- b. Protests.
 1. A person wishing to protest a proposed action of the Board or otherwise address the Board, whether individually or as a spokesperson, shall notify the Clerk of the Board, Room 204, City Hall, 100 N. Holliday Street, Baltimore, Maryland 21202 in writing no later than noon on the Tuesday preceding the Board meeting during which the item will be considered, or by an alternative date and time specified in the agenda for the next scheduled meeting.
 2. A protest shall be considered proper when the protestant is directly and specifically affected by a pending matter or decision of the Board.
 3. The written protest shall include:
 - a. The name of the person protesting or, if a spokesperson, the entity or organization protesting;
 - b. A narrative description of the issues and facts supporting the protest; and
 - c. A description as to how the protestant will be harmed by the proposed Board action.
 - d. If a person fails to appear before the Board to argue and defend their protest, the Board may reject the protest without discussion.

c. Procurement Lobbyist

1. A Procurement Lobbyist, as defined by the Baltimore City Ethics Code § 8-8(c), must register with the Board of Ethics as a Procurement Lobbyist in accordance with Baltimore City Ethics Code § 8-12.
2. If any member of the Board has sufficient information to determine that Baltimore City Ethics Code § 8-12 has not been complied with, he or she may make a complaint to the Board of Ethics.

d. Required Posting

The full provisions of these Protest Regulations shall be posted in a manner and format that ensures adequate notice in the Department of Legislative Reference, as well as on the President of the Board's website and the Secretary to the Board's website.

Submit Protests to:

Department of Law – Settlement Agreement and Release

ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize execution of a Settlement Agreement and Release for a lawsuit filed by Donald Osborne (Plaintiff) against the Mayor and City Council of Baltimore and others.

AMOUNT OF MONEY AND SOURCE:

\$30,000.00 - 2036-000000-1752-175200-603070

BACKGROUND/EXPLANATION

The Plaintiff, Donald Osborne, claims that a police vehicle owned by the City and operated by a Baltimore police officer did not check to see if it was clear to proceed through the intersection while traveling at excessive speed and/or failed to see and/or yield to another vehicle, striking that vehicle, and sending it into Plaintiff's vehicle, causing a forceful collision and serious injuries to Plaintiff.

The Plaintiff claims that he suffered injuries to his right foot, neck, back, and left hand and wrist and feared for his life as a result of the collision. Plaintiff's claimed economic damages total \$19,290.76.

Based on a review by the Settlement Committee of the Law Department of the legal and factual issues specific to this particular claim, a recommendation to the Board of Estimates is made to approve the settlement of this claim.

Mayor's Office of Immigrant Affairs (MIMA) – Non-Construction Consultant Agreement

The Board is requested to approve and authorize execution of a Non-Construction Consultant Agreement with CASA de Maryland, Inc. The period of the agreement is March 7, 2021 through March 6, 2022, unless terminated earlier according to the provisions herein.

AMOUNT AND SOURCE OF FUNDS:

\$156,987.01- 1001-000000-1250-775700-603026

BACKGROUND/EXPLANATION:

COVID-19 continues to have an outsized impact on minority groups. This is particularly the case in the Latino community in Baltimore City. While Hispanic residents make up just over 5% of the population, they have represented a disproportionate number of cases throughout the pandemic, and one in eight Latino/Hispanic residents has contracted COVID-19.

In an effort to address the disproportionate impact of COVID-19 in the Latino community, the MIMA seeks to enhance bilingual and bicultural public messaging and in-person outreach to educate Limited English Proficient Latinos about how to prevent the virus, where to get tested, demystify myths that prevent this community from seeking help early on, and, in light of increasingly available vaccines, facilitate registration and vaccination appointments.

MIMA will work with CASA to recruit community organizers to serve as Community Messengers/Promoters. Their role as Promoters will be to educate the neighborhoods hardest hit by COVID-19 to prevent the spread, guide community members to trusted sources of information and resources, and identify community members eligible for vaccination through intensive canvassing efforts. As part of the outreach, the project will coordinate and provide additional services to lessen the impact of COVID-19, such as referrals to public and/or private resources available to residents.

The agreement is late due to contract and budget revisions.

ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize acceptance of a Grant Award from the Governor’s Office of Crime Control and Prevention for the Baltimore Police Department’s Sex Offender Compliance and Enforcement in Maryland Program, Award #SOCM-2022-0007. The period of this grant is from July 1, 2021 through June 30, 2022.

AMOUNT OF MONEY AND SOURCE:

\$154,196.00 - 5000-588222-2021-813800-600000 – Grant Funds

BACKGROUND/EXPLANATION:

The funds will be utilized for the Baltimore Police Department’s Sex Offender Compliance and Enforcement Program. The program assists in developing and implementing strategies specifically intended to provide assistance complying with the laws surrounding the Sex Offender Registry. The program tracks the compliance of local sex offenders who are required to maintain a registry with the Maryland Sex Offender Registry. Grant funding supports personnel.

Mayor’s Office of Homeless Services – Termination and Renewal Agreements

ACTION REQUESTED OF B/E:

The Board is requested to authorize the Mayor’s Office of Homeless Services to terminate and subsequently enter into new grant agreements with the U.S. Department of Housing and Urban Development to correct a clerical error in the original grant agreements. The original period of the agreement was October 1, 2020 through September 30, 2022.

AMOUNT OF MONEY AND SOURCE:

\$3,211,253.00 - 4000-439721-3573-591400-404001

BACKGROUND/EXPLANATION:

The Mayor’s Office of Homeless Services (MOHS) was awarded grant funding through the U.S. Department of Housing and Urban Development (HUD)’s Youth Homelessness Demonstration Program (YHDP), which was accepted by the Board on October 21, 2020. YHDP funding is used to support programming for unaccompanied homeless youth aged 18 to 24, including permanent supportive housing, rapid rehousing, and shelter diversion services.

In May 2021, the MOHS was notified by HUD that the original grant agreements listed the wrong program funding year, and as such, agreements would have to be terminated and renewed in order for program operations to continue. Under these agreements, the new period of performance begins on the same day as the termination of the prior agreement, effective upon signature by HUD.

MOHS is requesting that the Board approve termination agreements and new grant agreements for the following projects:

Current Grant # (to be terminated)	New Grant #:
MD0452Y3B011800	MD0452Y3B011899

MBE/WBE PARTICIPATION:

The Minority and Women’s Business Opportunity Office (MWBOO) confirms the funding sources associated with the Baltimore City Health Department (BCHD) grant programs, technical agreements, and community health services are obtained through the Federal Government and the State of Maryland. Through this fiduciary alliance, the BCHD serves as a liaison and oversight agency to ensure funding is appropriated to the designated Citywide public health programs and services. Due to the restricted allocation of Federal and State funds, the Baltimore City MBE/WBE goals and MWBOO compliance monitoring are not applicable. For this reason, waivers are granted to warrant the appropriate approval for all Federal and State funded resources.

Department of Real Estate – Third Renewal of Lease Agreement

ACTION REQUESTED OF B/E:

The Board is requested to approve the third renewal of Lease Agreement with Park Heights Renaissance, Inc., Tenant, for the rental of a portion of the property known as 3939 Reisterstown Road, Suites 268 and 283, consisting of approximately 4,109 square feet. The period of the renewal is July 1, 2021 through June 30, 2022.

AMOUNT OF MONEY AND SOURCE:

<u>Annual Rent</u>	<u>Monthly Installments</u>
\$22,614.72	\$1,884.56

BACKGROUND/EXPLANATION:

On November 22, 2017, the Board approved the original Lease Agreement with Park Heights Renaissance, Inc. The period of the lease was July 1, 2017 through June 30, 2018, with the right to renew. On January 30, 2019, the Board approved a one-year renewal and an amendment to the lease providing the right to renew for three additional one-year periods.

The first and second renewals under the amended lease were approved by the Board on October 16, 2019 and June 10, 2020, respectively. Park Heights Renaissance, Inc. is exercising its third renewal option for the period July 1, 2021 and through June 30, 2022.

The leased premises will continue to be used for office space to provide community-based planning, human development, and housing services. The Landlord will remain responsible for the parking area, exterior of the building, all interior common areas, all equipment and systems serving the building, trash and snow removal, and utilities including water, gas, and electric. The Tenant will remain responsible for liability insurance, security, and janitorial services. All other terms and conditions of the original lease remain in full force and effect.

7,500.00 - 2334 Edmonson Avenue
7,500.00 - 2536 Edmonson Avenue
\$22,500.00 – Purchase Price

BACKGROUND/EXPLANATION:

The City will convey all of its rights, title, and interests in 2320 Edmonson Avenue, 2334 Edmonson Avenue, and 2536 Edmonson Avenue to the Developer for \$7,500.00 each, which will be paid to the City of Baltimore at the time of settlement. The purchase and improvements to the site will be financed through private sources.

The Developer wishes to purchase and rehabilitate the vacant buildings located at 2320 Edmonson Avenue, 2334 Edmonson Avenue, and 2536 Edmonson Avenue as market-rate rental properties.

The City is authorized to dispose of the Properties by virtue of Article II, Section 15 of the Baltimore City Charter, and Article 13, § 2-7 (h) of the Baltimore City Code. The properties at 2320 and 2334 Edmondson Avenue were journalized and approved for sale on December 22, 2010. The property at 2536 Edmondson Avenue was journalized and approved for sale on December 12, 2012.

STATEMENT OF PURPOSE AND RATIONALE FOR THE SALE BELOW THE PRICE DETERMINED BY THE WAIVER VALUATION PROCESS:

Pursuant to the Appraisal policy of Baltimore City, a Waiver Valuation determined the properties located at 2320 Edmondson Avenue, 2334 Edmondson Avenue, and 2536 Edmondson Avenue to be valued at \$9,800.00 each, and they will be sold for \$7,500.00 each. The properties are being sold for the price determined by the Waiver Valuation process for the following reasons:

- the sale will serve a specific benefit to the immediate community,
- the sale will help to eliminate blight, and
- the sale will return the properties to the City's tax rolls.

MBE/WBE PARTICIPATION:

The Developer will purchase the properties for a price that is less than \$50,000.00 and will receive no City funds or incentives for the purchase or rehabilitation; therefore, MBE/WBE participation is not applicable.

(Revenue Account original i-Team account)

BACKGROUND/EXPLANATION:

The Mayor's Office of Performance & Innovation (OPI) conducts extensive research with the residents of Baltimore and Subject Matter Experts (SMEs), including user experience and qualitative research. The OPI also coordinates and facilitates co-design workshops and meetings with residents and SMEs using participatory design methods. These resident touchpoints help to uncover service performance challenges and design more equitable and effective solutions.

The OPI will use the account with the Baltimore Civic Fund to compensate residents and SMEs for their time and participation in research and co-design activities. This will have the added benefit of increasing participation in these activities among underserved populations and gain more useful information for service improvements. In addition, the OPI uses this account to pay stipends to fellows who assist with this work.

Chief Administrative Officer Christopher Shorter will be the authorized signatory for the account.

This authorization is requested on behalf of the DOT for a network connection to the DOT Maintenance Facility located at 2601 Falls Road. The current network connection is a slow and outdated dial-up DSL line. The new connection will permit an upgrade from Windows 7 PCs to Windows 10, newer Xerox machines, and the installation of the Mitel phones at this location.

An underground conduit system is the only feasible option because the aerial poles are owned by the BGE, and the leasing fees to use the poles to run the Comcast cable is cost-prohibitive. Department of General Services – Grant Award Agreement

ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize acceptance of the Grant Award Agreement with the Maryland Department of Environment (MDE). The period of the grant agreement begins on the date the project funded under the grant is approved by the Trustee of the Environmental Mitigation Trust and ends when the agreed-upon services are completed, but no later than October 10, 2022.

AMOUNT AND SOURCE OF FUNDS:

Up to \$538,560.00 – 5000-521721-1914-718200-405001

BACKGROUND/EXPLANATION:

On September 18, 2015, the United States Environmental Protection Agency issued a Notice of Violation of the Clean Air Act to Volkswagen AG (“VW”) for violations of diesel emission standards. The consent decree to address the violations resulted in the creation of an Environmental Mitigation Trust, under which the State of Maryland was allocated \$75,700,000.00 for eligible mitigation projects.

DGS submitted an application to MDE for a pilot of electric load-packers and was awarded up to \$538,560.00. DGS originally proposed \$489,600.00, but due to the time elapsed between the proposal and the agreement, MDE agreed to a 10% increase to \$538,560.00.

The grant will fund two class 6 diesel refuse trucks and the related 40 kW AC vehicle chargers. On an annual basis, the project will cut 0.118 tons of nitrogen oxides, 0.009 tons of particulate matter (PM2.5), 0.036 tons of carbon monoxide, 0.009 tons of hydrocarbons, and 45 tons of carbon dioxide. This list includes pollutants that are health hazards for Baltimore residents. The electric vehicles will also be significantly quieter – a benefit for City employees and families on the routes.

Department of Finance – Renewal of Employee Crime Insurance Policy

ACTION REQUESTED OF B/E:

The Board is requested to approve a Renewal of the Baltimore City Public School System Employee Crime Insurance Policy with AIG Insurance Company. The renewal is effective July 1, 2021.

AMOUNT OF MONEY AND SOURCE:

\$18,297.00 – 2043-000000-1531-169900-603014

BACKGROUND/EXPLANATION:

This insurance policy will provide coverage for the loss of money, securities, or other financial instruments for which the City and Baltimore City Public School System are legally liable. The marketplace is limited. AIG Insurance Company will continue to provide this coverage for the coming year at no increase in rate. The policy has a \$1,000,000.00 per occurrence limit, with a per-occurrence deductible of \$10,000.00.

The Renewal Agreement is late because of delays in finalizing the final terms and conditions.

Department of Finance – Renewal of Fine Arts Insurance Policy

ACTION REQUESTED OF B/E:

The Board is requested to approve the Renewal of the Fine Arts Insurance Policy with Aon Hunting T. Block Fine Arts Insurance. The renewal is effective July 1, 2021.

AMOUNT OF MONEY AND SOURCE:

\$262,273.00 – 2043-000000-1531-169900-603014

BACKGROUND/EXPLANATION:

This policy is unique and superior to the standard Fine Arts Insurance Policy. It provides Fine Arts replacement cost and transit coverage to the Baltimore Museum of Art, The Walters Art Museum, and any location owned, occupied, or controlled by the Mayor and City Council.

Coverage is being renewed with the incumbent carrier, Aon Hunting T. Block Fine Arts Insurance, with an approximate 1% premium increase; a \$25,000.00 deductible is applicable due to previous losses and due to the increase of vandalism claims against monuments nationwide.

The Renewal Agreement is late because of delays in finalizing the final terms and conditions.

ACTION REQUESTED OF B/E:

The Board is requested to approve a renewal of the Baltimore City Marine Hull and Insurance Policy with AIG. The renewal is effective July 1, 2021.

AMOUNT OF MONEY AND SOURCE:

\$51,510.00 – 2043-000000-1531-169900-603014

BACKGROUND/EXPLANATION:

This policy covers various watercraft owned and/or operated by City agencies, excluding the Constellation. Markets for this exposure are limited. The policy was renewed with the incumbent carrier, AIG, at the same terms and conditions as the expiring policy, including terrorism coverage on the entire fleet.

The Renewal Agreement is late because of delays in finalizing the final terms and conditions.

AMOUNT OF MONEY AND SOURCE:

\$6,012,033.00 – 2043-00000-1531-169900-603014

BACKGROUND/EXPLANATION:

This policy covers the real and personal property of the City and the Baltimore City Public School System. The renewal premium reflects an overall rate increase of slightly under 25% due to the continuing hardening property marketplace and current COVID-19 environment.

The Renewal Agreement is late because of delays in finalizing the final terms and conditions.

ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize execution of a Memorandum of Understanding (MOU) with the Baltimore Heritage Area Association, Inc. (BNHA). The period of the MOU is effective upon Board approval for ten years with an option to renew the agreement for an additional ten years

AMOUNT OF MONEY AND SOURCE:

\$458,248.05- 9950-911200-9527-900020-706065

BACKGROUND/ EXPLANATION:

The City seeks to have BNHA install new historic marker signs at various locations and has secured funding to pay BNHA for the installation.

The BNHA was awarded funding to install informational signage across the City, highlighting various historical locations or events. The funds were put under the umbrella of DOT Fiscal.

The informational signs that were initially installed roughly a decade ago now require replacement after years of wear and tear. This MOU is for the design, fabrication, and installation of new historic marker signs.

The MOU is late because of internal and external administrative issues.

MBE/WBE/DBE PARTICIPATION:

This MOU is to establish the framework for roles and responsibilities for the subject project and the future procurements as a result of the outlined funding above will be considered for minority participation.

BACKGROUND/EXPLANATION:

On August 16, 2017, the Board approved a License Agreement with the MSA to secure approximately 175 parking spaces on the Camden Yards Sports Complex during Phase II and III of snow emergency. The parking spaces would be utilized by residents in the area until the snow emergency has been downgraded to Phase I. The initial Agreement was for a three-year period. The DOT requested, and the MSA agreed to extend the Agreement for a one-year period.

On September 16, 2020, the Board approved an Amendment to the License Agreement with the MSA for the period August 16, 2020 through August 15, 2021, with a one-year additional renewal period

The DOT is requesting the Board to approve a memorandum in which the MSA agrees to the one-year renewal period of August 16, 2021 through August 15, 2022, under the same terms and conditions set forth in the License Agreement, as amended.

ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize execution of Amendment No. 4 to Agreement (Amendment) with Century Engineering, Inc. under Project No. 1191, On-Call Design Consultant Services for Federal Aid Resurfacing and Reconstruction Projects. The Amendment will extend the period of the Agreement through March 31, 2023 or until the upset limit is reached, whichever occurs first.

AMOUNT OF MONEY AND SOURCE:

\$4,000,000.00 – Upset fee

To be determined with each individual project. No funds are required at this time.

BACKGROUND/EXPLANATION:

On April 1, 2015, the Board approved the original three-year Agreement in the amount of \$3,000,000.00 with Century Engineering, Inc., which provided for engineering design services. These services included reconstruction, resurfacing streetscapes, developing roadway alignment, Americans with Disabilities Act (ADA) pedestrian facilities, drainage improvements, street lighting, electric duct banks, traffic signal design, water and wastewater, signing and pavement markings, traffic control, erosion, and sediment control, surveys, landscaping, planning, project scope development, environmental site assessments, National Environmental Policy Act (NEPA) clearance, and other engineering-related tasks with the project.

On January 10, 2018, the Board approved Amendment No. 1 for a one-year time extension to continue design services for various projects.

On September 26, 2018, the Board approved Amendment No. 2 for a one-year time extension and increase to the upset limit by \$1,000,000.00 to continue Central Avenue design-build construction management and other various construction projects.

On December 18, 2019, the Board approved Amendment No.3 for a one-year time extension and increase to the upset limit by \$3,500,000,000 to continue Central Avenue design-build construction management and other various construction projects.

\$921,649.65 – 9956-905565—9551-900020-703032

BACKGROUND/EXPLANATION:

The Office of Engineering & Construction is in need of continued services with the S.C. 882 for Project and Construction Management Assistance Services at the Back River Wastewater Treatment Plant. This Amendment is needed because S.C. 882 construction contract is again delayed, and a new anticipated completion date is by June 22, 2022. The Office of Engineering & Construction is seeking budget increases to cover inspection services until the completion date, including additional construction management services during the warranty phase, and support the City on contractor claims. This Amendment No. 5 will increase the contract upset limit from \$13,850,000.00 to \$14,770,000.00. The Consultant will meet the MBE/WBE goals as required per the original contract.

\$5,558,280.00 – 9956-903583-9551-900020-706063

BACKGROUND/EXPLANATION:

The Office of Engineering & Construction is requesting approval of additional funding for JLN Group, Inc. to continue to provide flow, rainfall, and groundwater monitoring services under Project No. 1263, Rainfall and Flow Monitoring Services for the Sanitary Sewer System. The original contract was approved by the Board on June 27, 2018. Under the terms of Amendment No. 1, RJN Group, Inc. will continue to provide flow, rainfall, and groundwater monitoring services and additionally provide engineering services support with existing Baltimore City Wastewater data.

The City of Baltimore is required, under the Modified Consent Decree, to monitor flow and rainfall prior to and following the completion of any Phase 1 sanitary sewer construction project and evaluate the effectiveness of these construction projects through post-construction flow monitoring. Rainfall and flow monitoring is required by the Modified Consent Decree and is the key component of the Phase II Sewershed Plan of the Modified Consent Decree. Therefore, the monitoring program needs to continue and be extended for additional two years. The current expiration date is June 27, 2021. Office of the Mayor – Reimbursement of Buildout Costs

ACTION REQUESTED OF B/E

The Board is requested to approve the reimbursement of the buildout costs to Atapco One Baltimore (Landlord) of the property located at 501 N. Calvert Street.

AMOUNT OF MONEY AND SOURCE:

\$4,085,363.17 - 1001-000000-1220-148200-603050

BACKGROUND/EXPLANATION:

On April 22, 2020, the Board approved a Lease Agreement for a large portion of the building, located at 501 N. Calvert Street, in which it agreed to reimburse the building owner for buildout and life safety improvements necessary to meet code to relocate several Police Department and Fire Department assets to the subject location. These assets began occupancy in January 2021.

STATEMENT OF RATIONALE OF EXPENDITURE

The relocation of the assets will enable the City to sell or develop several aged buildings that are, along with their operating systems, beyond their useful life.

The Baltimore Police Department and Fire Division/Units that have either already relocated or will be relocating to the Baltimore City Public Safety Complex (Former Baltimore Sun Building) will occupy approximately 142,645 sq. feet in total. The Division Units are as follows:

<u>Division Unit</u>	<u>Former location</u>	<u>Future Plans</u>
BPD Central District	500 E. Baltimore St	Repurpose for city use
Warrant Apprehension Task Force	242 W. 29 th St.	Develop/Sale

Parking Authority of Baltimore City (PABC) – Demand Based Parking Meter Rate Setting in Harbor East

ACTION REQUESTED OF B/E:

The Board is requested to approve the implementation of Demand-Based Parking Meter Rate Setting in Harbor East by the PABC and the Baltimore City Department of Transportation (BCDOT).

AMOUNT OF MONEY AND SOURCE:

N/A

BACKGROUND/EXPLANATION:

Pursuant to Article 31 §13(f)(2) of the Baltimore City Code, subject to the approval of the Board, the PABC may set the rates for any parking project, and pursuant to Article 31§ 7-8, with the approval of the Board the Director of Transportation may: (i) set the rates for metered parking in the City. The PABC and the BCDOT recommend that on-street parking meter rates in Harbor East be set based on demand.

The PABC is charged with managing the City of Baltimore's on-street and off-street parking assets. Proper stewardship of those assets requires that the PABC develop rate-setting policies that help to achieve the purpose and goals of those assets.

The purpose of a parking meter is simple – to **create availability** of on-street parking so that patrons of shops, restaurants, and attractions and short-term visitors to offices can quickly and easily find a parking space within close proximity to their destinations. Creating on-street parking availability has numerous benefits, including:

- **Better business.** When patrons of businesses find a convenient parking space quickly and easily, they are more likely to frequent those businesses and spend more time shopping and/or dining because the business is more accessible, and patrons have spent less time searching for parking.
- **Reduced traffic congestion.** Studies have shown that about one-third of traffic congestion in cities is caused by drivers circling blocks looking for an on-street parking space. Reducing traffic congestion has its own positive outcomes, including:
 - Fewer accidents
 - Less vehicle emissions/air pollution
 - Less driver stress and frustration

PABC – cont'd

To do their job, parking meters must have the **right rates** – rates that will regularly produce one or two available parking spaces on each block face (15%-20% availability; or 80%-85% occupancy). This is called “**demand-based parking meter rate setting.**”

- If occupancy is higher than 85% in a particular block, then the parking meter rate should be adjusted upward incrementally and slowly (in 25¢ increments no more than once every 6 months) until occupancy reduces to 85%.
- If occupancy is lower than 75% in a particular block, then the parking meter rate should be adjusted downward incrementally and slowly (in 25¢ increments no more than once every 6 months) until occupancy increases to 85%.
- If occupancy is between 75% and 85%, then the parking meter rate is right, and no change to the rate is needed.

The Parking Authority implemented demand-based parking meter rate-setting Downtown in 2017. Since then, the program has:

- Created availability of parking on blocks with high parking demand Downtown.
- Incentivized parkers to seek parking on blocks with lower demand (and lower rates) Downtown.
- Helped to spread parking demand, thereby making better use of all on-street parking assets throughout Downtown.

Demand-based parking meter rate setting was implemented in San Francisco several years ago and started more recently in Washington DC, Seattle, and Oakland.

The Parking Authority’s Board of Directors has approved this plan for demand-based parking meter rate setting in Harbor East. Councilman Zeke Cohen, whose District includes the entirety of Harbor East, has reviewed this plan and has approved its review by the Board.

THE PROPOSED PLAN:

The Board is requested to approve the following plan to simplify and enable the Parking Authority’s implementation of demand-based meter rate setting in Harbor East:

PABC – cont'd

1. The authority to adjust on-street parking meter rates in the Harbor East area (defined here as the area bounded by Eastern Avenue on the north; Lancaster Street on the south; Jones Falls tributary on the west and S. Caroline Street on the east) within a range of 50¢/hour to \$5.00/hour based on parking demand as determined by the following criteria:
 - Parking meter rates on any block may be adjusted up or down only in 25¢/hour increments and no more than once every 6 months.
 - If occupancy is higher than 85% in a particular block, then the parking meter rate may be adjusted upward incrementally and slowly until occupancy hits 85%.
 - If occupancy is lower than 75% in a particular block, then the parking meter rate may be adjusted downward incrementally and slowly until occupancy hits 75%.
 - If occupancy is between 75% and 85%, then the parking meter rate will not be adjusted.
 - Each parking meter rate adjustment within Harbor East will be reviewed and approved by the Board of Directors of the Parking Authority prior to implementation.
 - Notice of each parking meter rate adjustment within Harbor East will be sent to the District 1 Council Member at least one month prior to implementation.
2. The initial adjustments of on-street parking meter rates in Harbor East as outlined in the PABC's submission to the Board.
3. The adjustment of parking meter in-effect times in Harbor East as outlined in the PABC's submission to the Board.

Proposed Initial Adjustments of On-Street Parking Meter Rates in Harbor East

Tiered Pricing

The first recommendation of this study is to introduce tiered pricing in the Harbor East study area. The PABC collected and analyzed parking utilization data for weekdays, weekday evenings, and Saturdays throughout this round of the study. As noted, a distinct

PABC – cont'd

pattern of higher parking utilization was noticed on weekday evenings and Saturday evenings. In order to tailor the parking meter rates to the parking demand and help ensure parking is available when needed, the PABC suggests a tiered pricing approach where different meter rates are in effect before and after 6:00 p.m.

New Meter Rates

There will be seven meter rates throughout Harbor East between daytime and evening hours: ***\$2.25, \$2.00, \$1.75, \$1.25, \$1.00, \$0.75 and \$0.50***. The table below shows the current and proposed meter rates for each block.

Extending Meter-In-Effect Times

The PABC recommends extending the hours of several block faces in Harbor East. The PABC recommends extending the meter-in-effect times until 8:00 p.m. for some of those metered block faces closer to the core area of Harbor East and the new Whole Foods location. Because of new development such as the new Whole Foods location and restaurants in Little Italy, and other attractions along Aliceanna Street which hosts activity that extends past 6:00 p.m., it is recommended that the meter-in-effect times run later on those blocks to help manage the on-street parking in the evening.

The table below identifies the selected block faces with meter-in-effect times that should be extended based on adjacent uses and parking activity. The table is organized by showing the block number, street name, side, and current hours. It was recommended not to extend the hours along the blocks of Eastern Avenue and South Caroline (not listed on the table) due to limited business activity surrounding these blocks at night.

Department of Law – Settlement Agreement and Mutual Release

ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize execution of a Settlement Agreement and Mutual Release between the Mayor and City Council of Baltimore and Rev. Robert Edwards (“Plaintiff”) to resolve a lawsuit alleging a claim of unconstitutional “taking” of private property with regard to the City’s rezoning of two separate lots owned by Plaintiff in the Waverly area.

AMOUNT OF MONEY AND SOURCE:

\$345,000.00 - 2004-000000-1450-703800-603070
250,000.00 - 9904-910113-9127-900000-709047
\$595,000.00

The reason for this split is that during the last legislative session, the General Assembly authorized \$250,000.00 in its capital budget towards the acquisition of the lot to be used as public green space. When the City later receives the \$250,000.00 in State monies, this will be transferred to the City’s capital account.

BACKGROUND/EXPLANATION:

Rev. Edwards owns two unimproved lots in Waverly. Neither lot has a numbered address. They are located in Block 4053, across from the Giant food store, one along 33rd Street (the “33rd Street lot”), and the other behind it along Venable Avenue (the “Venable lot”). During the process relating to TransForm Baltimore, the Planning Commission recommended that they be zoned R-7 residential, consistent with the other nearby properties. The surrounding community was accustomed to the long-standing use of the Venable Lot as a community green space and was concerned about the possibility of development. The City Council amended the proposed R-7 zoning for both lots to OS open space. While open space is entirely appropriate for some properties, in this specific matter, it did not leave the owner with any reasonable economic use. Rev. Edwards sued the City in federal court for an unconstitutional taking of property, seeking damages and costs, including attorney’s fees.

The City has recently rezoned the 33rd Street Lot to R-7 consistent with the surrounding properties. As to the Venable Lot, the Law Department has negotiated an arrangement whereby the City will purchase it for \$450,000.00 and enter into an adopt a lot agreement through DHCD with the community association. Eventually, it is intended that the lot will be transferred to a local non-profit, Baltimore Greenspace. The open space zoning will thus remain and this will ensure its continued use as a community green space. The community is satisfied with this arrangement.

AGENDA

BOARD OF ESTIMATES

8/11/2021

Department of Law – cont'd

In addition, the City will also pay Rev. Edwards \$145,000.00 for the attorney's fees and remaining damages claimed. The total settlement is therefore \$595,000.00.

Fortunately, Delegate Regina Boyce was successfully able to obtain \$250,000.00 in capital grant funding during the last legislative session towards the preservation of the Venable Lot as a community green space which will reimburse the City for some of its costs. The Councilperson, Odette Ramos introduced and supported the rezoning bill for the 33rd Street Lot and has worked with the Law Department in connection with the proposed settlement.

The settlement agreement and release will accomplish these purposes and result in the dismissal of the court case with prejudice. The Law Department's Settlement Committee has reviewed and approved this proposed settlement.
