The meeting was called to order by the President.

Clerk:  “I will also announce that on today, April 13, 2011, will be Taxpayers Night at 6:00 p.m. in the War Memorial Building, located 101 N. Gay Street.”

President:  “I would direct the Board’s attention to the memorandum from my office dated April 11, 2011, identifying matters to be considered as routine agenda items together with any corrections and additions that have been noted by the Deputy Comptroller. I will entertain a Motion to approve all of the items contained on the routine agenda.”

City Solicitor:  “Move to approve all of the items on the routine agenda.”

Comptroller:  “Second.”

President:  “All those in favor say AYE. All opposed NAY. Motion carries. The routine agenda has been adopted. Madam Mayor.”
Mayor: “Thank you very much Mr. President. Good morning. Two weeks ago when I introduced the Fiscal Year 2012 Budget, I promised to restore funding to Enoch Pratt Free Library if the State aid was reduced less than we anticipated. Thankfully, the Governor and the General Assembly came through with funding for the City and I can make good on my promise. I am very relieved to be able to restore the funding to our world class Enoch Free Library system. With this restoration our library system will be fully funded for two years in a row, despite a $186,000,000.00 punitive budget deficit over the past two years. As the mother of a public school student, who uses the library system regularly, I understand the importance of the neighborhood library in the lives of Baltimore’s working families. The budget restoration will build upon recent investments including the renovation of the Reisterstown Road and Edmondson Avenue branches of the library. I want to thank Governor O’Malley, the Baltimore City Delegation and our supporters in the Maryland General Assembly, for working with my administration to lessen the severe reductions in State aid in a very difficult budget year. I also want to thank Dr. Carla Hayden, Executive Director of the library for making it a critical component of the educational experience for young people and adults in our great City. Under her leadership, more
than 2,000,000 people visited the Pratt to check out a book, use a computer, take a class, or receive help finding a job. The Pratt is a valuable asset for the people of Baltimore and I am glad that we can provide the support it needs to continue serving the residents throughout the year.”

Scheduling of Public Hearing on Proposed Water and Sewer Rate Increases and Miscellaneous Fee Increases

ACTION REQUESTED OF B/E:

The Board is requested to schedule a hearing for the proposed water and sewer rate increases. Notice of the proposed rates will be published as required. A hearing on May 18, 2011, at 9:00 a.m. is requested.

BACKGROUND/EXPLANATION:

Pursuant to Ordinance 941 which implements the City Charter Amendment, approved by the voters in 1978, the water and wastewater utilities must be maintained as self-sustaining operations. Under this Ordinance, it is the duty of the Director of Finance and the Director of Public Works to recommend to the Board of Estimates rates and charges to make each utility financially self-sustaining. It is recommended that water rates be increased approximately 9% and sewer rates be increased approximately 9% for consumers in Baltimore City. Eligible senior consumers, age 65 and older in Baltimore City who apply and whose annual household income does not exceed $25,000.00 will receive a 30% discount on water and sewer rates. Also, a water rate increase of approximately 9% is recommended for consumers in Howard, Anne Arundel and Carroll Counties. Increased cost of water and sewer service will be passed on to Baltimore County through the City-County Agreements. Baltimore County establishes its own rates with City concurrence.

Current rates and proposed rate schedules follow:

ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize a grant for the 2011 Mayoral Fellowship Program.

AMOUNT OF MONEY AND SOURCE:

$46,000.00 - 1001-000000-1220-146500-607004

BACKGROUND/EXPLANATION:

The goal of the Mayoral Fellowship Program is to attract and retain young people interested in civic engagement and urban government policy. Throughout the 10-week program, the Fellows are exposed to the inner workings of City government. The City expects to have a class of between 10 and 12 Fellows this year.

The program is based on three tenets. First, the Fellow is assigned a special project working within an agency. Second, the Fellows will attend a weekly lecture series that highlight different facets of the City. This includes meetings with local and national businesses based in Baltimore (Under Armour, Tony Foreman/Cindy Wolfe, DAP); tours of non-profit facilities (Our Daily Bread, OSI) and City agencies (Bike Baltimore/Planning) or even team building activities including community service and physical challenges. Finally, Fellows produce a weekly newsletter highlighting City agencies, Fellow cohorts, and graduates of the program.

This year the City has received 150 applications in just a three week application period. The source of the applications received were national including a substantial number from local colleges and universities. The applicants can be undergraduates in their third or fourth year of college, college graduates, or in graduate school.

To screen applicants, the City utilizes former Mayoral Fellows. They will review all application and make a recommendation on
Dept. of Finance – cont’d

whether or not the applicants should be interviewed. To do so, they review the applicant's three essays, transcripts and recommendations. Following that process, members of the Mayor's Cabinet, the Mayor's Office and other City agencies conduct interviews of the top applicants.

APPROVED FOR FUNDS BY FINANCE

UPON MOTION duly made and seconded, the Board approved and authorized the grant for the 2011 Mayoral Fellowship Program.

The Mayor ABSTAINED.

Office of the Mayor - Agreement

ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize execution of an agreement with Baltimore City Foundation, Inc. (Foundation).

AMOUNT OF MONEY AND SOURCE:

N/A

BACKGROUND/EXPLANATION:

The Foundation was incorporated on January 5, 1981 for the purpose of assisting the City in achieving its civic goals. The Foundation enables Baltimore City government to raise philanthropic resources that promote many of its health and human services priorities. In addition, the Foundation provides grants to nonprofits organizations that support youth and under-privileged Baltimore City residents. In conducting activities for the support or benefit of the City, and in receiving charitable contributions from private sources, the Foundation also promotes public/private collaboration for the good of the City.

Current Relationship between the Foundation and the City

The Foundation, with support and administrative assistance from the City, continues to conduct activities and receive contributions for programs that are carried out for charitable and educational purposes. Its mission of enhancing the quality of life for the citizens of Baltimore, and promoting many of the City’s health and human services priorities by developing philanthropic resources, is advanced through its regular activities. Since the Foundation’s incorporation, the City has maintained an active relationship with the Foundation. The City provides essential administrative support by interfacing with City agencies that manage programs funded by the Foundation and by maintaining records of the Foundation’s work with City programs. At the present time, the City maintains exclusive accounting and record-keeping for the Foundation. The Foundation hires an outside audit firm to annually provide a financial audit.
Philanthropic Relationship

The Foundation receives and will continue to receive charitable gifts, grants, and similar funds, which are held and will continue to be held by the Foundation and used to advance its charitable mission. As it has in the past, the Foundation will continue to review requests to establish accounts on behalf of City agencies. Once the accounts are established, the Foundation will receive charitable gifts, grants and similar funds on behalf of the City Agencies. The agencies may make requests to draw on those account funds, and duly authorized disbursements of such funds will be made by the Foundation.

The City and the Foundation will establish guidelines, recorded separately in the document entitled “Policies and Procedures Governing Solicitation, Receipt, and Use of Funds by the Baltimore City Government,” for agencies to gain access to the beneficial status of the Foundation. The guidelines will cover, at a minimum, the following:

- Establishment of accounts with the Foundation
- Transaction processing
- Transaction approval
- Reporting process
- Process for monitoring outcomes
- Process for evaluating compliance by the agency

The guidelines will be incorporated by reference into this agreement. Maintaining the guidelines separately will permit the flexibility to update and modify the guidelines as conditions may suggest changes that are appropriate or necessary.

The Foundation will manage the assets deposited on behalf of City agencies. Interest earned on the assets will be utilized by the Foundation to cover administrative expenses and to provide grants to nonprofit organizations in Baltimore.
Office of the Mayor - cont’d

Administrative and Financial Management Arrangement

The Foundation is an independent corporation, subject to Internal Revenue Service rules and regulations and State laws that impose or imply certain record keeping requirements. The Foundation is not a City agency. The Foundation must maintain a complete set of financial books and records. These books and records are the property of the Foundation.

Funds under the control of the Foundation are the property of the Foundation. Both the City and the Foundation acknowledge the City will often have a beneficial interest in the funds and the Foundation will be acting as a fiduciary, employing prudent and appropriate practices and procedures for safeguarding such resources until deployed for the intended purpose.

The Foundation was created primarily to serve the interest of the City government. For this reason, the City provides in-kind resources to the Foundation for the purpose of conducting the day-to-day financial business of the Foundation. City employees who are released to conduct the financial affairs of the Foundation (write checks, maintain records, etc.) will be responsible to the governing board of the Foundation or its designee to report to the Foundation regarding the work conducted on behalf of the Foundation. The City acknowledges the valuable contribution made by the Foundation in promoting the programs and activities that are designed to serve the interests of the residents of Baltimore, and commits to providing a sufficient amount of administrative staff to conduct the day-to-day business and affairs of the Foundation. The City’s relationship with the Foundation will be the shared responsibility of the Finance Director and the Mayor’s Chief of Staff or such other person employed in the Mayor’s Office as the Mayor may designate.

Office Space/Storage

The City will continue to provide reasonable office facilitates and storage space to the Foundation, free of charge.

(FILE NO. 57227)

UPON MOTION duly made and seconded, the Board approved and authorized execution of the agreement with the Baltimore City Foundation. The Mayor ABSTAINED.

Mayor: “Additionally, today on the Board, we approved a new agreement with the Baltimore City Foundation that will strengthen guidelines, policies and procedures for charitable contributions, transactions and expenditures. Office of the Labor Commissioner - Agreement

ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize execution of an agreement with the City Union of Baltimore (CUB). The agreement is effective upon Board approval through the expiration of the FY 2011-2012 Memorandum of Understanding with the City Union of Baltimore, Local 800, AFT, AFL-CIO (MOU) unless the parties mutually agree to continue the Agreement in the successor MOU.

AMOUNT OF MONEY AND SOURCE:

N/A

BACKGROUND/EXPLANATION:

The Baltimore City Health Department (BCHD) receives a grant from the State of Maryland, Department of Juvenile Services (DJS) for the Operation Safe Kids Program. The primary goal of the grant is to prevent high-risk juveniles who are part of DJS’s Violence Prevention Initiative from becoming victims or perpetrators of violent crimes.

The receipt of the grant funding is contingent upon the Department meeting certain minimum standards set in the grant. Such standard included, but not limited to, is that each Senior Youth Development Technician and Youth Development Technician achieves a minimum of three in-person or face-to-face visits per week with youth participants and/or their guardian/s.

However, the regular office hours, 8:00 AM – 4:30 PM, often conflict with the school and work schedules of youth participants and their guardians, thereby limiting the opportunity for three in-person contacts per week as required by the Program. Therefore, the Baltimore City Health Department and CUB agreed to create an exception to the Hours of Work provisions contained in Article 17 of the Memorandum of Understanding between the City and CUB.

The TRF is also nationally recognized for its research and housing-related policy analysis.
