Re: SB-23-11513

Dear Sir/Madame:

At page 76 of the Board's agenda it states that the Board is requested to reject all bids because none of the bidders had complied with the required M/WBE participation goals. However, MWBOO Chief Lundy states that there were several complaint bids, including that submitted by my client, Lorenz, Inc. A copy of the item from page 76 and of Chief Lundy's email response to my inquiry are attached. Is there an explanation for this obvious discrepancy?

Very truly yours,

Robert Fulton Dashiell, Esq.
