Police Department – Grant Adjustment Notice

ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize execution of a grant adjustment notice (GAN) with the U.S. Department of Homeland Security Office of State and Local Government. The GAN extends the period of award through February 29, 2012.

AMOUNT OF MONEY AND SOURCE:

N/A

BACKGROUND/EXPLANATION:

The State Homeland Security Program (SHSP) award is a core assistance program that provides funds to build capabilities at the State and local levels. The activities implemented under the SHSP must support terrorism preparedness by building or enhancing capabilities that relate to the prevention of, protection from, or response to terrorism in order to be considered eligible. However, many capabilities which support terrorism preparedness simultaneously support preparedness for other hazards. Eligible activities include planning, organization, training, exercises, equipment, and personnel.

This GAN extends the end date from May 21, 2011 to February 29, 2012.

The request is late because it was recently received from the grantor.

AUDITS NOTED THE NO-COST TIME EXTENSION.

UPON MOTION duly made and seconded, the Board approved and authorized execution of the grant adjustment notice with the U.S. Department of Homeland Security Office of State and Local Government.
Police Department - Interagency Agreement

ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize execution of an interagency agreement with the Office of the State’s Attorney for Baltimore City. The period of the agreement is October 1, 2011 through September 30, 2012.

AMOUNT OF MONEY AND SOURCE:

$118,125.00 - 4000-470012-2252-694201-600000

BACKGROUND/EXPLANATION:

The interagency agreement will provide funds from the grant award from the U.S. Department of Justice, Office of Justice Programs to continue supporting the crime reduction and prevention strategy.

The Office of the State’s Attorney will ensure the funds will be utilized to enhance in a timely fashion, the ability to communicate with defense attorneys, police officers, victims, and individuals related to cases. The service will allow the use of technology to better streamline resources available to staff to improve upon the success of prosecutions.

APPROVED FOR FUNDS BY FINANCE

UPON MOTION duly made and second, the Board approved and authorized execution of the interagency agreement with the Office of the State’s Attorney for Baltimore City.

Department of Finance – Correction of Account Number for Liability Insurance Renewal

ACTION REQUESTED OF B/E:

The Board is requested to approve a correction to the account number for the Student Medical Program–Liability Insurance Renewal previously approved by the Board on October 12, 2011.

AMOUNT OF MONEY AND SOURCE:

N/A

BACKGROUND/EXPLANATION:

On October 12, 2011, the Board approved a renewal, from the Office of Risk Management, in the amount of $10,350.00 for liability insurance covering students enrolled in the Student Nursing, Geriatric Nursing Assistants and Medical Assistants Programs in the Baltimore City Public Schools, Department of Housing and Community Development, and the Baltimore City Fire Department EMT program. However, the source of funds was incorrect. The account number submitted was 2043-000000-1531-169900-603014. The correct account number is 2043-000000-1450-162900-603014. Therefore, the Board is requested to approve the corrected source of funds.

Mr. Bynum filed his application on September 23, 2011.

Pursuant to the Tax Property Article, Section 208(h)(2) it is required that interest shall be paid at the rate the county or municipal corporation charges on overdue taxes and that the interest shall accrue from the date the application is filed with the county or municipal corporation. In order to avoid interest being paid, each claimant’s application for a refund must be made within 60 days of the application.

UPON MOTION duly made and seconded, the Board approved the refund of real property taxes for the aforementioned claimant.
Department of Housing and Development - Modification of Sideyard Policy

**ACTION REQUESTED OF B/E:**

The Board is requested to approve and authorize a modification of the City’s Sideyard Policy.

**AMOUNT OF MONEY AND SOURCE:**

N/A

**BACKGROUND/EXPLANATION:**

On August 17, 2011, the following amendment was read into the minutes:

“The Board is requested to approve a policy that will allow the DHCD's Land Resources Division, on behalf of the Mayor and City Council, to dispose of City-owned vacant lots up to 1,500 square feet to adjacent owner-occupants and non-owner occupants for a fixed price of $500.00 per 1,500 square feet and $1,000.00 per 1,500 square feet, respectively.”

This modification to the Sideyard Policy will allow the disposal of sideyards greater than 1,500 square feet. The Department requests the modification as follows:

The Board is requested to approve a policy that will allow the DHCD's Land Resources Division, on behalf of the Mayor and City Council, to dispose of City-Owned vacant lots less than or equal to 1,500 square feet to adjacent owner-occupants for a fixed price of $500.00 and to owners not occupying the adjacent property for a fixed price of $1,000.00. In the event the total square footage of the lot exceeds 1,500 square feet, the purchase price of the additional square footage will be calculated at a rate of $0.33 per square foot for adjacent owner occupants and $0.66 per square foot for adjacent owners not occupying the adjacent property.
The DHCD's Land Resources Division, on behalf of the Mayor and City Council, strategically acquires and manages vacant or abandoned properties, ultimately enabling these properties to be returned to productive use and improving Baltimore's neighborhoods. It is understood that the policy is a City policy applying to all City-owned land. Currently, there are a number of City-owned vacant lots that are adjacent to occupied properties. Unfortunately, some of these lots have become blighting influences in their community enabling illegal dumping, drug-related activities and other undesirable behaviors. Many property owners have expressed interest in extending the boundaries of their property by acquiring a City-owned lot and many have taken the initiative to maintain the lots through their own labor and investments. In doing so, residents increase property values and creating social and environmental benefits that beautify Baltimore's neighborhoods. In recognition of the effort put forth by the adjacent owners and the increasing demand for sideyards, the Department of Housing and Community Development proposes a new initiative to allow adjacent owners the opportunity to purchase the vacant lots adjacent to their homes at a low-fixed price.

The rationale behind this initiative is that by conveying the vacant lot adjacent owners with a vested interest in the site will return the property to productive use, eliminate blight and generate tax revenue for the City. This policy lays out the criteria and procedures for the transfer of vacant lots to adjacent property owners.

In order to determine whether a vacant lot qualifies for a sale as a sideyard, the DHCD’s Land Resources Division will ensure:

1. it is immediately adjacent to an owner-occupied property or a business (left, right or rear of the property),

2. the prospective purchaser must be current on taxes, water bills and have no open citations, and

3. the prospective purchaser agrees that the lot will not be developed for a minimum of ten years.
DHCD - cont’d

Disposition Procedure

A qualified adjacent owner making application to acquire a City-owned vacant lot must apply to the DHCD’s Land Resources Division, which will check that the criteria are satisfied; check that there are no major development plans in which the sideyard could not be accommodated; and will inform agencies with potential interest in the property.

Once the Department approves the transfer, it will convey the property under a Land Disposition Agreement for the subject site(s). In recognition of the adjacent owner’s commitment to preserve the lot as an undeveloped site, appraisals will be waived and the price per lot will be set at $500.00 per 1,500 square feet and for owner-occupied adjacent properties and $1,000.00 per 1,500 square feet for non-owner occupied adjacent properties. In the event the total square footage of the lot exceeds 1,500 square feet, the additional square footage will be calculated at a rate of $0.33 per square foot for adjacent owner occupants and $0.66 per square foot for adjacent non-owner occupants.

Each LDA will specify the conditions under which the Purchaser must abide by in exchange for the fixed purchase price. An example of such language is as follows:

**Permissible Uses:** For purposes of this agreement a sideyard is defined as the open space at grade level between a building and the adjoining lot lines, unoccupied and unobstructed by any portion of a structure from the ground upward, except (subject to zoning approval) the following permissible items:

1. deck
2. garage/shed
3. temporary storage container
4. gazebo
Policy Against Speculation: The Purchaser represents and agrees that its purchase of the Property and its other undertakings pursuant to this Agreement are, and will be used, for the purpose of preserving the Property as an undeveloped lot for use as a sideyard. The Purchaser further recognizes that its proximity to the vacant lot and commitment to use the Property as a sideyard are one of several criteria influencing the City to enter into this Agreement and that any use that is not in accordance with the terms of this agreement is of particular concern to the City.

Default by Purchaser: Notwithstanding anything in this Agreement to the contrary, the provisions contained in this paragraph will only apply during the period subsequent to the conveyance of the City Property, or any part thereof, to the sideyard Purchaser. In the event that the Purchaser defaults in its obligations with respect to any conditions and covenants contained in this Agreement, including but not limited to maintaining the City Property in accordance with all zoning and Urban Renewal Ordinances or other codes that are applicable, and the cure of any default is not commenced within thirty (30) days after written demand by City, and continued diligently thereafter, City will have the right to re-enter the City Property and/or take any and all action necessary to take possession of the City Property and to terminate the state conveyed to the Purchaser. Purchaser will pay upon demand by City, any and all charges incurred as a result of such default. In the event the estate conveyed to Purchaser be terminated thereby, title to said City Property will immediately vest in City. That any vesting of title as a result thereof in the City will always be subject to and limited by, and subordinate to and will not defeat, render invalid, or limit in any way the lien of any mortgage or deed of trust authorized by this Agreement and executed for the sole purpose of obtaining funds for the acquisition and development of the site or any rights under any other document further securing any mortgagee or deed of trust holder sums advanced in accordance with this Agreement, or any rights or interest provided in this Agreement for the protection of the holders of such mortgages or deed of trust.
DHCD - cont’d

In addition, in the event of any default and the revesting or title hereunder, the City will have the right to retain the amount paid on account of the purchase price of the City Property and the good faith deposit, if any, as its property without any deduction, offset, or recoupment whatsoever; and the Design Development Plans and/or Construction Plans which may have been submitted by the sideyard Purchaser to the Department pursuant to this Agreement will become the sole property of the City, for its use or assignment to others at its sole option.

(FILE NO. 57242)

UPON MOTION duly made and seconded, the Board approved and authorized the modification of the City’s Sideyard Policy.

BIDS TO BE RECV’D: 01/11/2012
BIDS TO BE OPENED: 01/11/2012

There being no objections, the Board, UPON MOTION duly made and seconded, approved the above-listed Proposal and Specifications to be advertised for receipt and opening of bids on the date indicated.
ACTION REQUESTED OF B/E:

The Board is requested to approve and authorize execution of the weatherization assistance grant agreement with the Maryland Department of Housing and Community Development (MD-HCD). The agreement is for the period July 1, 2011 through June 30, 2012.

AMOUNT OF MONEY AND SOURCE:

$1,254,236.00 – 5000-594112-5971-439500-40500

BACKGROUND/EXPLANATION:

The Baltimore City Weatherization Assistance Program (WAP) has been operating for many years with federal funding passing through the State of Maryland. The American Recovery and Reinvestment Act of 2009 (ARRA) greatly expanded funding for this program nationally as part of the national effort to reduce the impacts of economic recession to stimulate the economy and increase energy conservation. The ARRA dramatically increased funding for weatherization in Maryland and Baltimore City with $15,700,000.00 over three years. In addition, and at the same time, the Department of Energy funds the traditional WAP. This proposed grant agreement represents the regular or traditional program. With ARRA funding the City of Baltimore will weatherize over 1,000 homes in the coming fiscal year. The ARRA-funded weatherization and the regular program covered by the submitted grant agreement complement each other.
DHCD - cont’d

MBE/WBE PARTICIPATION:

The MBE/WBE requirements for weatherization contractors will be negotiated after receipt of funds from the State of Maryland.

AUDITS REVIEWED THE SUBMITTED DOCUMENTATION AND FOUND THAT IT CONFIRMED THE GRANT AWARD.

UPON MOTION duly made and seconded, the Board approved and authorized execution of the weatherization assistance grant agreement with the Maryland Department of Housing and Community Development.
Department of Housing and Community Development (DHCD) - First Amendment to Loan Agreement, Amended and Restated Promissory Note, Fixed Rate Note for Series 2011 A Certificates, and Contract for Fixed Rate Note

**ACTION REQUESTED OF B/E:**

The Board is requested to approve and authorize execution of 1.) First Amendment to Loan Agreement, 2.) Amended and Restated Promissory Note, 3.) Fixed Rate Note for Series 2011 A Certificates, and 4.) Contract for Fixed Rate Note.

The Board is further requested to authorize the Commissioner of the Department of Housing and Community Development to negotiate final terms and to execute any and all legal documents to effectuate this transaction subject to review and approval for form and legal sufficiency by the Department of Law.

**AMOUNT OF MONEY AND SOURCE:**

N/A

**BACKGROUND/EXPLANATION:**

The refinancing of the loan will reduce the interest rate from the current rate of 6.4% to an amount that is estimated to be less than 3.0% for the remainder of the loan term which ends in 2021.

On July 19, 2001, the Board approved an $8,000,000.00 HUD Section 108 Guaranteed Loan and a $1,000,000.00 Brownfield Economic Development Grant to help finance the renovation of the former Montgomery Ward’s warehouse located at 1000 South Monroe Street and 1900 Washington Boulevard now known as Montgomery Park.
The City through the DHCD loaned the funds to Washington-Monroe LLC, headed by Mr. Sam Himmelrich. The project was successfully renovated and the developer is current with all principal and interest payments. The term of the original loan was 20 years with the loan to be fully repaid in 2021. The collateral provided for the loan included a property located at 1801 Washington Boulevard, a property located at 1735 Washington Boulevard, personal guarantees from the development team, the Montgomery Ward’s Building and the leases and rents.

In 2003, the Board approved the release of the collateral at 1735 Washington Boulevard and in 2007 released the collateral at 1801 and 1901-2015 Washington Boulevard and the personal guaranty of Mr. David Tufaro. This was done to allow the partnership to increase their funding from private debt. The remaining collateral includes the former Montgomery Ward building, as well as the leases and rents from the building.

Section 108 loans are funded by HUD through the sale of bonds. The interest rate for the City's original loan with HUD was based on the interest rates of the various bonds in the HUD sale. The current proposed refinancing will be funded by a new HUD bond sale. Bond interest rates are currently very low and it is also possible to dramatically lower the interest rate of the loan.

HUD will combine the outstanding loans from participating jurisdictions to form a national pool and sell bonds on the open market to capitalize the loan funds for the individual loans. The new loan is composed of a series of bonds that fully fund the existing loan balance. The interest rate on the original HUD note is currently set at 6.4%. The estimated rate as a result of the November 17, 2011 bond sale is not expected to exceed 3.0%. The refinancing is estimated to save approximately $1,351,716.00 over the remaining life of the loan.

The developer will pay the issuance costs and the outstanding interest due on the original loan. The developer will also pay to the City a refinancing fee of 3.0% of the outstanding balance on the new loan. The developer will make this payment in three equal installments of $58,650.00 in years one, two and three of the new loan period for a total equal to $175,950.00, with the first payment due at closing and the remaining payments due on
DHCD - cont’d

the first and second anniversaries of closing, respectively. The City will credit 80% of the remaining balance of the reserve account to offset the developer's issuance costs and pre-paid interest charges. This reserve account holds the developer's loan payments until the City payment due to HUD on the original 108 loan is due. The City will add an additional .5% servicing fee on the interest rate agreed to following the bond sale. The Brownfield's Economic Development Grant originally supporting the Section 108 loan as a reserve remains in place and is unaffected by the new transaction.

Collateral requirements and other terms and conditions will remain unchanged.

The Department of Finance has reviewed and recommends approval by the Board.

(FILE NO. 55801)

UPON MOTION duly made and seconded, the Board approved and authorized execution of 1.) the first amendment to loan agreement, 2.) the amended and restated promissory note, 3.) the fixed rate note for Series 2011 A Certificates, and 4.) the contract for fixed rate note. The Board further authorized the Commissioner of the Department of Housing and Community Development to negotiate final terms and to execute any and all legal documents to effectuate this transaction subject to review and approval for form and legal sufficiency by the Department of Law.
Department of Housing and – Right-of-Way Easement Agreements
Community Development

The Board is requested to approve and authorize execution of the following right-of-way easement agreements:

1. **COMCAST OF BALTIMORE CITY, L.P. AND STADIUM PLACE, INC.**
   
   (FILE NO. 53405A AND 56573)

   $ 0.00

2. **VERIZON MARYLAND, INC.**

   (FILE NO. 55899)

   $ 0.00

The City, by and through the Department of Housing and Community Development, has granted a right-of-way easement to both Comcast of Baltimore City, L.P and Verizon Maryland, Inc. to construct and maintain underground telecommunication and electric systems. The right-of-way easement runs from Ednor Road through land known as 1100 East 33 Street, which is owned by the City, to land under redevelopment in accordance with the Stadium Place Land Disposition Agreement. The City will not bear any costs associated with this right-of-way easement.

UPON MOTION duly made and seconded, the Board approved and authorized execution of the aforementioned right-of-way easement agreements.
The Board is requested to approve and authorize execution of the various local government resolutions.

The below listed organizations are applying to the State of Maryland’s Community Investment Tax Credit Program (CITCP), Low Income Housing Tax Credits (LITHC), and Neighborhood Stabilization Program 3 (NSP3). A local government resolution of support is required by the State for all applications to the programs for funding.

The B&O Railroad Museum, Inc., located at 901 W. Pratt Street, Baltimore, MD 21223, proposes the Keeping the William Mason Running: Preserving and Recertifying the Oldest Functioning Steam Locomotive in the United States Project. The funds will be used to keep the William Mason, B&O #25, which is the oldest operational locomotive in the Western Hemisphere and second oldest in operating order and in compliance with Federal Railroad Administration regulations. This process which includes, reboilering and refitting all the tubing in the locomotives, is a process that functioning locomotives must undergo every 15 years in order to be legally operating. Work will be performed in the B&O Railroad Museum’s Restoration Shop in Southwest Baltimore, thus allowing for unique tours where museum visitors have a chance to see the inner workings of this engine as it is worked on. The project will allow the museum to maintain a Master Metal Worker as well as other members of the shop crew.
The B&O Museum was founded in 1953 by the former B&O Railroad Company to showcase its vast collection of historic locomotives, rolling stock, artifacts and historic documents. The Museum holds the oldest, most historic, comprehensive American railroad collection in the world. The Museum complex has five historic shop buildings, surviving tracks and archaeological sites, garnering it National Historic Landmark status in a State Certified Heritage Area, and full Affiliate Membership of the Smithsonian Institution. This is the first museum in Maryland to hold that distinction.

The mission of the B&O Railroad Museum is to preserve the physical legacy and the experience of American railroading and to interpret and present its history to the widest possible audience.

2. **CENTRAL BALTIMORE PARTNERSHIP**  
   $550,000.00  
   (CITCP)

The Central Baltimore Partnership, located at 1800 N. Charles Street, Suite 810, Baltimore, MD 21201, proposes six projects in the Central Baltimore/Midtown Area. Many of them are specifically located within the Station North Arts and Entertainment District. All of the projects qualify as transit oriented development located within walking distance to Penn Station and the new Charm City Circulator.

a. Baltimore Design School, located at 1500 Barclay Street, Baltimore, MD 21202 is requesting $200,000.00 (total project cost is $25,400,000.00). The project consists of substantial renovations and additions to an existing four story industrial building. The building will be converted into a combination middle school/high school.
b. Baltimore Public Montessori School, located at 1600 Guilford Avenue, Baltimore, MD 21202, is requesting $100,000.00 (total project cost is $200,000.00). The project will bring the school up to code to be used as community space. Included will be upgrades to the fire suppression system, replacement of original building boiler unit with a natural gas system and a security upgrade.

c. Load of Fun, located at 120 W. North Ave, Baltimore, MD 21202 is requesting $10,000.00 (total project cost is $30,000.00). The project will complete façade improvements. The facility consists of 20 artist studios, 34 artists, four theater groups and two theaters in the Station North Arts & Entertainment District.

d. People’s Homesteading Group, located at 410 E. North Avenue, Baltimore, MD 21202, is requesting $165,000.00 (total project cost is $1,000,000.00) for the Anchors of Hope Project. The funds will be used to renovate four historic homes located at 417, 440, 443, and 446 E. 22nd Street.

e. North Avenue Market located at 14-34 W. North Avenue, Baltimore, MD 21201, is requesting $75,000.00 (total project cost is $150,000.00). The project will include renovations to this historic building. Renovations will include cleaning, repairing and painting the existing stucco surfaces of the front of the building and arches. New signage for the WindUp Space and the Cyclops book store will be fabricated as depicted in the drawings submitted with the application.
f. Telesis Corporation is requesting $160,000.00 (total project cost is $323,580.00) for Barclay Park, which is a planned community green space for the NW corner of Barclay and East 20th Street. The funds will be used for the demolition of uninhabitable blighted rowhouses and the removal of a vacant parking lot in preparation for the Park’s implementation, which will be simultaneous with the Phase II homeownership project.

The Central Baltimore Partnership marshals the vision, commitment, talent and resources of virtually every organization with a stake in the area. These partner organizations have united for a comprehensive community development strategy in Central Baltimore, an area that is roughly bordered by the Johns Hopkins University Homewood campus to the north, Mt. Royal Avenue to the south, Greenmount Avenue to the east and Fallsway to the west.

3. THE GREENS AT IRVINGTON MEWS SENIOR APARTMENTS $13,681,000.00

$ 661,000.00 (NSP3 Funds)
$13,020,000.00 (LIHTC)

The Greens at Irvington Mews Senior Apartments located in the 4300 Block of Frederick Avenue involves the new construction of 100 one-bedroom and two-bedroom affordable rental housing units for low to moderate-income residents in the Irvington neighborhood. The units will be affordable to persons with incomes at or below 60% of the area median income. The financing will also be provided as follows:

Capitol One Bank $900,000.00
AHP/FHLB $750,000.00

Improvements – $70,000.00
Account: 1001-662-006-00-3-16

BACKGROUND/EXPLANATION:

The Department of Public Works, Bureau of Solid Waste, Property Management Division, is currently located at 900-920 E. 25th Street. While the address is contiguous, they are only occupying the warehouse and a portion of the lot located at 920 E. 25th Street, which does not provide them with sufficient parking for all of their vehicles and equipment. The location, 1825-1829 Edison Highway will allow for office space for the staff and sufficient warehouse and parking space for all of their equipment and vehicles. Currently, the monthly rent at 900-920 E. 25th Street is $9,156.91. The rent at 1825-1829 Edison Highway will be $6,239.00 resulting in a cost-saving of $2,917.91 per month.
Space Utilization Committee – cont’d

There was no City-owned space available to meet the necessary space requirements for the agency. The agency also requested permission from the owner to make some additional improvements to accommodate their operations (i.e. installing two locker rooms for men and women, shower stalls, eyewash, and heating system for locker rooms) with the intention of having the work done by the Department of General Services (DGS).

The DGS reviewed the scope of work being requested by the agency and determined that it would be best for the landlord to perform the improvements and the City reimburse the landlord. The cost of improvements is not to exceed $70,000.00. The improvements are to be completed within 60 days from the date that the work begins. The DGS will review the cost estimates and oversee the improvements to completion.

The tenant will be responsible for all general maintenance, utilities including heat, air conditioning, plumbing, electric, water, sewer, real estate taxes, and janitorial services.

The Space Utilization Committee approved this lease agreement on October 18, 2011.

$75,000.00 – Purchase Price

BACKGROUND/EXPLANATION:

Each property was priced at $5,000.00 through the City’s appraisal policy by using a representative appraisal. A representative appraisal may be used for valuation of the other properties that are similar in type and condition. One of the properties, 2050 E. Fayette Street was appraised for $4,000.00 and used as the representative appraisal. All of the other properties that will be sold are vacant and boarded, two or three story dwellings, and are in close proximity to one another.
DHCD - cont’d

The developer offered $5,000.00 per property, which the City accepted subject to Board’s approval. A good faith deposit was not paid by the developer. The entire balance will be paid by the developer at the time of settlement by Cashiers or Certified Check.

The developer will be using private funds to pay for the acquisition and rehabilitation. Documentation of the developer’s financial capacity has been provided. The properties will be completely rehabilitated to include a new roof, new windows, and a new HVAC system. The properties will then be sold at market-rate for owner occupancy.

DHCD’s Land Resources Division, on behalf of the Mayor and City Council, strategically acquires and manages vacant or abandoned properties, ultimately enabling these properties to be returned to productive use and improving Baltimore’s neighborhoods.

The City has agreed to convey the 15 aforementioned properties, which will contribute to the revitalization of the Johnston Square and Middle East communities. As a condition of conveyance, the developer has agreed to rehabilitate the properties within 12 months of the date of transfer.

The City may dispose of the properties by virtue of the following legal authorities: Article 28, Subtitle 8 of the Baltimore City Code (2011 Edition); Article II, Section 15 of the Baltimore City Charter (2011 Edition); and Article 13 of the City Code.

MBE/WBE PARTICIPATION:

The properties are not subject to Article 5, Subtitle 28 of the Baltimore City Code because they will be sold at market value.
