Fire Department – Payment of Back Wages

ACTION REQUESTED OF B/E:

The Board is requested to approve the payment of back wages for Mr. Daniel Kohner for the period April 10, 2018 through September 10, 2018.

AMOUNT OF MONEY AND SOURCE:

$15,585.23 – Amount Mr. Kohner would have earned 4/10/18-9/10/18.
4,728.18 – Amount earned outside of City employment for period 4/10/18-9/10/18.
$10,857.05 – 1001-000000-3191-308700-601061 (Amount due)

BACKGROUND/EXPLANATION:

On April 10, 2018, Mr. Daniel Kohner was terminated by the Fire Department. He appealed this decision through the Civil Service Commission (CSC). It was determined by the CSC that Mr. Kohner be reinstated and that he receive a retro payment from the date of termination April 10, 2018 through the date of the determination, September 10, 2018, less any amount earned outside of City employment.

Fire Department - Payment of Back Wages

ACTION REQUESTED OF B/E:

The Board is requested to approve the payment of back wages for Mr. Antonio V. DiLeonardi for the period October 26, 2017 through August 2, 2018.

AMOUNT OF MONEY AND SOURCE:

$51,528.12 - 1001-000000-2121-264000-601061

BACKGROUND/EXPLANATION:

In a hearing with the Civil Service Commission (CSC), it was determined that Mr. DiLeonardi be reinstated. In addition to the reinstatement, Mr. DiLeonardi must receive retro pay. Mr. DiLeonardi was terminated by the Fire Department on October 26, 2017.

On August 2, 2018, the CSC upheld its previous determination that the Fire Department appealed, and granted return to employment after termination and retro pay for the period October 26, 2017 through August 2, 2018 (date of the decision).

$31,647.00 – 1001-000000-2042-220000-601062 Cash Match
$126,586.00

BACKGROUND/EXPLANATION:

The Baltimore Police Department’s Domestic Violence/Witness Liaison Program assists in developing and implementing strategies specifically intended to provide assistance to domestic violence victims in the City of Baltimore. The program strives to heighten the provision of law enforcement and provide services to victims of domestic violence as they progress within the criminal justice system. Program funds provide personnel, specifically three contractual positions to serve as Domestic Violence Victim/Witness Liaisons, and overtime specifically for service of domestic warrants by sworn personnel. They will provide a coordinated and structured response to reduce occurrences of domestic violence in Baltimore City.

1. EWO #006, $134,536.00 - WC 1190, Montebello Filtration Plant 1 Improvements - Electrical Distribution

$12,083,000.00 $ 415,330.00 The Whiting-Turner 211 72 Contracting Co., Inc.

The Office of Engineering & Construction (OEC) requests Proposed Change Order (PCO) approval for an additional 211 calendar days for WC 1190. While excavating for the generator equipment pad, an old buried structure was found. After the investigation, it was determined that it was the Roundhouse foundation built in 1911 and demolished in the 1960’s. The Design Engineer, Whitman, Requardt & Associates, LLP (Whitman) did not show the foundation on the drawings. Subsequent discussions with Whitman, Environment Services, the Plant Personnel, and Construction Management took place. It was agreed to move the equipment from the old foundation to preserve the integrity of the Montebello-Cromwell finished water tunnel that is directly underneath the Roundhouse foundation. We concluded that placing a fuel tank over the tunnel was risky; as well, vibration caused by the demolishing of the foundation walls for the duct banks and vaults could jeopardize the integrity of the tunnel as well. The OEC directed Whitman to redesign the generator, fuel tank, load bank and primary switchgear of the Roundhouse foundation at no additional cost-to-the City.
Department of Public Works/Office of Engineering and Construction – cont’d

Moreover, the OEC put Whitman on notice that the OEC alleges that Whitman’s failure to show the foundation on the drawings was a design omission and the City will seek compensation from Whitman for the additional construction costs that resulted from the omissions. The work delay caused by the discovery of the foundation was reviewed by the Project Controls Office and found that the 211-day time extension is justified. Per the Time Impact Analysis (TIA) review report, the generator pad issue is an unforeseen condition that required a redesign, and had an impact on the schedule. The first 140 days of delay is considered concurrent with the contractor switchgear delays, and therefore granted as non-compensable. The remaining 71 days to complete the additional work may be granted as compensable. The contractor has disagreed with this assessment and is pursuing a division head hearing for more compensation. The Whiting Turner Contracting Co., Inc. feels that they are entitled to a 266-day time extension due to the delays of the project. The contractor wants this time extension to be all compensable which would make the cost of this time extension $504,000.00. The City will pay only for 71 compensable days and will add 140 days as non-compensable time to the project schedule. The Certificate of Completion form will not be completed until a scheduled time after final payment and final completion has been given by the Agency.

The Office of Asset Management is requesting a 365-day non-compensable time extension for WC 1302, On-Call Carbon Fiber Reinforced Polymer Large Water Main Repairs. This project is necessary for the City to be able to quickly mobilize a contractor for repairing Prestressed Concrete Cylinder Pipe (PCCP) main inspections and condition assessments. The services provided under this contract are critical to the Office of Asset Management to be able to deal with emergencies in the water distribution system, such as an imminent catastrophic break on a large diameter Prestressed Concrete Cylinder Pipe Main. The City reserves the right to extend this contract for two additional terms of one year each. Under this change order, the City is exercising the second time extension, which will increase the completion date of the contract by 365 days. Department of Transportation - Developer’s Agreement

**ACTION REQUESTED OF B/E:**

The Board is requested to approve and authorize execution of the Developer’s Agreement with Federal Hill Apartments Owner, LLC.

**AMOUNT AND SOURCE OF FUNDS:**

$950,906.00

**BACKGROUND/EXPLANATION:**

Federal Hill Apartments Owner, LLC, is in the process of constructing a new apartment building. The apartments will have an address of 501 E. Cross Street. The Developer would like to install water services and water meters to their new building. This agreement will allow the Developer to do its own installation in accordance with Baltimore City Standards.

A Performance Bond in the amount of $950,906.00 has been issued to Federal Hill Apartments Owner, LLC, who assumes 100% of the financial responsibility.

**MBE/WBE PARTICIPATION:**

City funds will not be utilized for the project. Therefore, MBE/WBE participation is not applicable.

**UPON MOTION** duly made and seconded, the Board approved and authorized execution of the Developer’s Agreement with Federal Hill Apartments Owner, LLC.
Department of Transportation/Office – Task Assignment of Engineering and Construction

**ACTION REQUESTED OF B/E:**

The Board is requested to approve the assignment of Task No. 2 to Wallace, Montgomery & Associates under Project 1257 On-Call Conduits Infrastructure Design Services. The period for this Task assignment is approximately 12 months.

**AMOUNT OF MONEY AND SOURCE:**

$1,110,475.30 – 9962-906072-9562-900000-705032

**BACKGROUND/EXPLANATION:**

This authorization provides for construction management support services to the Conduits Division. The scope of services will include the services of a Construction Project Supervisor I, Public Works Inspector II, and Public Works Inspector III. The scope of work includes, but is not limited to 1) overall project coordination and sub-consultant management, 2) attend construction kickoff meetings, 3) consult with technical staff, contractors, and other City agencies to expedite the completion of contracted construction for conduit infrastructure within multiple construction contracts, 4) supervise the field inspection of projects including assign and review work, train, evaluate work performance, and provide technical guidance, and 5) perform daily inspections and inspector daily reports, mainly provided by the sub-consultants.

**MBE/WBE PARTICIPATION:**

The Consultant will comply with Article 5, Subtitle 27 of the Baltimore City Code and MBE/WBE goals established in the original agreement.

**MBE:** 27%

**WBE:** 10%
Department of Transportation/Office - cont’d of Engineering and Construction

The Consultant has met the 27% MBE goals on this task. There is no WBE goal on this task. However, there remains enough capacity to meet the goal.

The Board is requested by the Board of Trustees of the F&P to approve a Subscription Agreement for its investment in Man Alternative Risk Premia SP, managed by Man Solutions Limited.

AMOUNT OF MONEY AND SOURCE:

$52,000,000.00 – (approximately) of F&P funds

No General Fund monies are involved in this transaction.

BACKGROUND/EXPLANATION:

The F&P Board of Trustees conducted a search for a risk premia investment strategy hedge fund manager and, as a result of that search, selected Man Solutions Limited to initially receive and invest $52 million of F&P funds in its Man Alternative Risk Premia SP. The search and selection process was conducted with the assistance and advice of the F&P System’s investment advisor, Summit Strategies Group.

ACTION REQUESTED OF B/E:

The Board is requested to concur with an adjustment of the 2018 Sewer Surcharge assessed to the Coca Cola Bottling Co., Consolidated (CCBCC).

AMOUNT OF MONEY AND SOURCE:

$412,631.03 - 2070-000000-5500-506500-402190

BACKGROUND/EXPLANATION:

Article 25 of the Baltimore City Code (2000 ed., as amended) grants the City the authority to assess industries a sewer surcharge for industrial waste. Industries are billed in advance each January covering the period of January 1 through December 31 of each billing year. The CCBCC was originally assessed $548,645.56 for Calendar Year 2018. However, in an email dated September 11, 2018, the CCBCC requested that the surcharge be reconsidered as Customer Support and Services had recently adjusted the company’s sewer consumption for the period of July 2016 to October 2017, to reflect credit for the water that was used in production and not discharged to the sanitary sewer.

The Bureau of Water and Wastewater agreed that reconsideration was warranted and recalculated the surcharge utilizing the credited sewer exemption data. This resulted in a revised assessment of $136,014.53 and represents a reduction of $412,631.03. As the CCBCC has paid the original surcharge amounts, a refund would be necessary.

The Bureau of Water and Wastewater requests that the Board concur with the decision to assess the CCBCC $136,014.53 for Calendar Year 2018 and to refund the company $412,631.03.

Department of Public Works/Office – Ratify Amendment of Engineering and Construction No. 2 Agreement

ACTION REQUESTED OF B/E:

The Board is requested to ratify Amendment No. 2 to Agreement with O'Brien & Gere Engineers, Inc., under SC 921, Wastewater Engineering Services for Improvements to the Gwynns Falls Sewershed Collection System – Area B. This Amendment No. 2 to Agreement will extend the period of the agreement through August 15, 2019 or until the upset limit is reached, which occurs first.

AMOUNT OF MONEY AND SOURCE:

$0.00

BACKGROUND/EXPLANATION:

The project is to provide engineering services for the Gwynns Falls Sewershed Collection System to comply with Paragraph 9 of the Consent Decree as part of Project 1149 (SC 921). The project involves the design of improvements recommended by the Gwynns Falls Sewershed Study and Sewershed Plan, Project 1032.

The Department is requesting ratification of Amendment No. 2 to Agreement because this contract will complete the design for the Consent Decree projects mandated by U.S. Environmental Protection Agency. During the early stages of design, there were numerous basement backup incidents in the project area. Therefore, the City directed the Design Consultant to perform additional engineering services to add capacity to the Powder Mill Run Interceptor. Later, the City decided to add the stream restoration work at the same location of the project for cost-effective purposes.
The additional scope of work required additional time to complete the design to comply with the Consent Decree requirements and no additional cost is required. The current expiration date was August 15, 2018 and the new expiration date is August 15, 2019. This Amendment No. 2 to Agreement is within the original scope of work and was requested by the Department.

The scope of the original agreement includes a condition assessment, preliminary and final design for replacement sewers, point repairs, rehabilitation of sewers using Cured in Place Pipe lining, heavy cleaning of sewers, locating/opening/inspection of manholes, and replacement/rehabilitation of sanitary sewers and manholes within the Gwynns Falls Sewershed.

**MBE/WBE PARTICIPATION:**

The Consultant will comply with Article 5, Subtitle 28 of the Baltimore City Code and the 27% MBE and 9% WBE goals established in the original agreement.

**APPROVED FOR FUNDS BY FINANCE**

**AUDITS NOTED THE NO-COST TIME EXTENSION.**

Upon Motion duly made and seconded the Board ratified the Amendment No. 2 to Agreement with O'Brien & Gere Engineers, Inc., under SC 921, Wastewater Engineering Services for Improvements to the Gwynns Falls Sewershed Collection System – Area B.
Department of Public Works/Office - Task Assignment of Engineering and Construction

**ACTION REQUESTED OF THE B/E:**

The Board is requested to approve the assignment of Task No. 001 with EA Engineering, Science and Technology, Inc. under Project 1272E in accordance with their proposal dated August 17, 2018. The period of the Task Assignment is three years.

**AMOUNT OF MONEY AND SOURCE:**

$697,354.38 – 9948-902047-9517-900020-703032

**BACKGROUND/EXPLANATION:**

The Office of Engineering and Construction is requesting approval of Project 1272E, Task 001 - Quarantine Road Landfill Expansion Design. This request is for EA Engineering, Science and Technology, Inc. to perform professional engineering services in support of the expansion of the Quarantine Road Landfill over the adjacent Millennium Landfill managed by the Office of Engineering & Construction.

The scope of the original agreement includes: The purpose of this project is to provide On-Call Solid Waste Engineering Services related to the permit application and concept design of Quarantine Road Landfill Expansion to the Maryland Department of Environment. The scope of work includes geotechnical engineering of landfill stability, installation of monitoring wells, field sampling and evaluation of ground water analysis in the preparation of the Phase II report to the MDE, and the evaluation of alternatives for traffic and utilities that will be affected by the expansion of the landfill over Quarantine Road.

**MBE/WBE PARTICIPATION:**

The Consultant will comply with Article 5, Subtitle 28 of the Baltimore City Code and the MBE goals of 27% and WBE goals of 10% assigned to the original agreement.

Capital Improvement Program for  
FY 2020-2025

ACTION REQUESTED OF B/E:

The Board is requested to **NOTE** the report of the Planning Commission on the Baltimore City Public School System’s (BCPSS) Capital Improvement Program (CIP) for FY 2020-2025.

AMOUNT OF MONEY AND SOURCE:

- $276,329,000.00 - FY 2020-2025 in State funding  
- $114,000,000.00 - Local General Obligation GO bonds for FY 2020-2025   
- $ 82,420,000.00 - FY 2020 State funding  
- $ 19,000,000.00 - Local GO bond for FY20

BACKGROUND/EXPLANATION:

Annually the BCPSS must submit an updated and detailed CIP for the upcoming fiscal year and the forthcoming five years to the State of Maryland. This CIP submission receives approval from the Board of School Commissioners, the City of Baltimore Planning Commission, Board of Finance, and the Board of Estimates.

On September 27, 2018, the Planning Commission approved the BCPSS CIP for FY 2020-2025.

The requested funding will complete the much larger 21st Century Schools initiative by providing funding for critical systemic improvements, such as fire alarms, HVAC systems and other urgent needs in schools that are not currently funding through 21st Century Schools. It will also allow for renovation and replacement of additional schools to take place. The Board of Estimates’ support of this plan will assist the BCPSS’ effort to provide enhanced learning environments and improve educational opportunities for the children of Baltimore City.

Capital Improvement Program,  
FY 2020 - 2025

ACTION REQUESTED OF B/E:

The Board is requested to approve the Baltimore City Public School System (BCPSS) Fiscal Year 2020-2025 Capital Improvement Program (CIP).

BACKGROUND/EXPLANATION:

Procedures for administration of the school capital program require that the BCPSS submit annually an updated detailed capital program for the upcoming year and ensuing five fiscal years to the State Interagency Committee on School Construction. As a condition of receiving State school construction aid, the BCPSS is required to submit the CIP by the end of November of each year.

This action requires approval of this program by the appropriate local governing body. As a condition of gaining approval of this local government, a review process has been established that includes the School Board, Planning Commission, Board of Finance, and the Board of Estimates, to serve as the means by which the Mayor will support and endorse the program.

The Board of Finance, at a scheduled meeting on October 22, 2018, considered and endorsed the FY 2020 Capital Budget totaling $101,420,000.00 and the FY 2020-2025 CIP totaling $390,329,000.00. Annual program distributions are as follows:
