211)

UPON MOTION duly made and seconded, the Board approved and authorized execution of the land disposition agreement with Church of God and Saints of Christ for the sale of a vacant lot located at 1608 - 1610 Ashland Avenue in the Gay Street I Urban Renewal Area.
Department of Housing and - Lien Release
    Community Development

**ACTION REQUESTED OF B/E:**

The Board is requested to approve the release of liens, plus all accrued interest and/or penalties on the vacant property located at 1631 Thomas Avenue, for the transferee, Coppin State University.

**AMOUNT OF MONEY AND SOURCE:**

$10,085.55, plus all accrued interest and/or penalties

**BACKGROUND/EXPLANATION:**

Pursuant to the Annotated Code of Maryland, Tax Property 14-806, the Board has the authority to release liens against real property under certain circumstances. In this case, the property in question complies with all requirements under the lien release law:

- the property is a vacant building,
- the liens exceed the assessed value of the property, and
- the transferee will redevelop the property and return it to productive use within a reasonable time and eliminate blighting conditions.

The transferee, will redevelop the vacant property, return it to productive use within a reasonable time, and eliminate blighting conditions. Coppin State University will assemble properties as part of a ten-acre site for the construction of a new Science and Technology Center. The release of liens on the property will make it financially feasible for redevelopment to move forward and prevent tax abandonment.
Prior to settlement, transferee will pay the purchase price listed in the agreement of sale in the amount of $21,100.00 which comes to the City. This amount exceeds the flat tax and water charges of the property in the amount of $4,084.14. The amount paid will be applied to satisfy the water bill, real estate flat tax first and other liens that have accrued prior to the date of this lien release.

Any additional property tax assessments, water charges, and liens that accrue from the date of this lien release will be the responsibility of the transferee to pay prior to settlement. Failure to record the deed and pay the purchase price of $21,100.00, within 120 days from the date of approval by the Board, will void this release.

(FILE NO. 57120)

UPON MOTION duly made and seconded, the Board approved the release of liens, plus all accrued interest and/or penalties on the vacant property located at 1631 Thomas Avenue, for the transferee, Coppin State University.

ACTION REQUESTED OF B/E:

The Board is requested to approve the release of liens, plus all accrued interest and/or penalties on the vacant property located at 1628 N. Warwick Avenue, for the transferee, Coppin State University.

AMOUNT OF MONEY AND SOURCE:

$9,404.42, plus all accrued interest and/or penalties

BACKGROUND/EXPLANATION:

Pursuant to the Annotated Code of Maryland, Tax Property 14-806, the Board has the authority to release liens against real property under certain circumstances. In this case, the property in question complies with all requirements under the lien release law:

• the property is a vacant building,
• the liens exceed the assessed value of the property, and
• the transferee will redevelop the property and return it to productive use within a reasonable time and eliminate blighting conditions.

The transferee, will redevelop the vacant property, return it to productive use within a reasonable time, and eliminate blighting conditions. Coppin State University will assemble properties as part of a ten-acre site for the construction of a new Science and Technology Center. The release of liens on the property will make it financially feasible for redevelopment to move forward and prevent tax abandonment.
Prior to settlement, transferee will pay the purchase price listed in the agreement of sale in the amount of $20,000.00 which comes to the City. This amount exceeds the flat tax and water charges of the property in the amount of $1,896.56. The amount paid will be applied to satisfy the water bill, real estate flat taxes first, and other liens that have accrued prior to the date of this lien release.

Any additional property tax assessments, water charges, and liens that accrue from the date of this lien release will be the responsibility of the transferee to pay prior to settlement. Failure to record the deed and pay the purchase price of $20,000.00, within 120 days from the date of approval by the Board, will void this release.

This transfer will provide Community Development Block Grant funds to the Baltimore Office of Promotion and the Arts for the Baltimore Mural Program for fiscal year 2013.

(The transfer of funds was approved subject to receipt of a favorable report from the Planning Commission, the Director of Finance having reported favorably thereon, as required by the provisions of the City Charter.)

On May 2, 2012, the Board approved the Resolution authorizing the Commissioner of the Department of Housing and Community Development (DHCD), on behalf of the Mayor and City Council, to file a Federal FY 2012 Annual Action Plan for the following formula programs:

1. Community Development Block Grant (CDBG)
2. HOME Investment Partnership Act (HOME)
3. Emergency Solutions Grant (ESG)
4. Housing Opportunity for People with AIDS (HOPWA)

The DHCD began negotiating and processing the CDBG agreements effective July 1, 2012 and beyond, as outlined in the Plan, pending approval of the Resolution. Consequently, the agreements were delayed due to final negotiations and processing.

**APPROVED FOR FUNDS BY FINANCE**

**AUDITS REVIEWED AND HAD NO OBJECTION.**
UPON MOTION duly made and seconded, the Board approved and authorized execution of the aforementioned various agreements. The Transfer of Funds was approved SUBJECT to receipt of favorable report from the Planning Commission, the Director of Finance have reported favorably thereon, as required by the provisions of the City Charter. The President ABSTAINED on item no. 3.
The Board is requested to approve and authorize execution of the local government resolutions.

The below listed organizations are applying to the State of Maryland’s Community Legacy Program (CLP). A local government resolution of support is required by the State for all applications to the program for funding.

1. **THE AUTOGRAPH PLAYHOUSE, INC** $30,000.00 (CLP)

   The Autograph Playhouse, Inc., located at 9 W. 25th Street, proposes to replace existing heating and cooling system controls and air handlers within a controlled building. The vision of the playhouse is to attract business and arts partnerships, which will utilize the Playhouse as a self-sustaining, multi-use facility and incubator for such diverse cultural initiatives as a community café, a teaching theatre, festival competitions, and leasing opportunities for local, regional and national arts programming.

   The mission of The Autograph Playhouse, organized in 2011, is to provide a venue to serve locally based performing artistic organizations, repertory companies and community groups to express their art with an expectation of excellence and professional quality.

2. **120 WEST NORTH AVE, LLC** $100,000.00 (CLP)

   120 West North Avenue, LLC proposes the Loads of Fun Arts Project to upgrade the building located at 120 West North Avenue to comply with current codes for existing and projected use. The project will allow for the installation of a modern fire protection sprinkler and alarm system to a 24,000 square foot, circa, 1900 historic building.
Loads of Fun Arts are twenty artists’ studios, thirty-four artists’, four theatre groups, and two theatres. Loads of Fun Arts is a part of an overall strategy to create a vibrant multi-cultural center for entertainment and the arts. The organization is located in the Station North Arts and Entertainment District.

3. **JUBILEE BALTIMORE, INC.**  
   $100,000.00  
   (CLP)

Jubilee Baltimore, Inc., located at 1228 North Calvert Street proposes a project to provide a new roof to the building so that it may be transformed into a 66,000 square foot multi-use arts hub.

Jubilee Baltimore, Inc., a non-profit corporation, has the mission of helping people of Baltimore to build neighborhoods that are safe, stable, historic, attractive and diverse. The organization works to develop both affordable and market-rate housing and brings experience in historic renovation and community planning.

4. **CENTRAL BALTIMORE PARTNERSHIP’S**  
   $65,000.00  
   (CLP)

The Central Baltimore Partnership’s “Façade Renovation Project” located at 5 and 29 East North Avenue, proposes restoring the façades of the buildings located at 5 and 29 East North Avenue. The project will renovate the facades of two buildings of two live-in artists’ residents in the Station North Arts and Entertainment District.

Mr. Martinez is an architect living in the building at 5 E. North Avenue while Lat Naylor, an Industrial Designer occupies the building located at 29 E. North Avenue. Both individuals act as project managers.
5. BALTIMORE DESIGN SCHOOL $100,000.00 (CLP)

The Baltimore Design School is a new public middle school that will focus on three specific areas of design: Fashion Design, Architecture, and Graphic Design. The mission of the Baltimore Design School engenders a belief that all students, with good instruction and practice, can learn art and design skills, and achieve high standards in their academic program. The organization values student interests in drawing fashion ideas, creative problem-solving, three dimensional ability, planning and building, and communicating visually through graphics. The school values students who see problems that need new solutions, who envision possibilities, and imagine a better world.

The Baltimore Design School, currently located at 1101 Winston Avenue proposes to complete the streetscape, ornamental fencing and high visibility signage as part of the restoration of a 117,000 square foot vacant industrial building, located at 1500 Barclay Street to permanently house the Baltimore Design School.

6. HOW-NOR LP $20,000.00 (CLP)

The How-Nor LP, located at 200 W. North Avenue, proposes a project to provide a safe, secure parking area that will support businesses within the growing Station North Arts and Entertainment District. The project includes new monumental steel fencing, new lighting, new parking lot controls, new security cameras that allow both remote and on-site monitoring and entry gates, new striping arrangements and a new entrance from the cross street to the North, which is much safer than using Howard Street. This project will be a self-pay facility, with an electronically managed access and payment system.
DHCD – cont’d

7. **SEAWALL DEVELOPMENT COMPANY, LLC** $100,000.00 (CLP)

The Seawall Development Company, LLC, located at 2601 N. Howard Street, proposes to renovate ten row-houses on Remington Avenue and sell these homes as affordable housing to first-time home buyers. Seawall Development Company, LLC is a Baltimore based real estate development company whose goal is to use real estate to bring about social change.

UPON MOTION duly made and seconded, the Board approved and adopted the aforementioned local government resolutions for the aforementioned organizations that are applying to the State of Maryland’s Community Legacy Program.
Department of Housing and — Interagency Agreement
Community Development

ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize execution of an interagency agreement with the Baltimore Development Corporation, Inc. (BDC). The agreement is effective upon Board approval through December 2012.

AMOUNT OF MONEY AND SOURCE:

$15,000.00 – 9910-910826-9588

BACKGROUND/EXPLANATION:

The funds will be used to convene an Urban Land Institute-sponsored Technical Assistance Panel to provide recommendations to make the Dolfield Commercial Area pedestrian friendly and more attractive as a Transit Oriented Development site.

In 2007, the State legislature passed the Maryland Education Land Trust Fund – Video Lottery Terminal Legislation (2007 SC3), which provides slots revenue funding to the City of Baltimore for a period of 15 years to support community and economic development in the Pimlico area. Under the terms of the legislation 25 percent of the revenue received must be allocated to census tracts that are within a one-mile radius of the Pimlico Racetrack. Funds are to be used primarily for capital purposes benefiting economic and community development.

These are three distinct geographic areas within the one-mile radius: the North West Community Planning Forum SNAP, portions of the NW Roundtable (formerly known as the Greater Northwest Community Coalition SNAP), and Coldspring Newtown.
DHCD – cont’d

In Fiscal Year 12 a total of $148,475.00 was available for the one-mile radius: $111,356.00 was allocated to the Northwest Community Planning Forum: $22,271.00 was allocated to the Northwest Roundtable; and, $14,848.00 was allocated to Coldspring Newtown. Under the terms of the State Legislation, the City is required to prepare a spending plan in consultation with a Local Development Council which, in the Pimlico Area, is the Pimlico Community Development Authority. Based on public input, three projects were recommended for funding, one of which is improvements to the Dolfield Commercial Area.

The Dolfield Commercial Area is bounded by Coldspring Lane to the north, Belle Avenue to the south, Wabash Avenue to the east and Dolfield Avenue to the west. The commercial area is adjacent to a stable residential area but lacks pedestrian connections that would provide a more convenient access for the area’s residents to take advantage of services as well as make the area more attractive to new investment. In order to make the commercial area more attractive, the Baltimore Development Corporation has contracted with the Urban Land Institute to conduct a Technical Assistant Panel (TAP) who will visit the commercial area and work with stakeholders to provide recommendations to improve land use, pedestrian amenities and design. Recommendations will be published and implemented pending future allocations of slots revenue.

UPON MOTION duly made and seconded, the Board approved and authorized execution of the interagency agreement with the Baltimore Development Corporation, Inc. The transfer of funds was approved SUBJECT to receipt of a favorable report from the Planning Commission, the Director of Finance having reported favorably thereon, as required by the provisions of the City Charter.
ACTION REQUESTED OF B/E:

The Board is requested to approve a lease agreement with the Strength to Love II, a Maryland Corporation, in partnership with Big City Farms Holdings, LLC. (Big City Farms), for the properties located at 1800-1852 (even side), 1803-1821, (odd side) 1825-1837, and 1841-1853 Lorman Street, and 1803-1817, 1821-1835 (odd side) and 1839-1853 Kavanaugh Street.

AMOUNT OF MONEY AND SOURCE:

$100.00/year for 75 properties

BACKGROUND/EXPLANATION:

In March 2011, the Baltimore City Department of Planning (DOP), in partnership with the Department of Housing and Community Development, issued a Request for Qualification (RFQ) for farmers to participate in the development of a certain selection of pre-identified City-owned vacant and under-utilized properties throughout the city of Baltimore for the purpose of urban agriculture. This offering was intended to: 1) develop successful entrepreneurial urban farms throughout the city of Baltimore, 2) ameliorate the problem of food deserts in Baltimore City neighborhoods, 3) transform vacant and unused land to achieve economic, social, and environmental benefits.

In response to the RFQ, two applicants chose to partner and apply for a farm site together in an effort to effectively pool resources and expertise in the Sandtown/Winchester community. Strength to Love II, founded in 1993, is a faith-based initiative to address the incarceration problem and the accompanying high recidivism rates in the Sandtown/Winchester community by providing jobs and training for returning citizens. Big City Farms is an established urban farming company with a one-acre organic lettuce and “leafy green” farm on an asphalt
parking lot (national-first) near the Middle Branch in Baltimore City. The company delivers its produce locally within the City limits to multiple grocery, restaurant and institutional clients including: Whole Foods, Eddies of Roland Park, Graul’s, Bon Appetit (Goucher College and University of Maryland, Baltimore) and numerous restaurants.

As a joint venture, Strength to Love II will operate a for-profit farm whose proceeds will support the organization’s mission to help rebuild the lives of ex-offenders returning to the community. As a Network Grower with Big City Farms, Strength to Love II will be mentored by Big City Farms, which will employ horticultural experts that will have the responsibility for the success of the farm site. Following the Big City Farm model for developing an urban farm, Strength to Love II will create a “crop square” of six hoop houses residing on approximately one-half acre of land. Strength to Love II will operate between two and three crop squares on between one and one half acres producing $260,000.00 in gross sales volume. The perimeters of the crop square will be designated as the “Gleaning Orchard”. Planted with beautiful, flowering fruit trees and shrubs, the orchard will be a place where the community can freely enjoy organic produce. As passive areas for reintroducing diverse edible plants, the Gleaning Orchard supplements the farm variety with pockets of fruits in a food desert.

One of the primary goals for Strength to Love II is for the farm to be totally operated by the community’s returning citizens and become one of several training facilities that assists in successful re-entry. In addition to technical training, secondary educational partnerships can be realized with nearby schools like Gilmor Elementary and New Song Academy. Trained residents in energy system consulting and LEED certification can be a resource for future educational needs and planning for development.

Both Strength to Love II and Big City Farms are in good standing with the Maryland Department of Assessment and Taxation.

Strength to Love II and Big City Farms will be responsible for all maintenance and utility costs associated with occupying the properties.

GENERAL FUND TRANSFER APPROPRIATION:

$ 300,000.00 From: Mayorality - Related Miscellaneous General Expenses, Service 122
To: Fire Department Service 602
Fire Suppression and Emergency Rescue

BACKGROUND/EXPLANATION:

The supplemental appropriation and appropriation transfer are necessary to provide additional operating expenses for keeping Truck 10 open for the remaining nine months of the year. The supplemental appropriation of $1,100,000.00 is supported by unbudgeted taxes and fees from 2011 and 2012 Grand Prix races. The appropriation transfer of $300,000.00 is supported by cost-savings for 2012 Grand Prix, expenses are projected to be less than the budgeted amount.

For Fiscal 2013, 22 positions were abolished with the closure of Truck 10. Additional funding is available to keep Truck 10 open; the 22 positions will be created and assigned as follows:

1 Position 41213 - Fire Captain
Grade 341 ($57,490.00 - $70,911.00)

1 Position 41212 - Fire Lieutenant
Grade 338 ($51,289.00 - $65,282.00)

2 Positions 41278 - Fire Lieutenant, ALS
Grade 374 ($52,777.00 - $64,109.00)

3 Positions 41297 - Emergency Vehicle Driver
Grade 342 ($34,532.00 - $55,809.00)
Department of Finance - cont’d

5 Positions 41277 - Fire Emergency Vehicle Driver, ALS
Grade 354 ($36,022.00 - $57,334.00)

10 Positions 41210 - Firefighter/Paramedic
Grade 312 ($35,148.00 - $56,094.00)

APPROVED FOR FUNDS BY FINANCE

UPON MOTION duly made and seconded, the Board approved: 1) a supplemental general fund operating appropriation to the Fire Department, Service 602 Fire Suppression and Emergency Rescue; 2) an appropriation transfer from the Mayoralty-Related Miscellaneous General Expenses, Service 122; and, 3) approved restoration of 22 positions to the Fire Department. The President ABSTAINED.
ACTION REQUESTED OF B/E:

The Board is requested to approve the payment of relocation expenses to Flair Hair for the firm’s move from 433-435 Old Town Mall to 514 Ensor Street.

AMOUNT OF MONEY AND SOURCE:

$80,363.58 - 9910-902879-9601

BACKGROUND/EXPLANATION:

BDC has purchased 433 Oldtown Mall, to be included in the Disposition Lot 25B land assembly in accordance with the Oldtown Mall Urban Renewal Plan. As a result, it is necessary to relocate the business from this property.

On August 26, 2009, the Board approved $103,450.00 in relocation expenses for Flair Hair. This was for moving expenses associated with moving personal property. On November 2, 2009, the Board approved $73,585.00 for space design, search expenses, and reestablishment expenses. On February 15, 2012, the Board approved $9,977.00 for gas lines. The total amount of this claim is $80,363.58, and covers reestablishment expenses and moving expenses that have not been covered by prior claims. This figure was provided to BDC by Diversified Property Services, the company that BDC has contracted to assist in this relocation process.

AUDITS REVIEWED AND HAD NO OBJECTION.
This transfer will provide funds associated with the business relocation of Flair Hair from 433 Oldtown Mall which is necessary because the City has acquired this property as part of the land assembly needed for the redevelopment of Oldtown Mall.

(FILE NO. 57116)

UPON MOTION duly made and seconded, the Board approved the payment of relocation expenses to Flair Hair for the firm’s move from 433-435 Old Town Mall to 514 Ensor Street. The transfer of funds was approved SUBJECT to receipt of a favorable report from the Planning Commission, the Director of Finance having reported favorably thereon, as required by the provisions of the City Charter.

President: “There being no more business --.”

Mayor: “I have a statement.”

President: “Madam Mayor.”

Mayor: “Thank you very much Mr. President and good morning. It is very exciting for me to take part in the City’s first televised Board of Estimates meeting. Since we took office more than two years ago, we worked together to make transparency and open government a priority and even as I reduce the size in the budget for the Mayor’s Office of Cable and Communications, we focused our resources into making the Board of Estimates, the Zoning, the Liquor Board and the Liquor Board meetings more accessible to the public. I’d like to thank the hard working employees of the Mayor’s Office of Cable and Communication and the Mayor’s Office of Employment Tech – Information Technology excuse me, for implementing this new programming.

President: “I was going to recognize Councilman Curran and I want to thank you and all of the other council people for your help to make sure that all of these procedures are televised and I also want to thank the Comptroller’s Office who worked with us because we had to go through some closets in her area to make this possible. Again, thank you and this ends this meeting.”
