Dana P. Moore, Deputy City Solicitor
Matthew W. Garbark, Deputy Director of Public Works
Bernice H. Taylor, Deputy Comptroller and Clerk - ABSENT

President: “Good morning. The October -- I mean - sorry about that -- jeez. The November 13, [2019] meeting of the Board of Estimates is now called to order. In the interest of promoting the order and efficiency of these hearings, persons who are disruptive to the hearing will be asked to leave the hearing room. Meetings of the Board of Estimates are open to the public for the duration of the meeting. The hearing room must be vacated at the conclusion of the meeting. Failure to comply may result in a charge of trespassing.”

Secretary’s Note:
The President will introduce Sunny Schnitzer who will give us an update on the public safety building on Northern Parkway and Park Heights Avenue.
President: “Deputy Chief, please.”

Ms. Sunny Schnitzer: “Good morning members of the Board. My name is Sunny Schnitzer, I’m the Deputy Chief of Staff for Public Safety in the Mayor Young’s Office. Um -- in accordance with our commitment to come back to the Board within 60 days uh -- of the passage of the -- the Lease Agreement with the University of Baltimore for moving the Police Academy temporarily. Uh -- I wanted to give a report back on the status of where we are in um -- determining the future of the building at 3500 Northern Parkway. Uh -- on October 30th, Mayor Young convened a community meeting um -- to uh -- pull together community feedback on the future of that space. Uh -- we broke into small broke out -- uh -- breakout sessions, collected exhaustive notes and ideas from community members present uh -- and are in the process of compiling that. Uh -- Mayor Young has also committed to standing up a task force that will look to uh -- to determine the future of that site. Uh -- we expect that that will be uh -- stood up around the first of the year.”
Comptroller: “Okay. Thank you.”

President: “Thank you. I would direct the Board members attention to the Memorandum from my office dated November 12, 2019, identifying matters to be considered as routine agenda items together with any corrections and additions that have been noted by the Comptroller. I will entertain a motion to approve all of the items contained on the routine agenda.”

City Solicitor: “I move approval, Mr. President.”

Comptroller: “I Second.”

President: “All those in favor say AYE. All opposed, say NAY. The Motion carries. The routine agenda items have been adopted.”

Space Utilization Committee - Lease Agreement

ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize execution of the Lease Agreement with the Baltimore Streetcar Museum, Inc., Tenant, for the rental of the property known as 1901 Falls Road (Block 3600B, Lot 3) consisting of 1.896 acres. The period of the agreement is July 1, 2017 through June 30, 2042 with the right to renew for an additional 25 years each with one year prior notice.

AMOUNT OF MONEY AND SOURCE:

$1.00 - annual rent

BACKGROUND/EXPLANATION:

The leased premises will be used for the operation of the Baltimore Streetcar Museum. The Tenant will be responsible for taxes, and accepts the premises in “as is” condition. The Tenant will maintain the interior and exterior of the building, including foundations, roof, walls, gutters, downspouts, HVAC system, all water, electrical and plumbing supply lines and floors. The Tenant will have the exclusive use, custody, possession, and management of the leased premises.

The Tenant at its own expense agrees to maintain the building and other facilities constructed or placed thereupon and to operate the facilities for the benefit of the public with personnel provided by Tenant. The Tenant will be responsible for trash removal, pest control, security, all costs associated with telephones and computers, cutting and maintaining the grass, and removal of ice, snow, and debris.

The Tenant agrees to provide the Department of General Services, with 60 days advance notice of any construction or alterations. The Tenant agrees that further addition or improvements may be made to the carhouse by mutual agreement between Tenant and Landlord should additional funds become available to either Landlord or Tenant. The Tenant must provide liability insurance.
Space Utilization Committee - cont’d

The Space Utilization Committee approved the lease at its meeting on October 22, 2019.

This lease agreement is late due to delays in the administrative process.

UPON MOTION duly made and seconded, the Board approved and authorized execution of the Lease Agreement with the Baltimore Streetcar Museum, Inc., Tenant, for the rental of the property known as 1901 Falls Road consisting of 1.896 acres.
The Board is requested to endorse a Governmental/Charitable Solicitation Application for submission to the Board of Ethics of Baltimore City to allow Ms. Tonya R. Miller to solicit donations from businesses, organizations, and donors for goods, services and financial support to help pay for the event cost of the 2019 Mayor’s Holiday Open House. The period of the Governmental/Charitable Solicitation is November 2019 through January 2020.

AMOUNT OF MONEY AND SOURCE:

No general funds are involved in this transaction.

BACKGROUND/EXPLANATION:

The Holiday Open House will be held on December 14, 2019. The family oriented event is filled with decorations, warm beverages, and snacks, and opportunities to take photos with the Mayor and Santa.

Donations will be solicited from Baltimore businesses, civic leaders, the foundation community and the general population. A potential donor list will be comprised of individuals and corporate entities that contribute to the economic, social, and cultural vitality of Baltimore City. Most of the individual and corporate entities fitting that description are not controlled donors. However, those potential donors who are controlled donors with respect to the City Council or the Board of Estimates will not be targeted or singled out in any way and will be solicited, if at all, in the same manner as the other potential donors.

Baltimore City Code Article 8, Section 6-26, prohibits solicitation or facilitating the solicitation of a gift. An exception was enacted in 2005 to permit certain solicitations that

On March 20, 2019, the Board approved the acquisition of the $467.00 ground rent interest, by condemnation, in the property located at 2706 Fenwick Avenue. Since the original Board approval the Department has determined that the owner is unknown. Therefore, the Board is requested to rescind the prior condemnation approval and approve the Department’s request to redeem or extinguish the ground rent interest for 2706 Fenwick Avenue in the amount of $467.00.

Law Department - Opinion - Request for Refund of Real Property Taxes

The Board is requested to approve a refund of real property taxes for the following claimant:

It is the opinion of the Law Department that the claimant has met the qualifications for a real property tax exemption for disabled veterans, and that the claimant is eligible to receive a refund of taxes paid because the claimant was honorably discharged from the armed services, declared by the Veteran’s Administration to have a permanent 100% service connected disability, and resided in and owned the single family dwelling during the period in question. The dwelling house is owned by the claimant and the claimant continues to reside in the dwelling house. It has been determined that the claimant is entitled to a refund of real property taxes, which were paid as follows:

Mayor’s Office of Criminal Justice – Grant Award

**ACTION REQUESTED OF B/E:**

The Board is requested to approve and authorize acceptance of a Grant Award from the Governor’s Office of Crime Control and Prevention. The period of the Grant Award is July 1, 2019 through June 30, 2020.

**AMOUNT OF MONEY AND SOURCE:**

$3,600,000.00 – 5000-511020-702300-405001

**BACKGROUND/EXPLANATION:**

Maryland House Bill 113 amended the Maryland Public Safety Code §4-801 to mandate funds from the State be annually appropriated to the City for the Safe Streets initiative. The legislation was enacted in April of 2018 and the Safe Streets appropriation was first included by the State in the fiscal year 2020 budget.

The funding will allow the Safe Streets initiative to be expanded to a total of 10 sites throughout the City.

The request for approval is late because of the administrative review process.

**BACKGROUND/EXPLANATION:**

Four Ten Lofts Apartments, LLC has proposed new construction of a 76-unit multifamily residential development (the “Development”) to be located in two buildings at 410 N. Eutaw Street and 422 W. Mulberry Street (collectively, the “Property”). The two buildings will collectively contain a mix of 30 one-bedroom units, 22 two-bedroom units, and 24 three-bedroom units. Of the 76 units, 48 units will be targeted to artists and 20 units are to be set aside as permanent supportive housing for chronically homeless individuals. The remaining eight units will be non-income restricted market rate units. Services for the chronically homeless units will be provided by Healthcare for the Homeless.

In order to keep the Development as long-term affordable housing, Four Ten Lofts, LLC (the “Borrower”) has obtained commitments from various funding sources to acquire the land and construct the units of the Property, as more fully described below. The sponsors of the Borrower are Episcopal Housing Corporation (“EHC”), a non-profit developer, and French Development, LLC (“French”) (or its principals).

The Property will provide deeper targeting by setting aside 29 units to be affordable to households at or below 30% Area Median Income, (“AMI”) adjusted for family size which units are to include the 20 chronically homeless units. In addition, 11 of the...
Department of Housing and Development—cont’d

units will be affordable for households with incomes less than 40% of AMI, 13 units will be affordable for households with incomes less than 50% of AMI and 15 units will be affordable for households with incomes less than 60% of AMI.

As further described below, the City has agreed to make available one or more loans in an approximate principal amount of $1,150,000.00 of which approximately $750,000.00 will be funded from the HOME program (the “HOME Loan”) and approximately $400,000.00 will be funded from the City’s Affordable Housing Program (the “AHP Loan,” and together with the HOME Loan, the “City Loan”). The proceeds of the City Loan will be used solely to finance a portion of the hard construction costs of the Development.

Amenities will include offices for on-site management and counseling, two galleries, and an outdoor terrace. The design for the buildings has been reviewed and approved by the Urban Design Review Panel. The buildings will include fire protection sprinklers and individual high efficiency HVAC systems and all new fixtures and appliances. An appraisal was prepared on October 3, 2019, by CBRE. The appraisal found the future prospective investment value, “as if complete & stabilized value,” at restricted rents assuming stabilized occupancy to be $11,000,000.00. The appraised value is below the total cost of the project. This is common in transactions involving Low Income Housing Tax Credits (LIHTCs) and affordable housing.

The LIHTC provides equity, which provides a source of funds through the syndication of a federal tax credit rather than through the value of the property itself. Without the benefits of the LIHTC financing, projects with restricted rents could not be financed. The Department is comfortable recommending the City Loan under these circumstances. The appraisal has been submitted to the Real Estate Department.

Participating Parties:

A. DEVELOPER

The Borrower, Four Ten Lofts, LLC, a joint venture consisting of a wholly-owned subsidiary of EHC and French, or their wholly-owned or controlled affiliates, will own the property.

B. GENERAL CONTRACTOR/ARCHITECT

Southway Builders, Inc. will act as the general contractor and post a 100% Payment and Performance Bond. Architectural services will be provided by Moseley Architects.

C. GUARANTORS

EHC and French will jointly and severally guaranty construction completion.

D. PARTICIPATING LENDERS

Bank of America – 1st Lien Construction/Permanent Loan

Bank of America, N.A. ("BoA") will provide a first-lien construction/permanent loan in the approximate amount of $4,275,000.00 (the “BoA First Loan”). The BoA First Loan will have a construction term of up to 24 months, with two three-month extensions (the “BoA Construction Period”). After completion of the BoA Construction Period, the BoA First Loan will convert to a permanent loan with a term of 35 years (the “BoA Permanent Period”). The fixed interest rate on the BoA First Loan will be locked prior to closing and is currently estimated to be 6.25%. During the BoA Construction Period, interest is payable monthly, and during the BoA Permanent Period, interest and principal are payable monthly.
Department of Housing and Community Development

CDA Rental Housing Program – 2nd Lien Construction/Permanent Loan

The Community Development Administration ("CDA"), a unit of the Division of Development Finance of the Department of Housing and Community Development of the State of Maryland, will provide from its Rental Housing Program a second-lien construction/permanent loan in the approximate amount of $2,000,000.00 (the "RHP Loan"). The RHP Loan will have a construction term not to exceed 24 months (the "RHP Construction Period"). After the end of the RHP Construction Period, the RHP Loan will convert to a permanent loan with a term of 40 years (the "RHP Permanent Loan Period"). No regular interest will be charged on the RHP Loan but during the RHP Permanent Loan Period, principal and contingent interest will be due and payable in accordance with the CDA program requirements and applicable loan documents. The RHP Loan will be long-term subordinate debt.

BOA Tax Credit Bridge – 3rd Lien Construction Loan

BoA will provide a third-lien construction bridge loan in the approximate principal amount of up to $7,696,481.00 (the "BoA Bridge Loan"). The BoA Bridge Loan will have a term of up to 18 months with two three-month extensions.

The interest rate on the BoA Bridge Loan will be a floating rate equal to BoA’s prime rate plus 275 basis points, which is currently estimated to be 4.78%.

Interest on the BoA Bridge Loan is payable monthly, and all amounts due and owing on the BoA Bridge Loan will be due at maturity, and the funds for such repayment is expected to be made from a portion of the equity generated from the syndication of the Development’s low-income housing tax credits.
Department of Housing and - cont’d
Community Development

CITY HOME AND AHP – 4TH LIEN CONSTRUCTION/3RD LIEN PERMANENT LOAN OR LOANS

The City will provide one or more loans in an approximate amount of $1,150,000.00 (the “City Loan”). Approximately $750,000.00 of the City Loan will be funded from the HOME program and approximately $400,000.00 will be funded from the City’s Affordable Housing Program. The City Loan will be in fourth lien position during construction and third-lien position after the repayment of the BoA Bridge Loan. The City Loan will have a construction term not to exceed 24 months (the “City Loan Construction Period”). After completion of the City Loan Construction Period, the City Loan will convert to a permanent loan with a term of 40 years (the “City Loan Permanent Period”). No regular interest will be charged on the City Loan, but during the City Loan Permanent Period, the City will receive principal and contingent interest calculated in accordance with the CDA program requirements and applicable loan documents. The outstanding principal balance and any outstanding amounts due under the loan documents are due and payable on the last day of the City Loan Permanent Period. The City Loan will be long-term, subordinate debt.

EHC Loan of Weinberg Grant – 5th Lien Construction/4th Lien Permanent Loan

EHC secured a $1,600,000.00 grant from the Harry and Jeanette Weinberg Foundation (the “Weinberg Grant”). EHC has agreed to make the Weinberg Grant available to the project by loaning it to the Borrower or its managing member (the “EHC Loan”). The EHC Loan will bear interest at the Applicable Federal Rate (AFR) and shall be co-terminus with the BoA First Loan. Payments of principal of and interest on the EHC Loan shall be deferred and accruing and shall be due to EHC upon the maturity of the EHC Loan.
FHLB AHP Funds

EHC has applied to the Federal Home Loan Bank of Pittsburgh ("FHLB") for a grant from the Affordable Housing Program in the approximate amount of $450,000.00. Award decisions are not expected to be made until the Project is under construction. If awarded, EHC will loan the funds to the Project as a fully subordinated loan, to be used to reduce any deferred developer fee and then, if any funds remain, to reduce the outstanding principal balance of the RHP Loan.

The RF Coldspring Limited Partnership (the “Borrower”), a newly created “single purpose entity” that is an affiliate of Enterprise Homes, Inc. (“Enterprise”), has proposed to acquire, finance,
DHCD - cont’d

rehabilitate, and operate an existing rental housing development which is comprised of 99 units for income-eligible seniors ("the Project") located at 4803 Tamarind Road, Baltimore, Maryland.

The proposed rehabilitation of the Project will extend the Project’s life and the comfort and living experience of both current and future residents. Exterior renovations are anticipated to include replacement of the Project’s roof, gutters, downspouts and windows and repairs to sidewalks, parking lots, and plaza area retaining walls. The Borrower also plans to install new roll up garage doors and LED garage lighting at the Project and to complete repairs to the garage concrete areas as needed. With respect to interior renovations, the Borrower intends to upgrade unit interiors to replace the unit entryway, kitchen and bathroom flooring, kitchen cabinets, countertops, appliances, garbage disposals and bathroom vanities and countertops. The rehabilitation is also anticipated to include environmentally friendly improvements such as new packaged terminal air conditioner units, hot water heaters, low-flow plumbing fixtures, and LED lights. The common areas at the Project will also be updated during the course of the planned renovation. The community room kitchen will be updated with new cabinets and countertops and the community beauty salon will be expanded. The common area HVAC system will be replaced with a new split system and new LED lights will be installed throughout the common areas at the Project. All 99 units in the Development are affordable units with an approximate mix as follows: 91 one bedroom units and 8 two-bedroom units. Fifty units in the Project are affordable to households earning 60% or less of the area median income, adjusted for family size ("AMI"); 41 units in the Development are affordable to households earning 50% or less AMI; and the remaining eight units are targeted to extremely low-income households earning 30% or less AMI. The proceeds of the City Loan will be used solely to finance a portion of the hard construction costs of the Project.
An appraisal was prepared on June 28, 2019, by Newmark Knight Frank. The appraisal found the “as is” market value to be $7,475,000. The appraised value is below the total cost of the project. This is common in transactions involving LIHTC and affordable housing. The LIHTC provides equity, which provides a source of funds through the syndication of federal tax credits rather than through the value of the property itself. Without the benefits of the LIHTC financing, projects with restricted rents could not be financed. The Department is comfortable recommending the HOME Loan under these circumstances.

The appraisal has been submitted to the Real Estate Department.

**PARTICIPATING PARTIES:**

A. **BORROWER**
   The Borrower is RF Coldspring Limited Partnership, whose general partner is EHI Coldspring GP, LLC, which is a joint venture between Enterprise and Unity Properties, Inc., (an affiliate of Bon Secours), which will own the property. Enterprise will provide all required guarantees.

B. **GENERAL CONTRACTOR/ARCHITECT**
   Harkins Builders, Inc., will act as the general contractor and post a payment and performance bond. Moseley Architects will provide architectural services.

C. **PARTICIPATING LENDERS**

   **M&T LOAN – 1st Lien position**
   M&T Realty Capital Corporation (“M&T”) will provide a first priority construction/permanent loan to the Borrower insured by the Federal Housing Administration under Section 223(f) of the National Housing Act of 1934, as amended, and applicable regulations promulgated thereunder, in an approximate amount of $6,336,546.00 (the “M&T Loan”). The M&T Loan is expected to have an interest rate of approximately 4.750% for a term of 35
years from the date of construction completion and conversion of the construction loan to a permanent loan. The M&T Loan will be paired with short-term, tax-exempt bonds issued by the Community Development Administration ("CDA"), a unit of the Division of Development Finance of the Maryland Department of Housing and Community Development. During construction, proceeds of the First Loan will secure the tax-exempt bonds; after construction completion, the proceeds of the M&T Loan will be used to pay off the tax-exempt bonds, and the M&T Loan will convert to an FHA insured permanent loan. The tax-exempt bonds are to be privately placed with a bond purchaser, the agent of whom will be Stifel Nicolaus & Company, Incorporated (or an affiliate thereof). All subordinate debt, including the City Loan, will be subject to FHA requirements.

**CDA LOANS — Shared 2nd Lien position**
Several sources of financing originated from CDA will share a second mortgage lien position. These sources include: a new loan to Borrower from its Rental Housing Works Program in an approximate amount of $1,428,985.00 (the "RHW Loan"); a new loan from its National Housing Trust Fund Program in the approximate principal amount of $1,151,972.00 (the "NHTF Loan"); a new loan to Borrower in the approximate amount of $250,000.00 for qualified energy conservation measures as detailed in an energy audit deemed acceptable to CDA from its MEEHA-EmPOWER program (the "EmPOWER Loan," and together with RHW Loan and the NHTF Loan, the “CDA New Loans”); and the assumption of a pre-existing loan from the Elderly Rental Housing program in the approximate principal amount of $777,000.00 (the “ERHP Loan”). The proceeds of the CDA New Loans will be used to finance permitted development costs. The CDA New Loans will have a permanent loan period of forty (40) years following a construction period of up to twelve (12) months, which shall include up to three (3) months for cost certification. No regular interest will be charged on the CDA Loans but upon conversion to the permanent loan period, principal and contingent
interest will be due and payable in accordance with the CDA program requirements and applicable loan documents. The CDA New Loans will be secured by a subordinate mortgage against the Project. The assumed EHRP Loan will have a permanent loan period of 40 years following a construction period of up to 12 months, which shall include up to three months for cost certification and shall accrue simple interest at the greater of 4% or the applicable federal rate at the time of closing. Principal and interest will be due and payable in accordance with the CDA program requirements and applicable loan documents.

**BALTIMORE CITY HOME LOAN OR OTHER FUNDS - 3rd LIEN POSITION**

The loan in the approximate amount of $1,125,000.00 (the “City Loan”) will be made from the HOME program or other funds of the City. The City Loan will have the same construction loan period as the RHW Loan. Following construction completion, the HOME Loan will have a permanent loan period (the “HOME Permanent Loan Period”) of 40 years. No regular interest will be charged on the City Loan, but during the HOME Permanent Loan Period, the City will receive a portion of the funds available to pay principal and contingent interest calculated in accordance with the program requirements and applicable loan documents. The outstanding principal balance and any deferred and accrued interest is due and payable on the last day of the HOME Permanent Loan Period. The HOME Loan will be long-term, subordinate debt.

**FEDERAL HOME LOAN BANK LOAN - 4th Lien position**

Enterprise has applied for a grant from the Federal Home Loan Bank of Atlanta’s (“FHLB”) Affordable Housing Program in an amount not to exceed $500,000.00. If the grant is approved, then Enterprise will make a loan to the Borrower of the grant funds (the “AHP Loan”). During the construction loan period of the AHP Loan, no interest shall be charged on the outstanding principal balance of the AHP Loan. The permanent loan period of the AHP Loan shall be 40 years commencing at construction completion and during such period, interest on the AHP Loan shall accrue at 0% per annum. If the Borrower receives the grant from the FHLB, then one of the
conditions of such grant will require Enterprise Community Loan Fund, or an affiliate thereof, to make a loan to the Project in the approximate principal amount of $500,000.00 (the “Enterprise Additional Loan”). The Enterprise Additional Loan will be a bridge loan and will not be secured by a lien on the Project (and thus will be subordinate to the City Loan).

**MBE/WBE PARTICIPATION**

Article 5, Subtitle 28 of the Baltimore City Code for Minority and Women’s Business Opportunity is fully applicable and no request for a waiver has been made.

This transfer will provide Federal HOME Program Income funds to support a portion of the development costs including hard construction costs for the renovation of affordable rental units for senior tenants.
UPON MOTION duly made and seconded, the Board approved and authorized execution to approve the loan of $1,125,000.00 from the HOME Investment Partnerships Program loan or other Baltimore City funds to RF Coldspring Limited Partnership, a Maryland limited partnership, a joint venture consisting of affiliates of Enterprise Homes, Inc., Unity Properties, Inc., and M&T Bank. The Transfer of Funds was approved, SUBJECT to the receipt of a favorable report from the Planning Commission, the Director of Finance having reported favorably thereon, in accordance with the provisions of the City Charter.
ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize the extension of the maturity of an existing City loan to support, the refinancing of existing first loans for Cannery Square Apartments.

The Board is also requested to authorize the Commissioner of the Department of Housing and Community Development to execute any and all legal documents to effectuate this transaction after legal review and sign off by the Department of Law.

AMOUNT OF FUNDS AND SOURCE:

No additional funds are required.

BACKGROUND/EXPLANATION:

On July 16, 2008, on December 23, 2015, and again on December 21, 2016, the Board approved the expenditure of Inclusionary Housing Funds in the principal amount of $750,000.00 (the “City Inclusionary Housing Loan”) to Small Point Borrower LLC (the “Borrower”). Proceeds of the Inclusionary Housing Loan were used to support a portion of the hard costs of the new construction of 40 one, two, and three bedroom loft style residential rental units targeted to new teachers in the Baltimore City School System (the “City Project”), which was part of a larger development known as Cannery Square Apartments, also known as Miller’s Court Apartments.

Cannery Square Miller’s Court was the historic restoration of a long vacant, classic industrial style brick warehouse into a multi-purpose educational life center and residential development using a combination of Historic and New Market Tax Credits in addition
DHCD – cont’d

to the Inclusionary Housing Loan, the project consisted of the redevelopment of a 77,000 square foot structure (the “Development”) into two complementary parts: (i) the City Project and (ii) 35,000 square feet of affordable “flex” office space for non-profit organizations and approximately 1,000 square feet for a coffee shop or other retail use. The apartments and commercial space at Miller’s Court are currently leased with a waiting list for new residents and commercial tenants.

In 2015, at the conclusion of the New Market Tax Credit Compliance period, TD Bank, N.A. (“TD Bank”) offered new financing to take out SunTrust Bank as the tax credit investor. As part of this refinancing transaction, the City subordinated its Regulatory Agreement to TD Bank’s senior loan and also substituted Seawall Development Company LLC as the guarantor of the City Inclusionary Housing Loan.

In 2016, due to the result of the structure of the State Historic Tax Credits, the development incurred an increased tax liability. TD Bank has approved an additional loan, in the amount of $450,000.00, to assist with the tax obligation. In connection with this new loan, the City executed an updated subordination agreement.

The year 2019 marks the 10-year anniversary of the project being placed in service, which means that the ten-year property tax abatement that Miller’s Court qualified for will expire. The magnitude of the increase has put the project and its affordable rent program to teachers and nonprofits in an unstable financial position. TD Bank has agreed to reposition their current two loans into a new single first mortgage loan with a principal amount of approximately $6,000,000.00 (the “TD Bank Refinancing Loan”). The TD Bank Refinancing Loan will have a ten-year term, will be amortized over 30 years, and will have an interest rate of approximately 3.0%. The longer term and lower interest rate will put the development back on stable ground and continue to honor its commitment to affordability.
The annual debt service on the new TD Bank Refinancing Loan is expected to be approximately $303,555.00, which is $152,109.00 less than the two existing TD Bank loans, which had an aggregate annual debt service of $455,664.00.

* Consolidated from the two prior TD Bank loans

As a condition of making the TD Bank Refinancing Loan, TD Bank is requiring the maturity date for both subordinate loans be extended to the maturity date of the TD Bank Refinancing Loan to avoid a situation where a subordinate loan would mature before the senior loan. The Department respectfully requests the Board’s approval to execute the documents necessary to extend the City Inclusionary Housing Loan as described above. **THE LABOR COMMISSIONER RECOMMENDED APPROVAL.**

UPON MOTION duly made and seconded, the Board approved the transfer of LIFE-TO-DATE sick leave days from the listed City employees to the designated employee, Ms. Katie Benden.
Action Requested of B/E:

The Board is requested to ratify the Agreement with Parks and People Foundation, Inc. The period of the agreement was July 01, 2019 through August 10, 2019.

Amount of Money and Source:

$22,000.00 - Account: 2089-208920-5930-427838-603051

Background/Explanation:

The purpose of the Agreement with Parks and People Foundation, Inc., was to provide Community Development Block Grant funding to subsidize the transportation costs of the SuperKids Camp 2019. The Superkids Camp 2019 served predominantly low-income, rising 1st - 5th grade students by offering a six-week reading enrichment program designed to help students enrolled in the Baltimore City Public Schools Systems improve or maintain their reading skills during the summer.

On August 22, 2019, the Board approved the Resolution authorizing the Commissioner of the Department of Housing and Community Development (DHCD), on behalf of the Mayor and City Council, to file a Federal FY 2019 Annual Action Plan for the following formula programs:

1. Community Development Block Grant (CDBG)
2. HOME
3. Emergency Solutions Grant (ESG)
4. Housing Opportunities for Persons with AIDS (HOPWA)
Upon approval of the resolution, the DHCD’s Contracts Section began negotiating and processing the CDBG Agreements as outlined in the plan effective July 1, 2018 and beyond. Consequently, this agreement was delayed due to final negotiations and processing.

Circuit Court for Baltimore City - Sub-Vendor Contract

ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize execution of the Sub-Vendor Contract with Behavioral Health System Baltimore, Inc. for the Forensic Alternative Services Team (F.A.S.T). The period of the Sub-Vendor Contract is July 1, 2019 through June 30, 2020.

AMOUNT OF MONEY AND SOURCE:

$633,027.00 - 4000-400520-1100-576600-404001

BACKGROUND/EXPLANATION:

The F.A.S.T. program provides mental health evaluation of seriously mentally ill citizens in Baltimore, who have been arrested for criminal offenses and either placed in the Central Booking and Intake Center or other appropriate Detention Center. When indicated, the Program arranges with the Court to have the defendant transferred to either a mental health facility as an in-patient or an appropriate outpatient facility.

As in prior years the F.A.S.T. program will continue to divert this population from incarceration and the criminal justice system to appropriate mental health treatment resources. By providing such services, the population of mentally ill that are incarcerated has decreased. Furthermore, coordination and/or enhancement of community-based care plans assist program participants in remaining psychiatrically stable and avoiding additional interactions with the criminal justice system. This Program is a positive contribution to the reduction of trial dockets within the Courts and is a humane placement solution for the mentally ill.

In addition to the original F.A.S.T. Program, this contract is also funding portions of the Circuit Court Mental Health Court docket, which offers an alternative to incarceration and links participants to community-based programs.

Circuit Court for Baltimore City - Sub-Vendor Contract

ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize execution of the Sub-Vendor Contract with Behavioral Health System Baltimore, Inc. for the Competency and Responsibility Evaluation Contract Agreement. The period of the Sub-Vendor Contract is July 1, 2019 through June 30, 2020.

AMOUNT OF MONEY AND SOURCE:

$263,018.00 - 5000-500720-1100-117400-405001

BACKGROUND/EXPLANATION:

The Competency and Responsibility Evaluation Contract provides for all court ordered competency and responsibility evaluations that occur as a result of actions before the Circuit and District Courts in Baltimore City. These evaluations are conducted by the Medical Services Division of the Circuit Court.

A principal function of this program is to divert those who would normally be hospitalized in either Clifton T. Perkins Hospital Center or the various regional facilities within the State. As a result many of those defendants who would be hospitalized from 30 - 60 days are diverted into either community resources or resources within the local detention centers. The Pre-Sentence evaluation portion of the contract provides for evaluations after verdicts that provide proper use of outpatient’s facilities.

The agreement is late because of delays in the signature process and delays in receipt of contract approval from the grantor.

$62,500.00 - 9950-921019-9509-000000-490352
$312,500.00

BACKGROUND/EXPLANATION:

The Department in conjunction with the SHA needs to define the responsibilities and obligations of each party in regard to the Baltimore Greenway Trails Network: Middle Branch Segment.

The Department will complete planning and preliminary engineering from 30% to 100% design for a .8 mile shared use path corridor to improve connections to the Gwynns Falls Trail between Middle Branch Park and the Inner Harbor Promenade.

The SHA will be responsible for 80% of the cost and the Department will be responsible for the remaining 20%.

MBE/WBE PARTICIPATION:

This MOU is to establish the framework for roles and responsibilities for the subject project and the future procurement as a result of the outlined funding above will be considered for minority participation.

US Communities Medical and Pharmacy Program Contract No. 12151 – Health and Fire – P.O. No.: P547429

The Board is requested to approve and authorize execution of an Agreement with McKesson Medical-Surgical, Inc. The period of the agreement is November 21, 2019 through December 31, 2020.

STATEMENT OF PURPOSE AND RATIONALE FOR NON-COMPETITIVE PROCUREMENT:

On December 12, 2018, the Board approved the initial award in the amount of $700,000.00 to Premier Healthcare Alliance, L.P., under County of Dane Purchase of Services Agreement 12151. Subsequent actions have been approved. This agreement acknowledges McKesson Medical-Surgical, Inc. as the primary supplier of medical supplies and medication through the cooperative contract. This cooperative contract enables the City to procure medical products at a reduced cost through strategic sourcing that combines volumes and the purchasing power of public agencies nationwide. The above amount is the City’s estimated requirement.

Contract No. 08000 - Service/Labor/Repair Parts for Godwin Pumps - Department of Public Work, Bureau of Solid Waste - P.O. No.: P527885

This meets the condition that there is no advantage in seeking competitive responses.

STATEMENT OF PURPOSE AND RATIONALE FOR NON-COMPETITIVE PROCUREMENT:

On June 25, 2014, the Board approved the initial award in the amount of $240,000.00. The award contained two renewal options. Subsequent actions have been approved. Services and parts that are only available under this contract are required to maintain pumps necessary to ensure sewage does not contaminate water sources. An extension is necessary to allow time to negotiate a new sole source contract. The contract expires on December 31, 2019. The period of the extension is January 1, 2020 through June 30, 2020.

It is hereby certified that the above procurement is of such a nature that no advantage will result in seeking nor would it be practicable to obtain competitive bids. Therefore, pursuant to Article VI, Section 11(e)(i) of the City Charter, the procurement of the equipment and/or service is recommended.

ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize execution of the Grant Agreement with South Baltimore Gateway Partnership (SBGP). The period of the agreement is effective upon Board approval through June 30, 2020.

AMOUNT OF MONEY AND SOURCE:

$33,000.00 – 2026-000000-3041-783500-603050

BACKGROUND/EXPLANATION:

The Department of Planning (DOP) wishes to provide a grant to the South Baltimore Gateway Community Impact District Management Authority, d/b/a South Baltimore Gateway Partnership (SBGP) to support piloting a grocery access rideshare program. This program addresses transportation challenges for low-income residents of South Baltimore in purchasing healthy food. The pilot will provide eligible low-income, residents of South Baltimore with subsidized rides to grocery stores. DOP will administer this grant in parallel with a separate grant to Baltimore Development Corporation (BDC) for piloting a grocery access rideshare program in West Baltimore.

SBGP has collaborated with the Baltimore City Health Department (BCHD), Family Health Centers of Baltimore and Lyft to plan and implement the Project. Funding from the grant will directly support the rides provided to eligible residents. SBGP will contribute funds to the Project for personnel to administer and manage the program. SBGP also plans to use this grant to test proof-of-concept for a more comprehensive program that will provide subsidized rides for employment and health care trips, in addition to grocery store access. SBGP plans to initially support that larger program with its own funds, while seeking to leverage other sources of findings to expand the program further in the future.
Department of Planning – cont’d

The grant source for the Project is Casino Local Impact Grant Funds, which were appropriated through the Department of Health for Food Access Strategies. This Project is a collaboration of the Department of Planning through its Food Policy Initiative, BCHD and SBGP. Grantee in partnership with Lyft (and its other partners) has agreed to be responsible for any additional costs for this pilot, which is expected to run for six months.

Department of Planning – Baltimore City Public School System
Capital Improvement Program for
FY 2021-2026

ACTION REQUESTED OF B/E:

The Board is requested to NOTE the report of the Planning Commission on the Baltimore City Public School System’s (BCPSS) Capital Improvement Program (CIP) for FY 2021-2026.

AMOUNT OF MONEY AND SOURCE:

$292,270,000.00 – FY 2021-2026 in State funding
$114,000,000.00 – Local General Obligation (GO) bonds for FY 2021-2026
$112,894,000.00 – FY 2021 State funding
$19,000,000.00 – Local GO bond for FY 21

BACKGROUND/EXPLANATION:

Annually the BCPSS must submit an updated and detailed CIP for the upcoming fiscal year and the following five years to the State of Maryland. This CIP submission receives approval from the Board of School Commissioners, the City of Baltimore Planning Commission, Board of Finance, and the Board of Estimates.

On October 3, 2019, the Planning Commission approved the BCPSS CIP for FY 2021-2026.

The requested funding will complete the much larger 21st Century Schools initiative by providing funding for critical systemic improvements, such as fire alarms, HVAC systems and other urgent needs in schools that are not currently funded through 21st Century Schools. It will also allow for renovation and replacement of additional schools to take place. The Board of Estimates’ support of this plan will assist the BCPSS’ effort to provide enhanced learning environments and improve educational opportunities for the children of Baltimore City.

**Notes:**

- Item 1 is a new project approved for FY 2020.
- Item 2 has experienced a decrease in funding due to budget cuts.
- Item 3 is on schedule for completion by the end of FY 2021.
- Item 4 is currently facing delays due to unforeseen circumstances.

**Recommendations:**

- Review the funding allocations for Item 2 to ensure adequate resources are available.
- Investigate potential delays in Item 4 and consider alternative funding sources.

**Action Items:**

- Approve the revised budget for FY 2020.
- Monitor the progress of Item 4 and provide regular updates.

**Next Meeting:**

- Schedule for next quarter to review progress and budget adjustments.
UPON MOTION duly made and seconded, the Board NOTED the report of the Planning Commission on the Baltimore City Public School System’s Capital Improvement Program for FY 2021-2026.
ACTION REQUESTED OF B/E:

The Board is requested to approve the Baltimore City Public School System (BCPSS) Fiscal Year 2021-2026 Capital Improvement Program (CIP).

BACKGROUND/EXPLANATION:

Procedures for administration of the school capital program require that the BCPSS submit annually an updated detailed capital program for the upcoming year and ensuing five fiscal years to the State Interagency Committee on School Construction. As a condition of receiving State school construction aid, the BCPSS is required to submit the CIP by the end of November of each year.

This action requires approval of this program by the appropriate local governing body. As a condition of gaining approval of this local government, a review process has been established that includes the School Board, Planning Commission, Board of Finance, and the Board of Estimates, to serve as the means by which the Mayor will support and endorse the program.

The Board of Finance, at a scheduled meeting on October 28, 2019, considered and endorsed the FY 2021 Capital Budget totaling $131,894,000.00 and the FY 2021-2026 CIP totaling $406,270,000.00. The annual program distributions are as follows:

Department of Audits – Audit Reports

The Board is requested to NOTE receipt of the following Audit Reports:

President: “The first item on the non-routine agenda can be found on Page 105, Department of Audits, Audits Report, item one, Department of Finance Biennial Performance Audit Report Fiscal Years Ended June 30, 2018 and 2017. Will the parties please come forward.”

City Auditor: “Good morning Mr. President, Mr. Mayor, Madam Comptroller, Board members. My name is Josh Pasch I am the City Auditor. I am here today to present the Department of Finance Biennial Performance Audit for Fiscal Years Ended June 30, 2018 and June 30, 2017. The selected performance measures that were included in this Audit were Service 148 Collection Rate on Real Property Tax; Service 699, Number of Vendors Registered in CitiBuy; and Service 700, Revenue Generated Annually. According to the Budget Book, the target for the selected measurements were all met. We did have some Control Findings that I would like to
present. Finding One, the Surplus Property Disposal did not maintain documentation to support the property sales reported. We note that the budget book agreed to the general ledger, but when we tried it back to the supporting property disposal log, there was not sufficient documentation to support all of the disposals. Finding Two, for Service Center 699, the CitiBuy system collects duplicate vendors. So, we noted that the metric actually counts the number of vendors registered in CitiBuy and during our review we noted that there were duplicate vendors included in CitiBuy. When we did some investigation to check why, we noticed that the CitiBuy system only allows vendors to enter in one employer identification number, and if they try to duplicate it, it rejects them. However, that field will allow you to enter the number in a different format. For example, the common is the first two digits, dash and then the rest of the digits, but if you don’t add a dash you can enter the same number again and this resulted in duplicate vendors. Finding Number Three, Service Center -- Service 700 the target for selected performance measures for Service 700 is not reasonable. And we noted that the revenue
generated annually the target for Fiscal Year 17 and 18 were set at $450,000.00. The actuals for 17 and 18 was $681,764.00 and $956,949.00 which is, the actuals were 50% -- 52% higher in 2017 and 113% in Fiscal Year 18. Reviewing this, we recommended that the Department of Finance review their metrics on a periodic basis to see if they’re actually reflective of actual. Typically if we find that the actuals exceed the metrics by such a great amount, that the metrics ah -- could be re-evaluated or should be re-evaluated. We looked at prior Findings. There were 13 prior Audit recommendations. Seven or 54% were fully implemented, four or 31% were partially implemented, and two or 15% were not implemented. The two recommendations that were not implemented were related to a sensitive classification study where the Department of Human Resources is -- has to be involved. Thank you.”

President: “Mr. Director.”

Director of Finance: “Good morning President Scott, Mayor Young, Comptroller Pratt, Honorable members of the Board. I’m Henry Raymond, Director of Finance. We acknowledge receipt of the Department of Finance Performance Audit conducted by the Depart-
ment of Audits for Fiscal Years 2017 and 2018. The Department concurs with the three current Findings and agrees to the recommendations for correction. As it relates to the 13 repeat items, the Department of Finance made significant progress including seven fully implemented, four partially implemented and only two not implemented. The Department of Finance takes ah--these follow-up Findings seriously and will implement them as outlined in the report.”

President: “Mr. Director, can you tell me why the two repeat Findings that have no action -- have had no action?”

Director of Finance: “Yes. Ah-- on page 11, uh--Table Five, the first item has to do with ah-- not meeting the measure for paying bills within 30 days. We are going to ah-- refer this to CitiStat because this measure does not just include the Accounting Department. The Accounting Department cannot pay the bills until they are received by the agencies. So, it doesn’t take 30 days for the Finance Department to prepare the checks. It’s because we’re getting the bills late from the agencies. So, we’re going to revise the measure. We implemented ah-- training videos on how to pay bills etcetera but we’re going to refer the matter to CitiStat for
additional assistance. So, that’s why that one, we don’t meet the goal of paying bills within 30 days. On the second Finding, which is the last Finding on ah -- Table Seven, all the way at the back of the report. We cannot implement what we need to do until the Department of Human Resources performs a study on sensitive classifications. So once, DHR performs that study, we’ll be able to use the data to enforce ah -- the random sampling. The sensitive classes have to do with additional classifications of employees that would be subject to random testing. We cannot implement that until we have the report from DHR.”

President: “Just a follow-up, has DHR asked you for the money to do that study?”

Director of Finance: “Yes.”

President: “Because they have asked for money for multiple studies.”

Director of Finance: “Well let -- le -- let me correct that. They have not asked for funding, but they have indicated that the summer will -- excuse me -- that the ah -- that they will complete the report ah -- this summer.”
President: “Okay second question. Ah -- back to the procurement and CitiBuy. Can you tell me how many vendors actually use that system to report like sub payments?”

Director of Finance: “I’ll follow-up with you on that. I’m not sure off hand.”

President: “And while you’re doing that --.”

Director of Finance: “Um -- um.”

President: “Can you give me a full list of all those using it and also tell me how many get contract extensions or change orders.”

Director of Finance: “Okay. So just so I’m clear. You want a list of all the vendors in CitiBuy.”

President: “Yep. How many ah -- get have contract extensions and have gotten change orders in addition to using it for sub payments. Mr. Mayor.”

Mayor: “Thank you ah -- Mr. President. Um -- we need you to come back within three to six months to let us know what you have done to correct most of the Findings. Um -- because you know -- um when I was President that troubled me and it still troubles me. And we need to work with all our agencies, need to get all of their
invoices in ah -- in a timely manner. When the work is done and they have their Inspectors out inspecting the job if it’s okay, they should not be sitting on somebody’s desk. So um -- I’ll mention that in our next Cabinet meeting. Because they -- these Contractors need to get paid. Okay.”

Director of Finance: “We agree. Ah -- coming back, will six months be satisfactory?”

Mayor: “Yes.”

Director of Finance: “Okay. Thank you.”

City Auditor: “I would just like to clarify, um -- the paying the vendors within 30 days was a partially implemented um -- prior Finding. The other and then the DHR with the sensitive class was the other one. The other non--non-appointed was related to the BBMR had a ah - metric, dollars saved from recommendations, and we noted that the metric the target was based on estimated dollars saved from initiatives and then the actuals also based on an estimate saved from initiatives and so our Finding was that -- the first Finding was, we couldn’t recalculate it because it was just
an estimate not the actual and our recommendation was that whenever we have a -- a metric there’s within the design of the metric, the ability to calculate the actual and so that was our recommendation for that one.”

President: “Thank you. The Report has been Noted.”

President: “The second item on the non-routine agenda can be found on Page 105, Department of Audits, Audit Report item 2, Department of Housing and Community Development Biennial Performance Audit Fiscal Year Ended June 30, 2018 and 2017. Can the parties please come forward.”

City Auditor: “Good morning Mr. President, Mr. Mayor, Madam Comptroller, Board members. My name is Josh Pasch, I’m the City Auditor. I am here to present the Department of Housing and Community Development Biennial Performance Audit for Fiscal Years Ended June 30, 2018 and June 30, 2017. The selected performance measures that were included in the Audit were Service 593, percentage of activities carried out by sub recipients and City agencies that met contractual goals, and Service 751 with performance measures, number of inspections and number of inspec-
tions per inspector per day. According to the budget books, two of the three metrics achieved their goals. Number of inspectors -- number of inspections per inspector per day, the target was 16 and the actual was 15 in both years. During our Audit we noted that the Performance Measures were not accurately reported and not supported for Service Center 593, Community Support projects percent of activities carried out by sub recipients and Baltimore City agencies that met their contractual goals. The reasons why these were found not to be calculated correctly is that the DHCD used significant performance in lieu of contract minimums to determine sub recipient and agency performance outcomes. The -- and also because the current process for tracking subrecipient activities involves multiple databases and these databases are not integrated and when they have to combine them to do reports, there is a lot of reconciliation and that led to some -- two activities not being included. Additionally, we observed the following control weaknesses related to the accuracy and reasonableness of the performance measures. Service Center 593, Community Support
Projects percentage of activities carried out by sub recipients and agencies that met contractual goals. The DHCD does not have a verification process to ensure that all subrecipients and the corresponding contracted activities are identified, monitored or viewed by senior management, and for Service 751, Building and Zoning Inspections and Permits, number of inspections, the DHCD did not periodically evaluate the reasonableness of the target. This is another case where um -- the actuals were at 25% and 30% higher than the targets and the recommendation there was to periodically review the targets to make sure they are in-line with the current environment. We reviewed -- we looked at, we had 13 prior year audit -- prior period audit Findings that we looked at. Four recommendations were no longer performance measures so we did not evaluate those. Of the remaining nine, eight recommendations were implemented and one recommendation was not implemented. Thank you.”

Mr. Steve James: “Good morning Mr. President, Mr. Mayor, Madam Comptroller, I’m Steve James, Deputy Commissioner with the Department of Housing.”

President: “Deputy, you have to pull the mic a little closer.”
Mr. James: “Okay. Is that better? I’m Steve James, Deputy Commissioner with the Department of Housing and Community Development. Ah -- DHCD concurs with the two Findings and the recommendations. And as concerns the 13 repeat, the one that was um -- not corrected is being worked on. There was a change in, in staff, and it sort of fell through and will be taken care of.”

President: “Thank you. Deputy Commissioner to go to that Finding, it says that that was implemented in 2014, hasn’t changed since. To me that is unacceptable, especially when we’re talking about blight elimination. Ah -- this is Baltimore, so can you give more reasoning as to how ah -- one staff change isn’t enough. That’s not excuse enough for me.”

Mr. James: “Okay. Sure, absolutely.”

President: “So what’s -- what’s the reason?”

Mr. James: “Well, it basically it was the whole scale the Deputy Commissioner that over saw that Division and the Assistant Commissioner left. New persons came in and this one just -- they had several Findings, others got corrected, this one didn’t. It will be addressed.”
President: “Okay. So, we’re going to need you guys to come back in two months to tell us how you’re addressing issue. Mr. Mayor.”

Mayor: “Yeah, um -- really, this is unacceptable as far as I’m concerned. Um -- we should have SOP’s Standard Operating Procedure for any employee that leaves, someone can come in and fill that position. Um -- and Housing being such an important part of City government, we have to have it right.”

Mr. James: “Absolutely.”

Mayor: “We have no room for error, no room for mistakes. So, um -- I would like to see you all come back in a two-month period that the President had um -- advised you to do um -- with some real reason why it was not done. Um -- the reason you gave was unacceptable to me also. Um -- and what your plan is moving forward to make sure that we are not back here again with findings.”

Mr. James: “Okay. And how --”

Mayor: “But I would like to see all agencies coming here um -- with no Findings.”

Mr. James: “Okay. How -- we are going to correct that one carryover out of the 13; okay.”
Mayor: “Okay.”

President: “Thank you. Madam Comptroller.”

Comptroller: “I don’t have any questions.”

President: “Thank you. The Report has been Noted.”

Ms. Hicks traveled to Denver, Colorado to attend the Nurse-Family Partnership Administrator Orientation Session from August 19 – 22, 2019.

The subsistence rate for this location was $257.00 per night. The cost of the hotel was $165.00 per night, plus hotel taxes of $25.98 per night.

The airfare, hotel cost, and hotel tax were prepaid on a City-issued procurement card assigned to Jennifer Martin. The Department is requesting reimbursement of $83.14 for meals and incidentals. Therefore, Ms. Hicks will be reimbursed $83.14

This request is late because the pre-approval process began on July 10, 2019. The BHCD policy as it relates to pre-approval travel “travel arrangements cannot be made until the routing document is completely signed by all parties.” The final signature for the pre-approval was not received until August 6, 2019. The Board of Estimates was in recess on August 14, 2019. Therefore, the travel process was still incomplete and too late to go to the Board of Estimates for approval. Ms. Hicks traveled on August 19, 2019. It is explained to all

On September 8 – 12, 2019, Ms. Young traveled to Toronto, Canada to attend the National Association of City Transportation Officials (NACTO) Designing Cities Conference. The allowed subsistence rate for this location was $209.00 per day. The hotel Airbnb was $172.14 per night, cleaning fee was $17.54 per day, and service fee was $24.47 per night. Therefore, the reimbursement to Ms. Young is $1,085.52.

Ms. Young personally paid $1,085.52 for expenses incurred with a credit card and US dollars. All of the hotel blocks were sold out. The Airbnb was used because it was $100.00 less than the available hotel rooms.

The Department believes that this request for subsistence of $1,085.52 is both reasonable and economical for this trip to Toronto, Canada.

This request is late because Ms. Young was waiting for approval of a waiver of the $900.00 registration fee because she was invited to speak at the conference. The requested travel reimbursement is as follows:

Pursuant to AM 240-5, the Board of Estimates must take action on a Travel Request outside of the continental United States, each City representative must include a proposed amount for a daily allowance on the Travel Request, which the representative believes to be both reasonable and economical. The Board will determine the final monetary amount of the daily subsistence allowance and stipulate the rate in its approval.

Baltimore Police Department - Consulting Agreement

**ACTION REQUESTED OF B/E:**

The Board is requested to approve and authorize execution of a Consulting Agreement with PFM Group Consulting LLC. (Consultant) The period of the agreement is effective upon Board approval for one year with two additional 1-year renewal options.

**AMOUNT OF MONEY AND SOURCE:**

$150,000.00 - 1001-000000-2041-195700-603026
(Not to exceed)

**BACKGROUND/EXPLANATION:**

Under this agreement, PFM Group Consulting, LLC will serve as a Consultant having previously worked with the city completing work for Baltimore City’s Finance Department that involved consulting on a Ten-Year Financial Plan.

Using this same expertise, PFM Group Consulting LLC will assist the Baltimore Police Department to achieve consensus and sustainability in budgeting and funding a Constitutional-compliant Baltimore Police Department. The Consultant’s team will provide analytical and budget forecasting support to the City and the Baltimore Police Department in the development of a dynamic, multi-year budget forecasting model and Consent Decree compliance. A crafted fiscal year 2021 budget will be developed to incorporate staffing, hiring, training, workload, police operations, and other assumptions in concert with the City and the Baltimore City Police Department.

This effort is being procured to create more detail and transparency projections surrounding financial reporting and operational imperatives.

Baltimore Police Department (BPD) – Marketing Service Agreement

ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize execution of a Marketing Service Agreement (Agreement) with idfive, LLC. The period of the agreement is effective upon Board approval through December 31, 2019.

AMOUNT OF MONEY AND SOURCE:

$75,500.00 – 1001-000000-2041-716600-603026

BACKGROUND/EXPLANATION:

The Baltimore Police Department would like to continue its police recruitment marketing campaign through the Marketing Service Agreement. The Agreement is for targeted marketing services.

Law enforcement recruitment has become a challenge nationally. Departments across the country have been turning to professional marketing companies for assistance. The BPD recruitment marketing campaign will target Baltimore City residents, minorities, women and millennials. It will aim to:

- Increase the number of officers available for patrol to reduce crime in Baltimore.
- Fill vacant patrol officer jobs to help reduce mandatory overtime, staff burnout, and attrition.
- Promote law enforcement as a viable career option for young people in Baltimore and create awareness about the salaried cadet positions that are available for 18 – 21 year olds.

Space Utilization Committee – License Agreement

ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize execution of the License Agreement between the Department of Transportation, Licensor, and New Cingular Wireless PCS, LLC (New Cingular), Licensee, for the use of City-Owned poles to allow attachment of communication facilities. The period of the License Agreement is 10 years with three five-year renewals.

AMOUNT OF MONEY AND SOURCE:

$4,670.00 – Base Charge for Installation with a new or replacement pole

$4,600.00 – Base Charge installation on an existing pole.

BACKGROUND/EXPLANATION:

New Cingular will be solely responsible for the cost of any remedial work to make the City poles suitable for their use and will be responsible for liability insurance, utilities, maintenance, providing public notice of their proposed use of a City Pole, repairs to their equipment and compliance with all FCC rules and regulations. New Cingular will not attach to any City Pole without the review and approval of its plans by the Department of Transportation, the Department of Planning, and the Department Real Estate.

On January 9, 2019 the Board approved an annual recurring fee of $270.00 per attachment. Based on this fee the City will collect $29,970.00 annually upon full build out. In addition to the recurring fee, the Board approved fees known as “Base Charges”; one-time charges for the initial installation of a telecommunication facility on the public rights-of-way. The Base Charges reflect the actual cost incurred by the City in regulating the initial installation of a telecommunication facility on City rights-of-way.
