BACKGROUND/EXPLANATION:

The new Early Intervention System (EIS), which is a cloud-based Software as a Service (SaaS) is a Human Resources (HR) tool to monitor potentially problematic behaviors of Officers.

Suppliers were solicited by advertising on Workday, eMaryland Marketplace, and in local newspapers. Four proposals were received on February 15, 2023. Two out of the four proposals received were found non-responsive. The two responsive proposals were subsequently reviewed by the evaluation committee for technical scoring. The two responsive proposals scored by the evaluation committee achieved the minimum technical score for further evaluation and subsequent price opening on April 19, 2023. The award is recommended to be made to the responsive offeror receiving the highest total combined score.

This contract has two, one-year renewal options.

The above amount is the City's estimated requirement; however, the vendor shall supply the City's entire requirement, be it more or less.
