Subject: Protest for 10/5 Board of Estimates Meeting, P 21

The following message was received by the Comptroller's Office from The Hon. Bernard Jack Young as a protest of the Consultant Agreement on Page 21 of the October 5, 2022 Board of Estimates agenda:

"I understand you want to get the BOE to support selling our conduit system. That would be a grave mistake given that the charter amendment has reached the ballot to have the citizens of Baltimore decide. You know and I know that's a bad idea. Solicitor Shea worked for Venable, who also represents Excelon. That would definitely be a conflict of interest. I ask that you not move forward with this proposal. I'll be at the BOE on Wednesday."
